Item 1.01. Entry into a Material Definitive Agreement.

As previously reported, on December 15, 2021, MoneyLion Inc., a Delaware corporation (the "Company"), entered into an Agreement and Plan of Merger (as amended or modified from time to time, the "Merger Agreement") by and among the Company, Epsilon Merger Sub Inc., a Delaware corporation and wholly owned subsidiary of the Company ("Merger Sub"), Even Financial Inc., a Delaware corporation ("Even"), and Fortis Advisors LLC, a Delaware limited liability company, solely in its capacity as representative of the equityholders of Even (the "Equityholders' Representative"), pursuant to which and subject to the satisfaction or waiver of the conditions set forth in the Merger Agreement, Merger Sub will merge with and into Even, with Even surviving as a wholly owned subsidiary of the Company (the "Merger").

In connection and concurrently with the Company's entry into the Merger Agreement, the Company entered into support agreements (the "Support Agreements") with certain shareholders of Even pursuant to which such shareholders have agreed to vote their respective shares of Even's capital stock in favor of the approval and adoption of the Merger Agreement, waive their statutory appraisal rights and be bound by certain other covenants and agreements related to the Merger.

Merger Agreement

Pursuant to the terms of the Merger Agreement, the Company will acquire all of the outstanding equity interests of Even for a purchase price of \$360 million, comprised of (i) 34.5 million shares of newly issued Series A Preferred Stock, par value \$0.0001 per share, of the Company (the "Preferred Stock"), with a face value of \$10.00 per share (the "Conversion Price"), subject to certain customary purchase price adjustments at closing and the other terms and conditions described in the Merger Agreement, and (ii) \$15 million in cash. The equityholders of Even will also be entitled to receive an additional payment from the Company of up to an aggregate of 8 million shares of Preferred Stock, with a face value per share equal to the Conversion Price, based on the attributed revenue of Even's business during the 13 months beginning January 1, 2022. Subject to certain exceptions described in the Merger Agreement, the shares of Preferred Stock issued pursuant to the Merger Agreement will not be transferrable without the Company's consent (i) for a period of twelve months following the closing of the Merger, in the case of shares of Preferred Stock issued to Even employees, or (ii) until March 22, 2022, for all

other Even equityholders (the “Lockup Period”).

Pursuant to the Merger Agreement, prior to the effective time of the Merger, the Company will file a Certificate of Designations of the Preferred Stock (the “Certificate of Designations”). The Certificate of Designations will provide that the shares of Preferred Stock will be convertible into shares of Class A Common Stock, par value \$0.0001 per share, of the Company (the “Common Stock”) on a one-for-one basis, subject to customary anti-dilution adjustments. The Preferred Stock will (i) be convertible at any time upon the holder’s election and (ii) automatically convert into Common Stock if the per share volume-weighted average price of the shares of Common Stock on the New York Stock Exchange (the “NYSE”) equals or exceeds \$10.00 on any 20 trading days (which may be consecutive or nonconsecutive) within any consecutive 30 trading day period that ends no later than the last day of the Lockup Period that applies to such shares of Preferred Stock. Holders of the Preferred Stock will be entitled to a 3% cumulative annual dividend, payable at the Company’s election in either cash or Common Stock, or a combination thereof, with any Common Stock dividends valued based on the per share volume-weighted average price of the shares of Common Stock on the NYSE for the 20 trading days ending on the trading day immediately prior to the date on which the dividend is paid. Upon a liquidation of the Company, holders of the Preferred Stock will be entitled to a liquidation preference of the greater of the Conversion Price or the amount per share that such holder would have received had the Preferred Stock been converted into Common Stock immediately prior to the liquidation plus any accrued and unpaid dividends.

The Merger Agreement contains customary representations, warranties and covenants. The closing of the Merger is expected to occur in the first quarter of 2022, subject to receipt of regulatory approvals and satisfaction of customary closing conditions, including: (i) approval by Even’s stockholders of the Merger Agreement and the Merger, (ii) the expiration or termination of the waiting period (or any extension thereof) applicable under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 and (iii) the absence of a material adverse effect with respect to the Company and Even.

The foregoing descriptions of the Merger Agreement and the Certificate of Designations do not purport to be complete and are qualified in their entirety by reference to the full text of the Merger Agreement (including the form of Certificate of Designations attached thereto as Exhibit B), which is filed as Exhibit 2.1 to this Current Report on Form 8-K and incorporated by reference herein. The representations, warranties and covenants contained in the Merger Agreement have been made solely for the purposes of the Merger Agreement and as of specific dates; were solely for the benefit of the parties to the Merger Agreement; are not intended as statements of fact to be relied upon by stockholders of the Company or other security holders, but rather as a way of allocating the risk between the parties in the event the statements therein prove to be inaccurate; have been modified or qualified by certain confidential disclosures that were made between the parties in connection with the negotiation of the Merger Agreement, which disclosures are not reflected in the Merger Agreement itself; may no longer be true as of a given date; and may apply standards of materiality in a way that is different from what may be viewed as material by stockholders of the Company or other security holders.

Support Agreements

Concurrently with the execution of the Merger Agreement, certain equityholders of Even (the “Supporting Equityholders”) entered into Support Agreements. Pursuant to the Support Agreements, each Supporting Equityholder has agreed to, among other things, (i) to the extent applicable, vote in favor of the Merger Agreement and the transactions contemplated thereby (including the Merger) and (ii) be bound by certain other covenants and agreements related to the Merger. The Supporting Equityholders hold sufficient shares of Even to cause the approval of the Merger Agreement and the Merger on behalf of Even.

The foregoing description of the Support Agreements is subject to and qualified in its entirety by reference to the full text of the forms of Support Agreement, copies of which are included as Exhibit 10.1 hereto, and the terms of which are incorporated by reference.

Item 3.02. Unregistered Sale of Equity Securities.

The disclosure set forth above in Item 1.01 of this Current Report on Form 8-K is incorporated by reference herein. The Preferred Stock to be offered and sold in connection with the Merger have not been registered under the Securities Act of 1933, as amended (the “Securities Act”), in reliance upon the exemption provided in Section 4(a)(2) thereof.

Forward-Looking Statements

The information in this Current Report on Form 8-K includes “forward-looking statements” within the meaning of the “safe harbor” provisions of the United States Private Securities Litigation Reform Act of 1995. Forward-looking statements may be identified by the use of words such as “estimate,” “plan,” “project,” “forecast,” “intend,” “will,” “expect,” “anticipate,” “believe,” “seek,” “target” or other similar expressions that predict or indicate future events or trends or that are not statements of historical matters. These forward-looking statements include, but are not limited to, statements regarding estimates and forecasts of financial and performance metrics and expectations and timing related to potential benefits, terms and timing of the transaction. These statements are based on various assumptions, whether or not identified in this press release, and on the current expectations of the Company’s management and are not predictions of actual performance. These forward-looking statements are provided for illustrative purposes only and are not intended to serve as, and must not be relied on by any investor as, a guarantee, an assurance, a prediction or a definitive statement of fact or probability. Actual events and circumstances are difficult or impossible to predict and will differ from assumptions. Many actual events and circumstances are beyond the control of the Company. These forward-looking statements are subject to a number of risks and uncertainties, including changes in domestic and foreign business, market, financial, political and legal conditions; the inability of the parties to successfully or timely consummate the proposed transaction, including the risk that any required regulatory approvals are not obtained, are delayed or are subject to unanticipated conditions that could adversely affect the combined company or the expected benefits of the proposed transaction; failure to realize the anticipated benefits of the proposed transaction; risks relating to the uncertainty of the projected financial information with respect to the Company; future global, regional or local economic and market conditions; the development, effects and enforcement of laws and regulations; the Company’s ability to manage future growth; the Company’s ability to develop new products and solutions, bring them to market in a timely manner, and make enhancements to its platform; the effects of competition on the Company’s future business; or, the outcome of any potential litigation, government and regulatory proceedings, investigations and inquiries. If any of these risks materialize or our assumptions prove incorrect, actual results could differ materially from the results implied by these forward-looking statements. There may be additional risks that the Company presently knows or that the Company currently believes are immaterial that could also cause actual results to differ from those contained in the forward-looking statements. In addition, forward-looking statements reflect the Company’s expectations, plans or forecasts of future events and views as of the date of this press release. The Company anticipates that subsequent events and developments will cause its assessments to change. However, while the Company may elect to update these forward-looking statements at some point in the future, the Company specifically disclaims any obligation to do so. These forward-looking statements should not be relied upon as representing the Company’s assessments as of any date subsequent to the date of this press release. Section 2.01. Merger. (a) At the Effective Time, upon the terms and subject to the conditions set forth in this Agreement, Parent, Merger Sub and the Company shall cause Merger Sub to be merged with and into the Company in accordance with Delaware Law, whereupon the separate existence of Merger Sub shall cease, and the Company shall continue as the surviving company (the “**Surviving Company**”).

(b) From and after the Effective Time, the effect of the Merger shall be as provided in this Agreement and the applicable provisions of Delaware Law, and the Surviving Company shall possess all of the rights, powers, privileges and franchises and be subject to all of the obligations, liabilities, restrictions and disabilities of the Company and Merger Sub, all as provided under Delaware Law.

(c) Subject to the provisions of Article 9, the closing of the Merger (the “**Closing**”) shall take place in New York City at the offices of Davis Polk & Wardwell LLP, 450 Lexington Avenue, New York, New York, 10017, or remotely by the exchange of documents and signatures (or their electronic counterparts), on the third Business Day following the date on which all of the conditions set forth in Article 9 have been satisfied or, to the extent permissible, waived by the party or parties entitled to the benefit of such conditions (other than those conditions that by their nature are to be satisfied at the Closing (the “**Closing Date Conditions**”), but subject to the satisfaction of, or, to the extent permissible, waiver by the party or parties entitled to the benefit of, the Closing Date Conditions) or at such other place, at such other time or on such other date as Parent and the Company may mutually agree in writing. The date on which the Closing actually occurs is referred to in this Agreement as the “**Closing Date**.”

(d) At the Closing, Parent shall file, or cause to be filed, with the Secretary of State of the State of Delaware, a certificate of merger relating to the Merger in substantially the form of Exhibit C (the “**Certificate of Merger**”) and any other appropriate documents, in each case as approved by Parent, in accordance with the relevant provisions of Delaware Law and, on the Closing Date or as soon as practicable thereafter, shall make all other filings or recordings required under Delaware Law. The Merger shall become effective at such time (the “**Effective**

30

Time”) as the Certificate of Merger is duly filed with the Secretary of State of the State of Delaware (or at such other later time as may be agreed by Parent and the Company and specified in the Certificate of Merger).

Section 2.02. Governing Documents of the Surviving Company. At the Effective Time, by virtue of the Merger, the Governing Documents of the Surviving Company shall be amended to be identical to the Governing Documents of Merger Sub in effect immediately prior to the Effective Time until amended in accordance with Applicable Law, except that the name of the Surviving Company shall be “Even Financial Inc.” (or such other name as may be agreed by Parent and the Company and specified in the Governing Documents of the Surviving Company).

Section 2.03. Directors and Officers of the Surviving Company.

(a) At the Effective Time, by virtue of the Merger, the directors of Merger Sub immediately prior to the Effective Time shall be the directors of the Surviving Company immediately after the Effective Time, each to hold office in accordance with the Governing Documents of the Surviving Company until their respective successors are duly elected or appointed and qualified or until their earlier death, resignation or removal in accordance with the Governing Documents of the Surviving Company.

(b) At the Effective Time, by virtue of the Merger, the officers of the Company immediately prior to the Effective Time shall be the officers of the Surviving Company immediately after the Effective Time, each to hold office in accordance with the Governing Documents of the Surviving Company until their respective successors are duly appointed or until their earlier death, resignation or removal in accordance with the Governing Documents of the Surviving Company.

Section 2.04. Certificate of Incorporation of the Company. Immediately prior to the Effective Time, the certificate of incorporation of the Company shall be amended in the form set forth on Exhibit D (the “**Company Charter Amendment**”) and the Company shall file the Company Charter Amendment with the Secretary of State of the State of Delaware in accordance with Applicable Law.

Section 2.05. Conversion of Shares. At the Effective Time, by virtue of the Merger and without any action on the part of Parent, Merger Sub, the Company or the holders of any of the following securities:

(a) except for Disregarded Shares and Dissenting Shares, (i) each share of Company Common Stock issued and outstanding immediately prior to the Effective Time that is not a Company Management Security shall be converted into and shall become the right to receive, and each share of Company Preferred Stock issued and outstanding immediately prior to the Effective Time shall be converted into and shall become the right to receive, subject to the terms and conditions herein (including Section 2.12(a)), with respect to each share of Company Common Stock into which such share of Company Preferred Stock is convertible or deemed convertible, (A) the Per Share Closing Equity Consideration, *plus* (B) the Per Security Purchase

31

Price Adjustment Escrow, *plus* (C) the Per Security Indemnification Escrow, *plus* (D) the Additional Per Security Consideration, if any, subject to the terms and conditions of Section 2.11 and Section 2.15 and (ii) each Company Management Security (other than Vested Stock Options that are Company Management Securities) shall be converted into and shall become the right to receive (A) the Per Share Closing Cash Consideration, *plus* (B) the Per Security Purchase Price Adjustment Escrow, *plus* (C) the Per Security Indemnification Escrow, *plus* (D) the Additional Per Security Consideration, if any, subject to the terms and conditions of Section 2.11 and Section 2.15, (the consideration described in this Section 2.05(a), the “**Merger Consideration**”), and, as of the Effective Time, all such shares of Company Common Stock (including shares of Company Common Stock that are Company Management Securities) and Company Preferred Stock shall no longer be outstanding and shall automatically be canceled and retired and shall cease to exist and shall thereafter represent only the right to receive the Merger Consideration;

(b) each share of Company Common Stock and Company Preferred Stock held by the Company (collectively, the “**Disregarded Shares**”) immediately prior to the Effective Time shall be canceled without any conversion thereof and shall cease to exist, and no consideration shall be delivered or receivable with respect thereto; and

(c) each share of capital stock of Merger Sub issued and outstanding immediately prior to the Effective Time shall be converted into and become one validly issued, fully paid and nonassessable share of common stock of the Surviving Company, with the same rights, powers and privileges as the shares so converted and shall constitute the only outstanding capital stock of the Surviving Company.

For tax purposes, the parties agree to treat the release of any Purchase Price Adjustment Escrow Shares and Indemnification Escrow Shares as an adjustment to the Merger Consideration (and not “boot”) for all Tax purposes except to the extent required by Applicable Law, and, without limiting the foregoing, the parties agree that interest may be imputed on such shares as required by Section 483 or 1274 of the Code.

Section 2.06. Dissenters’ Rights.

(a) Notwithstanding any provision of this Agreement to the contrary, other than as provided in this Section 2.06, any shares of Company Common Stock or Company Preferred Stock that are issued and outstanding immediately prior to the Effective Time and are held by a holder who (i) duly and validly demands appraisal of such shares in connection with the Merger in accordance with Delaware Law and (ii) as of the Effective Time, has not effectively withdrawn or lost such appraisal rights (through failure to perfect or otherwise) (such shares, “**Dissenting Shares**”) shall not be converted into or represent the right to receive the Merger Consideration, but instead shall be converted into the right to receive only such consideration as may be determined to be due with respect to such Dissenting Shares under Delaware Law. From and after the Effective Time, the Dissenting Shares shall no longer be outstanding and shall automatically be canceled and retired and shall cease to exist, and a holder of Dissenting Shares shall not be entitled to exercise any of the voting rights or other rights of a stockholder of the

32

Surviving Company. Parent shall be entitled to retain the Merger Consideration that otherwise would have been paid in respect of the Dissenting Shares, and, subject to Section 2.06(b), no Equityholder shall be entitled to any portion of such Merger Consideration.

(b) Notwithstanding the provisions of Section 2.06(a), if any holder of shares of Company Common Stock or Company Preferred Stock who has duly and validly demanded appraisal of such shares in connection with the Merger in accordance with Delaware Law effectively withdraws or loses such appraisal rights (through failure to perfect or otherwise), then such shares shall no longer be Dissenting Shares and, as of the later of the Effective Time and the occurrence of such withdrawal or loss, such shares shall automatically be converted into the right to receive the Merger Consideration payable with respect to such shares pursuant to and in accordance with this Agreement.

(c) The Company shall give Parent prompt notice of the receipt of any written notice of any demand for appraisal or intent to demand appraisal for any shares of Company Common Stock or Company Preferred Stock, withdrawals of such demands, and any other instruments served pursuant to Delaware Law and received by the Company that relate to any such demand for appraisal. Notwithstanding anything in this Agreement to the contrary, prior to the Effective Time, the Company shall have the right and opportunity to participate in, control and direct all negotiations and proceedings with respect to any demand or threatened demand for appraisal in connection with the Merger (each an “**Appraisal Demand**”) and, following the Effective Time, Parent shall have the right and opportunity to participate in, control and direct all negotiations and proceedings with respect to an Appraisal Demand; *provided, however*, that, following the Effective Time, the Parent Indemnified Parties shall not settle any Appraisal Demand without prior written approval of the Equityholders’ Representative (which consent shall not be unreasonably withheld, conditioned or delayed).

Section 2.07. Surrender and Payment. (a) As promptly as practicable after the date of this Agreement, (i) Parent and the Equityholders’ Representative shall enter into an exchange agent agreement with the Exchange Agent, in a form reasonably acceptable to the Company, Parent and the Equityholders’ Representative (the “**Exchange Agent Agreement**”), pursuant to which Parent and the Equityholders’ Representative shall appoint and retain the Exchange Agent for the purpose of exchanging the Merger Consideration, Warrant Consideration and Option Consideration for shares of Company Common Stock and Company Preferred Stock, Company Warrants and Vested Stock Options, as applicable, and (ii) at least ten (10) Business Days prior to the Closing, Parent shall cause the Exchange Agent to deliver to each holder of record of shares of Company Common Stock and Company Preferred Stock, Company Warrants and Vested Stock Options a letter of transmittal, in the form attached hereto as Exhibit E (with

such changes as may be reasonably requested by the Exchange Agent), addressing certain matters relating to the surrender and exchange of their respective shares of Company Common Stock and Company Preferred Stock, Company Warrants and Vested Stock Options for the Merger Consideration, Warrant Consideration or Option Consideration, as applicable, hereunder, including the Lockup (the “**Letter of Transmittal**”) to be completed and delivered by each Equityholder (other than each holder of record of Rollover Stock Options) to effect the exchange

of such Equityholder’s shares of Company Common Stock and Company Preferred Stock, Company Warrants or Vested Stock Options for the payment of the Merger Consideration, Warrant Consideration or Option Consideration, as applicable, payable or deliverable pursuant to Section 2.05, Section 2.08 and Section 2.12 in respect of such shares of Company Common Stock and Company Preferred Stock, Company Warrants and Vested Stock Options. The Company may deliver a Letter of Transmittal to certain Equityholders agreed upon by the Company and Parent prior to the Closing; *provided, however*, that a Letter of Transmittal is fully and properly completed and returned to the Exchange Agent at least one (1) Business Day prior to the Closing Date, Parent shall use commercially reasonable efforts to cause payment to be made to such Equityholders in accordance with Section 2.05, Section 2.08 and Section 2.12 on the Closing Date; *provided, further*, that if a Letter of Transmittal is fully and properly completed and returned to the Exchange Agent following the Closing, Parent shall cause payments to be made to each Equityholder in accordance with Section 2.05, Section 2.08 and Section 2.12 as soon as possible thereafter (but in any event no later than two (2) Business Days after return thereof is made).

(b) At the Closing, Parent or Merger Sub shall deliver or cause to be delivered (i) by wire transfer of immediately available funds to the Exchange Agent, in trust for the benefit of the Equityholders entitled thereto, the aggregate Per Share Closing Cash Consideration and (ii) to the Exchange Agent, in trust for the benefit of the Equityholders entitled thereto, the aggregate Per Share Closing Equity Consideration. Each Equityholder receiving any portion of the Per Share Closing Cash Consideration shall be entitled to designate in its Letter of Transmittal which shares of its Company Common Stock or Company Preferred Stock shall be treated as exchanged for such cash consideration for purposes of this Agreement and in accordance with Treasury Regulation Section 1.358-2(a)(2)(ii).

(c) Upon surrender to the Exchange Agent of properly completed and duly executed Letter of Transmittal (together with properly completed and duly executed tax forms), an Equityholder whose shares of Company Common Stock or Company Preferred Stock, Company Warrants and Vested Stock Options have been converted into the right to receive the applicable portion of the Merger Consideration, Warrant Consideration or Option Consideration, as applicable, shall be entitled (A) to promptly receive from the Exchange Agent the Per Share Closing Cash Consideration to which such Equityholder is entitled pursuant to Section 2.05, Section 2.08 and Section 2.12, if any, (B) to promptly receive from the Exchange Agent the Per Share Closing Equity Consideration to which such Equityholder is entitled pursuant to Section 2.05, Section 2.08 and Section 2.12, if any, and (C) to receive from the Exchange Agent the portion of the remainder of the Merger Consideration, Warrant Consideration or Option Consideration payable or deliverable, as applicable, for each such Equityholder’s shares of Company Common Stock and Company Preferred Stock, Company Warrants and Vested Stock Options in the manner and at (or promptly following) the times paid or delivered to the Exchange Agent, in trust for the benefit of the Equityholders entitled thereto, as set forth in this Agreement. If any such Equityholder does not surrender to the Exchange Agent a properly completed and duly executed Letter of Transmittal (together with properly completed and duly executed tax forms) by the first anniversary of the Effective Time, then the Exchange Agent shall return the

portion of the Merger Consideration, Warrant Consideration or Option Consideration to which such Equityholder would otherwise be entitled pursuant to Section 2.05, Section 2.08 and Section 2.12, and such amounts shall become, to the extent permitted by Applicable Law, the property of Parent free and clear of any claims or interest of any Person previously entitled thereto.

(d) If any portion of the Merger Consideration, Warrant Consideration or Option Consideration is to be paid to a Person other than the Person in whose name the related share of Company Common Stock or Company Preferred Stock, Company Warrant or Vested Stock Option is registered, it shall be a condition to such payment that the Person requesting such payment shall pay to Parent any transfer or other Taxes required as a result of such payment to a Person other than the registered holder of such share or establish to the satisfaction of Parent that such Tax has been paid or is not payable.

(e) After the Effective Time, the transfer books of the Company shall be closed and there shall be no further registration of transfers of shares of Company Common Stock or Company Preferred Stock.

(f) After the Effective Time, other than in respect of any Option Consideration, Warrant Consideration or Merger Consideration payable through Parent’s or the Surviving Company’s payroll or treasury functions pursuant to Section 2.08(e), each Equityholder shall look only to the Exchange Agent for payment or delivery of the portion of the Merger Consideration, Warrant Consideration or Option Consideration payable pursuant to Section 2.05, Section 2.08 and Section 2.12 and the other amounts payable pursuant to this Agreement, in each case, in respect of shares of Company Common Stock or Company Preferred Stock, Company Warrants or Vested Stock Options. Notwithstanding anything to the contrary contained herein, payment by or on behalf of Parent to the Exchange Agent in accordance with this Agreement shall be in full satisfaction of the obligations of Parent and its Affiliates with respect to such payment.

(g) Except as required by Applicable Law, no dividends or other distributions with respect to shares of capital stock of the Surviving Company with a record date after the Effective Time shall be paid to any Equityholder.

(h) All consideration paid in respect of the surrender or exchange of shares of Company Common Stock and Company Preferred Stock, Company Warrants and Vested Stock Options in accordance with the terms hereof shall be deemed to be in full satisfaction of all rights pertaining to such shares.

(i) For the avoidance of doubt, no interest will be paid or accrued on the Merger Consideration, Warrant Consideration or Option Consideration or any payments thereof to the Equityholders.

Section 2.08. Company Stock Options and Company Warrants.

(a) At the Effective Time, each Company Stock Option that is vested or that, pursuant to its terms as in effect as of the date hereof, would become vested as of the Effective Time (other than any Company Stock Option that is held by a Company Employee who is a Non-Qualified Investor) (a “**Vested Stock Option**”) shall be cancelled, and, subject to the terms and conditions set forth herein (including Section 2.12(a)), each holder of such a Vested Stock Option (an “**Optionholder**”) shall be entitled to receive, in full satisfaction of the rights of the Optionholder with respect to (i) such Vested Stock Option that is not a Company Management Security (subject to adjustment as provided herein) (A) the Per Option Closing Consideration, *plus* (B) the Per Security Purchase Price Adjustment Escrow, *plus* (C) the Per Security Indemnification Escrow, *plus* (D) the Additional Per Security Consideration, if any, in each case without interest and net of any required withholding of Taxes under Applicable Law (with any such withholding amount to reduce the amount of cash payable with respect to Company Management Securities) and subject to the terms and conditions of Section 2.11 and Section 2.15; *provided* that the Parent Preferred Stock to be delivered to an Optionholder pursuant to this Section 2.08(a) shall in each case be rounded down to the nearest whole number of shares after aggregating all shares and fractional shares otherwise to be delivered to such Optionholder (including in its capacity as an Equityholder), as applicable and (ii) such Vested Stock Option that is a Company Management Security (A) the Per Option Closing Cash Consideration (net of the applicable employee portion of any payroll, employment or similar Taxes related to such Vested Stock Option) *plus* (B) the Per Security Purchase Price Adjustment Escrow, *plus* (C) the Per Security Indemnification Escrow, *plus* (D) the Additional Per Security Consideration, if any, in each case without interest and net of any required withholding of Taxes under Applicable

Law and subject to the terms and conditions of Section 2.11 and Section 2.15 (the consideration described in this Section 2.08(a), the “**Option Consideration**”).

(b) Each Company Stock Option that is not cancelled in accordance with Section 2.08(a) (including any Company Stock Option that is vested or that, pursuant to its terms as in effect as of the date hereof, would become vested as of the Effective Time and that is held by a Company Employee that is a Non-Qualified Investor) (a “**Rollover Stock Option**”), at the Effective Time shall, by virtue of the Merger and without further action on the part of the holder thereof, be assumed by Parent and become, as of the Effective Time, a stock option representing the right to purchase shares of Parent Common Stock, on substantially the same terms and conditions (including applicable vesting, exercise and expiration provisions) as applied to each such Rollover Stock Option immediately prior to the Effective Time (an “**Assumed Stock Option**”), except that (i) the number of shares of Parent Common Stock subject to such Assumed Stock Option shall be equal to the number of shares of Parent Common Stock (rounded down to the nearest whole share) determined by multiplying (A) the number of shares of Company Common Stock subject to the Rollover Stock Option by (B) the sum of (1) the Per Share Closing Equity Consideration, plus (2) the Per Security Purchase Price Adjustment Escrow, plus (3) the Per Security Indemnification Escrow (with a number of shares of Parent Common Stock underlying each Assumed Stock Option allocated as Indemnification Escrow Shares and Purchase Price Adjustment Shares as set forth on the Allocation Schedule, which amounts shall be calculated based on the same proportions as the Indemnification Escrow Shares and Purchase Price Adjustment Shares, respectively, relative to the Closing Consideration Shares) and (ii) the

36

exercise price per share of Parent Common Stock (rounded up to the nearest whole cent) subject to the Assumed Stock Option shall be equal to (A) the exercise price per share of Company Common Stock applicable to the corresponding Company Stock Option immediately prior to the Effective Time, divided by (B) the sum of (1) the Per Share Closing Equity Consideration, plus (2) the Per Security Purchase Price Adjustment Escrow, plus (3) the Per Security Indemnification Escrow; provided, that in no event shall any assumption of Rollover Stock Options hereunder be effected in a manner that could cause the Assumed Stock Options to constitute “nonqualified deferred compensation” pursuant to Section 409A of the Code. For the avoidance of doubt, no payments made hereunder to the Equityholders in respect of Equity Securities of the Company (or any other payments by or on behalf of Parent to or for the benefit of the Equityholders pursuant to Section 2.11 or Article 10) made after the Closing shall impact the terms of any Assumed Stock Option, including the number of shares of Parent Common Stock subject thereto or the exercise price thereof. In addition, each holder of a Rollover Stock Option shall be entitled to the Additional Per Security Consideration, which shall be calculated and paid in the same manner as though the Rollover Stock Option were a Vested Stock Option; provided that if, at the time the Additional Per Security Consideration is to be paid, such holder has forfeited the Assumed Stock Option relating to such Rollover Stock Option, then the applicable Additional Per Security Consideration shall be forfeited as well and shall be distributed on a pro rata basis to the other Equityholders (other than any Equityholder that previously forfeited an Assumed Stock Option) in accordance with their respective number of Closing Consideration Shares (including treating Rollover Stock Options as Vested Stock Options for purposes of this calculation, but excluding, for the avoidance of doubt, the Merger Consideration Shares held by any Equityholder that forfeited an Assumed Stock Option); provided, further, that any Additional Per Security Consideration paid in respect of an Assumed Stock Option held by a non-Accredited Investor shall not include any shares of Parent Preferred Stock and, in lieu thereof, such non-Accredited Investor shall be entitled to receive an amount in cash equal to the value of such Additional Per Security Consideration (valuing the shares of Parent Preferred Stock at the Conversion Price). Furthermore, to the extent any of the Assumed Stock Options are forfeited by the applicable Equityholder, such options shall be reallocated by the CEO to employees of the Surviving Company, with such reallocation to be subject to the approval of the Compensation Committee of the Board of Directors of Parent. Parent shall use its reasonable best efforts to provide that shares of Parent Common Stock issuable upon exercise of the Assumed Stock Options shall be covered under Parent’s current registration statement on Form S-8 filed with the SEC in respect of Parent’s Omnibus Incentive Plan (or any successor registration statement).

(c) At the Effective Time, each Company Warrant shall be cancelled, and, subject to the terms and conditions set forth herein, each holder of such a Company Warrant shall be entitled to receive, in full satisfaction of the rights of such holder with respect to such Company Warrant (subject to adjustment as provided herein), (i) the Per Warrant Closing Consideration, plus (ii) the Per Security Purchase Price Adjustment Escrow, plus (iii) the Per Security Indemnification Escrow, plus (iv) the Additional Per Security Consideration, if any, in each case without interest and net of any required withholding of Taxes under Applicable Law and subject to the terms and conditions of Section 2.11, Section 2.15 and Article 10; provided that the Parent Preferred Stock to be delivered to a holder of any Company Warrants pursuant to this Section

37

2.08(c) shall in each case be rounded down to the nearest whole number of shares after aggregating all shares and fractional shares otherwise to be delivered to such holder of any Company Warrants (including in its capacity as Equityholder), as applicable (the consideration described in this Section 2.08(c), the “**Warrant Consideration**”). Each Unvested Company Warrant shall be cancelled and no consideration shall be paid in exchange for any Unvested Company Warrant that is cancelled.

(d) Prior to the Effective Time, the Company shall have taken all actions as are necessary to effect the cancellation and assumption of Company Stock Options and Company Warrants pursuant to Section 2.08 as of the Effective Time, and to approve and give effect to the transactions contemplated by this Section 2.08 in accordance with Applicable Law and the terms of the applicable Company Stock Plan and any Contracts evidencing a Company Stock Option or Company Warrant (and shall provide evidence of such actions to Parent prior to the Closing).

(e) Notwithstanding anything herein to the contrary, any Option Consideration, Warrant Consideration or Merger Consideration required to be paid under this Agreement to an Equityholder in respect of shares of Company Common Stock or Company Preferred Stock, Company Stock Options or Company Warrants (i) shall be subject to any withholding in accordance with Section 2.12 and (ii) may be made to (as directed by Parent), or withheld by, Parent or the Surviving Company for remittance to such Equityholder through Parent’s or the Surviving Company’s payroll or treasury functions no later than the second normal payroll date after such payment becomes due.

