PRELIMINARY — SUBJECT TO COMPLETION DATED FEBRUARY 16, 2021

**PROXY STATEMENT OF FUSION ACQUISITION CORP.
PROSPECTUS FOR
[•] SHARES OF CLASS A COMMON STOCK AND
[•] SHARES OF CLASS A COMMON STOCK UNDERLYING WARRANTS OF
FUSION ACQUISITION CORP. (WHICH WILL BE RENAMED MONEYLION INC.)**

On February 11, 2021, the board of directors of Fusion Acquisition Corp., a Delaware corporation (“Fusion,” “we,” “us” or “our”), unanimously approved an agreement and plan of merger, dated February 11, 2021, by and among Fusion, ML Merger Sub Inc., a wholly owned subsidiary of Fusion (“Merger Sub”), and MoneyLion Inc. (“MoneyLion”) (as it may be amended and/or restated from time to time, the “Merger Agreement”). If the Merger Agreement is adopted by Fusion’s stockholders and the transactions under the Merger Agreement are consummated, Merger Sub will merge with and into MoneyLion with MoneyLion surviving the merger as a wholly owned subsidiary of Fusion (the “Business Combination”). In addition, in connection with the consummation of the Business Combination, Fusion will be renamed “MoneyLion Inc.” and is referred to herein as “New MoneyLion” as of the time following such change of name.

Under the Merger Agreement, Fusion has agreed to acquire all of the outstanding equity interests of MoneyLion for \$2,200,000,000.00 in aggregate consideration. The aggregate consideration to be paid to MoneyLion stockholders shall be (i) shares of Class A common stock of New MoneyLion (valued at \$10.00 per share), and, if elected by MoneyLion, cash consideration up to the lower of (A) the amount (which may be zero) by which the Parent Closing Cash (as defined in the Merger Agreement) exceeds \$260,000,000 and (B) \$100,000,000, and (ii) the contingent right to receive a pro rata portion of up to 17,500,000 shares of Class A common stock of New MoneyLion (the “Earn Out Shares”). See the “*Sources and Uses of Funds for the Business Combination*” section for more information.

Pursuant to the Merger Agreement, at the effective time of the Business Combination (the “Effective Time”), the stock consideration to be issued to the then current holders of stock in MoneyLion will be in the form of Class A common stock of New MoneyLion. Additionally, each outstanding option to purchase shares of MoneyLion common stock (a “MoneyLion option”) that is outstanding and unexercised, whether or not then vested or exercisable, will be assumed by New MoneyLion and will be converted into an option to acquire Class A common stock of New MoneyLion with the same terms and conditions as applied to the MoneyLion option immediately prior to the Effective Time; provided that the number of shares underlying such New MoneyLion option will be determined by multiplying the number of shares of MoneyLion common stock subject to such option immediately prior to the Effective Time, by the ratio determined by dividing the per share merger consideration value by \$10.00 (the quotient being the “option exchange ratio”), which product shall be rounded down to the nearest whole number of shares, and the per share exercise price of such New MoneyLion option will be determined by dividing the per share exercise price immediately prior to the Effective Time by the option exchange ratio, which quotient shall be rounded up to the nearest whole cent.

Pursuant to the Merger Agreement, at the Effective Time, each warrant to purchase shares of MoneyLion capital stock that is issued and outstanding prior to the Effective Time and has not been exercised or terminated pursuant to its terms will be assumed and converted into a warrant exercisable for shares of Class A common stock of New MoneyLion.

In addition, the Merger Agreement contemplates that holders of MoneyLion common stock and certain participating option holders and warrant holders (each, an “Earn Out Participant”, as defined in the Merger Agreement), following the closing of the Business Combination and for a period of five years thereafter, will be eligible to receive the Earn Out Shares, subject to certain price milestones that are more fully set out in the Merger Agreement (each, a “Triggering Event”). Upon the occurrence of a Triggering Event, New MoneyLion will release such Earn Out Shares to the holders of MoneyLion’s common stock, and participating option holders and warrant holders of MoneyLion as of the Closing.

In connection with the execution of the Merger Agreement, Fusion Sponsor LLC, a Delaware limited liability company (the “Sponsor”) entered into a support agreement (the “Sponsor Support Agreement”) with Fusion, MoneyLion and Fusion’s directors and officers (the “Insiders”), pursuant to which the Sponsor agreed, among other things, to vote all shares of Subject Securities (as defined in the Sponsor Support Agreement), and take certain other actions in support of the Business Combination. In addition, Fusion, the Sponsor and the Insiders agreed to amend that certain letter agreement, dated as of June 25, 2020, so that the Lock-Up Period (as defined in the Sponsor Support Agreement) applicable to the Subject Securities (other than any Private Placement Warrants (as defined in the Merger Agreement))

[Table of Contents](#)

held by the Sponsor will end on the earlier of (a) 180 days after the closing date of the Business Combination (the “Closing Date”) and (b) the date on which the closing price of the shares of Class A common stock of New MoneyLion is equal to or greater than \$12.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any 20 trading days within any 30-trading day period; provided that, for purposes of this clause (b), the measurement period for determining the closing price of the share of Class A common stock of New MoneyLion shall commence no earlier than 60 days following the Closing Date. [The percentage of outstanding shares subject to the Sponsor Support Agreement is approximately [*]% of the voting power of Fusion.]

[The total maximum number of shares of New MoneyLion common stock expected to be issued at the consummation of the Business Combination (the “Closing”) is approximately [*], assuming there are no redemptions of our Class A common stock and MoneyLion does not elect to take any cash as part of the merger consideration at Closing. Holders of shares of MoneyLion capital stock will hold, in the aggregate, between approximately [*]% and [*]% of the issued and outstanding shares of New MoneyLion Class A common stock immediately following the Closing.]

Immediately prior to the effective time of the Business Combination, each of the currently issued and outstanding shares of Fusion Class B common stock will automatically convert, on a one-for-one basis, into shares of Fusion Class A common stock in accordance with the terms of the Current Charter. Thereafter, in connection with the Closing, each of the then issued and outstanding shares of Fusion Class A common stock will become shares of New MoneyLion Class A common stock.

Fusion’s units, Class A common stock and public warrants are publicly traded on the New York Stock Exchange (the “NYSE”) under the symbols “FUSE.U,” “FUSE” and “FUSE WS”, respectively. Fusion intends to apply to list the New MoneyLion Class A common stock and public warrants on the NYSE under the symbols “ML” and “ML WS”, respectively, upon the Closing of the Business Combination. New MoneyLion will not have units traded following Closing.

Fusion will hold a special meeting of stockholders (the “Special Meeting”) to consider matters relating to the Business Combination. Fusion cannot complete the Business Combination unless Fusion’s stockholders consent to the approval of the Merger Agreement and the transactions contemplated thereby. Fusion is sending you this proxy statement/prospectus to ask you to vote in favor of these and the other matters described in this proxy statement/prospectus.

Unless adjourned, the Special Meeting of the stockholders of Fusion will be held at [*], New York City time, on [*], 2021 at [*]. NOTICE OF SPECIAL MEETING OF STOCKHOLDERS
TO BE HELD ON [•], 2021

TO THE STOCKHOLDERS OF FUSION ACQUISITION CORP.:

NOTICE IS HEREBY GIVEN that a special meeting (the “Special Meeting”) of the stockholders of Fusion Acquisition Corp., a Delaware corporation (“Fusion,” “we,” “us” or “our”), will be held at [•], New York City time, on [•], 2021 at [•]. You are cordially invited to attend the Special Meeting, which will be held for the following purposes:

- (a) **Proposal No. 1 — The Business Combination Proposal** — to consider and vote upon a proposal to approve the agreement and plan of merger, dated as of February 11, 2021 (as may be amended and/or restated from time to time, the “Merger Agreement”), by and among Fusion Acquisition Corp. (“Fusion”), ML Merger Sub Inc., a Delaware corporation and a wholly-owned subsidiary of Fusion (“Merger Sub”), and MoneyLion Inc., a Delaware corporation (“MoneyLion”); and the transactions contemplated thereby, pursuant to which Merger Sub will merge with and into MoneyLion with MoneyLion surviving the merger as a wholly owned subsidiary of Fusion (the transactions contemplated by the Merger Agreement, the “Business Combination” and such proposal, the “Business Combination Proposal”);
 - (b) **Proposal No. 2 — The Charter Proposal** — to consider and vote upon a proposal to approve, assuming the Business Combination Proposal is approved and adopted, the proposed fourth amended and restated certificate of incorporation of Fusion (the “Proposed Charter”), which will replace Fusion’s third amended and restated certificate of incorporation, dated June 25, 2020 (the “Current Charter”), and will be in effect upon the consummation of the Business Combination (we refer to such proposal as the “Charter Proposal”);
 - (c) **Proposal No. 3 — The Advisory Charter Proposals** — to consider and vote upon separate proposals to approve, on a non-binding advisory basis, the following material differences between the Proposed Charter and the Current Charter, which are being presented in accordance with the requirements of the SEC as six separate sub-proposals (we refer to such proposals as the “Advisory Charter Proposals”):
 - (i) to provide that New MoneyLion will have authorized capital stock of [•] shares, consisting of [•] shares of Class A common stock, par value \$0.0001 per share (the “New MoneyLion Class A common stock”) and [•] shares of preferred stock, par value \$0.0001 per share, as opposed to Fusion having authorized capital stock of 401,000,000 shares, consisting of 380,000,000 shares of Fusion Class A common stock, 20,000,000 shares of Fusion Class B common stock and 1,000,000 shares of preferred stock (we refer to such proposal as “Advisory Charter Proposal A”);
 - (ii) to provide that directors of New MoneyLion may be removed from office only for cause and only with the affirmative vote of the holders of at least 66 2/3% of the voting power of the outstanding shares of stock of New MoneyLion (we refer to this proposal as “Advisory Charter Proposal B”);
 - (iii) to change the stockholder vote required to amend certain provisions of the Proposed Charter (we refer to this proposal as “Advisory Charter Proposal C”);
 - (iv) to change the stockholder vote required to amend the amended and restated bylaws of New MoneyLion (the “Proposed Bylaws”) (we refer to this proposal as “Advisory Charter Proposal D”);
 - (v) to prohibit stockholders from acting by written consent by specifying that any action required or permitted to be taken by stockholders must be effected by a duly called annual or special meeting and may not be effected by written consent; (we refer to such proposal as “Advisory Charter proposal E”);
-

- (vi) to provide for certain additional changes, including, among other things, (i) changing the post-business combination company's corporate name from "Fusion Acquisition Corp." to "MoneyLion Inc." and making the company's corporate existence perpetual and (ii) removing certain provisions related to our status as a blank check company that will no longer apply upon consummation of the Business Combination, all of which our board of directors believes are necessary to adequately address the needs of the post-business combination Company (we refer to such proposal as "Advisory Charter proposal F").
- (d) **Proposal No. 4 — The Stock Issuance Proposal** — to consider and vote upon a proposal to approve, assuming the Business Combination Proposal and the Charter Proposal are approved and adopted, for the purposes of complying with the applicable listing rules of the NYSE, the issuance of (x) shares of Fusion Class A common stock pursuant to the terms of the Merger Agreement and (y) shares of Fusion Class A common stock to certain institutional investors (the "PIPE Investors") in connection with the Private Placement (as defined below) (we refer to this proposal as the "Stock Issuance Proposal");
- (e) **Proposal No. 5 — The Incentive Plan Proposal** — to consider and vote upon a proposal to approve, assuming the Business Combination Proposal, the Charter Proposal and the Stock Issuance Proposal are approved and adopted, the MoneyLion Inc. Incentive Plan (the "Incentive Plan"), a copy of which is attached to this proxy statement/prospectus as [Annex E](#), including the authorization of the initial share reserve under the Incentive Plan (we refer to such proposals as the "Incentive Plan Proposal");
- (f) **Proposal No. 6 — The ESPP Proposal** — to consider and vote upon a proposal to approve, assuming the Business Combination Proposal, the Charter Proposal, the Stock Issuance Proposal and the Incentive Plan Proposal are approved and adopted, the MoneyLion Inc. Employee Stock Purchase Plan (the "ESPP"), a copy of which is attached to this proxy statement/prospectus as Annex F, including the authorization of the initial share reserve under the ESPP (we refer to such proposals as the "ESPP Proposal");
- (g) **Proposal No. 7 — The Adjournment Proposal** — to consider and vote upon a proposal to approve the adjournment of the Special Meeting to a later date or dates, if necessary, to permit further solicitation and vote of proxies if, based upon the tabulated vote at the time of the Special Meeting, any of the Business Combination Proposal, the Charter Proposal, the Stock Issuance Proposal, the Incentive Plan Proposal and the ESPP Proposal (together the "condition precedent proposals") would not be duly approved and adopted by our stockholders or we determine that one or more of the closing conditions under the Merger Agreement is not satisfied or waived (we refer to this proposal as the "Adjournment Proposal").

Only holders of record of shares of Fusion's Class A common stock and Class B common stock (collectively, "Fusion Shares") at the close of business on [•], 2021 are entitled to notice of and to vote and have their votes counted at the Special Meeting and any further adjournments or postponements of the Special Meeting.

We will provide you with the proxy statement/prospectus and a proxy card in connection with the solicitation of proxies to be voted at the Special Meeting and at any adjournment of the Special Meeting. Whether or not you plan to attend the Special Meeting, we urge you to read, when available, the proxy statement/prospectus (and any documents incorporated into the proxy statement/prospectus by reference) carefully. Please pay particular attention to the section entitled "*Risk Factors*."

After careful consideration, Fusion's board of directors has determined that each of the Business Combination Proposal, the Charter Proposal, the Advisory Charter Proposals, the Stock Issuance Proposal, the Incentive Plan Proposal, the ESPP Proposal and the Adjournment Proposal are in the best interests of Fusion and its stockholders and unanimously recommends that you vote or give instruction to vote "**FOR**" each of those proposals.

The existence of financial and personal interests of Fusion's directors and officers may result in a conflict of interest on the part of one or more of the directors between what they may believe is in the best interests of Fusion and its stockholders and what they may believe is best for himself or themselves in determining to recommend that stockholders vote for the proposals. See the section entitled "*The Business Combination Proposal — Interests of Fusion's Directors and Officers in the Business Combination*" in the proxy statement/prospectus for a further discussion.

[Table of Contents](#)

Under the Merger Agreement, the approval of the condition precedent proposals presented at the Special Meeting is a condition to the consummation of the Business Combination. The adoption of each condition precedent proposal is conditioned on the approval of all of the condition precedent proposals. If our stockholders do not approve each of the condition precedent proposals, the Business Combination may not be consummated. The Adjournment Proposal and the Advisory Charter Proposals are not conditioned on the approval of any other proposal.

In connection with the execution of the Merger Agreement, Fusion, Fusion Sponsor LLC, a Delaware limited liability company (our “Sponsor”), Fusion’s directors and executive officers entered into a sponsor support agreement (the “Sponsor Support Agreement”) with MoneyLion, pursuant to which, among other things, the Sponsor agreed to vote its shares of Fusion Class B common stock purchased prior to our initial public offering (the “founder shares”), as well as any shares of Fusion Class A common stock sold as part of the units by us in our initial public offering (the “public shares”) purchased by it during or after our initial public offering, in favor of the Business Combination Proposal and all of the other proposals being presented at the Special Meeting. As of the date hereof, our Sponsor owns approximately 20% of our total outstanding common stock.

Pursuant to the Current Charter, a holder of public shares (a “public stockholder”) may request that Fusion redeem all or a portion of its public shares for cash if the Business Combination is consummated. As a public stockholder, and assuming the Business Combination is consummated, you will be entitled to receive cash for any public shares to be redeemed only if you:

- (i) (a) hold public shares or (b) hold public shares through units and you elect to separate your units into the underlying public shares and public warrants prior to exercising your redemption rights with respect to the public shares; and
- (ii) prior to [•], New York City time, on [•], 2021, (a) submit a written request, including the legal name, phone number and address of the beneficial owner of the shares for which redemption is requested, to Continental Stock Transfer & Trust Company, Fusion’s transfer agent (the “transfer agent”), that Fusion redeem your public shares for cash and (b) deliver your public shares to the transfer agent, physically or electronically through Depository Trust Company (“DTC”).

Holders of units must elect to separate the underlying public shares and public warrants prior to exercising redemption rights with respect to the public shares. If holders hold their units in an account at a brokerage firm or bank, holders must notify their broker or bank that they elect to separate the units into the underlying public shares and public warrants, or if a holder holds units registered in its own name, the holder must contact the transfer agent, directly and instruct it to do so. Public stockholders may elect to redeem all or a portion of their public shares even if they vote for the Business Combination Proposal. If the Business Combination is not consummated, the public shares will not be redeemed for cash. If the Business Combination is consummated and a public stockholder properly exercises its right to redeem its public shares and timely delivers its shares to the transfer agent, we will redeem each public share for a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account established in connection with our initial public offering (the “Trust Account”), calculated as of two business days prior to the consummation of the Business Combination, including interest earned on the funds held in the Trust Account (which interest shall be net of taxes payable and up to \$100,000 of interest to pay dissolution expenses), divided by the number of then issued and outstanding public shares. For illustrative purposes, as of September 30, 2020, this would have amounted to approximately \$10.00 per public share. If a public stockholder exercises its redemption rights, then it will be exchanging its redeemed public shares for cash and will no longer own such shares. Any request to redeem public shares, once made, may be withdrawn at any time until the deadline for submitting redemption requests and thereafter, with our consent, until the consummation of the Business Combination. If a holder of a public share delivers its shares in connection with an election to redeem and subsequently decides prior to the deadline for submitting redemption requests not to elect to exercise such rights, it may simply request that Fusion instruct the transfer agent to return the shares (physically or electronically). The holder can make such request by contacting the transfer agent, at the address or email address listed in this proxy statement/prospectus. See “*The Special Meeting — Redemption Rights*” in the proxy statement/prospectus for a detailed description of the procedures to be followed if you wish to redeem your public shares for cash.

[Table of Contents](#)

Notwithstanding the foregoing, a holder of public shares, together with any affiliate of such public stockholder or any other person with whom such public stockholder is acting in concert or as a “group” (as defined in Section 13(d)(3) of the Securities Exchange Act of 1934, as amended), will be restricted from redeeming its public shares with respect to more than an aggregate of 15% of the public shares. Accordingly, if a public stockholder, alone or acting in concert or as a group, seeks to redeem more than 15% of the public shares, then any such shares in excess of that 15% limit would not be redeemed for cash.

Furthermore, Fusion entered into subscription agreements with the PIPE Investors, pursuant to which the PIPE Investors have agreed to purchase immediately prior to the consummation of the Business Combination an aggregate of 25,000,000 shares of Fusion Class A common stock at a purchase price of \$10.00 per share (the “Private Placement”). In connection with the consummation of the Business Combination, all of the issued and outstanding shares of Fusion Class A common stock, including the shares of Fusion Class A common stock issued to the PIPE Investors, will become shares of New MoneyLion Class A common stock.

All Fusion stockholders are cordially invited to attend the Special Meeting which will be held in virtual format. You will not be able to physically attend the Special Meeting. To ensure your representation at the Special Meeting, however, you are urged to complete, sign, date and return the proxy card accompanying the proxy statement/prospectus as soon as possible. If you are a stockholder of record holding shares of Fusion Shares, you may also cast your vote at the Special Meeting electronically by visiting [•]. If your shares are held in an account at a brokerage firm or bank, you must instruct your broker or bank on how to vote your shares or, if you wish to attend the Special Meeting and vote electronically, obtain a proxy from your broker or bank. The Charter Proposal requires the affirmative vote of the holders of at least a majority of the outstanding shares of Fusion Shares, voting as a single class. Accordingly, if you do not vote or do not instruct your broker or bank how to vote, it will have the same effect as a vote “AGAINST” the Charter Proposal. Because approval of the other proposals only require a majority of the votes cast, assuming a quorum is established at the Special Meeting, if you do not vote or do not instruct your broker or bank how to vote, it will have no effect on these other proposals because such action would not count as a vote cast at the Special Meeting.

Your vote is important regardless of the number of shares you own. Whether you plan to attend the Special Meeting or not, please sign, date and return the proxy card accompanying the proxy statement/prospectus as soon as possible in the envelope provided. If your shares are held in “street name” or are in a margin or similar account, you should contact your broker to ensure that votes related to the shares you beneficially own are properly counted.

If you have any questions or need assistance voting your common stock, please contact Morrow Sodali LLC, our proxy solicitor, by calling (800) 662-5200, or banks and brokers can call collect at (203) 658-9400, or by emailing [•].info@investor.morrowsodali.com. This notice of special meeting is and the proxy statement/prospectus relating to the Business Combination will be available at [•].

Thank you for your participation. We look forward to your continued support.

[•], 2021

_____ Jim Ross
Non-Executive Chairman

QUESTIONS AND ANSWERS ABOUT THE BUSINESS COMBINATION AND THE SPECIAL MEETING

The following are answers to certain questions that you may have regarding the Business Combination and the Special Meeting. Fusion urges you to read carefully the remainder of this document because the information in this section may not provide all the information that might be important to you in determining how to vote. Additional important information is also contained in the appendices to, and the documents incorporated by reference in, this proxy statement/prospectus.

Q: *Why am I receiving this proxy statement/prospectus?*

A: Fusion is proposing to consummate the Business Combination with MoneyLion. Fusion, Merger Sub and MoneyLion, have entered into the Merger Agreement, the terms of which are described in this proxy statement/ prospectus. A copy of the Merger Agreement is attached hereto as Annex A. Fusion urges its stockholders to read the Merger Agreement in its entirety.

The Merger Agreement must be adopted by the Fusion Stockholders in accordance with the DGCL and the Current Charter. Fusion is holding a Special Meeting to obtain that approval. Fusion Stockholders will also be asked to vote on certain other matters described in this proxy statement/prospectus at the Special Meeting and to approve the adjournment of the Special Meeting, if necessary or appropriate, to solicit additional proxies in the event there are not sufficient votes at the time of the Special Meeting to adopt the Merger Agreement and thereby approve the Business Combination.

THE VOTE OF FUSION STOCKHOLDERS IS IMPORTANT. FUSION STOCKHOLDERS ARE URGED TO SUBMIT THEIR PROXIES AS SOON AS POSSIBLE AFTER CAREFULLY REVIEWING THIS PROXY STATEMENT/PROSPECTUS AND CAREFULLY CONSIDERING EACH OF THE PROPOSALS BEING PRESENTED AT THE MEETING.

Q: *Why is Fusion proposing the Business Combination?*

A: Fusion was formed for the purpose of effecting a merger, capital stock exchange, asset acquisition, stock purchase, reorganization or other similar business combination with one or more operating businesses.

Based on its due diligence investigations of MoneyLion and the industries in which it operates, including the financial and other information provided by MoneyLion in the course of Fusion's due diligence investigations, the Fusion Board believes that the Business Combination with MoneyLion is in the best interests of Fusion and its stockholders and presents an opportunity to increase stockholder value. However, there can be no assurances of this.

Although Fusion Board believes that the Business Combination with MoneyLion presents a unique business combination opportunity and is in the best interests of Fusion and its stockholders, the board of directors did consider certain potentially material negative factors in arriving at that conclusion. See "*The Business Combination Proposal — The Fusion Board's Reasons for Approval of the Business Combination*" for a discussion of the factors considered by the Fusion Board in making its decision.

Q: *What is MoneyLion?*

A: MoneyLion Inc. is an all-in-one, digital financial platform that provides convenient, lowcost access to banking, borrowing and investing solutions tailored for its customers, rooted in data, and delivered through its proprietary technology platform. MoneyLion addresses its customers from a data-driven perspective of the individual and their specific circumstances. When customers enjoy periods of financial excess, MoneyLion provides tools for them to easily manage their spending and saving goals through its digital banking and automated investing solutions. When customers experience moments of financial need, MoneyLion provides them immediate access to innovative lending products and credit improvement programs that can bridge these times of financial stress and improve their financial health.

Q: *What are the conditions to completion of the Business Combination?*

A: The Closing is subject to certain conditions, including, among other things, (i) approval by Fusion's stockholders and MoneyLion's stockholders of the Merger Agreement, the Business Combination and certain other actions related thereto, (ii) the expiration or termination of the waiting period (or any extension thereof)

applicable under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 (the “HSR Act”), (iii) the absence of a material adverse effect with respect to MoneyLion, (iv) Fusion having at least \$260,000,000 of cash at the Closing, consisting of cash held in the Trust Account after taking into account the exercise by the holders of shares of Fusion Class A common stock issued in Fusion’s initial public offering of securities of their right to redeem such shares of Fusion Class A common stock in accordance with Fusion’s governing documents, if any, and cash received from PIPE Investors, net of transaction expenses of Fusion and MoneyLion and (v) the continued listing of the shares of New MoneyLion common stock on the NYSE. Unless waived, if any of these conditions are not satisfied, the Business Combination may not be consummated. Furthermore, in no event will we redeem our public shares in an amount that would cause our net tangible assets to be less than \$5,000,001. See the section entitled “*The Business Combination Proposal*.”

Q: When and where will the Special Meeting take place?

A: The special meeting of Fusion Stockholders (the “Special Meeting”) will be held on [•], 2021, at [•] New York City time, at [•].

In light of ongoing developments related to COVID-19, and the related protocols that governments have implemented, the Fusion Board determined that the Special Meeting will be a virtual meeting conducted exclusively via live webcast. The Fusion Board believes that this is the right choice for Fusion and its stockholders at this time, as it permits stockholders to attend and participate in the Special Meeting while safeguarding the health and safety of Fusion’s stockholders, directors and management team. You will be able to attend the Special Meeting online, vote, view the list of stockholders entitled to vote at the Special Meeting and submit your questions during the Special Meeting by visiting [•]. To participate in the virtual meeting, you will need a 12-digit control number assigned by Continental Stock Transfer & Trust Company. The meeting webcast will begin promptly at [•], New York City time. We encourage you to access the meeting prior to the start time and you should allow ample time for the check-in procedures. Because the Special Meeting will be a completely virtual meeting, there will be no physical location for stockholders to attend.

Beneficial stockholders (those holding shares through a stock brokerage account or by a bank or other holder of record) who wish to attend the virtual meeting must obtain a legal proxy by contacting their account representative at the bank, broker, or other nominee that holds their shares and e-mail a copy (a legible photograph is sufficient) of their legal proxy to proxy@continentalstock.com. Beneficial stockholders who e-mail a valid legal proxy will be issued a meeting control number that will allow them to register to attend and participate in the Special Meeting. After contacting Continental Stock Transfer & Trust Company, a beneficial holder will receive an e-mail prior to the meeting with a link and instructions for entering the Special Meeting. Beneficial stockholders should contact Continental Stock Transfer & Trust Company at least five business days prior to the meeting date in order to ensure access.

Q: What matters will be considered at the Special Meeting?

A: The Fusion Stockholders will be asked to consider and vote on the following proposals:

- a proposal to adopt the Merger Agreement and approve the Business Combination (the “Business Combination Proposal”);
- a proposal to approve, assuming the Business Combination Proposal is approved and adopted, the Proposed Charter (the “Charter Proposal”);
- a proposal to approve, on a non-advisory basis and as required by applicable SEC guidance, certain material differences between the Current Charter and the Proposed Charter (the “Advisory Charter Proposals”);
- to consider and vote upon a proposal to approve, assuming the Business Combination Proposal and the Charter Proposal are approved and adopted, for the purposes of complying with the applicable listing rules of the NYSE, the issuance of shares of New MoneyLion Class A common stock pursuant to the terms of the Merger Agreement (the “Stock Issuance Proposal”);
- to consider and vote upon a proposal to approve, assuming the Business Combination Proposal, the Charter Proposal and the Stock Issuance Proposal are approved and adopted, the MoneyLion Inc. Incentive Plan (the “Incentive Plan Proposal”);

- to consider and vote upon a proposal to approve, assuming the Business Combination Proposal, the Charter Proposal, the Stock Issuance Proposal and the Incentive Plan Proposal are approved and adopted, the MoneyLion Inc. Employee Stock Purchase Plan (the “ESPP Proposal”); and
- to consider and vote upon a proposal to approve the adjournment of the Special Meeting to a later date or dates, if necessary, to permit further solicitation and vote of proxies if, based upon the tabulated vote at the time of the Special Meeting, any of the condition precedent proposals would not be duly approved and adopted by our stockholders or we determine that one or more of the closing conditions under the Merger Agreement is not satisfied or waived (the “Adjournment Proposal”).

Q: Is my vote important?

A: Yes. The Business Combination cannot be completed unless the Merger Agreement is adopted by the Fusion Stockholders holding a majority of the votes cast on such proposal and the other condition precedent proposals achieve the necessary vote outlined below. Only Fusion Stockholders as of the close of business on [•], 2021, the record date for the Special Meeting, are entitled to vote at the Special Meeting. The Fusion Board unanimously recommends that such Fusion Stockholders vote “**FOR**” the approval of the Business Combination Proposal, “**FOR**” the approval of the Charter Proposal, “**FOR**” the approval, on an advisory basis, of the Advisory Charter Proposals, “**FOR**” the approval of the Stock Issuance Proposal, “**FOR**” the approval of the Incentive Plan Proposal, “**FOR**” the approval of the ESPP Proposal and “**FOR**” the approval of the Adjournment Proposal.

Q: If my shares are held in “street name” by my bank, brokerage firm or other nominee, will my bank, brokerage firm or other nominee automatically vote those shares for me?

A: No. A “broker non-vote” occurs when a broker submits a proxy that states that the broker does not vote for some or all of the proposals because the broker has not received instructions from the beneficial owners on how to vote on the proposals and does not have discretionary authority to vote in the absence of instructions. Under the relevant rules, brokers are not permitted to vote on any of the matters to be considered at the Special Meeting. As a result, your public shares will not be voted on any matter unless you affirmatively instruct your broker, bank or nominee how to vote your shares in one of the ways indicated by your broker, bank or other nominee. You should instruct your broker to vote your shares in accordance with directions you provide.

Q: What Fusion Stockholder vote is required for the approval of each proposal brought before the Special Meeting? What will happen if I fail to vote or abstain from voting on each proposal?

A: ***The Business Combination Proposal.*** Approval of the Business Combination Proposal requires the affirmative vote of a majority of the votes cast by Fusion Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. The failure to vote, abstentions and broker non-votes will have no effect on the outcome of the proposal. Our Sponsor, directors and executive officers have agreed to vote their shares in favor of the Business Combination Proposal. Our Sponsor currently owns 20% of our outstanding common stock. Accordingly, if all of our outstanding shares were to be voted, we would only need the additional affirmative vote of shares representing approximately 37.5% of the outstanding shares in order to approve the Business Combination Proposal. Because the Business Combination Proposal only requires a majority of the votes cast at the Special Meeting in order to be approved and because a quorum will exist at the Special Meeting if a majority of the outstanding Fusion Shares as of the record date are present, the Business Combination Proposal could be approved by the additional affirmative vote of shares representing as little as 6.3% of the outstanding shares.

The Charter Proposal. Approval of the Charter Proposal requires the affirmative vote of the holders of at least a majority of the outstanding Fusion Shares entitled to vote thereon, voting as a single class. The failure to vote, abstentions and broker non-votes have the same effect as a vote “**AGAINST**” the proposal.

The Advisory Charter Proposals. Approval of each of the Advisory Charter Proposals, each of which is a non-binding vote, requires the affirmative vote of a majority of the votes cast by Fusion Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. The failure to vote, abstentions and broker non-votes have no effect on the outcome of the proposal.

The Stock Issuance Proposal. Approval of the Stock Issuance Proposal requires the affirmative vote of a majority of the votes cast by Fusion Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. The failure to vote and broker non-votes have no effect on the outcome of the proposal. However, the NYSE considers abstentions as “votes cast” and, therefore, abstentions will have the same effect as votes “**AGAINST**” this proposal.

The Incentive Plan Proposal. Approval of the Incentive Plan Proposal requires the affirmative vote of a majority of the votes cast by Fusion Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. The failure to vote and broker non-votes have no effect on the outcome of the proposal. However, the NYSE considers abstentions as “votes cast” and, therefore, abstentions will have the same effect as votes “**AGAINST**” this proposal.

The ESPP Proposal. Approval of the ESPP Proposal requires the affirmative vote of a majority of the votes cast by Fusion Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by a proxy at the Special Meeting and entitled to vote thereon. The failure to vote and broker non-votes have no effect on the outcome of the proposal. However, the NYSE considers abstentions as “votes cast” and, therefore, abstentions will have the same effect as votes “**AGAINST**” this proposal.

The Adjournment Proposal. Approval of the Adjournment Proposal requires the affirmative vote of a majority of the votes cast by Fusion Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. The failure to vote, abstentions and broker non-votes have no effect on the outcome of the proposal.

Q: What will MoneyLion’s equity holders receive in connection with the Business Combination?

A: The aggregate value of the consideration paid in respect of MoneyLion is \$2,200,000,000.00. The aggregate consideration to be paid to MoneyLion stockholders shall be (i) shares of New MoneyLion Class A common stock (valued at \$10.00 per share), and, if elected by MoneyLion, cash consideration up to the lower of (A) the amount (which may be zero) by which the Parent Closing Cash exceeds \$260,000,000 and (B) \$100,000,000, and (ii) the contingent right to receive a pro rata portion of up to 17,500,000 shares of New MoneyLion Class A common stock (the “Earn Out Shares”). See the “*Sources and Uses of Funds for the Business Combination*” section for more information.

Pursuant to the Merger Agreement, at the Effective Time, the stock consideration to be issued to the then current holders of stock in MoneyLion will be in the form of New MoneyLion Class A common stock.

Additionally, each outstanding option to purchase shares of MoneyLion common stock (a “MoneyLion option”) that is outstanding and unexercised, whether or not then vested or exercisable, will be assumed by New MoneyLion and will be converted into an option to acquire New MoneyLion Class A common stock with the same terms and conditions as applied to the MoneyLion option immediately prior to the Effective Time; provided that the number of shares underlying such New MoneyLion option will be determined by multiplying the number of shares of MoneyLion common stock subject to such option immediately prior to the Effective Time, by the ratio determined by dividing the per share merger consideration value by \$10.00 (the quotient being the “option exchange ratio”), which product shall be rounded down to the nearest whole number of shares, and the per share exercise price of such New MoneyLion option will be determined by dividing the per share exercise price immediately prior to the Effective Time by the option exchange ratio, which quotient shall be rounded up to the nearest whole cent.

Pursuant to the Merger Agreement, at the Effective Time, each warrant to purchase shares of MoneyLion capital stock that is issued and outstanding prior to the Effective Time and has not been exercised or terminated pursuant to its terms will be assumed and converted into a warrant exercisable for shares of Class A common stock of New MoneyLion.

In addition, the Merger Agreement contemplates that the Earn Out Participants (as defined in the Merger Agreement), following the closing of the Business Combination and for a period of five years thereafter, will be eligible to receive the Earn Out Shares, subject to certain price milestones that are more fully set out in the Merger Agreement (each, a “Triggering Event”). Upon the occurrence of a Triggering Event, New MoneyLion will release such Earn Out Shares to the holders of MoneyLion’s common stock, and participating option holders and warrant holders.

Q: What equity stake will current Fusion Stockholders and MoneyLion stockholders hold in New MoneyLion immediately after the consummation of the Business Combination?

A: It is anticipated that, upon completion of the Business Combination, the ownership interests in New MoneyLion will be as set forth in the table below:

	Assuming No Redemptions of Public Shares	Assuming Maximum Redemptions of Public Shares ⁽¹⁾
MoneyLion stockholders ⁽²⁾		
Fusion public stockholders		
PIPE Investors		
Sponsor		

(1) Assumes that holders of [*] public shares exercise their redemption rights in connection with the Business Combination (maximum redemption scenario based on \$[*] million held in trust as of [•], 2021 and a redemption price of \$10.00 per share).

(2) Assumes that the aggregate cash consideration is \$[*] million in the no redemption scenario and \$[*] million in the maximum redemption scenario, based on estimated cash on hand at closing and includes both the shares of Class A common stock and Class B common stock to be issued and outstanding (but not the [*] shares of common stock underlying the MoneyLion warrants).

For more information, please see the section entitled “Unaudited Pro Forma Condensed Combined Financial Information.”

In addition, there are currently outstanding an aggregate of 25,600,000 warrants to acquire shares of Fusion Class A common stock, which comprise 8,100,000 private placement warrants held by our initial stockholders and 17,500,000 public warrants. Each of our outstanding whole warrants is exercisable commencing the later of 30 days following the Closing and 12 months from the closing of our initial public offering, which occurred on June 30, 2020, for one share of Fusion Class A common stock and, following the Closing, will entitle the holder thereof to purchase one share of New MoneyLion Class A common stock in accordance with its terms. Therefore, as of the date of this proxy statement/prospectus, if we assume that each outstanding whole warrant is exercised and one share of New MoneyLion Class A common stock is issued as a result of such exercise, with payment to New MoneyLion of the exercise price of \$11.50 per whole warrant for one whole share, our fully diluted share capital would increase by a total of [*] shares, with approximately \$[*] paid to exercise the warrants.

Q: What happens to the funds deposited in the Trust Account after consummation of the Business Combination?

A: A total of \$350 million, including approximately \$13,150,000 of underwriters’ deferred discount and approximately \$8,100,000 of the proceeds of the sale of the private placement warrants, was placed in a Trust Account maintained by Continental, acting as trustee. As of September 30, 2020, there were investments and cash held in the Trust Account of \$350,108,734. These funds will not be released until the earlier of Closing or the redemption of our public shares if we are unable to complete an initial Business Combination by December 31, 2021, although we may withdraw the interest earned on the funds held in the Trust Account to pay taxes.

Q: What happens if a substantial number of the public stockholders vote in favor of the Business Combination Proposal and exercise their redemption right?

A: Fusion Stockholders who vote in favor of the Business Combination may also nevertheless exercise their redemption rights. Accordingly, the Business Combination may be consummated even though the funds available from the Trust Account and the number of public stockholders are reduced as a result of redemptions

by public stockholders. Nonetheless, the consummation of the Business Combination is conditioned upon, among other things, Fusion having an aggregate cash amount of at least \$260,000,000 of cash at the Closing, consisting of cash held in the Trust Account after taking into account the exercise by the holders of shares of Fusion Class A common stock issued in Fusion's initial public offering of securities of their right to redeem such shares of Fusion Class A common stock in accordance with Fusion's governing documents, if any, and cash received from PIPE Investors, net of transaction expenses of Fusion and MoneyLion (the "Minimum Proceeds Condition") (though this condition may be waived by MoneyLion). Fusion intends to notify Fusion Stockholders by press release promptly after it becomes aware that MoneyLion has waived this condition. In addition, with fewer public shares and public stockholders, the trading market for New MoneyLion Class A common stock may be less liquid than the market for Fusion Class A common stock was prior to consummation of the Business Combination and New MoneyLion may not be able to meet the listing standards for the NYSE or another national securities exchange. In addition, with less funds available from the Trust Account, the working capital infusion from the Trust Account into New MoneyLion's business will be reduced. As a result, the proceeds will be greater in the event that no public stockholders exercise redemption rights with respect to their public shares for a pro rata portion of the Trust Account as opposed to the scenario in which Fusion's public stockholders exercise the maximum allowed redemption rights.

Furthermore, our Current Charter provides that we may not redeem our public shares in an amount that would cause our net tangible assets to be less than \$5,000,001 (such that we are not subject to the SEC's "penny stock" rules) or any greater net tangible asset or cash requirement which may be contained in the Merger Agreement. Other than this limitation, our Current Charter does not provide a specified maximum redemption threshold.

Q: What amendments will be made to the Current Charter?

- A: We are asking Fusion Stockholders to approve the Proposed Charter that will be effective upon the consummation of the Business Combination. The Proposed Charter provides for various changes that the Fusion Board believes are necessary to address the needs of the post-Business Combination company, including, among other things: (i) changing the post-combination company's name to MoneyLion Inc., (ii) removing the blank check company provisions, (iii) changing the stock classes and the total number of authorized shares of common stock to [*] shares, (iv) changing the stockholder vote required to 662/3% in voting power of then outstanding shares of New MoneyLion Class A common stock to (A) alter, amend or repeal the bylaws, (B) remove a director and (C) amend, alter or repeal certain provisions of the Proposed Charter and (v) providing that stockholders may not take action by written consent.

Pursuant to the DGCL and the Current Charter, Fusion is required to submit the Charter Proposal to the Fusion Stockholders for approval. For additional information, see the section entitled "*The Charter Proposal*."

Q: What material negative factors did the Fusion Board consider in connection with the Business Combination?

- A: Although the Fusion Board believes that the acquisition of MoneyLion will provide the Fusion Stockholders with an opportunity to participate in a combined company with significant growth potential, market share and a well-known brand, the Fusion Board did consider certain potentially material negative factors in arriving at that conclusion, such as the risk that Fusion Stockholders would not approve the Business Combination and the risk that significant numbers of Fusion Stockholders would exercise their redemption rights. In addition, during the course of Fusion management's evaluation of MoneyLion's operating business and its public company potential, management conducted detailed due diligence on certain potential challenges. Some factors that both Fusion management and the Fusion Board considered were (i) the ability to unlock and enhance shareholder value, (ii) the ability of the business to innovate through new operation techniques, (iii) the business's ability to demonstrate advantages when compared to their competitors, (iv) the creation of a growing environment toward digital banking and (v) the financial profile of the business and its prospects for continued growth. These factors are discussed in greater detail in the section entitled "*The Business Combination Proposal — Fusion's Board of Directors' Reasons for Approval of the Business Combination*" as well as in the section entitled "*Risk Factors — Risk Factors Relating to the Business Combination and Integration of MoneyLion's Business*."

Q: Do I have redemption rights?

A: If you are a public stockholder, you have the right to request that Fusion redeem all or a portion of your public shares for cash, provided that you follow the procedures and deadlines described elsewhere in this proxy statement/prospectus under the heading “*The Special Meeting — Redemption Rights*” Public stockholders may elect to redeem all or a portion of their public shares even if they vote for the Business Combination Proposal. We sometimes refer to these rights to elect to redeem all or a portion of the public shares into a pro rata portion of the cash held in the Trust Account as “redemption rights.”

If you wish to exercise your redemption rights, please see the answer to the next question: “*How do I exercise my redemption rights?*”

Notwithstanding the foregoing, a public stockholder, together with any affiliate of such public stockholder or any other person with whom such public stockholder is acting in concert or as a “group” (as defined in Section 13(d)(3) of the Exchange Act), will be restricted from redeeming its public shares with respect to more than an aggregate of 15% of the public shares. Accordingly, if a public stockholder, alone or acting in concert or as a group, seeks to redeem more than 15% of the public shares, then any such shares in excess of that 15% limit would not be redeemed for cash.

Our Sponsor, directors and executive officers entered into the insider letter agreement, pursuant to which they agreed to waive their redemption rights with respect to their shares in connection with the completion of a business combination.

Q: How do I exercise my redemption rights?

A: If you are a public stockholder and wish to exercise your right to redeem your public shares, you must:

- (i) (a) hold public shares or (b) hold public shares through units and elect to separate your units into the underlying public shares and public warrants prior to exercising your redemption rights with respect to the public shares; and
- (ii) prior to _____, New York City time, on _____, 2021, (a) submit a written request to Continental that Fusion redeem your public shares for cash and (b) deliver your public shares to Continental, physically or electronically through The Depository Trust Company (“DTC”).

The address of Continental is listed under the question “*Whom do I call if I have questions about the Special Meeting or the Business Combination?*” below.

Holders of units must elect to separate the underlying public shares and public warrants prior to exercising redemption rights with respect to the public shares. If holders hold their units in an account at a brokerage firm or bank, holders must notify their broker or bank that they elect to separate the units into the underlying public shares and public warrants, or if a holder holds units registered in its own name, the holder must contact Continental directly and instruct them to do so.

Any public stockholder will be entitled to request that their public shares be redeemed for a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, calculated as of two business days prior to the consummation of the Business Combination, including interest earned on the funds held in the Trust Account (which interest shall be net of taxes payable and up to \$100,000 of interest to pay dissolution expenses), divided by the number of then issued and outstanding public shares. For illustrative purposes, as of September 30, 2020, this would have amounted to approximately \$10.00 per public share. However, the proceeds deposited in the Trust Account could become subject to the claims of our creditors, if any, which could have priority over the claims of our public stockholders, regardless of whether such public stockholders vote for or against the Business Combination Proposal. Therefore, the per-share distribution from the Trust Account in such a situation may be less than originally anticipated due to such claims. Your vote on any proposal other than the Business Combination Proposal will have no impact on the amount you will receive upon exercise of your redemption rights. It is anticipated that the funds to be distributed to public stockholders electing to redeem their public shares will be distributed promptly after the consummation of the Business Combination.

If you are a holder of public shares, you may exercise your redemption rights by submitting your request in writing to Continental at the address listed under the question “*Whom do I call if I have questions about the Special Meeting or the Business Combination?*” below.

Any request for redemption, once made by a holder of public shares, may be withdrawn at any time up to the deadline for submitting redemption requests, which is [•], 2021 (two business days prior to the date of the Special Meeting), and thereafter, with our consent, until the Closing. If you deliver your shares for redemption to Continental and later decide prior to the deadline for submitting redemption requests not to elect redemption, you may request that Fusion instruct Continental to return the shares to you (physically or electronically). You may make such request by contacting Continental at the phone number or address listed at the end of this section.

Any corrected or changed written exercise of redemption rights must be received by Fusion’s secretary prior to the deadline for submitting redemption requests. No request for redemption will be honored unless the holder’s stock has been delivered (either physically or electronically) to Continental prior to [•], New York City time, on [•], 2021.

If you are a holder of public shares and you exercise your redemption rights, it will not result in the loss of any Fusion warrants that you may hold.

Q: If I am a holder of units, can I exercise redemption rights with respect to my units?

A: No. Holders of outstanding units must elect to separate the units into the underlying public shares and public warrants prior to exercising redemption rights with respect to the public shares. If you hold your units in an account at a brokerage firm or bank, you must notify your broker or bank that you elect to separate the units into the underlying public shares and public warrants, or if you hold units registered in your own name, you must contact Continental, Fusion’s transfer agent, directly and instruct them to do so. If you fail to cause your units to be separated and delivered to Continental, Fusion’s transfer agent, prior to [•], New York City time, on [•], 2021, you will not be able to exercise your redemption rights with respect to your public shares.

Q: What are the U.S. federal income tax consequences of exercising my redemption rights?

A: The U.S. federal income tax consequences of exercising your redemption rights depend on your particular facts and circumstances. It is possible that you may be treated as selling your public shares for cash and, as a result, recognize capital gain or capital loss. It is also possible that the redemption may be treated as a distribution for U.S. federal income tax purposes depending on the number of public shares that you own or are deemed to own (including through the ownership of New MoneyLion warrants). Any portion of such a distribution to you if you are a Non-U.S. holder (as defined below) that constitutes a dividend for U.S. federal income tax purposes will generally be subject to withholding tax at a rate of 30% of the gross amount of the dividend (unless you establish that you are eligible for a reduced rate of withholding tax under an applicable income tax treaty or certain other exceptions apply). Because the determination as to whether a redemption is treated as a sale or a distribution is dependent on matters of fact, withholding agents may presume, for withholding purposes, that all amounts paid to Non-U.S. holders in connection with a redemption are treated as distributions in respect of such Non-U.S. holder’s public shares. Accordingly, if you are a Non-U.S. holder, you should expect that a withholding agent will likely withhold U.S. federal income tax on the gross proceeds payable to you pursuant to a redemption at a rate of 30% unless you are eligible for a reduced rate of withholding tax under an applicable income tax treaty and provide proper certification of your eligibility for such reduced rate (usually on an IRS Form W-8BEN or W-8BEN-E, or other applicable IRS Form W-8). For a more complete discussion of the U.S. federal income tax considerations of an exercise of redemption rights, see “*Material U.S. Federal Income Tax Considerations.*”

TAX MATTERS ARE COMPLICATED, AND THE TAX CONSEQUENCES OF EXERCISING YOUR REDEMPTION RIGHTS WILL DEPEND ON THE FACTS OF YOUR OWN SITUATION. YOU SHOULD CONSULT YOUR OWN TAX ADVISOR AS TO THE SPECIFIC TAX CONSEQUENCES OF THE EXERCISE OF REDEMPTION RIGHTS TO YOU IN YOUR PARTICULAR CIRCUMSTANCES.

Q: How does the Fusion Board recommend that I vote?

