Big News: MoneyLion is Joining Gen Digital (NASDAQ:GEN)

I am thrilled to announce a transformative milestone in MoneyLion’s journey: today, we announced an agreement for MoneyLion to join Gen Digital Inc. (NASDAQ: GEN), a global leader in digital identity protection and cybersecurity with iconic brands like LifeLock, Norton, and Avast.

For over 11+ years, MoneyLion has been on a mission to empower individuals to make their best financial decisions. Along the way, we’ve redefined what’s possible in fintech—innovating across business models, AI, and technology to create a comprehensive financial ecosystem. Our consumer finance network and super-app now serve millions of hardworking Americans, providing the tools and confidence to navigate their financial lives.

This next chapter is about scale—and in fintech, scale and distribution are everything. With Gen Digital’s expansive global reach and established ecosystem, we’re poised to bring MoneyLion’s mission-driven financial tools to millions more people.

The transaction, valued at \$105 per share, is composed of \$82 per share in cash and \$23 per share in Contingent Value Rights (CVRs), giving MoneyLion shareholders direct participation in the combined company’s success. The CVRs are tied to Gen’s stock reaching \$37.50 for 30 consecutive trading days from now until two years after closing, aligning incentives for shared growth and future impact.

Together, we’ll combine Gen’s expertise in digital identity protection and cybersecurity with MoneyLion’s industry-leading consumer financial solutions to create something truly transformative:

- Expanding Beyond Finance: Together, we’ll redefine what’s possible by merging financial wellness with identity and security products, expanding our target market to over \$50B.
- Deeper Consumer Value: We will take MoneyLion beyond finance, expanding to be a one-stop destination for managing finances, protecting identity, and safeguarding data.
- Global Reach: Leveraging Gen’s massive, financially-savvy global audience, we will scale MoneyLion’s products to deliver impact like never before.
- Shared Purpose: Gen’s purpose, “Powering Digital Freedom,” perfectly aligns with our vision of financial empowerment.

This is not just a partnership; it’s the beginning of a new era. I’m beyond excited about what this means for our customers, our team, and the millions of people whose lives we’ll touch as part of the Gen family.

To the entire hashtag#MoneyLion team, investors, partners past and present: you made this possible. Your dedication, creativity, and belief in our mission have brought us here, and I can’t wait to see what we’ll achieve together in this next chapter.

From my supportive family, to co-founders, business partners, investors and every employee who spent time innovating, building and supporting MoneyLion – thank you for being on the journey!