Section 2.09. Pre-Closing Estimates; Updated Allocation Schedule. (a) No later than three (3) Business Days prior to the Closing Date, the Company shall prepare and furnish to Parent (i) a written statement (the “**Estimate Statement**”), setting forth in reasonable detail the Company’s good faith estimate of Closing Working Capital (“**Estimated Closing Working Capital**”), Unpaid Transaction Expenses (“**Estimated Unpaid Transaction Expenses**”), Closing Cash (“**Estimated Closing Cash**”) and Closing Indebtedness (“**Estimated Closing Indebtedness**”), together with reasonable supporting documentation therefor, and, based on such amounts, the Estimated Adjustment Amount and the Per Share Closing Consideration Amount, and (ii) a duly completed Allocation Schedule (using the same calculations and following the same methodologies set forth on Schedule II). Parent may until two (2) Business Days prior to the Closing Date provide the Company with comments to the Estimate Statement and Allocation Schedule, and the Company shall consider such comments in good faith. The Company shall provide all supporting documentation reasonably requested by Parent in connection with Parent’s review of the preliminary and final Estimate Statement and Allocation Schedule.

(b) Notwithstanding anything to the contrary in this Agreement or any investigation or examination conducted, or any knowledge possessed or acquired, by or on behalf of Parent, Merger Sub, the Surviving Company or any of their respective Affiliates, (i) the parties acknowledge and agree that the preparation of the Allocation Schedule and the allocation set forth therein are the sole responsibility of the Equityholders and that Parent, Merger Sub and their respective Affiliates (including, following the Effective Time, the Acquired Companies)

38

shall be entitled to rely on the Allocation Schedule, without any obligation to investigate or verify the accuracy or correctness thereof, and to make payments in accordance therewith and (ii) in no event shall Parent, Merger Sub, the Surviving Company or any of their respective Affiliates, have any Liability to any Person (including the Equityholders’ Representative and each of the Equityholders) in connection with any claims relating to any alleged inaccuracy or miscalculations in, or otherwise relating to, the preparation of the Allocation Schedule and the allocation set forth therein or payments made by any Person (including Parent, Merger Sub, the Surviving Company and their respective Affiliates) in accordance therewith.

Section 2.10. Post-Closing Statement. (a) As promptly as practicable, but no later than 60 days after the Closing Date, Parent will prepare and deliver, or cause to be prepared and delivered, to the Equityholders' Representative a statement setting forth Parent's calculation of (i) Closing Working Capital, (ii) Unpaid Transaction Expenses, (iii) Closing Cash, (iv) Closing Indebtedness and (v) Final Adjustment Amount (the "**Post-Closing Statement**").

(b) After the delivery of the Post-Closing Statement and until the determination of Final Closing Working Capital, Final Unpaid Transaction Expenses, Final Closing Cash and Final Closing Indebtedness, Parent shall provide Equityholders' Representative and its representatives reasonable access at reasonable times and upon reasonable notice to the records and (subject to the execution of customary access letters if requested) auditor work papers relating to the preparation of the Post-Closing Statement and shall instruct its personnel to reasonably cooperate with the Equityholders' Representative in connection with its review of the Post-Closing Statement.

(c) If the Equityholders' Representative disagrees with Parent's calculation of any of the amounts set forth on the Post-Closing Statement, the Equityholders' Representative may, within 30 days after receipt of the Post-Closing Statement, deliver a written notice to Parent disagreeing with such calculation(s) and setting forth the Equityholders' Representative's calculation of such amount(s). Any such notice of disagreement shall specify those items or amounts as to which the Equityholders' Representative disagrees and its alternative calculations with respect to each item set forth on the Post-Closing Statement, and the Equityholders' Representative shall be deemed to have agreed with all other items and amounts contained in the Post-Closing Statement, which shall be final, binding and conclusive for all purposes hereunder. If the Equityholders' Representative fails to deliver such a written notice within such 30 day period, the Equityholders' Representative shall be deemed to have agreed to the Post-Closing Statement and items and amounts set forth therein, which shall be final, binding and conclusive for all purposes hereunder.

(d) If a notice of disagreement is duly delivered pursuant to Section 2.10(c), the Equityholders' Representative and Parent shall, during the 30 days following such delivery, use commercially reasonable efforts to reach agreement on the disputed items or amounts in order to determine, as may be required, the Final Amounts. If, after the expiration of such period or any mutually agreed extension thereof, the Equityholders' Representative and Parent are unable to reach such agreement on all such items and amounts, they shall promptly thereafter submit the

39

remaining disputed items to an independent accounting firm of nationally recognized standing as shall be mutually agreed upon in writing by Parent and the Equityholders' Representative (the "**Accounting Referee**") for resolution. In making such determination, the Accounting Referee (i) shall consider only those items or amounts in the Post-Closing Statement as to which the Equityholders' Representative has disagreed and which have not been resolved prior to submission to the Accounting Referee, (ii) shall not be entitled to hold any hearings or take or order the taking of depositions or other testimony, (iii) with respect to each matter submitted to it, shall not resolve such matter in a manner that is more favorable to Parent than the Post-Closing Statement or more favorable to the Equityholders' Representative than the notice of disagreement delivered pursuant to Section 2.10(c) and (iv) shall not consider any proposals related to settlement of any disputed items made by any of the parties. The Accounting Referee is not authorized to, and shall not, make any other determination including (A) any determination with respect to any matter included in the Post-Closing Statement or the Equityholders' Representative's notice of disagreement that was not submitted for resolution to the Accounting Referee or (B) any determination as to compliance by the Company, any Equityholder, Parent, Merger Sub or the Surviving Company with any of its covenants in this Agreement. Neither Parent nor the Equityholders' Representative shall make, and the Equityholders' Representative shall use reasonable best efforts to prevent any Equityholders from making, any communications with the Accounting Referee to which the Equityholders' Representative is not a party, in the case of communications by Parent, or Parent is not a party, in the case of communications by the Equityholders' Representative or the Equityholders. Any disputes not within the scope of the disputes to be resolved by the Accounting Referee pursuant to this Section 2.10(d) (as well as any disputes about the scope of disputes to be resolved by the Accounting Referee pursuant to this Section 2.10(d)) shall be resolved pursuant to Section 13.07.

(e) The Accounting Referee shall deliver to the Equityholders' Representative and Parent, as promptly as practicable and no later than 60 days after its appointment, a written report setting forth the Accounting Referee's determination of the Final Amounts which shall be final and binding upon the Equityholders' Representative, the Equityholders and Parent absent fraud or manifest error. The dispute resolution by the Accounting Referee under this Section 2.10 shall constitute an expert determination and shall not constitute an arbitration. The fees and expenses of the Accounting Referee shall be borne one-half by Parent, on the one hand, and one-half by the Equityholders' Representative (on behalf of the Equityholders), on the other hand.

Section 2.11. Adjustment of Consideration. (a) Within five (5) Business Days after the final determination of the Final Amounts:

(i) If (x) the Estimated Adjustment Amount exceeds (y) the Final Adjustment Amount (the amount of such excess, the "**Overpayment Amount**"), then Parent shall cancel for no consideration a number of Purchase Price Adjustment Escrow Shares with a value equal to the Overpayment Amount (valuing the Purchase Price Adjustment Escrow Shares based on the Agreed Valuation Price and applying such cancellation pro rata to the Equityholders in accordance with their respective Purchase Price Adjustment Escrow Shares (rounded up to the nearest whole share), but disregarding, for such purposes, the

40

exercise price of any Assumed Stock Option that is a Purchase Price Adjustment Escrow Share); and

(ii) If (x) the Final Adjustment Amount exceeds (y) the Estimated Adjustment Amount (the amount of such excess, the "**Underpayment Amount**"), then Parent shall issue or cause to be issued to the Exchange Agent, for distribution to the Equityholders, for no consideration a number of shares of Parent Preferred Stock with a value equal to the Underpayment Amount (valuing the shares of Parent Preferred Stock at the Agreed Valuation Price). Such shares shall be distributed to the Equityholders in accordance with their respective Pro Rata Fully Diluted Share.

(b) For the avoidance of doubt, any amounts payable to the Exchange Agent or the Equityholders hereunder (including any Underpayment Amount) shall be made net of any Unpaid Transaction Expenses that arise as a result of the payment of such amounts.

(c) "**Final Closing Working Capital**," "**Final Unpaid Transaction Expenses**," "**Final Closing Cash**," and "**Final Closing Indebtedness**" mean the Closing Working Capital, the Unpaid Transaction Expenses, Closing Cash and Closing Indebtedness, in each case, (i) as shown in Parent's calculation delivered pursuant to Section 2.10(a) if no notice of disagreement with respect thereto is duly delivered pursuant to Section 2.10(c); or (ii) if such a notice of disagreement is delivered, (A) as agreed by Parent and the Equityholders' Representative pursuant to Section 2.10(d) or (B) in the absence of such agreement, as shown in the Accounting Referee's determination delivered pursuant to Section 2.10(e) (absent fraud or manifest error).

(d) The cancellation for no consideration of a number of (i) first, Purchase Price Adjustment Escrow Shares (valuing the Purchase Price Adjustment Escrow Shares based on the Agreed Valuation Price) and (ii) next, in an amount not to exceed \$4,000,000, the Indemnification Escrow Shares (valuing the Indemnification Escrow Shares based on the Agreed Valuation Price) with a value equal to the Overpayment Amount shall be the sole and exclusive remedy available to Parent or any of its Affiliates for any Overpayment Amount or otherwise under this Section 2.11, and neither Parent nor any of its Affiliates shall have any other claim against any Equityholder, the Equityholders' Representative, the Company or any of their respective Affiliates or any of their respective officers, directors, managers, employees, equityholders, advisors, consultants, agents or other Representative in respect thereof.

Section 2.12. Non-Qualified Investors; Form of Consideration.

(a) Notwithstanding anything herein to the contrary, with respect to any holder of Equity Securities of the Company for which the Company does not have a current W-2 evidencing that such holder is an Accredited Investor at least three Business Days prior to the Closing Date, such holder shall provide a written certification to

Parent (in a form reasonably acceptable to Parent) that such holder is an Accredited Investor, along with other evidence reasonably satisfactory to Parent that such holder is an Accredited Investor (any such holder with respect to whom the Company has such a W-2 or that has provided such written certification, a “**Qualified Investor**”, and any such holder with respect to whom the Company does not have

such a W-2 and that has not provided the written certification referred to in this Section 2.12(a), a “**Non-Qualified Investor**”). With respect to:

(i) each Non-Qualified Investor that is a Company Employee and holds shares of Company Common Stock or Company Preferred Stock, (A) the number of shares of Parent Preferred Stock to which such Non-Qualified Investor would otherwise be entitled in respect of the equity portion of the Merger Consideration shall be reduced to zero and (B) in lieu thereof, such Non-Qualified Investor shall be entitled to receive an amount in cash equal to the number of shares of Parent Preferred Stock set forth in the preceding clause (A) *multiplied by* (B) the Conversion Price (without interest and net of any required withholding of Taxes under Applicable Law); and

(ii) each Non-Qualified Investor that is neither a Company Employee nor a Top 35 Non-Qualified Investor, (A) the number of shares of Parent Preferred Stock to which such Non-Qualified Investor would otherwise be entitled in respect of the equity portion of the Merger Consideration, Option Consideration and/or Warrant Consideration shall be reduced to zero and (B) in lieu thereof, such Non-Qualified Investor shall be entitled to receive an amount in cash equal to the number of shares of Parent Preferred Stock set forth in the preceding clause (i) *multiplied by* the Conversion Price (without interest and net of any required withholding of Taxes under Applicable Law).

(b) Notwithstanding any other provision of this Agreement, no fractional shares of Parent Preferred Stock or Parent Common Stock, as applicable, shall be issued in exchange for any Company Capital Stock, Company Warrants or Company Stock Options, and no holder of any of the foregoing shall be entitled to receive a fractional share of Parent Preferred Stock. In the event that any such holder would otherwise be entitled to receive a fractional share of Parent Preferred Stock or Parent Common Stock, as applicable (after aggregating all shares and fractional shares of Parent Preferred Stock or Parent Common Stock, as applicable, issuable to such holder in connection with each payment event and calculated on a per Equity Security basis (but treating each of the Closing Consideration Shares, Purchase Price Adjustment Escrow Shares and Indemnification Escrow Shares issued as the Merger Consideration, Warrant Consideration or Option Consideration, and each of the shares of Parent Preferred Stock or Parent Common Stock, as applicable, issued pursuant to Section 2.11 or Section 2.15 as separate payment events)), then such holder shall be paid an amount in U.S. Dollars (without interest) equal to (i) the Conversion Price *multiplied by* (ii) the fraction of a share of Parent Preferred Stock or Parent Common Stock, as applicable, to which such holder would otherwise be entitled, in which case Parent shall make available to the Exchange Agent the amount of cash necessary to make such payments and Parent shall retain such fractional shares. The parties acknowledge that payment of cash consideration in lieu of issuing fractional shares of Parent Preferred Stock or Parent Common Stock was not separately bargained for consideration but represents merely a mechanical rounding off for purposes of simplifying the problems that would otherwise be caused by the issuance of fractional shares of Parent Preferred Stock.

(c) Notwithstanding any other provision of this Agreement, any obligation pursuant to Section 2.11 or Article 10 of a Non-Qualified Investor that received cash in lieu of the equity portion of the Merger Consideration pursuant to Section 2.12(a) shall be satisfied by such Non-Qualified Investor by payment in cash.

Section 2.13. Withholding Rights. Notwithstanding anything herein to the contrary, each of Parent, Merger Sub and the Surviving Company shall be entitled to deduct and withhold from the consideration otherwise payable or deliverable to any Person pursuant to this Agreement or any other Transaction Document such amounts as it is required to deduct and withhold with respect to the making of such payment or delivery under any provision of federal, state, local or non-U.S. Tax law. The applicable withholding agent shall use commercially reasonable efforts to notify the Equityholders’ Representative at least five (5) Business Days prior to any required deduction or withholding (other than withholding on amounts properly treated as compensation for Tax purposes or as a result of a failure to provide the certification required under Section 6.01(g)) and shall reasonably cooperate with the Equityholders’ Representative to reduce or eliminate any such withholding prior to any remittance to a Taxing Authority. Any amounts so deducted and withheld and paid over to the proper Taxing Authority shall be treated for all purposes of this Agreement and the other Transaction Documents as having been paid to the Person in respect of which such deduction and withholding was made.

Section 2.14. Expense Fund. At the Effective Time, Parent will wire to the Equityholders’ Representative the Expense Fund, which will be held by the Equityholders’ Representative as agent and for the benefit of the Equityholders in a segregated client account and which will be used (i) for the purposes of paying directly, or reimbursing the Equityholders’ Representative for, any Equityholders’ Representative Expenses or (ii) as otherwise determined by the Advisory Group. The Equityholders’ Representative will hold the Expense Fund separate from its corporate funds and will not voluntarily make it available to its creditors in the event of bankruptcy. No Equityholders will receive any interest or earnings on the Expense Fund and irrevocably transfer and assign to the Equityholders’ Representative any ownership right that they may otherwise have had in any such interest or earnings. The Equityholders’ Representative is not providing any investment supervision, recommendations or advice and will not be liable for any loss of principal of the Expense Fund other than as a result of its gross negligence, fraud or willful misconduct. The Equityholders’ Representative is not acting as a withholding agent or in any similar capacity in connection with the Expense Fund and has no tax reporting or income distribution obligations. As soon as reasonably determined by the Equityholders’ Representative that the Expense Fund is no longer required to be withheld, the Equityholders’ Representative will deliver the balance of the Expense Fund to the Exchange Agent for further distribution to the Equityholders, in accordance with their respective Additional Per Security Consideration as instructed by the Equityholders’ Representative in writing (*provided that* any cash amounts payable in respect of Company Stock Options shall be paid by the Surviving Company through payroll). For U.S. federal income tax purposes, the Expense Fund will be treated as having been received and voluntarily set aside by the Equityholders.

Section 2.15. Earnout Payment. (a) As additional consideration to the Equityholders hereunder, the Equityholders shall be entitled to receive an additional payment in the form of Parent Preferred Stock or Parent Common Stock, as applicable, in an aggregate amount equal to the Earnout Amount (such payment, the “**Earnout Payment**”) as set forth in this Section 2.15. The Earnout Payment shall be paid (net of any Transaction Expenses triggered by the Earnout Payment) as and when required by Section 2.15(d), and shall be subject to the review and dispute procedures set forth in Section 2.15(c). Under no circumstance shall the Earnout Payment payable hereunder be greater than \$80,000,000 (valuing the Parent Preferred Stock or Parent Common Stock, as applicable, at the Conversion Price).

(b) Within one-hundred ten (110) days after the end of the Earnout Period, Parent or a Subsidiary thereof shall deliver to the Equityholders’ Representative a statement for the Earnout Period (the “**Earnout Statement**”) indicating in reasonable detail the Earnout Period Revenue and the resulting calculation of the Earnout Amount. The Earnout Statement and all amounts, determinations and calculations contained therein (including the calculation of Earnout Period Revenue and the resulting calculation of the Earnout Amount) shall be prepared in accordance with the Accounting Policies.

(c) Following delivery of the Earnout Statement, Parent shall provide the Equityholders’ Representative with such information and documentation as may be reasonably requested by the Equityholders’ Representative for purposes of reviewing the Earnout Statement and the Company shall make its and the Company’s respective employees, advisors and representatives reasonably available (during normal business hours and upon reasonable notice) to the Equityholders’ Representative for the purposes of discussing the Earnout Statement and the calculations and determinations contained therein. During the thirty (30)-day period following the delivery of the Earnout Statement, the Equityholders’ Representative may object to any of the calculations and determinations contained in the Earnout Statement by delivering written notice thereof to Parent (an “**Earnout Objection Notice**”) describing such objection and the Equityholders’ Representative’s alternative calculation in reasonable detail. If no Earnout Objection Notice is

delivered to Parent within the applicable period or if the Equityholders' Representative delivers to Parent a notice of acceptance of the calculations and determinations set forth in the Earnout Statement, the Equityholders' Representative shall no longer be able to challenge the Earnout Statement or any of the calculations or determinations contained therein, all of which (including the amount of Revenue, as applicable, and the resulting calculation of the Earnout Amount) shall become final and binding on the Parties. If an Earnout Objection Notice is timely delivered, Parent and the Equityholders' Representative shall use commercially reasonable efforts to resolve the dispute during the thirty (30)-day period commencing on the date Parent receives the Earnout Objection Notice from the Equityholders' Representative. The Earnout Objection Notice shall specify Equityholders' Representative's calculation of any disputed amounts and in reasonable detail the Equityholders' Representative's grounds for such disagreement. Any item set forth in the Earnout Statement and not objected to in the Earnout Objection Notice shall be final and binding on the Parties. If Parent and the Equityholders' Representative are unable to reach agreement within ten (10) days after an Earnout Objection Notice has been given, the Company and the Equityholders' Representative shall submit all

44

unresolved objections contained in the Earnout Objection Notice to the Accounting Referee. The Accounting Referee will be directed to review such items in accordance with the dispute resolution procedures set forth in Section 2.10(d) as if they applied to the resolution of such objections *mutatis mutandis* and, within 30 days, make a determination of such objections. The resolution of the dispute by the Accounting Referee will be final and binding on the Parties, absent fraud or manifest error. The fees and expenses of the Accounting Referee shall be borne as specified in the procedures set forth in Section 2.10(e) as if they applied to the resolution of the objections pursuant to this Section 2.15(c) *mutatis mutandis*.

(d) Parent shall issue or cause to be issued to the Equityholders the Earnout Shares (net of any Transaction Expenses triggered by the Earnout Payment) promptly (but no later than the third (3rd) Business Day) after the Earnout Amount has been finally determined in accordance with this Section 2.15 (the "**Earnout Release Date**"). Such issuances shall be made to the Equityholders in accordance with their respective Pro Rata Fully Diluted Share.

(e) During the Earnout Period, Parent shall, and shall cause its Affiliates to: (i) use reasonable best efforts to operate the business of the Surviving Company in accordance with the Operational Plan in all material respects, (ii) operate the business of the Surviving Company as a separate entity in good faith and not in a manner intended to reduce the Earnout Payment the Equityholders may be entitled to receive, (iii) not institute policies that are intended to adversely affect the Revenue of the Surviving Company or eliminate any business or operations conducted by the Company as of immediately prior to the Closing other than (x) as set forth in the Operational Plan or (y) any changes mutually agreed upon between Parent and the Chief Executive Officer of the Surviving Company (initially Phillip Rosen) (the "**CEO**"), (iv) provide such assistance as is reasonably necessary to facilitate the timely execution of customer contracts proposed by the Surviving Company, and permit the Surviving Company as a separate entity to continue reasonably servicing any agreements in effect between the Company and its customers as of the Effective Time, (v) not sell, exchange, dispose of or exclusively license any material asset or assets of the Surviving Company and (vi) use reasonable best efforts to provide the Surviving Company with access to a mutually agreed upon level of working capital in accordance with the Operational Plan to fund operations, growth and expansion of the Surviving Company, which capital shall be utilized in the reasonable discretion of management of the Surviving Company in accordance with the Operational Plan, under the direction of the CEO. If there is a sale of all or substantially all of the assets or equity of Parent, whether by merger, purchase or otherwise on or prior to the Earnout Release Date, then Parent shall cause the successor entity of Parent or parent thereof to assume the obligations of Parent under this Section 2.15. Each Equityholder acknowledges and agrees that: (A) there can be no assurances that the Earnout Payment will be earned; and (B) subject to the immediately foregoing sentence, (1) from and after the Closing, Parent will own and control the Surviving Company and will cause the Surviving Company to conduct its businesses in whatever manner Parent determines to be in the best interests of Parent and its Affiliates in their sole discretion; (2) neither Parent nor the Surviving Company is assuming any obligation to take, or to cause the Surviving Company to take, any action to increase Revenues for any period; and (3) Parent owes no fiduciary duty to any Equityholder with respect to the Earnout Payment.

45

(f) Parent shall have the right to permanently reduce and set-off against the Earnout Payment required to be paid to the Equityholders pursuant to this Section 2.15 any unpaid Damages to which a Parent Indemnified Party is finally determined to be owed in accordance with Section 10.10(a)(ii).

(g) For tax purposes, the parties agree to treat any Earnout Payment as an adjustment to the Merger Consideration (and not "boot") for all Tax purposes except to the extent required by Applicable Law, and, without limiting the foregoing, the parties agree that interest may be imputed on the shares received as required by Section 483 or 1274 of the Code.

Section 2.16. Lockup. (a) Each Equityholder shall not Transfer any Merger Consideration Shares during the applicable Lockup Period without the prior written consent of Parent (a "**Prohibited Transfer**"). Notwithstanding the foregoing, an Equityholder may Transfer Merger Consideration Shares:

- (i) to Parent's officers or directors, any affiliate or family member of any of Parent's officers or directors;
- (ii) to any Affiliate of such Equityholder or any partner, member or equityholder of such Equityholder or any of their respective Affiliates;
- (iii) to any other Equityholder;
- (iv) in the case of an individual, by gift to a member of such individual's immediate family or to a trust, the beneficiary of which is a member of such individual's immediate family, an affiliate of such individual or to a charitable organization;
- (v) in the case of an individual, by virtue of laws of descent and distribution upon the death of such individual;
- (vi) in the case of an individual, pursuant to a qualified domestic relations order;
- (vii) in connection with any bona fide mortgage, encumbrance or pledge to a financial institution in connection with any bona fide loan or debt transaction or enforcement thereunder, including foreclosure thereof;
- (viii) by private sales or transfers made in connection with any forward purchase agreement or similar agreement at prices no greater than the price at which the securities were originally purchased;
- (ix) by virtue of the laws of the State of Delaware or the dissolution of such Equityholder;

46

(x) in the event of Parent's liquidation, merger, capital stock exchange or other similar transaction which results in all of Parent's stockholders having the right to exchange their shares of Parent Preferred Stock and Parent Common Stock for cash, securities or other property; or

(xi) to Parent;

provided, that (x) in the case of clauses (i), (ii), (iv) or (viii), it shall be a condition to such Transfer that the transferee executes and delivers to Parent an agreement

stating that the transferee is receiving and holding the applicable Merger Consideration Shares subject to the provisions of this Agreement applicable to such Equityholder, and there shall be no further Transfer of the Merger Consideration Shares except in accordance with this Agreement and (y) nothing in this Agreement, including this **Error! Reference source not found.**, shall restrict any Equityholder's (or any of such Equityholder's Affiliates') brokerage, investment advisory, financial advisory, anti-raid advisory, principal, merger advisory, financing, asset management, trading, market making, arbitrage, investment activity and any other similar activities conducted in the ordinary course of business by such Equityholder or any of such Equityholder's Affiliates.

(b) Notwithstanding anything in this Agreement to the contrary, in the event that the transfer restriction period applicable to holders of Equity Securities of Parent pursuant to Section 5.06 of the Parent Bylaws is terminated, waived or otherwise modified or amended by Parent's Board of Directors or the requisite stockholders of Parent, as applicable, in a manner that is generally applicable to such holders of Equity Securities of Parent, then such termination, waiver, modification or amendment shall apply pro rata to the Merger Consideration Shares; *provided, however*, that, in any event, clauses (iii) and (iv) of the definition of Lockup Period shall be unaffected.

(c) If any Prohibited Transfer is made or attempted contrary to the provisions of this Agreement, such purported Prohibited Transfer shall be null and void *ab initio*, and Parent shall refuse to recognize any such purported transferee of the Merger Consideration Shares as one of its equityholders for any purpose. In order to enforce this Section 2.16, Parent may impose stop-transfer instructions with respect to the Merger Consideration Shares of an Equityholder until the end of the applicable Lockup Period, except in compliance with the foregoing restrictions.

(d) During the applicable Lockup Period, the book-entry notation representing the Merger Consideration Shares shall contain legends substantially in the form of the following, as well as any additional legends that may be required by applicable law or by this Agreement:

THE SECURITIES ARE SUBJECT TO CERTAIN RESTRICTIONS SET FORTH IN THE AGREEMENT AND PLAN OF MERGER DATED DECEMBER 15, 2021 BY AND AMONG THE ISSUER AND CERTAIN OTHER PERSONS, WHICH RESTRICT THE RIGHT TO TRANSFER, SELL OR OTHERWISE DISPOSE OF THE SECURITIES. A COPY OF SUCH AGREEMENT WILL BE FURNISHED WITHOUT CHARGE BY THE ISSUER TO THE HOLDER HEREOF UPON WRITTEN

47

REQUEST TO THE ISSUER OF SUCH SECURITIES, OR IN A TRANSACTION EXEMPT FROM REGISTRATION.

(c) Parent shall remove (or cause the Transfer Agent to remove) the legend identified above from the book-entry notation representing any part of the Merger Consideration Shares (and terminate any related stop-transfer orders) immediately upon the expiration of the applicable Lockup Period.

Section 2.17. Certain Securities Law Matters.

(a) The parties acknowledge and agree that the Merger Consideration Shares and any Earnout Shares will not initially be registered under the Securities Act or the securities laws of any other jurisdiction, and the offer and sale of the Merger Consideration Shares and any Earnout Shares is being made in reliance on one or more exemptions for private offerings under Section 4(a)(2) of the Securities Act and other applicable securities Laws. The parties further acknowledge and agree that the Merger Consideration Shares and any Earnout Shares constitute "restricted securities" as such term is defined in Rule 144 under the Securities Act. The parties acknowledge and agree that this Agreement and the Letter of Transmittal set forth additional transfer restrictions with respect to the Merger Consideration Shares received by the Equityholders.

(b) For purposes of Rule 144(d), the parties intend for the holding period of all of the Merger Consideration Shares, to the extent permitted by applicable law (including applicable interpretations by the SEC), to commence on the Closing Date.

(c) The parties agree that the book-entry notation representing the Merger Consideration Shares and any Earnout Shares shall contain legends substantially in the form of the following, as well as any additional legends that may be required by applicable law:

THE SECURITIES HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT") OR THE SECURITIES LAWS OF ANY STATE OR OTHER JURISDICTION. THE SECURITIES MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT (1) PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OR (2) PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT, IN EACH CASE IN ACCORDANCE WITH ALL APPLICABLE STATE SECURITIES LAWS AND THE SECURITIES LAWS OF OTHER JURISDICTIONS.

Section 2.18. Additional Payments at Closing. At the Closing, Parent shall pay or cause to be paid, by wire transfer of immediately available funds:

(a) on behalf of the Acquired Companies, to each holder of Indebtedness for which a Payoff Letter has been delivered in accordance with Section 5.08(a), the amount set forth therein; and

48

(b) on behalf of the Acquired Companies, to each Person identified on the Transaction Expense Payoff Instructions delivered in accordance with Section 5.08(b) as recipients of Transaction Expenses, the amount set forth therein opposite such Person's name; *provided, however*, that in the case of any Transaction Expenses payable to Broadhaven Securities, LLC for which Transaction Expense Payoff Instructions have been delivered in accordance with Section 5.08(b), Parent shall issue a number of shares of Parent Preferred Stock to such Person equal to the value of such Transaction Expense (valuing such shares at the Conversion Price).

ARTICLE 3
Representations and Warranties of the Company

Subject to Section 13.03, except as set forth in the Company Disclosure Schedule, the Company represents and warrants to Parent and Merger Sub that:

Section 3.01. Existence and Power. Each Acquired Company is an entity duly organized, validly existing and (where applicable, based on the applicable Acquired Company's jurisdiction of organization) in good standing under the laws of its jurisdiction of organization, and has all organizational power and authority required to own or lease its properties and other assets, and to conduct its business as now conducted and as currently contemplated to be conducted. Each Acquired Company is duly qualified to do business as a foreign entity and (with respect to jurisdictions that recognize the concept of "good standing") is in good standing in each jurisdiction where such qualification is necessary, except for those jurisdictions where the failure to be so qualified would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect. No Acquired Company has been dissolved or declared bankrupt, nor has a corporate resolution to dissolve or to be declared bankrupt been adopted and, to the Company's knowledge, no demands or requests for such dissolution or declaration are pending (before a Governmental Authority or otherwise). The Company has made available to Parent and Merger Sub true and complete copies of each Acquired Company's Governing Documents as currently in effect. No Acquired Company is in material breach of its Governing Documents. Each Acquired Company, its entity type, its jurisdiction of formation or incorporation and each jurisdiction where such Acquired Company is qualified to do business as a foreign entity is set forth on Section 3.01 of the Company Disclosure Schedule.