A: The Fusion Board recommends that the Fusion Stockholders vote **FOR** the approval of the Business Combination Proposal, **FOR** the approval of the Charter Proposal, **FOR** the approval, on an advisory basis, of the Advisory Charter Proposals, **FOR** the approval of the Stock Issuance Proposal, **FOR** the approval of the Incentive Plan Proposal, **FOR** the approval of the ESPP Proposal and **FOR** the approval of the Adjournment Proposal. For more information regarding how the board of directors of Fusion recommends that Fusion Stockholders vote, see the section entitled “*The Business Combination Proposal — The Fusion Board’s Reasons for Approval of the Business Combination*”

Q: How does our Sponsor intend to vote its shares?

A: In connection with the execution of the Merger Agreement, our Sponsor entered into the Sponsor Support Agreement, pursuant to which, among other things, it agreed to vote its shares in favor of the Business Combination Proposal and all other proposals being presented at the Special Meeting. Our Sponsor currently owns 20% of our outstanding common stock. Accordingly, if all of our outstanding shares were to be voted, we would need the affirmative vote of approximately 37.5% of the remaining shares to approve the Business Combination.

Q: May the Sponsor purchase public shares or warrants prior to the Special Meeting?

A: At any time prior to the Special Meeting, during a period when they are not then aware of any material nonpublic information regarding Fusion or its securities, the Sponsor, MoneyLion and/or its affiliates may purchase shares and/or warrants from investors, or they may enter into transactions with such investors and others to provide them with incentives to acquire public shares or vote their public shares in favor of the Business Combination Proposal. The purpose of such share purchases and other transactions would be to increase the likelihood that (i) the proposals presented for approval at the Special Meeting are approved and/or (ii) Fusion satisfies the Minimum Proceeds Condition. Any such stock purchases and other transactions may thereby increase the likelihood of obtaining stockholder approval of the Business Combination Proposal. This may result in the completion of our Business Combination in a way that may not otherwise have been possible. While the exact nature of any such incentives has not been determined as of the date of this proxy statement/prospectus, they might include, without limitation, arrangements to protect such investors or holders against potential loss in value of their shares, including the granting of put options and the transfer to such investors or holders of shares or rights owned by the Sponsor for nominal value.

Entering into any such arrangements may have a depressive effect on public shares. For example, as a result of these arrangements, an investor or holder may have the ability to effectively purchase shares at a price lower than market and may therefore be more likely to sell the shares it owns, either prior to or immediately after the Special Meeting.

If such transactions are effected, the consequence could be to cause the Business Combination Proposal to be approved in circumstances where such approval could not otherwise be obtained. Purchases of public shares by the persons described above would allow them to exert more influence over the approval of the proposals to be presented at the Special Meeting and would likely increase the chances that such proposals would be approved. As of the date of this proxy statement/prospectus, there have been no such discussions and no agreements to such effect have been entered into with any such investor or holder.

Q: Who is entitled to vote at the Special Meeting?

A: The Fusion Board has fixed [•], 2021 as the record date for the Special Meeting. All holders of record of Fusion Shares as of the close of business on the record date are entitled to receive notice of, and to vote at, the Special Meeting, provided that those shares remain outstanding on the date of the Special Meeting. Physical attendance at the Special Meeting is not required to vote. See the section entitled “*Questions and Answers About the Business Combination and the Special Meeting — How can I vote my shares without attending the Special Meeting?*” for instructions on how to vote your Fusion Shares without attending the Special Meeting.

Q: How many votes do I have?

A: Each Fusion Stockholder of record is entitled to one vote for each Fusion Share held by such holder as of the close of business on the record date. As of the close of business on the record date, there were [•] outstanding Fusion Shares.

Q: What constitutes a quorum for the Special Meeting?

A: A quorum is the minimum number of stockholders necessary to hold a valid meeting.

A quorum will exist at the Special Meeting with respect to each matter to be considered at the Special Meeting if the holders of a majority of the outstanding Fusion Shares as of the record date present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting. All shares represented by proxy are counted as present for purposes of establishing a quorum.

Q: What will happen to my Fusion Shares as a result of the Business Combination?

A: If the Business Combination is completed, each share of Fusion Class B common stock will be converted into one share of Fusion Class A common stock in accordance with the terms of the Current Charter and each then outstanding share of Fusion Class A common stock will automatically become a share of MoneyLion Class A common stock. See the section entitled “*The Business Combination Proposal — Consideration to MoneyLion Stockholders and Fusion Stockholders*” for more information.

Q: Where will the New MoneyLion Class A common stock that Fusion Stockholders receive in the Business Combination be publicly traded?

A: Assuming the Business Combination is completed, the shares of New MoneyLion Class A common stock (including the New MoneyLion Class A common stock issued in connection with the Business Combination) will be listed and traded on the NYSE under the ticker symbol “ML” and the public warrants will be listed and traded on the NYSE under the ticker symbol “ML WS.”

Q: What happens if the Business Combination is not completed?

A: If the Closing has not occurred by the date that is nine months following the date of the Merger Agreement, then we will seek to consummate an alternative initial business combination prior to December 31, 2021. If we do not consummate an initial business combination by December 31, 2021, we will cease all operations except for the purpose of winding up and redeem our public shares and liquidate the Trust Account, in which case our public stockholders may only receive approximately \$10.00 per share and our warrants will expire worthless.

Q: How can I attend and vote my shares at the Special Meeting?

A: If you were the record holder of shares of our common stock as of the record date, you may submit your proxy to vote such shares by mail or at the Special Meeting.

Voting by Mail

- To submit your proxy by mail, simply mark your proxy card, date and sign it and return it in the postage-paid envelope. If you receive more than one proxy card, it is an indication that your shares are held in multiple accounts. Please sign and return all proxy cards to ensure that all of your shares are voted.
- If you vote by mail, your proxy card must be received no later than the close of business, Eastern time, on [•], 2021.

Please carefully consider the information contained in this proxy statement and, whether or not you plan to attend the special meeting, please vote by mail so that your shares will be voted in accordance with your wishes even if you later decide not to attend the Special Meeting.

Voting at the Special Meeting

- We encourage you to vote by mail. If you attend the Special Meeting, you may also submit your vote at the Special Meeting via the special meeting website at [•], in which case any votes that you previously submitted by mail will be superseded by the vote that you cast at the Special Meeting. If your proxy is properly completed and submitted, and if you do not revoke it prior to or at the Special Meeting, your shares will be voted at the Special Meeting in the manner set forth in proxy statement or as otherwise specified by you. Again, your paper proxy card must be received by mail no later than the close of business, Eastern time, on [•], 2021.

Voting of Shares Held in Street Name

- If your shares are held in an account at a broker, bank, or nominee (i.e., in “street name”), you must provide the record holder of your shares with instructions on how to vote the shares. Please follow the voting instructions provided by the broker, bank, or nominee. See the section entitled “*The Special Meeting of Stockholders — Voting Your Shares — Beneficial Owners*” for more information.

Q: How can I vote my shares without attending the Special Meeting?

- A: If you are a stockholder of record of Fusion Shares as of the close of business on [•], 2021, the record date, you can vote by mail by following the instructions provided in the enclosed proxy card. Please note that if you hold your shares in “street name,” which means your shares are held of record by a broker, bank or nominee, you should contact your broker to ensure that votes related to the shares you beneficially own are properly counted. In this regard, you must provide the broker, bank or nominee with instructions on how to vote your shares, or otherwise follow the instructions provided by your bank, brokerage firm or other nominee.

Q: What is a proxy?

- A: A proxy is a legal designation of another person to vote the stock you own. If you are a stockholder of record of Fusion Shares as of the close of business on the record date, and you vote by phone, by Internet or by signing, dating and returning your proxy card in the enclosed postage-paid envelope, you designate two of Fusion’s officers as your proxies at the Special Meeting, each with full power to act without the other and with full power of substitution. These two officers are John James and Jeff Gary.

Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?

- A: If your Fusion Shares are registered directly in your name with Continental you are considered the stockholder of record with respect to those shares, and access to proxy materials is being provided directly to you. If your shares are held in a stock brokerage account or by a bank or other nominee, then you are considered the beneficial owner of those shares, which are considered to be held in street name. Access to proxy materials is being provided to you by your broker, bank or other nominee who is considered the stockholder of record with respect to those shares.

Direct holders (stockholders of record). For Fusion Shares held directly by you, please complete, sign, date and return each proxy card (or cast your vote by telephone or Internet as provided on each proxy card) or otherwise follow the voting instructions provided in this proxy statement/prospectus in order to ensure that all of your Fusion Shares are voted.

Shares in “street name.” For Fusion Shares held in “street name” through a bank, brokerage firm or other nominee, you should follow the procedures provided by your bank, brokerage firm or other nominee to vote your shares.

Q: If a Fusion Stockholder gives a proxy, how will the Fusion Shares covered by the proxy be voted?

- A: If you provide a proxy by returning the applicable enclosed proxy card, the individuals named on the enclosed proxy card will vote your Fusion Shares in the way that you indicate when providing your proxy in respect of the Fusion Shares you hold. When completing the proxy card, you may specify whether your Fusion Shares should be voted **FOR** or **AGAINST**, or should be abstained from voting on, all, some or none of the specific items of business to come before the Special Meeting.

Q: How will my Fusion Shares be voted if I return a blank proxy?

A: If you sign, date and return your proxy and do not indicate how you want your Fusion Shares to be voted, then your Fusion Shares will be voted “**FOR**” the approval of the Business Combination Proposal, “**FOR**” the approval of the Charter Proposal, “**FOR**” the approval, on an advisory basis, of the Advisory Charter Proposals, “**FOR**” the approval of the Stock Issuance Proposal, “**FOR**” the approval of the Incentive Plan Proposal, “**FOR**” the approval of the ESPP Proposal and “**FOR**” the approval of the Adjournment Proposal.

Q: Can I change my vote after I have submitted my proxy?

A: Yes. If you are a stockholder of record of Fusion Shares as of the close of business on the record date, you can change or revoke your proxy before it is voted at the meeting in one of the following ways:

- submit a new proxy card bearing a later date;
- give written notice of your revocation to Fusion’s Corporate Secretary, which notice must be received by Fusion’s Corporate Secretary prior to the vote at the Special Meeting; or
- attend and vote electronically at the Special Meeting by visiting [•] and entering the control number found on your proxy card, voting instruction form or notice you previously received. Please note that your attendance at the Special Meeting will not alone serve to revoke your proxy.

If your shares are held in “street name” by your broker, bank or another nominee as of the close of business on the record date, you must follow the instructions of your broker, bank or other nominee to revoke or change your voting instructions.

Q: Where can I find the voting results of the Special Meeting?

A: The preliminary voting results are expected to be announced at the Special Meeting. In addition, within four business days following certification of the final voting results, Fusion will file the final voting results of its Special Meeting with the SEC in a Current Report on Form 8-K.

Q: Are Fusion Stockholders able to exercise dissenters’ rights or appraisal rights with respect to the matters being voted upon at the Special Meeting?

A: No. Fusion Stockholders are not entitled to exercise dissenters’ rights or appraisal rights under Delaware law in connection with the Business Combination. Dissenters’ rights or appraisal rights are unavailable under the DGCL in connection with the Business Combination to holders of Fusion Class A Common Stock because it is currently listed on a national securities exchange and such holders are not required to receive any consideration (other than continuing to hold their shares of Fusion Class A common stock, which will become an equal number of shares of New MoneyLion Class A common stock after giving effect to the Business Combination). Holders of Fusion Class A common stock may vote against the Business Combination Proposal or redeem their Fusion Shares if they are not in favor of the adoption of the Merger Agreement or the Business Combination. Dissenters’ rights or appraisal rights are unavailable under the DGCL in connection with the Business Combination to holders of Fusion Class B Common Stock because they have agreed to vote in favor of the Business Combination.

Q: Are there any risks that I should consider as a Fusion Stockholder in deciding how to vote or whether to exercise my redemption rights?

A: Yes. You should read and carefully consider the risk factors set forth in the section entitled *Risk Factors*. You also should read and carefully consider the risk factors of Fusion and MoneyLion contained in the documents that are incorporated by reference herein.

Q: What happens if I sell my Fusion Shares before the Special Meeting?

A: The record date for Fusion Stockholders entitled to vote at the Special Meeting is earlier than the date of the Special Meeting. If you transfer your Fusion Shares before the record date, you will not be entitled to vote at the Special Meeting. If you transfer your Fusion Shares after the record date but before the Special Meeting, you will, unless special arrangements are made, retain your right to vote at the Special Meeting but will transfer the right to hold New MoneyLion shares to the person to whom you transfer your shares.

Q: *What are the material U.S. federal income tax consequences of the Business Combination to me?*

A: Certain material U.S. federal income tax considerations that may be relevant to you in respect of the Business Combination are discussed in more detail in the section entitled “*Material U.S. Federal Income Tax Considerations*.” The discussion of the U.S. federal income tax consequences contained in this proxy statement/prospectus is intended to provide only a general discussion and is not a complete analysis or description of all of the U.S. federal income tax considerations that are applicable to you in respect of the Business Combination, nor does it address any tax considerations arising under U.S. state or local or non-U.S. tax laws.

TAX MATTERS ARE COMPLICATED, AND THE TAX CONSEQUENCES OF THE BUSINESS COMBINATION WILL DEPEND ON THE FACTS OF YOUR OWN SITUATION. YOU SHOULD CONSULT YOUR OWN TAX ADVISOR AS TO THE SPECIFIC TAX CONSEQUENCES OF THE BUSINESS COMBINATION TO YOU IN YOUR PARTICULAR CIRCUMSTANCES.

Q: *When is the Business Combination expected to be completed?*

A: Subject to the satisfaction or waiver of the Closing conditions described in the section entitled “*The Merger Agreement — Conditions to Closing*”, including the adoption of the Merger Agreement by the Fusion Stockholders at the Special Meeting, the Business Combination is expected to close in the [second] quarter of 2021. However, it is possible that factors outside the control of both Fusion and MoneyLion could result in the Business Combination being completed at a later time, or not being completed at all.

Q: *Who will solicit and pay the cost of soliciting proxies?*

A: Fusion has engaged a professional proxy solicitation firm, Morrow, to assist in soliciting proxies for the Special Meeting. Fusion has agreed to pay Morrow a fee of \$[•], plus disbursements. Fusion will reimburse Morrow for reasonable out-of-pocket expenses and will indemnify Morrow and its affiliates against certain claims, liabilities, losses, damages and expenses. Fusion will also reimburse banks, brokers and other custodians, nominees and fiduciaries representing beneficial owners of our common stock for their expenses in forwarding soliciting materials to beneficial owners of our common stock and in obtaining voting instructions from those owners. Fusion’s management team may also solicit proxies by telephone, by facsimile, by mail, on the Internet or in person. They will not be paid any additional amounts for soliciting proxies.

Q: *What should I do now?*

A: You should read this proxy statement/prospectus carefully in its entirety, including the annexes, and return your completed, signed and dated proxy card(s) by mail in the enclosed postage-paid envelope or submit your voting instructions by telephone or via the Internet as soon as possible so that your Fusion Shares will be voted in accordance with your instructions.

Q: *What should I do if I receive more than one set of voting materials?*

The Business Combination and the Merger Agreement

The terms and conditions of the Business Combination are contained in the Merger Agreement, which is attached as [Annex A](#) to this proxy statement/prospectus. We encourage you to read the Merger Agreement carefully and in its entirety, as it is the legal document that governs the Business Combination.

If the Merger Agreement is approved and adopted and the Business Combination is consummated, Merger Sub will merge with and into MoneyLion with MoneyLion surviving the merger as a wholly-owned subsidiary of Fusion.

Structure of the Business Combination

Pursuant to the Merger Agreement, Merger Sub will merge with and into MoneyLion, with MoneyLion surviving the Business Combination. Upon consummation of the foregoing transactions, MoneyLion will be a wholly-owned subsidiary of Fusion, which will then be renamed as determined by MoneyLion.

The following diagrams illustrate in simplified terms the current structure of Fusion and MoneyLion and the expected structure of New MoneyLion (formerly Fusion) upon the Closing.

Simplified Pre-Combination Structure

Simplified Post-Combination Structure

Merger Consideration

The aggregate value of the consideration paid in respect of MoneyLion is \$2,200,000,000.00. The aggregate consideration to be paid to MoneyLion stockholders shall be (i) shares of New MoneyLion Class A common stock (valued at \$10.00 per share), and, if elected by MoneyLion, cash consideration up to the lower of (A) the amount (which may be zero) by which the Parent Closing Cash exceeds \$260,000,000 and (B) \$100,000,000, and (ii) the contingent right to receive a pro rata portion of the Earn Out Shares.

Pursuant to the Merger Agreement, at the Effective Time, the stock consideration to be issued to the then current holders of stock in MoneyLion will be in the form of New MoneyLion Class A common stock.

Additionally, each MoneyLion option that is outstanding and unexercised, whether or not then vested or exercisable, will be assumed by New MoneyLion and will be converted into an option to acquire New MoneyLion Class A common stock with the same terms and conditions as applied to the MoneyLion option immediately prior to the Effective Time; provided that the number of shares underlying such New MoneyLion option will be determined by multiplying the number of shares of MoneyLion common stock subject to such option immediately prior to the Effective Time, by the option exchange ratio, which product shall be rounded down to the nearest whole number of shares, and the per share exercise price of such New MoneyLion option will be determined by dividing the per share exercise price immediately prior to the Effective Time by the option exchange ratio, which quotient shall be rounded up to the nearest whole cent.

Pursuant to the Merger Agreement, at the Effective Time, each warrant to purchase shares of MoneyLion capital stock that is issued and outstanding prior to the Effective Time and has not been exercised or terminated pursuant to its terms will be assumed and converted into a warrant exercisable for shares of New MoneyLion Class A common stock.

Earn Out Consideration

In addition, the Merger Agreement contemplates that the Earn Out Participants, following the closing of the Business Combination and for a period of five years thereafter, will be eligible to receive the Earn Out Shares, subject to a Triggering Event. Upon the occurrence of a Triggering Event, New MoneyLion will release such Earn Out Shares to the Earn Out Participants.

The Private Placement

Fusion entered into the Subscription Agreements with the PIPE Investors, pursuant to which, among other things, Fusion agreed to issue and sell in private placements an aggregate of 25,000,000 shares of Fusion Class A common stock to the PIPE Investors for \$10.00 per share.

The Private Placement is expected to close immediately prior to the Closing. In connection with the Closing, all of the issued and outstanding shares of Fusion Class A common stock, including the shares of Fusion Class A common stock issued to the PIPE Investors, will become shares of New MoneyLion Class A common stock.

Special Meeting of Fusion Stockholders and the Proposals

The Special Meeting will convene on [•], 2021 at [•], New York City time, in virtual format. Stockholders may attend, vote and examine the list of Fusion Stockholders entitled to vote at the Special Meeting by visiting [•] and entering the control number found on their proxy card, voting instruction form or notice they previously received. The purpose of the Special Meeting is to consider and vote on the Business Combination Proposal, the Charter Proposal, the Advisory Charter Proposals, the Stock Issuance Proposal, the Incentive Plan Proposal, the ESPP Proposal and the Adjournment Proposal.

Approval of the condition precedent proposals is a condition to the obligation of Fusion to complete the Business Combination.

Only holders of record of issued and outstanding Fusion Shares as of the close of business on [•], 2021, the record date for the Special Meeting, are entitled to notice of, and to vote at, the Special Meeting or any adjournment or postponement of the Special Meeting. You may cast one vote for each share of Fusion Shares that you owned as of the close of business on that record date.

A quorum of stockholders is necessary to hold a valid meeting. A quorum will exist at the Special Meeting with respect to each matter to be considered at the Special Meeting if the holders of a majority of the outstanding Fusion Shares as of the record date present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting. All shares represented by proxy are counted as present for purposes of establishing a quorum.

Approval of the Business Combination Proposal requires the affirmative vote of a majority of the votes cast by Fusion Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. Abstentions and broker non-votes have no effect on the outcome of the proposal.

Approval of the Charter Proposal requires the affirmative vote of a majority of the outstanding Fusion Shares, voting together as a single class. Abstentions and broker non-votes have the same effect as a vote “AGAINST” the proposal.

Approval of each of the Advisory Charter Proposals, each of which is a non-binding vote, requires the affirmative vote of a majority of the votes cast by Fusion Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. Abstentions and broker non-votes have no effect on the outcome of the proposal.

Approval of the Stock Issuance Proposal requires the affirmative vote of a majority of the votes cast by Fusion Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. Broker non-votes have no effect on the outcome of the proposal but, for purposes of NYSE rules, abstentions will have the same effect as votes “**AGAINST**” this proposal.

Approval of the Incentive Plan Proposal requires the affirmative vote of a majority of the votes cast by Fusion Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. Broker non-votes have no effect on the outcome of the proposal but, for purposes of NYSE rules, abstentions will have the same effect as votes “**AGAINST**” this proposal.

Approval of the ESPP Proposal requires the affirmative vote of a majority of the votes cast by Fusion Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. Broker non-votes have no effect on the outcome of the proposal but, for purposes of NYSE rules, abstentions will have the same effect as votes “**AGAINST**” this proposal.

Approval of the Adjournment Proposal requires the affirmative vote of a majority of the votes cast by Fusion Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. Abstentions and broker non-votes have no effect on the outcome of the proposal.

Recommendation of Fusion Board

The Fusion Board has unanimously determined that the Business Combination is in the best interests of, and advisable to, the Fusion Stockholders and recommends that the Fusion Stockholders adopt the Merger Agreement and approve the Business Combination. The Fusion Board made its determination after consultation with its legal and financial advisors and consideration of a number of factors.

The Fusion Board recommends that you vote “**FOR**” the approval of the Business Combination Proposal, “**FOR**” the approval of the Charter Proposal, “**FOR**” the approval, on an advisory basis, of each of the Advisory Charter Proposals, “**FOR**” the approval of the Stock Issuance Proposal, “**FOR**” the approval of the Incentive Plan Proposal, “**FOR**” the approval of the ESPP Proposal and “**FOR**” the approval of the Adjournment Proposal.

For more information about the Fusion Board’s recommendation and the proposals, see the sections entitled “*The Special Meeting — Vote Required and Fusion Board Recommendation*” and “*The Business Combination Proposal — The Fusion Board’s Reasons for Approval of the Business Combination*”

The Fusion Board’s Reasons for Approval of the Business Combination

We were formed for the purpose of effecting a merger, capital stock exchange, asset acquisition, stock purchase, reorganization or similar business combination with one or more businesses. We sought to do this by utilizing the networks and industry experience of our management team and our sponsors to identify, acquire and operate one or more businesses in the gaming industry. Our Board considered and evaluated several factors in evaluating and negotiating the transaction and the transaction agreements. For additional information relating to the Fusion Board’s evaluation of the transaction and the factors it considered in connection therewith, please see the section entitled “*The Business Combination Proposal — The Fusion Board’s Reasons for Approval of the Business Combination.*”

Regulatory Approvals

The Business Combination is subject to the expiration or termination of the waiting period (or any extension thereof) applicable under the HSR Act.

Conditions to the Completion of the Business Combination

The Business Combination is subject to customary Closing conditions, including (i) approval by Fusion’s stockholders and MoneyLion’s stockholders of the Merger Agreement, the Business Combination and certain other actions related thereto, (ii) the expiration or termination of the waiting period (or any extension thereof) applicable under the HSR Act, (iii) the absence of a material adverse effect with respect to MoneyLion, (iv) Fusion having at least \$260,000,000 of cash at the Closing, consisting of cash held in the Trust Account after taking into account

the exercise by the holders of shares of Fusion Class A common stock issued in Fusion's initial public offering of securities of their right to redeem such shares of Fusion Class A common stock in accordance with Fusion's governing documents, if any, and cash received from PIPE Investors, net of transaction expenses of Fusion and MoneyLion and (v) the continued listing of the shares of New MoneyLion Class A common stock on the NYSE. The obligations of MoneyLion to complete the Business Combination are further conditioned on, in addition to customary Closing conditions, the current certificate of incorporation of Fusion shall have been amended and restated in the form contemplated by the Charter Proposal. Unless waived, if any of these conditions are not satisfied, the Business Combination may not be consummated.

Termination

Mutual Termination Rights

The Merger Agreement may be terminated and the transactions contemplated thereby abandoned:

- by mutual written agreement of Fusion and MoneyLion at any time;
- by either MoneyLion or Fusion if the Closing shall not have occurred by the date that is nine months following the date of the Merger Agreement; provided, however, a party may not terminate the Merger Agreement pursuant to this provision if such party's action or failure to act has been a principal cause of or resulted in the failure of the Closing to occur on or before the termination date and such action or failure to act constitutes a breach of the Merger Agreement;
- by either MoneyLion or Fusion if a governmental entity issues an order or takes any other action, which would permanently restrain, enjoin or prohibit the consummation of the Business Combination, if such action is final and nonappealable; or
- by either MoneyLion or Fusion, if, at the special meeting of Fusion's stockholders, the stockholder matters, other than the Adjournment Proposal, are not duly adopted by Fusion's stockholders by the requisite vote under the DGCL and Fusion's organizational documents.

Termination Rights of Fusion

The Merger Agreement may be terminated and the transactions contemplated thereby abandoned:

- prior to the Closing, by written notice to MoneyLion from Fusion if (i) there is any breach of any representation, warranty, covenant or agreement on the part of MoneyLion or if any representation or warranty of MoneyLion shall have become untrue, in either case such that the conditions set forth in Section 8.03(a) or Section 8.03(b) of the Merger Agreement would not be satisfied as of the time of such breach or as of the time such representation or warranty shall have become untrue, provided that if such breach or untrue statement is curable by MoneyLion prior to the Closing, then Fusion must first provide written notice of such breach or misstatement and may not terminate the Merger Agreement until the earlier of (i) 30 days after deliver of written notice of the breach; and (ii) the Termination Date; provided, further that MoneyLion continues to exercise commercially reasonable efforts to cure such breach (it being understood that Fusion may not terminate the Merger Agreement pursuant to this provision if: (A) it has materially breached the Merger Agreement and such breach has not been cured or (B) if such breach by MoneyLion is cured during such 30-day period); or
- by Fusion if the approval of MoneyLion's stockholders is not obtained within 48 hours following the effectiveness of this registration statement;

Termination Rights of MoneyLion

The Merger Agreement may be terminated and the transactions contemplated thereby abandoned:

- prior to the Closing, by written notice to Fusion from MoneyLion if (i) there is any breach of any representation, warranty, covenant or agreement on the part of Fusion or Merger Sub or if any representation or warranty of Fusion or Merger Sub shall have become untrue, in either case such that the conditions set forth in Section 8.02(a) or Section 8.02(b) of the Merger Agreement would not be satisfied as of the time of such breach or as of the time such representation or warranty shall have become untrue, provided that if such breach or untrue statement is curable by Fusion or Merger Sub prior to the Closing, then MoneyLion must first provide written notice of such breach or misstatement and may not terminate the Merger Agreement until the earlier of (i) 30 days after deliver of written notice of the breach; and (ii) the Termination Date; provided, further that Fusion and Merger Sub continues to exercise commercially reasonable efforts to cure such breach (it being understood that MoneyLion may not terminate the Merger Agreement pursuant to this provision if: (A) it has materially breached the Merger Agreement and such breach has not been cured or (B) if such breach by MoneyLion is cured during such 30-day period).

Redemption Rights

Pursuant to the Current Charter, a public stockholder may request that Fusion redeem all or a portion of their public shares for cash if the Business Combination is consummated. You will be entitled to receive cash for any public shares to be redeemed only if you:

- (a) hold public shares or (b) hold public shares through units and you elect to separate your units into the underlying public shares and public warrants prior to exercising your redemption rights with respect to the public shares; and
- prior to [•], New York City time, on [•], 2021, (a) submit a written request, including the legal name, phone number and address of the beneficial owner of the shares for which redemption is requested, to the transfer agent that Fusion redeem your public shares for cash and (b) deliver your public shares to the transfer agent, physically or electronically through DTC.

As noted above, holders of units must elect to separate the underlying public shares and public warrants prior to exercising redemption rights with respect to the public shares. Holders may instruct their broker to do so, or if a holder holds units registered in its own name, the holder must contact the transfer agent directly and instruct them to do so. Public stockholders may elect to redeem all or a portion of their public shares even if they vote for the Business Combination Proposal. If the Business Combination is not consummated, the public shares will not be redeemed for cash. If a public stockholder properly exercises its right to redeem its public shares and timely delivers its public shares to Continental Stock Transfer & Trust Company, Fusion's transfer agent, Fusion will redeem such public shares upon the Closing for a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, calculated as of two business days prior to the consummation of the Business Combination, including interest earned on the funds held in the Trust Account (which interest shall be net of taxes payable and up to \$100,000 of interest to pay dissolution expenses), divided by the number of then issued and outstanding public shares. If a public stockholder exercises its redemption rights, then it will be exchanging its redeemed public shares for cash and will no longer own such shares. See the section entitled "The Special Meeting — Redemption Rights" for a detailed description of the procedures to be followed if you wish to redeem your public shares for cash.

Notwithstanding the foregoing, a holder of public shares, together with any affiliate of such public shareholder or any other person with whom such public shareholder is acting in concert or as a "group" (as defined in Section 13(d)(3) of the Exchange Act), will be restricted from redeeming its public shares with respect to more than an aggregate of 15% of the public shares. Accordingly, if a public shareholder, alone or acting in concert or as a group, seeks to redeem more than 15% of the public shares, then any such shares in excess of that 15% limit would not be redeemed for cash.

Holders of our warrants will not have redemption rights with respect to the warrants.

No Delaware Appraisal Rights

Appraisal rights are statutory rights under the DGCL that enable stockholders who object to certain extraordinary transactions to demand that the corporation pay such stockholders the fair value of their shares instead of receiving the consideration offered to stockholders in connection with the extraordinary transaction. However, appraisal rights are not available in all circumstances. Appraisal rights are not available to Fusion Stockholders or warrant holders in connection with the Business Combination.

Proxy Solicitation

Proxies may be solicited by mail, telephone or in person. Fusion has engaged Morrow to assist in the solicitation of proxies. If a stockholder grants a proxy, it may still vote its shares at the Special Meeting if it revokes its proxy before the Special Meeting. A stockholder also may change its vote by submitting a later-dated proxy as described in the section entitled “*The Special Meeting — Revoking Your Proxy*”

Interests of Fusion’s Directors and Officers in the Business Combination

When you consider the recommendation of the Fusion Board in favor of approval of the Business Combination Proposal, you should keep in mind that the Sponsor, its directors and executive officers, have interests in such proposal that are different from, or in addition to those of Fusion Stockholders and warrant holders generally. These interests include, among other things, the interests listed below:

- Our Sponsor, officers and directors will lose their entire investment in us if we do not complete a business combination by December 31, 2021. If we are unable to complete our initial Business Combination by December 31, 2021, we will: (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than 10 business days thereafter, redeem the public shares and (iii) as promptly as reasonably possible following such redemption, subject to the approval of our remaining stockholders and our Board, liquidate and dissolve, subject in each case to our obligations under the DGCL to provide for claims of creditors and the requirements of other applicable law. There will be no redemption rights or liquidating distributions with respect to our warrants, which will expire worthless if we fail to complete our initial Business Combination by December 31, 2021.
- Our Sponsor purchased the founder shares prior to our initial public offering for an aggregate purchase price of \$25,000. Upon the Closing, such founder shares will be converted into 8,750,000 shares of New MoneyLion Class A common stock (assuming no founder shares are forfeited by the Sponsor at Closing), and such shares will have a significantly higher value at the time of the Business Combination, which if unrestricted and freely tradable would have an aggregate market value of approximately \$[*] million based upon the closing price of [*] per public share on the NYSE on [*], 2021, but, given the restrictions on such shares, we believe such shares have less value.
- Simultaneously with the Closing of our initial public offering, we consummated the sale of 8,100,000 private placement warrants at a price of \$1.00 per warrant in a private placement to our Sponsor. The warrants are each exercisable commencing the later of 30 days following the Closing and 12 months from the closing of our initial public offering, which occurred on June 30, 2020, for one share of Fusion Class A common stock at \$11.50 per share. If we do not consummate a Business Combination transaction by December 31, 2021, then the proceeds from the sale of the private placement warrants will be part of the liquidating distribution to the public stockholders and the warrants held by our Sponsor will be worthless. The warrants held by our Sponsor had an aggregate market value of approximately \$[*] million based upon the closing price of \$[*] per warrant on the NYSE on [*], 2021.
- Certain of them may continue to serve as officers and/or directors of New MoneyLion after the Closing. As such, in the future they may receive any cash fees, stock options or stock awards that the New MoneyLion board of directors determines to pay to its directors and/or officers.
- Our Sponsor and our officers and directors have agreed to waive their rights to liquidating distributions from the Trust Account with respect to their founder shares if Fusion fails to complete a business combination by December 31, 2021.

- In order to protect the amounts held in the Trust Account, the Sponsor has agreed that it will be liable to us if and to the extent any claims by a vendor for services rendered or products sold to us, or a prospective target business with which we have entered into a transaction agreement, reduce the amount of funds in the Trust Account. This liability will not apply with respect to any claims by a third party who executed a waiver of any right, title, interest or claim of any kind in or to any monies held in the Trust Account or to any claims under our indemnity of the underwriters of this offering against certain liabilities, including liabilities under the Securities Act.
- Following the Closing, our Sponsor would be entitled to the repayment of any working capital loan and advances that have been made to Fusion and remain outstanding. As of the date of this proxy statement/prospectus, our Sponsor has not made any advances to us for working capital expenses. If we do not complete an initial Business Combination within the required period, we may use a portion of our working capital held outside the Trust Account to repay the working capital loans, but no proceeds held in the Trust Account would be used to repay the working capital loans.
- Following the consummation of the Business Combination, we will continue to indemnify our existing directors and officers and will maintain a directors' and officers' liability insurance policy.
- Upon the Closing, subject to the terms and conditions of the Merger Agreement, our Sponsor, our officers and directors and their respective affiliates may be entitled to reimbursement for any reasonable out-of-pocket expenses related to identifying, investigating and consummating an initial Business Combination, and repayment of any other loans, if any, and on such terms as to be determined by Fusion from time to time, made by our Sponsor or certain of our officers and directors to finance transaction costs in connection with an intended initial Business Combination.

At any time prior to the Special Meeting, during a period when they are not then aware of any material nonpublic information regarding Fusion or its securities, the Sponsor, MoneyLion and/or its affiliates may purchase shares and/or warrants from investors, or they may enter into transactions with such investors and others to provide them with incentives to acquire Fusion Shares or vote their Fusion Shares in favor of the Business Combination Proposal. The purpose of such share purchases and other transactions would be to increase the likelihood that (i) the proposals presented for approval at the Special Meeting are approved and/or (ii) Fusion satisfies the Minimum Proceeds Condition. Any such purchases of public shares and other transactions may thereby increase the likelihood of obtaining stockholder approval of the Business Combination. This may result in the completion of our Business Combination that may not otherwise have been possible. While the exact nature of any such incentives has not been determined as of the date of this proxy statement/prospectus, they might include, without limitation, arrangements to protect such investors or holders against potential loss in value of their shares, including the granting of put options and the transfer to such investors or holders of shares or rights owned by the Sponsor for nominal value.

Entering into any such arrangements may have a depressive effect on Fusion Shares. For example, as a result of these arrangements, an investor or holder may have the ability to effectively purchase shares at a price lower than market and may therefore be more likely to sell the shares it owns, either prior to or immediately after the Special Meeting.

If such transactions are effected, the consequence could be to cause the Business Combination to be approved in circumstances where such approval could not otherwise be obtained. Purchases of shares by the persons described above would allow them to exert more influence over the approval of the proposals to be presented at the Special Meeting and would likely increase the chances that such proposals would be approved. As of the date of this proxy statement/prospectus, there have been no such discussions and no agreements to such effect have been entered into with any such investor or holder.

The existence of financial and personal interests of the Fusion directors and officers may result in a conflict of interest on the part of one or more of them between what he may believe is best for Fusion and what he may believe is best for him in determining whether or not to grant a waiver in a specific situation. See the sections entitled "*Risk Factors*" and "*The Business Combination Proposal — Interests of Fusion's Directors and Officers in the Business Combination*" for a further discussion of this and other risks.

Stock Exchange Listing

Fusion’s units, Class A common stock and public warrants are publicly traded on the NYSE under the symbols “FUSE.U”, “FUSE” and “FUSE WS”, respectively. Fusion intends to apply to list the New MoneyLion Class A common stock and public warrants on the NYSE under the symbols “ML” and “ML WS”, respectively, upon the Closing. New MoneyLion will not have units traded following the Closing.

Sources and Uses of Funds for the Business Combination

The following table summarizes the sources and uses for funding the transactions contemplated by the Merger Agreement. Where actual amounts are not known or knowable, the figures below represent MoneyLion’s good faith estimate of such amounts assuming a Closing as of _____, 2021.

Accounting Treatment

The Business Combination will be accounted for as a reverse recapitalization, in accordance with U.S. GAAP. Under this method of accounting, although Fusion will issue shares for outstanding equity interests of MoneyLion in the Business Combination, Fusion will be treated as the “acquired” company for financial reporting purposes. Accordingly, the Business Combination will be treated as the equivalent of MoneyLion issuing stock for the net assets of Fusion, accompanied by a recapitalization. The net assets of Fusion will be stated at historical cost, with no goodwill or other intangible assets recorded. Operations prior to the Business Combination will be those of MoneyLion.

Comparison of Stockholders’ Rights

Following the consummation of the Business Combination, the rights of Fusion Stockholders who become New MoneyLion stockholders in the Business Combination will no longer be governed by the Current Charter and Fusion’s bylaws and instead will be governed by the Proposed Charter and the Proposed Bylaws. See the section entitled “*Comparison of Stockholders’ Rights*” for further information.

Summary of Risk Factors

In evaluating the proposals to be presented at the Special Meeting, a Fusion Stockholder should carefully read this proxy statement/prospectus and especially consider the factors discussed in the section entitled “*Risk Factors*.”

Emerging Growth Company

Section 102(b)(1) of the Jumpstart Our Business Startups Act of 2012 (the “JOBS Act”) exempts emerging growth companies from being required to comply with new or revised financial accounting standards until private companies (that is, those that have not had a registration statement under the Securities Act declared effective or do not have a class of securities registered under the Exchange Act) are required to comply with the new or revised financial accounting standards. The JOBS Act provides that a company can elect to opt out of the extended transition period and comply with the requirements that apply to non-emerging growth companies but any such an election to opt out is irrevocable. We have elected not to opt out of such extended transition period which means that when a standard is issued or revised and it has different application dates for public or private companies, we, as an emerging growth company, can adopt the new or revised standard at the time private companies adopt the new or revised standard. This may make comparison of New MoneyLion’s financial statements with those of another public company that is neither an emerging growth company nor an emerging growth company that has opted out of using the extended transition period difficult or impossible because of the potential differences in accounting standards used.

We will remain an emerging growth company until the earlier of: (1) the last day of the fiscal year (a) following the fifth anniversary of the Closing of Fusion’s initial public offering, (b) in which we have total annual gross revenue of at least \$1.07 billion, or (c) in which we are deemed to be a large accelerated filer, which means the market value of our common equity that is held by non-affiliates exceeds \$700 million as of the end of the prior fiscal year’s second fiscal quarter; and (2) the date on which we have issued more than \$1.00 billion in non-convertible debt securities during the prior three-year period. References herein to “emerging growth company” have the meaning associated with it in the JOBS Act.

RISK FACTORS

We have identified the following risks and uncertainties that may have a material adverse effect on our business, financial condition, results of operations or reputation. The risks described below are not the only risks we face. Additional risks not presently known to us or that we currently believe are not material may also significantly affect our business, financial condition, results of operations or reputation. Our business could be harmed by any of these risks. In assessing these risks, you should also refer to the other information contained in this proxy statement prospectus, including our consolidated financial statements and related notes.

Unless the context otherwise requires, references in this subsection “— Risks Related to MoneyLion’s Business and Industry” to “we”, “us”, “our”, and “the Company” generally refer to MoneyLion in the present tense or New MoneyLion from and after the Business Combination.

SUMMARY RISK FACTORS

The following is a summary of select risks and uncertainties that could materially adversely affect the Business Combination, MoneyLion and its business, financial condition and results of operations. You should read this summary together with the full and complete discussion of risk factors contained below.

Risks Related to MoneyLion’s Business and Industry

- MoneyLion’s results of operations and future prospects depend on its ability to retain existing, and attract new, customers. MoneyLion faces intense and increasing competition and, if it does not compete effectively, its competitive positioning and operating results will be harmed.
- Because MoneyLion relies on third parties to provide services, MoneyLion could be adversely impacted if they fail to fulfill their obligations or if MoneyLion’s arrangements with them are terminated and suitable replacements cannot be found on commercially reasonable terms or at all.
- If MoneyLion fails to comply with the applicable requirements of our third-party partners, they could seek to suspend or terminate MoneyLion’s accounts, which could adversely affect MoneyLion’s business.
- If the information provided to MoneyLion by customers is incorrect or fraudulent, MoneyLion may misjudge a customer’s qualifications to receive its products and services and its results of operations may be harmed and could subject MoneyLion to regulatory scrutiny or penalties.
- MoneyLion services all of the loans it originates. A failure by MoneyLion to service loans properly could result in lost revenue and negatively impact its business and operations or subject MoneyLion to regulatory scrutiny or penalties.
- Systems defects, failures or disruptions, including events beyond MoneyLion’s control, and resulting interruptions in the availability of MoneyLion’s websites, applications, products, or services could harm MoneyLion’s business, harm its reputation, result in significant costs to MoneyLion, decrease MoneyLion’s potential profitability and expose it to substantial liability.
- The legal and regulatory regimes governing certain of MoneyLion’s products and services are uncertain and evolving. Changing laws, regulations, interpretations or regulatory enforcement priorities may negatively impact the management of its business, results of operations, ability to offer certain products or the terms and conditions upon which they are offered, and ability to compete.
- While MoneyLion takes precautions to prevent consumer identity fraud, it is possible that identity fraud may still occur or has occurred, which may adversely affect the performance of MoneyLion’s products and services or subject MoneyLion to scrutiny or penalties.
- MoneyLion’s business and platform depend in part on intellectual property and proprietary rights and technology licensed from or otherwise made available to MoneyLion by third parties. If MoneyLion fails to comply with its obligations under license or technology agreements with third parties, MoneyLion may be required to pay damages and MoneyLion could lose license rights that are critical to our business.

[Table of Contents](#)

- MoneyLion has in the past, and continue to be, subject to inquiries, subpoenas, exams, pending investigations, and enforcement matters by state and federal regulators, the outcome of which is uncertain and could cause reputational and financial harm to MoneyLion's business and results of operations.
- MoneyLion's projections are subject to significant risks, assumptions, estimates and uncertainties. As a result, MoneyLion's projected revenues, market share, expenses and profitability may differ materially from its expectations.
- MoneyLion has a history of losses and may not achieve profitability in the future.

Risks Related to Fusion and the Business Combination

- Directors and officers of Fusion have potential conflicts of interest in recommending that stockholders vote in favor of approval of the Business Combination and approval of the other proposals described in this proxy statement/prospectus.
- Fusion's Sponsor, directors and executive officers have agreed to vote in favor of the Business Combination, regardless of how our public stockholders vote.
- We may redeem your unexpired warrants prior to their exercise at a time that is disadvantageous to you, thereby making your warrants worthless.
- Even if we consummate the Business Combination, there can be no assurance that the warrants will be in the money at the time they become exercisable, and they may expire worthless.
- If the benefits of the Business Combination do not meet the expectations of investors or securities analysts, the market price of our securities may decline.
- Our actual financial position and results of operations may differ materially from the unaudited pro forma financial information included in this proxy statement/prospectus.
- Financial projections with respect to New MoneyLion may not prove to be reflective of actual future results.
- The Business Combination is subject to conditions, including certain conditions that may not be satisfied on a timely basis, if at all.
- We will incur significant costs and obligations as a result of being a public company.

Risks Related to MoneyLion's Business and Industry

Our financial condition and results of operations may be adversely impacted by the COVID-19 pandemic.

Occurrences of epidemics or pandemics, depending on their scale, may cause different degrees of disruption to the regional, state and local economies in which we offer our products and services. The current COVID-19 pandemic could have a material adverse effect on the value, operating results and financial condition of our business.

The COVID-19 pandemic has caused substantial changes in consumer behavior, restrictions on business and individual activities and high unemployment rates, which have led to reduced economic activity. Extraordinary actions taken by international, federal, state, and local public health and governmental authorities to contain and combat the outbreak and spread of COVID-19 in regions throughout the world, including travel bans, quarantines, "stay-at-home" orders, suspension of interest accrual, and similar mandates for many individuals and businesses to substantially restrict daily activities have led to a decrease in consumer activity generally. Additionally, the COVID-19 pandemic has had a negative impact on consumer finances and on employment levels, which could lead to lower demand for loans, higher loan delinquencies, less likelihood of signing up for our membership programs, less likelihood of making investments through our platform and less spending on the MoneyLion platform, all of which would have a negative impact on our financial condition, results of operations and cash flows.

[Table of Contents](#)

While the extent and duration of the economic slowdown and high unemployment rates attributable to the COVID-19 pandemic remain uncertain at this time, a continued significant economic slowdown could have a substantial adverse effect on our financial condition, liquidity and results of operations. As of the date of this proxy statement/prospectus, COVID-19 could have the following adverse effects on our business and results of operations, among others:

- reduced borrower approval rates, including as a result of credit eligibility and other adjustments;
- lower average balances of our loans as a result of changes in consumer demand and adjustments to our credit decisioning process and credit criteria;
- reduced pool of customers eligible for salary advances;
- impeded liquidity and negative fair value adjustments with respect to our loans; and
- reduced funds available for our investment products.

See “MoneyLion’s Management’s Discussion and Analysis of our Financial Condition and Results of Operations — Key Performance Metrics” and “— Results of Operations for the Year Ended December 31, 2019” for further discussion of the impact of the COVID-19 pandemic in recent periods on our business and operating results. The COVID-19 pandemic, and its impact, may also have the effect of heightening many of the other risks described herein.

Our business may be adversely affected by economic conditions and other factors that we cannot control.

Uncertainty and negative trends in general economic conditions, including significant tightening of credit markets, historically have created a difficult operating environment for our industry. Many factors, including factors that are beyond our control, may impact our results of operations or financial condition and our overall success by affecting a customer’s willingness and capacity to use our products and services, including a borrower’s willingness to incur loan obligations or willingness or capacity to make payments on their loans. These factors include interest rates, unemployment levels, conditions in the housing market, immigration policies, gas prices, energy costs, government shutdowns, trade wars and delays in tax refunds, as well as events such as natural disasters, acts of war, terrorism, catastrophes and pandemics.

Many new customers on our platform have limited or no credit history and limited financial resources. Accordingly, such customers have historically been, and may in the future become, disproportionately affected by adverse macroeconomic conditions, such as the disruption and uncertainty caused by the COVID-19 pandemic. In addition, major medical expenses, divorce, death or other issues that affect customers could affect a customer’s willingness or ability to make payments on their loans or salary advances or engage in investing activities. If borrowers default on loans facilitated on our platform, the cost to service these loans may also increase without a corresponding increase in revenue earned from lending operations, and the value of the loans could decline. Higher default rates by these borrowers may lead to lower demand by our funding sources and institutional investors to fund loans and other receivables facilitated by our platform, which would adversely affect our business, financial condition and results of operations.

During periods of economic slowdown or recession, our current and potential investors in our special purpose financing structure may reduce the number of loans or other receivables they are willing to finance or demand terms that are less favorable to us, to compensate for any increased risks. A reduction in the volume of the loans and other receivables we are able to finance through this structure would negatively impact our ability to maintain or increase the level of our lending and provision of other services to customers. Any sustained decline in demand for loans or other services we offer, or any increase in delinquencies or defaults that result from economic downturns, may harm our ability to maintain robust volumes for our lending operations and other services, which would adversely affect our business, financial condition and results of operations.

For example, the COVID-19 pandemic and other related adverse economic events led to a significant increase in unemployment, comparable, and at times surpassing, the unemployment rates during the peak of the financial crisis in 2008. There can be no assurance that levels of unemployment or underemployment will improve in the near term. The increase in the unemployment rate could increase the delinquency rate of borrowers of our loans, increase the rate of borrowers declaring bankruptcy or decrease our customers’ use of our investment and other products and

services, any of which could adversely affect the attractiveness of our loans and other receivables to our financing sources. If we are unable to adjust our platform to account for events like the COVID-19 pandemic and the resulting rise in unemployment, or if our platform is unable to more successfully predict the creditworthiness of potential borrowers compared to other lenders, then our business, financial condition and results of operations could be adversely affected.