Section 3.02. Authorization. The execution, delivery of, and performance by the Company of its obligations under, this Agreement, the Company Charter Amendment

and the other Transaction Documents to which it is (or is specified to be) a party, and the consummation of the transactions contemplated hereby and thereby, are within the Company's corporate powers and have been duly and validly authorized and approved by all necessary corporate action on the part of the Company. This Agreement and each of the other Transaction Documents to which the Company is (or is specified to be) a party has been or will be (upon execution and delivery) duly executed and delivered by the Company and, assuming the due authorization, execution and delivery by the other parties hereto or thereto, constitutes (or will constitute when so executed) a valid and binding agreement of the Company, enforceable against it in accordance with their

respective terms (subject to applicable bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other laws affecting creditors' rights generally and subject, as to enforceability, by general principles of equity); provided, however, that the Company Charter Amendment will not be effective until filed with the Secretary of State of the State of Delaware in accordance with Delaware Law. The Required Equityholder Vote is the only approval or consent of the Acquired Companies or the holders of Equity Securities of any Acquired Company necessary in connection with the execution and delivery of, or the performance by the Company of its obligations under, this Agreement, the Company Charter Amendment and the other Transaction Documents to which it is (or is specified to be) a party, or the consummation of the transactions contemplated hereby or thereby, and there are no other votes, approvals, consents or other proceedings of the equityholders of any of the Acquired Companies or otherwise (other than those that have been obtained prior to the execution of this Agreement) necessary in connection with the execution and delivery of, or the performance by the Company of its obligations under, this Agreement, the Company Charter Amendment and the other Transaction Documents to which it is (or is specified to be) a party, or the consummation of the transactions contemplated hereby or thereby (other than the filing and recordation of the Certificate of Merger and such other documents as required by Delaware Law). The Board of Directors of the Company has unanimously (a) declared that the Merger and the other transactions contemplated by this Agreement and the other Transaction Documents are advisable and in the best interests of the Company and its equityholders, (b) approved this Agreement and the other Transaction Documents in accordance with the provisions of Delaware Law, (c) directed that this Agreement and the other Transaction Documents and the Merger and the other transactions contemplated hereby and thereby be submitted to the equityholders of the Company for their adoption and approval by written consent and (d) resolved to recommend that the equityholders of the Company vote in favor of the adoption of this Agreement and the other Transaction Documents and the approval of the Merger and the other transactions contemplated hereby and thereby. The Written Consent, when executed and delivered, shall constitute a valid, irrevocable and effective adoption of this Agreement and the other Transaction Documents by the Required Equityholder Vote in compliance with Applicable Law and the Company's Governing Documents.

Section 3.03. Governmental Authorization. The execution, delivery and performance by the Company of this Agreement and the other Transaction Documents to which it is (or is specified to be) a party and the consummation of the transactions contemplated hereby and thereby require no consent, approval, authorization or permit of, or filing with or notification to, or other action in respect of, any Governmental Authority other than (a) compliance with any applicable requirements of the HSR Act, (b) the filing of the Certificate of Merger with the Secretary of State of the State of Delaware in accordance with Section 2.01(d) and Delaware Law, (c) the filing of the Certificate of Designation with the Secretary of State of the State of Delaware in accordance with Delaware Law, (d) the filing of the Company Charter Amendment with the Secretary of State of the State of Delaware in accordance with Delaware Law, (e) material compliance with any applicable U.S. federal or state securities or "blue sky" laws and (f) any actions or filings the absence of which, individually or in the aggregate, would not reasonably be expected to be material to the Acquired Companies, taken as a whole, or prevent,

enjoin or materially delay the consummation of the transactions contemplated by, or the performance by the Company of its obligations under, this Agreement and the other Transaction Documents to which it is (or is specified to be) a party.

Section 3.04. Noncontravention. The execution, delivery and performance by the Company of this Agreement and the other Transaction Documents to which it is (or is specified to be) a party, and the consummation of the transactions contemplated hereby and thereby do not and will not (a) violate any provision of any Governing Document of any Acquired Company, (b) assuming compliance with the matters referred to in Section 3.03, violate any Applicable Law, (c) result in the creation or imposition of any Lien (other than Permitted Liens) on any asset of any Acquired Company, or (d) require any consent from or other action by, or notice to, any Person under, constitute a default or an event that, with or without notice or lapse of time or both, would constitute a violation or breach of, or give rise to (i) any right of termination, modification, cancellation or acceleration of any right or obligation of any Acquired Company, (ii) any payment obligations binding on any Acquired Company or (iii) a loss of any benefit to which any Acquired Company is entitled under any provision of any Contract of the Acquired Companies, with only such exceptions, in the case of clauses (b), (c) or (d), as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect.

Section 3.05. Capitalization. (a) Section 3.05(a) of the Company Disclosure Schedule sets forth a true and complete list of (i) the record and beneficial owners of all outstanding shares of Company Common Stock (specifying the number of shares of each class and series of Company Common Stock), (ii) the record and beneficial owners of all outstanding shares of Company Preferred Stock, including the number of shares of each class and series of Company Preferred Stock, (iii) each outstanding Company Warrant, including, as applicable, the name of the holder, date of issuance and exercise price and (iv) each outstanding Company Stock Option, including, as applicable, the name of the holder, date of grant, exercise price or purchase price, vesting schedule (including whether such award will vest in connection with the Closing), status as an "incentive stock option" or "nonqualified stock option" for purposes of Section 422 of the Code (if applicable) and the shares of Company Common Stock (including the number of shares of each class and series of Company Common Stock) subject thereto. The Company is the record and beneficial owner of 100% of the Equity Securities of the Acquired Companies (other than the Company). Section 3.05(a)(ii) of the Company Disclosure Schedule sets forth a true and complete list of all other authorized, issued or outstanding Equity Securities of the Acquired Companies and the holders thereof. Except as set forth on Section 3.05(a)(ii) of the Company Disclosure Schedule, no Acquired Company owns or controls, directly or indirectly, any Equity Securities in any Person, and no Acquired Company is, directly or indirectly, a participant in any joint venture, partnership or similar arrangement.

(b) All of the outstanding Equity Securities in each Acquired Company have been duly authorized and validly issued, are fully paid and nonassessable, have not been issued in violation of Applicable Law or any preemptive rights, rights of first refusal or other similar rights and are owned by the Persons in the amounts set forth on Section 3.05(a) of the Company

Disclosure Schedule, free and clear of any restriction on the right to vote, sell or otherwise dispose of such interests (other than generally applicable transfer restrictions under applicable state and federal securities laws). Except as set forth in Section 3.05(a) of the Company Disclosure Schedule, (i) there are no outstanding options, rights (preemptive or otherwise), warrants, calls, convertible securities or commitments or any other agreements or arrangements to which any Acquired Company is a party requiring the issuance, sale or transfer of any Equity Securities of any Acquired Company, or any securities convertible, directly or indirectly, into Equity Securities of an Acquired Company, or evidencing the right to subscribe for any Equity Securities of any Acquired Company or any of its Subsidiaries, or giving any Person any rights with respect to any Equity Securities of any Acquired Company and (ii) there are no instruments that otherwise give any Person the right to receive any profits of any Acquired Company or any economic benefit or right similar to or derived from the economic benefits and rights accruing to holders of Equity Securities of the Acquired Companies. There are no outstanding obligations of any of the Acquired Companies to repurchase, redeem or otherwise acquire any Equity Securities of the Acquired Companies, and there are no voting trusts, shareholder or member agreements, pooling agreements, proxies or other Contracts in effect with respect to the voting or transfer of any Equity Securities of the Acquired Companies.

(c) Each Company Stock Option (i) has been granted in material compliance with all applicable securities laws or exemptions therefrom and all requirements set forth in the Company Stock Plan and other applicable Contracts, (ii) has been properly accounted for on the Balance Sheet, (iii) has an exercise price that is no less than the

fair market value of the shares of Company Common Stock underlying such Company Stock Option on the grant date and (iv) does not constitute “nonqualified deferred compensation” for purposes of Section 409A of the Code.

(d) No Subsidiary of the Company owns any shares of capital stock of the Company (other than any such shares owned by Subsidiaries of the Company in a fiduciary, representative or other capacity on behalf of other Persons, whether or not held in a separate account).

Section 3.06. Financial Statements. (a) The audited consolidated balance sheet and statement of financial position as of December 31, 2020 and December 31, 2019 and the related audited consolidated statements of operations and cash flows for the years ended December 31, 2020 and December 31, 2019 of the Acquired Companies (together with the notices thereto and accompanied by unqualified opinions of the independent accountants, the “**Audited Financial Statements**”) and the unaudited consolidated balance sheet and statement of financial position as of September 30, 2021 and September 30, 2020 and the related unaudited consolidated statement of operations income and cash flows for the nine month periods ended September 30, 2021 and September 30, 2020 of the Acquired Companies (together with the notes thereto, the “**Unaudited Financial Statements**”, and together with the Audited Financial Statements, the “**Historical Financial Statements**”) fairly present in all material respects, in accordance with GAAP applied on a consistent basis (except as may be indicated in the notes thereto), the financial position of the Acquired Companies as of the dates thereof and its results of operations and cash flows for the periods then ended (subject, in the case of the Unaudited Financial Statements, to normal

52

year-end adjustments which are not material in the aggregate and the absence of footnote disclosures and other presentation items). The Company has made available to Parent true and complete copies of each of the Audited Financial Statements and Unaudited Financial Statements.

(ix) create, incur, assume, suffer to exist or otherwise become liable with respect to any Indebtedness for borrowed money other than Indebtedness incurred under the Company's existing credit agreements of up to \$100,000 in the aggregate in the ordinary course of business consistent with past practice and that will constitute Estimated Closing Indebtedness and Closing Indebtedness hereunder;

(x) (A) enter into (or acquire any Subsidiary that is bound by), amend or modify in any material respect, terminate or renew any Material Contract; *provided* that the Acquired Companies shall not fail to exercise a right to extend or renew a Material Contract or any rights thereunder, or (B) otherwise waive, release or assign any material rights, claims or benefits of the Acquired Companies under any Contract or otherwise;

76

(xi) except as required by Applicable Law or by the terms of the Employee Plans disclosed on Section 3.21(a) of the Company Disclosure Schedule as in effect on the date hereof, (A) grant or increase any severance, retention or termination pay to, or enter into or amend any severance, retention, termination, bonus, deferred compensation, change in control or severance agreement with, any current or former Service Provider or increase benefits payable under any existing severance or termination pay policies or employment or consulting agreements, (B) establish, adopt, enter into or amend any Employee Plan or Collective Bargaining Agreement, other than routine amendments to health and welfare plans relating to open enrollments that do not result in materially increased administrative costs, (C) increase the compensation, bonus or other benefits payable or provided to any current or former Service Provider (other than increases in base compensation, bonus or other benefits that do not exceed \$1,300,000 in the aggregate); (D) (x) hire any Company Employee with base compensation in excess of \$230,000, or (y) terminate the employment of any Company Employee with base compensation in excess of \$230,000 (other than for cause or for performance reasons); or (E) grant any equity or equity-based awards to, or discretionarily accelerate the vesting or payment of any awards held by, any current or former Service Provider;

(xii) change any of the Acquired Companies' methods of accounting, except as required by concurrent changes in GAAP, as agreed to by their independent public accountants;

(xiii) settle or compromise, or offer or propose to settle or compromise, (A) any Action involving or against any of the Acquired Companies (other than immaterial actions solely for monetary relief to be paid prior to the Measurement Time in an amount not to exceed \$20,000 individually or \$100,000 in the aggregate) or (B) any Action that relates to the transactions contemplated hereby (including any Appraisal Demands);

(xiv) take any action that could reasonably be expected to prevent, impair or impede the Merger from qualifying for the Intended Tax Treatment;

(xv) make or change any material Tax election; change any annual Tax accounting period; adopt or change any material method of Tax accounting; amend any material Tax Returns or file claims for material Tax refunds; enter any closing agreement; settle any material Tax claim, audit or assessment; surrender any right to claim a material Tax refund, offset or other reduction in Tax Liability; consent to any extension or waiver of the limitations period applicable to any Tax claim or assessment (other than automatic extensions granted by taxing authorities in due course); or, if it would have the effect of increasing the Tax Liability of any of the Acquired Companies, Parent or any Affiliate of Parent, take any other action in respect of Taxes outside of the ordinary course of business;

(xvi) make any change to the management of its cash, cash equivalents or working capital (including (A) the timing of collection of accounts receivable and of the

77

(xvii) agree, resolve or commit to do any of the foregoing.

Section 5.02. Access to Information. From the date hereof until the Closing Date, the Company shall, and the Company shall cause its Subsidiaries to, (i) upon reasonable advance notice, give Parent and its Representatives reasonable access to the offices, properties, books and records of the Acquired Companies, (ii) furnish to Parent and its Affiliates and their respective Representatives such financial, operating and human resources data and other information relating to the Acquired Companies as such Persons may reasonably request and (iii) instruct the Representatives of the Acquired Companies to cooperate with Parent and its Affiliates and their respective Representatives in their investigation of the Acquired Companies, in each case, at Parent's expense. Any request for data or other information, any request for access or cooperation or any investigation pursuant to this Section 5.02 shall be made or conducted in such manner as not to (i) interfere unreasonably with the conduct of the business of the Acquired Companies, (ii) result in the loss of any attorney-client privilege of the Acquired Companies or (iii) violate any Applicable Law or any Contract to which any Acquired Company is a party; *provided* that Parent, Merger Sub and the Acquired Companies shall cooperate in good faith to develop substitute arrangements, to the extent reasonably possible, that do not result in the loss of such privilege or violation of such Applicable Law or applicable Contract. Parent and its Representatives shall not contact or otherwise communicate with the employees, customers, suppliers or other business partners of any Acquired Company in connection with this Agreement or the transactions hereby unless, in each instance, as approved in writing in advance by the Company; *provided, however*, that the foregoing with respect to customers, suppliers and other business partners shall not apply with respect to any customers, suppliers or business partners who are also customers, suppliers or business partners of Parent or any of its Subsidiaries. No investigation by Parent, any of its Affiliates or any of their respective Representatives or other information received by, or knowledge of, Parent, any of its Affiliates or any of their respective Representatives shall operate as a waiver or otherwise affect any representation, warranty or agreement given or made by the Company hereunder.

Section 5.03. Further Assurances. In the event that, at any time after the Effective Time, the Surviving Company shall determine or be advised that any further deeds, bills of sale, assignments or assurances are necessary or reasonably desirable to vest, perfect or confirm in the Surviving Company title to any property, assets, rights, approvals, immunities and franchises of the Company, the Surviving Company and its officers and directors may execute and deliver all such deeds, assignments, assurances and bills of sale and do all other things necessary or reasonably desirable to vest, perfect or confirm title to such property, assets, rights approvals, immunities and franchises in the Surviving Company and otherwise to carry out the purpose of this Agreement, in the name of the Company or otherwise.

78

Section 5.04. Information Statement; Qualified Transaction. The Company shall use its commercially reasonable efforts to obtain a duly executed counterpart to the Written Consent from each Equityholder that holds shares of voting Company Common Stock or Company Preferred Stock as expeditiously as possible after the execution and delivery hereof, and the Company shall promptly deliver such executed documents to Parent. The materials submitted to such holders in connection with soliciting the Written Consent shall include the unanimous recommendation of the Company's Board of Directors that such holders vote their shares of voting Company Common Stock and Company Preferred Stock in favor of the adoption of this Agreement, the Merger and the transactions contemplated hereby. If any holder of shares of voting Company Common Stock or Company Preferred Stock has not signed the Written Consent by 12:00 p.m. on the date immediately following the date hereof, then promptly thereafter (but in any event no later than fifteen (15) days after receipt by the Company of the Required Equityholder Vote), the Company shall prepare and deliver to each such holder an information statement (the "**Information Statement**") containing notice of the receipt of the Required Equityholder Vote and such other information as may be required to be included therein by Applicable Law, including any historical financial statements and other financial information reasonably requested by Parent. Parent and its counsel shall be given a reasonable opportunity to review and comment on the Information Statement and any amendment or supplement thereto before they are mailed to the holders of shares of Company Common Stock and Company Preferred Stock, and the Company shall consider in good faith all comments of Parent and its counsel in connection therewith; *provided, however*, that Parent shall in no way be responsible for any of the content of the Information Statement except for information supplied in writing by Parent expressly for inclusion therein.

Section 5.05. Takeover Statutes. If any "control share acquisition," "fair price," "moratorium" or other similar antitakeover law is or may become applicable to this Agreement or the transactions contemplated hereby, the Company and its Board of Directors shall grant such approvals and take such actions as are reasonably necessary so that such transactions may be consummated as promptly as practicable on the terms contemplated by this Agreement and otherwise act to eliminate or minimize the effects of such statute or regulation on such transactions.

Section 5.06. Termination of Affiliate Contracts and Accounts. Except with respect to the Excluded Arrangements, prior to the Closing, the Company shall, and shall cause the other Acquired Companies to, (i) pay, settle or discharge all account balances owed from any Acquired Company to any Related Party and (ii) terminate all Contracts between or among any Acquired Company, on the one hand, and any Related Party, on the other hand (and any Affiliate Contract), in each case without any continuing Liability of any of the Acquired Companies thereunder; *provided*, that the Company shall notify Parent in writing prior to terminating any such Contract not set forth on Section 3.22 of the Company Disclosure Schedule, and shall not terminate any such Contract until directed to do so by Parent. Prior to the Closing, the Company shall deliver to Parent written evidence reasonably satisfactory to Parent of each such termination. For purposes of this Agreement, "**Excluded Arrangements**" means (i) subject to Section 5.07, any employment, severance, indemnification or other similar arrangements with

79

directors, officers or employees of the Acquired Companies (including, for the avoidance of doubt, any invention and non-disclosure, restrictive covenant or similar agreements), (ii) compensation for services performed by a Related Party as director, officer or employee of the Acquired Companies and amounts reimbursable for routine travel and other business expenses in the ordinary course of business consistent with past practices, (iii) the Transaction Documents, (iv) customer agreements entered into on arm's-length terms in the ordinary course of business consistent with past practice and (v) the Contracts set forth on Section 5.06 of the Company Disclosure Schedule.

Section 5.07. Resignations. At least four (4) Business Days prior to the Closing Date, the Company shall deliver to Parent a true and complete list of the directors, officers, limited liability company managers and other Persons holding similar titles for each of the Acquired Companies. At or prior to Closing, the Company shall deliver to Parent the resignations of each such director, officer, limited liability company manager or other Person from such positions with the Acquired Companies, except for Phillip Rosen (in his capacity as CEO), effective as of the Effective Time (unless Parent requests that any such resignation not be delivered) substantially in the form attached as Exhibit F.

Section 5.08. Payoff Letters. (a) No later than two (2) Business Days prior to the Closing Date, the Company shall deliver to Parent payoff letters with respect to any Indebtedness for borrowed money of any Acquired Company outstanding as of immediately prior to the Effective Time, to be provided by the administrative agent, if applicable, or lenders or creditors in respect thereof, dated within a reasonable time prior to the Closing Date, which shall, in each case, (i) set forth the aggregate amount of Indebtedness arising under or owing or payable thereunder and in connection therewith on the Closing Date and (ii) acknowledge and agree that, upon payment of such aggregate amounts on the Closing Date, the Acquired Companies shall have paid in full all amounts arising under or owing or payable thereunder and in connection therewith, and all Liens related to such Indebtedness shall be released, each in form and substance reasonably satisfactory to Parent (the "**Payoff Letters**"). Without limiting the foregoing, the Company shall, and shall cause each other Acquired Company to, cooperate with and take all actions reasonably requested by Parent in order to facilitate the termination and payoff of all of the Indebtedness of the Acquired Companies (and related release of Liens) at the Closing.

(b) With respect to any Unpaid Transaction Expenses, the Company shall submit to Parent no later than two (2) Business Days prior to the Closing Date, (i) the Transaction Expenses Payoff Instructions and (ii) an invoice submitted by each payee referred to in the Transaction Expenses Payoff Instructions in form and substance reasonably satisfactory to Parent.

Section 5.09. 280G Matters. (a) To the extent that (x) any "disqualified individual" (as such term is defined for purposes of Section 280G of the Code) of any Acquired Company (a "**Disqualified Individual**") would be entitled to any payment or benefit as a result of the transactions contemplated hereby (either alone or upon the occurrence of any additional or

subsequent events) and (y) such payment or benefit would or could reasonably be expected to constitute a “parachute payment” under Section 280G of the Code or could reasonably be expected to result in the imposition of any excise Tax imposed under Section 4999 of the Code, the Acquired Companies shall, prior to the Closing:

(i) seek a binding written waiver by such Disqualified Individual (each, an “**Excess Parachute Waiver**”) of any portion of such parachute payment as exceeds three times such individual’s “base amount” within the meaning of Section 280G(b)(3) of the Code less one dollar (collectively, the “**Excess Parachute Payments**”) to the extent such Excess Parachute Payments are not subsequently approved pursuant to a shareholder vote in accordance with the requirements of Section 280G(b)(5)(B) of the Code and the Acquired Companies’ organizational documents (the “**280G Shareholder Approval Requirements**”); and

(ii) if an Excess Parachute Waiver is obtained, use best efforts to seek stockholder approval in a manner intended to satisfy the 280G Shareholder Approval Requirements in respect of the Excess Parachute Payments payable to all such Disqualified Individuals.

(b) The Acquired Companies shall provide any Excess Parachute Waivers obtained by the Company, disclosure to shareholders and any other resolutions, notices or other documents issued, distributed, adopted or executed in connection with the implementation of this Section 5.09 to Parent, no later than five (5) Business Days prior to Closing, for its prior review and comment, and the Acquired Companies shall consider in good faith any reasonable comments made by Parent; *provided* that Parent shall have provided the Acquired Companies the relevant terms of any contracts or other arrangements that would be entered into with any Disqualified Individual on or about the Closing Date that would result in any payment or other benefit that would be required to be disclosed to the shareholders in connection with the 280G Shareholder Approval Requirements.

(c) To the extent any Excess Parachute Payments with respect to which any Excess Parachute Waiver is obtained are not approved as contemplated above, such Excess Parachute Payments shall not be made or provided. Prior to the Closing Date, the Company shall deliver to Parent written evidence of satisfaction of the 280G Shareholder Approval Requirements or written notice of the non-satisfaction thereof.

Section 5.10. Exclusivity. From the date hereof until the Effective Time, except for the transactions contemplated by this Agreement or as expressly consented to by Parent in writing, the Company, the Equityholders’ Representative (in its capacity as such) and the Equityholders shall not, and each shall cause their respective Affiliates and Representatives not to, directly or indirectly, solicit, encourage, initiate, enter into any Contract, or encourage or entertain the submission of any proposal or offer from any Person relating to the direct or indirect acquisition of any Equity Securities of any Acquired Company or any material portion of the assets of any Acquired Company, whether in an acquisition structured as a merger, consolidation, exchange,

sale of assets, sale of stock or membership interests, or otherwise, or participate in any discussions or negotiations regarding, furnishing any information with respect to, assisting or participating in, or knowingly facilitating in any other manner any effort or attempt by any Person to do or seek any of the foregoing. The Company shall, and shall cause its Affiliates and Representatives to, immediately (i) cease and cause to be terminated any existing discussions or negotiations with any Person (other than Parent and Merger Sub) conducted heretofore with respect to any of the matters addressed in Section 5.10 and (ii) exercise contractual rights (if any) to cause the return or destruction of any confidential information shared with any such Persons in connection therewith.

Section 5.11. Financial Statements. The Company shall, upon advance written notice, use its commercially reasonable efforts to provide, and shall cause the Acquired Companies to use their commercially reasonable efforts to provide, during normal business hours and in a manner such as to not unreasonably interfere with the normal operation of the Company, to Parent, at Parent’s sole expense, from time to time prior to the Closing, all cooperation reasonably requested in writing by Parent, including using commercially reasonable efforts with respect to the following:

(i) as promptly as reasonably practicable, (A) furnishing Parent with the Required Information and (B) updating any Required Information provided to Parent so that such Required Information is Compliant, including working with the auditors of the Company to commence the audit of the Company’s financial statements for the year ended December 31, 2021 (the “**Additional Financial Statements**”) as promptly as practicable and using commercially reasonable efforts to cause such auditors to complete such audit no later than the sixty-eighth (68th) day following the Closing Date;

(ii) as promptly as reasonably practicable, informing Parent if, to the Company’s knowledge, there exist any facts that would be reasonably likely to require the restatement of any financial statements comprising a portion of the Required Information in order for such financial statements to comply with GAAP or be Compliant;

(iii) causing their independent auditors to (A) provide, consistent with customary practice, (x) reasonable assistance to Parent with respect to Parent’s preparation of pro forma financial statements and information, (y) customary consents of auditors for the inclusion or incorporation by reference of their reports in any registration statement or prospectus to be filed by Parent and the use of their reports in any other materials as may be required by Applicable Law or requested by the SEC, and (z) customary comfort letters (including customary “negative assurance” comfort and change period comfort) with respect to the Historical Financial Statements, the Additional Financial Statements and financial information relating to the Acquired Companies as reasonably requested by Parent and (B) attend accounting due diligence sessions to the extent reasonably requested by Parent; and

(iv) reasonably assisting Parent in connection with the preparation of pro forma financial information and pro forma financial statements to the extent necessary or reasonably requested; provided that such assistance shall consist of the provision of historical financial information regarding the Acquired Company Entities that is reasonably available from their books and records and reasonably determined by Parent to be necessary to prepare pro forma financial statements for the fiscal period ended December 31, 2020 and as of and for the fiscal period ended September 30, 2021.

Section 5.12. Regulatory Filings.

(a) The Company shall use commercially reasonable efforts to make or cause to be made the filings, applications and submissions set forth on Section 3.03 of the Company Disclosure Schedule (the “**Regulatory Filings**”). The Company shall use commercially reasonable efforts to make such Regulatory Filings promptly after the date hereof and such other related or similar filings, applications or submissions required under Applicable Law in connection with the consummation of the transactions contemplated hereby. Parent shall be given a reasonable opportunity to review each Regulatory Filing prior to it being submitted to the applicable Governmental Authority, and the Company shall consider Parent’s reasonable comments to each Regulatory Filing and incorporate such comments that the Company deems appropriate in its good faith discretion. The substance of any disclosure regarding (i) the Parent, (ii) its direct or indirect owners, (iii) the Affiliates of the Persons described in the foregoing clauses, or (iv) any directors, officers, executives or partners of the Persons described in the foregoing clauses (such Persons collectively, the “**Parent Regulatory Persons**”), with respect to any Regulatory Filing shall be satisfactory to Parent, and the Company shall not include any disclosure regarding the persons listed in clauses (i) through (iv) of this sentence in any Regulatory Filing that deviates in any material respect from the disclosure provided by Parent to the Company without Parent’s prior written consent to such revised disclosure.

(b) The Company shall use its commercially reasonable efforts to obtain any consent, waiver, authorization or approval of a Governmental Authority that is required to be obtained by any Acquired Company, including any such consent, waiver, authorization or approval that a Governmental Authority notifies any Acquired Company in writing it is required to obtain as a result of any Regulatory Filing, in each case in connection with the transactions contemplated hereby (the “**Regulatory Approvals**”); provided, such efforts shall not require agreeing to any obligation or accommodations (financial or otherwise) binding on an Acquired Company that is materially more onerous than the obligations of such Acquired Company to such Governmental Authority as of the date hereof, other than filing fees payable in connection with such Regulatory Approvals and no Acquired Company should agree to any such obligation or accommodation without the prior written consent of Parent (not to be unreasonably withheld, conditioned or delayed). Without limiting the foregoing, and subject to the Parent’s compliance with Section 8.10(a), in connection with the consummation of the transactions contemplated herein, the Company shall promptly comply with any additional requests for information, including requests for production of documents and production of witnesses for interviews or depositions, by any Governmental Authorities.

83

(c) The Company shall promptly inform Parent of communications between Governmental Authorities and the Acquired Companies and their Representatives in connection with the Regulatory Filings and Regulatory Approvals.

(d) Neither any Acquired Company nor the Equityholders’ Representative shall initiate, or participate in any meeting or discussion with any Governmental Authority with respect to any filings, applications, investigation, or other inquiry regarding the Merger or filings under any Applicable Law (other than in the ordinary course of business unrelated to the Merger) without giving the Parent reasonable prior notice of the meeting or discussion and, to the extent permitted by the relevant Governmental Authority, the opportunity to attend and participate in such meeting or discussion.

(e) The Company shall be responsible for fifty percent (50%) of all filing fees under any applicable Laws, which shall be deemed Transaction Expenses hereunder.

ARTICLE 6
Tax Matters

Section 6.01. Tax Matters.

(a) Parent, Merger Sub and the Company intend that the Merger be treated as a reorganization within the meaning of Section 368(a) of the Code and that this Agreement be adopted as a “plan of reorganization” for purposes of Section 368 of the Code and the Treasury Regulations promulgated thereunder with respect thereto. This Agreement hereby is adopted as a “plan of reorganization” with respect to the Merger within the meaning of Treasury Regulations Sections 1.368-2(g) and 1.368-3(a) for purposes of Sections 354, 361 and 368 of the Code and the Treasury Regulations thereunder. Each party hereto will not take any action or cause any action to be taken (excluding any action contemplated by this Agreement), which action could be reasonably be expected to prevent or impede the Merger from qualifying as a “reorganization” under the provisions of Section 368(a) of the Code.

(b) All Transfer Taxes incurred in connection with transactions contemplated by this Agreement and the other Transaction Documents (including any real property transfer Tax and any similar Tax) shall be borne equally by Parent, on one hand, and the Equityholders (as a Transaction Expense), on the other. If required by Applicable Law, the Equityholders shall, and shall cause their Affiliates to, join in the execution of any applicable Tax Returns.

(c) Parent shall prepare or cause to be prepared and file or cause to be filed all Tax Returns of the Acquired Companies required to be filed following the Closing Date. Any such Tax Return that relates to a Pre-Closing Tax Period (other than non-income Tax Returns relating to a Straddle Tax Period) shall be prepared in a manner consistent with past practice and the provisions of this Agreement, except as otherwise required by Applicable Law or this Agreement. To the extent that any such Tax Return includes a Pre-Closing Tax Period and could reasonably be expected to give rise to an indemnity claim by any Parent Indemnified Party under this Agreement, Parent shall provide the Equityholders’ Representative with a copy of a draft of

84

such Tax Return at least thirty (30) calendar days prior to the due date for filing such Tax Return (taking into account any extensions thereof) or, in the case of non-income Tax Returns, such shorter period as is reasonably practicable under the circumstances, and Parent shall reasonably and in good faith consider any revisions to such Tax Returns as are requested by the Equityholders’ Representative, provided that such revisions are requested no more than twenty (20) days after such Tax Return is delivered to the Equityholders’ Representative; provided further, that, if Parent and the Equityholders’ Representative cannot resolve any disagreement regarding any such revisions in good faith, Parent shall be permitted to file such Tax Return as prepared by Parent incorporating revisions agreed to by the parties on the due date thereof and the matter shall be submitted to the Accounting Referee for resolution, using procedures analogous to those set forth in Section 2.10(c) and Section 2.10(d).

(d) Parent shall have the right to control the conduct of any Tax audit or administrative or judicial proceeding or of any demand or claim on the Surviving Company or any Acquired Company relating to Taxes (collectively, a “**Tax Contest**”); *provided, however*, that if a Tax Contest could reasonably be expected to give rise to an indemnification claim under Section 10.02 of this Agreement (i) the Equityholders’ Representative shall be entitled to participate in such Tax Contest at its sole expense (including having the opportunity to consult with Parent regarding actions and the opportunity to review and comment on written materials furnished in connection with such actions), (ii) Parent shall keep the Equityholders’ Representative reasonably informed with respect to any such Tax Contest and (iii) Parent shall not settle, compromise or abandon any portion of such Tax Contest which could reasonably be expected to give rise to an indemnification claim under Section 10.02 without obtaining the prior written consent of the Equityholders’ Representative (which shall not be unreasonably withheld, delayed or conditioned). To the extent that any obligation or responsibility pursuant to Article 10 may conflict with any obligation or responsibility pursuant to this Section 6.01, the provisions of this Section 6.01 shall control.

(e) The parties agree that the amount of any refunds (or credits in lieu thereof) of Taxes of an Acquired Company for any Pre-Closing Tax Periods, in each case except for such refunds or credits (i) taken into account in the final determination of Closing Working Capital or Closing Indebtedness or (ii) arising from the carryback of any Tax loss, deduction or credit from a Post-Closing Tax Period, shall be for the benefit of the Equityholders, and Parent shall pay (or cause to be paid by an Acquired Company) to the Equityholders’ Representative (for the benefit of the Equityholders) any such amounts received (whether as a refund or as an offset against Taxes otherwise payable by Parent or an Acquired Company), net of any out-of-pocket costs (including Taxes) of Parent or any of its Affiliates (including, following the Closing Date, the Acquired Companies) associated with the receipt thereof within fifteen (15) days of receipt thereof. The parties further agree that (i) Parent may set off any amount due under this Section 6.01(e) against any amounts owed to Parent in respect of Taxes due that are the subject of indemnification under this Agreement and (ii) to the extent any amount previously paid to the Equityholders’ Representative under this Section 6.01(e) is subsequently disallowed, the Equityholders’ Representative shall promptly thereafter repay such amount to Parent together with any interest, penalties or other amounts imposed by the relevant Governmental Entity.

85

(f) Parent, the Equityholders and their respective Affiliates and the Equityholders’ Representative shall cooperate fully, as and to the extent reasonably requested by the other party, in connection with the filing of Tax Returns and any audit or other proceeding with respect to Taxes of the Company. Such cooperation shall include the retention and (upon the other party’s reasonable request) the provision of records and information which are reasonably relevant to any such audit or other

proceeding and within such party's possession or obtainable without material cost or expense, and making employees or other representatives available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. Notwithstanding anything to the contrary in this Agreement, the Equityholders' Representative shall have no obligation to prepare or file any Tax Returns. No provision of this Agreement shall be construed to require Parent to provide to any Person any right to access or to review any consolidated, combined, affiliated or unitary Tax Return that includes Parent or any Affiliate of Parent, and any pro forma Tax Return used to create any such consolidated, combined, affiliated or unitary Tax Return, except, in each case, to the extent of any stand-alone Tax Returns of the Acquired Companies and supporting Tax data and records relating solely and exclusively thereto.

(i) For the purposes of determining the liability for Taxes of, or in respect of, or payable by, an Acquired Company or any of its assets or liabilities in respect of any Straddle Tax Period, the amount of any Taxes for such Straddle Tax Period which relate to the Pre-Closing Tax Period shall be determined based on an interim closing of the books as of the close of business on the Closing Date; *provided, however*, that any property or other *ad valorem* Taxes and any item (such as depreciation or amortization) determined on a periodic basis shall be allocated between the Pre-Closing Tax Period and the Post-Closing Tax Period by multiplying the amount of such Tax for the entire relevant Straddle Tax Period by a fraction the numerator of which is the number of days in the portion of such Straddle Tax Period ending on the Closing Date and the denominator of which is the number of days in the entire Straddle Tax Period.

(ii) To the extent permitted or required by Treasury Regulations Section 1.1502-76(b) (or any similar provision of state, local or non-U.S. Law), all extraordinary items (as defined in Treasury Regulations Section 1.1502-76(b)(2)(ii)(C)) of any Acquired Company incurred on the Closing Date after the Effective Time will be treated as having occurred at the beginning of the day immediately following the Closing Date and will be reported in the Post-Closing Tax Period of the Acquired Companies.

(iii) Without the prior written consent of the Equityholders' Representative (which shall not be unreasonably withheld, delayed or conditioned), Parent shall not, and shall not cause or permit any Acquired Company to, take any action (other than actions contemplated herein) on the Closing Date, outside the ordinary course of business, if such action reasonably would be expected to give rise to or increase an indemnification claim against Equityholders under Section 10.02 of this Agreement.

86

(g) At the Closing, the Company, shall deliver to Parent (i) a certification, signed by the Company under penalties of perjury and dated not more than thirty (30) days prior to the Closing Date, that satisfies the requirements of Sections 1.897-2(h) and 1.1445-2(c)(3) of the Treasury Regulations and confirms that the Company is not, nor has it been within five (5) years of the date of the certification, a "United States real property holding corporation" as defined in Section 897 of the Code and (ii) a notice to the IRS, signed by the Company, that satisfies the requirements of Section 1.897-2(h)(2) of the Treasury Regulations with written authorization for Parent to deliver such notice to the IRS on behalf of the Equityholders after the Closing Date *provided*, that if the Company fails to deliver such certification, the transactions shall nonetheless be able to close and Parent shall be entitled to withhold from any consideration paid pursuant to this Agreement the amount required to be withheld under Section 1445 of the Code.

(h) Notwithstanding any other provision in the Agreement to the contrary, all Tax Sharing Agreements between an Acquired Company and any other Person (other than another Acquired Company) shall be terminated prior to the Closing Date and, after the Closing, the Company will not be bound thereby or have any liability thereunder.

(i) Without the prior written consent of the Equityholders' Representative (which shall not be unreasonably withheld, delayed or conditioned) or except as may be required by Applicable Law, none of Parent, any Acquired Company, the Surviving Corporation or any of their Affiliates shall cause or permit any Acquired Company to, (1) to the extent relating to a Pre-Closing Tax Period (other than a Straddle Period in the case of matters not relating to income, sales/use or other material Tax matters), (i) amend, re-file or otherwise modify (or waive, or grant an extension of, any statute of limitation with respect to) any income, sales/use or other material Tax Return, (ii) file an income, sales/use or other material Tax Return for a type of Tax in a jurisdiction where the Company has not previously filed a Tax Return for that type of Tax, (iii) self-assess a Tax, (iv) engage in voluntary disclosures or discussions with any taxing authority regarding any Tax or Tax Returns, (v) file any private letter ruling or similar request with respect to Taxes or Tax Returns, or (vi) make or change any Tax elections or (2) change any accounting method or adopt any convention that shifts taxable income to a Pre-Closing Tax Period, in each case, solely if and to the extent such action could reasonably be expected to give rise to an indemnification claim against Equityholders under Section 10.02 of this Agreement.

(j) No election under Section 336 or Section 338 of the Code (or any similar provision of state, local or non-U.S. Law) shall be made with respect to the transactions contemplated by this Agreement.

ARTICLE 7 Employee Matters

Section 7.01. Employee Matters. (a) For the period beginning on the Closing Date and ending on the 12-month anniversary thereof (or, if shorter, the period of employment), Parent shall provide, or shall cause to be provided, each Company Employee who is employed by the Company on the Closing Date (each, a "**Covered Employee**"), with base compensation levels,

87

target annual cash incentive compensation and employee benefits (other than any equity or equity-based compensation, defined benefit pension benefits and retiree medical benefits) that are at least as favorable in the aggregate as the base compensation levels, target cash incentive compensation and employee benefits (other than any equity or equity-based compensation, defined benefit pension benefits and retiree medical benefits) provided to similarly situated employees of Parent and its Subsidiaries; *provided*, that maintaining base compensation levels, target annual cash incentive compensation and employee benefits at such Company Employee's level at Closing shall be deemed to have satisfied this Section 7.01(a).

(b) With respect to any employee benefit plan of Parent or any of its Subsidiaries in which any Covered Employee becomes a participant following the Closing, such employee shall receive full credit for such employee's service with the Company to the same extent that such service was recognized under an analogous Employee Plan in which such Covered Employee participated as of immediately prior to the Effective Time for vesting and eligibility purposes (but not for benefit accrual purposes); *provided* that the foregoing shall not apply to the extent that its application would result in a duplication of benefits.

(c) In the event that any Covered Employee first becomes eligible to participate in a welfare benefit plan of Parent or any of its Subsidiaries after the Effective Time (each, a "**Parent Welfare Plan**"), Parent shall, or shall cause its Subsidiaries to, use its commercially reasonable efforts to (i) waive all limitations as to preexisting conditions exclusions and all waiting periods with respect to participation and coverage requirements applicable to each Covered Employee under any such Parent Welfare Plan to the same extent as such conditions and waiting periods have been waived under the applicable Employee Plans and (ii) credit each Covered Employee for any co-payments, deductibles and other out-of-pocket expenses paid prior to the Closing Date under the terms of any corresponding Employee Plan in satisfying any applicable deductible, co-payment or out-of-pocket requirements for the plan year in which the Closing Date occurs under such Parent Welfare Plan.

(d) Nothing in this Section 7.01 shall (i) be treated as an amendment of, or undertaking to amend, any Employee Plan, (ii) prohibit Parent or any of its Subsidiaries from amending any Employee Plan, *provided, however*, that any such amendment shall not conflict with, or prevent the fulfillment of, Parent's obligations under this Article 7, (iii) require Parent or any of its Subsidiaries to continue the employment of any Covered Employee for any period of time or, subject to any applicable arrangement covering such employee, to provide such employee with any payments or benefits upon any termination of such employee's employment or (iv) confer any rights

or benefits on any Person other than the parties to this Agreement.

ARTICLE 8
Additional Covenants

Section 8.01. Efforts; Further Assurances. (a) Subject to the terms and conditions of this Agreement, each of Parent, Merger Sub and the Acquired Companies will use reasonable best efforts to take, or cause to be taken (including, in the case of the Company, by causing the other

88

Acquired Companies to take), all actions and to do, or cause to be done, all things necessary or desirable under Applicable Laws to consummate the transactions contemplated by this Agreement, including using reasonable best efforts to (i) determine whether any action by or in respect of, or filing with, any Governmental Authority is required in connection with the consummation of the transactions contemplated by this Agreement, (ii) supply as promptly as practicable any additional information and documentary material that may be requested pursuant to the HSR Act, (iii) prepare and file as promptly as practicable with any Governmental Authority all documentation to effect all necessary filings, notices, petitions, statements, registrations, submissions of information, applications and other documents, or take any other required action and (iv) obtain and maintain all approvals, consents, registrations, permits, authorizations and other confirmations required to be obtained from any Governmental Authority that are necessary, proper or advisable to consummate the transactions contemplated by this Agreement; *provided* that the parties hereto understand and agree that neither Parent, Merger Sub nor any of their Affiliates shall be obligated to (and, without Parent's prior written consent, no Acquired Company shall) (A) enter into any settlement, undertaking, consent decree, hold separate, stipulation or agreement with any Governmental Authority in connection with the transactions contemplated hereby, (B) divest, license, dispose of, transfer or otherwise hold separate (including by establishing a trust or otherwise), or take any other action or agree to any undertaking (or otherwise agree to do any of the foregoing) with respect to, any of its, any Acquired Company's or any of their respective Affiliates' businesses, assets or properties, (C) litigate, challenge, defend or take any action whatsoever with respect to any Action by any Person, including any Governmental Authority or (D) agree to do any of the foregoing. Notwithstanding the foregoing, at the written request of Parent, the Company shall, and shall cause the other Acquired Companies to, agree to take any of the actions described in the previous sentence to the extent such action is conditioned upon the occurrence of the Closing. With respect to the foregoing, each of Parent, Merger Sub and the Company agree to execute and deliver, or cause to be executed and delivered (including, in the case of the Company, by causing the other Acquired Companies to execute and deliver), such other documents, certificates, agreements and other writings and to take such other actions as may be necessary or desirable in order to consummate or implement expeditiously the transactions contemplated by this Agreement and the other Transaction Documents. Each of Parent, Merger Sub and the Company shall promptly notify the other parties hereto of any written notice from any Governmental Authority in connection with the transactions contemplated by this Agreement or the other Transaction Documents and reasonably cooperate in responding to such notice.

(b) To the extent permitted under Applicable Law, each of Parent and the Company shall furnish to the other such necessary information and reasonable assistance as the other may request in connection with its preparation of any filing or submission that is necessary under the HSR Act and shall keep each other apprised of the status of any communications with, and any inquiries or requests for additional information from, any Governmental Authority in connection with such filing or submission. Notwithstanding the foregoing, Parent shall have the right to control and direct all interactions (including all correspondences, meetings, proposals and negotiations) with Governmental Authorities in connection with all notices, filings, approvals or

89

clearances sought in connection with the transactions contemplated by the Transaction Documents, including under the HSR Act and any other applicable antitrust laws.

Section 8.02. Public Announcements; Confidentiality. (a) The parties agree to consult with each other before issuing or making (and the Company agrees to cause the other Acquired Companies to consult with Parent and Merger Sub), and shall mutually agree upon the content and timing of, any press release, announcement to employees, customers or suppliers of the Acquired Companies or other public statement with respect to this Agreement or the transactions contemplated hereby and, except for any press releases and public statements the making of which is or is reasonably believed to be required by Applicable Law or any rules of, or listing agreement with, any national securities exchange (in which case, the party proposing to issue such press release or make such public announcement shall to the extent reasonably permissible under such Applicable Law, rules or listing agreement and reasonably practicable under the circumstances consult in good faith with the other party before issuing any such press release or making any such public announcement), will not issue any such press release or make any such public statement prior to such consultation and agreement.

(b) The terms of the Confidentiality Agreement shall continue in full force and effect up to the Effective Time in accordance with its terms (and any information shared under Section 5.02 shall be subject to the Confidentiality Agreement) and are incorporated by reference herein. Except as required by Applicable Law or any listing agreement with any national securities exchange, each party hereto shall maintain the confidentiality of the terms of this Agreement and the other Transaction Documents and the transactions contemplated hereby and thereby. If this Agreement is, for any reason, terminated prior to the Closing, the Confidentiality Agreement shall continue in full force and effect.

(c) The Equityholders' Representative acknowledges that the success of the Acquired Companies after the Effective Time depends upon the continued preservation of the confidentiality of information regarding the business, operations and affairs of the Acquired Companies (including trade secrets, confidential information and proprietary materials, which may include the following categories of information and materials: methods, procedures, computer programs and architecture, databases, customer information, lists and identities, employee lists and identities, pricing information, research, methodologies, contractual forms, and other information, whether tangible or intangible, which is not publicly available generally) (collectively, the "**Confidential Information**") accessed or possessed by the Equityholders' Representative and its Affiliates and that the preservation of the confidentiality of such information by the Acquired Companies (before the Effective Time), the Equityholders, the Equityholders' Representative and their respective Affiliates is an essential premise of the transactions contemplated by this Agreement. The Equityholders' Representative shall hold, and shall cause its Representatives to hold, in confidence and not disclose to any other Person (other than members of the Advisory Group) or use (other than for the purposes of performing the obligations of the Equityholders' Representative under this Agreement or the Exchange Agent Agreement, or enforcing the rights of the Equityholders' Representative or the Equityholders under this Agreement, the Exchange Agent Agreement and the agreements ancillary hereto), any

90

Confidential Information. Notwithstanding the foregoing, any such Person may disclose Confidential Information as and to the extent required by Applicable Law, so long as the disclosing party (x) provides prior written notice thereof to the party whose information will be disclosed and (y) uses commercially reasonable efforts to seek a protective order causing such information so disclosed to be kept confidential.

Section 8.03. Third-Party Notices and Consents. Upon Parent's request, the Company shall, and shall cause the other Acquired Companies to, use commercially reasonable efforts (including by cooperating with Parent and its Affiliates and Representatives) in connection with the giving of notices of the transactions contemplated by this Agreement to any third parties, including pursuant to the Contracts to which any of the Acquired Companies is a party listed on Schedule 8.03(a). Prior to the Effective Time, the Company shall use its commercially reasonable efforts (and the Company shall cause the other Acquired Companies to use their respective commercially reasonable efforts) to obtain the third-party consents, waivers or novations (including under any Contracts) listed on Schedule 8.03(b); *provided* that in connection with obtaining any such third-party consent, waiver or novation, no Acquired Company will be required to (and, without the written consent of Parent, no Acquired Company shall) make or agree to make more than a *de minimis* payment (which shall be treated as a Transaction Expense), grant any accommodations or accept any amendment, conditions or obligations.

Section 8.04. Notices of Certain Events. Each of Parent and Merger Sub, on the one hand, and the Company, on the other hand, shall promptly notify the other in writing of the occurrence of any matter or event that would or would reasonably be expected to cause any of the conditions set forth in Section 9.01 not to be satisfied. The Company shall promptly notify Parent in writing of the occurrence of any matter or event that would or would reasonably be expected to cause any of the conditions set forth in Section 9.02 not to be satisfied. Each of Parent and Merger Sub shall promptly notify the Company in writing of the occurrence of any matter or event that would or would reasonably be expected to cause any of the conditions set forth in Section 9.03 not to be satisfied. The Company shall promptly notify Parent of any written notice or other written communication from any Person asserting that such Person's consent is required, or that such Person is entitled to compensation or consideration from any of Parent, Merger Sub, any Acquired Company or any of their respective Affiliates, in connection with the transactions contemplated by this Agreement or the other Transaction Documents or any notice, letter or other communication received from a Governmental Authority. The delivery of any notice pursuant to this Section 8.04 shall not limit or otherwise affect the remedies available hereunder to the party receiving such notice.

Section 8.05. Books and Records. Upon reasonable advance notice, Parent shall, and shall cause its Affiliates to, give the Equityholders' Representatives reasonable access, during normal business hours and without undue interruption of Parent's or such Affiliate's business, to all books and records of the Acquired Companies in the possession of Parent or its Affiliates for periods prior to the Closing at reasonable times, and the Equityholders' Representative shall have the right, at its own expense (on behalf of the Equityholders), to make copies of any such books

91

and records, to the extent (x) reasonably required by an Equityholder in connection with an action by a Governmental Authority with respect to such Equityholder's ownership of Company Common Stock, Company Preferred Stock or Company Stock Options prior to the Effective Time, (y) necessary to comply with Applicable Law or (z) related to the defense of a claim made by a third Person (other than Parent or its Affiliates). Notwithstanding anything herein to the contrary, no such access, disclosure or copying shall be permitted (i) for a purpose related to a dispute or potential dispute with Parent, the Surviving Company or any of their respective Affiliates, or (ii) if it would result in a loss of any attorney-client privilege, violate any confidentiality agreement or any Applicable Law; *provided* that, in the case of this clause (ii), Parent, Merger Sub and the Equityholders shall cooperate in good faith to develop substitute arrangements, to the extent reasonably possible, that do not result in the loss of such privilege, breach of such agreement or violation of such Applicable Law.

Section 8.06. Indemnification; D&O Insurance. (a) At or prior to the Closing Date, the Company shall purchase a prepaid directors' and officers' liability insurance policy or policies (*i.e.*, "tail coverage") (the "**D&O Tail**"), which policy or policies shall cover those persons who are currently covered by any Acquired Company's directors' and officers' liability insurance policy or policies on terms with respect to coverage and amount that are no less favorable than those of such policy or policies (and other terms reasonably satisfactory to Parent) for an aggregate period of not less than six (6) years from the Closing Date with respect to claims arising from facts or events that occurred at or before the Closing, including with respect to the transactions contemplated by this Agreement. Parent acknowledges that any rights of indemnification, advancement, reimbursement or contribution under Applicable Law, Contract (to the extent disclosed on Section 3.09(a)(x) of the Company Disclosure Schedule) or the charter, bylaws or similar organizational documents of the Acquired Companies or to any Person who is now, has been at any time prior to the date hereof or becomes prior to or after the Closing an officer, director or employee of the Acquired Companies (each, a "**D&O Indemnified Party**"), against any and all Damages or Liabilities based in whole or in part on, or arising in whole or in part out of, the fact that such Person is or was an officer, director or employee of an Acquired Company, and pertaining to any matter existing or occurring, or any acts or omissions occurring, at or prior to the Closing, whether asserted or claimed prior to, at or after the Closing (including matters, acts or omissions occurring in connection with this Agreement and the consummation of the transactions contemplated hereby) shall survive the Merger and shall continue in full force and effect in accordance with their terms. The indemnification and liability limitation or exculpation provisions of any Contract or the charter, bylaws or similar organizational documents of the Acquired Companies shall not be amended, repealed or otherwise modified after the date hereof in any manner that would adversely affect the rights thereunder of individuals who, as of the date hereof or at any time prior to the date hereof, were D&O Indemnified Parties, unless such modification is required by Applicable Law. Parent shall cause and the Surviving Company and their respective Subsidiaries shall perform and discharge their obligations to provide such indemnification, advancement, reimbursement or contribution to each such D&O Indemnified Party after the Closing to the maximum extent permitted by Applicable Law.

92

(b) In the event Parent or the Surviving Company or any of their respective subsidiaries (i) consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger, or (ii) transfers or conveys all or substantially all of its properties and assets to any Person, then, and in each such case, to the extent necessary, proper provision shall be made so that the successors and assigns of Parent or the Surviving Company or any of their respective subsidiaries assume the obligations set forth in this Section 8.06.

(c) The terms and provisions of this Section 8.06 are intended to be enforceable by any of the D&O Indemnified Parties and their respective heirs and Representatives, each of whom is an intended third-party beneficiary of this Section 8.06.

Section 8.07. Registration Statement. (a) (i) Parent shall use its best efforts to file a registration statement on Form S-1 (the "**Registration Statement**") or Form S-3 (the "**Shelf Registration Statement**"), as applicable, registering the resale of the Underlying Parent Common Shares on or before the date that any Merger Consideration Shares cease to be subject to any Lockup (such applicable date, the "**Registration Date**") and shall use commercially reasonable efforts to cause such Registration Statement or Shelf Registration Statement to be declared effective and to keep the Registration Statement or Shelf Registration Statement continuously effective under the Securities Act (in the case of the Shelf Registration Statement, for a period of three (3) years) in order to permit the Prospectus forming a part thereof to be usable by the Equityholders for the sale of Registrable Securities and (ii) to the extent applicable, Parent shall file promptly after the Registration Date relating to the Shelf Registration Statement a Prospectus supplement naming the Equityholders as selling shareholders (subject to receipt of information reasonably requested by Parent necessary to complete such Prospectus supplement).

(b) If the continued use of the Registration Statement or Shelf Registration Statement at any time would require Parent to make an Adverse Disclosure, Parent may, upon giving prior written notice of such action to the Equityholders' Representative, suspend use of the Registration Statement or Shelf Registration Statement (a "**Shelf Suspension**"), as applicable. In the case of a Shelf Suspension, the Equityholders shall, after receiving notice thereof from the Equityholders' Representative (which shall have a reasonable opportunity after receipt from Parent to provide notice of a Shelf Suspension to the Equityholders), immediately suspend use of the applicable Prospectus in connection with any sale or purchase of, or offer to sell or purchase, any Registrable Securities, upon receipt of the notice referred to above. As promptly as reasonably practicable following a Shelf Suspension, Parent shall supplement or amend such Registration Statement or Shelf Registration Statement to include the Adverse Disclosure which resulted in such Shelf Suspension. Parent shall notify the Equityholders' Representative upon the termination of any Shelf Suspension. "**Adverse Disclosure**" means public disclosure of material non-public information that, in Parent's good faith judgment, would be required to be made in any registration statement filed with the SEC by Parent because the absence of such disclosure would result in the existence of an untrue statement of material fact or the omission of any fact(s) necessary to make the statements therein not misleading in light of the circumstances under which they were made.

93

(c) Notwithstanding anything to the contrary, none of Parent, Merger Sub or any of their respective Subsidiaries or Affiliates shall have any obligation to participate in any due diligence, execute any agreements or certificates or deliver or obtain legal opinions or comfort letters except to the extent necessary to fulfill its obligations under (a) and Section 8.07(b).

(d) Notwithstanding anything to the contrary, in no event shall Parent file a registration statement on Form S-1 or Form S-3 registering the resale of equity securities of other equityholders of Parent that has the effect of delaying or postponing the filing and/or effectiveness of, or suspending the use of, a Registration Statement or

Section 8.08. Conflict and Privilege. The parties acknowledge and agree that the Equityholders' Representative or the Equityholders may retain Goodwin Procter LLP ("Counsel") to act as its counsel in connection with the transactions contemplated hereby (including from and after the Closing). Parent and Merger Sub hereby agree that, in the event that a dispute arises after the Closing between Parent and Merger Sub, on the one hand, and the Equityholders' Representative or the Equityholders, on the other hand, Counsel may represent the Equityholders' Representative and/or the Equityholders in such dispute even though the interests of the Equityholders' Representative and/or the Equityholders may be directly adverse to Parent, Merger Sub or the Acquired Companies, and even though Counsel may have represented the Acquired Companies prior to the Closing or may be handling ongoing matters for Parent, Merger Sub or the Acquired Companies. Parent and Merger Sub further agree that, as to all pre-Closing communications among Counsel, the Acquired Companies, the Equityholders' Representative and the Equityholders that relate in any way to the transactions contemplated by this Agreement, the attorney-client privilege and the expectation of client confidence belongs to the Equityholders' Representative and/or the Equityholders (as applicable) and may be controlled by the Equityholders' Representative and/or the Equityholders and shall not pass to or be claimed by Parent, Merger Sub or the Acquired Companies. Notwithstanding the foregoing, in the event that a dispute arises between Parent, Merger Sub or the Acquired Companies and a third party (other than a party to this Agreement) after the Closing, the Acquired Companies may assert the attorney-client privilege to prevent disclosure of confidential communications by Counsel to such third party; *provided, however*, that the Acquired Companies may not waive such privilege without the prior written consent of the Equityholders' Representative.

Section 8.09. Parent API. Parent shall use its reasonable best efforts to cause Parent's and each of its Affiliates' application programming interfaces to be fully integrated into the Company's "leads based" verticals as promptly as practicable following the Closing.

Section 8.10. Regulatory Filings. (a) Subject to Parent's review and approval as set forth in Section 5.12, Parent shall reasonably assist and cooperate with the Company in preparing and filing any and all written communications that are to be submitted to any Governmental Authorities in connection with the Regulatory Filings and Regulatory Approvals, which assistance and cooperation shall include: (i) timely furnishing to the Company all information concerning the Parent Regulatory Persons that is required to be included in the Regulatory

filings or required by a Governmental Authority; (ii) promptly providing the Company with copies of all written communications to or from any Governmental Authority that is received by Parent relating to any Regulatory Filing or Regulatory Approval; (iii) keeping the Company reasonably informed of any communication received or given by Parent or its Representatives in connection with any Regulatory Filing or Regulatory Approval; and (iv) permitting the Company to review and incorporate the Company's reasonable comments in any communication given by Parent or its Representatives to any Governmental Authority or in connection with any Regulatory Filing or Regulatory Approval. (a) Neither Parent nor Merger Sub shall initiate, or participate in any meeting or discussion with any Governmental Authority with respect to any filings, applications, investigation, or other inquiry regarding the Merger or filings under any Applicable Law without giving the Company reasonable prior notice of the meeting or discussion and, to the extent permitted by the relevant Governmental Authority, the opportunity to attend and participate in such meeting or discussion.

(b) Parent shall be responsible for fifty percent (50%) of all filing fees under any Applicable Laws (and, for the avoidance of doubt, such fees shall not be deemed Transaction Expenses hereunder).

(c) Neither Parent nor Merger Sub shall initiate, or participate in any meeting or discussion with any Governmental Authority with respect to any filings, applications, investigation, or other inquiry regarding the Merger or filings under any Applicable Law without giving the Company reasonable prior notice of the meeting or discussion and, to the extent permitted by the relevant Governmental Authority, the opportunity to attend and participate in such meeting or discussion.

(d) Parent shall be responsible for fifty percent (50%) of all filing fees under any Applicable Laws (and, for the avoidance of doubt, such fees shall not be deemed Transaction Expenses hereunder).

96

897 of the Code and (ii) a notice to the IRS, signed by the Company, that satisfies the requirements of Section 1.897-2(h)(2) of the Treasury Regulations with written authorization for Parent to deliver such notice to the IRS on behalf of the Equityholders after the Closing Date.

(c) Since the date of this Agreement, there shall not have occurred a Parent Material Adverse Effect.

(d) The Company shall have received a certificate signed by an officer of Parent certifying as to Parent’s and Merger Sub’s satisfaction of the conditions set forth in Sections 9.03(a), 9.03(b) and 9.03(c).

ARTICLE 10 Survival; Indemnification

Section 10.01. Survival. From and after the Closing and subject to the limitations and other provisions of this Article 10, the representations and warranties of the parties hereto contained in this Agreement shall survive the Closing until the date that is twelve (12) months after the Closing Date (the “**Expiration Date**”); *provided that* the representations and warranties of the Company contained in Sections 3.01, 3.02, 3.03, 3.04(a), 3.05 and 3.18 (collectively, the “**Company Fundamental Representations**”), the representations and warranties of Parent and Merger Sub contained in Sections 4.01, 4.02, 4.03, 4.04(i), 4.08 and 4.12 (collectively, the “**Parent Fundamental Representations**”) shall survive the Closing until the date that is three years after the Closing Date and the representations and warranties contained in Section 3.10 (the “**Tax Representations**”) shall survive for sixty days following expiration of the applicable statute of limitations. The covenants and agreements of the parties hereto contained in this Agreement or in any certificate or other writing delivered pursuant hereto or in connection herewith to be performed prior to the Effective Time shall survive until the Expiration Date. The covenants and agreements of the parties hereto contained in this Agreement or in any certificate or other writing delivered pursuant hereto or in connection herewith to be performed from or after the Effective Time shall survive until the date that is three years after the Closing Date. Notwithstanding the preceding sentences, any breach of representation, warranty, covenant or agreement in respect of which indemnity may be sought under this Agreement shall survive the time at which it would otherwise terminate pursuant to the preceding sentences if requisite written notice pursuant to Article 10 of the breach thereof giving rise to such right of indemnity shall have been given to Parent (if the indemnity is sought against Parent and Merger Sub) or the Equityholders’ Representative (if the indemnity is sought against the Equityholders), as applicable, prior to such time. For the avoidance of doubt, all references to the Equityholders’ Representative as an Indemnifying Party hereunder or comparable designation (including as to incurring or being obligated for any expense or costs) means in its capacity on behalf of the Equityholders and not in its individual capacity and shall not obligate the Equityholders’ Representative to provide any indemnification or otherwise impose any liability on the Equityholders’ Representative.

Section 10.02. Indemnification. (a) Subject to the limitations set forth in this Article 10, effective at and after the Effective Time, each Equityholder (severally and not jointly, in accordance with such Equityholder’s Pro Rata Fully Diluted Share of each of the Damages covered by this Section 10.02) hereby indemnifies Parent, Merger Sub, each Acquired Company (including, for the avoidance of doubt, the Surviving Company) and each of their respective Subsidiaries, officers, directors, employees and each of their respective successors and permitted assigns (collectively, the “**Parent Indemnified Parties**”) against and agrees to hold each of them harmless from any and all damage, loss, Liability, fines, penalties, claims, forfeitures, Actions,

98

fees, costs and expense (including reasonable expenses of investigation and reasonable documented attorneys’ fees and expenses in connection with any Action, whether involving a Third-Party Claim or a claim solely between the parties hereto, to enforce the provisions hereof, but excluding punitive damages of any kind, other than punitive damages payable to a third party) (“**Damages**”), incurred or suffered by the Surviving Company or any other Parent Indemnified Party (regardless of whether such Damages arise as a result of the negligence, strict liability, or other liability under any theory of law or equity of any Person) arising out of or resulting from:

(i) any inaccuracy in or breach of any representation or warranty (other than a Company Fundamental Representation) made by the Company in this Agreement (determined without regard to any qualification or exception contained therein relating to materiality, Company Material Adverse Effect or similar qualification or standard) (the “**General Claims**”); or

(ii) (A) any inaccuracy in or breach of any Company Fundamental Representation (determined without regard to any qualification or exception contained therein relating to materiality, Company Material Adverse Effect or similar qualification or standard); (B) any breach of any covenant or agreement made or to be performed by the Acquired Companies (at or prior to the Effective Time) pursuant to this Agreement; (C) any inaccuracy in, or claims from any Equityholder related to or arising out of, the Allocation Schedule, including to the extent any Equityholder is entitled to receive any amounts, including any Earnout Payment, in excess of the amounts (as applicable) indicated on the Allocation Schedule and the determination of each Equityholder’s entitlement to any payments under the Transaction Documents; (D) any Tax of any Acquired Company related to a Pre-Closing Tax Period arising from the matters identified in Section 3.10(a) of the Company Disclosure Schedule; (E) any demand for appraisal or assertion of dissenter’s rights by any Equityholder or other owner of ownership interests of the Company in connection with the Merger; or (F) Fraud committed by any of the Acquired Companies (at or prior to the Effective Time) (collectively, the “**Special Claims**”).