Furthermore, the COVID-19 pandemic has caused some borrowers on our platform to request a temporary extension or modification of the payment schedules of their loans under our temporary relief or loan modification programs, or hardship programs. If a large number of borrowers seek to participate in such hardship programs, the investment returns of our financing sources could decline. Further, if the rate of borrowers that participate in such hardship programs is greater than those experienced by our competitors, then our financing sources may become less interested providing financing for our loans and other consumer receivables, which could negatively impact our funding strategy or significantly increase the cost of obtaining funding. Any of the foregoing could adversely affect our business, financial condition and results of operations.

If there is an economic downturn that affects our current and prospective customers or our financing sources, or if we are unable to address and mitigate the risks associated with any of the foregoing, our business, financial condition and results of operations could be adversely affected.

We operate in a cyclical industry. In an economic downturn, we may not be able to grow our business or maintain expected levels of liquidity or revenue growth.

The timing, severity, and duration of an economic downturn can have a significant negative impact on our ability to generate adequate revenue and to absorb expected and unexpected losses. For example, in making a decision whether to extend credit to a new or existing customer, or determine appropriate pricing for a loan or salary advance, our decision strategies rely on robust data collection, including from third-party sources, proprietary scoring models, and market expertise. An economic downturn could place financial stress on our customers, potentially impacting our ability to make accurate assessments or decisions about our customers' ability to pay for loans and other services we provide, as well as our customers' willingness to use our products and services. Our ability to adapt in a manner that balances future revenue production and loss management will be tested in a downturn. The longevity and severity of a downturn will also place pressure on our funding sources. There can be no assurance that our financing arrangements will remain available to us through any particular business cycle or be renewed on the same terms. The timing and extent of a downturn may also require us to change, postpone or cancel our strategic initiatives or growth plans to pursue shorter-term sustainability. The longer and more severe an economic downturn, the greater the potential adverse impact on us, which could be material.

We are a rapidly growing company with a relatively limited operating history, which may result in increased risks, uncertainties, expenses and difficulties, and makes it difficult to evaluate our future prospects.

We were founded in 2013 and have experienced rapid growth in recent years. Our limited operating history may make it difficult to make accurate predictions about our future performance. Assessing our business and future prospects may also be difficult because of the risks and difficulties we face. These risks and difficulties include our ability to:

- improve the effectiveness and predictiveness of our data-driven platform;
- maintain and increase the volume of loans and other financial products we provide through our platform;
- enter into new and maintain existing relationships with third-party partners and service providers;
- successfully maintain cost-effective sources of financing for our operations;
- maintain competitive interest rates offered to borrowers on our platform, while enabling our funding sources to achieve an adequate return over their cost of funds;
- successfully build our brand and protect our reputation from negative publicity;
- increase the effectiveness of our marketing strategies, including our direct consumer marketing initiatives;

[Table of Contents](#)

- continue to expand the number of our potential customers;
- successfully adjust our proprietary models, products and services in a timely manner in response to changing macroeconomic conditions and fluctuations in the credit market;
- comply with and successfully adapt to complex and evolving regulatory environments;
- protect against increasingly sophisticated fraudulent uses of financial products and online theft;
- successfully compete with companies that are currently in, or may in the future enter, the business of providing consumer financial services;
- enter into new markets and introduce new products and services;
- sufficiently obtain, maintain, protect, or enforce our intellectual property and other proprietary rights;
- effectively secure and maintain the confidentiality of the information received, accessed, stored, provided and used across our systems;
- successfully obtain and maintain funding and liquidity to support continued growth and general corporate purposes;
- attract, integrate and retain qualified employees; and
- effectively manage and expand the capabilities of our operations teams, outsourcing relationships and other business operations.

If we are not able to timely and effectively address these risks and difficulties as well as those described elsewhere in this “Risk Factors” section, our business and results of operations may be harmed.

Our results of operations and future prospects depend on our ability to retain existing, and attract new, customers. We face intense and increasing competition and, if we do not compete effectively, our competitive positioning and our operating results will be harmed.

We operate in a rapidly changing and highly competitive industry, and our results of operations and future prospects depend on, among others:

- the continued growth of our customer base;
- our ability to monetize our customer base, including through additional products by our existing customers;
- our ability to acquire customers at a lower cost; and
- our ability to increase the overall value to us of each of our customers while they remain on our platform.

We expect our competition to continue to increase, as there are generally no substantial barriers to entry to the markets we serve. In addition to established enterprises, we may also face competition from early-stage companies attempting to capitalize on the same, or similar, opportunities as we are. Some of our current and potential competitors have longer operating histories, particularly with respect to financial services products similar to ours, significantly greater financial, technical, marketing and other resources and a larger customer base than we do. This allows them, among other things, to potentially offer more competitive pricing or other terms or features, a broader range of financial products, or a more specialized set of specific products or services, as well as respond more quickly than we can to new or emerging technologies and changes in customer preferences. Our existing or future competitors may develop products or services that are similar to our products and services or that achieve greater market acceptance than our products and services. This could attract customers away from our services and reduce our market share in the future. Additionally, when new competitors seek to enter our markets, or when existing market participants seek to increase their market share, these competitors sometimes undercut, or otherwise exert pressure on, the pricing terms prevalent in that market, which could adversely affect our market share and/or ability to capitalize on new market opportunities.

[Table of Contents](#)

We currently compete at multiple levels with a variety of competitors, including:

- traditional banks and credit unions;
- new entrants obtaining banking licenses;
- other non-bank digital providers that white label regulated products, offering banking-related services;
- specialty finance and other non-bank lenders, offering consumer lending-related products; and
- online wealth management platforms, such as robo-advisors, offering consumer investment services.

We compete with traditional banks for many of the services we offer. Because we do not currently control a bank or a bank holding company, we are subject to regulation by a variety of state and federal regulators across our products and services and we rely on MetaBank, N.A. to provide banking accounts and debit cards to our customers. This regulation by federal, state and local authorities increases our compliance costs, particularly for our lending business, as we navigate multiple regimes with different examination schedules and processes, varying disclosure requirements, and at times conflicting consumer protection laws. In addition, our ability to compete may be hampered in certain states where the amount of interest we are permitted to charge customers is capped and we are consequently unable to make loans to all the customers that we believe may be qualified but to whom we cannot offer the appropriate risk-adjusted margin.

We believe that our ability to compete depends upon many factors both within and beyond our control, including, among others, the following:

- the size, diversity and activity levels of our customer base;
- the timing and market acceptance of products and services, including developments and enhancements to those products and services, offered by us and our competitors;
- customer service and support efforts;
- selling and marketing efforts;
- the ease of use, performance, price and reliability of solutions developed either by us or our competitors;
- changes in economic conditions, regulatory and policy developments;
- general credit markets conditions and their impact on our liquidity and ability to access funding;
- the ongoing impact of the COVID-19 pandemic on the lending and financial services markets we serve;
- our brand strength relative to our competitors; and
- competition over highly skilled personnel in the technology industry.

Our current and future business prospects demand that we act to meet these competitive challenges but, in doing so, our net revenue and results of operations could be adversely affected if we, for example, increase marketing expenditures or make other expenditures. Competitive pressures could also result in us reducing the amounts we charge for our various products and services, such as reducing the annual percentage rate on the loans we originate, incurring higher customer acquisition costs and could make it more difficult for us to grow our financial services product offerings in both number and volume for new as well as existing customers. All of the foregoing factors and events could adversely affect our business, financial condition, results of operations, cash flows and future prospects.

Because we rely on third parties to provide services, we could be adversely impacted if they fail to fulfill their obligations or if our arrangements with them are terminated and suitable replacements cannot be found on commercially reasonable terms or at all.

We depend on certain key third-party partners, service providers and vendors for certain products and services. The success of our business depends in part on our ability to work with a bank partner, currently MetaBank, to provide our customers with deposit accounts and debit cards facilitated through our platform. We are also dependent

on our relationship with DriveWealth, a third-party broker-dealer partner, which provides brokerage and related services for the investment accounts facilitated through our platform. Any changes in these relationships or loss of these partners could degrade the functionality of our products and services, impose additional costs or requirements, or give preferential treatment to competitors' services, including their own services, and materially and adversely affect usage of our products and services. In the event our agreements with these third parties are terminated, or if upon its expiration we are unable to renew the contract on terms favorable to us, or at all, it may be difficult for us to replace these services, which may adversely affect our operations and profitability. Some of these organizations and third-party service providers provide similar services and technology to our competitors, and we do not have long-term or exclusive contracts with them.

Our systems and operations or those of our third-party service providers could be exposed to damage or interruption from, among other things, financial insolvency, bankruptcy, contractual default, or adverse regulatory changes. In addition, we may be unable to renew our existing contracts with our most significant third-party relationships, MetaBank and DriveWealth, or they may stop providing or otherwise supporting the products and services we obtain from them, and we may not be able to obtain these or similar products or services on the same or similar terms as our existing arrangements, if at all. The failure of these third-party providers to perform their obligations and provide the products and services we obtain from them in a timely manner for any reason could adversely affect our operations and profitability.

If we fail to comply with the applicable requirements of our third-party partners, they could seek to suspend or terminate our accounts, which could adversely affect our business.

We rely on agreements with MetaBank, DriveWealth and other third-party providers to provide deposit accounts, debit card services and investment advisory services. These agreements and corresponding regulations with banks and financial institutions may give them substantial discretion in approving certain aspects of our business practices, including our application and qualification procedures for customers and require us to comply with certain legal requirements. Our financial institution partners' discretionary actions under these agreements could impose material limitations to, or have a material adverse effect on, our business, financial condition and results of operations. Without these relationships, we would not be able to service our deposit accounts, debit cards and investment accounts, which would have a material adverse effect on our business, financial condition and results of operations. Furthermore, our financial results could be adversely affected if our costs associated with such relationships materially change or if any penalty or claim for damages is imposed as a result of our breach of the agreement with them or their other requirements.

We rely on third-party service providers for payment processing and other functions that are important to our operations. The loss of those service providers could materially and adversely affect our business, results of operations and financial condition. Additionally, if a third-party service provider fails to comply with legal or regulatory requirements or otherwise to perform these functions properly, our business may be adversely affected.

We rely on third-party service providers to perform various functions relating to our business, including underwriting, fraud detection, marketing, operational functions, cloud infrastructure services, information technology, and telecommunications, and, because we are not a bank and cannot belong to or directly access the ACH payment network, ACH processing, and debit card payment processing. While we oversee these service providers to ensure they provide services in accordance with our agreements and regulatory requirements, we do not have control over the operations of any of the third-party service providers that we utilize. In the event that a third-party service provider for any reason fails to perform such functions, including through negligence, willful misconduct or fraud, our ability to process payments and perform other operational functions for which we currently rely on such third-party service providers will suffer and our business, cash flows and future prospects may be negatively impacted.

Additionally, if one or more key third-party service providers were to cease to exist, to become a debtor in a bankruptcy or an insolvency proceeding or to seek relief under any debtor relief laws or to terminate its relationship with us, there could be delays in our ability to process payments and perform other operational functions for which we are currently relying on such third-party service provider, and we may not be able to promptly replace such third-party service provider with a different third-party service provider that has the ability to promptly provide the

same services in the same manner and on the same economic terms. As a result of any such delay or inability to replace such key third-party service provider, our ability to process payments and perform other business functions could suffer and our business, cash flows and future prospects may be negatively impacted.

A significant change in consumer confidence in our products and services could negatively impact our business.

We have developed a strong and trusted brand that has contributed significantly to the success of our business. We believe that maintaining and promoting our brand is critical to achieving widespread acceptance of our products and services and expanding our base of customers.

Maintaining and promoting our brand will depend largely on our ability to continue to provide useful, reliable, secure, and innovative products and services, as well as our ability to maintain trust and remain a leading financial services platform. We may introduce, or make changes to, features, products, services, privacy practices, or terms of service that customers do not like, which may materially and adversely affect our brand. Our brand promotion activities may not generate customer awareness or increase revenue, and even if they do, any increase in revenue may not offset the expenses we incur in building our brand. If we fail to successfully promote and maintain our brand or if we incur excessive expenses in this effort, our business could be materially and adversely affected.

We rely on relationships with third-party partners to obtain and maintain customers. Our ability to acquire new customers could be materially harmed if we are unable to enter into or maintain these relationships on terms that are commercially reasonable to us, or at all.

Harm to our brand can arise from many sources, including failure by us or our partners and service providers to satisfy expectations of service and quality, inadequate protection or misuse of personally identifiable information (“PII”), compliance failures and claims, litigation and other claims, and misconduct by our partners or other counterparties. We have been, from time to time and, may in the future be, the target of incomplete, inaccurate, and misleading or false statements about our company and our business that could damage our brand and deter customers from adopting our services. Any negative publicity about our industry or our company, the quality and reliability of our products and services, our compliance and risk management processes, changes to our products and services, our ability to effectively manage and resolve customer complaints, our privacy, data protection, and information security practices, litigation, regulatory licensing and infrastructure, and the experience of our customers with our products or services could adversely affect our reputation and the confidence in and use of our products and services. If we do not successfully maintain a strong and trusted brand, our business could be materially and adversely affected.

If the information provided to us by customers is incorrect or fraudulent, we may misjudge a customer’s qualifications to receive our products and services and our results of operations may be harmed and could subject us to regulatory scrutiny or penalties.

Our decisions to provide many of our products and services to our customers are based partly on information customers provide to us or authorize us to receive. To the extent that these customers provide information to us in a manner that we are unable to verify, our decisioning process may not accurately reflect the associated risk. In addition, data provided by third-party sources, including credit reporting agencies, is a component of our credit decisions and this data may contain inaccuracies. Inaccurate analysis of credit data that could result from false loan application information could harm our reputation, business and results of operations.

In addition, we use identity and fraud prevention tools to analyze data provided by external databases to authenticate each applicant’s identity. From time to time, these checks have failed and there is a risk that these checks could fail in the future, and fraud, which may be significant, may occur. We may not be able to recoup funds underlying loans or associated with our other services made in connection with inaccurate statements, omissions of fact or fraud, in which case our revenue, results of operations and profitability will be harmed. Fraudulent activity or significant increases in fraudulent activity could also lead to regulatory intervention, which could negatively impact our results of operations, brand and reputation, and require us to take steps to reduce fraud risk, which could increase our costs.

Many of our investment advisory customers are first-time investors and our revenues could be reduced if these customers stop investing altogether or stop using our platform for their investing activities.

Our business model focuses on making the financial markets accessible to a broad demographic of retail investors. In each of the years ended December 31, 2020, 2019 and 2018, over half of our customers for the applicable period were first-time investors. In addition, in the first half of 2020, we saw a significant increase in the number of new accounts opened by first-time investors, largely as a result of economic and social conditions driven by the COVID-19 pandemic. Our success, and our ability to increase revenues and operate profitably, depends in part on such customers continuing to utilize our platform, even as global social and economic conditions shift. However, our customers do not have long-term contractual arrangements with us and can utilize our platform on a transaction-by-transaction basis and may also cease to use our platforms at any time or use a competitor's platform. We may face particular challenges in retaining these investors as customers, for example as a result of a return to pre-COVID-19 behaviors, increased volatility in the financial markets or increasing availability of competing products that seek to target the same demographic. In particular, a broad decline in the equity or other financial markets could result in some of these investors exiting the markets and leaving our platform. Any significant loss of these customers or a significant reduction in their use of our platform could have a material impact on our investment volumes and revenues, and materially adversely affect our business, financial condition and results of operations.

If loans originated through our platform do not perform, or significantly underperform, we may incur financial losses on the loans we originate or lose the confidence of our financing sources.

Any significant underperformance of the loans facilitated through our platform, especially if they underperform compared to those generated by our competitors, may adversely impact our relationship with our funding sources and result in their loss of confidence in us, which could lead to the termination of our existing funding arrangements. A decrease or termination by our funding sources in their investments in our credit products and other consumer receivables would have a material adverse effect on our business, results of operations, financial condition, and future prospects.

Borrowers may prepay a loan at any time without penalty, which could reduce our revenue and limit our ability to obtain financing for our lending operations.

A borrower may decide to prepay all or a portion of the remaining principal amount on a loan at any time without penalty. If the entire or a significant portion of the remaining unpaid principal amount of a loan is prepaid, we would receive significantly lower interest associated with such prepaid loan. Prepayments may occur for a variety of reasons, including if interest rates decrease after a loan is made. If a significant volume of prepayments occurs, the amount of our servicing fees would decline, which could harm our business and results of operations. Our data-driven models are designed to predict prepayment rates. However, if a significant volume of prepayments occur that our models do not accurately predict, returns targeted by our financing sources in our loan funding programs would be adversely affected and our ability to attract new investors would be negatively affected.

We service all of the loans we originate. A failure by us to service loans properly could result in lost revenue and negatively impact our business and operations or subject us to regulatory scrutiny or penalties.

We service all of the personal loans we originate. Any failure on our part to perform functions related to our servicing activities to properly service our loans could result in a significant decrease in the amount of loans we service and therefore adversely impact the amount of revenue generated from interest income.

We rely on investment through our subsidiary Special Purpose Vehicle financing structure to finance loans and advances, and any inability to meet investors expected returns or our obligations concerning that financing could result in significant losses in and harm to our business.

Our credit and advance products are financed through Investment in America Credit Fund I LLC ("IIA") and associated special purpose vehicles, as well as certain credit facilities. IIA was formed in 2016 and is an indirect wholly owned subsidiary of MoneyLion Inc. If we fail to meet our contractual obligations under the arrangement with our funding sources, including ensuring that our credit and advance products are run and managed appropriately, or if we fail to meet the investment expectations or returns of our funding sources, our funding sources

[Table of Contents](#)

could terminate their arrangements with us or we may not be able to refinance such funding sources on favorable terms or at all, which could significantly impair our ability to finance future credit and advance receivables beyond the contractual obligations of the funding sources. Loss of one or more of financing sources we have for our credit products and other operations could have an adverse impact on our performance, and it could be costly and time consuming to obtain a new financing, if at all.

We depend on our key personnel and other highly skilled personnel, and if we fail to attract, retain and motivate our personnel, our business, financial condition and results of operations could be adversely affected.

Our success significantly depends on the continued service of our senior management team, including Dee Choubey, our Co-Founder and Chief Executive Officer, and Rick Correia, our Chief Financial Officer, and other highly skilled personnel. Our success also depends on our ability to identify, hire, develop, motivate and retain highly qualified personnel for all areas of our organization.

Competition for highly skilled personnel, including engineering and data analytics personnel, is extremely intense, particularly in New York where our headquarters is located. We have experienced, and expect to continue to face, difficulty identifying and hiring qualified personnel in many areas, especially as we pursue our growth strategy. Further, as a result of the COVID-19 pandemic, a large and increasing number of companies have adopted permanent work-from-home policies, which further increases the challenges associated with hiring and retaining qualified personnel. We may not be able to hire or retain such personnel at compensation or flexibility levels consistent with our existing compensation and salary structure and policies. Many of the companies with which we compete for experienced employees have greater resources than we have and may be able to offer more attractive terms of employment. In particular, candidates making employment decisions, specifically in high-technology industries, often consider the value of any equity they may receive in connection with their employment. Any significant volatility in the price of our stock after this business combination may adversely affect our ability to attract or retain highly skilled technical, financial and marketing personnel.

In addition, we invest significant time and expense in training our employees, which increases their value to competitors who may seek to recruit them. If we fail to retain our employees, we could incur significant expenses in hiring and training their replacements. While we are in the process of training their replacements, the quality of our services and our ability to serve our customers could decline, resulting in an adverse effect on our business.

If we fail to promote, protect, and maintain our brand in a cost-effective manner, we may lose market share and our revenue may decrease.

We believe that developing, protecting, and maintaining awareness of our brand in a cost-effective manner is critical to attracting new and retaining existing customers to our platform. Successful promotion of our brand will depend largely on the effectiveness of our marketing efforts and the experience of existing customers. Our efforts to build our brand have involved significant expense, and we expect to increase our marketing spend in the near term. These brand promotion activities may not result in increased revenue and, even if they do, any increases may not offset the expenses incurred. Additionally, the successful protection and maintenance of our brand will depend on our ability to obtain, maintain, protect, and enforce trademark and other intellectual property protection for our brand. If we fail to successfully promote, protect, and maintain our brand or if we incur substantial expenses in an unsuccessful attempt to promote, protect, and maintain our brand, we may lose our existing merchants and customers to our competitors or be unable to attract new merchants and customers. Any such loss of existing merchants or customers, or inability to attract new merchants or customers, would have an adverse effect on our business and results of operations.

Our engineering and technical development teams are based primarily in Malaysia which could be adversely affected by changes in political or economic stability or by government policies.

Our engineering and technical development teams operate a foreign branch in Malaysia, which is subject to relatively higher degrees of political and social instability than the United States and may lack the infrastructure to withstand political unrest or natural disasters. The political or regulatory climate in the United States, or elsewhere, also could change so that it would not be lawful or practical for us to use international operations in the manner in which we currently use them. If we had to curtail or cease operations in Malaysia and transfer some or all of these operations to another geographic area, we would incur significant transition costs as well as higher future overhead.

costs that could materially and adversely affect our results of operations. In many foreign countries, particularly in those with developing economies, it may be common to engage in business practices that are prohibited by laws and regulations applicable to us, such as the Foreign Corrupt Practices Act of 1977, as amended (“FCPA”). Any violations of the FCPA or local anti-corruption laws by us, our subsidiaries or our local agents could have an adverse effect on our business and reputation and result in substantial financial penalties or other sanctions.

Our ability to collect payments on our financial products and services and maintain accurate accounts may be adversely affected by computer malware, social engineering, phishing, physical or electronic break-ins, undetected technical errors, bugs and similar disruptions.

The automated nature of our platform may make it an attractive target for hacking and potentially vulnerable to computer viruses, physical or electronic break-ins and similar disruptions. It is possible that we may not be able to anticipate or to implement effective preventive measures against all security breaches of these types, in which case there would be an increased risk of fraud or identity theft, and we may experience losses on, or delays in the collection of amounts owed on, a fraudulently induced loan. Security breaches could occur from outside our company, and also from the actions of persons inside our company who may have authorized or unauthorized access to our technology systems. In addition, the software that we have developed to use in our daily operations is highly complex and may contain undetected technical errors that could cause our computer systems to fail. Because many of the products and services we provide involve, in part, our proprietary automated decisioning processes, any failure of our computer systems involving our automated processes and any technical or other errors contained in the software pertaining to our automated processes could compromise our ability to accurately evaluate potential customers, which would negatively impact our results of operations. Furthermore, any failure of our computer systems could cause an interruption in operations and result in disruptions in, or reductions in the amount of, collections on fees and other amounts from our customers.

Additionally, if hackers were able to access our secure files, they might be able to gain access to the personal information of our customers. If we are unable to prevent such activity, we may be subject to significant liability, negative publicity and a material loss of customers, all of which may negatively affect our business.

Our platform and internal systems, and those of third parties upon whom we rely, rely on software that is highly technical, and if it contains undetected technical errors, our business could be adversely affected.

Our platform and internal systems rely on software that is highly technical and complex. In addition, our platform and internal systems depend on the ability of such software to store, retrieve, process and manage high volumes of data. The software upon which we rely may from time to time contain, undetected technical errors or bugs. Some technical errors or bugs may only be discovered after the code has been released for external or internal use. Technical errors or other design defects within the software upon which we rely may result in failure to accurately predict a loan applicant’s creditworthiness or the suitability of other applicants for our other products and services, failure to comply with applicable laws and regulations, approval of sub-optimally priced loans, incorrectly displayed interest rates or other fees to borrowers and other customers, or incorrectly charged interest or fees to borrowers and other customers or to third-party partners or institutional investors, failure to detect fraudulent activity on our platform, our inability to accurately evaluate potential customers, a negative experience for customers or third-party partners, delayed introductions of new features or enhancements or failure to protect borrower data or our intellectual property or other sensitive data or proprietary information. Any technical errors, bugs or defects discovered in the software upon which we rely could result in harm to our reputation, loss of customers or bank partners, increased regulatory scrutiny, fines or penalties, loss of revenue or liability for damages, any of which could adversely affect our business, financial condition and results of operations.

Some aspects of our business processes include open source software, which poses risks that could have a material and adverse effect on our business, financial condition and results of operations. In addition, any failure to comply with the terms of one or more of these open source licenses could negatively affect our business.

We incorporate open source software into processes supporting our business and anticipate using open source software in the future. Such open source software may include software covered by licenses like the GNU General Public License and the Apache License. The terms of various open source licenses to which we are subject have not

been interpreted by U.S. courts, and there is a risk that such licenses could be construed in a manner that imposes unanticipated conditions or restrictions on our ability to operate our systems, limits our use of the software, inhibits certain aspects of our systems and negatively affects our business operations.

Some open source licenses contain requirements that we make source code publicly available or make available on unfavorable terms or at no cost, modifications or derivative works we create based upon the type of open source software we use.

While we monitor our use of open source software and try to ensure that none is used in a manner that would require us to disclose our proprietary source code or that would otherwise breach the terms of an open source license, such use could inadvertently occur, or could be claimed to have occurred, in part because open source license terms are often ambiguous. We may face claims from third parties claiming ownership of, or demanding the release or license of, modifications or derivative works that we have developed using such open source software (which could include our proprietary source code or artificial intelligence (“AI”) models), or otherwise seeking to enforce the terms of the applicable open source license. These claims could result in litigation and if portions of our proprietary AI models or software are determined to be subject to an open source license, or if the license terms for the open source software that we incorporate change, we could be required to publicly release all or affected portions of our source code, purchase a costly license, cease offering the implicated products or services unless and until we can re-engineer such source code in a manner that avoids infringement, discontinue or delay the provision of our offerings if re-engineering could not be accomplished on a timely basis or change our business activities, any of which could negatively affect our business operations and potentially our intellectual property rights. In addition, the re-engineering process could require us to expend significant additional research and development resources, and we may not be able to complete the re-engineering process successfully. If we were required to publicly disclose any portion of our proprietary models, it is possible we could lose the benefit of trade secret protection for our models.

In addition to risks related to license requirements, the use of certain open source software can lead to greater risks than the use of third-party commercial software, as open source licensors generally do not provide support, warranties, indemnification, controls or other contractual protections regarding infringement claims or the quality of the origin of the software. There is little legal precedent in this area and any actual or claimed requirement to disclose our proprietary source code or pay damages for breach of contract could harm our business and could help third parties, including our competitors, develop products and services that are similar to or better than ours. Use of open source software may also present additional security risks because the public availability of such software may make it easier for hackers and other third parties to determine how to breach our website and systems that rely on open source software. Any of these risks associated with the use of open source software could be difficult to eliminate or manage, and if not addressed, could materially and adversely affect our business, financial condition and results of operations.

Systems defects, failures or disruptions, including events beyond our control, and resulting interruptions in the availability of our websites, applications, products, or services could harm our business, harm our reputation, result in significant costs to us, decrease our potential profitability and expose us to substantial liability.

We use vendors, such as our cloud computing web services provider, account transaction and card processing companies, and third-party software providers, in the operation of our platform. The satisfactory performance, reliability, and availability of our technology and our underlying network and infrastructure are critical to our operations and reputation and the ability of our platform to attract new and retain existing merchants and customers. We rely on these vendors to protect their systems and facilities against damage or service interruptions from natural disasters, power or telecommunications failures, air quality issues, environmental conditions, computer viruses or attempts to harm these systems, criminal acts, unauthorized access, sabotage, acts of vandalism, military actions, negligence, human errors, fraud, spikes in platform use and denial of service issues, hardware failures, improper operation, cyberattacks, data loss, wars and similar events. If our arrangement with a vendor is terminated or if there is a lapse of service or damage to its systems or facilities, we could experience interruptions in our ability to operate our platform. We also may experience increased costs and difficulties in replacing that vendor and replacement services may not be available on commercially reasonable terms, on a timely basis, or at all. In addition, our platform is accessed by many merchants and customers, often at the same time. As we continue to expand the number of our merchants and customers, and products and services available through our platform, we may not be able to scale our technology to accommodate the increased capacity requirements. The failure of data centers, internet service providers or other third-party service providers to meet our capacity requirements could result in

interruptions or delays in access to our platform or impede our ability to grow our business and scale our operations. Any interruptions or delays in our platform availability, whether as a result of a failure to perform on the part of a vendor, any damage to one of our vendor's systems or facilities, the termination of any of our third-party vendor agreements, software failures, our or our vendor's error, natural disasters, terrorism, other man made problems, security breaches, whether accidental or willful, or other factors, could harm our relationships with our merchants and customers, prevent our merchants or customers from accessing their accounts, damage our reputation with current and potential merchants or customers, expose us to liability, cause us to lose merchants or customers, cause the loss of critical data, prevent us from supporting our platform, products or services or cause us to incur additional expense in arranging for new facilities and support or otherwise harm our business and also harm our reputation.

In addition, we source certain information from third parties. For example, our riskscoring model is based on algorithms that evaluate a number of factors and currently depend on sourcing certain information from third parties, including consumer reporting agencies. In the event that any third party from which we source information experiences a service disruption, whether as a result of maintenance, natural disasters, terrorism, or security breaches, whether accidental or willful, or other factors, the ability to score and decision loan applications and applications for our other products and services through our platform may be adversely impacted. Additionally, there may be errors contained in the information provided by third parties. This may result in the inability to approve otherwise qualified applicants through our platform, which may adversely impact our business by negatively impacting our reputation and reducing our transaction volume.

To the extent we use or are dependent on any particular third-party data, technology, or software, we may also be harmed if such data, technology, or software becomes non-compliant with existing regulations or industry standards, becomes subject to third-party claims of intellectual property infringement, misappropriation, or other violation, or malfunctions or functions in a way we did not anticipate. Any loss of the right to use any of this data, technology, or software could result in delays in the provisioning of our products and services until equivalent or replacement data, technology, or software is either developed by us, or, if available, is identified, obtained, and integrated, and there is no guarantee that we would be successful in developing, identifying, obtaining, or integrating equivalent or similar data, technology, or software, which could result in the loss or limiting of our products, services, or features available in our products or services.

In addition, in the event of damage or interruption, our insurance policies may not adequately compensate us for any losses that we may incur. Our disaster recovery plan has not been tested under actual disaster conditions, and we may not have sufficient capacity to recover all data and services in the event of an outage. Furthermore, prolonged interruption in the availability, or reduction in the speed or other functionality, of our platform, products or services could materially harm our reputation and business. Any of the foregoing could prevent us from processing transactions or posting payments on our platform, damage our brand and reputation, divert the attention of our employees, reduce our revenue, subject us to liability, and cause customers or merchants to abandon our platform, any of which could have a material and adverse effect on our business, results of operations, financial condition, and future prospects.

Demand for our products may decline if we do not continue to innovate or respond to evolving technological or other changes.

We operate in a dynamic industry characterized by rapidly evolving technology, frequent product introductions, and competition based on pricing and other differentiators. We rely on our proprietary technology to make the MoneyLion platform available to customers, to service customers and to introduce new products. In addition, we may increasingly rely on technological innovation as we introduce new types of products, expand our current products into new markets, and continue to streamline the MoneyLion platform. The process of developing new technologies and products is complex, and if we are unable to successfully innovate and continue to deliver a superior customer experience, customers' demand for our products may decrease and our growth and operations may be harmed. Participants in our industry also compete on price, and our ability to meet the demand of our customers in this respect could affect our ability to maintain demand for our products and services.

Our business is subject to extensive regulation, examination, and oversight in a variety of areas, including registration and licensing requirements under federal, state and local laws and regulations.

We are subject to extensive regulation, supervision and examination under United States federal and state laws and regulations. Regulators have broad discretion with respect to the interpretation, implementation, and enforcement of these laws and regulations, including through enforcement actions that could subject us to civil money penalties, customer remediations, increased compliance costs, and limits or prohibitions on our ability to offer certain products or services or to engage in certain activities. Any failure to comply with any of these laws or regulations could subject us to lawsuits or governmental actions and/or damage our reputation, which could materially and adversely affect our business. In addition, to the extent that we undertake actions requiring regulatory approval or non-objection, regulators may make their approval or non-objection subject to conditions or restrictions that could have a material adverse effect on its business. Moreover, any competitors subject to different, or in some cases less restrictive, legislative or regulatory regimes may have or obtain a competitive advantage over us.

We are subject to the regulatory and enforcement authority of the Consumer Financial Protection Bureau (“CFPB”), which oversees compliance with federal consumer financial protection laws. In addition, if the CFPB were to expand its supervisory authority by promulgating new regulations, it is possible that the CFPB could be permitted to conduct periodic examination of our business, which may increase our risk of regulatory or enforcement actions. Further, we are regulated by many state regulatory agencies through licensing and other supervisory or enforcement authority, which includes regular examination by state governmental authorities.

We are also subject to potential enforcement and other actions that may be brought by state attorneys general or other state enforcement authorities and other governmental agencies. Any such actions could subject us to civil money penalties and fines, customer remediations, and increased compliance costs, damage our reputation and brand and limit or prohibit our ability to offer certain products and services or engage in certain business practices. Further, in some cases, regardless of fault, it may be less time-consuming or costly to settle these matters, which may require us to implement certain changes to our business practices, provide remediation to certain individuals or make a settlement payment to a given party or regulatory body.

The legal and regulatory regimes governing certain of our products and services are uncertain and evolving. Changing laws, regulations, interpretations or regulatory enforcement priorities may negatively impact the management of our business, results of operations, ability to offer certain products or the terms and conditions upon which they are offered, and ability to compete.

We are required to comply with constantly changing federal, state, and local laws and regulations that regulate, among other things, the terms of the loans that we originate and the associated fees that may be charged. Federal and state regulators of consumer financial products and services are also enforcing existing laws, regulations, and rules more aggressively and enhancing their supervisory expectations regarding the management of legal and regulatory compliance risks. Changes in the laws, regulations and enforcement priorities applicable to our business could have a material impact on our business model, operations and financial position. In addition, our wholly-owned subsidiary, ML Wealth LLC, is registered as an investment adviser under the Investment Advisers Act of 1940, as amended (the “Advisers Act”) and is subject to regulation by the SEC. The Advisers Act, together with related regulations and interpretations of the SEC, impose numerous obligations and restrictions on investment advisers, including requirements relating to the safekeeping of client funds and securities, limitations on advertising, disclosure and reporting obligations, prohibitions on fraudulent activities, restrictions on agency cross and principal transactions between an adviser and its advisory clients, and other detailed operating requirements, as well as general fiduciary obligations.

Such laws and regulations are complex, and require us to incur significant expenses and devote significant management attention to ensure compliance. In addition, our failure to comply (or to ensure that our agents and third-party service providers comply) with these laws or regulations may result in litigation or enforcement actions, the penalties for which could include: revocation of licenses and registrations; fines and other monetary penalties; civil and criminal liability; substantially reduced payments by our customers; modification of the original terms of loans and other products, permanent forgiveness of debt, or inability to, directly or indirectly, collect all or a part of the principal of or interest on loans or other amounts owed by our customers; and indemnification claims. Such

consequences could, among other things, require changes to our business practices and scope of operations or harm our reputation, which in turn, could have a material adverse effect on our results of operations, financial condition or business.

In addition, the transition to a new Presidential Administration occurring in 2021 is expected to bring an increased focus on enforcement of federal consumer protection laws and appointment of consumer-oriented regulators at federal agencies such as the CFPB, the SEC, the Office of the Comptroller of the Currency (“OCC”) and the Federal Deposit Insurance Corporation (“FDIC”). It is possible that changes made by regulators in the Biden Administration could result in new requirements or restrictions that apply to us (or our third-party partners), impacting our business, operations, and profitability.

State attorneys general have indicated that they will take a more active role in enforcing consumer protection laws, including through use of Dodd-Frank Act provisions that authorize state attorneys general to enforce certain provisions of federal consumer financial laws and obtain civil money penalties and other relief available to the CFPB.

Further, we may not be able to respond quickly or effectively to regulatory, legislative, and other developments, and these changes may in turn impair our ability to offer our existing or planned features, products, and services and/or increase our cost of doing business. In addition, if our practices are not consistent or viewed as not consistent with legal and regulatory requirements, we may become subject to audits, inquiries, whistleblower complaints, adverse media coverage, investigations, or criminal or civil sanctions, all of which may have an adverse effect on our reputation, business, results of operations, and financial condition.

These regulatory changes and uncertainties make our business planning more difficult and could result in changes to our business model and potentially adversely impact the results of our operations. New laws or regulations also require us to incur significant expenses to ensure compliance. As compared to our competitors, we could be subject to more stringent state or local regulations or could incur marginally greater compliance costs as a result of regulatory changes.

Proposals to change the statutes affecting financial services companies are frequently introduced in Congress and state legislatures that, if enacted, may affect its operating environment in substantial and unpredictable ways. In addition, numerous federal and state regulators have the authority to promulgate or change regulations that could have a similar effect on our operating environment. We cannot determine with any degree of certainty whether any such legislative or regulatory proposals will be enacted and, if enacted, the ultimate impact that any such potential legislation or implementing regulations, or any such potential regulatory actions by federal or state regulators, would have upon our business.

New laws, regulations, policy or changes in enforcement of existing laws or regulations applicable to our business, or reexamination of current practices, could adversely impact our profitability, limit our ability to continue existing or pursue new business activities, require us to change certain of our business practices or alter its relationships with customers, affect retention of key personnel, or expose us to additional costs (including increased compliance costs and/or customer remediation). These changes also may require us to invest significant resources, and devote significant management attention, to make any necessary changes and could adversely affect our business.

Our investment advisory subsidiary will seek the consent of its advisory clients to the deemed “assignment” of its investment advisory agreements that may result from the Business Combination, and any failure to obtain these consents could adversely affect our results of operations, financial condition or business.

As required by the Advisers Act, the investment advisory agreements entered into by our investment adviser subsidiary, ML Wealth LLC, provide that an “assignment” of the agreement may not be made without the client’s consent. Under the Advisers Act, a change of ownership may constitute such an “assignment” if it is a change of control. The Business Combination may result in a deemed “assignment” (within the meaning of the Advisers Act) of ML Wealth LLC’s investment advisory agreements with its clients, and therefore, ML Wealth LLC is seeking the consent of its advisory clients to such “assignment” in accordance with the terms of the relevant investment advisory agreements. While we expect ML Wealth LLC will obtain such consents from most of its advisory clients, there can be no assurances it will do so, and if it fails to obtain such consents from a significant number of advisory clients, our results of operations, financial condition or business could be adversely affected.

If loans made by us under our state lending licenses are found to violate applicable state interest rate limits or other provisions of applicable state lending and other laws, it could adversely affect our business, results of operations, financial condition, and future prospects.

The loans we originate pursuant to our state licenses are subject to state licensing and interest rate restrictions, as well as numerous state requirements regarding consumer protection, interest rate, disclosure, prohibitions on certain activities, and loan term lengths. If the loans we originate pursuant to our state licenses were deemed subject to and in violation of certain state consumer finance or other laws, we could be subject to fines, damages, injunctive relief (including required modification or discontinuation of our business in certain areas), and other penalties or consequences, and the loans could be rendered void or unenforceable in whole or in part, any of which could have an adverse effect on our business, results of operations, financial condition, and future prospects.

If we operate without having obtained necessary state or local licenses, it could adversely affect our business, results of operations, financial condition, and future prospects.

Certain states have adopted laws regulating and requiring licensing, registration, notice filing, or other approval by parties that engage in certain activity regarding consumer finance transactions, including facilitating and assisting such transactions in certain circumstances. Furthermore, certain states and localities have also adopted laws requiring licensing, registration, notice filing, or other approval for consumer debt collection or servicing, and/or purchasing or selling consumer loans. We have also received inquiries from state regulatory agencies regarding requirements to obtain licenses from or register with those states, including in states where we have determined that we are not required to obtain such a license or be registered with the state, and we expect to continue to receive such inquiries. The application of some consumer financial licensing laws to our platform and the related activities it performs is unclear. In addition, state licensing requirements may evolve over time, including, in particular, recent trends toward increased licensing requirements and regulation of parties engaged in loan solicitation activities. If we were found to be in violation of applicable state licensing requirements by a court or a state, federal, or local enforcement agency, or agree to resolve such concerns by voluntary agreement, we could be subject to or agree to pay fines, damages, injunctive relief (including required modification or discontinuation of our business in certain areas), criminal penalties, and other penalties or consequences, and the loans facilitated through our platform could be rendered void or unenforceable in whole or in part, any of which could have an adverse effect on the enforceability or collectability of the loans facilitated through our platform.

The highly regulated environment in which our third-party financial institution partners operate may subject us to regulation and could have an adverse effect on our business, results of operations, financial condition, and future prospects.

Our third-party partners are subject to federal and state supervision and regulation. Federal regulation of the banking and investment industries, along with tax and accounting laws, regulations, rules, and standards, may limit their operations significantly and control the methods by which they conduct business. In addition, compliance with laws and regulations can be difficult and costly, and changes to laws and regulations can impose additional compliance requirements. Regulatory requirements affect our third-party partners' banking and investment practices, among other aspects of their business, and restrict transactions between us and our third-party partners. These requirements may constrain the operations of our third-party partners, and the adoption of new laws and changes to, or repeal of, existing laws may have a further impact on our business.

In choosing whether and how to conduct business with us, current and prospective third-party partners can be expected to take into account the legal, regulatory, and supervisory regime that applies to them, including potential changes in the application or interpretation of regulatory standards, licensing requirements, or supervisory expectations. Regulators may elect to alter standards or the interpretation of the standards used to measure regulatory compliance or to determine the adequacy of liquidity, certain risk management, or other operational practices for financial services companies in a manner that impacts our current and prospective third-party partners.

Furthermore, the regulatory agencies have extremely broad discretion in their interpretation of the regulations and laws and their interpretation of the quality of our third-party partners' assets. If any regulatory agency's assessment of the quality of our third-party partners' assets, operations, lending practices, investment practices, or other aspects of their business changes, it may reduce our third-party partners' earnings, capital ratios, and share price in such a way that affects our business.

Bank holding companies and financial institutions are extensively regulated and currently face an uncertain regulatory environment. Applicable state and federal laws, regulations, and interpretations, including enforcement policies and accounting principles have been subject to significant changes in recent years, and may be subject to significant future changes. We cannot predict with any degree of certainty the substance or effect of pending or future legislation or regulation or the application of laws and regulations to our current and prospective third-party partners. Future changes may have an adverse effect on our current and prospective third-party partners and, therefore, on us.

The collection, processing, use, storage, sharing and transmission of PII and other sensitive data are subject to stringent and changing state, federal and international laws, regulations and standards and policies and could give rise to liabilities as a result of our failure or perceived failure to protect such data, comply with privacy and data protection laws and regulations or adhere to the privacy and data protection practices that we articulate to our customers.

In the course of our operations and the processing of transactions, we collect, process, store, disclose, use, share and/or transmit a large volume of PII and other sensitive data from current, past and prospective customers as well as our employees in and across multiple jurisdictions. The regulatory framework for privacy issues worldwide is rapidly evolving and is likely to remain uncertain for the foreseeable future. There are federal, state, and foreign laws and regulations regarding privacy, data security and the collection, processing, use, storage, protection, sharing and/or transmission of PII and sensitive data. Additionally, many states continue to enact legislation on matters of privacy, information security, cybersecurity, data breach and data breach notification requirements. For example, as of January 1, 2020, the California Consumer Privacy Act (“CCPA”) grants additional consumer rights with respect to data privacy in California. The CCPA, among other things, entitles California residents to know how their PII is being collected and shared, to access or request the deletion of their PII and to opt out of certain sharing of their PII. The CCPA is subject to further amendments pending certain proposed regulations that are being reviewed and revised by the California Attorney General. The CCPA provides for civil penalties for violations, as well as a private right of action for certain data breaches that result in the loss of PII. This private right of action may increase the likelihood of, and risks associated with, data breach litigation. We cannot predict the impact of the CCPA on our business, operations or financial condition, but it could require us to modify certain processes or procedures, which could result in additional costs and liability.

Additionally, a new California ballot initiative, the California Privacy Rights Act (“CPRA”) was passed in November 2020. Effective starting on January 1, 2023, the CPRA imposes additional obligations on companies covered by the legislation and will significantly modify the CCPA, including by expanding customers’ rights with respect to certain sensitive PII. The CPRA also creates a new state agency that will be vested with authority to implement and enforce the CCPA and the CPRA. The effects of the CCPA and the CPRA are potentially significant and may require us to modify our data collection or processing practices and policies and to incur substantial costs and expenses in an effort to comply and increase our potential exposure to regulatory enforcement and/or litigation.

We expect more states to enact legislation similar to the CCPA and the CPRA, which provide customers with new privacy rights and increase the privacy and security obligations of entities handling certain PII of such customers. The CCPA has prompted a number of proposals for new federal and state-level privacy legislation, such as in Nevada, Virginia, New Hampshire, Illinois and Nebraska. Such proposed legislation, if enacted, may add additional complexity, variation in requirements, restrictions and potential legal risk, require additional investment of resources in compliance programs, impact strategies and the availability of previously useful data and could result in increased compliance costs and/or changes in business practices and policies.

Additionally, our investment adviser and broker-dealer are subject to SEC Regulation S-P, which requires that businesses maintain policies and procedures addressing the protection of customer information and records. This includes protecting against any anticipated threats or hazards to the security or integrity of customer records and information and against unauthorized access to or use of customer records or information. Regulation S-P also requires businesses to provide initial and annual privacy notices to customers describing information sharing policies and informing customers of their rights.

Because the interpretation and application of many privacy and data protection laws are uncertain, it is possible that these laws may be interpreted and applied in a manner that is inconsistent with our existing data management practices or the features of our services and platform capabilities. If so, in addition to the possibility of fines, lawsuits and other claims, we could be required to fundamentally change our business activities and practices or modify our platform, which could have an adverse effect on our business. Any violations or perceived violations of these laws, rules and regulations by us, or any third parties with which we do business, may require us to change our business practices or operational structure, including limiting our activities in certain states and/or jurisdictions, addressing legal claims by governmental entities or private actors, and sustaining monetary penalties, sustaining reputational damage, expending substantial costs, time and other resources and/or sustaining other harms to our business. Furthermore, our online, external-facing privacy policy and website make certain statements regarding our privacy, information security, and data security practices with regard to information collected from our customers or visitors to our website. Failure or perceived failure to adhere to such practices may result in regulatory scrutiny and investigation, complaints by affected customers or visitors to our website, reputational damage and/or other harm to our business. If either we, or the third-party service providers with which we share customer data, are unable to address privacy concerns, even if unfounded, or to comply with applicable privacy or data protection laws, regulations and policies, it could result in additional costs and liability to us, damage our reputation, inhibit sales and harm our business, financial condition and results of operations.

Cyberattacks and other security breaches or disruptions suffered by us or third parties upon which we rely could have a materially adverse effect on our business, harm our reputation and expose us to public scrutiny or liability.

In the normal course of business, we collect, process, use and retain sensitive and confidential information regarding our customers and prospective customers, including data provided by and related to customers and their transactions, as well as other data of the counterparties to their payments. We also have arrangements in place with certain third-party service providers that require us to share consumer information. Although we devote resources and management focus to ensuring the integrity of our systems through information security and business continuity programs, our facilities and systems, and those of third-party service providers, are vulnerable to actual or threatened external or internal security breaches, acts of vandalism, theft, or fraud or misconduct on the part of employees, other internal sources or third parties, computer viruses, phishing attacks, internet interruptions, disruptions or losses, misplaced or lost data, ransomware, unauthorized encryption, denial-of-service attacks, social engineering, unauthorized access, spam or other attacks, natural disasters, fires, terrorism, war, telecommunications or electrical interruptions or failures, programming or human errors or malfeasance, and other similar malicious or inadvertent disruptions or events. We and our third-party service providers may from time to time experience such instances in the past. We also face security threats from malicious third parties that could obtain unauthorized access to our systems and networks, which threats we anticipate will continue to grow in scope and complexity over time. These events could interrupt our business or operations, result in legal claims or proceedings, result in significant legal and financial exposure, supervisory liability under U.S. federal or state, or non-U.S. laws regarding the privacy and protection of information, including PII, damage to our reputation and a loss of confidence in the security of our systems, products and services. Although the impact to date from these events has not had a material adverse effect on us, no assurance is given that this will be the case in the future.