(b) Subject to the limitations set forth in this Article 10, effective at and after the Effective Time, Parent hereby indemnifies the Equityholders and each of their respective officers, directors, employees, Affiliates (other than the Acquired Companies) and each of their respective successors and permitted assigns (collectively, the “**Equityholder Indemnified Parties**”) against and agrees to hold each of them harmless from any and all Damages, incurred or suffered by such Equityholder Indemnified Party (regardless of whether such Damages arise as a result of the negligence, strict liability, or other liability under any theory of law or equity of any Person) arising out of or resulting from: (i) any inaccuracy in or breach of any representation or warranty made by Parent or Merger Sub in this Agreement; (ii) any breach of any covenant or agreement made or to be performed by any Acquired Company (after the Effective Time), Parent or Merger Sub pursuant to this Agreement or (iii) Fraud committed by Parent or Merger Sub.

99

Section 10.03. Limitations. (a) With respect to indemnification by the Equityholders under Section 10.02(a)(i) for General Claims, the Equityholders shall not be liable (i) for any claim (or series of related claims) for indemnification where the amount of Damages with respect to such claim (or related claims) does not exceed \$20,000 and (ii) unless and until the aggregate amount of the Damages exceeds \$3,600,000 (the “**Deductible**”) and then only to the extent of such excess.

(b) With respect to indemnification by the Equityholders (i) under Section 10.02(a)(i) for General Claims (other than with respect to any inaccuracy or breach of any Tax Representation), the Equityholders’ maximum aggregate Liability shall be limited to the Indemnification Escrow Shares and (ii) with respect to any inaccuracy or breach of any Tax Representation, the Equityholders’ maximum aggregate Liability at any time shall be limited to an amount equal to (A) the Indemnification Escrow Amount *minus* (B) the amount of Payable Claims (other than Payable Claims in respect of any inaccuracy or breach of any Tax Representation) that have been satisfied at such time through the cancellation of Indemnification Escrow Shares. For the avoidance of doubt, the satisfaction of the Equityholders’ indemnification obligations with respect to any inaccuracy or breach of any Tax Representation shall be included for purposes of determining the Equityholders’ maximum aggregate Liability under this Section 10.03(b)(ii)

(c) With respect to any inaccuracy or breach of any representation or warranty made by Parent (except in respect of breaches of any Parent Fundamental Representation or claims of Fraud committed by Parent or Merger Sub), Parent’s maximum aggregate Liability shall be limited to \$36,000,000.

(d) In the case of any Damages other than Damages for General Claims, the maximum amount that the Parent Indemnified Parties may recover from each Equityholder shall be limited to an amount equal to the aggregate consideration received by such Equityholder pursuant to this Agreement (including any portion of the Earnout Shares) (valuing Merger Consideration Shares and Earnout Shares at the Conversion Price) (the “**Equityholder Proceeds**”). Notwithstanding anything contained herein to the contrary, nothing herein shall limit the recovery amount against an Equityholder, or remedies available to a Parent Indemnified Party, for such Equityholder’s Fraud.

(e) The maximum amount that the Parent Indemnified Parties may recover from each Equityholder under Section 10.02(a)(i) shall be limited to such Equityholder’s Pro Rata Fully Diluted Share of the Indemnification Escrow Amount.

(f) Notwithstanding anything herein to the contrary, no Equityholder shall have any indemnification obligations for Damages under this Article 10 (i) with respect to, or based on, Taxes relating to a breach of any Tax Representation to the extent that such Taxes are attributable to a Post-Closing Tax Period, except with respect to any breach of any representation or warranty contained in Section 3.10(g), Section 3.10(k), Section 3.10(l), or Section 3.10(m), or

100

(ii) to the extent such Damages would not have arisen but for a breach of Parent’s (or the Acquired Companies’ and their respective Affiliates) obligations under Section 6.01(i) or 6.01(j).

Section 10.04. Third-Party Claim Procedures. (a) The party seeking indemnification under Section 10.02 (the “**Indemnified Party**”) agrees to give prompt notice in writing to the party against whom indemnity is to be sought (the “**Indemnifying Party**”) of the assertion of any claim or the commencement of any Action (“**Claim**”) in respect of which indemnity may be sought under Section 10.02. Such notice shall set forth in reasonable detail such Claim and the basis for indemnification (taking into account the information then available to the Indemnified Party). The failure to so notify the Indemnifying Party shall not relieve the Indemnifying Party of its obligations hereunder, except to the extent such failure shall have materially and adversely prejudiced the Indemnifying Party.

(b) The Indemnifying Party (or the Equityholders’ Representative in the case of an indemnification claim pursuant to Section 10.02) shall be entitled to participate in the defense of any Claim asserted by any third party (“**Third-Party Claim**”) and, subject to the limitations set forth in this Section 10.04, shall be entitled to control and appoint lead counsel for such defense, in each case, at its own expense.

(c) If the Indemnifying Party desires to assume the control of the defense of any Third-Party Claim in accordance with the provisions of this Section 10.04, the Indemnifying Party shall give written notice to the Indemnified Party within twenty (20) days after the Indemnified Party has given written notice to the Indemnifying Party of the Third-Party Claim. If such notice is timely given, the Indemnifying Party shall be entitled to control and appoint lead counsel for such defense so long as (i) the Third-Party Claim involves only a claim for monetary damages and not any claim for an order, injunction or other equitable relief or relief for other than monetary damages against any Indemnified Party, (ii) the Indemnifying Party timely provides the Indemnified Party with (x) evidence reasonably acceptable to the Indemnified Party that the Indemnifying Party will have adequate financial resources to defend against the Third-Party Claim and (y) a statement that, based on the facts set forth in the notice required by Section 10.04, the Indemnifying Party would have an indemnity obligation for the Damages resulting from such Third-Party Claim, and (iii) the Third-Party Claim does not relate to or otherwise arise in connection with any criminal or regulatory Action. Notwithstanding the foregoing, the Indemnifying Party shall not be entitled to assume or maintain control of the defense of any Third-Party Claim if, in the case of a Parent Indemnified Party, the amount of the Third-Party Claim, if determined in accordance with the claimant’s demands, would reasonably be expected to result in Damages, together with all other unresolved claims for indemnification by the Parent Indemnified Parties, that would not be available for recovery from the Indemnification Escrow Shares.

(d) If the Indemnifying Party is controlling the defense of a Third-Party Claim, the Indemnifying Party shall obtain the prior written consent of the Indemnified Party before entering into any settlement, compromise or discharge of such Third-Party Claim; *provided* that the Indemnified Party shall agree to any settlement, compromise or discharge of a Third-Party

Claim that the Indemnifying Party may recommend and that by its terms (i) obligates the Indemnifying Party to pay the full amount of the Damages in connection with such Third-Party Claim, (ii) does not impose injunctive or equitable relief or require an admission of liability or wrongdoing on behalf of the Indemnified Party or any of its Affiliates and (iii) contains a full and unconditional release of the Indemnified Party and its Affiliates from all Damages and obligations with respect to such Third-Party Claim.

(e) If the Indemnifying Party does not timely deliver the notice contemplated by Section 10.04(a), or if such notice is given on a timely basis but any of the other conditions in this Section 10.04 are unsatisfied, the Indemnified Party may defend, and may consent to the entry of any judgment or enter into any compromise or settlement with respect to, the Third-Party Claim. Notwithstanding anything in this Section 10.04 to the contrary, whether or not the Indemnifying Party controls the defense of a Third-Party Claim, the Indemnified Party shall not admit any liability with respect to, or settle, compromise or discharge, such Third-Party Claim without the Indemnifying Party's prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed); *provided* that the Indemnified Party may admit liability with respect to, or settle, compromise or discharge, such Third-Party Claim without the Indemnifying Party's prior written consent so long as the Indemnified Party releases, to the reasonable satisfaction of the Indemnifying Party, any claims to indemnification with respect to such Third-Party Claim pursuant to this Article 10.

(f) In circumstances where the Indemnifying Party is controlling the defense of a Third-Party Claim, the Indemnified Party shall be entitled to participate in the defense of any Third-Party Claim and to employ separate counsel of its choice for such purpose, in which case the fees and expenses of such separate counsel incurred by the Indemnified Party after such time as the Indemnifying Party assumed control pursuant to Section 10.04(b) shall be borne by the Indemnified Party; *provided* that, notwithstanding the foregoing, the Indemnifying Party shall pay the fees and expenses of such separate counsel (i) incurred by the Indemnified Party prior to the date the Indemnifying Party assumes control of the defense of the Third-Party Claim or during any period in which the Indemnifying Party ceases to be eligible to maintain control of the defense of the Third-Party Claim, in either case as provided in this Section 10.04, (ii) if representation of both the Indemnifying Party and the Indemnified Party by the same counsel would create a conflict of interest (including if any counsel chosen by the Indemnifying Party requests a conflict waiver or other waiver from the Indemnified Party with respect to such matter) or (iii) there may be one or more defenses or claims available to the Indemnified Party that are different from or additional to those available to the Indemnifying Party and that could be adverse to the Indemnifying Party.

(g) Each of the Indemnifying Party and the Indemnified Party shall cooperate, and cause its respective controlled Affiliates to cooperate, in the defense or prosecution of any Third-Party Claim and shall promptly furnish or cause to be furnished such records, information and testimony, and attend such conferences, discovery proceedings, hearings, trials or appeals, as may be reasonably requested in connection therewith.

Section 10.05. Direct Claims for Indemnification; Resolution of Conflicts. (a) In the event an Indemnified Party has a claim for indemnity pursuant to this Article 10 against an Indemnifying Party that does not involve a Third-Party Claim, such Indemnified Party may seek recovery of Damages pursuant to this Article 10 by delivering to the Indemnifying Party (or, in the case of any claim against the Equityholders, the Equityholders' Representative) a Claim Certificate in respect of such claim. The date of such delivery of a Claim Certificate is referred to herein as the "**Claim Date**" of such Claim Certificate (and the claims for indemnification contained therein). For purposes hereof, "**Claim Certificate**" means a certificate signed by any officer of an Indemnified Party (or, in the case of an Indemnified Party who is an individual, signed by such individual, or, in the case of an Indemnified Party who is an Equityholder, the Equityholders' Representative): (i) stating that an Indemnified Party has paid, sustained, or accrued, or reasonably anticipates that will have to pay, sustain, incur or accrue Damages and including, to the extent reasonably practicable, a non-binding, preliminary estimate of the amounts of such Damages and (ii) specifying in reasonable detail the individual items of Damages included in the amount so stated, the date each such item was paid, sustained, incurred, or accrued, or the basis for such anticipated Damages, and the nature of the indemnifiable matter to which such item is related; *provided* that the Claim Certificate need only specify such information to the knowledge of such Person as of the Claim Date, shall not limit any of the rights or remedies of any Indemnified Party, and may be updated and amended from time to time by the Indemnified Party by delivering an updated or amended Claim Certificate to the Indemnifying Party.

(b) The Indemnifying Party (or, in the case of a claim against the Equityholders, the Equityholders' Representative) may object to a claim for indemnification set forth in a Claim Certificate by delivering to the Indemnified Party seeking indemnification a written statement of objection to the claim made in the Claim Certificate (an "**Objection Notice**"); *provided* that, to be effective, such Objection Notice must (A) be delivered to the Indemnified Party prior to 5:00 p.m. Eastern time on the thirtieth (30th) day following the Claim Date of the Claim Certificate (such deadline, the "**Objection Deadline**" for such Claim Certificate and the claims for indemnification contained therein) and (B) set forth in reasonable detail the nature of the objections to the claims in respect of which the objection is made.

(c) To the extent the Indemnifying Party does not object in writing (as provided in Section 10.05(b)) to the claims contained in a Claim Certificate prior to the Objection Deadline for such Claim Certificate, such failure to so object shall be an irrevocable acknowledgment by the Indemnifying Party that the Indemnified Party is entitled to the full amount of the claims for Damages set forth in such Claim Certificate (and such entitlement shall be conclusively and irrefutably established) (any such claim, an "**Unobjected Claim**").

Section 10.06. Resolution of Conflicts. (a) In case the Indemnifying Party timely delivers an Objection Notice in accordance with Section 10.05(b) hereof, the Indemnifying Party and the Indemnified Parties shall attempt in good faith to agree upon the rights of the respective parties with respect to each of such claims. If the Indemnifying Party and the Indemnified Parties reach an agreement, a memorandum setting forth such agreement shall be prepared and

signed by all applicable parties (any claims covered by such an agreement, "**Settled Claims**"). If the Indemnifying Party and the Indemnified Parties are unable to reach an agreement, the matter specified in the Objection Claim shall be resolved in any court having jurisdiction over the matter where venue is proper pursuant to Section 13.07 (any claims resolved by such adjudication, "**Resolved Claims**").

(b) A "**Payable Claim**" means a claim for indemnification of Damages under this Article 10, to the extent that such claim has not yet been satisfied by payment to the Indemnified Party, that is (i) a Resolved Claim, (ii) a Settled Claim, or (iii) an Unobjected Claim. An "**Unresolved Claim**" means any claim for indemnification of Damages under this Article 10 specified in any Claim Certificate delivered pursuant to Section 10.05(a), to the extent that such claim is not a Payable Claim that has been satisfied by payment to the Indemnified Party.

Section 10.07. Calculation of Damages. (a) The amount of any Damages payable under Section 10.02 by the Indemnifying Party shall be net of any amounts recovered by the Indemnified Party under applicable insurance policies (net of any costs or expenses incurred in the collection thereof, including deductibles, and applicable premium adjustments). Each Indemnified Party shall use commercially reasonable efforts to collect any amounts available under insurance coverage, including under the D&O Tail, for any Damages payable under this Article 10. If the Indemnified Party receives any amounts under applicable insurance policies subsequent to an indemnification payment by the Indemnifying Party, then such Indemnified Party shall promptly reimburse the Indemnifying Party for such indemnification payment made by such Indemnifying Party up to the lesser of (i) the amount received by the Indemnified Party under such insurance policies (net of any costs of recovery, including any resulting from increased insurance premium charges) and (ii) the indemnification payment made by the Indemnifying Party.

(b) The amount of any Damages subject to indemnification hereunder shall be calculated taking into account any Loss Tax Consequences inuring to any Indemnified Party attributable to such Damages or the indemnification payment in respect thereof.

(c) The Indemnifying Party shall not be liable under Section 10.02 for any Damages relating to any matter to the extent that the Indemnified Party has recovered such Damages pursuant to this Agreement, even if such Damages are subject to indemnification under more than one provision of this Agreement.

(d) Each Equityholder hereby agrees that (i) the availability of indemnification of the Parent Indemnified Parties under this Article 10 shall be determined without regard to any right to indemnification, advancement, contribution or reimbursement that such Equityholder may have from any Acquired Company (whether such rights may arise from or pursuant to Applicable Law, Contract, the Governing Documents of any Acquired Company or otherwise), and (ii) such Equityholder shall not be entitled to any indemnification, advancement, contribution or reimbursement from Parent, any Acquired Company or any of their respective Affiliates for amounts for which Parent Indemnified Parties would be entitled to indemnification

104

under this Article 10 (determined without regard to any thresholds, deductibles, caps, survival periods or other limitations).

Section 10.08. Characterization of Indemnification Payments. To the extent permitted by Applicable Law, any amount paid pursuant to this Article 10 shall be treated for Tax purposes as adjustments to the Merger Consideration, Warrant Consideration and Option Consideration.

Section 10.09. Mitigation. Parent, the Surviving Company, the Equityholders, and the Equityholders' Representative shall cooperate with each other with respect to resolving any claim for Damages hereunder, including by making commercially reasonable efforts to mitigate or resolve any such claim for Damages as required by Applicable Law; *provided, however,* that no party shall be required to make such efforts if they would be detrimental in any material respect to such party.

Section 10.10. Indemnification Escrow Shares; Recovery of Losses.

(a) On the date any indemnification claim against the Equityholders pursuant to Section 10.02(a) becomes a Payable Claim, payment of the amount of such Payable Claim shall be made to the Parent Indemnified Parties as follows:

(i) for so long as there remain any Indemnification Escrow Shares, the Parent Indemnified Parties shall first recover from the Equityholders for any Payable Claims by cancelling for no consideration a number of Indemnification Escrow Shares with a value equal to the amount of indemnifiable Damages (valuing the Indemnification Escrow Shares based on the Agreed Valuation Price and applying such cancellation pro rata to the Equityholders in accordance with their respective Indemnification Escrow Shares (rounding up to the nearest whole share), but disregarding, for such purposes, the exercise price of any Assumed Stock Option that is an Indemnification Escrow Share); and

(ii) to the extent there do not remain any Indemnification Escrow Shares, the Parent Indemnified Parties shall be entitled to recover Damages that are indemnifiable pursuant to Section 10.02(a)(ii) for Special Claims, (1) first, as applicable (A) by permanently reducing and setting-off against any Earnout Shares due and payable to the Equityholders or (B) by cancelling for no consideration any Earnout Shares previously delivered to Equityholders (in each case, valuing any such Earnout Shares at the Agreed Valuation Price), (2) second, by cancelling for no consideration any Merger Consideration Shares or Assumed Stock Options (for the avoidance of doubt, not limited to Indemnification Escrow Shares or former Indemnification Escrow Shares) (valuing such any Merger Consideration Shares or Assumed Stock Options at the Agreed Valuation Price, but disregarding, for such purposes, the exercise price of such Assumed Stock Options) and (3) third, to the extent that any Equityholder does not have any Merger Consideration Shares, Assumed Stock Options or Earnout Shares with a value sufficient to satisfy such Damages (based on the Agreed Valuation Price), in cash directly from such Equityholder, in any case in accordance with its Pro Rata Fully Diluted Share.

105

(b) At the Expiration Date, if and to the extent the value of the Indemnification Escrow Shares (for the avoidance of doubt, excluding any Indemnification Escrow Shares that have previously been cancelled to satisfy any Payable Claims and valuing the Indemnification Escrow Shares based on the Conversion Price, but disregarding, for such purposes, the exercise price of any Assumed Stock Option that is an Indemnification Escrow Share) exceeds the aggregate amount of Unresolved Claims of all Parent Indemnified Parties, then such excess Indemnification Escrow Shares shall cease to be "Indemnification Escrow Shares" for all purposes hereof (applied on a pro rata basis among the Equityholders in accordance with their respective numbers of Indemnification Escrow Shares).

(c) From and after the Expiration Date, as each Unresolved Claim of any Parent Indemnified Party becomes resolved as either a Payable Claim or a claim that is not a Payable Claim (i) if and to the extent such Unresolved Claim has been resolved as a Payable Claim, then the Parent Indemnified Parties shall recover for such Payable Claim by cancelling a number of Indemnification Escrow Shares with a value equal to the amount of such Payable Claim (valuing the Indemnification Escrow Shares based on the Agreed Valuation Price, but disregarding, for such purposes, the exercise price of any Assumed Stock Option that is an Indemnification Escrow Share) (and, to the extent such cancelled Indemnification Escrow Shares are insufficient to cover the amount of such Payable Claim, the Parent Indemnified Parties may recover the excess in accordance with, and if permitted by, Section 10.10(a) and (ii) if and to the extent such Unresolved Claim has been resolved as not a Payable Claim and, as a result the value of the remaining Indemnification Escrow Shares (valuing the Indemnification Escrow Shares based on the Conversion Price) exceeds the value of the remaining Unresolved Claims of all Parent Indemnified Parties, such excess Indemnification Escrow Shares shall cease to be "Indemnification Escrow Shares" for all purposes hereof (applied on a pro rata basis among the Equityholders in accordance with their respective numbers of Indemnification Escrow Shares) and (iii) if there are no Unresolved Claims remaining, then all remaining Indemnification Escrow Shares shall cease to be "Indemnification Escrow Shares" for all purposes hereof.

(d) If any dividends or distributions are paid on any Indemnification Escrow Shares, such dividends or distributions will be retained by Parent and, if such Indemnification Escrow Shares cease to be Indemnification Escrow Shares, will be released to the Equityholders on the date of such cessation and otherwise will be retained by Parent if the Indemnification Escrow Shares are forfeited for no consideration.

(e) On the date any indemnification claim against Parent pursuant to Section 10.02(b) becomes a Payable Claim, payment of the amount of such Payable Claim shall be made to the Equityholder Indemnified Parties by Parent issuing to the Equityholder Indemnified Parties an aggregate number of shares of Parent Preferred Stock with a value equal to the indemnifiable Damages (valuing such shares of Parent Preferred Stock at the Agreed Valuation Price).

Section 10.11. Exclusivity of Remedy. Without limiting any party's rights (x) under any other Transaction Document or any other agreement entered into in connection with this Agreement or (y) with respect to claims for Fraud against the Person (other than the Company)

106

committing such Fraud, except for in connection with the matters covered under Section 2.10 (which matters will be resolved in accordance with the dispute resolution mechanism set forth in Section 2.10) or Section 6.01, the parties hereto acknowledge and agree that, from and after the Effective Time, the indemnification provisions in this Article 10 shall be the sole and exclusive monetary remedy of any party with respect to any and all claims arising out of breaches of representations, warranties, covenants or agreements contained in this Agreement.

Section 11.01. Equityholders' Representative. (a) By virtue of the approval and adoption of this Agreement by the Required Equityholder Vote, the delivery of the Written Consent and each Letter of Transmittal and acceptance of the Per Share Closing Cash Consideration and Per Share Closing Equity Consideration payable at Closing hereunder, and without further action of any Equityholder or the Company, each Equityholder shall be deemed to have irrevocably constituted and appointed and hereby does irrevocably constitute and appoint Fortis Advisors LLC, a Delaware limited liability company (which, by execution of this Agreement, hereby accepts such appointment) to act as the Equityholders' Representative and as the sole and exclusive agent and attorney-in-fact for and on behalf of the Equityholders (in their capacity as such), with full power of substitution, to execute and take all other actions on behalf of the Equityholders in connection with this Agreement or the other Transaction Documents and any agreement executed by the Equityholders' Representative with the Exchange Agent, including (i) to execute and deliver on behalf of the Equityholders any amendment, consent or waiver under this Agreement, (ii) to assert, and to agree to resolution of, all claims and disputes hereunder or thereunder, including under Section 2.10 and Article 10 hereof, (iii) to retain legal counsel and other professional services in connection with the performance by the Equityholders' Representative of this Agreement and the other Transaction Documents, (iv) to execute and deliver on the Equityholders' behalf all documents and instruments which may be executed and delivered after the Closing pursuant to this Agreement and the other Transaction Documents, (v) to make and receive notices and other communications pursuant to this Agreement and the other Transaction Documents and service of process in any Action arising out of or related to this Agreement and the other Transaction Documents, (vi) to negotiate, settle or compromise any Action arising out of or related to this Agreement or the other Transaction Documents or any of the transactions hereunder or thereunder, including to take any action (or determine not to take action) in connection with the defense, prosecution, settlement, compromise or other resolution of any claim for indemnification pursuant to Article 10 (other than any claim for indemnification pursuant to Article 10 brought against any Equityholder if such Equityholder elects to defend against such claim), and (vii) to do or refrain from doing each and every act and exercise or refrain from exercising all rights that are either (x) necessary or appropriate in the judgment of the Equityholders' Representative for the accomplishment of the foregoing or (y) mandated or permitted by the terms of this Agreement or the other Transaction Documents, in each case as determined by the Equityholders' Representative in its sole discretion. Notwithstanding the foregoing, the Equityholders' Representative shall have no obligation to act on behalf of the Equityholders, except as expressly provided herein, the

107

Exchange Agent Agreement and in the Equityholders' Representative Engagement Agreement, and, for purposes of clarity, there are no obligations of the Equityholders' Representative in any other agreement, any Schedule or Exhibit hereto and thereto, or the Company Disclosure Schedule.

(b) The power of attorney granted in this Article 11 and the powers, immunities and rights to indemnification granted to the Equityholders' Representative Group hereunder (i) are coupled with an interest and shall be irrevocable, may be delegated by the Equityholders' Representative, shall survive the bankruptcy, death or incapacity of each Equityholder and shall be binding on any successor thereto and (ii) shall survive the delivery of an assignment by any Equityholder of the whole or any fraction of his, her or its interest in the Expense Fund or any other consideration to be received by such Equityholder hereunder. The Equityholders' Representative may resign at any time upon 30 days' written notice to Parent and the Equityholders. Such agency may be changed, and, if the Equityholders' Representative resigns or is otherwise incapable of fulfilling its duties hereunder or under the Exchange Agent Agreement, such agency shall be changed, by a majority of the Equityholders (as determined by their respective Pro Rata Fully Diluted Shares) as of such time (including in the event of the resignation, death, disability or other incapacity of an Equityholders' Representative that is an individual), and, following the provision of notice to Parent, the newly appointed representative shall be the Equityholders' Representative for all purposes hereunder, and any such successor shall succeed the Equityholders' Representative as the Equityholders' Representative hereunder. In case of termination of Equityholders' Representative's role at any time and for any reason, the Equityholders shall elect and appoint, no later than 30 days following the effective date of such termination, a successor Equityholders' Representative. The immunities and rights to indemnification shall survive the resignation or removal of the Equityholders' Representative or any member of the Advisory Group and the Closing and/or any termination of this Agreement and the Exchange Agent Agreement. Neither the removal of, nor the appointment of a successor to, the Equityholders' Representative shall affect in any manner the validity or enforceability of any actions taken or agreements, understandings or commitments entered into by the prior Equityholders' Representative, which shall continue to be effective and binding on the Equityholders. For the avoidance of doubt, any compromise or settlement of any matter by the Equityholders' Representative hereunder shall be binding on, and fully enforceable against, all Equityholders. No bond shall be required of the Equityholders' Representative, and the Equityholders' Representative shall not receive any compensation for its services except in accordance with the Equityholders' Representative Engagement Agreement.

(c) A decision, act, consent or instruction of the Equityholders' Representative hereunder, under the Exchange Agent Agreement or under the Equityholders' Representative Engagement Agreement shall constitute a decision, act, consent or instruction of all of the Equityholders and shall be final, binding and conclusive upon each of the Equityholders and their successors as if expressly confirmed and ratified in writing by each such Equityholder, and all defenses which may be available to any Equityholder to contest, negate or disaffirm the action of the Equityholders' Representative taken under this Agreement, the Equityholders' Representative Engagement Agreement or the Exchange Agent Agreement are waived. The

108

Exchange Agent, Parent, Merger Sub and, after the Effective Time, the Surviving Company may rely upon any such decision, act, consent or instruction of the Equityholders' Representative as being the decision, act, consent or instruction of each and every such Equityholder. The Parent Indemnified Parties are hereby relieved from any Liability to any Person for any acts done by them in accordance with any such decision, act, consent or instruction of the Equityholders' Representative. Each Equityholder hereby agrees that for any Action arising under this Agreement or any other Transaction Document after the Closing Date such Equityholder may be served legal process to the email address set forth in Section 13.01 for the Equityholders' Representative (or any alternative address designated to the parties in writing by the Equityholders' Representative), and that service in such manner shall be adequate and such Equityholder shall not assert any defense of claim that service in such manner was not adequate or sufficient in any court in any jurisdiction. Each Equityholder shall promptly provide written notice to the Equityholders' Representative of any change of address or other contact information of such Equityholder.

(d) Without limiting the generality of the foregoing and for the avoidance of doubt, for purposes of Article 10, if any Equityholder Indemnified Party is seeking indemnification as the Indemnified Party hereunder, or indemnification is sought against any Equityholder as an Indemnifying Party hereunder, then, in either such case, the Equityholders' Representative shall act on behalf of, and receive notice on behalf of, such Equityholder, provided that the foregoing shall not obligate the Equityholders' Representative to provide any indemnification or otherwise impose any liability on the Equityholders' Representative.

(e) The Equityholders' Representative, solely in its capacity as the representative of the Equityholders, represents and warrants to Parent and Merger Sub, as of the date hereof and as of the Closing Date, as follows:

- (i) the Equityholders' Representative is duly organized, validly existing and (where applicable, based on the Equityholders' Representative's jurisdiction of organization) in good standing under the laws of its jurisdiction of organization, and has all requisite limited liability company power and authority and all permits required to carry on its business in all material respects as currently conducted;
- (ii) the execution and delivery of this Agreement by the Equityholders' Representative, and the performance by the Equityholders' Representative of its obligations hereunder, have been duly authorized by all necessary corporate action on the part of the Equityholders' Representative;
- (iii) this Agreement has been duly executed and delivered by the Equityholders' Representative and this Agreement constitutes a legally valid and binding obligation of the Equityholders' Representative, enforceable against the Equityholders' Representative in accordance with its terms (subject to applicable bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other laws affecting creditors' rights generally and general principles of equity); and

109

(iv) the execution and delivery of the Transaction Documents to which it is (or will be) a party by the Equityholders' Representative, and the performance by the Equityholders' Representative of its obligations thereunder do not and will not (A) conflict with or result in a violation of the Governing Documents of the Equityholders' Representative, (B) violate any Applicable Law with respect to the Equityholders' Representative or (C) require any consent or approval that has not been given or other action that has not been taken by any Person under any Contract binding upon the Equityholders' Representative.

(f) Each Equityholder, by its acceptance of the Per Share Closing Cash Consideration and Per Share Closing Equity Consideration payable at Closing hereunder, accepts and agrees to be bound by the provisions set forth in this Article 11.

(g) Certain Equityholders have entered into an engagement agreement (the "**Equityholders' Representative Engagement Agreement**") with the Equityholders' Representative to provide direction to the Equityholders' Representative in connection with its services under this Agreement, the Exchange Agent Agreement and the Equityholders' Representative Engagement Agreement (such Equityholders, including their individual representatives, collectively hereinafter referred to as the "**Advisory Group**"). Neither the Equityholders' Representative nor its members, managers, directors, officers, contractors, agents and employees nor any member of the Advisory Group (collectively, the "**Equityholders' Representative Group**"), shall be liable to any Equityholder for any action or failure to act in connection with the acceptance or administration of the Equityholders' Representative's responsibilities hereunder, under the Exchange Agent Agreement or under the Equityholders' Representative Engagement Agreement, unless and only to the extent such action or failure to act constitutes gross negligence, fraud or willful misconduct. The Equityholders shall indemnify, defend and hold harmless the Equityholders' Representative Group from and against any and all losses, claims, damages, liabilities, fees, costs, expenses (including reasonable and documented fees, disbursements and costs of outside counsel and other skilled professionals and in connection with seeking recovery from insurers), judgments, fines or amounts paid in settlement (collectively, the "**Equityholders' Representative Expenses**") incurred without gross negligence, fraud or willful misconduct on the part of the Equityholders' Representative and arising out of or in connection with the acceptance or administration of its duties hereunder, under the Exchange Agent Agreement or under the Equityholders' Representative Engagement Agreement. Such Equityholders' Representative Expenses may be recovered first, from the Expense Fund, second, from any distribution of amounts otherwise distributable to the Equityholders at the time of distribution, and third, directly from the Equityholders. The Equityholders acknowledge that the Equityholders' Representative shall not be required to expend or risk its own funds or otherwise incur any financial liability in the exercise or performance of any of its powers, rights, duties or privileges or pursuant to this Agreement, the Exchange Agent Agreement, the Equityholders' Representative Engagement Agreement or the transactions contemplated hereby or thereby. Furthermore, the Equityholders' Representative shall not be required to take any action unless the Equityholders' Representative has been provided with funds, security or indemnities which, in its determination, are sufficient to protect

the Equityholders' Representative against the costs, expenses and liabilities which may be incurred by the Equityholders' Representative in performing such actions. The Equityholders' Representative shall be entitled to: (i) rely upon the Allocation Schedule, (ii) rely upon any signature believed by it to be genuine, and (iii) reasonably assume that a signatory has proper authorization to sign on behalf of the applicable Equityholder or other party.

ARTICLE 12 Termination

Section 12.01. Grounds for Termination. This Agreement may be terminated at any time prior to the Closing:

- (a) by mutual written agreement of the Company, Equityholders' Representative and Parent;
- (b) by the Company or Parent if the Closing shall not have been consummated on or before April 30, 2022 (such date, the "**End Date**"); *provided* that the right to terminate this Agreement pursuant to this Section 12.01(b) shall not be available to Parent if Parent's or Merger Sub's, or to the Company if the Company's, breach of any provision of this Agreement results in the failure of the Closing to occur by such date;
- (c) by either the Company or Parent if there shall be any nonappealable final Order of any Governmental Authority having competent jurisdiction that makes consummation of the transactions contemplated hereby illegal or otherwise prohibited;

- (iii) a transfer in which no transferee (or group of associated transferees) would receive 2% or more of the outstanding securities of any class of voting securities (as those terms are defined and as such percentage is calculated under the BHCA) of the Company; or
- (iv) a transfer to a transferee who would control more than 50% of every class of voting securities (as those terms are defined and as such percentage is calculated under the BHCA) of the Company without giving effect to the shares of Series A Preferred Stock transferred by a Regulated Holder and its BHCA Transferees.

Notwithstanding anything herein to the contrary, in the event that the transfer restriction period applicable to holders of Equity Securities (as defined in the Merger Agreement) of the Company pursuant to Section 5.06 of the Bylaws is terminated, waived or otherwise modified or amended by the Board or the requisite stockholders of the Company, as applicable, in a manner that is generally applicable to such holders, then such termination, waiver, modification or amendment shall apply pro rata to the shares of Series A Preferred Stock.

SECTION 4 **Dividends.**

(a) Holders shall be entitled to receive dividends of the type and in the amount determined as set forth in this Section 4.

(b) Accrual of Annual Dividends

(i) Dividends on each share of Series A Preferred Stock (A) shall be cumulative and accrue and accumulate on a daily basis from and including the Issuance Date of such share, whether or not declared and whether or not the Company has funds legally available to make payment thereof, at a rate equal to the Dividend Rate, and compound annually on each Dividend Payment Date (to the extent not paid in accordance with Section 4(c) on such Dividend Payment Date), and (B) shall be payable annually in arrears, subject to the next sentence, on the Dividend Payment Date (such dividends, “**Annual Dividends**”). The Company shall, with respect to each Dividend Payment Date, declare and pay, unless prohibited by Section 170 of the DGCL, the Annual Dividends on such Dividend Payment Date.

(ii) The amount of Annual Dividends accruing with respect to each share of Series A Preferred Stock for any day shall be determined by multiplying (x) the Base Amount as of such day by (y) a fraction, the numerator of which is the Dividend Rate and the denominator of which is 360. The amount of Annual Dividends accrued with respect to any share of Series A Preferred Stock for any Dividend Payment Period shall equal the sum of the daily Annual Dividend amounts accrued in accordance with the prior sentence of this Section 4(b)(ii) with respect to such share during such Dividend Payment Period.

(c) Payment of Dividend.

(i) With respect to any Dividend Payment Date, the Company will pay all Accrued Dividends on each share of Series A Preferred Stock, determined in its sole discretion, (A) in cash, (B) by delivery of shares of Common Stock or (C) by payment and delivery, as the case may be, of any combination of cash and shares of Common Stock; *provided, however*, that if such shares of Common Stock are not “freely tradeable” other than as a result of any restrictions on such shares of Common Stock that have become “control securities” when beneficially owned by the Holder who receives such shares, then such shares of Common Stock shall be registered for resale pursuant to a registration statement on Form S-1 or Form S-3 on or before the Dividend Payment Date and the Company shall use best efforts to keep such registration statement continuously effective under the Securities Act of 1933, as amended, until such time as all such shares of Common Stock are either sold by the Holders or have become “freely tradeable,” whichever is earlier, in order to permit the Prospectus forming a part thereof to be usable by the Holders for the sale of such shares of Common Stock and, to the extent applicable, the Company shall file promptly after the applicable Dividend Payment Date if such shares are registered for resale pursuant to a registration statement on Form S-3 a Prospectus supplement naming the holders as selling shareholders (subject to receipt of information reasonably requested by the Company necessary to complete such Prospectus supplement). For the purposes of this section,

9

(ii) “freely tradeable” shall mean shares of Common Stock that are eligible for resale pursuant to Rule 144, assuming, as applicable, that the Company is compliant with its current public information requirements.

(iii) If the Company elects to satisfy a payment of any Annual Dividend, or any portion thereof, in shares of Common Stock, such shares shall be valued for such purpose at the Parent Dividend Stock Price.

(iv) The Company shall make each dividend payment on the Series A Preferred Stock in cash, except to the extent the Company elects to make all or any portion of such payment pursuant to Section 4(c)(i) and in accordance with Section 4(c)(iv), and is permitted to elect and make such payment pursuant to the terms hereof, in shares of Common Stock. For the avoidance of doubt, if the payment of any dividend on the Series A Preferred Stock in shares of Common Stock, in whole in part, would require the Company to obtain approval of its shareholders under applicable law (the “**Company Shareholder Approval**”), then, to the extent the Company Shareholder Approval has not been obtained, the Company shall pay such dividend (or portion thereof) in cash, unless prohibited by Section 170 of the DGCL.

(v) At least four Trading Days before each Dividend Payment Date, the Company shall have notified the Holders of any election to pay all or any portion of the applicable Annual Dividend in shares of Common Stock, and the portion of such Annual Dividend that will be paid in Common Stock.

(vi) Dividends shall be paid pro rata (based on the number of shares of Series A Preferred Stock held by the Holder) to the Holders of shares

of Series A Preferred Stock entitled thereto (for the avoidance of doubt, taking into account any differences in Issuance Date). The record date for payment of Annual Dividends that are declared and paid on each Dividend Payment Date will be the close of business on December 15 of each year (the “**Dividend Record Date**”).

(d) **Priority of Dividends.** So long as any shares of Series A Preferred Stock remain outstanding, with respect to any Annual Dividend, unless such Annual Dividend on all outstanding shares of Series A Preferred Stock has been declared and paid in cash, from the Dividend Payment Date for such Annual Dividend until the Dividend Payment Date for the next Annual Dividend, the Company may not declare any dividend on, or make any distributions relating to, Junior Stock, or redeem, purchase, acquire (either directly or through any Subsidiary) any Junior Stock, other than:

(i) purchases, redemptions or other acquisitions of shares of Junior Stock in accordance with any employment contract, benefit plan or other similar arrangement with or for the benefit of current or former employees, officers, directors or consultants in transactions that, to the knowledge of the Company, are not treated as distributions under Section 301 of the Code;

(ii) purchases of fractional interests in shares of Junior Stock pursuant to the conversion or exchange provisions of such Junior Stock or the security being converted or exchanged;

10

(iii) payment of any dividends or distributions in respect of Junior Stock where the dividend or distribution is in the form of the same stock or rights to purchase the same stock as that on which the dividend is being paid; or

(iv) any dividend in kind in connection with the implementation of a shareholders’ rights or similar plan, or the redemption or repurchase of any rights under any such plan.

(e) **Conversion Following a Record Date.** If the Conversion Date for any shares of Series A Preferred Stock is prior to the close of business on a Dividend Record Date, the Holder of such shares will not be entitled to any Annual Dividend in respect of such Dividend Record Date, other than through the inclusion of Accrued Dividends as of the Conversion Date in the calculation under Section 7(a) or Section 8, as applicable. If the Conversion Date for any shares of Series A Preferred Stock is after the close of business on a Dividend Record Date or a Participating Dividend Record Date, as applicable, but prior to the corresponding payment date for such dividend, the Holder of such shares as of such Dividend Record Date or Participating Dividend Record Date, as applicable, shall be entitled to receive such Annual Dividend or Participating Dividend, respectively, notwithstanding the conversion of such shares prior to the applicable Dividend Payment Date or Participating Dividend Record Date, as applicable; *provided* that the amount of such Annual Dividend or Participating Dividend shall not be included for the purpose of determining the amount of Accrued Dividends under Section 7(a) or Section 8, as applicable, with respect to such Conversion Date.

(f) **Dividends on Senior Stock and Parity Stock.** Subject to the provisions of this Certificate of Designations, dividends may be declared by the Board or any duly authorized committee thereof on any Senior Stock and/or Parity Stock from time to time. When Accrued Dividends on shares of the Series A Preferred Stock have not been paid in full, no dividends may be declared or paid on any shares of Parity Stock unless all Accrued Dividends are paid in full on the shares of Series A Preferred Stock. Thereafter, if declared by the Board of Directors, dividends shall be declared on the shares of Series A Preferred Stock such that the respective amounts of such dividends declared on the shares of Series A Preferred Stock (including Accrued Dividends) and such shares of Parity Stock shall be allocated pro rata among the Holders of the shares of the Series A Preferred Stock and the holders of any shares of Parity Stock then outstanding.

(g) **Dividends on Common Stock.** In the case of any dividends on the Common Stock for any Dividend Payment Period, if Holders of the Series A Preferred Stock would receive an amount, assuming such Holders participated in such dividends as if they held a number of shares of Common Stock equal to the Conversion Rate multiplied by the number of shares of Series A Preferred Stock held by such Holders, that exceeds the Annual Dividends on such Series A Preferred Stock during such Dividend Payment Period, then, in addition to Annual Dividends pursuant to this Section 4, an amount equal to such excess dividend or distribution shall be declared and paid on the Series A Preferred Stock (such dividend or distribution on the Series A Preferred Stock, a “**Participating Dividend**”), as and when such dividend is paid with respect to the Common Stock and using the same Record Date as is used for the Common Stock (the record date for any such dividend, a “**Participating Dividend Record Date**”).

SECTION 5 **Liquidation Rights.**

11

(a) **Liquidation.** In the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company, other than a Change of Control, the Holders shall be entitled, out of assets legally available therefor, before any distribution or payment out of the assets of the Company may be made to or set aside for the holders of any Junior Stock, and subject to the rights of the holders of any Senior Stock or Parity Stock and the rights of the Company’s existing and future creditors, to receive in full a liquidating distribution in cash in the amount per share of Series A Preferred Stock equal to greater of (i) the Liquidation Preference and (ii) the amount per share of Series A Preferred Stock that such Holders would have received had such Holders, immediately prior to such liquidation, dissolution or winding up, converted such shares of Series A Preferred Stock into Common Stock pursuant to Section 7. After the payment in full of the amounts provided for in this Section 5, the Holders shall not be entitled to any further payments and will have no right or claim to any of the Company’s remaining assets in respect of their ownership of Series A Preferred Stock.

(b) **Partial Payment.** If in connection with any distribution described in Section 5(a) above, the assets of the Company or proceeds therefrom are not sufficient to pay in full the aggregate liquidating distributions required to be paid pursuant to Section 5(a) to all Holders and the liquidating distributions payable all holders of any Parity Stock, the amounts distributed to the Holders and to the holders of all such Parity Stock shall be paid pro rata in accordance with the respective aggregate liquidating distributions to which they would otherwise be entitled if all amounts payable thereon were paid in full.

SECTION 6 **Change of Control.**

(a) Promptly upon entry into a definitive agreement that provides for a Change of Control (but in no event less than five (5) Business Days prior to consummating a Change of Control), the Company shall provide written notice thereof to the Holders.

(b) If a Cash Change of Control occurs, then, notwithstanding anything to the contrary herein, and except upon (x) the consent of the Company and (y) the vote or consent of Holders of a majority of the shares of Series A Preferred Stock outstanding at such time, voting together as a separate class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, the Company shall redeem all (but not less than all) of the Holders’ Series A Preferred Stock at a price per share equal to the greater of (A) the Liquidation Preference and (B) the amount per share of Series A Preferred Stock that such Holders would have received had such Holders, immediately prior to such Cash Change of Control, converted such shares of Series A Preferred Stock into Common Stock pursuant to Section 7, which redemption shall be made on the same day as (and contemporaneously with) the consummation of such Cash Change of Control and shall be paid in cash. After the payment in full of the amounts provided for in this Section 6(b), the Holders shall not be entitled to any further payments and will have no right or claim to any of the Company’s remaining assets in respect of their ownership of Series A Preferred Stock.

(c) If a Non-Cash Change of Control occurs and the Company will not be the surviving Person upon the consummation of such Non-Cash Change of Control or the Company will be the surviving Person but the Common Stock will no longer be listed or admitted to trading on a national securities exchange, then, notwithstanding anything to the contrary herein, and except

upon (x) the consent of the Company and (y) the vote or consent of the Holders of a majority of the shares of Series A Preferred Stock outstanding at such time, voting together as a separate class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, the Company will deliver or cause to be delivered to the Holders, in exchange for each Holder's shares of Series A Preferred Stock, a security in the surviving Person or the parent of the surviving Person that has rights, preferences and privileges substantially similar to the Series A Preferred Stock, including, for the avoidance of doubt, the right to dividends equal in amount and timing to those provided in Section 4, a liquidation preference equal to the Liquidation Preference as of such time and a conversion rate proportionately adjusted such that the conversion of such security in the surviving Person or parent of the surviving Person immediately following the consummation of such Non-Cash Change of Control would entitle the Holder to the number of securities of such Person (together with a number of securities of equivalent value to any other assets received by holders of Common Stock in such Non-Cash Change of Control) which, if a share of Series A Preferred Stock had been converted into Common Stock immediately prior to such Non-Cash Change of Control, such Holder would have been entitled to receive immediately following such Non-Cash Change of Control (such security in the surviving Person, a "**Substantially Equivalent Security**"); provided, however, that if the Company is unable to deliver or cause to be delivered Substantially Equivalent Securities to any Holder in connection with such Non-Cash Change of Control, the Company shall redeem all (but not less than all) of such Holder's Series A Preferred Stock at a price per share equal to the greater of (A) the Liquidation Preference and (B) the fair market value as determined in good faith by the Board of the consideration per share of Series A Preferred Stock that such Holders would have received had such Holders, immediately prior to such Non-Cash Change of Control, converted such shares of Series A Preferred Stock into Common Stock pursuant to Section 7, which redemption shall be made on the same day as (and contemporaneously with) the consummation of such Non-Cash Change of Control and shall be paid in cash.

(d) If a Change of Control occurs that is not a Cash Change of Control or a Non-Cash Change of Control then, notwithstanding anything to the contrary herein, and except upon (x) the consent of the Company and (y) the vote or consent of the Holders of a majority of the shares of Series A Preferred Stock outstanding at such time, voting together as a separate class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, the Company will deliver or cause to be delivered to the Holders, in exchange for each Holder's shares of Series A Preferred Stock:

(i) the amount in cash per share of Series A Preferred Stock that such Holders would have received had such Holders, immediately prior to such Change of Control, converted such shares of Series A Preferred Stock into Common Stock pursuant to Section 7; and

(ii) a Substantially Equivalent Security; provided, that (A) the original issue price of such Substantially Equivalent Security in the surviving Person or parent of the surviving Person shall take into account (and be reduced by) the amount in cash per share of Series A Preferred Stock paid to such Holder pursuant to Section 6(d)(i), and (B) the conversion rate of such Substantially Equivalent Security shall be adjusted such that the conversion of such security in the surviving Person or parent of the surviving Person immediately following the consummation of such Change of Control would entitle the Holder to the number of securities of such Person (together with a number of securities of equivalent value to any other assets received by holders

of Common Stock in such Change of Control) which, if a share of Series A Preferred Stock had been converted into Common Stock immediately prior to such Change of Control, such Holder would have been entitled to receive immediately following such Change of Control; provided, further, that if the Company is unable to deliver or cause to be delivered Substantially Equivalent Securities to any Holder in connection with a Change of Control that is not a Cash Change of Control or a Non-Cash Change of Control, the Company shall redeem all (but not less than all) of such Holder's Series A Preferred Stock at a price per share equal to the greater of (A) the Liquidation Preference and (B) the fair market value as determined in good faith by the Board of the consideration per share of Series A Preferred Stock that such Holders would have received had such Holders, immediately prior to such Change of Control, converted such shares of Series A Preferred Stock into Common Stock pursuant to Section 7, which redemption shall be made on the same day as (and contemporaneously with) the consummation of such Change of Control and shall be paid in cash.

(e) If a Change of Control occurs that is not a Cash Change of Control or a Non-Cash Change of Control and the kind or amount of securities, cash and other property receivable upon such Change of Control is not the same for each share of Common Stock held immediately prior to such Change of Control by a Person, then, for purposes of Section 6(d), the kind and amount of securities, cash and other property receivable upon conversion of shares of Series A Preferred Stock following such Change of Control will be deemed to be the weighted average of the types and amounts of consideration received by the holders of Common Stock in connection with such Change of Control.

SECTION 7 **Right of the Holders to Convert**

(a) Each Holder shall have the right, at such Holder's option, subject to the conversion procedures set forth in Section 7(b), to convert each share of such Holder's Series A Preferred Stock at any time into a number of shares of Common Stock equal to the Conversion Rate; provided that each Holder shall receive cash in lieu of fractional shares as set out in Section 10(h). The right of conversion may be exercised as to all or any portion of such Holder's Series A Preferred Stock from time to time; provided that, in each case, no right of conversion may be exercised by a Holder in respect of fewer than 25,000 shares of Series A Preferred Stock (unless such conversion relates to all shares of Series A Preferred Stock held by such Holder).

(b) A Holder must do each of the following in order to convert shares of Series A Preferred Stock pursuant to this Section 7:

(i) complete and manually sign the conversion notice provided by the Conversion Agent, a form of which is attached hereto as Exhibit A (the "**Conversion Notice**"), and deliver such notice to the Conversion Agent;

(ii) deliver to the Conversion Agent the certificate or certificates (if any) representing the shares of Series A Preferred Stock to be converted;

(iii) if required, furnish appropriate endorsements and transfer documents; and

(iv) if required, pay any stock transfer, documentary, stamp or similar taxes not payable by the Company pursuant to Section 18.

SECTION 8 **Automatic Conversion**. Each share of Series A Preferred Stock shall automatically be converted (an "**Automatic Conversion**"), without any further action by the Holder of such share of Series A Preferred Stock, into a number of shares of Common Stock equal to the Conversion Rate if the Parent Conversion Stock Price equals or exceeds \$10.00 on any twenty (20) Trading Days (which may be consecutive or nonconsecutive) within any consecutive thirty (30) Trading Day period that ends no earlier than the last day of the Restricted Period for such share of Series A Preferred Stock (an "**Automatic Conversion Event**").

SECTION 9 **Conversion Procedures and Effect of Conversion**

(a) **Effect of Conversion**. Effective immediately prior to the close of business on the Conversion Date applicable to any shares of Series A Preferred Stock, Annual Dividends shall no longer accrue or be declared on any such shares of Series A Preferred Stock, such shares of Series A Preferred Stock shall cease to be outstanding and the corresponding shares of Common Stock pursuant to the conversion shall be issued and outstanding.

(b) Record Holder of Underlying Securities as of Conversion Date. The Person or Persons entitled to receive the Common Stock and, to the extent applicable, cash, securities or other property issuable upon conversion of Series A Preferred Stock on a Conversion Date shall be treated for all purposes as the record holder(s) of such shares of Common Stock and/or cash, securities or other property as of the close of business on such Conversion Date. As promptly as practicable on or after the Conversion Date and, if applicable, compliance by the applicable Holder with the relevant procedures contained in Section 7(b) (and in any event no later than three (3) Trading Days thereafter; *provided however* that, if a written notice from the Holder in accordance with Section 7(b)(i) specifies a date of delivery for any shares of Common Stock, such shares shall be delivered on the date so specified, which shall be no earlier than the second (2nd) Business Day immediately following the date of such notice and no later than the seventh (7th) Business Day thereafter), the Company shall issue the number of whole shares of Common Stock issuable upon conversion (and deliver payment of cash in lieu of fractional shares as set out in Section 10(h)) and, to the extent applicable, any cash, securities or other property issuable thereon. Such delivery of shares of Common Stock, securities or other property shall be made by book-entry or, at the request of the Holder, by delivering a notice to the Conversion Agent, through the facilities of The Depository Trust Company or, subject to Section 17, in certificated form. Any such certificate or certificates shall be delivered by the Company to the appropriate Holder on a book-entry basis, through the facilities of The Depository Trust Company, or by mailing certificates evidencing the shares to the Holders, in each case at their respective addresses as set forth in the Conversion Notice (in the case of a conversion pursuant to Section 7(a)) or in the records of the Company (in the case of an Automatic Conversion). In the event that a Holder shall not by written notice designate the name in which shares of Common Stock (and payments of cash in lieu of fractional shares) and, to the extent applicable, cash, securities or other property to be delivered upon conversion of shares of Series A Preferred Stock should be registered or paid, or the manner in which such shares, cash, securities or other property should be delivered, the Company shall be entitled to register and deliver such shares, securities or other property, and make such payment, in the name of the Holder and in the manner shown on the records of the Company.

15

(c) Status of Converted or Reacquired Shares. Shares of Series A Preferred Stock converted in accordance with this Certificate of Designations, or otherwise acquired by the Company or any of its Subsidiaries in any manner whatsoever, shall not be reissued as shares of Series A Preferred Stock and shall be retired promptly after the conversion or acquisition thereof. All such shares shall, upon their retirement and any filing required by the DGCL, become authorized but unissued shares of Preferred Stock, without designation as to series until such shares are once more designated as part of a particular series by the Board pursuant to the provisions of the Certificate of Incorporation.

(d) Partial Conversion. In case any certificate for shares of Series A Preferred Stock shall be surrendered for partial conversion, the Company shall execute and deliver to or upon the written order of the Holder of the certificate so surrendered a new certificate for the shares of Series A Preferred Stock not converted.

(e) Reservation of Authorized Common Stock. The Company shall at all times reserve and keep available out of its authorized and unissued Common Stock, solely for issuance upon the conversion of the Series A Preferred Stock, such number of shares of Common Stock as shall from time to time be issuable upon the conversion of all the shares of Series A Preferred Stock then outstanding. The Company shall use its reasonable best efforts to maintain the listing on the NYSE of such number of shares of Common Stock as shall from time to time be issuable upon the conversion of all the shares of Series A Preferred Stock then outstanding. Any shares of Common Stock issued upon conversion of Series A Preferred Stock shall be duly authorized, validly issued, fully paid and nonassessable and will not be subject to preemptive rights or subscription rights of any other stockholder of the Company.

SECTION 10 Anti-Dilution Adjustments.

(a) Common Stock Dividends and Distributions. If the Company shall declare and pay a dividend or make a distribution on Common Stock payable in Common Stock, except where Holders of the Series A Preferred Stock participate, at the same time and upon the same terms as holders of Common Stock and solely as a result of holding shares of Series A Preferred Stock without having to convert their Series A Preferred Stock, as if they held a number of shares of Common Stock equal to the Conversion Rate multiplied by the number of shares of Series A Preferred Stock held by such Holders, the Conversion Factor shall be adjusted by multiplying such Conversion Factor by a fraction:

- (i) the numerator of which shall be the sum of the number of shares of Common Stock outstanding immediately prior to the record date for such dividend or distribution and the total number of shares of Common Stock constituting such dividend or distribution; and
- (ii) the denominator of which shall be the number of shares of Common Stock outstanding immediately prior to the record date for such dividend or distribution.

Any adjustment made pursuant to this Section 10(a) shall become effective immediately after the applicable record date.

16

(b) Subdivisions, Splits and Combinations of Common Stock. If the Company shall subdivide or split the outstanding shares of Common Stock into a greater number of shares or combine or reclassify the outstanding shares of Common Stock into a smaller number of shares, the Conversion Factor shall be adjusted by multiplying such Conversion Factor by a fraction:

- (iii) the numerator of which shall be the number of shares of Common Stock outstanding immediately after such subdivision, split, combination or reclassification; and
- (iv) the denominator of which shall be the number of shares of Common Stock outstanding immediately prior to such subdivision, split, combination or reclassification.

Any adjustment made pursuant to this Section 10(b) shall become effective immediately after the applicable effective date.

(c) Calculation of Adjustments. All adjustments to the Conversion Factor shall be calculated by the Company to the nearest 1/10,000th of one share of Common Stock (or if there is not a nearest 1/10,000th of a share, to the next lower 1/10,000th of a share).

(d) When No Adjustment Required. (i) Except as otherwise provided in this Section 10, the Conversion Factor will not be adjusted for the issuance of Common Stock or any securities convertible into or exchangeable for Common Stock or carrying the right to purchase any of the foregoing, or for the repurchase of Common Stock.

(i) Except as otherwise provided in this Section 10, the Conversion Factor will not be adjusted as a result of the issuance of, the distribution of separate certificates representing, the exercise or redemption of, or the termination or invalidation of, rights pursuant to any stockholder rights plans.

(e) Successive Adjustments. After an adjustment to the Conversion Factor under this Section 10, any subsequent event requiring an adjustment under this Section 10 shall cause an adjustment to each such Conversion Factor as so adjusted.

(f) Notice of Adjustments. Whenever any event of the type described in this Section 10 has occurred, the Company shall as soon as reasonably practicable following the occurrence of an event (but no later than ten (10) Business Days thereafter) that requires such adjustment (or if the Company is not aware of such occurrence, as soon as reasonably practicable after becoming so aware):

(i) compute the adjusted applicable Conversion Factor in accordance with this Section 10 and prepare and transmit to the Conversion Agent an Officer's Certificate setting forth the applicable Conversion Factor, the method of calculation thereof, and the facts requiring such adjustment and upon which such adjustment is based; and

(ii) provide a written notice to the Holders of the occurrence of such event and a statement in reasonable detail setting forth the method by which the adjustment to the applicable Conversion Factor was determined and setting forth the adjusted applicable Conversion Factor.

17

(g) Conversion Agent. The Conversion Agent shall not at any time be under any duty or responsibility to any Holder to determine whether any facts exist that may require any adjustment of the Conversion Factor or with respect to the nature or extent or calculation of any such adjustment when made, or with respect to the method employed in making the same. The Conversion Agent shall be fully authorized and protected in relying on any Officer's Certificate delivered pursuant to this Section 10(g) and any adjustment contained therein and the Conversion Agent shall not be deemed to have knowledge of any adjustment unless and until it has received such certificate. The Conversion Agent shall not be accountable with respect to the validity or value (or the kind or amount) of any shares of Common Stock, or of any securities or property, that may at the time be issued or delivered with respect to any Series A Preferred Stock and the Conversion Agent makes no representation with respect thereto. The Conversion Agent shall not be responsible for any failure of the Company to issue, transfer or deliver any shares of Common Stock pursuant to the conversion of Series A Preferred Stock or to comply with any of the duties, responsibilities or covenants of the Company contained in this Section 10.

(h) Fractional Shares. No fractional shares of Common Stock will be delivered to the Holders upon conversion. In lieu of fractional shares otherwise issuable, the Holders will be entitled to receive an amount in cash equal to the fraction of a share of Common Stock multiplied by the Parent Conversion Stock Price on the Trading Day immediately preceding the applicable Conversion Date. In order to determine whether the number of shares of Common Stock to be delivered to a Holder upon the conversion of such Holder's shares of Series A Preferred Stock will include a fractional share, such determination shall be based on the aggregate number of shares of Series A Preferred Stock of such Holder that are being converted on any single Conversion Date.

SECTION 11 Reorganization Events.

(a) Reorganization Events. Subject to Section 8, in the event of:

(i) any reclassification, statutory exchange, merger, consolidation or other similar business combination of the Company with or into another Person, in each case, pursuant to which at least a majority of the Common Stock is changed or converted into, or exchanged for, cash, securities or other property of the Company or another Person; or

(ii) any statutory exchange of securities of the Company with another Person (other than in connection with a merger or acquisition) or reclassification, recapitalization or reorganization of the Common Stock into other securities,

in each case, other than a Change of Control or the voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company (each of which is referred to as a "Reorganization Event"), each share of Series A Preferred Stock outstanding immediately prior to such Reorganization Event will, without the consent of the Holders and subject to Section 11(d) and Section 12(b), remain outstanding but shall become convertible into, in accordance with Section 7 and Section 8, the number, kind and amount of securities, cash and other property (the "Exchange Property") (without any interest on such Exchange Property and without any right to dividends or distributions on such Exchange Property which have a record date that is prior to the applicable Conversion Date) that the Holder of such share of Series A Preferred Stock would have received in such Reorganization Event had such Holder converted its shares of Series A Preferred Stock

18

into the applicable number of shares of Common Stock immediately prior to the effective date of the Reorganization Event using the Conversion Rate applicable immediately prior to the effective date of the Reorganization Event. If the kind or amount of securities, cash and other property receivable upon such Reorganization Event is not the same for each share of Common Stock held immediately prior to such Reorganization Event by a Person, then for the purpose of this Section 11(a), the kind and amount of securities, cash and other property receivable upon conversion following such Reorganization Event will be deemed to be the weighted average of the types and amounts of consideration received by the holders of Common Stock. The rights, preferences, privileges and voting power of the Series A Preferred Stock immediately prior to the effective date of a Reorganization Event shall not be affected by such Reorganization Event.

(b) Successive Reorganization Events. The above provisions of this Section 11 shall similarly apply to successive Reorganization Events and the provisions of Section 10 shall apply to any shares of Capital Stock (as though such Capital Stock were Common Stock) received by the holders of the Common Stock in any such Reorganization Event.

(c) Reorganization Event Notice. The Company (or any successor) shall, no less than thirty (30) days prior to the anticipated effective date of any Reorganization Event, provide written notice to the Holders of such occurrence of such event and of the kind and amount of the cash, securities or other property that constitutes the Exchange Property. Failure to deliver such notice shall not affect the operation of this Section 11.

(d) Reorganization Event Agreements. The Company shall not enter into any agreement for a transaction constituting a Reorganization Event unless (i) such agreement provides for or does not interfere with or prevent (as applicable) conversion of the Series A Preferred Stock into the Exchange Property in a manner that is consistent with and gives effect to this Section 11, and (ii) to the extent that the Company is not the surviving corporation in such Reorganization Event or will be dissolved in connection with such Reorganization Event, proper provision shall be made in the agreements governing such Reorganization Event for the conversion of the Series A Preferred Stock into stock of the Person surviving such Reorganization Event or such other continuing entity in such Reorganization Event.

SECTION 12 Voting Rights.

(a) General. Holders of shares of Series A Preferred Stock shall be entitled to vote as a single class with the holders of the Common Stock and the holders of any other class or series of Capital Stock of the Company then entitled to vote with the Common Stock on all matters submitted to a vote of the holders of Common Stock (and, if applicable, holders of any other class or series of Capital Stock of the Company). The Holders shall be entitled to notice of any meeting of holders of Common Stock in accordance with the Certificate of Incorporation and Bylaws of the Company. Each Holder shall be entitled to the number of votes equal to the product, rounded down to the nearest integer, of (i) the number of whole shares of Common Stock into which all shares of Series A Preferred Stock could be converted pursuant to Section 7 multiplied by (ii) a fraction the numerator of which is the number of shares of Series A Preferred Stock held by such Holder and the denominator of which is the aggregate number of issued and outstanding shares of Series A Preferred Stock, in each case at and calculated as of the record date for the determination of stockholders entitled to vote or consent on such matters or, if no such record date is established,

19

at and as of the date such vote or consent is taken or any written consent of stockholders is first executed.