Information security risks in the financial services industry have increased recently, in part because of new technologies, the use of the Internet and telecommunications technologies (including mobile devices) to conduct financial and other business transactions and the increased sophistication and activities of organized criminals, perpetrators of fraud, hackers, terrorists and other malicious third parties. In addition to cyberattacks and other security breaches involving the theft of sensitive and confidential information, hackers, terrorists, sophisticated nation-state and nation-state supported actors and other malicious third parties recently have engaged in attacks that are designed to disrupt key business services, such as consumer-facing websites. We and our third-party service providers may not be able to anticipate or implement effective preventive measures against all security breaches of these types, especially because the techniques used to sabotage or to obtain unauthorized access to our or our third-party service providers' technology, systems, networks and/or physical facilities in which data is stored or through which data is transmitted change frequently and because attacks can originate from a wide variety of sources. We employ detection and response mechanisms designed to contain and mitigate security incidents. Nonetheless, early detection efforts may be thwarted by sophisticated attacks and malware designed to avoid detection. We also may fail to detect the existence of a security breach related to the information of our customers and to prevent or detect service interruption, system failure or data loss. Further, as the current COVID-19

pandemic continues to result in a significant number of people working from home, these cybersecurity risks may be heightened by an increased attack surface across our business and those of our customers and third-party service providers. We cannot guarantee that our efforts, or the efforts of those upon whom we rely and partner with, will be successful in preventing any such information security incidents.

The access by unauthorized persons to, or the improper disclosure by us of, confidential information regarding our customers or our proprietary information, software, methodologies and business secrets could interrupt our business or operations, result in significant legal and financial exposure, supervisory liability, damage to our reputation or a loss of confidence in the security of our systems, products and services, all of which could have a material adverse impact on our business. In addition, there recently have been a number of well-publicized attacks or breaches affecting companies in the financial services industry that have heightened concern by customers, which could also intensify regulatory focus, cause customers to lose trust in the security of the industry in general and result in reduced use of our services and increased costs, all of which could also have a material adverse effect on our business.

Most jurisdictions have enacted laws requiring companies to notify individuals, regulatory authorities and others of security breaches involving certain types of data. In addition, our agreements with certain partners and service providers may require us to notify them in the event of a security breach. Such mandatory disclosures are costly, could lead to negative publicity, may cause our customers to lose confidence in the effectiveness of our security measures and require us to expend significant capital and other resources to respond to and/or alleviate problems caused by the actual or perceived security breach. A security breach of any of our vendors that processes PII of our customers may pose similar risks.

A security breach may also cause us to breach customer contracts. Our agreements with certain partners and service providers may require us to use industry-standard or reasonable measures to safeguard PII. We also may be subject to laws that require us to use industry-standard or reasonable security measures to safeguard PII. A security breach could lead to claims by our customers or other relevant stakeholders that we have failed to comply with such legal or contractual obligations. As a result, we could be subject to legal action or our customers could end their relationships with us. There can be no assurance that the limitations of liability in our contracts would be enforceable or adequate or would otherwise protect us from liabilities or damages, and in some cases our customer agreements may not limit our remediation costs or liability with respect to data breaches.

Litigation resulting from security breaches may adversely affect our business. Unauthorized access to our technology, systems, networks, or physical facilities, or those of our third-party service providers, could result in litigation with our customers or other relevant stakeholders. These proceedings could force us to spend money in defense or settlement, divert management's time and attention, increase our costs of doing business, or adversely affect our reputation. We could be required to fundamentally change our business activities and practices or modify our products and/or technology capabilities in response to such litigation, which could have an adverse effect on our business. If a security breach were to occur, and the confidentiality, integrity or availability of PII was disrupted, we could incur significant liability, or our technology, systems or networks may be perceived as less desirable, which could negatively affect our business and damage our reputation.

We may not have adequate insurance coverage. The successful assertion of one or more large claims against us that exceeds our available insurance coverage, or results in changes to our insurance policies (including premium increases or the imposition of large deductible or co-insurance requirements), could have an adverse effect on our business. In addition, we cannot be sure that our existing insurance coverage and coverage for errors and omissions will continue to be available on acceptable terms or that our insurers will not deny coverage as to any future claim.

While we take precautions to prevent consumer identity fraud, it is possible that identity fraud may still occur or has occurred, which may adversely affect the performance of our products and services or subject us to scrutiny or penalties.

There is risk of fraudulent activity associated with our platform, , customers, service providers and third parties handling consumer information. Our resources, technologies, and fraud prevention tools may be insufficient to accurately detect and prevent fraud. The level of fraud related charge-offs on the loans and other products and services facilitated through our platform could be adversely affected if fraudulent activity were to significantly increase. Significant amounts of fraudulent cancellations or chargebacks could adversely affect our business or

financial condition. High profile fraudulent activity or significant increases in fraudulent activity could also lead to regulatory intervention, negative publicity, and the erosion of trust from our customers, and could materially and adversely affect our business, results of operations, financial condition, future prospects, and cash flows.

We may be unable to sufficiently obtain, maintain, protect, or enforce our intellectual property and other proprietary rights, which could reduce the value of our platform, products, services and brand, impair our competitive position and cause reputational harm.

Intellectual property and other proprietary rights are important to the success of our business. Our ability to compete effectively is dependent in part upon our ability to obtain, maintain, protect, and enforce our intellectual property and other proprietary rights, including with respect to our proprietary technology, and to obtain licenses to use the intellectual property and proprietary rights of others. We rely on a combination of trademarks, service marks, copyrights, trade secrets, domain names and contractual rights to protect our intellectual property and other proprietary rights. We own the domain name rights for moneylion.com, and, as of February 16, 2021, we owned 22 registered trademarks and five trademark applications in the United States. Nonetheless, the steps we take to obtain, maintain, protect, and enforce our intellectual property and other proprietary rights may be inadequate and, despite our efforts to protect these rights, unauthorized third parties, including our competitors, may duplicate, mimic, reverse engineer, access, obtain, or use the proprietary aspects of our technology, processes, products, or services without our permission, thereby impeding our ability to promote our platform and possibly leading to customer confusion. Our competitors and other third parties may also design around or independently develop similar technology or otherwise duplicate or mimic our services or products such that we would not be able to successfully assert our intellectual property or other proprietary rights against them. We have filed, and may continue in the future to file, applications to protect certain of our innovations and intellectual property. We cannot assure that any future patent, trademark, or service mark registrations will be issued for our pending or future applications or that any of our current or future patents, copyrights, trademarks, or service marks (whether registered or unregistered) will be valid, enforceable, sufficiently broad in scope, provide adequate protection of our intellectual property or other proprietary rights, or provide us with any competitive advantage.

Our trademarks, trade names, and service marks have significant value, and our brand is an important factor in the marketing of our services. We rely on, and intend to rely on, both registrations and common law protections for our trademarks. However, we may be unable to prevent competitors or other third parties from acquiring or using trademarks, service marks, or other intellectual property or other proprietary rights that are similar to, infringe upon, misappropriate, dilute, or otherwise violate or diminish the value of our trademarks and service marks and our other intellectual property and proprietary rights. The value of our intellectual property and other proprietary rights could diminish if others assert rights in or ownership of our intellectual property or other proprietary rights, or in trademarks or service marks that are similar to our trademarks or service marks. Additionally, if third parties succeed in registering or developing common law rights in such trademarks or similar trademarks, and if we are not successful in challenging such third-party rights, we may not be able to use these trademarks to develop brand recognition of our platform, products or services. If we are unable to establish name recognition based on our trademarks and trade names, we may not be able to compete effectively, which could adversely impact our business, financial condition and results of operations.

In addition to registered intellectual property rights such as trademark registrations, we rely on non-registered proprietary information and technology, such as trade secrets, confidential information, know-how and technical information. In order to protect our proprietary information and technology, we rely in part on confidentiality and intellectual property assignment agreements with our employees and contractors involved in the development of material intellectual property for us, which require such individuals to assign such intellectual property to us and place restrictions on the employees' and contractors' use and disclosure of our confidential information. However, these agreements may not be self-executing, and we cannot guarantee that we have entered into such agreements containing obligations of confidentiality with each party that has or may have had access to proprietary information, know-how, or trade secrets owned or held by us. Individuals that were involved in the development of intellectual property for us or who had access to our intellectual property may make adverse ownership claims to our current and future intellectual property. Likewise, to the extent that our employees, independent contractors or other third parties with whom we do business use intellectual property owned by others in their work for us, disputes may arise as to the rights in related or resulting works of authorship, know-how and inventions. Moreover, our contractual arrangements may be insufficient or breached or may otherwise not effectively prevent disclosure of, or control access to, our confidential or otherwise proprietary information or provide an adequate remedy in the event of an

unauthorized disclosure, which could cause us to lose any competitive advantage resulting from this intellectual property. The measures we have put in place may not prevent misappropriation, infringement, or other violation of our intellectual property or other proprietary rights or information and any resulting loss of competitive advantage, and we may be required to litigate to protect our intellectual property or other proprietary rights or information from misappropriation, infringement, or other violation by others, which is time-consuming and expensive, could cause a diversion of resources, and may not be successful, even when our rights have been infringed, misappropriated, or otherwise violated. Our efforts to enforce our intellectual property and other proprietary rights may be met with defenses, counterclaims, and countersuits attacking the validity and enforceability of our intellectual property and other proprietary rights, and if such defenses, counterclaims, or countersuits are successful, it could diminish or we could otherwise lose valuable intellectual property and other proprietary rights. Furthermore, changes to U.S. or foreign intellectual property laws and regulations may jeopardize the enforceability and validity of our intellectual property portfolio and harm our ability to obtain patent protection, including for some of our unique business methods. Additionally, the laws of some foreign countries may not be as protective of intellectual property and other proprietary rights as those in the United States, and the mechanisms for enforcement of intellectual property and other proprietary rights may be inadequate.

Furthermore, third parties may challenge, invalidate, or circumvent our intellectual property and proprietary rights, including through administrative processes or litigation. The legal standards relating to the validity, enforceability, and scope of protection of intellectual property and other proprietary rights are uncertain and still evolving. Our intellectual property and other proprietary rights may not be sufficient to provide us with a competitive advantage and the value of our intellectual property and other proprietary rights could also diminish if others assert rights therein or ownership thereof, and we may be unable to successfully resolve any such conflicts in our favor or to our satisfaction.

We may be sued by third parties for alleged infringement, misappropriation, or other violation of their intellectual property or other proprietary rights which may be costly and may subject us to significant liability and increased costs of doing business.

Our success depends, in part, on our ability to develop and commercialize our products and services without infringing, misappropriating, or otherwise violating the intellectual property or other proprietary rights of third parties.

We may become involved in disputes from time to time concerning intellectual property or other proprietary rights of third parties, which may relate to our own proprietary technology, or to technology that we acquire or license from third parties, and we may not prevail in these disputes. Relatedly, competitors or other third parties may raise claims alleging that we, service providers or other third parties retained or indemnified by us, infringe on, misappropriate, or otherwise violate such competitors' or other third parties' intellectual property or other proprietary rights. These claims of infringement, misappropriation, or other violation may be extremely broad, and it may not be possible for us to conduct our operations in such a way as to avoid all such alleged violations of such intellectual property or other proprietary rights. We also may be unaware of third-party intellectual property or other proprietary rights that cover or otherwise relate to some or all of our products and services. For example, there may be issued patents of which we are not aware, held by third parties that, if found to be valid and enforceable, could be alleged to be infringed by our current or future technologies or products. There also may be pending patent applications of which we are not aware that may result in issued patents, which could be alleged to be infringed by our current or future technologies or products. Because patent applications can take years to issue and are often afforded confidentiality for some period of time there may currently be pending applications, unknown to us, that later result in issued patents that could cover our current or future technologies or products.

Given the complex, rapidly changing, and competitive technological and business environment in which we operate, and the potential risks and uncertainties of intellectual property-related litigation, a claim of infringement, misappropriation, or other violation against us may require us to spend significant amounts of time and other resources to defend against the claim (even if we ultimately prevail), pay significant money damages, make significant payments for legal fees, settlement payments or other costs, lose significant revenues, be prohibited from using the relevant systems, processes, technologies, or other intellectual property (temporarily or permanently), cease offering certain products or services, obtain a license, which may not be available on commercially reasonable terms or at all, to sell or use the relevant technology or redesign our allegedly infringing products or services or functionality therein to avoid infringement, misappropriation or other violations, which could be costly,

time-consuming, or impossible, rebrand our products and services and/or be prevented from selling some of our products or services if third parties successfully oppose or challenge our trademarks or successfully claim that we infringe, misappropriate or otherwise violate their trademarks or other intellectual property rights, and/or limit the manner in which we use our brands. In addition, if a third party is able to obtain an injunction preventing us from accessing such third-party intellectual property rights, or if we cannot license or develop alternative technology for any infringing aspect of our business, we may be forced to limit or stop sales of our relevant products and technology capabilities or cease business activities related to such intellectual property. We cannot predict the outcome of lawsuits and cannot ensure that the results of any such actions will not have an adverse effect on our business, financial condition or results of operations.

Some of the aforementioned risks of infringement, misappropriation or other violation, in particular with respect to patents, are potentially increased due to the nature of our business, industry, and intellectual property portfolio. For instance, it has become common in recent years for certain third parties to purchase patents or other intellectual property assets for the sole purpose of making claims of infringement, misappropriation, or other violation in an attempt to extract settlements from companies such as ours. In addition, many companies have the capability to dedicate substantially greater resources to enforce their intellectual property rights and to defend claims that may be brought against them than we can. In a patent infringement claim against us, we may assert, as a defense, that we do not infringe the relevant patent claims, that the patent is invalid, or both. The strength of our defenses may depend on the patents asserted, the interpretation of these patents, or our ability to invalidate the asserted patents. However, we could be unsuccessful in advancing non-infringement and/or invalidity arguments in our defense. In the United States, issued patents enjoy a presumption of validity, and the party challenging the validity of a patent claim must present clear and convincing evidence of invalidity, which is a high burden of proof. Conversely, the patent owner need only prove infringement by a preponderance of the evidence, which is a lower burden of proof. We do not currently have a patent portfolio, which could prevent us from deterring patent infringement claims from competitors or other third parties and our competitors and others may now and in the future have significantly larger and more mature patent portfolios than we may have. Any litigation may also involve patent holding companies or other adverse patent owners that have no relevant product revenue, and therefore, any future patents we may have may provide little or no deterrence as we would not be able to assert them against such entities or individuals.

In addition to the previously mentioned impacts of intellectual property-related litigation, while in some cases a third party may have agreed to indemnify us for costs associated with intellectual property-related litigation, such indemnifying third party may refuse or be unable to uphold its contractual obligations. In other cases, our insurance may not cover potential claims of this type adequately or at all, and we may be required to pay monetary damages, which may be significant.

Even if the claims do not result in litigation or are resolved in our favor, these claims, and the time and resources necessary to resolve them, could divert the resources of our management and harm our business and operating results. Moreover, there could be public announcements of the results of hearings, motions or other interim proceedings or developments and if securities analysts or investors perceive these results to be negative, it could have a substantial adverse effect on the price of our common stock. The occurrence of infringement and misappropriation claims may grow as the market for our platform and products grows. Accordingly, our exposure to damages resulting from infringement claims could increase and this could further exhaust our financial and management resources. Any of the foregoing could adversely impact our business, financial condition and results of operations.

Our business and platform depend in part on intellectual property and proprietary rights and technology licensed from or otherwise made available to us by third parties. If we fail to comply with our obligations under license or technology agreements with third parties, we may be required to pay damages and we could lose license rights that are critical to our business.

Our business and our platform rely on technologies developed or licensed by third parties. These third-party software components may become obsolete, defective or incompatible with future versions of our services, relationships with the third-party licensors or technology providers may deteriorate, or our agreements with the third-party licensors or technology providers may expire or be terminated. Additionally, some of these licenses or other grants of rights may not be available to us in the future on terms that are acceptable, or at all, or that allow our platform, products and services to remain competitive. Our inability to obtain licenses or rights on favorable terms could have a material and adverse effect on our business and results of operations. Furthermore, incorporating intellectual property or proprietary rights licensed from or otherwise made available to us by third parties on

a non-exclusive basis in our products or services could limit our ability to protect the intellectual property and proprietary rights in our services and our ability to restrict third parties from developing, selling or otherwise providing similar or competitive technology using the same third-party intellectual property or proprietary rights.

We believe we have all the necessary licenses and other grants of rights from third parties to use technology and software that we do not own. A third party could, however, allege that we are infringing its rights, which may deter our ability to obtain licenses or other grants of rights on commercially reasonable terms from the third party, if at all, or cause the third party to commence litigation against us. Our failure to obtain necessary licenses or other rights, or litigation or claims arising out of intellectual property matters, may harm or restrict our business. In addition, we could be found liable for significant monetary damages, including treble damages and attorneys' fees, if we are found to have willfully infringed a patent or other intellectual property right. Any such litigation or the failure to obtain any necessary licenses or other rights could adversely impact our business, financial position and results of operations.

Failure to comply with anti-money laundering, economic and trade sanctions regulations, and similar laws could subject us to penalties and other adverse consequences.

We maintain an enterprise-wide program designed to enable us to comply with all applicable anti-money laundering and anti-terrorism financing laws and regulations, including the Bank Secrecy Act and the Patriot Act. This program includes policies, procedures, processes, and other internal controls designed to identify, monitor, manage, and mitigate the risk of money laundering and terrorist financing. These controls include procedures and processes to detect and report potentially suspicious transactions, perform consumer due diligence, respond to requests from law enforcement, and meet all recordkeeping and reporting requirements related to particular transactions involving currency or monetary instruments. We are required to maintain this program under our agreements with our third-party partners, and certain state regulatory agencies have intimated they expect the program to be in place and followed. We cannot provide any assurance that our programs and controls will be effective to ensure compliance with all applicable anti-money laundering and anti-terrorism financing laws and regulations we are required to comply with, and our failure to comply with these laws and regulations could result in a breach and termination of our agreements with our third-party partners or criticism by state governmental agencies, which would have a material adverse effect on our business, results of operations, financial condition, and future prospects.

We have in the past, and continue to be, subject to inquiries, subpoenas, exams, pending investigations, and enforcement matters by state and federal regulators, the outcome of which is uncertain and could cause reputational and financial harm to our business and results of operations.

The financial services industry is subject to extensive regulation under federal, state, and applicable international laws. From time to time, we have been threatened with or named as a defendant in lawsuits, arbitrations and administrative claims involving securities, consumer financial services and other matters. We are also subject to periodic regulatory examinations and inspections. Compliance and trading problems that are reported to regulators, such as the SEC, Financial Industry Regulatory Authority, Inc. ("FINRA"), the CFPB, or state regulators, by dissatisfied customers or others are investigated by such regulators, and may, if pursued, result in formal claims being filed against us by customers or disciplinary action being taken against us or our employees by regulators or enforcement agencies. To resolve issues raised in examinations or other governmental actions, we may be required to take various corrective actions, including changing certain business practices, making refunds or taking other actions that could be financially or competitively detrimental to us. We expect to continue to incur costs to comply with governmental regulations. Any such claims or disciplinary actions that are decided against us could have a material impact on our financial results. For a discussion of specific legal and regulatory proceedings, inquiries and investigations, to which we are currently subject, please refer to "Information about MoneyLion—Legal and Regulatory Proceedings."

Unfavorable outcomes in legal proceedings may harm our business and results of operations.

We are, and may in the future become, subject to litigation, claims, examinations, investigations, legal and administrative cases and proceedings, whether civil or criminal, or lawsuits by governmental agencies or private parties, which may affect our results of operations. These claims, lawsuits, and proceedings could involve labor and employment, discrimination and harassment, commercial disputes, intellectual property rights (including patent,

trademark, copyright, trade secret, and other proprietary rights), class actions, general contract, tort, defamation, data privacy rights, antitrust, common law fraud, government regulation, or compliance, alleged federal and state securities and “blue sky” law violations or other investor claims, and other matters. Due to the consumer-oriented nature of our business and the application of certain laws and regulations, participants in our industry are regularly named as defendants in litigation alleging violations of federal and state laws and regulations and consumer law torts, including fraud. Many of these legal proceedings involve alleged violations of consumer protection laws. In addition, we have in the past and may in the future be subject to litigation, claims, examinations, investigations, legal and administrative cases and proceedings related to our loan products and other financial services we provide. For instance, our membership model and some of the products and services we offer are relatively novel and have been subject to limited regulatory scrutiny, but there has been, and may continue to be, increasing regulatory interest in and/or litigation challenging our membership model, our products or services.

Any unfavorable results of pending or future legal proceedings may result in contractual damages, usury related claims, fines, penalties, injunctions, the unenforceability, rescission or other impairment of loans originated on our platform or other censure that could have an adverse effect on our business, results of operations and financial condition. Even if we adequately address the issues raised by an investigation or proceeding or successfully defend a third-party lawsuit or counterclaim, we may have to devote significant financial and management resources to address these issues, which could harm our business, financial condition and results of operations.

Changes in tax law and differences in interpretation of tax laws and regulations may adversely impact our financial statements.

We operate in multiple jurisdictions and are subject to tax laws and regulations of the U.S. federal, state and local and non-U.S. governments. U.S. federal, state and local and non-U.S. tax laws and regulations are complex and subject to varying interpretations. U.S. federal, state and local and non-U.S. tax authorities may interpret tax laws and regulations differently than we do and challenge tax positions that we have taken. This may result in differences in the treatment of revenues, deductions, credits and/or differences in the timing of these items. The differences in treatment may result in payment of additional taxes, interest or penalties that could have an adverse effect on our financial condition and results of operations. Further, future changes to U.S. federal, state and local and non-U.S. tax laws and regulations could increase our tax obligations in jurisdictions where we do business or require us to change the manner in which we conduct some aspects of our business.

As the regulatory framework for artificial intelligence and machine learning technology evolves, our business, financial condition and results of operations may be adversely affected.

The regulatory framework for artificial intelligence and machine learning technology is evolving and remains uncertain. It is possible that new laws and regulations will be adopted in the United States, or existing laws and regulations may be interpreted in new ways, that would affect the operation of our platform and the way in which we use artificial intelligence and machine learning technology, including with respect to fair lending laws. Further, the cost to comply with such laws or regulations could be significant and would increase our operating expenses, which could adversely affect our business, financial condition and results of operations.

We may be unsuccessful in managing the effects of changes in the cost of capital on our business.

We may need to raise funds in the future, for example, to develop new technologies, expand our business, respond to competitive pressures and make acquisitions. We may try to raise additional funds through public or private financings, strategic relationships or other arrangements.

Our ability to obtain debt or equity funding will depend on a number of factors, including market conditions, interest rates, our operating performance, our credit rating and investor interest. Additional funding may not be available to us on acceptable terms or at all. If adequate funds are not available, we may be required to reduce expenditures, including curtailing our growth strategies, foregoing acquisitions or reducing our business development efforts. If we succeed in raising additional funds through the issuance of equity or equity-linked securities, then existing stockholders could experience substantial dilution. If we raise additional funds through the issuance of debt securities or preferred stock, these new securities would have rights, preferences and privileges senior to those of the holders of our common stock. In addition, any such issuance could subject us to restrictive covenants relating to our capital raising activities and other financial and operational matters, which may make

it more difficult for us to obtain additional capital and to pursue business opportunities, including potential acquisitions. Further, to the extent we incur additional indebtedness or such other obligations, the risks associated with our existing debt, including our possible inability to service our existing debt, would increase.

Our projections are subject to significant risks, assumptions, estimates and uncertainties. As a result, our projected revenues, market share, expenses and profitability may differ materially from our expectations.

We operate in a rapidly changing and competitive industry and our projections will be subject to the risks and assumptions made by management with respect to our industry. Operating results are difficult to forecast because they generally depend on a number of factors, including the competition we face, and our ability to attract and retain customers and enterprise partnerships, while generating sustained revenues. Additionally, our business may be affected by reductions in consumer borrowing, spending and investing from time to time as a result of a number of factors which may be difficult to predict. This may result in decreased revenue levels, and we may be unable to adopt measures in a timely manner to compensate for any unexpected shortfall in income. This inability could cause our operating results in a given quarter to be higher or lower than expected. These factors make creating accurate forecasts and budgets challenging and, as a result, we may fall materially short of our forecasts and expectations, which could cause our stock price to decline and investors to lose confidence in us.

Real or perceived inaccuracies in our key operating metrics may harm our reputation and negatively affect our business.

We track certain key operating metrics such as total payment volume, total originations and total customers with internal systems and tools that are not independently verified by any third party. While the metrics presented in this prospectus are based on what we believe to be reasonable assumptions and estimates, our internal systems and tools have a number of limitations, and our methodologies for tracking these metrics may change over time. In addition, limitations or errors with respect to how we measure data or with respect to the data that we measure may affect our understanding of certain details of our business, which could affect our long-term strategies. If the internal systems and tools we use to track these metrics understate or overstate performance or contain algorithmic or other technical errors, the key operating metrics we report may not be accurate. If investors do not perceive our operating metrics to be accurate, or if we discover material inaccuracies with respect to these figures, our reputation may be significantly harmed, and our results of operations and financial condition could be adversely affected.

If we fail to maintain an effective system of disclosure controls and internal control over financial reporting, our ability to produce timely and accurate financial statements or comply with applicable regulations could be impaired.

As a public company, we will be subject to the reporting requirements of the Securities Exchange Act of 1934, or the Exchange Act, the Sarbanes-Oxley Act of 2002, or the Sarbanes-Oxley Act, and the rules and regulations of the applicable listing standards of the NYSE. We expect that the requirements of these rules and regulations will continue to increase our legal, accounting, and financial compliance costs, make some activities more difficult, time-consuming, and costly, and place significant strain on our personnel, systems, and resources.

The Sarbanes-Oxley Act requires, among other things, that we maintain effective disclosure controls and procedures and internal control over financial reporting. We are continuing to develop and refine our disclosure controls and other procedures that are designed to ensure that information required to be disclosed by us in the reports that we will file with the SEC is recorded, processed, summarized and reported within the time periods specified in SEC rules and forms and that information required to be disclosed in reports under the Exchange Act is accumulated and communicated to our principal executive and financial officers. We are also continuing to improve our internal control over financial reporting. In order to maintain and improve the effectiveness of our disclosure controls and procedures and internal control over financial reporting, we have expended, and anticipate that we will continue to expend, significant resources, including accounting-related costs, and significant management oversight. Our current controls and any new controls that we develop may become inadequate because of changes in conditions in our business.

The nature of our business is such that our financial statements involve a number of complex accounting policies, many of which involve significant elements of judgment, including determinations regarding the consolidation of variable interest entities, determinations regarding the fair value of financial assets and liabilities

(including loans, notes receivable and notes payable) and the appropriate classification of various items within our financial statements. The inherent complexity of these accounting matters and the nature and variety of transactions in which we are involved require that we have sufficient qualified accounting personnel with an appropriate level of experience and controls in our financial reporting process commensurate with the complexity of our business. While we believe we have sufficient internal accounting personnel and external resources and appropriate controls to address the demands of our business, we expect that the growth and development of our business will place significant additional demands on our accounting resources. Any failure to develop or maintain effective controls or any difficulties encountered in their implementation or improvement could harm our results of operations or cause us to fail to meet our reporting obligations and may result in a restatement of our financial statements for prior periods. Any failure to implement and maintain effective internal control over financial reporting could also adversely affect the results of periodic management evaluations and annual independent registered public accounting firm attestation reports regarding the effectiveness of our internal control over financial reporting that we will eventually be required to include in our periodic reports that will be filed with the SEC. Ineffective disclosure controls and procedures and internal control over financial reporting could also cause investors to lose confidence in our reported financial and other information, which would likely have a negative effect on the trading price of our common stock. In addition, if we are unable to continue to meet these requirements, we may not be able to remain listed on the NYSE. We are not currently required to comply with the SEC rules that implement Section 404 of the Sarbanes-Oxley Act and are therefore not required to make a formal assessment of the effectiveness of our internal control over financial reporting for that purpose. As a public company, we will be required to provide an annual management report on the effectiveness of our internal control over financial reporting. There can be no assurance that we will maintain internal control over financial reporting sufficient to enable us to identify or avoid material weaknesses in the future.

Our independent registered public accounting firm is not required to formally attest to the effectiveness of our internal control over financial reporting until we are no longer an “emerging growth company” as defined in the Jumpstart Our Business Startups Act of 2012, or the JOBS Act. At such time, our independent registered public accounting firm may issue a report that is adverse in the event it is not satisfied with the level at which our internal control over financial reporting is documented, designed, or operating. Any failure to maintain effective disclosure controls and internal control over financial reporting could materially and adversely affect our business, results of operations, and financial condition and could cause a decline in the trading price of our common stock.

Any acquisitions, strategic investments, entries into new businesses, joint ventures, divestitures, and other transactions could fail to achieve strategic objectives, disrupt our ongoing operations or result in operating difficulties, liabilities and expenses, harm our business, and negatively impact our results of operations.

We may evaluate and consider strategic transactions, combinations, acquisitions, dispositions or alliances. These transactions could be material to our financial condition and results of operations if consummated. If we are able to identify an appropriate business opportunity, we may not be successful in negotiating favorable terms and/or consummating the transaction and, even if we do consummate such a transaction, we may be unable to obtain the benefits or avoid the difficulties and risks of such transaction.

Any strategic transaction, combination, acquisition, disposition or alliance will involve risks encountered in business relationships, including:

- difficulties in assimilating and integrating the operations, personnel, systems, data, technologies, products and services of the acquired business;
- inability of the acquired technologies, products or businesses to achieve expected levels of revenue, profitability, productivity or other benefits;
- difficulties in retaining, training, motivating and integrating key personnel;
- diversion of management’s time and resources from our normal daily operations;
- difficulties in successfully incorporating licensed or acquired technology and rights into our platform;
- difficulties in maintaining uniform standards, controls, procedures and policies within the combined organizations;
- difficulties in retaining relationships with customers, employees and suppliers of the acquired business;

[Table of Contents](#)

- risks of entering markets in which we have no or limited direct prior experience;
- regulatory risks, including remaining in good standing with existing regulatory bodies or receiving any necessary pre-closing or post-closing approvals, as well as being subject to new regulators with oversight over an acquired business;
- assumption of contractual obligations that contain terms that are not beneficial to us, require us to license or waive intellectual property rights or increase our risk for liability;
- failure to successfully further develop the acquired technology;
- liability for activities of the acquired or disposed of business before the acquisition or disposition, including patent and trademark infringement claims, violations of laws, regulatory actions, commercial disputes, tax liabilities and other known and unknown liabilities;
- difficulty in separating assets and replacing shared services;
- assumption of exposure to performance of any acquired loan portfolios;
- potential disruptions to our ongoing businesses; and
- unexpected costs and unknown risks and liabilities associated with the acquisition.

We may not make any transactions, combinations, acquisitions, dispositions or alliances, or any future transactions, combinations, acquisitions, dispositions or alliances may not be successful, may not benefit our business strategy, may not generate sufficient revenue to offset the associated costs or may not otherwise result in the intended benefits. It may take us longer than expected to fully realize the anticipated benefits and synergies of these transactions, and those benefits and synergies may ultimately be smaller than anticipated or may not be realized at all, which could adversely affect our business and operating results.

Any transactions, combinations, acquisitions, dispositions or alliances may also require us to issue additional equity securities, spend our cash, or incur debt (and increased interest expense), liabilities, and amortization expenses related to intangible assets or write-offs of goodwill, which could adversely affect our results of operations and dilute the economic and voting rights of our stockholders and the interests of holders of our indebtedness.

In addition, we cannot assure you that any future acquisition of new businesses or technology will lead to the successful development of new or enhanced products and services or that any new or enhanced products and services, if developed, will achieve market acceptance or prove to be profitable. Further, we may also choose to divest certain businesses or product lines that no longer fit with our strategic objectives. If we decide to sell assets or a business, we may have difficulty obtaining terms acceptable to us in a timely manner, or at all. Additionally, the terms of such potential transactions may expose the Company to ongoing obligations and liabilities.

Our risk management processes and procedures may not be effective.

Our risk management processes and procedures seek to appropriately balance risk and return and mitigate risks. We have established processes and procedures intended to identify, measure, monitor and control the types of risk to which we are subject, including credit risk, deposit risk, market risk, liquidity risk, strategic risk, operational risk, cybersecurity risk, and reputational risk. Credit risk is the risk of loss that arises when a loan obligor fails to meet the terms of a loan repayment obligation, the loan enters default, and if uncured results in financial loss of remaining principal and interest to the investor. Our exposure to credit risk mainly arises from our lending activities. Deposit risk refers to accelerated availability of depositor funds, prior to settlement, risk of ACH returns or merchant settlements, and transactional limits that may be applied to deposit accounts. Market risk is the risk of loss due to changes in external market factors, such as interest rates, asset prices, and foreign exchange rates. Liquidity risk is the risk that financial condition or overall safety and soundness are adversely affected by an inability, or perceived inability, to meet obligations (e.g. current and future cash flow needs) and support business growth. We actively monitor our liquidity position. Strategic risk is the risk from changes in the business environment, ineffective business strategies, improper implementation of decisions or inadequate responsiveness to changes in the business and competitive environment.

Our management is responsible for defining the priorities, initiatives, and resources necessary to execute our strategic plan, the success of which is regularly evaluated by the board of directors. Operational risk is the risk of loss arising from inadequate or failed internal processes, controls, people (e.g., human error or misconduct) or systems (e.g. technology problems), business continuity or external events (e.g., natural disasters), compliance, reputational, regulatory, or legal matters and includes those risks as they relate directly to us, fraud losses attributed to applications, transaction processing, or employees, as well as to third parties with whom we contract or otherwise do business. Operational risk is one of the most prevalent forms of risk in our risk profile. We strive to manage operational risk by establishing policies and procedures to accomplish timely and efficient processing, obtaining periodic internal control attestations from management, conducting internal process Risk Control Self-Assessments and audit reviews to evaluate the effectiveness of internal controls.

In order to be effective, among other things, our enterprise risk management capabilities must adapt and align to support any new product or loan features, capability, strategic development, or external change. Cybersecurity risk is the risk of a malicious technological attack intended to impact the confidentiality, availability, or integrity of our systems and data, including, but not limited to, sensitive client data. Our technology and information security teams rely on a layered system of preventive and detective technologies, practices, and policies to detect, mitigate, and neutralize cybersecurity threats. In addition, our information security team and third-party consultants regularly assesses our cybersecurity risks and mitigation efforts. Cyberattacks can also result in financial and reputational risk.

Reputational risk is the risk arising from possible negative perceptions of us, whether true or not, among our current and prospective customers, counterparties, employees, and regulators. The potential for either enhancing or damaging our reputation is inherent in almost all aspects of business activity. We manage this risk through our commitment to a set of core values that emphasize and reward high standards of ethical behavior, maintaining a culture of compliance, and by being responsive to customer and regulatory requirements.

Risk is inherent in our business, and therefore, despite our efforts to manage risk, there can be no assurance that we will not sustain unexpected losses. We could incur substantial losses and our business operations could be disrupted to the extent our business model, operational processes, control functions, technological capabilities, risk analyses, and business/product knowledge do not adequately identify and manage potential risks associated with our strategic initiatives. There also may be risks that exist, or that develop in the future, that we have not appropriately anticipated, identified or mitigated, including when processes are changed or new products and services are introduced. If our risk management framework does not effectively identify and control our risks, we could suffer unexpected losses or be adversely affected, which could have a material adverse effect on our business.

We have a history of losses and may not achieve profitability in the future.

Our net losses were \$ million and \$ million for the years ended December 31, 2020 and 2019, respectively. As of December 31, 2020, we had a total permanent deficit of \$ million. We may continue to incur net losses in the future, and such losses may fluctuate significantly from quarter to quarter. We will need to generate and sustain significant revenues for our business generally, and achieve greater scale and generate greater operating cash flows in future periods in order to achieve, maintain or increase our level of profitability. We intend to continue to invest in sales and marketing, technology and new products and services in order to enhance our brand recognition and our value proposition to our customers, and these additional costs will create further challenges to generating near term profitability. We also expect general and administrative expenses to increase to meet the increased compliance and other requirements associated with operating as a public company and evolving regulatory requirements. In addition, we are applying for a national bank charter and operating a bank may significantly increase our compliance costs.

Our efforts to grow our business may be more costly than we expect, and we may not be able to increase our revenue sufficiently to offset our higher operating expenses. We may continue to incur losses and not achieve future profitability or, if achieved, be unable to maintain such profitability, due to a number of reasons, including the risks described in this proxy statement/prospectus, unforeseen expenses, difficulties, complications and delays, and other unknown events.

Our ability to use our deferred tax assets to offset future taxable income may be subject to certain limitations that could subject our business to higher tax liabilities.

We may be limited in the portion of net operating loss carryforwards that we can use in the future to offset taxable income for U.S. federal and state income tax purposes. The Tax Cuts and Jobs Act (the “Tax Act”) enacted on December 22, 2017, makes broad and complex changes to the U.S. tax code. While future interpretative guidance of the Tax Act and how many U.S. states will incorporate these federal law changes may have an impact on our business, the Tax Act’s reduction of the federal corporate income tax rate from 35% to 21%, effective January 1, 2018, has reduced our deferred tax asset associated with net operating loss carryforwards (“NOLs”). A lack of future taxable income would adversely affect our ability to utilize our NOLs.

In addition, under Section 382 of the Internal Revenue Code of 1986, as amended (the “Code”), a corporation that undergoes an “ownership change” is subject to limitations on its ability to utilize its NOLs to offset future taxable income. Future changes in our stock ownership as well as other changes that may be outside of our control, could result in additional ownership changes under Section 382 of the Code. Our NOLs may also be impaired under similar provisions of state law.

We assess the available positive and negative evidence to estimate if sufficient future taxable income will be generated to utilize the existing deferred tax assets. On the basis of this evaluation, a full valuation allowance has historically been recorded to recognize only deferred tax assets that are more likely than not to be realized.

Finally, further changes to the federal or state tax laws or technical guidance relating to the Tax Act that would further reduce the corporate tax rate could operate to effectively reduce or eliminate the value of any deferred tax asset. Our tax attributes as of December 31, 2020 may expire unutilized or underutilized, which could prevent us from offsetting future taxable income.

Risks Relating to Fusion and the Business Combination

Directors and officers of Fusion have potential conflicts of interest in recommending that stockholders vote in favor of approval of the Business Combination and approval of the other proposals described in this proxy statement/prospectus.

When considering the Fusion Board’s recommendation that the Fusion Stockholders vote in favor of the approval of the Business Combination, Fusion Stockholders should be aware that directors and officers of Fusion have interests in the Business Combination that may be different from, or in addition to, the interests of Fusion Stockholders. These interests include:

- If we are unable to complete our initial business combination by December 31, 2021, we will: (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than 10 business days thereafter, redeem the public shares and (iii) as promptly as reasonably possible following such redemption, subject to the approval of our remaining stockholders and our Board, liquidate and dissolve, subject in each case to our obligations under the DGCL to provide for claims of creditors and the requirements of other applicable law. There will be no redemption rights or liquidating distributions with respect to our warrants, which will expire worthless if we fail to complete our initial business combination by December 31, 2021. Our Sponsor purchased the founder shares prior to our initial public offering for an aggregate purchase price of \$25,000. Upon the Closing, such founder shares will be converted into 8,750,000 shares of New MoneyLion Class A common stock (assuming no founder shares are forfeited by the Sponsor at Closing), and such shares will have a significantly higher value at the time of the Business Combination, which if unrestricted and freely tradable would have an aggregate market value of approximately \$[*] million based upon the closing price of [*] per public share on the NYSE on [•], 2021, but, given the restrictions on such shares, we believe such shares have less value.
- Simultaneously with the closing of our initial public offering, we consummated the sale of 8,100,000 private placement warrants at a price of \$1.00 per warrant in a private placement to our Sponsor. The warrants are each exercisable commencing the later of 30 days following the Closing and 12 months from the closing of our initial public offering, which occurred on June 30, 2020, for one share of New MoneyLion Class A common stock at \$11.50 per share. If we do not consummate a business

combination transaction by December 31, 2021, then the proceeds from the sale of the private placement warrants will be part of the liquidating distribution to the public stockholders and the warrants held by our Sponsor will be worthless. The warrants held by our Sponsor had an aggregate market value of approximately \$[•] million based upon the closing price of \$[•] per warrant on the NYSE on [•], 2021.

- Our Sponsor officers and directors will lose their entire investment in us if we do not complete a business combination by December 31, 2021. Certain of them may continue to serve as officers and/or directors of New MoneyLion after the Closing. As such, in the future they may receive any cash fees, stock options or stock awards that the New MoneyLion board of directors determines to pay to its directors and/or officers.
- Our Sponsor, directors and executive officers at the time of our IPO have agreed to waive their rights to liquidating distributions from the Trust Account with respect to their founder shares if Fusion fails to complete a business combination by December 31, 2021.
- In order to protect the amounts held in the Trust Account, the Sponsor has agreed that it will be liable to us if and to the extent any claims by a vendor for services rendered or products sold to us, or a prospective target business with which we have entered into a transaction agreement, reduce the amount of funds in the Trust Account. This liability will not apply with respect to any claims by a third party who executed a waiver of any right, title, interest or claim of any kind in or to any monies held in the Trust Account or to any claims under our indemnity of the underwriters of this offering against certain liabilities, including liabilities under the Securities Act.
- Following the Closing, our Sponsor would be entitled to the repayment of any working capital loan and advances that have been made to Fusion and remain outstanding. As of the date of this proxy statement/prospectus, our Sponsor has not made any advances to us for working capital expenses. If we do not complete an initial business combination within the required period, we may use a portion of our working capital held outside the Trust Account to repay the working capital loans, but no proceeds held in the Trust Account would be used to repay the working capital loans.
- Following the consummation of the Business Combination, we will continue to indemnify our existing directors and officers and will maintain a directors' and officers' liability insurance policy.
- Upon the Closing, subject to the terms and conditions of the Merger Agreement, our Sponsor, directors and executive officers and their respective affiliates may be entitled to reimbursement for any reasonable out-of-pocket expenses related to identifying, investigating and consummating an initial business combination, and repayment of any other loans, if any, and on such terms as to be determined by Fusion from time to time, made by our Sponsor or certain of our officers and directors to finance transaction costs in connection with an intended initial business combination.

These financial interests of the Sponsor, officers and directors and entities affiliated with them may have influenced their decision to approve the Business Combination. You should consider these interests when evaluating the Business Combination and the recommendation of the Fusion Board to vote in favor of the Business Combination Proposal and other proposals to be presented to the stockholders.

Our Sponsor, directors and executive officers have agreed to vote in favor of the Business Combination, regardless of how our public stockholders vote.

Our Sponsor, directors and executive officers have agreed to vote their shares in favor of the Business Combination. The Sponsor owns approximately 20% of our outstanding shares prior to the Business Combination. Accordingly, it is more likely that the necessary stockholder approval for the Business Combination will be received than would be the case if our Sponsor had agreed to vote its shares in accordance with the majority of the votes cast by our public stockholders.

Our Sponsor, directors, executive officers, advisors and their affiliates may elect to purchase shares or public warrants from public stockholders, which may influence a vote on the Business Combination and reduce the public “float” of our common stock.

Our Sponsor, directors, executive officers, advisors or their affiliates may purchase public shares or public warrants in privately negotiated transactions or in the open market either prior to or following the completion of the Business Combination, although they are under no obligation to do so. However, other than as expressly stated herein, they have no current commitments, plans or intentions to engage in such transactions and have not formulated any terms or conditions for any such transactions. None of the funds in the Trust Account will be used to purchase shares or public warrants in such transactions.

In the event that our Sponsor, directors, executive officers, advisors or their affiliates purchase public shares in privately negotiated transactions from public stockholders who have already elected to exercise their redemption rights, such selling stockholders would be required to revoke their prior elections to redeem their public shares. The purpose of any such purchases of public shares could be to vote such shares in favor of the Business Combination and thereby increase the likelihood of obtaining stockholder approval of the Business Combination or to satisfy a Closing condition in the Merger Agreement that requires us to have a certain amount of cash at the Closing, where it appears that such requirement would otherwise not be met. Any such purchases of our securities may result in the completion of the Business Combination that may not otherwise have been possible.

In addition, if such purchases are made, the public “float” of our common stock and the number of beneficial holders of our securities may be reduced, possibly making it difficult to maintain or obtain the quotation, listing or trading of our securities on a national securities exchange.

Warrants will become exercisable for New MoneyLion Class A common stock, which would increase the number of shares eligible for future resale in the public market and result in dilution to our stockholders.

Following the Business Combination, there will be 17,500,000 outstanding public warrants to purchase 17,500,000 shares of New MoneyLion Class A common stock at an exercise price of \$11.50 per share, which warrants will become exercisable commencing the later of 30 days following the Closing and 12 months from the closing of our initial public offering, which occurred on June 30, 2020. In addition, there will be 8,100,000 private placement warrants outstanding exercisable for 8,100,000 shares of New MoneyLion Class A common stock at an exercise price of \$11.50 per share. To the extent such warrants are exercised, additional shares of New MoneyLion Class A common stock will be issued, which will result in dilution to the holders of New MoneyLion Class A common stock and increase the number of shares eligible for resale in the public market. Sales of substantial numbers of such shares in the public market could adversely affect the market price of New MoneyLion Class A common stock, the impact of which is increased as the value of our stock price increases.

We may redeem your unexpired warrants prior to their exercise at a time that is disadvantageous to you, thereby making your warrants worthless.

New MoneyLion will have the ability to redeem outstanding public warrants at any time after they become exercisable and prior to their expiration, at a price of \$0.01 per warrant, provided that the closing price of New MoneyLion Class A common stock equals or exceeds \$18.00 per share for any 20 trading days within a 30 trading-day period ending on the third trading day prior to the date we give notice of redemption. If and when the warrants become redeemable by New MoneyLion, New MoneyLion may exercise the redemption right even if it is unable to register or qualify the underlying securities for sale under all applicable state securities laws. Redemption of the outstanding warrants could force holders to (i) exercise the warrants and pay the exercise price therefor at a time when it may be disadvantageous to do so, (ii) sell the warrants at the then-current market price when the holder might otherwise wish to hold onto such warrants or (iii) accept the nominal redemption price which, at the time the outstanding warrants are called for redemption, is likely to be substantially less than the market value of the warrants. None of the private placement warrants will be redeemable by us so long as they are held by their initial purchasers or their permitted transferees.

[Table of Contents](#)

In addition, New MoneyLion may redeem your warrants after they become exercisable for a number of shares of New MoneyLion Class A common stock determined based on the redemption date and the fair market value of New MoneyLion Class A common stock. Any such redemption may have similar consequences to a cash redemption described above. In addition, such redemption may occur at a time when the warrants are “out-of-the-money,” in which case you would lose any potential embedded value from a subsequent increase in the value of our common stock had your warrants remained outstanding.

Even if we consummate the Business Combination, there can be no assurance that the warrants will be in the money at the time they become exercisable, and they may expire worthless.

The exercise price for the outstanding warrants is \$11.50 per share of New MoneyLion Class A common stock. There can be no assurance that the warrants will be in the money following the time they become exercisable and prior to their expiration, and as such, the warrants may expire worthless.

Our stockholders will experience immediate dilution as a consequence of the issuance of New MoneyLion Class A common stock as consideration in the Business Combination. Having a minority share position may reduce the influence that our current stockholders have on the management of New MoneyLion.

Assuming that no public stockholders exercise their redemption rights in connection with the Business Combination, immediately after the consummation of the Business Combination, our Sponsor and public stockholders will hold 8,750,000 shares of New MoneyLion Class A common stock, or [%] of the outstanding common stock. Assuming that our public stockholders holding [%] public shares exercise their redemption rights in connection with the Business Combination, immediately after the consummation of the Business Combination, our Sponsor and public stockholders will hold [%] shares of New MoneyLion Class A common stock, or [%] of the outstanding common stock.

There are currently outstanding an aggregate of 25,600,000 warrants to acquire Fusion Class A common stock, which comprise 8,100,000 private placement warrants held by our Sponsor at the time of Fusion’s initial public offering and 17,500,000 public warrants. Each of Fusion’s outstanding whole warrants is exercisable commencing the later of 30 days following the Closing and 12 months from the closing of our initial public offering, which occurred on June 30, 2020, for one share of Fusion Class A common stock in accordance with its terms. Therefore, as of the date of this proxy statement/prospectus, if we assume that each outstanding whole warrant is exercised and one share of Fusion Class A common stock is issued as a result of such exercise, with payment of the exercise price of \$11.50 per share, our fully diluted share capital would increase by a total of 25,600,000 shares, with approximately \$294,400,000 paid to us to exercise the warrants.