(b) **Adverse Changes.** In addition to, and not in limitation of, Section 12(a), the vote or consent of the Holders of a majority of the shares of Series A Preferred Stock outstanding at such time, voting together as a separate class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, will be necessary for, directly or indirectly, effecting or validating any of the following actions, whether or not such approval is required pursuant to the DGCL:

(i) any amendment, waiver, alteration or repeal (whether by merger, consolidation or otherwise) of any provision of the Certificate of Incorporation (including this Certificate of Designations) or Bylaws that would have an adverse effect on the rights, preferences, privileges or voting power of the Series A Preferred Stock (for the avoidance of doubt, neither (i) an adverse effect on the rights, preferences, privileges or voting power of the Common Stock or (ii) the authorization or issuance of any Junior Stock of the Company, shall, in either case, be deemed to be an adverse effect on the rights, preferences, privileges or voting power of the Series A Preferred Stock);

(ii) any increase or decrease in the authorized number of shares of Series A Preferred Stock, any Parity Stock or any Senior Stock or issuance of shares of Series A Preferred Stock, any Parity Stock or any Senior Stock or any securities or rights convertible or exchangeable into, or exercisable for the foregoing after the Issuance Date;

(iii) declare any dividend on, or make any distributions relating to, any Senior Stock and/or Parity Stock other than dividends or distributions on Senior Stock and/or Parity Stock expressly authorized herein; or

(iv) any agreement or commitment to do or take any action described in this Section 12(b);

For purposes of this Section 12(b), the filing in accordance with applicable law of a certificate of designations or any similar document setting forth or changing the designations, powers, preferences, rights, qualifications, limitations and restrictions of any class or series of stock of the Company shall be deemed an amendment to the Certificate of Incorporation.

(c) **Regulated Holders.**

(i) Notwithstanding anything to the contrary herein, any Regulated Holder shall not be entitled to participate in any vote or consent under Subsection 12(b) of this Certificate of Designations and shares of Series A Preferred Stock held by any Regulated Holder shall not be counted for purposes of determining whether any such vote or consent has been approved by the requisite percentage of voting securities or be counted towards any quorum or outstanding share threshold with respect to any such vote or consent (the "**Voting Limitation**"), *provided*, that the Voting Limitation shall not apply with respect to any vote or consent required pursuant to:

20

(A) Subsection 12(b)(i) (solely to the extent such amendment, waiver, alteration or repeal would significantly and adversely affect the rights, preferences, privileges or powers of the Series A Preferred Stock (for the avoidance of doubt, the authorization or issuance of any Junior Stock or Parity Stock of the Company shall not be deemed to significantly and adversely affect the rights, preferences, privileges or powers of the Series A Preferred Stock));

(B) Subsection 12(b)(ii) (solely with respect to any increase or decrease in the authorized number of shares of any Senior Stock or any issuance of shares of any Senior Stock or any securities or rights convertible or exchangeable into, or exercisable for shares of any Senior Stock); and

(C) Subsection 12(b)(iv) (but only with respect to matters for which the Voting Limitation would not apply pursuant to (A) and (B) above).

(ii) Shares of Series A Preferred Stock held by any Regulated Holder shall remain subject to the Voting Limitation upon BHCA Transfer to any BHCA Transferee, unless and until they are BHCA Transferred to a Permitted Regulatory Transferee.

(iii) Notwithstanding anything to the contrary herein, in order to be effective against it, no provision of this Section 12(c) may be amended, modified, waived or repealed without the prior written consent of the applicable Regulated Holder.

(d) Subject to Section 12(c), each Holder of Series A Preferred Stock will have one vote per share on any matter on which Holders of Series A Preferred Stock are entitled to vote separately as a class, whether at a meeting or by written consent.

(e) For the avoidance of doubt and notwithstanding anything to the contrary in the Certificate of Incorporation or Bylaws of the Company (other than Section 12(c) hereof), the Holders of Series A Preferred Stock shall have the exclusive consent and voting rights set forth in Section 12(b) and may take action or consent to any action with respect to such rights without a meeting by delivering a consent in writing or by electronic transmission of the Holders of the Series A Preferred Stock entitled to cast not less than the minimum number of votes that would be necessary to authorize, take or consent to such action at a meeting of stockholders.

SECTION 13 Transfer Restrictions. The shares of Series A Preferred Stock that are issued to the Holders in connection with the transactions contemplated by the Merger Agreement shall be subject to the lock-up provisions set forth in Section [2.16] of the Merger Agreement.

SECTION 14 Term. Except as expressly provided in this Certificate of Designations, the shares of Series A Preferred Stock shall not be redeemable or otherwise mature and the term of the Series A Preferred Stock shall be perpetual.

SECTION 15 No Sinking Fund. Shares of Series A Preferred Stock shall not be subject to or entitled to the operation of a retirement or sinking fund.

SECTION 16 Transfer Agent, Conversion Agent, Registrar and Paying Agent. The duly appointed Transfer Agent, Conversion Agent, Registrar and paying agent for the Series A Preferred Stock shall be [Continental Stock Transfer and Trust Company]. The Company may, in

21

its sole discretion, appoint any other Person to serve as Transfer Agent, Conversion Agent, Registrar or paying agent for the Series A Preferred Stock and thereafter may remove or replace such other Person at any time. Upon any such appointment or removal, the Company shall send notice thereof to the Holders.

SECTION 17 Certificates.

(a) The Series A Preferred Stock shall be uncertificated, *provided* that the Board by resolution may provide that some or all of the shares of Series A Preferred Stock shall be represented by certificates. Certificates for the shares of Series A Preferred Stock, if any, shall be in such form as is consistent with the Certificate of Incorporation and applicable law. Every holder of Series A Preferred Stock represented by a certificate shall be entitled to have a certificate signed by, or in the name of the Company by, any two officers authorized to sign stock certificates representing the number of shares registered in certificate form. The chairperson or vice chairperson of the Board, the president, vice president, the treasurer, any assistant treasurer, the secretary or any assistant secretary of the Company shall be specifically authorized to sign stock certificates. Any or all of the signatures on the certificate may be a facsimile. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has

been placed upon a certificate has ceased to be such officer, transfer agent or registrar before such certificate is issued, it may be issued by the Company with the same effect as if he or she were such officer, transfer agent or registrar at the date of issue. The Company shall not have power to issue a certificate in bearer form.

(b) The Company may issue a new certificate of Series A Preferred Stock or uncertificated shares in the place of any certificate theretofore issued by it, alleged to have been lost, stolen or destroyed, and the Company may require the owner of the lost, stolen or destroyed certificate, or such owner's legal representative, to give the Company a bond sufficient to indemnify it against any claim that may be made against it on account of the alleged loss, theft or destruction of any such certificate or the issuance of such new certificate or uncertificated shares.

SECTION 18 Taxes.

(a) **Withholding.** The Company and its paying agent shall be entitled to deduct or withhold on all applicable payments made to the relevant Holder such amounts as the Company reasonably determines are required to be deducted or withheld therefrom under any provision of applicable law (and, to the extent such amounts are paid to the relevant taxing authority in accordance with applicable law, such amounts will be treated for all purposes of this Certificate of Designations as having been paid to the Person in respect of which such withholding was made); *provided*, that if the Company determines that an amount is required to be deducted or withheld on any payment with respect to any Holder, the Company shall provide reasonable prior notice to such Holder in writing of its intent to deduct or withhold taxes on such payment and will reasonably cooperate with such Holder in obtaining any available exemption or reduction of such withholding. The Company shall have the right to take measures necessary to obtain cash to satisfy the Company's withholding requirements with respect to any non-cash, deemed or constructive payment, dividend or distribution to the Holders, including by retaining, selling or liquidating property of the applicable Holders held by the Company in its custody or over which it has control. Each Holder shall indemnify the Company and its affiliates for, and hold harmless the Company

22

and its affiliates from and against, any and all withholding tax, including penalties and interest, payable by or assessed against the Company or any of its affiliates in respect of the Capital Stock held by such Holder.

(b) **Tax Treatment.**

(i) The parties intend to treat any conversion by a Holder of Series A Preferred Stock into Common Stock pursuant to Section 7 or Section 8 hereof as a recapitalization described in Section 368(a)(1)(E) of the Code, and neither the Company nor a Holder shall take any position contrary to such treatment in any audit or other proceeding or otherwise unless required pursuant to a "determination" within the meaning of Section 1313(a) of the Code.

(ii) It is intended that the Series A Preferred Stock shall not be treated as "preferred stock" for purposes of Section 305 or Section 351(g)(3) of the Code and the Treasury Regulations promulgated thereunder, and neither the Company nor a Holder shall take any position contrary to such treatment in any audit or other proceeding or otherwise unless required pursuant to a "determination" within the meaning of Section 1313(a) of the Code.

SECTION 19 Notices. All notices referred to herein shall be in writing and, unless otherwise specified herein, all notices hereunder shall be deemed to have been given upon the earlier of receipt thereof or three (3) Business Days after the mailing thereof if sent by registered or certified mail with postage prepaid, or by private courier service addressed: (i) if to the Company, to its office at MoneyLion Inc., 30 W 21st Street, Floor 9, New York, New York, 10010 Attention: Corporate Secretary (legal@moneylion.com)), (ii) if to any Holder, to such Holder at the address of such Holder as listed in the stock record books of the Company (which may include the records of the Transfer Agent) or (iii) to such other address as the Company or any such Holder, as the case may be, shall have designated by notice similarly given.

SECTION 20 Facts Ascertainable. When the terms of this Certificate of Designations refer to a specific agreement or other document to determine the meaning or operation of a provision hereof, the Secretary of the Company shall maintain a copy of such agreement or document at the principal executive offices of the Company and a copy thereof shall be provided free of charge to any Holder who makes a request therefor. The Secretary of the Company shall also maintain a written record of the Issuance Date, the number of shares of Series A Preferred Stock issued to a Holder and the date of each such issuance, and shall furnish such written record free of charge to any Holder who makes a request therefor.

SECTION 21 Waiver. Notwithstanding any provision in this Certificate of Designations to the contrary, any provision contained herein and any right of the Holders of shares of Series A Preferred Stock granted hereunder may be waived as to all shares of Series A Preferred Stock (and the Holders thereof) upon the vote or written consent of the Holders of a majority of the shares of Series A Preferred Stock then outstanding.

SECTION 22 Severability. If any term of the Series A Preferred Stock set forth herein is invalid, unlawful or incapable of being enforced by reason of any rule of law or public policy, all other terms set forth herein which can be given effect without the invalid, unlawful or

23

ARTICLE 2
Covenants of the Equityholder

Section 2.01. *Agreement to Consent.* The Equityholder hereby agrees that, by no later than 12:00 p.m. on the day immediately following the date hereof, the Equityholder shall execute and deliver to the Company a duly executed counterpart of the Written Consent. The Equityholder further agrees that, following the delivery of its counterpart of the Written Consent, the Equityholder will not take any action to withdraw, modify, revoke or otherwise challenge the effectiveness of the Written Consent.

Section 2.02. *Binding Effect of Merger Agreement.* The Equityholder hereby represents that it has read the Merger Agreement and this Agreement, has had the opportunity to consult

2

with its tax and legal advisors and fully understands all of the provisions of the Merger Agreement and this Agreement, including that the consummation of the Merger is subject to the conditions set forth therein, and so there can be no assurance that the Merger will be consummated. The Equityholder acknowledges and agrees to be bound by (and consents to) each of the provisions of the Merger Agreement applicable to equityholders of the Company as if the Equityholder were a party to the Merger Agreement as an Equityholder (including Sections 2.16, 5.10, 10.02, 10.10 and 11.01 of the Merger Agreement).

Section 2.03. *Restrictions on Transfers.* From the date of this Agreement until the earlier of the Closing and the Expiration Date, the Equityholder shall not, and shall cause its Affiliates not to, Transfer any of the Covered Equity Interests, Beneficial Ownership thereof or any other interest therein (including any voting power with respect thereto) unless such Transfer is with the prior written consent of Parent. Any Transfer in violation of this provision shall be void *ab initio*.

Other than as set forth in the Voting Agreement, the Equityholder hereby represents that all proxies, powers of attorney, instructions or other requests given by the Equityholder prior to the execution of this Agreement in respect of the voting of the Covered Equity Interests, if any, are not irrevocable and the Equityholder hereby revokes (and shall cause to be revoked) any and all previous proxies, powers of attorney, instructions or other requests with respect to the Covered Equity Interests.

Section 2.05. *Existing Contracts.* The Equityholder, on behalf of itself and its Affiliates (to the extent applicable), hereby irrevocably and unconditionally waives, conditioned upon the Closing and effective as of the Effective Time, any rights, including voting rights, rights of first offer, co-sale rights, registration rights and related notice rights, granted pursuant to (i) the Voting Agreement, (ii) that certain Third Amended and Restated Right of First Refusal and Co-Sale Agreement, made as of July 2, 2019, by and among the Company and the other Persons party thereto, (iii) the Investors’ Rights Agreement, with respect to the transactions contemplated by this Agreement, the Merger Agreement and the other Transaction Documents (including the Merger), and (iv) any Terminated Related Party Contract listed on Exhibit A hereto (“**Terminated Related Party Contracts**”), applicable to the Equityholder. For the avoidance of

3

doubt, any indemnification agreement by and between any Acquired Company and its current or former directors, officers or employees that is disclosed on Section 3.09(a)(x) of the Company Disclosure Schedule shall continue to remain in full force and effect.

Section 2.06. *Non-Solicitation.* The Equityholder hereby acknowledges and agrees that for a period of three years after the Closing (the “**Restricted Period**”) the Equityholder shall not, and shall cause its Affiliates and Representatives not to, directly or indirectly, on the Equityholder’s behalf:

(a) hire, solicit, persuade or induce to leave, or attempt to do any of the foregoing with respect to, any person who (A) is employed by the Company or any of its Subsidiaries (x) whose annual base compensation is at least \$200,000 or (y) with the title of “Director” or higher or (B) is performing services as an independent contractor for the Company or any of its Subsidiaries and is entitled to payment on account of such services of at least \$200,000, in each case, as of or following the Closing; *provided, however,* that the provisions of this Section 2.06(a) shall not prohibit the recruitment, solicitation, engagement as an independent contractor or hiring of any person who was not employed by or providing services to the Company or any of their respective Subsidiaries within six months prior to such recruitment, solicitation, engagement or hiring; *provided, further,* that, with respect to any Equityholder that is an institutional investor, the provisions of this Section 2.06(a) shall only apply to the Equityholder and its Affiliates and Representatives to the extent that the Persons taking such actions contemplated by this Section 2.06(a) are the Persons responsible for managing the Equityholder’s investment in the Company and its Subsidiaries or who are acting in concert with, or on the basis of information provided by, the Persons responsible for managing the Equityholder’s investment in the Company and its Subsidiaries; or

(b) solicit, persuade or induce, or attempt to do any of the foregoing, any current client, customer, vendor, business partner, distributor, supplier or other business relation of the Company or any of its Subsidiaries to terminate or materially reduce in scope such Person’s relationship with the Company or any of its Subsidiaries; *provided,* that the provisions of this Section 2.06(b) shall not apply to any Equityholder that is an institutional investor.

As used in this Section 2.06, the term “solicit” shall not be deemed to include general advertising or general solicitation not specifically targeted at any employee or independent contractor of the Company or any of their respective Subsidiaries.

Section 2.07. *Non-Competition.* The Equityholder hereby acknowledges and agrees that during the Restricted Period, the Equityholder shall not, directly or indirectly, be employed by or otherwise provide services for, including, but not limited to, as a consultant, independent contractor or in any other capacity, or own or invest in (other than ownership for investment purposes of less than five percent (5%) of a publicly traded company) any company or other entity or organization that, directly or indirectly, engages, operates or is involved in the business of the Company or any of its respective Subsidiaries as of the Closing or that they are actively, as of Closing, in the process of considering and that are known or made known to the Equityholder (the “**Business**”). Notwithstanding this foregoing Section 2.07, the Equityholder may be employed by, or engage in another service relationship with, a company or other entity or organization that, directly or indirectly, engages, operates or is involved in the Business;

4

provided, that such company or other entity or other organization does not itself, directly or indirectly, engage, operate and is not involved in the Business and the Equityholder does not, directly or indirectly, engage, operate and is not involved in the Business during such employment or relationship.

Section 2.08. *Duty to Cooperate; Further Assurance.* ii) During the Restricted Period, from time to time, at Parent’s reasonable request and without further consideration, the Equityholder agrees to cooperate with Parent, at Parent’s sole cost and expense, in making all filings and obtaining all consents and to execute and deliver such additional documents and take all such further actions as may be necessary or desirable to effect the actions contemplated by this Agreement or the Merger Agreement.

(b) The Equityholder hereby waives, and agrees not to exercise, any right to dissent or appraisal or any similar provision under Applicable Law (including

pursuant to the DGCL) in connection with the Merger and the other transactions contemplated by the Merger Agreement, including any notice requirements.

Section 2.09. *Access to Information.* During the Restricted Period, the Equityholder shall, and shall cause its Affiliates to, provide any information in the Equityholder's possession reasonably requested by Parent or any of its Affiliates or Representatives, at Parent's sole cost and expense and at mutually convenient times, (i) with respect to any period ending on or before the Closing Date and relating to the Acquired Companies or (ii) to the extent necessary or useful for Parent in connection with any audit, investigation, dispute or any other reasonable business purpose relating to the Company. Any request for data or other information pursuant to this Section 2.09 shall be made or conducted in such manner as not to (w) interfere unreasonably with the conduct of the business of Equityholder or the Company, (x) violate any confidentiality obligation with respect to such information, (y) result in the loss of any attorney-client privilege of the Equityholder or (z) violate any Applicable Law relating to the exchange of information; *provided*, that prior to withholding any information pursuant to the foregoing, the Equityholder shall notify Parent in writing of the nature of the information being withheld and take any actions as may reasonably be requested by Parent to implement alternate arrangements (including entering into confidentiality agreements or joint defense agreements and redacting parts of documents or preparing "clean" summaries of information) in order to allow Parent such information to the fullest extent reasonably practicable under the circumstances.

Section 2.10. *Release.* Effective upon the Closing, the Equityholder, on behalf of itself and her, his or its Affiliates (other than the Acquired Companies) and their respective successors and assigns (collectively, the "**Covered Person Releasers**"), hereby irrevocably waives, acquits, remises, discharges and forever releases each of Parent, the Company and their respective Subsidiaries and Representatives (collectively, the "**Company Parties**"), from any and all liabilities and obligations to the Covered Person Releasers of any kind or nature whatsoever, in each case whether absolute or contingent, liquidated or unliquidated, known or unknown, matured or unmatured or determined or determinable, and whether arising under any law, contract, agreement, arrangement, commitment, undertaking or understanding, whether written or oral, or otherwise at law or in equity, to the extent arising out of (a) any alleged inaccuracy or miscalculations in the Allocation Schedule, (b) the approval or consummation of the transactions contemplated hereby or by the Merger Agreement or any other Transaction Document, including

5

any alleged breach of any duty by any officer, manager or director of any of the Acquired Companies or holder or other owner of Equity Securities of Parent or any of its Subsidiaries (including the Acquired Companies) and (c) any facts, events or circumstances, or any actions taken by the Company Parties, occurring prior to the Closing, in the case of clause of (c), in the Equityholders' capacity as a holder of Equity Securities of the Company; *provided, however*, that notwithstanding the foregoing, nothing in this Section 2.10 shall be deemed a waiver or release of (i) claims under the terms of this Agreement, Merger Agreement or any of the other Transaction Documents against any of the parties thereto, (ii) any right to advancement or indemnification or similar right in favor of a D&O Indemnified Party pursuant to Section 8.06(a) of the Merger Agreement, or in favor of any other director or officer pursuant to any other agreement with the Company that is disclosed on Section 3.09(a)(x) of the Company Disclosure Schedule or the Company's certificate of incorporation or bylaws as in effect immediately prior to the execution of the Merger Agreement, or (iii) any ordinary course accrued liability or obligation incurred in connection with a Covered Person Releaser's employment by the Company prior to the Closing Date. Without limitation of the foregoing, the Equityholder (on behalf of his, her or its Covered Person Releasers) hereby waives the application of any provision of law, including California Civil Code Section 1542, that purports to limit the scope of a general release. Section 1542 of the California Civil Code provides:

"A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor."

The Equityholder (on behalf of his, her or its Covered Person Releasers) hereby acknowledges and agrees that if it or any of its Covered Person Releasers should hereafter make any claim or demand or commence or threaten to commence any action against any Company Party with respect to any claim released under this Section 2.10, this Section 2.10 may be raised as a complete bar to any such action, and the applicable Company Party may recover from the Equityholder all damages incurred in connection with such action, including reasonable attorneys' fees.

Section 2.11. *Confidentiality.* iii) From and after the Closing, the Equityholder shall not disclose or use, and shall cause its controlled Affiliates and its and their respective Representatives not to disclose or use, any Confidential Information, unless compelled to disclose by judicial or administrative process or by other requirements of Applicable Law (in which case the Equityholder shall use commercially reasonable efforts to (i) provide Parent with notice of such requirement prior to making any such disclosure to the extent permitted by Applicable Law and reasonably practicable under the circumstances so that Parent may seek a protective order or confidential treatment and (ii) cooperate in connection with Parent's efforts, at Parent's sole cost and expense, to obtain such protective order or confidential treatment). Notwithstanding the foregoing, any such Person may disclose such information (x) to its tax and financial advisors for purposes of complying with such Person's tax obligations or other reporting obligations under Applicable Law arising out of the Transaction Documents or the Merger and (y) to its legal counsel and accountants for the purpose of evaluating the legal and financial ramifications of the Transaction Documents or the Merger. As used in this Section 2.11, "**Confidential Information**" means any information regarding the business, operations and

6

affairs of the Acquired Companies (including trade secrets, confidential information and proprietary materials, which may include the following categories of information and materials: methods, procedures, computer programs and architecture, databases, customer information, lists and identities, employee lists and identities, pricing information, research, methodologies, contractual forms, and other information, whether tangible or intangible, which is not publicly available generally) accessed or possessed by the Equityholder before the Effective Time, except to the extent that such information can be reasonably demonstrated to (1) to have been or have become generally known to the public or in the public domain other than as a result of a disclosure in breach of this Agreement by the Equityholder or any of its Affiliates or any of their respective Representatives or (2) later lawfully acquired by the Equityholder on a non-confidential basis from sources other than Parent or any of its Subsidiaries, or any of its or their Representatives (or sources otherwise relating to the Company's prior ownership of the Acquired Companies), who are not known to be under an obligation of confidentiality with respect thereto.

(b) The Equityholder shall consult with Parent before issuing any press release, making any public statement or scheduling any press conference, conference call or meeting with investors or analysts with respect to this Agreement, the other Transaction Documents or the Merger and, except for any press releases or public statements the making of which is or is reasonably believed to be required by Applicable Law, and shall not issue any such press release, make any such other public statement or schedule any such press conference, conference call or meeting (i) without the prior written consent of Parent (which shall not be unreasonably withheld, conditioned or delayed) or (ii) unless otherwise permitted by the Merger Agreement; *provided*, that the restrictions set forth in this Section 2.11(b) shall not apply to any press release or public statement which is or is reasonably believed to be required by Applicable Law (in which case, the Equityholder shall use commercially reasonable efforts to provide advance notice to Parent of any such proposed disclosure to the extent permitted by Applicable Law and reasonably practicable under the circumstances and shall reasonably cooperate, at Parent's sole cost and expense, with any efforts by Parent to seek confidential treatment or obtain a protective order).

(c) Any violation of this Section 2.11 by any of the Equityholder's Affiliates shall be deemed to be a violation by the Equityholder of this Section 2.11.

Section 2.12. *Affiliate Contracts.* iv) From the date of this Agreement until the earlier of the Closing and the Expiration Date, except (i) as required by Applicable Law, (ii) as set forth in Section 3.22 of the Company Disclosure Schedules or (iii) as otherwise required by the Merger Agreement, the Equityholder shall not, and shall cause each of its Affiliates not to, enter into, terminate, renew, extend or amend any Affiliate Contract.

(b) Effective as of the Closing, the Equityholder, on behalf of itself and its Affiliates, hereby irrevocably consents to and approves the termination of any Affiliate Contract (other than any Excluded Arrangement), without any further Liability of the Acquired Companies.

Section 2.13. *Appointment of Equityholders' Representative.* By executing this Agreement, the Equityholder agrees and consents to the irrevocable appointment and constitution of Fortis Advisors LLC, a Delaware limited liability company (which, by execution of the Merger Agreement, shall accept such appointment) (subject to substitution in accordance with

Section 11.01 of the Merger Agreement), as the Equityholders' Representative and as the sole and exclusive agent and attorney-in-fact for and on behalf of the Equityholders (in their capacity as such), including the Equityholder, with full power of substitution, with all of the powers and authority contemplated by (i) the Merger Agreement, including Section 11.01 thereof, (ii) the Transaction Documents and (iii) the Exchange Agent Agreement. The Equityholder acknowledges and agrees that any decision, act, consent or instruction of the Equityholders' Representative under the Merger Agreement (including Section 11.01 thereof), under the Exchange Agent Agreement or under the Equityholders' Representative Engagement Agreement shall constitute a decision, act, consent or instruction of all of the Equityholders, including the Equityholder, and shall be final, binding and conclusive upon each of the Equityholders, including the Equityholder, and their or its successors as if expressly confirmed and ratified in writing by each such Equityholder, and all defenses which may be available to any Equityholder to contest, negate or disaffirm the action of the Equityholders' Representative taken under the Agreement, the Equityholders' Representative Engagement Agreement or the Exchange Agent Agreement are waived.

ARTICLE 3
Representations and Warranties

The Equityholder hereby represents and warrants to Parent that:

Section 3.01. *Existence; Authorization.* The Equityholder has duly executed and delivered this Agreement, and assuming the due authorization, execution and delivery by Parent, this Agreement constitutes a valid and binding agreement of the Equityholder, and any other Transaction Documents to which the Equityholder is (or is specified to be) a party, when executed by the Equityholder and assuming the due authorization, execution and delivery by each of the other parties thereto, will constitute a valid and binding agreement of the Equityholder, in each case, enforceable against the Equityholder in accordance with its terms (subject to applicable bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other laws affecting creditors' rights generally and subject, as to enforceability, by general principles of equity).

Section 3.02. *Governmental Authorization.* The execution, delivery and performance by the Equityholder of this Agreement and by the Equityholder of any other Transaction Documents to which it is (or is specified to be) a party, and the consummation of the Merger, require no consent, waiver, approval, license, permits, order or other authorization or action by or in respect of, or filing with, any Governmental Authority, other than as set forth in Section 3.03 of the Merger Agreement.

Section 3.03. *Noncontravention.* The execution, delivery and performance by the Equityholder of this Agreement, do not and will not at Closing (1) contravene, conflict with, or result in any violation or breach of any provision of any of the Governing Documents of the Equityholder, (2) assuming compliance with the matters and making of the filings, obtaining of the approvals and taking of the other actions referred to in Section 3.02, violate any Applicable Law, (3) require any consent or other action by, notice to or payment to, any Person under, constitute a breach, default or an event that, with or without notice or lapse of time or both, would constitute a default under, or give rise to any right of termination, cancellation or

acceleration of any right or obligation of the Equityholder or to a loss of any right or benefit to which any such Person is entitled under any provision of any Contract or Permit binding upon the Equityholder or (4) result in the creation or imposition of any Lien (other than Permitted Liens) on any Covered Equity Interests, with such exceptions, in the case of clauses (ii) and (iii), as would not reasonably be expected, individually or in the aggregate, to prevent, materially delay or materially impede the consummation by the Equityholder of the Merger.

Section 3.04. *Ownership.* v) As of the date hereof, the Equityholder is, and, unless a Transfer is consented to by Parent in accordance with Section 2.03, as of immediately prior to the Closing the Equityholder will be, the record and Beneficial Owner of, and has good title to, the Equity Securities of the Company set forth below "Equity Interests" on the signature pages hereto, free and clear of any Lien (including any restriction on the right to vote, sell or otherwise dispose of such Equity Securities not otherwise terminated pursuant to Section 2.05), except (i) transfer restrictions under applicable securities laws, (ii) this Agreement, and (iii) the Voting Agreement. The Equity Securities set forth below "Equity Interests" on the signature pages hereto constitute all of the Equity Securities of the Company Beneficially Owned or owned of record by the Equityholder.

(b) The Equityholder has and will have at all times during the term of this Agreement the requisite voting power (including the right to control such vote as contemplated herein), the requisite power of disposition, the requisite power to issue instructions with respect to the matters set forth in Article 2, and the requisite power to agree to all of the matters set forth in this Agreement, in each case, with respect to all of the Covered Equity Interests.

Section 3.05. *Litigation.* There is no Action pending, or to the knowledge of the Equityholder, threatened, against the Equityholder or any of its Affiliates by or before (or that would be by or before) any Governmental Authority or arbitrator, that if determined or resolved adversely, would reasonably be expected to result in the creation or imposition of any Lien on any Covered Equity Interests. There is no Order outstanding or, to the knowledge of the Equityholder, threatened against the Equityholder or any of its Affiliates that individually or in the aggregate, is or would reasonably be expected to result in the creation or imposition of any Lien on any Covered Equity Interests.

Section 3.06. *Related Party Contracts.* Exhibit B hereto sets forth a complete and accurate list as of the date of this Agreement of each Affiliate Contract to which the Equityholder or any of its Affiliates is a party or by which it is bound (each, a "Related Party Contract").

Section 3.07. *Interests in Trust.* If the Equityholder has any Covered Equity Interests held in trust (including by way of a voting trust certificate or other interest of any trust of which such Person is a trustee), no consent of any beneficiary of such trust or any other Person that has not been received is required in connection with the execution and delivery of this Agreement and the consummation of the Merger.

Section 3.08. *Transaction Documents.* The Equityholder has received and reviewed a copy of this Agreement and the Merger Agreement, has had an opportunity to obtain the advice of its counsel prior to executing this Agreement and fully understands and accepts all of the provisions hereof and of the Merger Agreement, including that the consummation of the Merger

is subject to the conditions set forth in the Merger Agreement, and as such there can be no assurance that the Merger will be consummated.

Section 3.09. *Finders' Fees.* There is no financial advisor, investment banker, broker, finder or other intermediary that might be entitled to any fee or commission from any of the Acquired Companies in connection with the Merger based upon any arrangement or agreement made by or on behalf of the Equityholder.

Section 3.10. *Accredited Investor.* vi) The Equityholder is knowledgeable, sophisticated and experienced in business and financial matters, is experienced in evaluating investments in companies such as Parent and qualifies as an "accredited investor" as defined in Rule 501 of Regulation D of the Securities Act.

(b) The shares of Parent Preferred Stock to be acquired by the Equityholder in connection with the consummation of the Merger (including any shares of Parent Common Stock into which such shares of Parent Preferred Stock convert, the “**Acquired Parent Shares**”) are being acquired for the Equityholder’s own account, for investment purposes, and without a view to any distribution thereof.

(c) The Equityholder has been afforded access to information about Parent and the financial condition, results of operations, business, property and management of Parent that the Equityholder considers sufficient to enable it to evaluate its investment in the Acquired Parent Shares. The Equityholder has reviewed the financial statements of Parent and such other documents as the Equityholder has reasonably deemed advisable. The Equityholder and its tax advisors and legal counsel, if any, have been afforded the opportunity to ask questions of Parent. The Equityholder has sought such accounting, legal and tax advice as it has considered necessary to make an informed investment decision with respect to its acquisition of the Acquired Parent Shares.

(d) The Equityholder understands that its investment in the Acquired Parent Shares involves a high degree of risk and the Acquired Parent Shares are, therefore, a speculative investment. The Equityholder is able to bear the economic risk of its investment in the Acquired Parent Shares for an indefinite period of time, and is presently able to afford the complete loss of such investment.

(e) The Equityholder acknowledges that it has conducted to its satisfaction an independent investigation of the financial condition, results of operations, assets, liabilities, properties, taxes and projected operations of Parent and, in making the determination to acquire the Acquired Parent Shares, has relied solely on the results of its own independent investigation, and is not relying (for purposes of making any investment decision or otherwise) upon any advice, counsel or representations (whether written or oral) of Parent or any of its officers, employees, agents, advisors or affiliates. The Equityholder further acknowledges and agrees that, except to the extent expressly set forth in the Merger Agreement, Parent has made no representations or warranties either expressed or implied as to the accuracy or completeness of any information regarding Parent furnished or made available to the Equityholder and its representatives, and the Equityholder shall have no claim with respect to any information, documents or materials furnished by or on behalf of Parent to the Equityholder.

10

(f) The Equityholder acknowledges and agrees that the Acquired Parent Shares it will acquire in connection with the Merger pursuant to the terms of the Merger Agreement are subject to certain Transfer restrictions and that, except as provided in Section 2.16(a)(i)-(x) or 2.16(b) of the Merger Agreement, the Equityholder shall not Transfer any of the Acquired Parent Shares during the applicable Lockup Period without the prior written consent of Parent.

(g) (i) The Equityholder acknowledges and agrees that the Acquired Parent Shares will not initially be registered under the Securities Act or the securities laws of any other jurisdiction and are characterized as “restricted securities” under the federal securities laws inasmuch as they are being acquired from Parent in a transaction not involving a public offering and that under such laws and applicable regulations the Acquired Parent Shares may be resold without registration under the Securities Act only in certain limited circumstances; (ii) in the absence of an effective registration statement covering the Acquired Parent Shares or an available exemption from registration under the Securities Act, the Acquired Parent Shares may not be sold; and (iii) no Governmental Authority has passed on or made any recommendation or endorsement of the Acquired Parent Shares or the fairness or suitability of the investment in the Acquired Parent Shares, nor has any Governmental Authority passed upon or endorsed the merits of the offering of the Acquired Parent Shares.

(h) The Equityholder, in making its decision to acquire the Acquired Parent Shares, has made its own investment decision regarding its purchase of the Acquired Parent Shares (including the income tax consequences of purchasing, owning or disposing of the Acquired Parent Shares in light of the Equityholder’s particular situation and tax residence(s) as well as any consequences arising under the laws of any taxing jurisdiction).

(i) The Equityholder has not had a “disqualifying event” described in Securities Act Rule 506(d)(1) subsections (i) through (viii).

(j) The Equityholder understands that Parent, as the issuer of the Acquired Parent Shares, is relying in part upon the representations and agreements contained in this Agreement for the purpose of determining whether the offer, sale and issuance of the Acquired Parent Shares meets the requirements for an applicable exemption from registration under the Securities Act.

ARTICLE 4 Survival; Indemnification

Section 4.01. *Survival.* From and after the Closing and subject to the limitations and other provisions of Article 10 of the Merger Agreement, the representations and warranties of the Equityholder contained in this Agreement shall survive the Closing until the date that is three years after the Closing Date. The covenants and agreements of the parties hereto contained in this Agreement to be performed prior to the Effective Time shall survive until the date that is twelve months after the Closing Date. The covenants and agreements of the parties hereto contained in this Agreement to be performed from or after the Effective Time shall survive until the date that is three years after the Closing Date. Notwithstanding the preceding sentences, any claim for a breach of representation, warranty, covenant or agreement in respect of which indemnity may be sought under this Agreement and the indemnity with respect thereto shall survive the time at which it would otherwise terminate pursuant to the preceding sentence, if

11

requisite written notice of the breach thereof giving rise to such right or potential right of indemnity shall have been given in accordance with Section 4.04 hereof to the party against whom such indemnity may be sought prior to such time.

Section 4.02. *Indemnification.* Effective at and after the Closing, but subject to the limitations set forth in this Article 4, the Equityholder (severally and not jointly) hereby indemnifies Parent, Merger Sub, each Acquired Company (including, for the avoidance of doubt, the Surviving Company) and each of their respective Subsidiaries, officers, directors, employees and each of their respective successors and permitted assigns (collectively, the “**Indemnified Parties**”) against, and agrees to hold each of them harmless from any and all damages, loss, Liability, fines, penalties, claims, forfeitures, Actions, fees, costs and expenses (including reasonable expenses of investigation and reasonable documented attorneys’ fees and expenses in connection with any Action, whether involving a Third-Party Claim or a claim solely between the parties hereto, to enforce the provisions hereof, but excluding punitive damages of any kind, other than punitive damages payable to a third party) (“**Damages**”) incurred or suffered by any Indemnified Party (regardless of whether such Damages arise as a result of the negligence, strict liability, or other liability under any theory of law or equity of any Person) arising out of or resulting from:

(i) any inaccuracy in or breach of any representation or warranty made by the Equityholder in this Agreement; and

(ii) any breach of any covenant or agreement made or to be performed by the Equityholder (at or prior to the Effective Time) pursuant to this Agreement.

Section 4.03. *Certain Limitations on Indemnification.* Notwithstanding anything to the contrary contained herein, the maximum amount that the Indemnified Parties may recover from the Equityholder shall be limited to the Equityholder Proceeds received by the Equityholder pursuant to Sections 2.05, 2.07, 2.08 and 10.02 of the Merger Agreement. Notwithstanding anything contained herein to the contrary, nothing herein shall limit the recovery amount against the Equityholder, or remedies available to a Parent Indemnified Party, for such Equityholder’s Fraud.

Section 4.04. *Indemnification Procedures.* The provisions of Sections 10.04 through 10.11 of the Merger Agreement will apply *mutatis mutandis*, to any

indemnification claims made by the Indemnified Parties pursuant to Section 4.02.

ARTICLE 5
Miscellaneous

Section 5.01. *Termination.* This Agreement shall automatically terminate, without notice or any further action of any Party, on the Expiration Date; *provided* that neither the provisions of this Section 5.01 nor the termination of this Agreement shall relieve any Party from any liability to any other Party arising out of or in connection with a willful breach of this Agreement or Fraud by such Party prior to the termination hereof; *provided, further*, that this Article 5 (other than Section 5.11) shall survive the termination of this Agreement pursuant to this Section 5.01.

(b) No Party may assign, delegate or otherwise transfer any of its rights or obligations under this Agreement without the prior written consent of the other Party, except that Parent may transfer or assign its rights and obligations under this Agreement, in whole or from time to time in part, to (1) one or more of its Affiliates at any time and (2) after the Effective Time, to any Person; *provided* that such transfer or assignment shall not relieve Parent of its obligations hereunder or enlarge, alter or change any obligation of any other Party.

Section 5.06. *Severability.* If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction or other Governmental Authority to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party. Upon such a determination, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

Section 5.07. *Entire Agreement.* This Agreement, the Merger Agreement and the other Transaction Documents constitute the entire agreement between the Parties with respect to the subject matter hereof and thereof, and supersedes all prior agreements and understandings, both oral and written, between the Parties with respect to the subject matter hereof and thereof.

Section 5.08. *Jurisdiction.* The Parties agree that any Action seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby shall be brought exclusively in the State or Federal courts located within the State of New York, and hereby irrevocably consents to the exclusive jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such Action so long as one of such courts shall have subject matter jurisdiction over such Action, and irrevocably waives, to the fullest extent permitted by Applicable Law, any objection that it may now or hereafter have to the laying of the venue of any such Action in any such court or that any such Action brought in any such court has been brought in an inconvenient forum. Process in any such Action may be served on any Party anywhere in the world, whether within or without the jurisdiction of any such court. Without limiting the foregoing, each Party agrees that service of process on such Party as provided in Section 5.03 shall be deemed effective service of process on such Party.

Section 5.09. *WAIVER OF JURY TRIAL.* EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY ACTION ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE MERGER AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

Section 5.10. *Governing Law.* This Agreement and all claims and causes of action arising out of or relating to this Agreement shall be governed by and construed in accordance with the laws of the State of New York, without regard to the conflicts of law rules of such state.

Section 5.11. *Specific Performance.* The Parties hereto agree that irreparable damage would occur if any provision of this Agreement were not performed in accordance with the terms hereof and that the Parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement or to enforce specifically the performance of the terms and provisions hereof in the courts set forth in Section 5.08, in addition to any other remedy to which they are entitled at law or in equity, and each party hereby agrees to waive the defense (and not to interpose as a defense or in opposition) in any such suit that the other parties have an adequate remedy at law, and hereby agrees to waive any requirement to post any bond in connection with obtaining such relief.

Section 5.12. *Counterparts.* This Agreement may be signed in any number of counterparts (including by electronic means), each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. From the date of this Agreement until the earlier of the Closing and the Expiration Date, the Equityholder shall not, and shall cause its Affiliates not to, Transfer any of the Covered Equity Interests, Beneficial Ownership thereof or any other interest therein (including any voting power with respect thereto) unless such Transfer is with the prior written consent of Parent; *provided*, that the Equityholder may Transfer any of the Covered Equity Interests (i) to any Affiliate of the Equityholder without the prior written consent of Parent; *provided further* that, as a condition to any such Transfer to an Affiliate, such Affiliate shall enter into a joinder to this Agreement in a form reasonably acceptable to Parent and (ii) pursuant to any Transfer to the Company effected in accordance with Section G.2.1 and Section G.2.2 of Article Thirteenth of the Company's Amended and Restated Certificate of Incorporation upon the occurrence of a Regulatory Trigger (as defined therein), as in effect from and after the date hereof. Section 2.04. *Inconsistent Agreements*. The Equityholder hereby covenants and agrees that, except for (i) this Agreement, (ii) the Third Amended and Restated Voting Agreement, made as of July 2, 2019, and amended on December 21, 2020, by and among the Company and the other Persons party thereto (the "**Voting Agreement**") and (iii) the Third Amended and Restated Investors' Rights Agreement, made as of July 2, 2019, by and among the Company and the other Persons party thereto (the "**Investors' Rights Agreement**"), the Equityholder (a) has not entered into, and shall not enter into (and shall cause its controlled Affiliates not to enter into) at any time prior to the earlier of the Closing and the Expiration Date, any voting agreement or voting trust with respect to Covered Equity Interests, (b) has not granted, and shall not grant (and shall cause its Affiliates not to grant) at any time prior to the Closing, a proxy, consent or power of attorney with respect to the Covered Equity Interests and (c) has not taken and shall not knowingly take (and shall cause its Affiliates not to take) any action that would make any representation or warranty of the Equityholder contained herein untrue or incorrect, have the effect of preventing or disabling the Equityholder from performing any of its obligations under this Agreement or have the effect of impairing or delaying the consummation of the transactions contemplated by the Merger Agreement. Other than as set forth in the Voting Agreement, the Equityholder hereby represents that all proxies, powers of attorney, instructions or other requests given by the Equityholder prior to the execution of this Agreement in respect of the voting of the Covered Equity Interests, if any, are not irrevocable and the Equityholder hereby revokes (and shall cause to be revoked) any and all previous proxies, powers of attorney, instructions or other requests with respect to the Covered Equity Interests.

Section 2.05. *Existing Contracts*. The Equityholder, on behalf of itself and its Affiliates (to the extent applicable), hereby irrevocably and unconditionally waives, conditioned upon the Closing and effective as of the Effective Time, any rights, including voting rights, rights of first offer, co-sale rights, registration rights and related notice rights, granted pursuant to (i) the Voting Agreement, (ii) that certain Third Amended and Restated Right of First Refusal and Co-Sale

Agreement, made as of July 2, 2019, by and among the Company and the other Persons party thereto, (iii) the Investors' Rights Agreement, with respect to the transactions contemplated by this Agreement, the Merger Agreement and the other Transaction Documents (including the Merger) and (iv) any Terminated Related Party Contract listed on Exhibit A hereto ("**Terminated Related Party Contracts**"), applicable to the Equityholder. For the avoidance of doubt, any indemnification agreement by and between any Acquired Company and its current or former directors, officers or employees that is disclosed on Section 3.09(a)(x) of the Company Disclosure Schedule shall continue to remain in full force and effect.

Section 2.06. [RESERVED].

Section 2.07. [RESERVED].

Section 2.08. *Dissenters' Rights*. The Equityholder hereby waives, and agrees not to exercise, any right to dissent or appraisal or any similar provision under Applicable Law (including pursuant to the DGCL) in connection with the Merger and the other transactions contemplated by the Merger Agreement, including any notice requirements.

Section 2.09. [RESERVED].

Section 2.10. *Release*. Effective upon the Closing, the Equityholder, on behalf of itself and her, his or its Affiliates (other than the Acquired Companies) and their respective successors and assigns (collectively, the "**Covered Person Releasers**"), hereby irrevocably waives, acquits, remises, discharges and forever releases each of Parent, the Company and their respective Subsidiaries and Representatives (collectively, the "**Company Parties**"), from any and all liabilities and obligations to the Covered Person Releasers of any kind or nature whatsoever, in each case whether absolute or contingent, liquidated or unliquidated, known or unknown, matured or unmatured or determined or determinable, and whether arising under any law, contract, agreement, arrangement, commitment, undertaking or understanding, whether written or oral, or otherwise at law or in equity, to the extent arising out of (a) any alleged inaccuracy or miscalculations in the Allocation Schedule, (b) the approval or consummation of the transactions contemplated hereby or by the Merger Agreement or any other Transaction Document, including any alleged breach of any duty by any officer, manager or director of any of the Acquired Companies or holder or other owner of Equity Securities of Parent or any of its Subsidiaries (including the Acquired Companies) and (c) any facts, events or circumstances, or any actions taken by the Company Parties, occurring prior to the Closing, in the case of clause (c), in the Equityholder's capacity as a holder of Equity Securities of the Company; *provided, however*, that notwithstanding the foregoing, nothing in this Section 2.10 shall be deemed a waiver or release of (i) claims under the terms of this Agreement, the Merger Agreement or any of the other Transaction Documents against any of the parties thereto, (ii) any right to advancement or indemnification or similar right in favor of a D&O Indemnified Party pursuant to Section 8.06(a) of the Merger Agreement, or in favor of any other director or officer pursuant to any other agreement with the Company that is disclosed on Section 3.09(a)(x) of the Company Disclosure Schedule or the Company's certificate of incorporation or bylaws as in effect immediately prior to the execution of the Merger Agreement, or (iii) any ordinary course accrued liability or obligation incurred in connection with a Covered Person Releaser's employment by the Company prior to the Closing Date. Without limitation of the foregoing, the Equityholder (on behalf of his, her or its Covered

4

Person Releasers) hereby waives the application of any provision of law, including California Civil Code Section 1542, that purports to limit the scope of a general release. Section 1542 of the California Civil Code provides:

"A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor."

The Equityholder (on behalf of his, her or its Covered Person Releasers) hereby acknowledges and agrees that if it or any of its Covered Person Releasers should hereafter make any claim or demand or commence or threaten to commence any action against any Company Party with respect to any claim released under this Section 2.10, this Section 2.10 may be raised as a complete bar to any such action, and the applicable Company Party may recover from the Equityholder all damages incurred in connection with such action, including reasonable attorneys' fees.

Section 2.11. *Confidentiality*.

(a) For a period of three years after the Closing, the Equityholder shall not disclose or use, and shall cause its controlled Affiliates and its and their respective Representatives not to disclose or use, any Confidential Information, unless compelled to disclose by judicial or administrative process or by other requirements of Applicable Law (in which case the Equityholder shall use commercially reasonable efforts to (i) provide Parent with notice of such requirement prior to making any such disclosure to the extent permitted by Applicable Law and reasonably practicable under the circumstances so that Parent may seek a protective order or confidential treatment and (ii) cooperate in connection with Parent's efforts, at Parent's sole cost and expense, to obtain such protective order or confidential treatment). Notwithstanding anything to the contrary set forth

in this Agreement, any such Person may disclose any information (including Confidential Information) (x) to its attorneys, accountants, consultants, and other professionals to the extent necessary to obtain their services in connection with monitoring its investment in the Company or in Parent and (y) to any Affiliate, partner, member, stockholder, or wholly owned subsidiary of such Investor in the ordinary course of business, provided that Equityholder informs such Person that such information is confidential and directs such Person to maintain the confidentiality of such information. Notwithstanding anything contained in this Agreement, the Merger Agreement or any other Transaction Document, Equityholder and each of its Affiliates, without prior written notice to Parent, the Company or any other Person, may disclose any confidential information to any Governmental Authority or examiner of or related to any Governmental Authority, in each case, with competent jurisdiction over Equityholder (or any of Equityholder's Affiliates), regardless of whether or not Equityholder (or any of its Affiliates, as applicable) is required to make such disclosure by Applicable Law; *provided* that, except with respect to communications made in connection with routine regulatory oversight, and solely to the extent (x) permitted by Applicable Law and (y) Equityholder discloses any Confidential Information in response to a targeted request related solely to Parent or the Company by such Governmental Authority or examiner of or related to a Governmental Authority, Equityholder shall use commercially reasonable efforts to notify the Company following any such disclosure. As used in this Section 2.11, "Confidential Information" means any information regarding the business, operations and affairs of the Acquired Companies (including trade secrets, confidential information and proprietary materials, which may include the following categories of information

and materials: methods, procedures, computer programs and architecture, databases, customer information, lists and identities, employee lists and identities, pricing information, research, methodologies, contractual forms, and other information, whether tangible or intangible, which is not publicly available generally) accessed or possessed by the Equityholder before the Effective Time, except to the extent that such information can be reasonably demonstrated to (1) to have been or have become generally known to the public or in the public domain other than as a result of a disclosure in breach of this Agreement by the Equityholder or any of its Affiliates or any of their respective Representatives or (2) later lawfully acquired by the Equityholder on a non-confidential basis from sources other than Parent or any of its Subsidiaries, or any of its or their Representatives (or sources otherwise relating to the Company's prior ownership of the Acquired Companies), who are not known to be under an obligation of confidentiality with respect thereto.

(b) The Equityholder shall consult with Parent before issuing any press release, making any public statement or scheduling any press conference, conference call or meeting with investors or analysts with respect to this Agreement, the other Transaction Documents or the Merger and, except for any press releases or public statements the making of which is or is reasonably believed to be required by Applicable Law, and shall not issue any such press release, make any such other public statement or schedule any such press conference, conference call or meeting (i) without the prior written consent of Parent (which shall not be unreasonably withheld, conditioned or delayed) or (ii) unless otherwise permitted by the Merger Agreement; *provided*, that the restrictions set forth in thisSection 2.11(b) shall not apply to any press release or public statement which is or is reasonably believed to be required by Applicable Law (in which case, the Equityholder shall use commercially reasonable efforts to provide advance notice to Parent of any such proposed disclosure to the extent permitted by Applicable Law and reasonably practicable under the circumstances and shall reasonably cooperate, at Parent's sole cost and expense, with any efforts by Parent to seek confidential treatment or obtain a protective order).

(c) Any violation of this Section 2.11 by any of the Equityholder's Affiliates shall be deemed to be a violation by the Equityholder of thisSection 2.11.

Section 2.12. *Affiliate Contracts.*

(a) From the date of this Agreement until the earlier of the Closing and the Expiration Date, except (i) as required by Applicable Law, (ii) as set forth in Section 3.22 of the Company Disclosure Schedules or (iii) as otherwise required by the Merger Agreement, the Equityholder shall not, and shall cause each of its controlled Affiliates not to, enter into, terminate, renew, extend or amend any Affiliate Contract.

(b) Effective as of the Closing, the Equityholder, on behalf of itself and its Affiliates, hereby irrevocably consents to and approves the termination of any Affiliate Contract (other than any Excluded Arrangement), without any further Liability of the Acquired Companies.

Section 2.13. *Appointment of Equityholders' Representative.* By executing this Agreement, the Equityholder agrees and consents to the irrevocable appointment and constitution of Fortis Advisors LLC, a Delaware limited liability company (which, by execution of the Merger Agreement, shall accept such appointment) (subject to substitution in accordance with Section 11.01 of the Merger Agreement), as the Equityholders' Representative and as the sole and

exclusive agent and attorney-in-fact for and on behalf of the Equityholders (in their capacity as such), including the Equityholder, with full power of substitution, with all of the powers and authority contemplated by (i) the Merger Agreement, including Section 11.01 thereof, (ii) the Transaction Documents and (iii) the Exchange Agent Agreement. The Equityholder acknowledges and agrees that any decision, act, consent or instruction of the Equityholders' Representative under the Merger Agreement (including Section 11.01 thereof), under the Exchange Agent Agreement or under the Equityholders' Representative Engagement Agreement shall constitute a decision, act, consent or instruction of all of the Equityholders, including the Equityholder, and shall be final, binding and conclusive upon each of the Equityholders, including the Equityholder, and their or its successors as if expressly confirmed and ratified in writing by each such Equityholder, and all defenses which may be available to any Equityholder to contest, negate or disaffirm the action of the Equityholders' Representative taken under the Agreement, the Equityholders' Representative Engagement Agreement or the Exchange Agent Agreement are waived.

ARTICLE 3 Representations and Warranties

The Equityholder hereby represents and warrants to Parent that:

Section 3.01. *Existence; Authorization.*

(a) The Equityholder is an entity duly organized, validly existing and (where applicable, based on the Equityholder's jurisdiction of organization) in good standing under the laws of its jurisdiction of organization and the execution, delivery and performance by the Equityholder of this Agreement and each other Transaction Document to which it is (or is specified to be) a party, and the approval of the consummation by the Equityholder of the Merger and the transactions contemplated by the Merger Agreement, are within the organizational powers of the Equityholder and have been duly authorized by all necessary organizational action on the part of the Equityholder.

(b) The Equityholder has duly executed and delivered this Agreement, and assuming the due authorization, execution and delivery by Parent, this Agreement constitutes a valid and binding agreement of the Equityholder, and any other Transaction Documents to which the Equityholder is (or is specified to be) a party, when executed by the Equityholder and assuming the due authorization, execution and delivery by each of the other parties thereto, will constitute a valid and binding agreement of the Equityholder, in each case, enforceable against the Equityholder in accordance with its terms (subject to applicable bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other laws affecting creditors' rights generally and subject, as to enforceability, by general principles of equity).

Section 3.02. *Governmental Authorization.* The execution, delivery and performance by the Equityholder of this Agreement and by the Equityholder of any other Transaction Documents to which it is (or is specified to be) a party require no consent, waiver, approval, license, permits, order or other authorization or action by or in respect of, or filing with, any Governmental Authority, other than as set forth in Section 3.03 of the Merger Agreement.

Section 3.03. *Noncontravention.* The execution, delivery and performance by the Equityholder of this Agreement do not and will not at Closing (i) contravene, conflict with, or result in any violation or breach of any provision of any of the Governing Documents of the Equityholder, (ii) assuming compliance with the matters and making of the filings, obtaining of the approvals and taking of the other actions referred to in Section 3.02, require any consent or other action by, notice to or payment to, any Person under, constitute a breach, default or an event that, with or without notice or lapse of time or both, would constitute a default under, or give rise to any right of termination, cancellation or acceleration of any right or obligation of the Equityholder or to a loss of any right or benefit to which any such Person is entitled under any provision of any Contract or Permit binding upon the Equityholder or (iii) result in the creation or imposition of any Lien (other than Permitted Liens) on any Covered Equity Interests, with such exceptions, in the case of clause (ii), as would not reasonably be expected, individually or in the aggregate, to prevent, materially delay or materially impede the consummation of the Merger.

Section 3.04. *Ownership.*

(a) As of the date hereof, the Equityholder is, and, unless a Transfer is consented to by Parent in accordance with (or is otherwise permitted under) Section 2.03, as of immediately prior to the Closing the Equityholder will be, the record and Beneficial Owner of, and has good title to, the Equity Securities of the Company set forth below "Equity Interests" on the signature pages hereto, free and clear of any Lien (including any restriction on the right to vote, sell or otherwise dispose of such Equity Securities not otherwise terminated pursuant to Section 2.05), except (i) transfer restrictions under applicable securities laws, (ii) this Agreement, and (iii) the Voting Agreement. The Equity Securities set forth below "Equity Interests" on the signature pages hereto constitute all of the Equity Securities of the Company Beneficially Owned or owned of record by the Equityholder.

(b) The Equityholder has and will have at all times during the term of this Agreement the requisite voting power (including the right to control such vote as contemplated herein), the requisite power of disposition, the requisite power to issue instructions with respect to the matters set forth in Article 2, and the requisite power to agree to all of the matters set forth in this Agreement, in each case, with respect to all of the Covered Equity Interests.

Section 3.05. *Litigation.* There is no Action pending, or to the knowledge of the Equityholder, threatened, against the Equityholder or any of its Affiliates by or before (or that would be by or before) any Governmental Authority or arbitrator, that if determined or resolved adversely, would reasonably be expected to result in the creation or imposition of any Lien on any Covered Equity Interests. There is no Order outstanding or, to the knowledge of the Equityholder, threatened against the Equityholder or any of its Affiliates that individually or in the aggregate, is or would reasonably be expected to result in the creation or imposition of any Lien on any Covered Equity Interests.

Section 3.06. *Related Party Contracts.* Exhibit B hereto sets forth a complete and accurate list as of the date of this Agreement of each Affiliate Contract to which the Equityholder or any of its Affiliates is a party or by which it is bound (each, a "Related Party Contract").

8

Section 3.07. *Interests in Trust.* If the Equityholder has any Covered Equity Interests held in trust (including by way of a voting trust certificate or other interest of any trust of which such Person is a trustee), no consent of any beneficiary of such trust or any other Person that has not been received is required in connection with the execution and delivery of this Agreement and the consummation of the Merger.

Section 3.08. *Transaction Documents.* The Equityholder has received and reviewed a copy of this Agreement and the Merger Agreement, has had an opportunity to obtain the advice of its counsel prior to executing this Agreement and fully understands and accepts all of the provisions hereof and of the Merger Agreement, including that the consummation of the Merger is subject to the conditions set forth in the Merger Agreement, and as such there can be no assurance that the Merger will be consummated.

Section 3.09. *Finders' Fees.* There is no financial advisor, investment banker, broker, finder or other intermediary that might be entitled to any fee or commission from any of the Acquired Companies in connection with the Merger based upon any arrangement or agreement made by or on behalf of the Equityholder, excluding any such arrangement or agreement entered into by any Acquired Company for the benefit of the holders of Equity Securities of the Company generally.

Section 3.10. *Accredited Investor.*

(a) The Equityholder is knowledgeable, sophisticated and experienced in business and financial matters, is experienced in evaluating investments in companies such as Parent and qualifies as an "accredited investor" as defined in Rule 501 of Regulation D of the Securities Act.

(b) The shares of Parent Preferred Stock to be acquired by the Equityholder in connection with the consummation of the Merger (including any shares of Parent Common Stock into which such shares of Parent Preferred Stock convert, the "Acquired Parent Shares") are being acquired for the Equityholder's own account, for investment purposes, and without a view to any distribution thereof.

(c) The Equityholder has been afforded access to information about Parent and the financial condition, results of operations, business, property and management of Parent that the Equityholder considers sufficient to enable it to evaluate its investment in the Acquired Parent Shares. The Equityholder has reviewed the financial statements of Parent and such other documents as the Equityholder has reasonably deemed advisable. The Equityholder and its tax advisors and legal counsel, if any, have been afforded the opportunity to ask questions of Parent. The Equityholder has sought such accounting, legal and tax advice as it has considered necessary to make an informed investment decision with respect to its acquisition of the Acquired Parent Shares.

(d) The Equityholder understands that its investment in the Acquired Parent Shares involves a high degree of risk and the Acquired Parent Shares are, therefore, a speculative investment. The Equityholder is able to bear the economic risk of its investment in the Acquired Parent Shares for an indefinite period of time, and is presently able to afford the complete loss of such investment.

9

(e) The Equityholder acknowledges that it has conducted to its satisfaction an independent investigation of the financial condition, results of operations, assets, liabilities, properties, taxes and projected operations of Parent and, in making the determination to acquire the Acquired Parent Shares, has relied solely on the results of its own independent investigation, and is not relying (for purposes of making any investment decision or otherwise) upon any advice, counsel or representations (whether written or oral) of Parent or any of its officers, employees, agents, advisors or affiliates. The Equityholder further acknowledges and agrees that, except to the extent expressly set forth in the Merger Agreement, Parent has made no representations or warranties either expressed or implied as to the accuracy or completeness of any information regarding Parent furnished or made available to the Equityholder and its representatives, and the Equityholder shall have no claim with respect to any information, documents or materials furnished by or on behalf of Parent to the Equityholder.

(f) The Equityholder acknowledges and agrees that the Acquired Parent Shares it will acquire in connection with the Merger pursuant to the terms of the Merger Agreement are subject to certain Transfer restrictions and that, except as provided in Section 2.16(a)(i)-(x) or 2.16(b) of the Merger Agreement, the Equityholder shall not Transfer any of the Acquired Parent Shares during the applicable Lockup Period without the prior written consent of Parent.

(g) (i) The Equityholder acknowledges and agrees that the Acquired Parent Shares will not initially be registered under the Securities Act or the securities laws of any other jurisdiction and are characterized as "restricted securities" under the federal securities laws inasmuch as they are being acquired from Parent in a transaction not involving a public offering and that under such laws and applicable regulations the Acquired Parent Shares may be resold without registration under the Securities Act only in

certain limited circumstances; (ii) in the absence of an effective registration statement covering the Acquired Parent Shares or an available exemption from registration under the Securities Act, the Acquired Parent Shares may not be sold; and (iii) no Governmental Authority has passed on or made any recommendation or endorsement of the Acquired Parent Shares or the fairness or suitability of the investment in the Acquired Parent Shares, nor has any Governmental Authority passed upon or endorsed the merits of the offering of the Acquired Parent Shares.

(h) The Equityholder, in making its decision to acquire the Acquired Parent Shares, has made its own investment decision regarding its purchase of the Acquired Parent Shares (including the income tax consequences of purchasing, owning or disposing of the Acquired Parent Shares in light of the Equityholder's particular situation and tax residence(s) as well as any consequences arising under the laws of any taxing jurisdiction).

(i) The Equityholder has not had a "disqualifying event" described in Securities Act Rule 506(d)(1) subsections (i) through (viii).

(j) The Equityholder understands that Parent, as the issuer of the Acquired Parent Shares, is relying in part upon the representations and agreements contained in this Agreement for the purpose of determining whether the offer, sale and issuance of the Acquired Parent Shares meets the requirements for an applicable exemption from registration under the Securities Act.

Section 5.04. *Amendments; Waivers.*

(a) No amendment of any provision of this Agreement shall be valid unless the amendment is in writing and signed by each of Parent and the Equityholder. No waiver of any provision of this Agreement shall be valid unless the waiver is in writing and signed by the waiving Parties.

(b) No failure or delay by any Party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by Applicable Law.

Section 5.06. *Severability.* If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction or other Governmental Authority to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party. Upon such a determination, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

Section 5.07. *Entire Agreement.* This Agreement, the Merger Agreement and the other Transaction Documents constitute the entire agreement between the Parties with respect to the subject matter hereof and thereof, and supersedes all prior agreements and understandings, both oral and written, between the Parties with respect to the subject matter hereof and thereof.

Section 5.08. *Jurisdiction.* The Parties agree that any Action seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the

transactions contemplated hereby shall be brought exclusively in the State or Federal courts located within the State of New York, and hereby irrevocably consents to the exclusive jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such Action so long as one of such courts shall have subject matter jurisdiction over such Action, and irrevocably waives, to the fullest extent permitted by Applicable Law, any objection that it may now or hereafter have to the laying of the venue of any such Action in any such court or that any such Action brought in any such court has been brought in an inconvenient forum. Process in any such Action may be served on any Party anywhere in the world, whether within or without the jurisdiction of any such court. Without limiting the foregoing, each Party agrees that service of process on such Party as provided in Section 5.03 shall be deemed effective service of process on such Party.

Section 5.09. *WAIVER OF JURY TRIAL.* EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY ACTION ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE MERGER AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.