Subsequent to the consummation of the Business Combination, we may be required to take write-downs or write-offs, restructuring and impairment or other charges that could have a significant negative effect on our financial condition, results of operations and stock price, which could cause you to lose some or all of your investment.

Although Fusion has conducted due diligence on New MoneyLion, Fusion cannot assure you that this diligence revealed all material issues that may be present in its business, that it would be possible to uncover all material issues through a customary amount of due diligence, or that factors outside of Fusion’s or New MoneyLion’s control will not later arise. As a result, New MoneyLion may be forced to later write-down or write-off assets, restructure its operations, or incur impairment or other charges that could result in losses. Even if the due diligence successfully identifies certain risks, unexpected risks may arise and previously known risks may materialize in a manner not consistent with our preliminary risk analysis. Even though these charges may be non-cash items and not have an immediate impact on our liquidity, the fact that New MoneyLion reports charges of this nature could contribute to negative market perceptions about New MoneyLion or its securities. In addition, charges of this nature may cause New MoneyLion to violate net worth or other covenants to which it may be subject. Accordingly, any Fusion Stockholder who chooses to remain a stockholder of New MoneyLion following the Business Combination could suffer a reduction in the value of their shares. Such stockholders are unlikely to have a remedy for such reduction in value unless they are able to successfully claim that the reduction was due to the breach by Fusion’s officers or directors of a duty of care or other fiduciary duty owed to them, or if they are able to successfully bring a private claim under securities laws that the proxy solicitation relating to the Business Combination contained an actionable material misstatement or material omission.

If the Business Combination does not qualify as a tax-free reorganization under Section 368(a) of the Code and/or a transaction governed by Section 351 of the Code, holders of MoneyLion common stock may incur a substantially greater U.S. income tax liability as a result of the Business Combination.

The parties intend for the merger contemplated by the Merger Agreement to be treated for U.S. federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Code. If the merger qualifies for such treatment, holders of MoneyLion common stock generally will not recognize gain or loss upon their exchange of MoneyLion common stock for New MoneyLion common stock, except to the extent of any gain that must be recognized as a result of their receipt of cash consideration (which gain may be treated as a dividend in certain circumstances). However, the obligations of MoneyLion, Fusion and the Merger Sub to complete the merger are not conditioned on the receipt of opinions from Davis Polk & Wardwell LLP or White & Case LLP to the effect that the merger qualifies for such treatment, and the merger may occur even if it does not so qualify. Neither MoneyLion nor Fusion has requested, or intends to request, a ruling from the U.S. Internal Revenue Service (the “IRS”) with respect to the U.S. federal income tax consequences of the merger. Consequently, no assurance can be given that the IRS will not assert, or that a court would not sustain, a position to the contrary. Accordingly, if the IRS or a court determines that the merger neither qualifies as a reorganization under Section 368(a) of the Code nor as a transaction that qualifies for tax-deferred treatment under a different provision of the Code, such as Section 351 of the Code and is therefore a fully taxable transaction for U.S. federal income tax purposes, holders of MoneyLion common stock generally would recognize taxable gain or loss on the total merger consideration (rather than only the cash component) they receive in connection with the merger. For a more complete discussion of U.S. federal income tax consequences of the Business Combination, see the section titled “*Material U.S. Federal Income Tax Considerations*”

If the benefits of the Business Combination do not meet the expectations of investors or securities analysts, the market price of our securities may decline.

If the benefits of the Business Combination do not meet the expectations of investors or securities analysts, the market price of Fusion’s securities prior to the Closing may decline. The market values of Fusion’s securities at the time of the Business Combination may vary significantly from their prices on the date the Merger Agreement was executed, the date of this proxy statement/prospectus, or the date on which Fusion Stockholders vote on the Business Combination. Because the number of shares to be issued pursuant to the Merger Agreement is based on the per share value of the amount in the Trust Account and will not be adjusted to reflect any changes in the market price of Fusion’s Class A common stock, the market value of New MoneyLion Class A common stock issued in the Business Combination may be higher or lower than the values of these shares on earlier dates.

In addition, following the Business Combination, fluctuations in the price of New MoneyLion’s securities could contribute to the loss of all or part of your investment. Prior to the Business Combination, there has not been a public market for the stock of New MoneyLion and trading in the shares of Fusion’s Class A common stock has not been active. Accordingly, the valuation ascribed to New MoneyLion in the Business Combination may not be indicative of the price that will prevail in the trading market following the Business Combination. If an active market for our securities develops and continues, the trading price of New MoneyLion securities following the Business Combination could be volatile and subject to wide fluctuations in response to various factors, some of which are beyond our control. Any of the factors listed below could have a material adverse effect on your investment in our securities and New MoneyLion securities may trade at prices significantly below the price you paid for them. In such circumstances, the trading price of our securities may not recover and may experience a further decline.

Factors affecting the trading price of New MoneyLion’s securities may include:

- actual or anticipated fluctuations in our quarterly financial results or the quarterly financial results of companies perceived to be similar to us;
- changes in the market’s expectations about New MoneyLion’s operating results;
- success of competitors;

[Table of Contents](#)

- operating results failing to meet the expectations of securities analysts or investors in a particular period;
- changes in financial estimates and recommendations by securities analysts concerning New MoneyLion or the industry in which New MoneyLion operates in general;
- operating and stock price performance of other companies that investors deem comparable to New MoneyLion;
- ability to market new and enhanced products and services on a timely basis;
- changes in laws and regulations affecting our business;
- commencement of, or involvement in, litigation involving New MoneyLion;
- changes in New MoneyLion's capital structure, such as future issuances of securities or the incurrence of additional debt;
- the volume of shares of New MoneyLion Class A common stock available for public sale;
- any major change in New MoneyLion's board or management;
- sales of substantial amounts of New MoneyLion Class A common stock by our or New MoneyLion's directors, executive officers or significant stockholders or the perception that such sales could occur; and
- general economic and political conditions such as recessions, interest rates, fuel prices, international currency fluctuations and acts of war or terrorism.

Broad market and industry factors may materially harm the market price of our securities irrespective of our operating performance. The stock market in general, and the NYSE specifically, have experienced extreme volatility that has often been unrelated to the operating performance of particular companies. As a result of this volatility, you may not be able to sell your securities at or above the price at which it was acquired. A loss of investor confidence in the market for the stocks of other companies which investors perceive to be similar to New MoneyLion could depress our stock price regardless of our business, prospects, financial conditions or results of operations. A decline in the market price of our securities also could adversely affect our ability to issue additional securities and our ability to obtain additional financing in the future.

Our actual financial position and results of operations may differ materially from the unaudited pro forma financial information included in this proxy statement/prospectus.

The unaudited pro forma condensed combined financial information included in this proxy statement/prospectus is presented for illustrative purposes only and is not necessarily indicative of what our actual financial position or results of operations would have been had the Business Combination been completed on the dates indicated. See “*Unaudited Pro Forma Condensed Combined Financial Information*” for more information.

Financial projections with respect to New MoneyLion may not prove to be reflective of actual future results.

In connection with the Business Combination, the Board of Directors of Fusion considered, among other things, financial forecasts for the post-Business Combination company. They speak only as of the date made and will not be updated. These financial projections are subject to significant economic, competitive, industry and other uncertainties, including other risks discussed in this “Risk Factors” section, and may not be achieved in full, at all or within projected timeframes. Further, as a result of unprecedented market uncertainty resulting from COVID-19, these projections are even more uncertain in terms of reflecting actual future results. In addition, the failure of New MoneyLion to achieve projected results could have a material adverse effect on the trading price of New MoneyLion Class A common stock and New MoneyLion's financial position following the Business Combination.

There can be no assurance that New MoneyLion Class A common stock issued in connection with the Business Combination will be approved for listing on the NYSE following the Closing, or that we will be able to comply with the continued listing standards of the NYSE.

New MoneyLion Class A common stock and warrants are expected to be listed on the NYSE following the Business Combination. New MoneyLion's continued eligibility for listing may depend on the number of our shares that are redeemed. If, after the Business Combination, the NYSE delists New MoneyLion Class A common stock from trading on its exchange for failure to meet the listing standards, we and our stockholders could face significant material adverse consequences including:

- a limited availability of market quotations for our securities;
- a determination that New MoneyLion Class A common stock is a "penny stock," which will require brokers trading in New MoneyLion Class A common stock to adhere to more stringent rules, possibly resulting in a reduced level of trading activity in the secondary trading market for New MoneyLion Class A common stock;
- a limited amount of analyst coverage; and
- a decreased ability to issue additional securities or obtain additional financing in the future.

The Current Charter states that we must complete our initial business combination by December 31, 2021. If we have not completed an initial business combination by then (or such later date as our stockholders may approve in accordance with the Current Charter), we will: (i) cease all operations except for the purpose of winding up; (ii) as promptly as reasonably possible but not more than 10 business days thereafter, redeem the public shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, calculated as of two business days prior to the consummation of the Business Combination, including interest earned on the funds held in the Trust Account (which interest shall be net of taxes payable and up to \$100,000 of interest to pay dissolution expenses), divided by the number of then issued and outstanding public shares, which redemption will completely extinguish public stockholders' rights as stockholders (including the right to receive further liquidating distributions, if any); and (iii) as promptly as reasonably possible following such redemption, subject to the approval of our remaining stockholders and our Board, liquidate and dissolve, subject in each case to our obligations under the DGCL to provide for claims of creditors and the requirements of other applicable law. In such case, our public stockholders may only receive approximately \$10.00 per share and our warrants will expire worthless.

Our directors may decide not to enforce the indemnification obligations of our Sponsor, resulting in a reduction in the amount of funds in the Trust Account available for distribution to our public stockholders.

Our Sponsor has agreed that it will be liable to us if and to the extent any claims by a third party for services rendered or products sold to us, or a prospective target business with which we have entered into a written letter of intent, confidentiality or other similar agreement or business combination agreement, reduce the amount of funds in the Trust Account to below the lesser of (i) \$10.00 per public share and (ii) the actual amount per public share held in the Trust Account as of the date of the liquidation of the Trust Account, if less than \$10.00 per public share due to reductions in the value of the trust assets, less taxes payable, provided that such liability will not apply to any claims by a third party or prospective target business who executed a waiver of any and all rights to the funds held in the Trust Account (whether or not such waiver is enforceable) nor will it apply to any claims under our indemnity of the underwriters of our initial public offering against certain liabilities, including liabilities under the Securities Act. While we currently expect that our independent directors would take legal action on our behalf against the Sponsor to enforce its indemnification obligations to us, it is possible that our independent directors in exercising their business judgment and subject to their fiduciary duties may choose not to do so in any particular instance. If our independent directors choose not to enforce these indemnification obligations, the amount of funds in the Trust Account available for distribution to our public stockholders may be reduced below \$10.00 per share.

If, before distributing the proceeds in the Trust Account to our public stockholders, we file a bankruptcy petition or an involuntary bankruptcy petition is filed against us that is not dismissed, the claims of creditors in such proceeding may have priority over the claims of our stockholders and the per-share amount that would otherwise be received by our stockholders in connection with our liquidation may be reduced.

If, before distributing the proceeds in the Trust Account to our public stockholders, we file a bankruptcy petition or an involuntary bankruptcy petition is filed against us that is not dismissed, the proceeds held in the Trust Account could be subject to applicable bankruptcy law, and may be included in our bankruptcy estate and subject to the claims of third parties with priority over the claims of our stockholders. To the extent any bankruptcy claims deplete the Trust Account, the per-share amount that would otherwise be received by our stockholders in connection with our liquidation may be reduced.

If our stockholders fail to comply with the redemption requirements specified in this proxy statement/prospectus, they will not be entitled to redeem their shares of our Class A common stock for a pro rata portion of the Trust Account.

Holders of public shares are not required to affirmatively vote against the Business Combination Proposal in order to exercise their rights to redeem their shares for a pro rata portion of the Trust Account. In order to exercise their redemption rights, they are required to submit a request in writing and deliver their stock (either physically or electronically) to our transfer agent prior to [•], New York City time, on [•], 2021. Stockholders electing to redeem their shares will receive their pro rata portion of the funds held in the Trust Account, including interest earned on the funds held in the Trust Account (which interest shall be net of taxes payable and up to \$100,000 of interest to pay dissolution expenses), calculated as of two business days prior to the anticipated consummation of the Business Combination.

The ability of Fusion Stockholders to exercise redemption rights with respect to a large number of shares could increase the probability that the Business Combination would be unsuccessful and that stockholders would have to wait for liquidation in order to redeem their stock.

At the time we entered into the Merger Agreement and related agreements for the Business Combination, we did not know how many stockholders would exercise their redemption rights, and therefore we structured the Business Combination based on our expectations as to the number of shares that will be submitted for redemption. The Merger Agreement requires us to have at least \$260,000,000 of cash at the Closing, consisting of cash held in the Trust Account after taking into account the exercise by the holders of shares of Fusion Class A common stock issued in Fusion’s initial public offering of securities of their right to redeem such shares of Fusion Class A common stock in accordance with Fusion’s governing documents, if any, and cash received from PIPE Investors, net of transaction expenses of Fusion and MoneyLion. If a larger number of shares are submitted for redemption than we initially expected, we may need to restructure the transaction to reserve a greater portion of the cash in the Trust Account. The above considerations may limit our ability to complete the Business Combination or optimize our capital structure.

The Business Combination is subject to conditions, including certain conditions that may not be satisfied on a timely basis, if at all.

The completion of the Business Combination is subject to a number of conditions. The completion of the Business Combination is not assured and is subject to risks, including the risk that approval of the Business Combination by Fusion Stockholders is not obtained or that there are not sufficient funds in the Trust Account, in each case subject to certain terms specified in the Merger Agreement (as described under “*The Merger Agreement — Conditions to Closing*”), or that other Closing conditions are not satisfied. If Fusion does not complete the Business Combination, Fusion could be subject to several risks, including:

- the parties may be liable for damages to one another under the terms and conditions of the Merger Agreement;
- negative reactions from the financial markets, including declines in the price of our Class A common stock due to the fact that current prices may reflect a market assumption that the Business Combination will be completed; and

- the attention of our management will have been diverted to the Business Combination rather than the pursuit of other opportunities in respect of an initial business combination.

Delaware law and provisions in New MoneyLion’s certificate of incorporation and bylaws could make a takeover proposal more difficult.

If the Business Combination is consummated, New MoneyLion’s organizational documents will be governed by Delaware law. Certain provisions of Delaware law and of New MoneyLion’s certificate of incorporation and bylaws could discourage, delay, defer or prevent a merger, tender offer, proxy contest or other change of control transaction that a stockholder might consider in its best interest, including those attempts that might result in a premium over the market price for the shares of Class A common stock held by New MoneyLion’s stockholders. These provisions include the ability of the board of directors to designate the terms of and issue new series of preference shares, which may make more difficult the removal of management and may discourage transactions that otherwise could involve payment of a premium over prevailing market prices for our securities.

These anti-takeover provisions as well as certain provisions of Delaware law could make it more difficult for a third party to acquire New MoneyLion, even if the third party’s offer may be considered beneficial by many of New MoneyLion’s stockholders. As a result, New MoneyLion’s stockholders may be limited in their ability to obtain a premium for their shares. If prospective takeovers are not consummated for any reason, New MoneyLion may experience negative reactions from the financial markets, including negative impacts on the price of New MoneyLion Class A common stock. These provisions could also discourage proxy contests and make it more difficult for New MoneyLion’s stockholders to elect directors of their choosing and to cause New MoneyLion to take other corporate actions that New MoneyLion’s stockholders desire. See “*Description of New MoneyLion Securities.*”

New MoneyLion’s certificate of incorporation designates the Court of Chancery of the State of Delaware as the sole and exclusive forum for certain types of actions and proceedings and the federal district courts as the sole and exclusive forum for other types of actions and proceedings, in each case, that may be initiated by New MoneyLion’s stockholders, which could limit New MoneyLion’s stockholders’ ability to obtain what such stockholders believe to be a favorable judicial forum for disputes with New MoneyLion or New MoneyLion’s directors, officers or other employees.

If the Business Combination is consummated, New MoneyLion’s certificate of incorporation will provide that, unless New MoneyLion consents to the selection of an alternative forum, any (i) derivative action or proceeding brought on behalf of New MoneyLion; (ii) action asserting a claim of breach of a fiduciary duty owed by any director, officer or other employee of New MoneyLion to New MoneyLion or New MoneyLion’s stockholders; (iii) action asserting a claim against New MoneyLion or any director or officer arising pursuant to any provision of the DGCL or New MoneyLion’s certificate of incorporation or New MoneyLion’s bylaws; or (iv) action asserting a claim against New MoneyLion or any director or officer of New MoneyLion governed by the internal affairs doctrine, shall, to the fullest extent permitted by law, be exclusively brought in the Court of Chancery of the State of Delaware or, if such court does not have subject matter jurisdiction thereof, the federal district court of the State of Delaware. Subject to the foregoing, the federal district courts of the United States are the exclusive forum for the resolution of any action, suit or proceeding asserting a cause of action under the Securities Act. The exclusive forum provision does not apply to suits brought to enforce any liability or duty created by the Exchange Act. Any person or entity purchasing or otherwise acquiring an interest in any shares of New MoneyLion’s capital stock shall be deemed to have notice of and to have consented to the forum provisions in New MoneyLion’s certificate of incorporation. These choice-of-forum provisions may limit a stockholder’s ability to bring a claim in a judicial forum that he, she or it believes to be favorable for disputes with New MoneyLion or New MoneyLion’s directors, officers or other employees, which may discourage such lawsuits. We note that there is uncertainty as to whether a court would enforce these provisions and that investors cannot waive compliance with the federal securities laws and the rules and regulations thereunder. Section 22 of the Securities Act creates concurrent jurisdiction for state and federal courts over all suits brought to enforce any duty or liability created by the Securities Act or the rules and regulations thereunder.

Alternatively, if a court were to find these provisions of New MoneyLion's certificate of incorporation inapplicable or unenforceable with respect to one or more of the specified types of actions or proceedings, New MoneyLion may incur additional costs associated with resolving such matters in other jurisdictions, which could materially adversely affect New MoneyLion's business, financial condition and results of operations and result in a diversion of the time and resources of New MoneyLion's management and board of directors.

We will incur significant costs and obligations as a result of being a public company.

As a privately held company, MoneyLion has not been required to comply with many corporate governance and financial reporting practices and policies required of a publicly traded company. As a publicly traded company, New MoneyLion will incur significant legal, accounting and other expenses that MoneyLion was not required to incur in the past. These expenses will increase once New MoneyLion is no longer an "emerging growth company" as defined under the JOBS Act. In addition, new and changing laws, regulations and standards relating to corporate governance and public disclosure for public companies, including Dodd Frank, the Sarbanes-Oxley Act, regulations related thereto and the rules and regulations of the SEC and NYSE, have increased the costs and the time that must be devoted to compliance matters. We expect these rules and regulations will increase our legal and financial costs and lead to a diversion of management time and attention from revenue-generating activities.

MoneyLion is a private company and as such little information is publicly available regarding MoneyLion. This may result in the Business Combination not being as profitable as we expect, or at all.

While we have conducted due diligence on MoneyLion, very little public information exists about private companies. As a result, the Business Combination could be less profitable than we expect, or at all. Furthermore, the relative lack of information about a private company may hinder our ability to properly assess the value of MoneyLion which could result in our overpaying.

Vote Required and Fusion Board Recommendation

In particular, your attention is directed to the full text of the Merger Agreement, which is attached as Annex A to this proxy statement/prospectus.

Abstentions and broker non-votes have no effect on the outcome of the proposal. The Business Combination cannot be completed unless the Business Combination Proposal is adopted by the affirmative vote of a majority of the votes cast by Fusion Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. Fusion Stockholders of the Class A common stock and Stockholders of the Class B common stock will vote together as a single class on all matters submitted to a vote of our stockholders, except as required by law.

FUSION’S BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” THE BUSINESS COMBINATION PROPOSAL.

The Charter Proposal

Approval of the Charter Proposal requires the affirmative vote of a majority of the outstanding Fusion Shares, voting together as a single class. Abstentions and broker non-votes have the same effect as a vote “AGAINST” the proposal.

FUSION’S BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” THE CHARTER PROPOSAL.

The Advisory Charter Proposals

Approval of each of the Advisory Charter Proposals, each of which is a non-binding vote, requires the affirmative vote of a majority of the votes cast by Fusion Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. Abstentions and broker non-votes have no effect on the outcome of the proposal.

The Stock Issuance Proposal

Approval of the Stock Issuance Proposal requires the affirmative vote of a majority of the votes cast by Fusion Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. The Incentive Plan Proposal

Adjournment Proposal

If the chairman of the Special Meeting does not adjourn the Special Meeting, Fusion Stockholders may be asked to vote on a proposal to adjourn the Special Meeting, or any postponement thereof, to another time or place if necessary or appropriate (i) due to the absence of a quorum at the Special Meeting, (ii) to prevent a violation of applicable law, (iii) to provide to Fusion Stockholders any supplement or amendment to this proxy statement/prospectus and/or (iv) to solicit additional proxies if Fusion reasonably determines that it is advisable or necessary to do so in order to obtain Fusion stockholder approval for the Merger Agreement and thereby approval of the Business Combination.

Approval of the Adjournment Proposal requires the affirmative vote of a majority of the votes cast by Fusion Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. Share Ownership and Voting by Fusion’s Sponsor, Directors and Executive Officers

Our Sponsor and our directors and executive officers at the time of our initial public offering have entered into a letter agreement with us to vote “FOR” the approval of the Business Combination Proposal, and, pursuant to the terms of the Sponsor Support Agreement, our Sponsor agreed to vote “FOR” the approval of the Charter Proposal, “FOR” the approval, on an advisory basis, of each of the Advisory Charter Proposals, “FOR” the approval of the Stock Issuance Proposal, “FOR” the approval of the Incentive Plan Proposal, “FOR” the approval of the ESPP Proposal, and “FOR” the approval of the Adjournment Proposal.

Redemption Rights

Public stockholders may seek to redeem the public shares that they hold, regardless of whether they vote for or against the proposed Business Combination or do not vote at the Special Meeting. Any public stockholder may request redemption of their public shares for a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, calculated as of two business days prior to the consummation of the Business Combination, including interest earned on the funds held in the Trust Account (which interest shall be net of taxes payable and up to \$100,000 of interest to pay dissolution expenses), divided by the number of then issued and outstanding public shares. If a holder properly seeks redemption as described in this section and the Business Combination is consummated, the holder will no longer own these shares following the Business Combination.

Notwithstanding the foregoing, a public stockholder, together with any affiliate of such holder or any other person with whom such holder is acting in concert or as a “group” (as defined in Section 13(d)(3) of the Exchange Act) will be restricted from seeking redemption rights with respect to 15% or more of the shares of the public shares. Accordingly, if a public stockholder, alone or acting in concert or as a group, seeks to redeem more than 15% of the public shares, then any such shares in excess of that 15% limit would not be redeemed for cash.

Our Sponsor will not have redemption rights with respect to any Fusion Shares owned by it, directly or indirectly.

You will be entitled to receive cash for any public shares to be redeemed only if you:

- (a) hold public shares or (b) hold public shares through units and you elect to separate your units into the underlying public shares and public warrants prior to exercising your redemption rights with respect to the public shares; and
- prior to [•], New York City time, on [•], 2021, (a) submit a written request, including the legal name, phone number and address of the beneficial owner of the shares for which redemption is requested, to the transfer agent that Fusion redeem your public shares for cash and (b) deliver your public shares to the transfer agent, physically or electronically through DTC.

If you hold the shares in street name, you will have to coordinate with your broker to have your shares certificated or delivered electronically. Public shares that have not been tendered (either physically or electronically) in accordance with these procedures will not be redeemed for cash. There is a nominal cost associated with this tendering process and the act of certificating the shares or delivering them through the DWAC system. The transfer agent will typically charge the tendering broker \$80 and it would be up to the broker whether or not to pass this cost on to the redeeming public stockholder. In the event the proposed Business Combination is not consummated this may result in an additional cost to stockholders for the return of their public shares.

Holders of units must elect to separate the underlying public shares and public warrants prior to exercising redemption rights with respect to the public shares. If holders hold their units in an account at a brokerage firm or bank, holders must notify their broker or bank that they elect to separate the units into the underlying public shares and public warrants, or if a holder holds units registered in its own name, the holder must contact the transfer agent, directly and instruct them to do so.

Any request to redeem public shares, once made, may be withdrawn at any time until the deadline for submitting redemption requests and thereafter, with Fusion’s consent, until the Closing. Furthermore, if a holder of a public share delivers its certificate in connection with an election of its redemption and subsequently decides prior to the deadline for submitting redemption requests not to elect to exercise such rights, it may simply request that Fusion instruct the transfer agent to return the certificate (physically or electronically). The holder can make such request by contacting the transfer agent, at the address or email address listed in this proxy statement/prospectus.

[Table of Contents](#)

If the Business Combination is not approved or completed for any reason, then public stockholders who elected to exercise their redemption rights will not be entitled to redeem their shares. In such case, Fusion will promptly return any public shares previously delivered by public holders.

For illustrative purposes, the cash held in the Trust Account on September 30, 2020 was \$350,108,374 or \$10.00 per public share. Prior to exercising redemption rights, public stockholders should verify the market price of Fusion Shares as they may receive higher proceeds from the sale of their Fusion Shares in the public market than from exercising their redemption rights if the market price per share is higher than the redemption price. Fusion cannot assure its stockholders that they will be able to sell their Fusion Shares in the open market, even if the market price per share is higher than the redemption price stated above, as there may not be sufficient liquidity in its securities when its stockholders wish to sell their shares.

If a public stockholder exercises its redemption rights, then it will be exchanging its redeemed public shares for cash and will no longer own those public shares. You will be entitled to receive cash for your public shares only if you properly exercise your right to redeem your public shares and deliver your Fusion Shares (either physically or electronically) to the transfer agent, in each case prior to [•], New York City time, on [•], 2021, the deadline for submitting redemption requests, and the Business Combination is consummated.

Immediately following the Closing, New MoneyLion will pay public stockholders who properly exercised their redemption rights in respect of their public shares.

Appraisal Rights

Neither Fusion Stockholders nor Fusion warrant holders have appraisal rights in connection with the Business Combination under the DGCL.

Potential Purchases of Shares and/or Public Warrants

At any time prior to the Special Meeting, during a period when they are not then aware of any material nonpublic information regarding Fusion or its securities, Sponsor, MoneyLion and/or its affiliates may purchase shares and/or warrants from investors, or they may enter into transactions with such investors and others to provide them with incentives to acquire Fusion Shares or vote their Fusion Shares in favor of the Business Combination Proposal. The purpose of such share purchases and other transactions would be to increase the likelihood that (i) the proposals presented for approval at the Special Meeting are approved and/or (ii) Fusion satisfies the Minimum Proceeds Condition. Any such stock purchases and other transactions may thereby increase the likelihood of obtaining stockholder approval of the Business Combination. This may result in the completion of our Business Combination in a way that may not otherwise have been possible. While the exact nature of any such incentives has not been determined as of the date of this proxy statement/prospectus, they might include, without limitation, arrangements to protect such investors or holders against potential loss in value of their shares, including the granting of put options and the transfer to such investors or holders of shares or rights owned by the Sponsor for nominal value.

Costs of Solicitation

Fusion will bear the cost of soliciting proxies from Fusion Stockholders.

Fusion will solicit proxies by mail. In addition, the directors, officers and employees of Fusion may solicit proxies from Fusion Stockholders by telephone, electronic communication, or in person, but will not receive any additional compensation for their services. Fusion will make arrangements with brokerage houses and other custodians, nominees, and fiduciaries for forwarding proxy solicitation material to the beneficial owners of Fusion Shares held of record by those persons and will reimburse them for their reasonable out-of-pocket expenses incurred in forwarding such proxy solicitation materials.

Fusion has engaged a professional proxy solicitation firm, Morrow, to assist in soliciting proxies for the Special Meeting. Fusion has agreed to pay Morrow a fee of \$[•], plus disbursements. Fusion will reimburse Morrow for reasonable out-of-pocket expenses and will indemnify Morrow and its affiliates against certain claims, liabilities, losses, damages and expenses. Fusion will also reimburse banks, brokers and other custodians, nominees and fiduciaries representing beneficial owners of our common stock for their expenses in forwarding soliciting

Other Business

Fusion is not aware of any other business to be acted upon at the Special Meeting. If, however other matters are properly brought before the Special Meeting, the proxies will have discretion to vote or act on those matters according to their best judgment and they intend to vote the shares as the Fusion Board may recommend.

The Private Placement

Fusion entered into the Subscription Agreements with the PIPE Investors, pursuant to which, among other things, Fusion agreed to issue and sell in private placements an aggregate of 25,000,000 shares of Fusion Class A common stock to the PIPE Investors for \$10.00 per share.

The Private Placement is expected to close immediately prior to the consummation of the Business Combination. In connection with the Closing, all of the issued and outstanding shares of Fusion Class A common stock, including the shares of Fusion Class A common stock issued to the PIPE Investors, will become shares of New MoneyLion Class A common stock.

Background of the Business Combination

The terms of the Business Combination are the result of negotiations between the representatives of Fusion and MoneyLion. The following is a brief description of the background of these negotiations and the resulting Business Combination.

Fusion is a blank check company incorporated in Delaware on March 6, 2020 and formed for the purpose of effecting a merger, capital stock exchange, asset acquisition, stock purchase, reorganization, or similar business combination with one or more businesses. Our intention was to capitalize on the substantial deal sourcing, investing and operating expertise of our management team to identify and combine with one or more businesses with strong growth potential.

On June 26, 2020, we consummated our IPO of 30,500,000 units, at a price of \$10.00 per unit, with each unit consisting of one share of Fusion Class A common stock and one-half of one warrant, generating total gross proceeds of \$305,000,000. Prior to the consummation of our IPO, the Sponsor purchased 8,768,750 founder shares (after various adjustments) for an aggregate purchase price of \$25,000, or approximately \$0.004 per share. On June 30, 2020, Fusion announced that the underwriters exercised their overallocation option in part and issued an additional 4,500,000 units at a price of \$10.00 per unit for additional proceeds of \$45,000,000. This resulted in a

[Table of Contents](#)

total of 35,000,000 units being issued for total gross proceeds of \$350,000,000. As a result of the overallotment option being exercised in part, the Sponsor forfeited 18,750 founder shares, resulting in the Sponsor holding a total of 8,750,000 founder shares. Simultaneously with the consummation of our IPO, we consummated the private sale of 8,100,000 private placement warrants, to the Sponsors at a price of \$1.00 per warrant, generating gross proceeds of approximately \$8,100,000.

Prior to the consummation of our IPO, neither Fusion, nor anyone on its behalf, engaged in any substantive discussions, directly or indirectly, with any business combination target with respect to an initial business combination with Fusion.

After our IPO, our officers and directors commenced an active search for prospective businesses or assets to acquire in our initial business combination. Representatives of Fusion were contacted by, and representatives of Fusion contacted, numerous individuals, financial advisors and other entities who offered to present ideas for business combination opportunities. Our officers and directors, and their affiliates, also brought to our attention target business candidates.

During this time, members of Fusion's management researched companies in the Fintech industry that could be potential targets, including MoneyLion.

During this search process, Fusion reviewed several business combination opportunities and entered into confidentiality agreements with 24 companies (including MoneyLion). Most of the targets considered were located in the United States and operated in the sectors we specified at the time of our IPO, namely financial technology, wealth, investment and asset management, consistent with our original intentions.

We most actively pursued five potential targets, including MoneyLion, which process included meeting with such target's management teams, conducting due diligence, submitting valuations and/or engaging in discussions regarding a potential business combination. All five of these targets were focused on financial technology and we submitted non-binding letters of intent to four (including MoneyLion) and a non-binding term sheet to the other.

Initial discussions between Fusion and MoneyLion commenced in July 2020, when Jeff Gary, Chief Financial Officer of Fusion, contacted Dee Choubey, the Chief Executive Officer and co-founder of MoneyLion, a conversation facilitated by Ron Suber, a consultant to Fusion and an advisor to MoneyLion. In a subsequent video conference on July 16, 2020, both Mr. Gary and John James, Chief Executive Officer of Fusion, spoke with Mr. Choubey and inquired as to whether MoneyLion might be interested in pursuing a potential business combination with Fusion. During the conversation, Mr. Choubey expressed some interest in a potential transaction, but requested additional time to discuss the matter with his management and board. The parties agreed to further their dialogue and executed a mutual confidentiality agreement on July 23, 2020.

On July 18, 2020, Mr. Gary had a telephone call with Chris Sugden, a member of MoneyLion's board of directors and a managing partner of Edison Partners, an investor in MoneyLion, to discuss the potential business combination and MoneyLion's board's strategic outlook and, on July 27, 2020, Mr. Gary and Mr. Choubey had a brief follow-up telephone call to discuss next steps.

On August 5, 2020, Mr. James and Mr. Gary spoke with Greg DePetris and Rohit D'Souza, both of whom are members of the board of directors of MoneyLion, to introduce Fusion as a potential opportunity and talk about MoneyLion's future strategic plans.

On September 17, 2020, Mr. Gary and Mr. Choubey had a brief call to discuss MoneyLion's internal financial models. On September 18, 2020, Mr. Choubey provided Fusion with MoneyLion's financial models and having discussed the financial models with Mr. Choubey, Mr. Gary informed him that based on such financial models and their independent research into MoneyLion's business, he believed that MoneyLion would make an attractive target business for Fusion to complete its initial business combination with. He indicated that Fusion remained very interested in continuing to discuss a potential transaction.

Throughout the next few months, Fusion continued to actively review several other business combination opportunities and communications with MoneyLion ebbed until December 14 and 17, 2020, when Mr. Gary and Mr. Sugden exchanged emails relating to MoneyLion's updated financial performance and forecasts. Mr. Gary expressed Fusion's continued interest in a potential business combination with MoneyLion. Following this exchange, on or around December 17, 2020, the Fusion Board agreed that a proactive approach should be made in connection

[Table of Contents](#)

with the potential transaction with MoneyLion and that a letter of intent should be prepared and signed. To prepare for a potential transaction, Fusion engaged various third parties to assist in its due diligence efforts. During late December 2020 and continuing into January 2021, MoneyLion provided Fusion with due diligence materials, including financial information.

In mid-December 2020, Fusion also informed its legal counsel, White & Case LLP (“White & Case”), about the potential transaction with MoneyLion and requested that White & Case prepare a draft non-binding Letter of Intent (“LOI”) for such transaction. On December 17, 2020, Fusion delivered the LOI to MoneyLion. The LOI contemplated a business combination with consideration based on a pre-money enterprise value of MoneyLion of between \$2.0 billion to \$2.5 billion. The LOI further contemplated that Fusion would enter into subscription agreements for the Private Placement of Fusion Class A common stock, which would close simultaneously with the closing of the business combination, the proceeds of which, together with the amounts retained in the Trust Account, would total approximately \$500 million. The LOI stated that all terms were subject to ongoing due diligence by Fusion of MoneyLion. The LOI also provided for an exclusivity period during which the parties could continue to negotiate the transaction agreements. Following receipt of the draft LOI, MoneyLion responded that they would continue to consider the potential business combination and review the LOI, and that they were also considering alternate financing strategies.

On December 21, 2020, the Fusion Board met by video conference with certain representatives of MoneyLion, including several of its officers, directors and financial advisors, and Fusion presented its vision for a business combination. Members of J.P. Morgan Securities LLC (“J.P. Morgan”), financial advisors to Fusion, also attended. Prior to the meeting, Fusion prepared and reviewed with its advisors extensive financial models of MoneyLion’s business in order to generate a view as to the expected near-term financial performance and growth potential within the digital banking and wealth management product offerings. Further research was performed in evaluating the total U.S. addressable market for digital banking and wealth management (relying on third-party sources) and MoneyLion’s performance in the United States.

During the December 21, 2020 meeting, the parties discussed the general terms of a potential transaction, including that the consideration for MoneyLion would consist solely of Fusion equity. The parties also discussed (i) the need to obtain commitments from the PIPE Investors in order to demonstrate investor support for the potential transaction and to ensure that a minimum cash amount would be available at closing and (ii) the need for there to be a condition to closing the potential business combination that Fusion have an excess amount of cash available at Closing from such Private Placement and the proceeds from the Trust Account to pay transaction expenses and certain working capital and growth initiatives following the Closing. Both sides believed that having sufficient capital on the balance sheet of the post-business combination company to market existing products and launch new product offerings was of critical importance.

On December 27, 2020, Fusion delivered a revised LOI to MoneyLion. The LOI contemplated consideration based on a pre-money enterprise value of MoneyLion of between \$2.1 billion to \$2.25 billion, which reflected Fusion’s revised valuation range based on its review of comparable companies and the results of its preliminary diligence on MoneyLion. The LOI also contemplated that Fusion would enter into a Private Placement, the proceeds of which, together with the amounts retained in the Trust Account, would total approximately \$500 million. The LOI stated that all terms were subject to ongoing due diligence by Fusion of MoneyLion. The LOI also provided for a period of exclusivity for the parties to negotiate the Merger Agreement and related transaction agreements. MoneyLion responded that while they would continue to consider the potential business combination and review the draft LOI, they were also considering alternate financing strategies.

Over the following days, Fusion continued to speak frequently with executives and representatives of MoneyLion as they considered the LOI, and the parties continued to negotiate the terms of a potential business combination between the two companies. During this time, Fusion engaged in further due diligence of MoneyLion. Fusion and MoneyLion had numerous phone calls, emails, and question and answer sessions with each company’s respective management and financial advisors. Mr. James also had several discussions with Mr. Choubey about MoneyLion’s readiness to become a public company. This included a discussion as to the status of MoneyLion’s year-end financial audits.

During the period from December 27, 2020 through January 4, 2021, the parties continued to discuss the terms of the proposed transaction and exchanged various drafts of the LOI. The principal terms being negotiated were exclusivity, minimum cash balance, and the amount of the Private Placement. Ultimately, after further negotiation

[Table of Contents](#)

among the parties and receiving investor feedback, on or about December 30, 2020, Fusion and MoneyLion agreed to a valuation of MoneyLion between \$2.1 billion and \$2.25 billion, which was consistent with Fusion's evaluation of the business, comparable companies in analogous markets, and feedback from its financial advisors about the then-current view of high-growth companies in the public markets. The LOI also contemplated that Fusion would enter into subscription agreements for the Private Placement of Fusion Class A common stock in a target amount of \$181 million in proceeds, which, together with the amounts retained in the Trust Account, would total at least \$531 million, prior to paying approximately \$31 million in transaction expenses. The LOI also included a minimum cash condition that aggregate cash available from amounts held in the Trust Account (after payment of any redemptions) and obtained in connection with the Private Placement, after payment of any transaction expenses, would be no less than \$260 million. In addition to the consideration paid to MoneyLion, the parties determined that 17.5 million shares of New MoneyLion Class A common stock would be payable to MoneyLion as earn-out shares in three tranches (7.5 million shares at \$12.50 per share, 7.5 million shares at \$16.50 per share and 2.5 million shares at \$18.00 per share). The LOI also anticipated that a new equity incentive plan pursuant to which MoneyLion would grant cash and equity incentive awards and compensation to officers, directors, employees and other eligible service providers would be approved and adopted in connection with the business combination. The LOI stated that all terms were subject to ongoing due diligence by Fusion of MoneyLion.

On January 4, 2021, Fusion convened a special meeting of the Fusion Board to discuss and consider the potential business combination with MoneyLion and vote on entering into the non-binding LOI. Representatives from J.P. Morgan were also in attendance. During the meeting, Messrs. James and Gary updated the Fusion Board on the status of negotiations with MoneyLion and on the principal terms of the transaction, proposed timing for the transaction and additional information about MoneyLion's business and the proposed business combination. Representatives of J.P. Morgan also discussed the proposed valuation of the transaction. After the discussion, the Fusion Board decided to proceed with entering into a non-binding LOI for the Business Combination with MoneyLion, which included reciprocal exclusivity commitments. Following the meeting, on January 4, 2021, Fusion and MoneyLion entered into a non-binding LOI for the Business Combination. Given its exclusivity commitment in the LOI signed with MoneyLion, Fusion discontinued discussions with other potential targets.

Following execution of the LOI, the parties and their respective legal counsel prepared and then negotiated the Merger Agreement and related agreements, which continued until the Merger Agreement was executed. In addition, the parties began preparing for discussions with potential PIPE Investors.

On January 6, 2021, Fusion hosted a virtual kick-off meeting with the Fusion Board and the board of directors of MoneyLion, and their respective legal and financial advisors, by video conference to organize the overall business combination process, conduct further due diligence of MoneyLion and analysis on the post-business combination company, identify potential PIPE Investors, and prepare an investor presentation for the Private Placement.

In the week commencing January 11, 2021, the Fusion Board, its advisors and legal counsel, as well as officers, director, representatives and advisors of MoneyLion, held a series of video conferences focused on various diligence areas including: legal, cybersecurity and regulatory, business and product offerings, historical financial statements, accounting and audit matters, and other financial information requirements relating to the potential business combination transaction.

Between January 15 and 18, 2021, Fusion engaged J.P. Morgan, Citigroup Global Markets Inc., Cantor Fitzgerald & Co. and Odeon Capital Group LLC to serve as placement agents for the Private Placement.

Beginning the week of January 25, 2021, Fusion arranged for a digital data room to be established to provide certain materials to prospective PIPE Investors. Fusion, through its placement agents, sent data room invitations to potential investors who had a track record of long-term investments and an interest in investing in similar transactions and such investors conducted customary due diligence on MoneyLion. On January 26, 2021, Fusion commenced investor meetings with certain potential PIPE Investors. Mr. James and Mr. Gary represented Fusion, and Mr. Choubey and Rick Correia, Chief Financial Officer of MoneyLion, represented MoneyLion in these meetings.

On January 26, 2021, Fusion and MoneyLion entered into an amendment to the LOI (the "LOI Amendment"). In the LOI Amendment, Fusion and MoneyLion agreed to a company valuation of \$2.2 billion, which was consistent with Fusion's evaluation of the business, comparable companies in analogous markets, and feedback from its financial advisors about the then-current view of high-growth companies in the public markets. The LOI

Amendment provided that the earn-out shares of New MoneyLion Class A common stock payable to MoneyLion would be in two tranches (7.5 million shares at \$12.50 per share and 10 million shares at \$16.50 per share). The LOI Amendment further clarified the terms of the cash and equity incentive awards that would be approved and adopted in connection with the Business Combination and extended the period of exclusivity for the parties to negotiate the transaction agreements.

From the end of January into early February 2021, members of Fusion's and MoneyLion's management held numerous video conference meetings and follow-up phone calls with prospective PIPE Investors.

White & Case performed customary red-flags legal due diligence at Fusion's request and reported its findings to the Fusion Board in a written report delivered on February 7, 2021. White & Case and Fusion followed up on the written report with a discussion on the evening of February 8, 2021, during which members of the Fusion Board asked a number of follow up questions related to the diligence findings. Based on such discussion and Q&A, Fusion determined that it was ready to proceed to execution of definitive documentation.

On February 8, 2021, the management teams of each of Fusion and MoneyLion met by video conference, along with their financial advisors and legal counsels to negotiate a number of commercial and legal matters regarding the potential business combination. Fusion reported that based on feedback from potential investors in the Private Placement, the Private Placement would most likely be oversubscribed and could raise in excess of the expected minimum of \$181 million based on a total enterprise value of approximately \$2.4 billion.

On February 9, 2021, given the high demand, the parties determined to increase the size of the Private Placement from \$181 million to \$250 million.

On February 10, 2021, the Fusion Board of directors unanimously approved, by written consent, the entrance into the Merger Agreement and the Business Combination, including the terms of the Private Placement and the Sponsor Support Agreement and MoneyLion Support Agreements. In approving the Merger Agreement, the Fusion Board determined that the aggregate fair market value of the proposed Business Combination was at least 80% of the assets held in the Trust Account.

On February 11, 2021, the parties executed the Merger Agreement, Fusion entered into the Subscription Agreements for the Private Placement, Fusion, the Sponsor and Fusion's directors and officers entered into the Sponsor Support Agreement and Fusion and certain MoneyLion stockholders entered into the MoneyLion Support Agreements. The next morning, on February 12, 2021, Fusion and MoneyLion issued a joint press release announcing the Business Combination.

The Fusion Board's Reasons for the Approval of the Business Combination

On February 10, 2021, the Fusion Board unanimously (i) approved the signing of the Merger Agreement and the transactions contemplated thereby and (ii) directed that the Merger Agreement, related transaction documentation and other proposals necessary to consummate the Business Combination be submitted to our stockholders for approval and adoption, and recommended that our stockholders approve and adopt the Merger Agreement, related transaction documentation and such other proposals. Before reaching its decision, the Fusion Board reviewed the results of the due diligence performed by members of its management team and its legal counsel, which included:

- research on industry trends, revenue projections and other industry factors;
- extensive meetings and calls with MoneyLion's management team and representatives regarding operations, company services, customers, financial prospects, the pipeline of potential new products and possible acquisitions, among other customary due diligence matters;
- review of MoneyLion's material business contracts and certain other legal, regulatory and commercial diligence;
- financial and accounting diligence; and
- creation of an independent financial model in conjunction with management of MoneyLion, which was generally consistent with the financial model prepared by MoneyLion.

The Fusion Board considered a wide variety of factors in connection with its evaluation of the Business Combination. In light of the complexity of those factors, the Fusion Board did not consider it practicable to, nor did it attempt to, quantify or otherwise assign relative weights to the specific factors it took into account in reaching its decision. Different individual members of the Fusion Board may have given different weight to different factors in their evaluation of the Business Combination.

In the prospectus for our IPO, we identified the following general criteria and guidelines that we believed would be important in evaluating prospective target businesses, although we indicated we may enter into a business combination with a target business that does not meet these criteria and guidelines. We intended to seek to acquire companies that we believed:

- were fundamentally sound and could unlock and enhance stockholder value through a business combination with us, thereby offering attractive risk-adjusted returns for our stockholders;
- had strong, experienced management teams, or provided a platform to assemble an effective management team with a track record of driving growth and profitability;
- were at an inflection point, such as requiring additional management expertise, were able to innovate through new operational techniques, or where we believed we could drive improved financial performance;
- could benefit from the application and exploitation of financial service technologies;
- had a history of, or potential for, strong, stable free cash flow generation, with predictable and recurring revenue streams;
- could grow both organically and where we believed our ability to source proprietary opportunities and execute transactions would help the business grow through additional acquisitions;
- had a leading or niche market position and that demonstrate advantages when compared to their competitors, which could help to create barriers to entry against new competitors;
- could benefit from being a publicly traded company, with access to broader capital markets, to achieve the company's growth strategy; and
- exhibited unrecognized value or other characteristics that we believed could be enhanced based on our analysis and due diligence review.

These illustrative criteria were not intended to be exhaustive. We stated in the IPO prospectus that any evaluation relating to the merits of a particular initial business combination would be based, to the extent relevant, on these general guidelines as well as other considerations, factors and criteria that our management may deem relevant. In the event that we decided to enter into a business combination with a target business that does not meet the above criteria and guidelines, we indicated that we would disclose that the target business does not meet the above criteria in our stockholder communications related to our initial business combination.

In considering the Business Combination, the Fusion Board concluded that it met all the above criteria. In particular, the board considered the following positive factors, although not weighted or in any order of significance:

High-Growth Industry. MoneyLion is expected to become one of the fastest growing digital banking and wealth management solutions in the industry. Based on third-party data and industry reports, conventional banks now account for only 72% of the total market value of the global banking and payments industry, down from 81% at the beginning of 2020. While the digital banking and wealth management sector in the United States is nascent, customer dissatisfaction with conventional banking solutions, generational wealth transfer, the acceptance of accessible digital solutions, and increased regulation by the federal and state governments has created a rapidly growing environment and a trend toward digital banking. Fusion believes this represents an opportunity for MoneyLion, which already has a strong market share and a significant funnel of unique users, to grow rapidly.

Business with Revenue and Earnings Growth Potential. MoneyLion has an attractive financial profile characterized by strong existing growth and continued prospects of accelerated growth in the future. From 2020 to 2022E, New MoneyLion expects to achieve a revenue CAGR of approximately 84% and to grow its adjusted revenue by \$182 million in the same period. Fusion believes that MoneyLion is well-positioned to continue its dynamic growth trajectory as it expands its product offerings and marketing efforts.

Compelling Unit Economics. MoneyLion is a high-growth customer facing internet business that features compelling unit economics. This has been demonstrated in its business offerings to date and its expected future rollout of new digital banking and membership subscription offerings. MoneyLion's business had an overall projected contribution profit margin of 51% for the year ended December 31, 2020, while MoneyLion had an overall estimated contribution profit margin forecast of 71% for the year ended December 21, 2022. Fusion believes that MoneyLion will increase its contribution profit margin in the future as the business achieves greater scale nationally and rolls out new service offerings.

Diversified Revenue Mix. Given the multitude of different products offered by MoneyLion, following the Business Combination, we expect that New MoneyLion will have a diversified revenue mix, which we believe will be well-suited to capture different parts of the value chain in the digital banking and wealth management sector. MoneyLion's business is customer facing and reliant on marketing outreach to potential customers. Fusion believes that the low customer acquisition cost (due to its data driven-driven approach to its customers utilizing its single-core technology stack), large total addressable market, and diversified product offerings provides a financial advantage to the company to help it outperform its peers and create diversified sources of revenue and has the ability to create geographic dispersion to capture further growth both inside and potentially outside of the United States.

Experienced and Motivated Management Team. MoneyLion is led by a seasoned and motivated team of technologists and financial industry experts that have re-defined digital banking and wealth management in the United States. We believe their experience in innovating technology, coupled with their financial services backgrounds, marketing experience and ability to create new product offerings, will help New MoneyLion in the future.

Although the Fusion Board did not seek a third-party valuation and did not receive any report, valuation or opinion from any third party in connection with the Business Combination, the Fusion Board relied on the following sources: (i) due diligence of MoneyLion's business operations conducted by Fusion and its advisors; (ii) extensive research reports and data related to the digital banking sector in the United States and internationally; (iii) Fusion management's collective experience in public markets transactions in constructing and evaluating financial models/projections and conducting valuations of businesses; and (iv) industry expertise and knowledge from its advisors, including J.P. Morgan. The total enterprise value for MoneyLion is \$2.4 billion. The Fusion Board concluded that this is fair and reasonable, given the growth prospects, potential industry consolidation and other compelling aspects of the transaction.

The Fusion Board also gave consideration to the following negative factors (which are more fully described in the "Risk Factors" section of this proxy statement/prospectus), although not weighted or in any order of significance:

The risk that our public stockholders would vote against the Business Combination Proposal or exercise their redemption rights.

The Fusion Board considered the risk that some of the current public stockholders may vote against the Business Combination Proposal or decide to exercise their redemption rights, thereby depleting the amount of cash available in the Trust Account to an amount below the minimum required to consummate the Business Combination. The Fusion Board concluded however, that this risk was substantially mitigated because Fusion has commitments from the PIPE Investors to purchase \$250 million of shares of Fusion Class A common stock at Closing, which represents nearly 100% of the minimum proceeds necessary for the Closing. Further, the fact that public stockholders may vote for the Business Combination Proposal while also exercising their redemption rights mitigates against any incentive a public stockholder might have to vote against the Business Combination Proposal, especially to the extent that they hold public warrants which would be worthless if the Business Combination is not completed.

Our management and directors may have different interests in the Business Combination than the public stockholders.

The Fusion Board considered the fact that members of our management and board of directors may have interests that are different from, or are in addition to, the interests of our stockholders generally, including the matters described under “— *Interests of Fusion’s Directors and Officers and Others in the Business Combination*” below. However, the Fusion Board concluded that the potentially disparate interests would be mitigated because (i) these interests were disclosed in the IPO prospectus and (ii) these disparate interests would exist or may be even greater with respect to a business combination with another target company.

Certain Projected Financial Information

In connection with its consideration of the potential business combination, the Fusion Board was provided with prospective financial information prepared by management of MoneyLion and Fusion (collectively, the “Projections”).

The Projections are included in this proxy statement/prospectus solely to provide Fusion’s stockholders access to information made available in connection with the Fusion Board’s consideration of the proposed business combination. The Projections should not be viewed as public guidance. Furthermore, the Projections do not take into account any circumstances or events occurring after the date on which the Projections were prepared, which was February 10, 2021.

The Projections were not prepared with a view toward public disclosure or with a view toward complying with the guidelines established by the SEC or the American Institute of Certified Public Accountants with respect to prospective financial information. The Projections have not been audited. Neither the independent registered public accounting firms of MoneyLion nor Fusion nor any other independent accountants, have compiled, examined or performed any procedures with respect to the Projections contained herein, nor have they expressed any opinion or any other form of assurance on such information or their achievability, and the independent accounting firms of Fusion and MoneyLion assume no responsibility for, and disclaim any association with, the Projections.

The Projections were prepared in good faith by MoneyLion management based on their reasonable best estimates and assumptions with respect to the expected future financial performance of MoneyLion at the time the Projections were prepared and speak only as of that time.

The Projections were developed by MoneyLion and considered various material assumptions, including, but not limited to, the following:

- MoneyLion’s digital banking offerings will continue to be available in the states in which they are currently offered;
- demand for digital banking and wealth management solutions will remain strong and business growth will remain consistent with the rates of recent years;
- MoneyLion will maintain a leading market position; and
- other general business and market assumptions, including maintaining strong relationships with its current customers; the historical recent performance of MoneyLion; economic and market growth consistent with recent years, including continued expansion and growth in service offerings and capabilities; current and anticipated market position relative to its peers; and other future prospects of MoneyLion as a whole.

While presented with numerical specificity, the Projections are forward-looking and reflect numerous estimates and assumptions with respect to future industry performance under various industry scenarios as well as assumptions for competition, general business, economic, market and financial conditions and matters specific to the business of MoneyLion, all of which are difficult to predict and many of which are beyond the preparing parties’ control including, among other things, the matters described in the sections entitled “*Cautionary Note Regarding Forward-Looking Statements*” and “*Risk Factors*.”

[Table of Contents](#)

The Projections were prepared solely for internal use to assist Fusion in its evaluation of MoneyLion and the potential business combination. MoneyLion has not warranted the accuracy, reliability, appropriateness or completeness of the projections to anyone, including Fusion. Neither MoneyLion’s management nor any of their representatives has made or makes any representations to any person regarding the ultimate performance of MoneyLion relative to the Projections. The Projections are not fact. The Projections are not a guarantee of actual future performance. The future financial results of MoneyLion may differ materially from those expressed in the Projections due to factors beyond either of their ability to control or predict.

The Projections are not included in this proxy statement/prospectus in order to induce any Fusion stockholders to vote in favor of any of the proposals at the special meeting.

We encourage you to review the financial statements of MoneyLion included in this proxy statement/prospectus, as well as the financial information in the sections entitled “*Selected Historical Consolidated Financial Information of MoneyLion*” and “*Unaudited Pro Forma Condensed Combined Financial Information*” in this proxy statement/prospectus and to not rely on any single financial measure.

Neither Fusion nor MoneyLion nor any of their respective affiliates intends to, and, except to the extent required by applicable law, each of them expressly disclaims any obligation to, update, revise or correct the Projections to reflect circumstances existing or arising after the date such Projections were generated or to reflect the occurrence of future events, even in the event that any or all of the assumptions underlying the Projections are shown to be in error or any of the Projections otherwise would not be realized.

Comparable Public Companies

During the course of valuing MoneyLion, Fusion’s management also identified several comparable public companies. Specifically, it determined that its core peer group consisted of Affirm, Afterpay, Square, Inc., Open Lending, Upstart and SoFi. It also identified other publicly traded high-growth FinTech/Payments companies, including Adyen, bill.com, Lightspeed and Shopify, as well as high-growth Financial SaaS companies, including Avalara, Anaplan, Coupa, Duck Creek Technologies, nCino and Q2 Holdings, Inc. Fusion’s management believes that MoneyLion is likely to be considered to be in one or more of these categories by potential investors based on its business and financial model.

Regulatory Approvals

The Business Combination is subject to the expiration or termination of the waiting period (or any extension thereof) applicable under the HSR Act. Early termination of the waiting period was granted by the Federal Trade Commission and the waiting period ended on [•], 2021.

Satisfaction of 80% Test

After consideration of the factors identified and discussed in the section entitled “The Business Combination Proposal — the Fusion Board’s Reasons for the Approval of the Business Combination,” the Fusion Board concluded that the Business Combination met all of the requirements disclosed in the prospectus for its initial public offering with respect to Fusion’s initial business combination, including that the Business Combination had a fair market value of at least 80% of the balance of the funds in the Trust Account at the time of execution of the Merger Agreement.

Interests of Fusion’s Directors and Officers in the Business Combination

In considering the recommendation of our board of directors in favor of approval of the Business Combination Proposal, it should be noted that our directors and officers have interests in the Business Combination that are different from, or in addition to, your interests as a Fusion Stockholder. These interests include, among other things:

- If we are unable to complete our initial business combination by December 31, 2021, we will:
 - (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but no more than ten business days thereafter, redeem the public shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, calculated as of two business days prior to the consummation of the Business Combination, including interest earned on the funds held in the Trust Account (which interest shall be net of taxes payable and up to \$100,000 of interest to pay dissolution expenses), divided by the number of then outstanding public shares, which redemption will completely extinguish public stockholders’ rights as stockholders (including the right to receive further liquidating distributions, if any), and (iii) as promptly as reasonably possible following such redemption, subject to the approval of our remaining stockholders and our board of directors, liquidate and dissolve, subject in each case to our obligations under Delaware law to provide for claims of creditors and the requirements of other applicable law.
- There will be no liquidating distributions from the Trust Account with respect to the founder shares if we fail to complete a business combination within the required period. Our Sponsor purchased the founder shares prior to our initial public offering for an aggregate purchase price of \$25,000. Upon the Closing, such founder shares will convert into 8,750,000 shares of New MoneyLion Class A common stock (assuming no founder shares are forfeited by the Sponsor at Closing), and such shares will have a significantly higher value at the time of the Business Combination, which if unrestricted and freely tradable would have an aggregate market value of approximately \$[•] million based upon the closing price of [•] per public share on the NYSE on [•], 2021, but, given the restrictions on such shares, we believe such shares have less value.
- Simultaneously with the closing of its initial public offering, Fusion consummated the sale of 8,100,000 private placement warrants at a price of \$1.00 per warrant in a private placement to our Sponsor. The warrants are each exercisable commencing the later of 30 days following the Closing and 12 months from the closing of our initial public offering, which occurred on June 30, 2020, for one share of Class A common stock at \$11.50 per share. If we do not consummate a business combination transaction by December 31, 2021, then the proceeds from the sale of the private placement warrants will be part of the liquidating distribution to the public stockholders and the warrants held by our Sponsor will be worthless. The warrants held by our Sponsor had an aggregate market value of approximately \$[•] million based upon the closing price of \$[•] per warrant on the NYSE on [•], 2021.
- Our Sponsor will lose its entire investment in us if we do not complete a business combination by December 31, 2021. Certain of them may continue to serve as officers and/or directors of New MoneyLion after the Closing. As such, in the future they may receive any cash fees, stock options or stock awards that the New MoneyLion board of directors determines to pay to its directors and/or officers.

[Table of Contents](#)

- Our Sponsor, directors and executive officers have agreed to waive their rights to liquidating distributions from the Trust Account with respect to their founder shares if Fusion fails to complete a business combination by December 31, 2021.
- In order to protect the amounts held in the Trust Account, the Sponsor has agreed that it will be liable to us if and to the extent any claims by a vendor for services rendered or products sold to us, or a prospective target business with which we have entered into a transaction agreement, reduce the amount of funds in the Trust Account. This liability will not apply with respect to any claims by a third party who executed a waiver of any right, title, interest or claim of any kind in or to any monies held in the Trust Account or to any claims under our indemnity of the underwriters of the offering against certain liabilities, including liabilities under the Securities Act.
- Following the Closing, our Sponsor would be entitled to the repayment of any working capital loan and advances that have been made to Fusion and remain outstanding. As of the date of this proxy statement/prospectus, our Sponsor has not made any advances to us for working capital expenses. If we do not complete an initial business combination within the required period, we may use a portion of our working capital held outside the Trust Account to repay the working capital loans, but no proceeds held in the Trust Account would be used to repay the working capital loans.
- Following the consummation of the Business Combination, we will continue to indemnify our existing directors and officers and will maintain a directors' and officers' liability insurance policy.
- Upon the Closing, subject to the terms and conditions of the Merger Agreement, our Sponsor, our officers and directors and their respective affiliates may be entitled to reimbursement for any reasonable out-of-pocket expenses related to identifying, investigating and consummating an initial business combination, and repayment of any other loans, if any, and on such terms as to be determined by Fusion from time to time, made by our Sponsor or certain of our officers and directors to finance transaction costs in connection with an intended initial business combination.

Directors and Executive Officers of New MoneyLion After the Business Combination

Pursuant to the Merger Agreement, the board of directors of New MoneyLion will initially consist of nine directors, one of which will consist of Diwakar Choubey, the Chief Executive Officer of MoneyLion. The remaining members of the board of directors will consist of two directors designated by Fusion who shall qualify as independent under applicable rules and regulations of the SEC and stock exchange rules and regulations (including the applicable rules and regulations of the NYSE), and one of whom shall be mutually acceptable to Fusion and MoneyLion, taking into account relevant public company board composition requirements, and the remaining members of the board of directors will be designated by MoneyLion.

Stock Exchange Listing

Fusion's units, Class A common stock and public warrants are publicly traded on the NYSE under the symbols "FUSE.U", "FUSE" and "FUSE WS", respectively. Fusion intends to apply to list the New MoneyLion Class A common stock and public warrants on the NYSE under the symbols "ML" and "ML WS", respectively, upon the Closing of the Business Combination. New MoneyLion will not have units traded following the Closing.

Accounting Treatment

The Business Combination will be accounted for as a reverse recapitalization, in accordance with U.S. GAAP. Under this method of accounting, although Fusion will issue shares for outstanding equity interests of MoneyLion in the Business Combination, Fusion will be treated as the "acquired" company for financial reporting purposes. Accordingly, the Business Combination will be treated as the equivalent of MoneyLion issuing stock for the net assets of Fusion, accompanied by a recapitalization. The net assets of Fusion will be stated at historical cost, with no goodwill or other intangible assets recorded. Operations prior to the Business Combination will be those of MoneyLion.

Vote Required for Approval

This Business Combination Proposal (and consequently, the Merger Agreement and the transactions contemplated thereby, including the Business Combination) will be approved and adopted only with the affirmative vote of a majority of the votes cast by Fusion Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. Abstentions and broker non-votes have no effect on the outcome of the proposal.

The Business Combination is conditioned upon the approval of the Business Combination Proposal, subject to the terms of the Merger Agreement. If the Business Combination Proposal is not approved, the other proposals (except the Adjournment Proposal, as described below) will not be presented to the stockholders for a vote.

Fusion's Sponsor, along with Fusion's directors and officers have agreed to vote the founder shares and any public shares owned by them in favor of the Business Combination Proposal. See "*Other Agreements — Fusion Letter Agreement*" and "*Other Agreements — Sponsor Agreement*" for more information.

Recommendation of Fusion Board

THE FUSION BOARD UNANIMOUSLY RECOMMENDS THAT THE FUSION STOCKHOLDERS VOTE "FOR" THE APPROVAL OF THE BUSINESS COMBINATION PROPOSAL.

The existence of financial and personal interests of Fusion's directors may result in a conflict of interest on the part of one or more of the directors between what they may believe is in the best interests of Fusion and its stockholders and what they may believe is best for himself or themselves in determining to recommend that stockholders vote for the proposals. See the section entitled "*— Interests of Fusion's Directors and Officers in the Business Combination*" for a further discussion.

THE MERGER AGREEMENT

The following describes certain aspects of the Business Combination, including the material provisions of the Merger Agreement. The following description of the Merger Agreement is subject to, and qualified in its entirety by reference to, the Merger Agreement, which is attached to this proxy statement/prospectus as Annex A, and is incorporated by reference into this proxy statement/prospectus. We urge you to read the Merger Agreement carefully and in its entirety, as it is the legal document governing the Business Combination.

Explanatory Note Regarding the Merger Agreement

The Merger Agreement and this summary are included to provide you with information regarding the terms of the Merger Agreement. The Merger Agreement contains representations and warranties by Fusion and MoneyLion. The representations, warranties and covenants made in the Merger Agreement by Fusion and MoneyLion were qualified and subject to important limitations agreed to by Fusion and MoneyLion in connection with negotiating the terms of the Merger Agreement. In particular, in your review of the representations and warranties contained in the Merger Agreement and described in this summary, it is important to bear in mind that the representations and warranties were negotiated with the principal purpose of establishing circumstances in which a party to the Merger Agreement may have the right not to consummate the Business Combination if the representations and warranties of the other party were to be untrue due to a change in circumstance or otherwise, and allocating risk between the parties to the Merger Agreement, rather than establishing or attempting to set forth matters as facts. The representations and warranties also may be subject to a contractual standard of materiality different from that generally applicable to stockholders and reports and documents filed with the SEC and some were qualified by the matters contained in the confidential disclosure schedules that Fusion and MoneyLion each delivered in connection with the Merger Agreement and certain documents filed with the SEC. Moreover, information concerning the subject matter of the representations and warranties, which do not purport to be accurate as of the date of this proxy statement/prospectus, may have changed since the date of the Merger Agreement.

For the foregoing reasons, the representations and warranties or any descriptions of those provisions should not be read alone or relied upon as presenting the actual state of facts or condition of Fusion or MoneyLion, or any of their respective subsidiaries or affiliates. Instead, such provisions or descriptions should be read only in conjunction with the other information provided elsewhere in this document or incorporated by reference into this proxy statement/prospectus. Please see the section entitled “*Where You Can Find More Information.*” Fusion will provide additional disclosures in its public reports to the extent it is aware of the existence of any material facts that are required to be disclosed under federal securities laws and that might otherwise contradict the terms and information contained in the Merger Agreement and will update such disclosure as required by federal securities laws.

Effect of the Business Combination

Pursuant to the Merger Agreement, Merger Sub will merge with and into MoneyLion, with MoneyLion surviving the Business Combination. Upon consummation of the foregoing transactions, MoneyLion will be a wholly-owned subsidiary of Fusion, which will then be renamed as determined by MoneyLion.

Merger Consideration

The aggregate value of the consideration paid in respect of MoneyLion is \$2,200,000,000.00. The MoneyLion stockholders shall receive (i) shares of New MoneyLion Class A common stock (valued at \$10.00 per share), and, if elected by MoneyLion, cash consideration up to the lower of (A) the amount (which may be zero) by which the Parent Closing Cash exceeds \$260,000,000 and (B) \$100,000,000, and (ii) the contingent right to receive a pro rata portion of the Earn Out Shares.

Pursuant to the Merger Agreement, at the Effective Time, the stock consideration to be issued to the then current holders of stock in MoneyLion will be in the form of New MoneyLion Class A common stock.

Additionally, each MoneyLion option that is outstanding and unexercised, whether or not then vested or exercisable, will be assumed by New MoneyLion and will be converted into an option to acquire New MoneyLion Class A common stock with the same terms and conditions as applied to the MoneyLion option immediately prior to the Effective Time; provided that the number of shares underlying such New MoneyLion option will be determined by multiplying the number of shares of MoneyLion common stock subject to such option immediately prior to the

[Table of Contents](#)

Effective Time, by the option exchange ratio, which product shall be rounded down to the nearest whole number of shares, and the per share exercise price of such New MoneyLion option will be determined by dividing the per share exercise price immediately prior to the Effective Time by the option exchange ratio, which quotient shall be rounded up to the nearest whole cent.

Pursuant to the Merger Agreement, at the Effective Time, each warrant to purchase shares of MoneyLion capital stock that is issued and outstanding prior to the Effective Time and has not been exercised or terminated pursuant to its terms will be assumed and converted into a warrant exercisable for shares of New MoneyLion Class A common stock.

In addition, the Merger Agreement contemplates that the Earn Out Participants, following the closing of the Business Combination and for a period of five years thereafter, will be eligible to receive the Earn Out Shares, subject to a Triggering Event. Upon the occurrence of a Triggering Event, New MoneyLion will release such Earn Out Shares to the Earn Out Participants.

Closing and Effective Time of the Business Combination

Unless Fusion and MoneyLion otherwise mutually agree, the Closing will take place on the date which is no later than three business days after the date on which all of the Closing conditions have been satisfied or waived (other than those conditions that by their terms are to be satisfied at the Closing of the Business Combination, but subject to the satisfaction or waiver of those conditions) (such date, the “Closing Date”). See “*The Merger Agreement — Conditions to Closing*” for a more complete description of the conditions that must be satisfied prior to Closing.

On the Closing date, Merger Sub and MoneyLion will effect the Business Combination by filing a certificate of merger with the Secretary of State of the State of Delaware, and the Business Combination will become effective at the time the certificate of merger has been duly filed (or such later time as may be agreed in writing by Fusion and MoneyLion and specified in the certificate of merger).

As of the date of this proxy statement/prospectus, the parties expect that the Business Combination will be effective during the first half of 2021. However, there can be no assurance as to when or if the Business Combination will occur.

If the Closing (as defined in the Merger Agreement), has not occurred by the date that is nine months following the date of the Merger Agreement, the Merger Agreement may be terminated by either Fusion or MoneyLion. However, a party may not terminate the Merger Agreement pursuant to the provision described in this paragraph if such party’s action or failure to act has been a principal cause of or resulted in the failure of the Closing to occur on or before the termination date and such action or failure to act constitutes a breach of the Merger Agreement. See “*The Merger Agreement — Termination*.”

Covenants and Agreements

Conduct of MoneyLion Prior to the Completion of the Business Combination

MoneyLion has agreed that, prior to the effective time of the Business Combination, it will conduct its operations in the ordinary course consistent with past practice and use commercially reasonable efforts to preserve the present business and operations and goodwill of the Company and its subsidiaries, keep available the services of their officers and employees and maintain satisfactory relationships with licensors, suppliers, distributors, clients and others having business relationships with them.

In addition to the general covenants above, MoneyLion has agreed that prior to the Effective Time, subject to specified exceptions, it will not without the written consent of Fusion:

- except as otherwise required by any existing benefit plan of MoneyLion, the Merger Agreement or applicable legal requirements: (i) materially increase or grant any material increase in the compensation, bonus, fringe or other benefits of, or pay, grant or promise any bonus to, any current or former employee, director or independent contractor except for any such person with an annual base salary or wage rate of less than \$400,000 in the ordinary course of business; (ii) grant or pay any severance or change in control pay or benefits to, or otherwise increase the severance or change in control pay or

benefits of, any current or former employee, director or independent contractor; (iii) enter into, amend or terminate any benefit plan of MoneyLion or any employee benefit plan, policy, program, agreement, trust or arrangement that would have constituted an benefit plan of MoneyLion if it had been in effect on the date of the Merger Agreement (other than annual renewal of welfare plans in the ordinary course of business consistent with past practice or amendments to welfare plans that do not result in a material increase in cost to MoneyLion); (iv) take any action to accelerate the vesting or payment of, or otherwise fund or secure the payment of, any compensation or benefits under any benefit plan of MoneyLion; (v) grant any equity or equity-based compensation awards; or (vi) hire or terminate any employee or independent contractor (other than for cause), if such new employee or independent contractor will receive, or such terminated employee or consultant does receive, annual base compensation (or annual base wages or fees) in excess of \$400,000; transfer, sell, assign, license, sublicense, covenant not to assert, encumber, subject to a lien (other than certain permitted liens), abandon, allow to lapse, or otherwise dispose of, any right, title or interest of MoneyLion in or to any owned intellectual property material to any of the businesses of the Group Companies (other than non-exclusive licenses of such owned intellectual property granted in the ordinary course of business);

- waive or cancel any material rights in or to any intellectual property material to any business of the Group Companies;
- disclose to any third party (excluding, for the avoidance of doubt, employees, officers or directors of any Group Company) who is not subject to a written obligation to maintain the confidentiality thereof any material trade secrets constituting the owned intellectual property of MoneyLion or its subsidiaries;
- knowingly subject any material software constituting owned intellectual property of MoneyLion or its subsidiaries to copyleft terms;

HSR Act and Regulatory Approvals

Fusion and MoneyLion have agreed to each prepare and file the notification required of it under the HSR Act in connection with the Business Combination as promptly as practicable after the date of the Merger Agreement, and no later than ten business days after such date, and to promptly and in good faith respond to all information requested of it by the U.S. Federal Trade Commission, U.S. Department of Justice, or any other governmental entity in connection with such notification and otherwise cooperate in good faith with each other and such governmental entities.

Each of Fusion and MoneyLion have agreed to promptly furnish to the other such information and assistance as the other may reasonably request in connection with its preparation of any filing or submission that is necessary under the HSR Act and to use reasonable best efforts to cause the expiration or termination of the applicable waiting periods or obtain the applicable approvals as soon as practicable.

Each of Fusion and MoneyLion have agreed to promptly provide the other with copies of all written communications (and memoranda setting forth the substance of all substantive oral communications) between each of them, any of their affiliates and their respective agents, representatives and advisors, on the one hand, and any governmental entity, on the other hand, with respect to the Merger Agreement or the Business Combination.

Without limiting the foregoing, each of Fusion and MoneyLion have agreed that it will: (i) promptly inform the other of any communication to or from the U.S. Federal Trade Commission, the U.S. Department of Justice or any other Governmental Entity regarding the Business Combination; (ii) permit each other to review in advance any proposed written communication to any such governmental entity and incorporate reasonable comments thereto; (iii) give the other prompt written notice of the commencement of any legal proceeding with respect to such transactions; (iv) not agree to participate in any substantive meeting or discussion with any such governmental entity in respect of any filing, investigation or inquiry concerning the Merger Agreement or the Business Combination unless, to the extent reasonably practicable, it consults with the other party in advance and, to the extent permitted by such governmental entity, gives the other party the opportunity to attend; (v) keep the other reasonably informed as to the status of any such legal proceeding; and (vi) promptly furnish each other with copies of all correspondence, filings (except for filings made under the HSR Act) and written communications between such party and their affiliates and their respective agents, representatives and advisors, on one hand, and any such governmental entity, on the other hand, in each case, with respect to the Merger Agreement and the Business Combination.

Fusion, on the one hand, and MoneyLion, on the other hand, have agreed to each pay 50% of any filing fees required by governmental entities, including with respect to any registrations, declarations and filings required in connection with the execution and delivery of the Merger Agreement, the performance of the obligations thereunder and the consummation of the Business Combination, including filing fees in connection with filings under the HSR Act.

Except for filings under the HSR Act, each of Fusion and MoneyLion have agreed to, as promptly as reasonably practicable, use reasonable best efforts to obtain, or cause to be obtained, all consents, authorizations, orders and approvals from all governmental entities that may be or become necessary for its execution and delivery of the Merger Agreement and the performance of its obligations pursuant the Merger Agreement (including those required by applicable approvals of the Group Companies (the "Regulatory Filings")). Each of Fusion and MoneyLion have agreed to use reasonable best efforts to cooperate fully with the other and its affiliates in promptly seeking to obtain all such consents, authorizations, orders and approvals and effect any such Regulatory Filing. With respect to the Regulatory Filings, each of Fusion and MoneyLion have agreed to use its reasonable best efforts and cooperate with the other (i) in timely making inquiries with governmental entities regarding the Regulatory Filings, (ii) in determining if any Regulatory Filings are required by governmental entities, and (iii) in timely making all Regulatory Filings (except with respect to such jurisdictions where Fusion and MoneyLion agree that a Regulatory Filing is not required). If Fusion determines that it is required to make any Regulatory Filing or otherwise provide

information with respect to Fusion or any Fusion personnel or affiliates to a governmental entity in connection with any approval, then MoneyLion will, except as prohibited by applicable legal requirements (in which case MoneyLion will use commercially reasonable efforts to obtain any required permission to allow disclosure), provide upon Fusion's request relevant portions of all past filings and correspondence with governmental entities with respect to any Approvals related to such Regulatory Filing or information provision requirement that Fusion reasonably determines to be necessary to make a complete, accurate and timely Regulatory Filing or provision of information.

Fusion and MoneyLion have agreed not to willfully take any action that will have the effect of delaying, impairing or impeding in any material respect the receipt of any Regulatory Filings or any other required consents, authorizations, orders and approvals that, if not received, would have or would reasonably be expected to have, a material adverse impact on the business of the Group Companies, taken as a whole.

Proxy Solicitation

Fusion has agreed to, as promptly as practicable after this registration statement is declared effective (i) cause the proxy statement to be filed with the SEC as part of this registration statement (the "Proxy Statement") to be disseminated to its stockholders in compliance with applicable legal requirements, (ii) duly give notice of and convene and hold the Special Meeting in accordance with the Fusion organizational documents, which meeting shall be held not more than 20 business days after the date on which Fusion mails the Proxy Statement to its stockholders, and (iii) solicit proxies from the holders of Fusion Class A common stock to vote in favor of each of the stockholder matters, and to provide Fusion's stockholders with the opportunity to redeem shares of Fusion Class A common stock. Fusion has also agreed, through the Fusion Board, to recommend to its stockholders that they approve the proposals contained in this proxy statement/prospectus (the "Fusion board recommendation") and shall include the Fusion board recommendation in this proxy statement/prospectus, subject to the obligations described in this paragraph. The Fusion Board shall not (and no committee or subgroup thereof shall) withdraw, withhold, qualify or modify, or publicly propose to change, withdraw, withhold, qualify or modify, the Fusion board recommendation, unless the Fusion Board determines in good faith, after consultation with its legal counsel, that a failure to do so would reasonably be expected to constitute a breach by the Fusion Board of its fiduciary obligations to its stockholders. To the fullest extent permitted by applicable law, (x) Fusion's obligations to establish a record date for, duly call, give notice of, convene and hold the Special Meeting shall not be affected by any change in recommendation by the Fusion Board, (y) Fusion agrees to establish a record date for, duly call, give notice of, convene and hold the Special Meeting and submit for approval the proposals contained in this proxy statement/prospectus and (z) Fusion agrees that if the approvals of the proposals contained in this proxy statement/prospectus shall not have been obtained at any such Special Meeting, then Fusion shall promptly continue to take all such necessary actions, including the actions required by the Merger Agreement, and hold additional Special Meetings in order to obtain such approvals.

MoneyLion has agreed to use commercially reasonable efforts to solicit and obtain the written consent of the MoneyLion supporting stockholders within 24 hours following the effectiveness of this registration statement, or in the event it is not able to obtain such written consent of its stockholders, MoneyLion will convene a meeting of its stockholders for the sole purpose of voting on the approval of the Merger Agreement and the other agreements and the transactions contemplated thereby as soon as reasonably practicable after this registration statement is declared effective. If such meeting is convened, MoneyLion shall obtain the approval of the MoneyLion stockholders at such meeting and take all other action necessary or advisable to secure such approval as soon as reasonably practicable after this registration statement is declared effective.

No Solicitation

During the period from the date of the Merger Agreement and continuing until the earlier of the termination of the Merger Agreement pursuant to its terms or the Closing, MoneyLion has agreed not to, and shall cause its subsidiaries not to, and shall direct its employees, agents, officers, directors, representatives and advisors (collectively, "Representatives") not to, directly or indirectly:

- solicit, initiate, enter into or continue discussions, negotiations or transactions with, or encourage or respond to any inquiries or proposals by, or provide any information to, any person (other than Fusion and its agents, representatives, advisors) concerning any merger, sale of a majority of the ownership interests and/or assets of MoneyLion, recapitalization or similar transaction involving MoneyLion (each, a "MoneyLion Business Combination");

In addition, MoneyLion has agreed to, and to cause its subsidiaries to, and to cause their respective Representatives to, immediately cease any and all existing discussions or negotiations with any Person with respect to any MoneyLion Business Combination.

During the period from the date of the Merger Agreement and continuing until the earlier of the termination of the Merger Agreement pursuant to its terms or the Closing, Fusion and Merger Sub have agreed not to, and to direct their respective Representatives not to, directly or indirectly:

- solicit, initiate, enter into or continue discussions or transactions with, or encourage or respond to any inquiries or proposals by, or provide any information to, any person (other than MoneyLion, MoneyLion stockholders and their respective Representatives) concerning any merger, purchase of ownership interests or assets of or by Fusion, recapitalization or similar business combination transaction (each, a “Fusion Business Combination”);
- enter into any agreement regarding, continue or otherwise participate in any discussions or negotiations regarding, or cooperate in any way that would otherwise reasonably be expected to lead to a Fusion Business Combination; or

Fusion and Merger Sub have agreed to, and to cause their respective Representatives to, immediately cease any and all existing discussions or negotiations with any person with respect to any Fusion Business Combination.

Each of Fusion and MoneyLion have agreed to promptly (and in no event later than 24 hours after becoming aware of such inquiry, proposal, offer or submission) notify the other (and in the case of Fusion’s receipt of a Fusion Business Combination proposal, Fusion will also provide notice to MoneyLion) if it or, to its knowledge, any of its or its Representatives receives any inquiry, proposal, offer or submission with respect to a MoneyLion Business Combination or Fusion Business Combination, as applicable (including the identity of the Person making such inquiry or submitting such proposal, offer or submission), after the execution and delivery of the Merger Agreement.

If either Fusion or MoneyLion or its Representatives receives an inquiry, proposal, offer or submission with respect to a MoneyLion Business Combination or Fusion Business Combination, as applicable, such party shall provide the other with a copy of such inquiry, proposal, offer or submission (and in the case of Fusion’s receipt, Fusion will also provide copies to MoneyLion). Notwithstanding anything to the contrary, either Fusion or MoneyLion may respond to any unsolicited proposal regarding a MoneyLion Business Combination or Fusion Business Combination only indicating that such party has entered into a binding definitive agreement with respect to a business combination and is unable to provide any information related to such party or any of its subsidiaries or entertain any proposals or offers or engage in any negotiations or discussions concerning a MoneyLion Business Combination or Fusion Business Combination, as applicable.

The NYSE Listing

Through the Closing, Fusion has agreed to use commercially reasonable efforts to ensure Fusion remains listed as a public company on, and for shares of Fusion Class A common stock and public warrants to be listed on, the NYSE. Fusion has agreed to use commercially reasonable efforts to cause the New MoneyLion Class A common stock to be issued in connection with the Business Combination (including the Earn Out Shares) to be approved for listing on the NYSE.

Indemnification of Directors and Officers

Fusion has agreed that all rights to exculpation, indemnification and advancement of expenses now existing in favor of the current or former directors or officers, as the case may be, of any Group Company (each, together with such person’s heirs, executors or administrators, a “D&O Indemnified Party”), as provided in their respective

[Table of Contents](#)

organizational documents or in any indemnification agreement with any Group Companies will survive the Closing and continue in full force and effect for a period of six years from the Closing Date. For a period of six years from the Closing Date, New MoneyLion will cause the Group Companies to maintain in effect the exculpation, indemnification and advancement of expenses provisions of such Group Company's organizational documents as in effect immediately prior to the Closing Date or in any indemnification agreements of each Group Company with any D&O Indemnified Party as in effect immediately prior to the Closing Date.

New MoneyLion has agreed not to amend, repeal or otherwise modify any exculpation, indemnification or advancement of expenses provisions in any manner that would adversely affect the rights of any D&O Indemnified Party for a period of six years from the Closing Date, except that New MoneyLion will continue to honor the terms of the aforementioned provision in the event a legal proceeding was brought within the six year period.

Prior to the Closing, MoneyLion is required to purchase a so-called D&O tail insurance policy to cover the acts or omissions of the directors and officers of the Group Companies that may have occurred prior to the Effective Time (the "D&O Tail"). The D&O Tail that MoneyLion is required to purchase must be as good as, if not better, than the D&O insurance policy that was in effect prior to the Effective Date, and is required to maintain the D&O Tail for a period of six years following the Closing. If New MoneyLion enters into a separate merger or acquisition after the Business Combination, then New MoneyLion is required to ensure that the D&O Tail is maintained by the acquiring entity (or entity into which New MoneyLion is merging, if applicable) for the remainder of the six years.

Termination

Mutual Termination Rights

The Merger Agreement may be terminated and the transactions contemplated thereby abandoned:

- by mutual written agreement of Fusion and MoneyLion at any time;
- by either MoneyLion or Fusion if the Closing shall not have occurred by the date that is nine months following the date of the Merger Agreement; provided, however, a party may not terminate the Merger Agreement pursuant to this provision if such party's action or failure to act has been a principal cause of or resulted in the failure of the Closing to occur on or before the termination date and such action or failure to act constitutes a breach of the Merger Agreement;
- by either MoneyLion or Fusion if a governmental entity issues an order or takes any other action, which would permanently restrain, enjoin or otherwise prohibit the consummation of the Business Combination, if such action is final and nonappealable; or
- by either MoneyLion or Fusion, if, at the Special Meeting, the stockholder matters, other than the Adjournment Proposal, are not duly adopted by Fusion's stockholders by the requisite vote under the DGCL and Fusion's organizational documents.

Termination Rights of Fusion

The Merger Agreement may be terminated and the transactions contemplated thereby abandoned:

- prior to the Closing, by written notice to MoneyLion from Fusion if (i) there is any breach of any representation, warranty, covenant or agreement on the part of MoneyLion or if any representation or warranty of MoneyLion shall have become untrue, in either case such that the conditions to closing of Fusion would not be satisfied as of the time of such breach or as of the time such representation or warranty shall have become untrue, provided that if such breach is curable by MoneyLion prior to the Closing, then Fusion must first provide written notice of such breach and may not terminate the Merger Agreement until the earlier of (i) 30 days after delivery of written notice of the breach; and (ii) the Termination Date; provided, further that MoneyLion continues to exercise commercially reasonable efforts to cure such breach (it being understood that Fusion may not terminate the Merger Agreement pursuant to this provision if: (A) it has materially breached the Merger Agreement and such breach has not been cured or (B) if such breach by MoneyLion is cured during such 30-day period); or
- by Fusion if the approval of MoneyLion's stockholders is not obtained within 48 hours following the effectiveness of this registration statement;

Termination Rights of MoneyLion

The Merger Agreement may be terminated and the transactions contemplated thereby abandoned:

- prior to the Closing, by written notice to Fusion from MoneyLion if (i) there is any breach of any representation, warranty, covenant or agreement on the part of Fusion or Merger Sub or if any representation or warranty of Fusion or Merger Sub shall have become untrue, in either case such that the conditions to Closing of MoneyLion would not be satisfied as of the time of such breach or as of the time such representation or warranty shall have become untrue, provided that if such breach is curable by Fusion or Merger Sub prior to the Closing, then MoneyLion must first provide written notice of such breach and may not terminate the Merger Agreement until the earlier of (i) 30 days after delivery of written notice of the breach; and (ii) the Termination Date; provided, further that Fusion and Merger Sub continues to exercise commercially reasonable efforts to cure such breach (it being understood that MoneyLion may not terminate the Merger Agreement pursuant to this provision if: (A) it has materially breached the Merger Agreement and such breach has not been cured or (B) if such breach by Parent or Merger Sub is cured during such 30-day period).

Effect of Termination

If the Merger Agreement is validly terminated, the agreement will become void without any liability on the part of any of the parties unless a party willfully breaches or engages in actual and intentional fraud in the making of the representations and warranties in the Merger Agreement prior to such termination. The provisions of the Merger Agreement (i) requiring MoneyLion and Fusion to keep certain information confidential and cooperate with each other in the making of any public statements related to the Business Combination, (ii) whereby MoneyLion waived any right, title, interest or claim to the Trust Account, (iii) regarding notice and the effect of termination and (iv) certain other general provisions, along with the confidentiality agreement by and between Fusion and MoneyLion, shall in each case survive the termination of the Merger Agreement.

Amendment

The Merger Agreement may be amended by the parties at any time by execution of a document in writing that is signed by all the parties.

Specific Performance

The parties to the Merger Agreement agree that they shall be entitled to seek an injunction, specific performance and other equitable relief to prevent breaches of the Merger Agreement and to enforce specifically the terms of provisions thereof prior to valid termination of the Merger Agreement.

ANCILLARY AGREEMENTS RELATED TO THE BUSINESS COMBINATION

Sponsor Support Agreement

In connection with the execution of the Merger Agreement, the Sponsor entered into a support agreement (the “Sponsor Support Agreement”) with Fusion, MoneyLion and Fusion’s directors and officers, pursuant to which the Sponsor agreed, among other things, to vote all shares of Subject Securities (as defined in the Sponsor Support Agreement), and take certain other actions in support of the Business Combination. In addition, Fusion, the Sponsor and Fusion’s directors and officers agreed to amend that certain letter agreement, dated as of June 25, 2020, so that the Lock-Up Period (as defined in the Sponsor Support Agreement) applicable to the Subject Securities (other than any private placement warrants) held by the Sponsor will end on the earlier of (a) 180 days after the Closing Date and (b) the date on which the closing price of the shares of New MoneyLion Class A common stock is equal to or greater than \$12.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any 20 trading days within any 30-trading day period; provided that, for purposes of this clause (b), the measurement period for determining the closing price of the share of New MoneyLion Class A common stock shall commence no earlier than 60 days following the Closing Date.

MoneyLion Support Agreements

In connection with and following the execution of the Merger Agreement, Fusion entered into support agreements with certain MoneyLion stockholders (the “MoneyLion Support Agreements”), pursuant to which such MoneyLion stockholders agreed, among other things, to vote (whether pursuant to a duly convened meeting of MoneyLion’s stockholders or pursuant to an action by written consent) in favor of the adoption and approval of the Business Combination and any of the documents and transactions contemplated by the Merger Agreement thereto following the time at which the registration statement to which this proxy statement/prospectus forms a part shall have been declared effective under the Securities Act and delivered or otherwise made available to the MoneyLion stockholders.

Registration Rights Agreement

At the Closing, New MoneyLion will enter into a registration rights agreement (the “Registration Rights Agreement”) with the Sponsor and certain former stockholders of New MoneyLion with respect to the shares of New MoneyLion Class A common stock that will be issued and outstanding following the Business Combination. The Registration Rights Agreement will replace the registration rights agreement that Fusion, the Sponsor and Fusions’ directors and officers entered into in connection with Fusion’s initial public offering and will require New MoneyLion to, among other things, file a resale shelf registration statement on behalf of such stockholders promptly after the Closing. The Registration Rights Agreement will also provide certain demand rights and piggyback rights to such stockholders, subject to customary underwriter cutbacks and issuer blackout periods. New MoneyLion will agree to pay certain fees and expenses relating to registrations under the Registration Rights Agreement.

Subscription Agreements

Fusion entered into the Subscription Agreements with the PIPE Investors, pursuant to which the PIPE Investors have agreed to purchase immediately prior to the Closing an aggregate of 25,000,000 shares of Fusion Class A common stock at a purchase price of \$10.00 per share. In connection with the Closing, all of the issued and outstanding shares of Fusion Class A common stock, including the shares of Fusion Class A common stock issued to the PIPE Investors, will be exchanged, on a one-for-one basis, for shares of New MoneyLion common stock.

Management Equity Incentive Plan

At the Closing, New MoneyLion will adopt a management incentive plan (the “Incentive Plan”) pursuant to which New MoneyLion will make grants to eligible individuals in amounts determined by the board of directors of New MoneyLion. The Incentive Plan will be effective upon the closing of the Business Transaction. Following the closing, and upon effectiveness of a registration statement on Form S-8 registering shares of New MoneyLion under the Incentive Plan, New MoneyLion will grant restricted stock units to certain members of management that will vest ratably over four years and will have other customary terms and conditions for restricted stock units. For a more fulsome description of the Incentive Plan, please see the “Incentive Plan Proposal” below.

Lock-Up

The Proposed Bylaws contain certain restrictions on transfer with respect to holders of (i) of any share of New MoneyLion Class A common stock that was received as consideration in connection with the Business Combination by holders of MoneyLion common stock (including, for the avoidance of doubt, any Earn Out Shares issued during the Lockup Period (as defined below)), (ii) stock options, other equity awards or warrants in respect of shares of New MoneyLion, in each case received pursuant to the Merger Agreement and outstanding as of immediately following the Closing (“ML Equity”) or (iii) shares of New MoneyLion Class A common stock underlying ML Equity (collectively, the “Lockup Securities”). Such restrictions begin at the Effective Time and end on the date that is the earlier of (a) 180 days after the Closing Date and (b) the date on which the closing price of the shares of Class A common stock of New MoneyLion is equal to or greater than \$12.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any 20 trading days within any 30-trading day period (provided that, for purposes of this clause (b), the measurement period for determining the closing price of the share of New MoneyLion Class A common stock shall commence no earlier than 60 days following the Closing Date) (the “Lockup Period”). Following the expiration of such lock-up, holders of Lockup Securities will not be restricted from selling Lockup Securities held by them, other than by applicable securities laws.

THE CHARTER PROPOSAL

Overview

In connection with the Business Combination, Fusion is asking its stockholders to approve the adoption of the Proposed Charter, in the form attached hereto as [Annex B](#). If the Business Combination and the Charter Proposal are approved, the Proposed Charter would replace the Current Charter.

Comparison of Current Charter to Proposed Charter

The following is a summary of the key changes effected by the Proposed Charter relative to the Current Charter, as well as the Fusion Board's reasons for approval of the Charter Proposal. This summary is qualified in its entirety by reference to the full text of the Proposed Charter, a copy of which is included as [Annex B](#).

- ***Change the post-combination company's name to MoneyLion Inc.*** Currently, Fusion's name is Fusion Acquisition Corp. If the Charter Proposal is approved, Fusion's name will be changed to MoneyLion Inc. Our board of directors believes the name of the post-combination company should more closely align with the name of the post-Business Combination operating business and therefore has proposed this name change. In addition, our board of directors believes that having the MoneyLion Inc. name as our own going forward will strengthen our reputation, brand and, as a result, stockholder value.
- ***Removal of blank check company provisions.*** Our board of directors has determined that it is in the best interest of Fusion to eliminate provisions of our Current Charter that are specific to our status as a blank check company. Removal of these provisions is desirable because these provisions will serve no purpose following consummation of the Business Combination, and many of these provisions cease to apply upon the consummation of Fusion's initial business combination. For example, these proposed amendments remove the prohibition on Fusion entering into an initial Business Combination with another blank check company or a similar company with nominal operations. In addition, certain other provisions in our Current Charter require that proceeds from Fusion's initial public offering be held in the Trust Account until a business combination or liquidation of merger has occurred.
- ***Change stock classes and total number of authorized shares of common stock to [•] shares*** Our Current Charter authorizes the issuance of 380,000,000 shares of Fusion Class A common stock and 20,000,000 shares of Fusion Class B common stock. The Proposed Charter authorizes the issuance of [•] shares of New MoneyLion Class A common stock. As part of the transactions contemplated by the Merger Agreement, all shares of Fusion Class B common stock shall be automatically converted on a one-for-one basis into shares of Fusion Class A common stock, and all shares of Fusion Class A common stock shall become shares of New MoneyLion Class A common stock under the Proposed Charter. Our board of directors determined that there was no longer a need to continue with two series of common stock and, therefore, the Proposed Charter eliminates the dual classes of our common stock as described above. The Proposed Charter also provides adequate authorized capital and flexibility for future issuances of common stock if determined by the board of directors of New MoneyLion to be in the best interests of the post-combination company, without incurring the risk, delay and potential expense incident to obtaining stockholder approval for a particular issuance.
- ***Change stockholder vote required to 66% in voting power of then outstanding shares of New MoneyLion Class A common stock to (1) alter, amend or repeal the bylaws, (2) remove a director and (3) amend, alter or repeal certain provisions of the Proposed Charter.*** Our Current Charter requires the affirmative vote of holders of at least a majority of the voting power of outstanding shares for stockholders to adopt, amend, alter or repeal the Bylaws and the Current Charter and to remove a director from office. The Proposed Charter will require an affirmative supermajority vote of the outstanding shares for the stockholders to amend, alter or repeal the Bylaws, to remove a director from office, and to amend certain provisions of the Proposed Charter. Our board of directors believes that this change protects such provisions from arbitrary amendment and prevents a simple majority of stockholders from taking actions that may be harmful to the majority of our stockholders.

- ***Provide that stockholders may not take action by written consent.*** The Current Charter permits only holders of Class B common stock to take action by written consent in lieu of taking action at a meeting of stockholders. The Proposed Charter instead prohibits stockholder action by written consent by specifying that any action required or permitted to be taken by stockholders must be effected by a duly called annual or special meeting and may not be effected by written consent of stockholders without a meeting. Our board of directors determined that upon the elimination of separate classes of stock and the conversion of the all Class B common stock to Class A common stock, there was no longer a need for a provision applicable to the Class B common stock held by our Sponsor. In addition, our board of directors believes that prohibiting stockholder action by written consent is a prudent corporate governance measure to reduce the possibility that a block of stockholders could take corporate actions without the benefit of a stockholder meeting to consider important corporate issues.

Vote Required for Approval

The Charter Proposal is conditioned on the approval of the Business Combination Proposal and the other condition precedent proposals. Therefore, if the Business Combination Proposal is not approved, the Charter Proposal will have no effect, even if approved by the Fusion Stockholders. Approval of the Charter Proposal requires the affirmative vote of a majority of the outstanding Fusion Shares, voting together as a single class. Abstentions and broker non-votes have the same effect as a vote “AGAINST” the proposal.

Recommendation of Fusion Board

THE FUSION BOARD UNANIMOUSLY RECOMMENDS THAT FUSION STOCKHOLDERS VOTE “FOR” THE APPROVAL OF THE CHARTER PROPOSAL.

The existence of financial and personal interests of one or more of Fusion’s directors may result in a conflict of interest on the part of such director(s) between what they may believe is in the best interests of Fusion and its stockholders and what they may believe is best for himself or themselves in determining to recommend that stockholders vote for the proposals. See the section entitled “*The Business Combination Proposal — Interests of Fusion’s Directors and Officers in the Business Combination*” for a further discussion.

THE ADVISORY CHARTER PROPOSALS

Overview

In connection with the Business Combination, Fusion is asking its stockholders to vote upon, on a non-binding advisory basis, proposals to approve certain governance provisions contained in the Proposed Charter. This separate vote is not otherwise required by Delaware law separate and apart from the Charter Proposal but, pursuant to SEC guidance, Fusion is required to submit these provisions to its stockholders separately for approval, allowing stockholders the opportunity to present their separate views on important governance provisions. However, the stockholder votes regarding these proposals are advisory votes, and are not binding on Fusion or the Fusion Board (separate and apart from the approval of the Charter Proposal). In the judgment of the Fusion Board, these provisions are necessary to adequately address the needs of the post-Business Combination company. Furthermore, the Business Combination is not conditioned on the separate approval of the Advisory Charter Proposals (separate and apart from approval of the Charter Proposal).

Advisory Charter Proposals

Advisory Charter Proposal	Current Charter	Proposed Charter
<i>Advisory Charter Proposal A — Changes in Capital Stock</i>	The Current Charter authorizes 401,000,000 shares of capital stock, consisting of 380,000,000 shares of Fusion Class A common stock and 20,000,000 shares of Fusion Class B common stock, and 1,000,000 shares of preferred stock.	The Proposed Charter would authorize shares of capital stock, consisting of shares of New MoneyLion Class A common stock and shares of preferred stock.
<i>Advisory Charter Proposal B — Director Removal</i>	The Current Charter provides that any or all of the directors may be removed from office at any time, but only for cause and only by the affirmative vote of holders of a majority of the voting power of all then outstanding shares of Fusion capital stock entitled to vote generally in the election of directors, voting together as a single class.	The Proposed Charter would provide that no director may be removed from office by the stockholders except for cause with the affirmative vote of the holders of at least 66⅔% of the voting power of the outstanding shares of stock of New MoneyLion entitled to vote on the election of such director, voting together as a single class.
<i>Advisory Charter Proposal C — Vote Required to Amend Certain Provisions of the Proposed Charter</i>	The Current Charter requires the affirmative vote of holders of at least a majority of the voting power of outstanding shares to adopt, amend, alter or repeal the Current Charter and Fusion’s bylaws.	The Proposed Charter would require the approval by affirmative vote of the holders of at least 66⅔% in voting power of the then outstanding shares of common stock of New MoneyLion to amend certain provisions of the Proposed Charter as follows: Article 4, Section 4(B), which addresses the voting rights of holders of MoneyLion Class A common stock and holders of MoneyLion preferred stock; Article 5, which addresses requirements relating to the amendment of our Bylaws; Article 6, which addresses the number, election, terms and removal of the classified board structure and any directors thereof; Article 7, which addresses the conduct of our annual meetings and special meetings, the requirement that special meetings be called only by

Advisory Charter Proposal	Current Charter	Proposed Charter
		the New MoneyLion Board; and the requirement that stockholders take action at a meeting rather than by written consent; and Article 9, which addresses requirements to amend, alter, change or repeal certain provisions of the Proposed Charter.
<i>Advisory Charter Proposal D — Vote Required to Amend Proposed Bylaws</i>	Our Current Charter requires the affirmative vote of holders of at least a majority of the voting power of outstanding shares to adopt, amend, alter or repeal the bylaws.	The Proposed Charter would require the approval by affirmative vote of the holders of at least 66% of the common stock of New MoneyLion to adopt, amend, alter or repeal the bylaws.
<i>Advisory Charter Proposal E — Stockholder Action by Written Consent</i>	The Current Charter permits only holders of Class B common stock to take action by written consent in lieu of taking action at a meeting of stockholders.	The Proposed Charter would prohibit stockholder action by written consent by specifying that any action required or permitted to be taken by stockholders must be effected by a duly called annual or special meeting and may not be effected by written consent.
<i>Advisory Charter Proposal F — Changes in Connection with Adoption of the Proposed Charter</i>	The Current Charter contains various provisions applicable only to blank check companies.	The Proposed Charter would (i) change the post-business combination company’s corporate name from “Fusion Acquisition Corp.” to “MoneyLion Inc.” and making the Company’s corporate existence perpetual and (ii) remove certain provisions related to our status as a blank check company that will no longer apply upon consummation of the business combination.

Reasons for Approval of the Advisory Charter Proposals

Advisory Charter Proposal A — Change in Capital Stock

Our board of directors determined that there was no longer a need to continue with two series of common stock and, therefore, the Proposed Charter eliminates the dual classes of our common stock as described above. The Proposed Charter also provides adequate authorized capital and flexibility for future issuances of common stock if determined by the board of directors of New MoneyLion to be in the best interests of the post-combination company, without incurring the risk, delay and potential expense incident to obtaining stockholder approval for a particular issuance.

The authorized but undesignated preferred stock will allow the post-combination company to discourage unsolicited and hostile attempts to obtain control by means of a merger, tender offer, proxy contest or otherwise without incurring the risk, delay and potential expense incident to obtaining stockholder approval to amend the certificate of incorporation to authorize preferred stock or other defensive measures at the time of an unsolicited and hostile attempt to obtain control. As a result of this amendment, New MoneyLion’s board of directors will have the authority, without further action by the holders of common stock, to issue up to _____ shares of preferred stock in one or more series, and to establish the number of shares to be included in each such series and to fix the rights and preferences, including voting rights, designated from time to time by the board of directors.

Advisory Charter Proposal B — Director Removal

Our board believes that supermajority voting requirements are appropriate at this time to protect all stockholders against the potential self-interested actions by one or a few large stockholders. Our board believes that, going forward, a supermajority voting requirement encourages the person seeking control of New MoneyLion to negotiate with the board of directors to reach terms that are appropriate for all stockholders.

Advisory Charter Proposal C — Vote Required to Amend Certain Provisions of the Proposed Charter

Our board of directors believes that this change protects such provisions from arbitrary amendment and prevents a simple majority of stockholders from taking actions that may be harmful to the majority of our stockholders or making changes to provisions that are intended to protect all stockholders.

Advisory Charter Proposal D — Vote Required to Amend the Proposed Bylaws

Our board of directors believes that this change protects such provisions from arbitrary amendment and prevents a simple majority of stockholders from taking actions that may be harmful to the majority of our stockholders or making changes to provisions that are intended to protect all stockholders.

Advisory Charter Proposal E — Stockholder Action by Written Consent

Our board of directors determined that upon the elimination of separate classes of stock and the conversion of the all Class B common stock to Class A common stock, there was no longer a need for a provision applicable to the Class B common stock held by our Sponsor. In addition, our board of directors believes that prohibiting stockholder action by written consent is a prudent corporate governance measure to reduce the possibility that a block of stockholders could take corporate actions without the benefit of a stockholder meeting to consider important corporate issues.

Advisory Charter Proposal F — Changes in Connection with Adoption of the Proposed Charter

Our board of directors believes that changing the post-business combination corporate name from “Fusion Acquisition Corp.” to “MoneyLion Inc.” and making the post-business combination company’s corporate existence perpetual is desirable to reflect the Business Combination with MoneyLion and to clearly identify the post-business combination company as the publicly traded entity. Additionally, perpetual existence is the usual period of existence for corporations, and our board of directors believes that it is the most appropriate period for New MoneyLion following the Business Combination.

Furthermore, our board of directors has determined it is in the best interest of Fusion to eliminate provisions specific to our status as a blank check company. This deletion is desirable because these provisions will serve no purpose following consummation of the business combination. For example, these proposed amendments remove the requirement to dissolve Fusion and allow us to continue as a corporate entity with perpetual existence following consummation of the business combination. Perpetual existence is the usual period of existence for corporations, and our board of directors believes it is the most appropriate period for the Company.

Vote Required for Approval

Approval of each of the Advisory Charter Proposals, each of which is a non-binding vote, requires the affirmative vote of a majority of the votes cast by Fusion Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. Abstentions and broker non-votes have no effect on the outcome of the proposal.

Recommendation of Fusion Board

THE FUSION BOARD UNANIMOUSLY RECOMMENDS THAT FUSION STOCKHOLDERS VOTE “FOR” THE APPROVAL OF EACH OF THE ADVISORY CHARTER PROPOSALS.

The existence of financial and personal interests of one or more of Fusion’s directors may result in a conflict of interest on the part of such director(s) between what they may believe is in the best interests of Fusion and its stockholders and what they may believe is best for himself or themselves in determining to recommend that stockholders vote for the proposals. See the section entitled “*The Business Combination Proposal — Interests of Fusion’s Directors and Officers in the Business Combination*” for a further discussion.

THE STOCK ISSUANCE PROPOSAL

In connection with the Business Combination, we intend to effect the issuance of shares of New MoneyLion Class A common stock to the stockholders of MoneyLion pursuant to the Merger Agreement.

Why Fusion Needs Stockholder Approval

We are seeking stockholder approval in order to comply with Rule 312.03 of the NYSE Listed Company Manual.

Under Rule 312.03 of the NYSE Listed Company Manual, stockholder approval is required prior to the issuance of shares of common stock in certain circumstances, including if the number of shares of common stock to be issued is, or will be upon issuance, equal to or in excess of 20% of the number of shares of common stock outstanding before the issuance. The maximum aggregate number of shares of Fusion Class A common stock issuable pursuant to the Merger Agreement and the Subscription Agreements will represent greater than 20% of the number of shares of Fusion Class A common stock before such issuance and could result in a change of control of Fusion. As a result, stockholder approval of the issuance of shares Fusion Class A common stock issuable pursuant to the Merger Agreement is required under the NYSE regulations.

Vote Required for Approval

If the Business Combination Proposal is not approved, the Stock Issuance Proposal will not be presented at the Special Meeting. The approval of the Stock Issuance Proposal requires the majority of the votes cast by the Fusion Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting.

Failure to submit a proxy at the Special Meeting or a broker nonvote will have no effect on the Stock Issuance Proposal. However, the NYSE considers abstentions as “votes cast” and, therefore, abstentions will have the same effect as votes “**AGAINST**” this proposal.

The Business Combination is conditioned upon the approval of the Stock Issuance Proposal, subject to the terms of the Merger Agreement. Notwithstanding the approval of the Stock Issuance Proposal, if the Business Combination is not consummated for any reason, the actions contemplated by the Stock Issuance Proposal will not be effected.

Fusion’s Sponsor has agreed to vote the founder shares and any public shares owned by them in favor of the Stock Issuance Proposal. See “*Other Agreements — Sponsor Agreement*” for more information.

Recommendation of the Fusion Board

THE FUSION BOARD UNANIMOUSLY RECOMMENDS THAT ITS STOCKHOLDERS VOTE “FOR” THE STOCK ISSUANCE PROPOSAL.

The existence of financial and personal interests of one or more of Fusion’s directors may result in a conflict of interest on the part of such director(s) between what they may believe is in the best interests of Fusion and its stockholders and what they may believe is best for himself or themselves in determining to recommend that stockholders vote for the proposals. See the section entitled “*The Business Combination Proposal — Interests of Fusion’s Directors and Officers in the Business Combination*” for a further discussion.

THE INCENTIVE PLAN PROPOSAL

Overview

Assuming that the business combination is approved, our shareholders are also being asked to approve and adopt the MoneyLion Inc. Omnibus Incentive Plan (the “Incentive Plan”). In designing the Incentive Plan, the anticipated future equity needs were considered and the number of shares of Class A common stock that may be subject to awards granted under the Incentive Plan was determined to be [\bullet]⁵ and up to [\bullet]⁶ shares of Class A common stock subject to outstanding prior awards. Our board of directors has approved the Incentive Plan, subject to receiving shareholder approval. A summary of the principal features of the Incentive Plan is provided below. This summary does not purport to be complete and is subject to, and qualified in its entirety by, the complete text of the Incentive Plan. A copy of the Incentive Plan has been filed with the SEC with this S-4 as Appendix [\bullet]. If the Business Combination closes and the Plan is approved by our shareholders, the Incentive Plan will be administered by the compensation committee or the board of directors, as applicable (the “Committee”), which will have the authority to make awards under the Incentive Plan.

If the Incentive Plan is not approved by shareholders, we will be unable to make equity grants to our employees, consultants and directors, and therefore we will be at a significant competitive disadvantage in attracting, retaining and motivating talented individuals who contribute to our success.

Considerations for the Approval of the Incentive Plan

The Incentive Plan incorporates corporate governance best practices to align our equity compensation program with the interests of our shareholders. Certain of the corporate governance best practices included in our Incentive Plan are as follows:

- *Restricted dividends on awards.* The Incentive Plan prohibits the payment of dividends in respect of an award (other than awards of restricted stock) prior to the time such award (or the applicable portion thereof) vests (and, in the case of performance awards, the applicable performance condition is achieved).
- *No repricings.* Repricing of stock options and stock appreciation rights (“SARs”) is not permitted without shareholder approval, except for adjustments with respect to certain specified extraordinary corporate transactions.
- *No “liberal” change in control definition.* The change in control definition under the Incentive Plan is only triggered in those instances where an actual change in control occurs, such as a 50% or greater change in beneficial ownership (see “Change in Control,” below).
- *Clawback of awards.* The Incentive Plan provides that awards granted thereunder are subject to any clawback or recoupment policies that we have in effect from time to time.

Summary of the Incentive Plan

Purpose

The purpose of the Incentive Plan is to enable us to offer our employees, directors and other individual service providers long-term equity-based incentives, thereby attracting, retaining and rewarding such individuals, and strengthening the mutuality of interests between such individuals and our shareholders.

Eligibility

Our employees, non-employee directors, individual consultants, advisors and other service providers are eligible to receive awards under the Incentive Plan based on the Committee’s determination, in its sole discretion, that an award to such individual will further the Incentive Plan’s stated purpose (as described above). Awards of incentive stock options will be limited to our employees or employees of certain of our affiliates. As of [date], there are approximately [\bullet] employees and [\bullet] individual consultants, directors, advisors and other service providers eligible to receive awards under the Incentive Plan.

⁵To be equal to 9% of the actual number of Class A common shares outstanding as of the Closing (taking into account redemptions by Fusion stockholders).

⁶ In respect of the options that are rolling into Fusion options at the Effective Time.

Authorized Shares

Subject to adjustment (as described below), the number of shares of Class A common stock that may be subject to awards granted under the Incentive Plan is [\bullet]⁷ and up to [\bullet]⁸ shares of Class A common stock subject to outstanding prior awards. No less than [\bullet]⁹ shares of such Class A Common Stock will be available for grants pursuant to awards of restricted stock and restricted stock units, as described below. The number of shares of Class A common stock that may be subject to incentive stock options granted under the Incentive Plan is [\bullet].¹⁰ The number of shares of our common stock reserved for issuance under the Incentive Plan will automatically increase on each of January 1, 2022 (assuming the Incentive Plan becomes effective in 2021) and January 1, 2023, by the least of (i) 2% of the total number of shares of all classes of our common stock outstanding on December 31 of the immediately preceding calendar year or (ii) such smaller number of shares of our common stock as determined by the Committee in its discretion. If an award expires or is canceled or forfeited, or is otherwise settled without the issuance of shares, the shares covered by the award will again be available for issuance under the Incentive Plan. Shares tendered or withheld to pay or satisfy the exercise price of a stock option or SAR or to pay taxes in respect of any stock option or SAR, will again be available for issuance under the Incentive Plan. Shares underlying replacement awards (*i.e.*, awards granted as replacements for awards granted by a company that we acquire or with which we combine) will not reduce the number of shares available for issuance under the Incentive plan. The Incentive Plan limits non-employee director compensation, including cash fees and incentive equity awards (based on their grant-date fair value), to a maximum of (i) \$1,000,000 during the initial annual period following a non-employee director's appointment or election to the board of directors and (ii) \$750,000 per each subsequent calendar year, in each case, in respect of their service as non-employee directors. The limitation on non-employee director compensation applies beginning the first calendar year following the effective date of the Incentive Plan.

Administration

The Incentive Plan is administered by the Committee. The Committee (or its delegate) has authority under the Incentive Plan to:

- designate participants;
- determine the types of awards to grant, the number of shares to be covered by awards, the terms and conditions of awards, the circumstances under which awards may be canceled, forfeited or suspended, and whether awards may be deferred;
- amend the terms of any outstanding awards;
- correct any defect, supply any omission or reconcile any inconsistency in the Incentive Plan or any award agreement, in the manner and to the extent it shall deem desirable to carry the Incentive Plan into effect;
- interpret and administer the Incentive Plan and any instrument or agreement relating to, or award made under, the Incentive Plan; and
- make any other determination and take any other action that it deems necessary or desirable to administer the Incentive Plan, in each case, as it deems appropriate for the proper administration of the Incentive Plan and compliance with applicable law, stock market or exchange rules and regulations or accounting or tax rules and regulations.

The Committee may delegate some or all of its authority under the Incentive Plan, to the extent permitted by applicable law, to (i) one or more of our officers (except that such delegation will not be applicable to grant awards to a person then covered by Section 16 of the Securities Exchange Act of 1934 (the "Exchange Act")) and (ii) one or more committees of the board of directors.

⁷To be equal to 9% of the actual number of Class A common shares outstanding as of the Closing (taking into account redemptions by Fusion stockholders).

⁸ In respect of the options that are rolling into Fusion options at the Effective Time.

⁹To be equal to 5% of the actual number of Class A common shares outstanding as of the Closing (taking into account redemptions by Fusion stockholders).

¹⁰ To be equal to 9% of the actual number of Class A common shares outstanding as of the Closing (taking into account redemptions by Fusion stockholders).

Establishment of Sub-plans

The Committee has the authority to establish one or more sub-plans under the Incentive Plan to facilitate the local administration of the Incentive Plan in any jurisdiction in which we and our affiliates operate and to conform the Incentive Plan to the legal requirements of any such jurisdiction or to allow for favorable tax treatment under any applicable provision of tax law. The Committee may establish such sub-plans by adopting supplements setting forth (i) such limitations on the committee's discretion under the Incentive Plan as the Committee deems necessary or desirable and (ii) such additional terms and conditions not otherwise inconsistent with the Incentive Plan as the Committee deems necessary or desirable. All sub-plans adopted by the Committee will be deemed to be part of the Incentive Plan, but each such sub-plan will only apply to participants within the affected jurisdiction.

Types of Awards

The Incentive Plan provides for grants of stock options (both nonqualified and incentive stock options), SARs, restricted stock, restricted stock units, performance awards and other cash-based and other stock-based awards. Any award may be granted alone or in tandem with other awards, and may be granted in addition to, or in substitution for, other types of awards.

Stock Options. A stock option is a contractual right to purchase shares at a future date at a specified exercise price. The per share exercise price of a stock option will be determined by the Committee and may not be less than the fair market value of a share of our common stock on the grant date. The Committee will determine the date after which each stock option may be exercised, the method and form by which each option is to be exercised, and the expiration date of each option, provided that no option will be exercisable more than ten years after the grant date. Options intended to be incentive stock options under Section 422 of the Code may not be granted to any person who is not an employee of us or of any parent or subsidiary, as defined in Section 424 of the Code. There have not yet been any options granted under the Incentive Plan, and so there are no options currently outstanding under the Incentive Plan.

Stock Appreciation Rights. Stock appreciation rights (SARs) represent a contractual right to receive, in cash or shares, an amount equal to the appreciation of one share from the grant date. The terms and conditions applicable to stock options also apply to SARs.

Restricted Stock. Restricted stock is an award of shares that are subject to restrictions on transfer and a substantial risk of forfeiture. Recipients of restricted stock generally have the rights and privileges of a shareholder, including the right to vote such shares of restricted stock and to receive dividends.

Restricted Stock Units. A restricted stock unit award is a right to receive a specified number of shares of our common stock (or the fair market value thereof in cash, other property or any combination thereof, as determined by the Committee), subject to the expiration of a specified restriction period and/or the achievement of any performance measures selected by the Committee, consistent with the terms of the Incentive Plan. The restricted stock unit award agreement will specify whether the award recipient is entitled to receive dividend equivalents with respect to the number of shares of our common stock subject to the award. Prior to the settlement of a restricted stock unit award in our common stock, the award recipient will have no rights or privileges as a shareholder of us with respect to our common stock subject to the award.

Performance Awards. Performance awards, which may be denominated in cash, shares or units (including restricted stock units) (or a combination thereof), will be earned on the satisfaction of performance goals specified by the Committee. With respect to any performance award that becomes settled in our common stock upon achievement or satisfaction of the applicable performance conditions, prior to such settlement the award recipient will have no rights or privileges as a shareholder of us with respect to our common stock subject to the award.

Other Cash-Based and Other Stock-Based Awards. The Committee is authorized to grant other cash-based and other stock-based awards that are payable in cash or our common stock (or a combination thereof) and may be granted either independently or as an element of or supplement to any other award under the Incentive Plan. Other stock-based awards are valued in whole or in part by reference to our common stock, including restricted stock units, phantom stock and similar units.

Dividends and Dividend Equivalents

Other than with respect to awards of restricted stock, awards granted under the Incentive Plan may not provide for any dividend to be payable to the participant in respect of such award prior to the time such award (or the applicable portion thereof) vests (and, in the case of performance awards, the applicable performance condition is achieved). The Committee may, in its discretion, provide for dividend equivalents on awards of restricted stock units.

Adjustments

In the event the Committee determines that, as a result of any dividend or other distribution (other than an ordinary dividend or distribution), recapitalization, stock split, reverse stock split, reorganization, merger, amalgamation, consolidation, separation, rights offering, split-up, spin-off, combination, repurchase or exchange of shares of our Class A common stock or other securities, or other similar corporate transaction or event affecting our Class A common stock or of changes in applicable laws, regulations or accounting principles, an adjustment is necessary to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Incentive Plan, the Committee will adjust equitably any or all of: (i) the number and type of shares or other securities that thereafter may be made the subject of awards, including the aggregate limit under the Incentive Plan; (ii) the number and type of shares or other securities subject to outstanding awards; (iii) the grant, purchase, exercise or hurdle price for any award or, if deemed appropriate, make provision for a cash payment to the holder of an outstanding award; and (iv) the terms and conditions of any outstanding awards, including the performance criteria of any performance awards.

Change in Control

In the event of a “change in control” (as described below and as defined in the Incentive Plan), except as otherwise provided in the applicable award agreement, the Committee may provide for:

- continuation or assumption of outstanding awards under the Incentive Plan by us (if we are the surviving corporation) or by the successor or surviving corporation or its parent;
- substitution or replacement of any outstanding award by the successor or surviving entity or its parent for a cash payment, securities, rights or other property to be paid or issued, as the case may be, by the successor or surviving entity (or a parent or subsidiary thereof);
- acceleration of the vesting (including the lapse of any restriction) and exercisability of outstanding awards, in each case, either (i) immediately prior to or as of the date of the change in control, (ii) upon a participant’s involuntary termination of service on or within a specified period following the change in control, or (iii) upon the failure of the successor or surviving corporation (or its parent) to continue or assume such outstanding awards;
- in the case of a performance award, determination of the level of attainment of the applicable performance conditions; and
- cancellation of outstanding awards under the Incentive Plan in consideration of a payment, with the form, amount and timing of such payment to be determined by the Committee in its sole discretion, provided that (i) such payment is made in cash, securities, rights and/or other property, (ii) the amount of such payment equals the value of the award, as determined by the Committee in its sole discretion (provided that the Committee may cancel out-of-the-money options or SARs for no consideration) and (iii) such payment will be made promptly following the change in control, in compliance with Section 409A of the Code.

A “change in control” under the Incentive Plan generally means (i) the acquisition of 50% or more of our Class A common stock or combined voting power of voting securities; (ii) a change in the composition of our board of directors such that, during any 12-month period, the individuals who as of the beginning of such period constitute our board of directors cease for any reason to constitute at least 50% of our board of directors (provided that any individual becoming a member of our board of directors after the beginning of such 12-month period whose election or nomination for election by our shareholders was approved by a vote of at least a majority of the directors immediately prior to the date of such appointment or election will be considered as though such individual were a member of our board of directors at the beginning of such 12-month period); (iii) our merger or consolidation with

[Table of Contents](#)

another entity after which our voting securities outstanding immediately prior to such transaction do not continue to represent 50% or more of the total voting power of our stock or of the surviving entity or parent entity thereof (if we are not the surviving entity in such merger or consolidation); or (iv) a disposition of all or substantially all of our assets.

Amendment and Termination

Our board of directors may amend, modify, suspend, discontinue or terminate the Incentive Plan (or any portion thereof) at any time. However, no such action may, without the consent of the participant, materially adversely affect the rights of such participant under any award previously granted (other than to apply with applicable law or to impose any clawback or recoupment provisions on any awards). Additionally, no such action may be made without our shareholder approval, if such approval is required by applicable law or by the rules of the stock market or exchange on which our common shares are principally quoted or traded (including the NYSE). No award may be granted pursuant to the Incentive Plan after the tenth anniversary of the date on which the Incentive Plan was approved by our shareholders.

Prohibition on Repricing

Subject to the adjustment provision described above, the Committee may not directly or indirectly, through cancellation or re-grant or any other method, reduce, or have the effect of reducing, the exercise or hurdle price of any award established at the time of grant without approval of our shareholders.

Cancellation or “Clawback” of Awards

The Committee may, to the extent permitted by applicable law and stock exchange rules or by any of our policies (including any recoupment policy we may adopt from time to time or pursuant to the recoupment provisions in any award agreement), cancel or require reimbursement of any awards granted, shares issued or cash received upon the vesting, exercise or settlement of any awards granted under the Incentive Plan or the sale of shares underlying such awards.

Term

The Incentive Plan expires ten years after the date on which the Business Combination is consummated, unless earlier terminated (x) upon the maximum number of shares of common stock available for issuance under the Incentive Plan having been issued or (y) by the board of directors at its discretion (and in accordance with the terms of the Incentive Plan).

U.S. Federal Income Tax Consequences of Equity Awards

The following is a general summary under current law of certain United States federal income tax consequences to us and participants who are citizens or individual residents of the United States relating to awards granted under the Incentive Plan. This summary deals with the general tax principles that apply to such awards and is provided only for general information. Certain kinds of taxes, such as foreign taxes, state and local income taxes, payroll taxes and the alternative minimum tax, are not discussed. This summary is not tax advice and it does not discuss all aspects of federal taxation that may be relevant to us and participants. Accordingly, we urge each participant to consult his or her own tax advisor as to the specific tax consequences of participation in the Incentive Plan under federal, state, local and other applicable laws. In addition, we may be subject to limits on tax deductibility relating to compensation described herein under certain statutory provisions, including Sections 162(m) and 280G of the Code.

Non-Qualified Stock Options

A non-qualified stock option is an option that does not meet the requirements of Section 422 of the Code. A participant generally will not recognize taxable income when granted a non-qualified stock option. When the participant exercises the stock option, he or she generally will recognize taxable ordinary income equal to the excess of the fair market value of the shares received on the exercise date over the aggregate exercise price of the shares. The participant’s tax basis in the shares acquired on exercise of the option will be increased by the amount of such

taxable income. We generally will be entitled to a corresponding federal income tax deduction. When the participant sells the shares acquired on exercise, the participant generally will realize long-term or short-term capital gain or loss, depending on whether the participant holds the shares for more than one year before selling them.

Incentive Stock Options

An incentive stock option (or "ISO") is an option that meets the requirements of Section 422 of the Code. A participant will not have taxable income when granted an ISO or when exercising an ISO. If a participant exercises an ISO and does not dispose of the shares until the later of two years after the grant date and one year after the exercise date, the entire gain, if any, realized when the participant sells the shares will be taxable as long-term capital gain. However, even though a participant will not have taxable income when exercising an ISO, the exercise of an ISO is taken into account for purposes of determining whether the participant has any alternative minimum tax liability (described below). We generally will not be entitled to a corresponding federal income tax deduction.

If a participant disposes of the shares received upon exercise of an ISO within the one-year or two-year periods described above, it will be considered a "disqualifying disposition." Under such circumstances, the participant generally will realize ordinary income in the year of the disposition, and we generally will be entitled to a corresponding federal income tax deduction. The amounts of the participant's ordinary income and our deduction will equal the excess of the lesser of the amount, if any, realized on the disposition and the fair market value of the shares on the exercise date over the aggregate exercise price of the ISO. Any additional gain or loss that the participant realizes on the disposition will be long-term or short-term capital gain or loss, depending on whether the participant holds the shares for more than one year before selling them.

If a participant exercises an ISO more than three months after the participant's employment with us terminates, the option will be treated as a non-qualified stock option for federal income tax purposes. If a participant is disabled and terminates employment because of his or her disability, the three-month period is extended to one year. The three-month period does not apply in the case of a participant's death.

SARs

A participant does not recognize income at the time a SAR is granted. A participant will recognize income at the time cash or stock representing the amount of the appreciation is transferred to the participant pursuant to exercise of a SAR. The amount of income will equal the amount of cash or fair market value of shares paid or transferred to the participant and will be ordinary income. We generally will be entitled to a corresponding federal income tax deduction.

Restricted Stock

Unless a participant makes an election to accelerate recognition of the income to the date of grant as described below, the participant generally will not recognize income, and we generally will not be entitled to a corresponding federal income tax deduction at the time restricted stock is granted. When the restrictions lapse, the participant generally will recognize ordinary income equal to the fair market value of the shares as of that date, less any amount paid for the restricted stock, and we generally will be entitled to a corresponding federal income tax deduction at that time. If the participant files an election under Section 83(b) of the Code within 30 days after the date of grant of the restricted stock, the participant generally will recognize ordinary income as of the date of grant equal to the fair market value of the common shares as of that date, less any amount the participant paid for the restricted stock, and we generally will be entitled to a corresponding federal income tax deduction at that time. Any future appreciation in the shares generally will be taxable to the participant at capital gains rates. However, if the restricted stock is later forfeited, the participant generally will not be able to recover the tax previously paid pursuant to his Section 83(b) election.

Registration with the SEC

If our shareholders approve the Incentive Plan, we plan to file a registration statement on a Form S8 with the SEC, as soon as reasonably practicable after such approval, to register the shares available for issuance under the Incentive Plan.

New Plan Benefits

As described above, the Committee, in its discretion, will select the participants who receive awards and the size and types of those awards under the Incentive Plan, if the Incentive Plan is approved by our shareholders. Therefore, the awards (or associated benefits or amounts) that will be made to particular individuals or groups of individuals in the future under the Incentive Plan are not currently determinable.

Equity Compensation Plan Information

Fusion did not maintain, or have any securities authorized for issuance under, any equity compensation plans as of December 31, 2020.

Vote Required for Approval

The approval of the Incentive Plan Proposal requires the affirmative vote of a majority of the votes cast by Fusion Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. Failure to submit a proxy at the Fusion Special Meeting and a broker non-vote will have no effect on the outcome of the Incentive Plan Proposal. However, the NYSE considers abstentions as “votes cast” and, therefore, abstentions will have the same effect as votes “**AGAINST**” this proposal. The Incentive Plan Proposal is conditioned upon the approval of the Business Combination Proposal, the Charter Proposal and the Stock Issuance Proposals. If the Business Combination Proposal, the Charter Proposal or the Stock Issuance Proposals are not approved, the Incentive Plan Proposal will have no effect, even if approved by our stockholders.

Recommendation of the Board of Directors

THE FUSION BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT FUSION STOCKHOLDERS VOTE “FOR” THE APPROVAL OF THE INCENTIVE PLAN PROPOSAL.

THE ESPP PROPOSAL

Overview

Assuming that the business combination is approved, our shareholders are also being asked to approve and adopt the [•] 2021 Employee Stock Purchase Plan (the “ESPP”). In designing the ESPP, the anticipated future equity needs were considered, and a total of []¹¹ shares of Class A common stock will be reserved for issuance under the ESPP. Our board of directors has approved the ESPP, subject to receiving shareholder approval. A summary of the principal features of the ESPP is provided below. This summary does not purport to be complete and is subject to, and qualified in its entirety by, the complete text of the ESPP. A copy of the ESPP has been filed with the SEC with this S-4 as Appendix [•]. If the [Business Combination] closes and the ESPP is approved by our shareholders, the ESPP will be administered by the compensation committee or the board of directors, as applicable, which will have the authority to make awards under the ESPP.

If the ESPP is not approved by shareholders, we will be unable to provide a means by which our employees will be given an opportunity to purchase shares of our common stock, and therefore we will be at a significant competitive disadvantage in attracting, retaining and motivating talented individuals who contribute to our success.

Purpose

The purpose of the ESPP is to provide a means by which our employees may be given an opportunity to purchase shares of our common stock, to assist us in retaining the services of our employees, to secure and retain the services of new employees and to provide incentives for such persons to exert maximum efforts for our success. The ESPP includes two components: (i) one component (the “423 Component”) is designed to allow eligible U.S. employees to purchase shares of our common stock in a manner that is intended to qualify for favorable tax treatment under Section 423 of the Internal Revenue Code, and (ii) the other component (the “Non-423 Component”) provides for purchase rights which do not by operation of law qualify for such favorable tax treatment to permit participation by eligible employees who are foreign nationals or employed outside of the U.S. Any Non-423 Component will operate and be administered in the same manner as the 423 Component unless otherwise required under applicable foreign laws.

Administration

Unless otherwise determined by our board of directors, the compensation committee will administer the ESPP. The compensation committee has the power, subject to the provisions of the ESPP, to construe and interpret both the ESPP and the rights granted under it; to determine when and how rights to purchase our common stock will be granted and the provisions of each offering of such rights (which need not be identical); to designate whether employees of our subsidiary companies will be eligible to participate in the ESPP; to adopt sub-plans or special rules applicable to participants in particular designated subsidiaries or locations, which special rules may be designed to be outside the scope of Section 423 of the Internal Revenue Code and under the Non-423 Component; and to amend, suspend or terminate the ESPP.

Shares Subject to the ESPP

Subject to adjustment for certain changes in our capitalization, the maximum number of shares of our common stock that may be issued pursuant to rights granted under the ESPP is []¹² shares. The number of shares of our common stock reserved for issuance under the ESPP will automatically increase on the first day of each calendar year during the term of the ESPP, commencing on January 1, 2022 (assuming the ESPP becomes effective in 2021) through January 1, 2032, by the least of (i) [] shares of our common stock, (ii) 1.5% of the total number of shares of all classes of our common stock outstanding on December 31 of the immediately preceding calendar year, or (iii) such smaller number of shares of our common stock as determined by our board of directors. If any rights granted under the ESPP terminate without being exercised in full, the shares of common stock not purchased under such rights shall again become available for issuance under the ESPP. The shares of common stock issuable under the ESPP will be shares of authorized but unissued or reacquired common stock, including shares repurchased by us on the open market.

¹¹ To be equal to 2% of the outstanding shares of New MoneyLion as of the Closing.

¹² To be equal to 2% of the outstanding shares of New MoneyLion as of the Closing.

Offerings

The ESPP will be implemented by offerings of rights to purchase shares of our common stock to all eligible employees. The compensation committee will determine the duration of each offering period, provided that in no event may an offering period exceed 27 months, and the terms and conditions of each offering period will be set forth in an offering document. The compensation committee may establish separate offerings which vary in terms (although not inconsistent with the provisions of the ESPP or the requirements of applicable laws). Each offering period will have one or more purchase dates, as determined by the compensation committee prior to the commencement of the offering period. The compensation committee has the authority to alter the terms of an offering prior to the commencement of the offering period, including the duration of subsequent offering periods. When an eligible employee elects to join an offering period, he or she is granted a right to purchase shares of our common stock on each purchase date within the offering period. On the purchase date, all contributions collected from the participant are automatically applied to the purchase of our common stock, subject to certain limitations (which are described further below under “Eligibility”).

The compensation committee has the discretion to structure an offering so that if the fair market value of our common stock on the first trading day of a new purchase period within the offering period is less than or equal to the fair market value of our common stock on the first day of the offering period, then that offering will terminate immediately as of that first trading day, and the participants in such terminated offering will be automatically enrolled in a new offering beginning on the first trading day of such new purchase period.

Eligibility — Broad-Based Participation

Any individual who is employed by us (or by any of our subsidiary companies if such company complies with Section 423 and is designated by the compensation committee as eligible to participate in the ESPP) may participate in offerings under the ESPP, provided such individual has been employed by us (or our subsidiary, if applicable) for such continuous period preceding the first day of the offering period as the compensation committee may require, but in no event may the required period of continuous employment be equal to or greater than two years. In addition, the compensation committee may provide that an employee will not be eligible to be granted purchase rights under the ESPP unless such employee is customarily employed for more than 20 hours per week and five months per calendar year. The compensation committee may also provide in any offering that certain of our employees who are “highly compensated” as defined in the Internal Revenue Code are not eligible to participate in the ESPP. Our non-employee directors will not be eligible to participate in the ESPP.

No employee will be eligible to participate in the ESPP if, immediately after the grant of purchase rights, the employee would own, directly or indirectly, stock possessing 5% or more of the total combined voting power or value of all classes of our stock or of any of our subsidiary companies, including any stock which such employee may purchase under all outstanding purchase rights and options. In addition, no employee may purchase more than \$25,000 worth of our common stock (determined based on the fair market value of the shares at the time such rights are granted) in each calendar year during which such rights are outstanding.

As of February [•], 2021, approximately [•] employees would have been eligible to participate in the ESPP.

Participation in the ESPP; Limits on Employee Contributions

An eligible employee may enroll in the ESPP by delivering to us, prior to the date selected by the compensation committee as the beginning of an offering period, an agreement authorizing contributions in the form of payroll deductions which must equal a whole percentage (and which may not be less than 1%) of such employee’s earnings (as defined in the ESPP) during the offering period and which may not exceed the maximum amount specified by the compensation committee, but in any case, which may not exceed 15% of such employee’s earnings during the offering period. Each participant will be granted a separate purchase right for each offering in which he or she participates. Unless an employee’s participation is discontinued, his or her purchase right will be exercised automatically at the end of each purchase period at the applicable purchase price.

Purchase Price and Limits; Payroll Deductions

The purchase price per share at which shares of our common stock are sold on each purchase date during an offering period will not be less than the lower of (i) 85% of the fair market value of a share of our common stock on the first day of the offering period or (ii) 85% of the fair market value of a share of our common stock on the purchase date.

The purchase of shares during an offering period generally will be funded by a participant's payroll deductions accumulated during the offering period. A participant may decrease his or her rate of contributions, as determined by the compensation committee and set forth in the offering document. All contributions made for a participant are credited to his or her account under the ESPP and deposited with our general funds.

In connection with each offering made under the ESPP, the compensation committee may specify (i) a maximum number of shares of our common stock that may be purchased by any participant on any purchase date pursuant to such offering, which, in any case, may not exceed 15% of such employee's eligible earnings during the offering period, (ii) a maximum aggregate number of shares of our common stock that may be purchased by all participants pursuant to such offering, and/or (iii) a maximum aggregate number of shares of our common stock that may be purchased by all participants on any purchase date pursuant to such offering. If the aggregate purchase of shares of our common stock issuable upon exercise of purchase rights granted under such offering would exceed any such maximum aggregate number, then the compensation committee will make a pro rata allocation of available shares in a uniform and equitable manner.

Withdrawal; Termination of Employment; Restrictions on Transfer

Participants may withdraw from a given offering by delivering a withdrawal form to us and terminating their contributions. Such withdrawal may be elected generally at any time prior to the end of an offering (but no later than one week prior to the end of the applicable offering period), except as otherwise provided by the compensation committee and set forth in the offering document. Upon such withdrawal, we will distribute to the employee his or her accumulated but unused contributions without interest, and such employee's right to participate in that offering will terminate. However, an employee's withdrawal from an offering does not affect such employee's eligibility to participate in subsequent offerings under the ESPP.

A participant's rights under any offering under the ESPP will terminate immediately if the participant either (i) is no longer employed by us or any of our subsidiary companies (subject to any post-employment participation period required by law) or (ii) is otherwise no longer eligible to participate. In such event, we will distribute to the participant his or her accumulated but unused contributions without interest.

Rights granted under the ESPP are not transferable except by will, by the laws of descent and distribution, or if permitted by us, by a beneficiary designation. During a participant's lifetime, such rights may only be exercised by the participant.

Changes in Capitalization and Effect of Certain Corporate Transactions

In the event that there occurs a change in our capital structure through such actions as a dividend or other distribution, reorganization, merger, amalgamation, consolidation, combination, repurchase, recapitalization, liquidation, dissolution, or sale, transfer, exchange or other disposition of all or substantially all of our assets, or sale or exchange of our common stock or other securities, or other similar corporate transaction or event, affects our common stock such that the compensation committee determines that an adjustment is appropriate in order to prevent dilution or enlargement of benefits or potential benefits intended to be made available under the ESPP or with respect to any outstanding purchase rights under the ESPP, the compensation committee will appropriately adjust: (i) the type and maximum number of securities subject to the ESPP; (ii) the class(es) and number of securities subject to, and the purchase price applicable to, outstanding purchase rights; and (iii) the class(es) and number of securities that are the subject of any purchase limits under each ongoing offering.

In the event of a corporate transaction (as defined in the ESPP and described above), (i) any surviving or acquiring corporation (or its parent company) may assume or continue outstanding purchase rights granted under the ESPP or may substitute similar rights (including a right to acquire the same consideration paid to the stockholder in the corporate transaction) for such outstanding purchase rights, or (ii) if any surviving or acquiring corporation

(or its parent company) does not assume or continue such outstanding purchase rights or does not substitute similar rights for such outstanding purchase rights, then the participants' accumulated contributions will be used to purchase shares of our common stock under such purchase rights, and such purchase rights and the ESPP will terminate immediately after such purchase.

Duration, Amendment and Termination

The compensation committee may amend, suspend or terminate the ESPP at any time. However, for certain capitalization adjustments, any such amendment must be approved by our stockholders if such approval is required by applicable law, including any listing requirements. Stockholder approval is required for the following amendments: (i) to increase the aggregate number, or change the type, of shares that may be sold pursuant to rights under the ESPP (other than upon certain specified adjustments), (ii) to change the corporations or classes of corporations whose employees may be granted rights under the ESPP, or (iii) to change the ESPP in any manner that would cause the 423 Component to no longer be an "employee stock purchase plan" within the meaning of Section 423(b) of the Code. Upon termination of the ESPP, each participant's balance will be refunded as soon as practicable without interest.

Any outstanding purchase rights granted before an amendment or termination of the ESPP will not be materially impaired by any such amendment or termination, except (i) with the consent of the employee to whom such purchase rights were granted, (ii) as necessary to comply with applicable laws, including any listing requirements or governmental regulations (including Section 423 of the Code), or (iii) as necessary to obtain or maintain favorable tax, listing or regulatory treatment.

Notwithstanding anything in the ESPP or any offering to the contrary, the compensation committee will be entitled to: (i) change the offering periods, (ii) limit the frequency and/or number of changes in amounts withheld from employee earnings during an offering period, (iii) establish the exchange ratio applicable to amounts withheld in a currency other than U.S. dollars, if applicable; (iv) permit contributions in excess of the amount designated by a participant to adjust for delays or mistakes in processing of properly completed contribution elections; (v) establish reasonable waiting and adjustment periods and/or accounting and crediting procedures to ensure that amounts applied toward the purchase of common stock for each participant properly correspond with that participant's contributions; and (vi) establish other limitations or procedures as the compensation committee determines in its sole discretion advisable that are consistent with the ESPP; provided in each case that such actions qualify under and/or comply with Section 423 of the Code.

Federal Income Tax Information

The following is a summary of the principal United States federal income tax consequences to participants and us with respect to participation in the ESPP. This summary is not intended to be exhaustive and does not discuss the income tax laws of any local, state or foreign jurisdiction in which a participant may reside. The information is based upon current federal income tax rules and therefore is subject to change when those rules change. Because the tax consequences to any participant may depend on his or her particular situation, each participant should consult the participant's tax adviser regarding the federal, state, local, and other tax consequences of the grant or exercise of a purchase right or the sale or other disposition of Common Stock acquired under the ESPP. The ESPP is not qualified under the provisions of Section 401(a) of the Code and is not subject to any of the provisions of the Employee Retirement Income Security Act of 1974, as amended.

The ESPP, and the rights of participant employees to make purchases thereunder, qualify for treatment under the provisions of Sections 421 and 423 of the Code. Under these provisions, no income will be taxable to a participant until the shares purchased under the ESPP are sold or otherwise disposed of.

Upon sale or other disposition of the shares, the participant will generally be subject to tax and the amount of the tax will depend upon the holding period. If the shares are sold or otherwise disposed of more than two years from the first day of the relevant offering period (and more than one year from the date the shares are purchased), then the participant generally will recognize ordinary income measured as the lesser of:

- (i) the excess of the fair market value of the common stock at the time of such sale or disposition over the purchase price of such shares, or

[Table of Contents](#)

- (ii) an amount equal to 15% of the fair market value of the shares as of the first day of the applicable offering period.

Any additional gain should be treated as long-term capital gain. If the shares are held for at least the holding periods described above but are sold for a price that is less than the purchase price, there will be no ordinary income and the difference will be a long-term capital loss. We will not be entitled to an income tax deduction with respect to the grant or exercise of a right to purchase our shares, or the sale of such shares by a participant, where such participant holds such shares for at least the holding periods described above.

Any sale or other disposition of shares before the expiration of the holding periods described above will be a “disqualifying disposition,” and the participant will recognize ordinary income at the time of such disposition generally measured as the excess of the fair market value of the shares on the date the shares are purchased over the purchase price, and we will be entitled to an income tax deduction for such ordinary income. Any additional gain or loss on such sale or disposition will be long-term or short-term capital gain or loss, depending on the holding period following the date the shares were purchased by the participant prior to such sale or disposition, and we will not be entitled to an income tax deduction for any such capital gain.

New Plan Benefits

Participation in the ESPP is voluntary and each eligible employee will make his or her own decision regarding whether and to what extent to participate in the ESPP. In addition, our board of directors and the compensation committee have not granted any purchase rights under the ESPP that are subject to stockholder approval of this ESPP Proposal. Accordingly, the benefits or amounts that will be received by or allocated to our executive officers and other employees under the ESPP are not determinable.

Registration with the SEC

If the ESPP is approved by our stockholders and becomes effective, New MoneyLion is expected to file a registration statement on Form S-8 registering the shares reserved for issuance under the ESPP as soon as reasonably practicable after becoming eligible to use such form.

Vote Required for Approval

The approval of the ESPP Proposal requires the affirmative vote of a majority of the votes cast by Fusion Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. Failure to submit a proxy at the Fusion Special Meeting and a broker non-vote will have no effect on the outcome of the ESPP Proposal. However, the NYSE considers abstentions as “votes cast” and, therefore, abstentions will have the same effect as votes “**AGAINST**” this proposal. The ESPP Proposal is conditioned upon the approval of the Business Combination Proposal, the Charter Proposal and the Stock Issuance Proposals. If the Business Combination Proposal, the Charter Proposal or the Stock Issuance Proposals are not approved, the ESPP Proposal will have no effect, even if approved by our stockholders.

Recommendation of the Board

THE FUSION BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT FUSION STOCKHOLDERS VOTE “FOR” THE APPROVAL OF THE ESPP PROPOSAL.

THE ADJOURNMENT PROPOSAL

Overview

The Adjournment Proposal, if adopted, will allow Fusion’s board of directors to adjourn the Special Meeting to a later date or dates, if necessary, to permit further solicitation of proxies if, based upon the tabulated vote at the time of the Special Meeting, there are not sufficient votes to approve the Business Combination Proposal, the Charter Proposals, the Stock Issuance Proposal or the Incentive Plan Proposal, or holders of Fusion Class A common stock have elected to redeem an amount of Fusion Class A common stock such that Fusion would have less than \$[*] of net tangible assets or the Minimum Proceeds Condition would not be satisfied or waived by MoneyLion. In no event will Fusion’s board of directors adjourn the Special Meeting or consummate the Business Combination beyond the date by which it may properly do so under the Current Charter and Delaware law.

Consequences if the Adjournment Proposal is Not Approved

If the Adjournment Proposal is not approved by the Fusion Stockholders, Fusion’s board of directors may not be able to adjourn the Special Meeting to a later date in the event that there are insufficient votes for the approval of the Business Combination Proposal, the Charter Proposals, the Stock Issuance Proposal or the Incentive Plan Proposal, or holders of Fusion Class A common stock have elected to redeem an amount of Fusion Class A common stock such that Fusion would have less than \$[*] of net tangible assets or the Minimum Proceeds Condition would not be satisfied or waived by MoneyLion, and may be unable to consummate the Business Combination. If we do not consummate the Business Combination and fail to complete an initial business combination by December 31, 2021 (subject to the requirements of law), we will be required to dissolve and liquidate our Trust Account by returning the then remaining funds in such account to the public stockholders.

Vote Required for Approval

The approval of the Adjournment Proposal requires the majority of the votes cast by the Fusion Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting.

Failure to submit a proxy or to vote in person at the Special Meeting, an abstention from voting or a broker non-vote will have no effect on the Adjournment Proposal.

The Business Combination is not conditioned upon the approval of the Adjournment Proposal.

The Sponsor has agreed to vote the founder shares and any public shares owned by them in favor of the Adjournment Proposal (if necessary). See “Other Agreements — Sponsor Agreement” for more information.

Recommendation of the Fusion Board

THE FUSION BOARD UNANIMOUSLY RECOMMENDS THAT ITS STOCKHOLDERS VOTE “FOR” THE APPROVAL OF THE ADJOURNMENT PROPOSAL.

The existence of financial and personal interests of one or more of Fusion’s directors may result in a conflict of interest on the part of such director(s) between what they may believe is in the best interests of Fusion and its stockholders and what they may believe is best for himself or themselves in determining to recommend that stockholders vote for the proposals. See the section entitled “The Business Combination Proposal — Interests of Fusion’s Directors and Officers in the Business Combination” for a further discussion.

OTHER INFORMATION RELATED TO FUSION

Introduction

Fusion is a blank check company incorporated on March 6, 2020 as a Delaware corporation whose business purpose is to effect a merger, capital stock exchange, asset acquisition, stock purchase, reorganization or similar business combination with one or more businesses. Prior to executing the Merger Agreement, Fusion's efforts were limited to organizational activities, completion of its initial public offering and the evaluation of possible business combinations.

Initial Public Offering

Fusion has neither engaged in any operations nor generated any revenue to date. Based on Fusion's business activities, Fusion is a "shell company" as defined under the Exchange Act because it has no operations and nominal assets consisting almost entirely of cash.

On June 30, 2020, Fusion consummated its initial public offering of 35,000,000 units ("units"), including the issuance of 4,500,000 units as a result of the underwriters' partial exercise of their over-allotment option. Each unit consists of one share of Class A common stock and one-half of one redeemable warrant. Each whole warrant entitles the holder thereof to purchase one share of Class A common stock for \$11.50 per share, subject to adjustment. The units were sold at an offering price of \$10.00 per unit, generating gross proceeds, before expenses, of \$350,000,000. Prior to the consummation of the initial public offering, on March 10, 2020, Fusion Sponsor LLC (our "Sponsor") purchased 5,750,000 shares of Fusion Class B common stock for an aggregate purchase price of \$25,000, or approximately \$0.004 per share. On May 28, 2020, we effected a 1:1.25 stock split of our Class B common stock, resulting in our Sponsor holding an aggregate of 7,187,500 founder shares. On June 24, 2020, we effected a 1:1.20 stock split of our Class B common stock, resulting in our Sponsor holding an aggregate of 8,625,000 founder shares. On June 25, 2020, we effected a 1:1.01666 stock split of our Class B common stock, resulting in our Sponsor holding an aggregate of 8,768,750 founder shares. The number of founder shares issued was determined based on the expectation that the initial public offering would be a maximum of 35,075,000 units and therefore that such founder shares would represent on an as-converted basis, 20% of the outstanding shares of Class A common stock under the initial public offering. On June 30, 2020, in connection with the underwriters' partial exercise of its over-allotment option and forfeiture of the balance, our Sponsor forfeited 18,750 shares of Fusion Class B common stock, resulting in it holding 8,750,000 founder shares.

Simultaneously with the consummation of the initial public offering, Fusion consummated the private sale of an aggregate of 8,100,000 warrants, each exercisable to purchase one share of Fusion Class A common stock at \$11.50 per share, to Sponsor at a price of \$1.00 per warrant, generating gross proceeds, before expenses, of approximately \$8,100,000 (the "private placement warrants"). The private placement warrants are identical to the warrants included in the units sold in the initial public offering, except that, so long as they are held by their initial purchasers or their permitted transferees, (i) they will not be redeemable by Fusion, (ii) they (including the shares of Class A common stock issuable upon exercise of these warrants) may not, subject to certain limited exceptions, be transferred, assigned or sold until 30 days after Fusion completes its initial business combination, (iii) they may be exercised by the holders on a cashless basis and (iv) they will be entitled to registration rights.

Upon the closing of the initial public offering and the private placement warrants, \$350,000,000 was placed in a Trust Account maintained by Continental Stock Transfer & Trust Company, acting as trustee. Except for the withdrawal of interest to pay taxes, if any, the Current Charter provides that none of the funds held in trust will be released from the Trust Account until the earlier of (i) the completion of an initial business combination; (ii) the redemption of any of the public shares properly submitted in connection with a stockholder vote to amend the Current Charter to modify the substance or timing of Fusion's obligation to redeem 100% of the public shares if Fusion does not complete an initial public offering within 18 months from the closing of its initial public offering or with respect to any other material provisions relating to stockholders' rights or pre-initial business combination activity or (iii) the redemption of 100% of the public shares if Fusion is unable to complete an initial business combination within 18 months from the closing of Fusion's initial public offering, subject to applicable law. The proceeds held in the Trust Account may only be invested in United States "government securities" within the meaning of Section 2(a)(16) of the Investment Company Act of 1940, as amended (the "Investment Company Act"), having a maturity of 185 days or less or in money market funds meeting certain conditions under Rule 2a-7 promulgated under the Investment Company Act which invest only in direct U.S. government treasury obligations.

[Table of Contents](#)

The net proceeds deposited into the Trust Account remain on deposit in the Trust Account earning interest. As of [•], 2021, there was \$[•] in investments and cash held in the Trust Account.

Fair Market Value of MoneyLion's Business

Fusion's initial business combination must occur with one or more target businesses that together have an aggregate fair market value of at least 80% of the assets held in the Trust Account (excluding the deferred underwriting commissions and taxes payable on the income earned on the Trust Account) at the time of the agreement to enter into the Business Combination. Fusion will not complete a business combination unless it acquires a controlling interest in a target company or is otherwise not required to register as an investment company under the Investment Company Act. Fusion's board of directors determined that this test was met in connection with the proposed Business Combination.

Stockholder Approval of Business Combination

Under the Current Charter, in connection with any proposed business combination, Fusion must seek stockholder approval of an initial business combination at a meeting called for such purpose at which public stockholders may seek to redeem their public shares, subject to the limitations described in the prospectus for Fusion's initial public offering. Accordingly, in connection with the Business Combination, the Fusion Stockholders may seek to redeem the public shares that they hold in accordance with the procedures set forth in this proxy statement/prospectus.

Voting Restrictions in Connection with Stockholder Meeting

In connection with the execution of the Merger Agreement, our Sponsor and our directors and executive officers entered into the Sponsor Support Agreement, pursuant to which, among other things, our Sponsor agreed to vote its shares in favor of the Business Combination Proposal and all of the other proposals being presented at the Special Meeting. As of the date hereof, our Sponsor owns 20% of the total outstanding Fusion Shares.

At any time prior to the Special Meeting, during a period when they are not then aware of any material nonpublic information regarding Fusion or its securities, the Sponsor, MoneyLion and/or its affiliates may purchase shares and/or warrants from investors, or they may enter into transactions with such investors and others to provide them with incentives to acquire shares of Fusion Class A common stock or vote their shares in favor of the Business Combination Proposal. The purpose of such share purchases and other transactions would be to increase the likelihood that (i) the proposals presented to stockholders for approval at the Special Meeting are approved and/or (ii) Fusion satisfy the Minimum Proceeds Condition. Any such stock purchases and other transactions may thereby increase the likelihood of obtaining stockholder approval of the Business Combination. This may result in the completion of the Business Combination in a way that may not otherwise have been possible. While the exact nature of any such incentives has not been determined as of the date of this proxy statement/ prospectus, they might include, without limitation, arrangements to protect such investors or holders against potential loss in value of their shares, including the granting of put options and the transfer to such investors or holders of shares or rights owned by Fusion's Sponsor for nominal value.

Liquidation if No Business Combination

Fusion has until December 31, 2021 to complete an initial business combination. If it is unable to complete its initial business combination by that date (or such later date as its stockholders may approve in accordance with the Current Charter), Fusion will: (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than 10 business days thereafter, redeem the public shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, calculated as of two business days prior to the consummation of the Business Combination, including interest earned on the funds held in the Trust Account (which interest shall be net of taxes payable and up to \$100,000 of interest to pay dissolution expenses), divided by the number of then issued and outstanding public shares, which redemption will completely extinguish public stockholders' rights as stockholders (including the right to receive further liquidating distributions, if any) and (iii) as promptly as reasonably possible following such redemption, subject to the approval of Fusion's remaining stockholders and its board of directors, liquidate and dissolve, subject, in each case, to Fusion's obligations under Delaware law to provide for claims of creditors and the requirements of other applicable law. There will be no redemption rights or liquidating distributions with respect to the private placement warrants, which will expire worthless if Fusion fails to complete its initial business combination by December 31, 2021.

[Table of Contents](#)

Fusion's Sponsor and its directors and executive officers have entered into a letter agreement with it, pursuant to which they have waived their rights to liquidating distributions from the Trust Account with respect to their founder shares if Fusion fails to complete its initial business combination within the required time frame. However, if Fusion's Sponsor, independent directors and executive officers acquire public shares in or after the initial public offering, they will be entitled to liquidating distributions from the Trust Account with respect to such public shares if Fusion fails to complete its initial business combination by December 31, 2021.

Fusion's Sponsor and its directors and executive officers have also agreed, pursuant to a written agreement with Fusion, that they will not propose any amendment to the Current Charter that would affect the substance or timing of Fusion's obligation to redeem 100% of the public shares if it does not complete its initial business combination by December 31, 2021 or with respect to any other material provisions relating to stockholders' rights or pre-initial business combination activity, unless Fusion provides its public stockholders with the opportunity to redeem their public shares upon approval of any such amendment at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, calculated as of two business days prior to the consummation of the Business Combination, including interest earned on the funds held in the Trust Account (which interest shall be net of taxes payable and up to \$100,000 of interest to pay dissolution expenses), divided by the number of then issued and outstanding public shares. However, Fusion may not redeem the public shares in an amount that would cause its net tangible assets to be less than \$5,000,001 (so that it is not subject to the SEC's "penny stock" rules).

Fusion expects that all costs and expenses associated with implementing its plan of dissolution, as well as payments to any creditors, will be funded from amounts remaining out of the approximately \$1,250,000 of proceeds held outside the Trust Account, although it cannot assure you that there will be sufficient funds for such purpose. However, if those funds are not sufficient to cover the costs and expenses associated with implementing the plan of dissolution, to the extent that there is any interest accrued in the Trust Account not required to pay taxes on interest income earned on the Trust Account balance, Fusion may request the trustee to release to it an additional amount of up to \$100,000 of such accrued interest to pay those costs and expenses.

If Fusion was to expend all of the net proceeds of its initial public offering, other than the proceeds deposited in the Trust Account, and without taking into account interest, if any, earned on the Trust Account, the per-share redemption amount received by stockholders upon its dissolution would be \$10.00. The proceeds deposited in the Trust Account could, however, become subject to the claims of its creditors, which would have higher priority than the claims of its public stockholders. Fusion cannot assure you that the actual per-share redemption amount received by stockholders will not be less than \$10.00. While Fusion intends to pay such amounts, if any, it cannot assure you that it will have funds sufficient to pay or provide for all creditors' claims.

Although Fusion will seek to have all vendors, service providers, prospective target businesses and other entities with which it does business execute agreements with it waiving any right, title, interest or claim of any kind in or to any monies held in the Trust Account for the benefit of its public stockholders, there is no guarantee that they will execute such agreements or even if they execute such agreements that they would be prevented from bringing claims against the Trust Account including but not limited to fraudulent inducement, breach of fiduciary responsibility or other similar claims, as well as claims challenging the enforceability of the waiver, in each case in order to gain an advantage with respect to a claim against Fusion's assets, including the funds held in the Trust Account. If any third party refuses to execute an agreement waiving such claims to the monies held in the Trust Account, Fusion's management will perform an analysis of the alternatives available to it and will only enter into an agreement with a third party that has not executed a waiver if management believes that such third party's engagement would be significantly more beneficial to Fusion than any alternative. Examples of possible instances where Fusion may engage a third party that refuses to execute a waiver include the engagement of a third-party consultant whose particular expertise or skills are believed by management to be significantly superior to those of other consultants that would agree to execute a waiver or in cases where management is unable to find a service provider willing to execute a waiver. As of the date of this proxy statement/prospectus, Fusion is not a party to any agreement that does not contain such a waiver. In addition, there is no guarantee that such entities will agree to waive any claims they may have in the future as a result of, or arising out of, any negotiations, contracts or agreements with Fusion and will not seek recourse against the Trust Account for any reason. In order to protect the amounts held in the Trust Account, our Sponsor has agreed that it will be liable to Fusion if and to the extent any claims by a third party for services rendered or products sold to Fusion, or a prospective target business with which Fusion has entered into a written letter of intent, confidentiality or other similar agreement or business combination agreement, reduce the amount of funds in the Trust Account to below the lesser of (i) \$10.00 per public share and (ii) the actual

amount per public share held in the Trust Account as of the date of the liquidation of the Trust Account, if less than \$10.00 per share due to reductions in the value of the trust assets, less taxes payable; provided that such liability will not apply to any claims by a third party or prospective target business who executed a waiver of any and all rights to monies held in the Trust Account (whether or not such waiver is enforceable) nor will it apply to any claims under Fusion's indemnity of the underwriters of its initial public offering against certain liabilities, including liabilities under the Securities Act. However, Fusion has not asked our Sponsor to reserve for such indemnification obligations, nor has Fusion independently verified whether our Sponsor has sufficient funds to satisfy its indemnity obligations and Fusion believes that our Sponsor's only assets are Fusion's securities. Therefore, Fusion cannot assure you that our Sponsor would be able to satisfy those obligations. As a result, if any such claims were successfully made against the Trust Account, the funds available for the Business Combination and redemptions could be reduced to less than \$10.00 per public share. In such event, Fusion may not be able to complete the Business Combination, and Fusion's public stockholders would receive such lesser amount per share in connection with any redemption of their public shares. None of Fusion's officers or directors will indemnify Fusion for claims by third parties including, without limitation, claims by vendors and prospective target businesses.

In the event that the proceeds in the Trust Account are reduced below the lesser of (i) \$10.00 per public share and (ii) the actual amount per public share held in the Trust Account as of the date of the liquidation of the Trust Account if less than \$10.00 per share due to reductions in the value of the trust assets, in each case less taxes payable, and our Sponsor asserts that it is unable to satisfy its indemnification obligations or that it has no indemnification obligations related to a particular claim, Fusion's independent directors would determine whether to take legal action against our Sponsor to enforce its indemnification obligations. While Fusion currently expects that its independent directors would take legal action on its behalf against our Sponsor to enforce its indemnification obligations to Fusion, it is possible that Fusion's independent directors in exercising their business judgment may choose not to do so in any particular instance. Accordingly, Fusion cannot assure you that due to claims of creditors the actual value of the per-share redemption price will not be less than \$10.00 per share.

Fusion will seek to reduce the possibility that our Sponsor will have to indemnify the Trust Account due to claims of creditors by endeavoring to have all vendors, service providers, prospective target businesses or other entities with which it does business execute agreements with Fusion waiving any right, title, interest or claim of any kind in or to monies held in the Trust Account. The Sponsor will also not be liable as to any claims under Fusion's indemnity of the underwriters of its initial public offering against certain liabilities, including liabilities under the Securities Act. Fusion has access to up to approximately \$750,000 held outside the Trust Account with which it may pay any such potential claims (including costs and expenses incurred in connection with its liquidation, currently estimated to be no more than approximately \$100,000). In the event that Fusion liquidates, and it is subsequently determined that the reserve for claims and liabilities is insufficient, stockholders who received funds from the Trust Account could be liable for claims made by creditors.

If Fusion files a bankruptcy petition or an involuntary bankruptcy petition is filed against it that is not dismissed, the proceeds held in the Trust Account could be subject to applicable bankruptcy law, and may be included in its bankruptcy estate and subject to the claims of third parties with priority over the claims of Fusion's stockholders. To the extent any bankruptcy claims deplete the Trust Account, Fusion cannot assure you it will be able to return \$10.00 per share to its public stockholders. Additionally, if Fusion files a bankruptcy petition or an involuntary bankruptcy petition is filed against Fusion that is not dismissed, any distributions received by stockholders could be viewed under applicable debtor/creditor and/or bankruptcy laws as either a "preferential transfer" or a "fraudulent conveyance." As a result, a bankruptcy court could seek to recover all amounts received by Fusion's stockholders. Furthermore, Fusion's board may be viewed as having breached its fiduciary duty to Fusion's creditors and/or may have acted in bad faith, and thereby exposing itself and the company to claims of punitive damages, by paying public stockholders from the Trust Account prior to addressing the claims of creditors. Fusion cannot assure you that claims will not be brought against it for these reasons.

Fusion's public stockholders will be entitled to receive funds from the Trust Account only (i) in the event of the redemption of the public shares if Fusion does not complete its initial business combination by December 31, 2021, (ii) in connection with a stockholder vote to amend the Current Charter to modify the substance or timing of Fusion's obligation to redeem 100% of the public shares if it does not complete its initial business combination by December 31, 2021 or with respect to any other material provisions relating to stockholders' rights or pre-initial business combination activity or (iii) if they redeem their respective shares for cash upon the completion of Fusion's initial business combination. In no other circumstances will a stockholder have any right or interest of

[Table of Contents](#)

any kind to or in the Trust Account. In the event Fusion seeks stockholder approval in connection with an initial business combination, a stockholder’s voting in connection with the Business Combination alone will not result in a stockholder’s redeeming its shares to Fusion for an applicable pro rata share of the Trust Account. Such stockholder must have also exercised its redemption rights described above. These provisions of the Current Charter, like all provisions of the Current Charter, may be amended with a stockholder vote.

Properties

Fusion currently sub-leases its executive offices at 565 Madison Avenue, 5th Floor, New York, New York 10065, from the Sponsor. Fusion has agreed to reimburse the Sponsor for office space, secretarial and administrative services provided to members of its management team in an amount not to exceed \$10,000 per month in the event such space and/or services are utilized and Fusion does not pay a third party directly for such services. Fusion believes, based on rents and fees for similar services, that this amount is at least as favorable as it could have obtained from an unaffiliated person. Fusion considers its current office space adequate for its current operations.

Employees

Fusion currently has two executive officers. These individuals are not obligated to devote any specific number of hours to Fusion’s matters but they intend to devote as much of their time as they deem necessary to Fusion’s affairs until it has completed an initial business combination. The amount of time they will devote in any time period will vary based on whether a target business has been selected for an initial business combination and the stage of the Business Combination process it is in. Fusion does not intend to have any full time employees prior to the completion of its initial business combination.

Directors and Executive Officers

Fusion’s directors and executive officers are as follows:

Name	Age	Position
Jim Ross	55	Non-Executive Chairman
John James	42	Chief Executive Officer and Director
Jeffrey Gary	58	Chief Financial Officer and Director
Kelly Driscoll	61	Director
Ben Buettell	58	Director

Jim Ross, 55, has been Fusion’s Non-Executive Chairman since April 2020 and a senior adviser to State Street since May 2020. He was most recently an executive vice president of SSGA (from December 2013 to March 2020) and chairman of the Global SPDR ETF business (“SPDR business”) (from May 2016 to March 2020). Prior to becoming chairman, Mr. Ross was global head of the SPDR business (from February 2012 to May 2016), responsible for all aspects of the SPDR business including Profit and loss management, product innovation, sales and marketing. Throughout his 27-year career, Mr. Ross served in numerous executive positions, such as director and chairman of the board for State Street Global Advisors Funds Management, Inc. and SSGA’s registered investment advisor from February 2012 to March 2020, as director of State Street Global Markets, LLC, State Street’s registered broker dealer, from May 2013 to April 2017 and as chairman and chief executive officer of State Street Global Advisors Funds Distributors, LLC, SSGA’s registered broker dealer, from May 2017 to March 2020. He was a member of SSGA’s executive management group as well as SSGA’s global product committee from July 2015 to March 2020 and from October 2009 to March 2020, respectively. In these roles, Mr. Ross was responsible for leading SSGA’s engagement with ETF stakeholders, including regulators, mutual fund and ETF boards of directors, industry associations, key clients, partners, and the media. Mr. Ross served as the trustee of various SSGA mutual funds from February 2007 and continues to serve as a trustee of Select Sector SPDR Trust ETFs and as a trustee of SPDR Series Trust ETFs since November 2005. In addition, Mr. Ross has served as a board member of various Irish self-managed investment companies from November 2016 to March 2020. Mr. Ross also served on the Board of Governors of the Investment Company Institute (“ICI”) from May 2011 to March 2020 and was chairman of ICI’s Exchange Traded Funds Committee from June 2010 to January 2020. Prior to joining State Street Bank & Trust Company in 1992, he worked as a senior accountant for Ernst & Young, responsible for auditing investment companies and insurance companies. Mr. Ross received a Bachelor of Science in Accountancy from Bentley College in 1988. We believe Mr. Ross’s deep asset management industry background, coupled with broad operational and transactional experience, make him well qualified to serve as Non-Executive Chairman of our board of directors.

John James, 42, has served as Fusion’s Chief Executive Officer and as a director since March 2020. Mr. James has also served as Chief Executive Officer of Fusion Acquisition Corp. II since January 2021. Mr. James has 20 years’ experience as a successful institutional investor, asset manager, and founder and operator of multiple technology businesses. Since November 2015, Mr. James has served as chairman and chief executive officer of BetaSmartz Global Pty Ltd (“BetaSmartz”), a global financial technology business serving financial services organizations. Mr. James has also served as a director of Strawberry Hill Consulting Pty Ltd since July 2012. Executive Compensation and Director Compensation

Except as set forth below, none of Fusion's executive officers or directors have received any cash compensation for services rendered to Fusion. We have agreed to pay our Sponsor for \$10,000 per month for office space, secretarial and administrative services provided to members of our management team. Upon completion of Fusion's initial business combination or liquidation, it will cease paying these monthly fees. Our Sponsor, directors and executive officers, or any of their respective affiliates will be reimbursed for any out-of-pocket expenses incurred in connection with activities on our behalf, such as identifying potential target businesses and performing due diligence on suitable business combinations. Our audit committee will review on a quarterly basis all payments that were made to our Sponsor, executive officers or directors, or our or their affiliates. Any such payments prior to an initial business combination will be made from funds held outside the Trust Account.

Number and Terms of Office of Officers and Directors

Fusion's board of directors consists of five members and is divided into three classes with only one class of directors being elected in each year, and with each class (except for those directors appointed prior to Fusion's first annual meeting of stockholders) serving a three-year term. In accordance with the NYSE corporate governance requirements, Fusion is not required to hold an annual meeting until one year after its first fiscal year end following its listing on the NYSE. The term of office of the first class of directors, consisting of Mr. Buettell, will expire at Fusion's first annual meeting of stockholders. The term of office of the second class of directors, consisting of Mr. Ross and Ms. Driscoll, will expire at the second annual meeting of stockholders. The term of office of the third class of directors, consisting of Mr. James and Mr. Gary, will expire at the third annual meeting of stockholders.

Fusion's officers are appointed by the board of directors and serve at the discretion of the board of directors, rather than for specific terms of office. Fusion's board of directors is authorized to appoint officers as it deems appropriate pursuant to the Current Charter.

Director Independence

The rules of the NYSE require that a majority of Fusion’s board of directors be independent. An “independent director” is defined generally as a person who, in the opinion of the company’s board of directors, has no material relationship with the listed company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the company). Fusion’s board of directors has determined that Mr. Jim Ross, Ms. Kelly Driscoll and Mr. Ben Buettell are “independent directors” as defined in the rules of the NYSE and applicable SEC rules. Fusion’s independent directors will have regularly scheduled meetings at which only independent directors are present.

Legal Proceedings

There is no material litigation, arbitration or governmental proceeding currently pending against Fusion or any members of its management team in their capacity as such, and Fusion and the members of its management team have not been subject to any such proceeding in the 12 months preceding the date of this proxy statement/prospectus.

Periodic Reporting and Audited Financial Statements

Fusion has registered its securities under the Exchange Act and has reporting obligations, including the requirement to file annual and quarterly reports with the Securities and Exchange Commission. In accordance with the requirements of the Exchange Act, Fusion’s annual reports contain consolidated financial statements audited and reported on by Fusion’s independent registered public accounting firm.

Overview

We are a blank check company formed under the laws of the State of Delaware on March 6, 2020 for the purpose of effecting a merger, capital stock exchange, asset acquisition, stock purchase, reorganization or other similar Business Combination with one or more businesses. We intend to effectuate our Business Combination using cash from the proceeds of the Initial Public Offering and the sale of the Private Placement Warrants, our capital stock, debt or a combination of cash, stock and debt.

The issuance of additional shares of our stock in a Business Combination:

- may significantly dilute the equity interest of investors in this offering, which dilution would increase if the anti-dilution provisions in the Class B common stock resulted in the issuance of Class A common stock on a greater than one-to-one basis upon conversion of the Class B common stock;
- may subordinate the rights of holders of Class A common stock if shares of preferred stock are issued with rights senior to those afforded our Class A common stock;
- could cause a change in control if a substantial number of shares of our Class A common stock are issued, which may affect, among other things, our ability to use our net operating loss carry forwards, if any, and could result in the resignation or removal of our present officers and directors;
- may have the effect of delaying or preventing a change of control of us by diluting the share ownership or voting rights of a person seeking to obtain control of us; and
- may adversely affect prevailing market prices for our Class A common stock and/or warrants.

Similarly, if we issue debt securities or otherwise incur significant indebtedness, it could result in:

- default and foreclosure on our assets if our operating revenues after an initial business combination are insufficient to repay our debt obligations;
- acceleration of our obligations to repay the indebtedness even if we make all principal and interest payments when due if we breach certain covenants that require the maintenance of certain financial ratios or reserves without a waiver or renegotiation of that covenant;
- our immediate payment of all principal and accrued interest, if any, if the debt is payable on demand;
- our inability to obtain necessary additional financing if the debt contains covenants restricting our ability to obtain such financing while the debt is outstanding;
- our inability to pay dividends on our Class A common stock;

using a substantial portion of our cash flow to pay principal and interest on our debt, which will reduce the funds available for dividends on our Class A common stock if declared, expenses, capital expenditures, acquisitions and other general corporate purposes;

[Table of Contents](#)

- limitations on our flexibility in planning for and reacting to changes in our business and in the industry in which we operate;
- increased vulnerability to adverse changes in general economic, industry and competitive conditions and adverse changes in government regulation; and
- limitations on our ability to borrow additional amounts for expenses, capital expenditures, acquisitions, debt service requirements, execution of our strategy and other purposes and other disadvantages compared to our competitors who have less debt.

Results of Operations

We have neither engaged in any operations (other than searching for a Business Combination after our Initial Public Offering) nor generated any revenues to date. Our only activities from March 6, 2020 (inception) through September 30, 2020 were organizational activities, those necessary to prepare for the Initial Public Offering, described below. We do not expect to generate any operating revenues until after the completion of our Business Combination. We generate non-operating income in the form of interest income on marketable securities held after the Initial Public Offering. We incur expenses as a result of being a public company (for legal, financial reporting, accounting and auditing compliance), as well as for due diligence expenses.

For the three months ended September 30, 2020, we had a net loss of \$188,365, which consists of operating costs of \$284,765 and a provision of income taxes of \$12,334, offset by interest income on marketable securities held in the Trust Account of \$108,734.

For the period from March 6, 2020 (inception) through September 30, 2020, we had a net loss of \$190,427, which consists of operating costs of \$286,827 and a provision of income taxes of \$12,334, offset by interest income on marketable securities held in the Trust Account of \$108,734.

Liquidity and Capital Resources

Until the consummation of the Initial Public Offering, our only source of liquidity was an initial purchase of common stock by the Sponsor and loans from our Sponsor.

On June 30, 2020, we consummated the Initial Public Offering of 35,000,000 Units at a price of \$10.00 per Unit, which includes the partial exercise by the underwriters of their over-allotment option in the amount of 4,500,000, generating gross proceeds of \$350,000,000. Simultaneously with the closing of the Initial Public Offering, we consummated the sale of 8,100,000 Private Placement Warrants at a price of \$1.00 per Private Placement Warrant in a private placement to our stockholders, generating gross proceeds of \$8,100,000.

Following the Initial Public Offering, the partial exercise of the over-allotment option by the underwriters' and the sale of the Private Placement Warrants, a total of \$350,000,000 was placed in the Trust Account. We incurred \$19,834,039 in transaction costs, including \$6,100,000 of underwriting fees, \$13,150,000 of deferred underwriting fees and \$584,039 of other offering costs.

For the period from March 6, 2020 (inception) through September 30, 2020, cash used in operating activities was \$253,621. Net loss of \$190,427 was affected by interest earned on marketable securities held in the Trust Account of \$108,734. Changes in operating assets and liabilities provided \$45,540 of cash.

As of September 30, 2020, we had marketable securities held in the Trust Account of \$350,108,734. We intend to use substantially all of the funds held in the Trust Account, including any amounts representing interest earned on the Trust Account to complete our Business Combination. To the extent that our capital stock or debt is used, in whole or in part, as consideration to complete our Business Combination, the remaining proceeds held in the Trust Account will be used as working capital to finance the operations of the target business or businesses, make other acquisitions and pursue our growth strategies.

[Table of Contents](#)

As of September 30, 2020, we had \$1,187,011 of cash held outside of the Trust Account. We intend to use the funds held outside the Trust Account primarily to identify and evaluate target businesses, perform business due diligence on prospective target businesses, travel to and from the offices, plants or similar locations of prospective target businesses or their representatives or owners, review corporate documents and material agreements of prospective target businesses, and structure, negotiate and complete a Business Combination.

In order to fund working capital deficiencies or finance transaction costs in connection with a Business Combination, the Sponsor, or certain of the Company's officers and directors or their affiliates may, but are not obligated to, loan us funds as may be required. If we complete a Business Combination, we would repay the Working Capital Loans out of the proceeds of the Trust Account released to us. Otherwise, the Working Capital Loans would be repaid only out of funds held outside the Trust Account. In the event that a Business Combination does not close, we may use a portion of proceeds held outside the Trust Account to repay the Working Capital Loans but no proceeds held in the Trust Account would be used to repay the Working Capital Loans. The Working Capital Loans would either be repaid upon consummation of a Business Combination, without interest, or, at the lender's discretion, up to \$1,500,000 of such Working Capital Loans may be convertible into warrants of the post Business Combination entity. The warrants would be identical to the Private Placement Warrants. Except for the foregoing, the terms of such Working Capital Loans, if any, have not been determined and no written agreements exist with respect to such loans.

We do not believe we will need to raise additional funds in order to meet the expenditures required for operating our business. However, if our estimate of the costs of identifying a target business, undertaking in-depth due diligence and negotiating a Business Combination are less than the actual amount necessary to do so, we may have insufficient funds available to operate our business prior to our Business Combination. Moreover, we may need to obtain additional financing either to complete our Business Combination or because we become obligated to redeem a significant number of our public shares upon consummation of our Business Combination, in which case we may issue additional securities or incur debt in connection with such Business Combination. Subject to compliance with applicable securities laws, we would only complete such financing simultaneously with the completion of our Business Combination. If we are unable to complete our Business Combination because we do not have sufficient funds available to us, we will be forced to cease operations and liquidate the Trust Account. In addition, following our Business Combination, if cash on hand is insufficient, we may need to obtain additional financing in order to meet our obligations.

Off-Balance Sheet Financing Arrangements

We did not have any off-balance sheet arrangements as of September 30, 2020.

Contractual Obligations

We do not have any long-term debt, capital lease obligations, operating lease obligations or long-term liabilities, other than an agreement to pay the Sponsor a monthly fee of \$10,000 for office space, secretarial and administrative support to the Company. We began incurring these fees on June 25, 2020 and will continue to incur these fees monthly until the earlier of the completion of the Business Combination and the Company's liquidation.

The underwriters are entitled to a deferred fee of (i) 3.5% of the gross proceeds of the initial 30,500,000 Units sold in the Initial Public Offering, or \$10,675,000, and (ii) 5.5% of the gross proceeds from the Units sold pursuant to the over-allotment option, or \$2,475,000. Up to 10% of the deferred commission relating to the base offering may be paid at the sole discretion of the Company to third parties not participating in the Initial Public Offering (but who are members of FINRA) that assist us in consummating the Business Combination. The deferred fee will be forfeited by the underwriters solely in the event that we fail to complete a Business Combination, subject to the terms of the underwriting agreement.

Critical Accounting Policies and Estimates

The preparation of condensed financial statements and related disclosures in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and income and expenses during the periods reported. Actual results could materially differ from those estimates. We have identified the following critical accounting policies:

Common Stock Subject to Possible Redemption

We account for our common stock subject to possible redemption in accordance with the guidance in Accounting Standards Codification (“ASC”) Topic 480 “Distinguishing Liabilities from Equity.” Common stock subject to mandatory redemption is classified as a liability instrument and is measured at fair value. Conditionally redeemable common stock (including common stock that features redemption rights that are either within the control of the holder or subject to redemption upon the occurrence of uncertain events not solely within our control) is classified as temporary equity. At all other times, common stock is classified as stockholders’ equity. Our common stock features certain redemption rights that are considered to be outside of our control and subject to occurrence of uncertain future events. Accordingly, the common stock subject to possible redemption is presented as temporary equity, outside of the stockholders’ equity section of our condensed balance sheet.

Net Loss Per Common Share

We apply the two-class method in calculating earnings per share. Net income per common share, basic and diluted for Class A redeemable common stock is calculated by dividing the interest income earned on the Trust Account, net of applicable taxes, by the weighted average number of shares of Class A redeemable common stock outstanding for the periods. Net loss per common share, basic and diluted for Class B non-redeemable common stock is calculated by dividing net income less income attributable to Class A redeemable common stock, by the weighted average number of shares of Class B non-redeemable common stock outstanding for the periods presented.

Recent Accounting Standards

Management does not believe that any recently issued, but not yet effective, accounting standards, if currently adopted, would have a material effect on our condensed financial statements.

BUSINESS OF NEW MONEYLION

Throughout this section, unless otherwise specified, “we”, “us”, “our”, and the “Company” refer to MoneyLion Inc. and its consolidated subsidiaries prior to the consummation of the Business Combination.

Mission

Provide financial access and advice to every hard-working American by rewiring the banking system.

Company Overview

MoneyLion was founded on a simple observation: the current financial system fails to meet the needs of 100 million middle-class Americans. We believe these Americans deserve a better alternative in financial services, and MoneyLion can be a partner in improving their financial well-being. We offer an all-in-one, digital financial platform that provides convenient, low-cost access to banking, borrowing and investing solutions tailored for our customers, rooted in data, and delivered through our proprietary technology platform.

We address our customers from a data-driven perspective of the individual and their specific circumstances. When our customers enjoy periods of financial excess, we provide tools for them to easily manage their spending and saving goals through our digital banking and automated investing solutions. When our customers experience moments of financial need, we provide them immediate access to innovative lending products and credit improvement programs that can bridge these times of financial stress and improve their financial health.

Our platform approach was purpose-built to better serve our customers in contrast to the incumbent providers of financial services. Consumer financial services remains oriented around siloed service providers with incomplete customer data and fee-first product delivery models. We believe consumers benefit when their financial partner understands their entire financial life and can provide both access and advice at the right time and place. Traditional providers generally attempt to sell consumers specific financial products, only seeking to qualify them as a suitable buyer and generate a fee. With a deep, data-driven understanding of our customers and a broad set of integrated, tailor made products, we can guide our customers to use our products when and if appropriate for their needs, creating a mutually beneficial partnership.

We address large, pervasive problems in the \$3.5 trillion financial services industry by focusing on the largest segment of consumers, the middle-class. American consumers face enormous costs to obtain the basic elements of financial life – spend, save, and advice – that in aggregate generate over \$250 billion in fees for the financial services industry on an annual basis. With 100 million middle-class Americans as our core focus – defined as individuals with household incomes up to \$150,000 and FICO scores up to 750 – the breadth of our potential customers, and the costs they face in obtaining financial services, are substantial.

We have only just begun to address these problems, but our progress to date demonstrates the demand for MoneyLion to rewire the banking system. Since inception and through the date of this filing, we have served over 1,400,000 individual customers who have opened an account on our platform to use at least one of our current products. We added approximately one million of these customers since the beginning of 2019, and we believe that we have a substantial opportunity to grow our customer base going forward. We focus on delivering the benefits of our all-in-one, digital financial platform to our customers. We believe the value proposition of our platform approach will continue to accelerate as a result of our data-driven perspective of our customers, allowing us to introduce products and guidance that address their changing life circumstances.

Our Strategy

We address our customers’ needs by pursuing a differentiated strategy. We attempt to rectify complex and long-standing problems in consumer financial services through solutions supported by the following approach:

- 1) **Team:** Backgrounds across both technology and financial services;
- 2) **Data:** Products designed from a data-driven understanding of our customers and their needs;
- 3) **Technology:** Built to underpin all our products and support constant innovation;
- 4) **Platform:** Complementary set of products to address our customers’ entire financial lives; and
- 5) **Guidance:** Real-time and automated, spanning saving, spending, borrowing and investing.

Organize a Team to Address the Problem: The complexity of the problems faced by our customers required a different type of team to address them. The American middle-class is under tremendous, ongoing financial stress with many living paycheck to paycheck without enough savings to navigate through a small financial setback, even before COVID-19. We believed building yet another provider of standard financial products, whether delivered digitally or at a branch, was unlikely to impact their financial well-being for the better.

What was required were individuals who understood the current system in detail, including its legacy technology, exorbitant pricing models, and myopic view of customers. But understanding the problem was only the beginning. Experience in solving seemingly intractable problems through the application of data and technology was necessary. Our team grew to include individuals who had built advanced technologies to algorithmically identify and eliminate inefficiencies in some of the most demanding and competitive markets. To this team, we added experts in product development and financial planning to translate these solutions into a data-driven platform that maximized the benefit of these innovations for our customers.

Organizing a team that understands the complex problems of both our customers and the financial system and has the experience to address such problems was our foundation. However, to generate meaningful benefit for our customers we had to go farther. Customers required a partner who could deliver products that were transparent and made addressing their problems both easy and enjoyable. We added team members experienced in delivering best-in-class consumer digital services, bringing to market a beautiful, easy-to-use interface for our customers to access our platform, consume our products and receive advice.

Lastly, as we established an institution built for the long-term, we hired team members to develop technologies that introduce MoneyLion to our prospective consumers in a cost-effective manner, allowing us to offer our products at fair prices while building a growing, sustainable business. We believe our innovations in customer acquisition have provided us with a competitive advantage that we expect to continue as we scale technologies in which we have made substantial historical investments.

Understand the Problem Through Data: We build innovative consumer financial products that address our customers' complex problems by leveraging advancements in data science from both Silicon Valley and Wall Street and applying those advancements for the benefit of America's middle-class. We believe this approach separates us both from incumbent providers and new market entrants.

MoneyLion begins and ends every conversation with data. Data drives our approach to understanding the problems of our customers, how we can address these problems with products and guidance, and how we approach prospective customers in a timely, cost effective manner.

We consume an enormous flow of data about the American middle-class to understand their problems. Since inception, we have engaged with over 7.5 million Americans through our web and mobile applications, linked to over 13 million bank accounts, and integrated over 100 external data sources, coming to understand the cycle of financial excess and deficit that permeates our prospective customer base. Each day we ingest one billion transactional data points such that our understanding grows, and with it, our ability to address both legacy and emerging problems in our customers' lives. We are constantly analyzing this data reservoir through our 55 machine learning models to generate three billion inferences, categorizations, and predictions per day that we distill into over 14,000 insights for each of our customers.

These insights allow us to understand our customers and drives the development of innovative products. On a standalone basis, our products reflect deep insights in our customers' needs:

- **Banking product:** premium features with no minimums, ability to get paid two days early with direct deposit and credit-card like rewards;
- **Investment product:** the first investment account for 90% of our customers, automatically manages their investments in custom portfolios from leading providers like GlobalX and Wilshire, and offered without account minimums;
- **Salary Advance product:** always there in moments of need, providing emergency funds to help avoid overdraft fees or finance daily transactions; and

- **Credit Builder product:** a suite of services that help customers establish or repair credit, gain financial literacy, and track financial health in a bundled membership subscription that includes banking and investing accounts, a loyalty rewards program and access to cost-effective credit.

Our data-driven customer insights drive the power of our platform, where our current products can work in conjunction to drive better outcomes for our customers. Selected examples include:

- Customers can track their account balances from the MoneyLion mobile application so they can request a 0% APR salary advance to be delivered to their account to avoid costly overdraft fees;
- When a customer earns a cashback reward using their MoneyLion debit card, it is automatically invested in a fully managed investment account where it can be withdrawn and spent or remain invested; and
- Credit Builder loans are collateralized in part by assets in the customers' investment account, allowing a customer to enjoy the benefits of a lower rate while leaving their assets invested.

Lastly, we use our data advantage to drive our efficient customer acquisition strategy. Drawing upon the best practices of advertising technology, we use our deep understanding of our prospective customers to cost effectively introduce the MoneyLion platform at the right time and place.

Build Technology to Scale and Innovate: When we started MoneyLion, we recognized that both incumbent providers of financial services and new market entrants generally chose to build technology to deliver a single product to market. While certainly an easier path than building a platform, a monoline product model can never deliver a fully integrated platform experience or support rapid, product innovation. We chose to build differently.

We built a single core platform from an array of microservices that allows us to deliver both our current products as well as all those we have in development. We believe this technology development model is more in-line with the best practices of leading global technology companies, rather than the legacy models still largely employed in the financial services industry.

The primary beneficiary of our technology strategy is our customers. Products we have introduced are integrated across our platform. Customers can move money from their bank account to their investment account and invest that money into an ETF. Customers can request a salary advance and deposit that money in their bank account. These seamless product experiences can occur within a single app, without friction, in real-time, and reflects the benefit of our original design decision.

We have experienced additional benefits from our decision to build a truly integrated technology platform, that we believe will only compound as we add additional products and features:

- Deliver new products to our customers, from prototype to onboarding, in under six months;
- Reduce our cost to deliver our products and service on an ongoing basis;
- Approve customer requests for new accounts, salary advances, etc. in under ten seconds;
- Transact across the platform on our own payment rails, allowing for instantaneous, costless transfers; and
- Utilize decision engines that automate over 99% of our customer interactions.

We built this platform to deliver a uniform customer experience alongside near complete flexibility in terms of the regulated and unregulated partners we utilize to support our products. For example, MoneyLion is not a bank. However, our customers can open and utilize an FDIC-insured digital demand deposit account, provided by a partner bank, that is fully integrated into our platform. This model allows MoneyLion to adopt best-of-breed partners to support an ever-increasing range of financial activities, shortening the time to deliver new products to our customers, while maintaining a seamless customer experience.

We utilize Amazon Web Services ("AWS") to host and deliver our platform to customers. Delivery through AWS allows for reliable, secure, cost-effective, and high-performance scaling.

We have also invested in specific technologies to attract prospective customers to MoneyLion and convert those individuals into customers. Our technological approach to customer acquisition is a core competitive advantage of MoneyLion and an area in which we will continue to invest resources to maintain what we believe is a material advantage in our cost of marketing.

Solve with a Platform, not a Product: Many new companies have entered the market since our inception that seek to provide an individual financial product to American consumers, while fewer, if any, have attempted to deliver a complete platform of products as we do. We continue to believe that a single product strategy is neither advantageous for consumers nor a tenable long-term strategy for the providers of these products.

Our customers require a variety of products and services to successfully manage their financial lives. By providing a complete platform for these customers, they can address these financial needs both conveniently and seamlessly, and we are able to architect a unique user experience, personalized to the individual customer. Most importantly, by addressing the complete financial life of our customers, we can provide much needed guidance to our customers as to their saving, spending, borrowing and investing decisions, with substantially better insight into their life circumstances. We believe a valuable financial partner needs to both see and provide guidance based on the whole problem, rather than only a portion, and our platform approach is fundamental to achieving our mission to improve financial outcomes for the American middle-class.

In addition to being a better alternative for our customers, we believe that our platform approach is a substantially better long-term model as a business. The cost to acquire customers in a competitive market such as consumer financial services is a material portion of the variable cost structure for both incumbent providers as well as new market entrants. A platform approach allows us as a provider to allocate these acquisition costs over multiple products that our customers may use, initially or over time, on our platform. We can generate multiple income streams from a single customer and deliver our products at pricing levels that we believe will be comparatively lower over the long-term while maintaining attractive operating margins. Lastly, as we continue to mature our customer relationships, we believe that we will continue to grow wallet share with our customers in a manner only available to a full-service platform.

Similarly, our platform approach has also proved advantageous in acquiring new customers. We believe our ability to selectively market multiple products at once allows us to more cost effectively reach prospective customers initially seeking at least one of the products on our platform.

Guidance Brings it All Together: Providing our customers with access to financial products is fundamental to our mission, however, products alone will not adequately address the financial requirements of our customers. We believe that guidance is an essential component of the required service model of a functioning all-in-one, digital financial platform.

When we refer to guiding our customers, we are not referring to an asset allocation strategy or a specific investment opportunity. Those are both comparatively easy and largely irrelevant for our customers. We use the term guidance to reflect a holistic, customer-centric set of automated suggestions, behavioral nudges, goal ingestion and adjustment, planning tips, and reporting across the entire spectrum of saving, spending, borrowing and investing activities driven by our knowledge of the customer, their peers, and our customers' own goals.

Our model is most similar to goals-based planning, a methodology used by certain incumbent providers of financial planning services to address multiple customer objectives across different time horizons. Historically, goals-based planning has been used by financial planning providers to assist high-net-worth customers navigate their allocation of resources across current and future objectives. However, through our acquisition of Wealth Technologies Inc. (acquisition discussed below) and our prior partnership with their team, we have a version of goals-based planning we call fGPS™ that is both customized for our middle-class American customers and we believe to be more advanced than those employed by even the most sophisticated financial planning organizations. Amongst our many advancements, we expect to deliver real-time goals-based planning services, customized to the individual customer and their goals, on a fully automated basis, covering millions of concurrent customers and goals.

To date, we have focused our guidance on addressing the immediate and near-term problems of our customers to assist them in making decisions to place them on a path to a better financial future. Examples include:

- Avoiding overdraft fees;
- Managing surprise expenses;

[Table of Contents](#)

- Improving their credit score;
- Building a rainy-day fund;
- Paying bills; and
- Opening an investment account.

As our customers make progress on the basic elements of managing their financial lives, we will assist them in setting and maintaining progress towards longer-dated goals and aspirations. Examples of longer-dated goals we will seek to assist our customers achieve include:

- Purchasing insurance;
- Planning for a vacation;
- Buying a car;
- Saving for college;
- Buying a home; and
- Retirement planning.

Our platform utilizes affiliates, third party providers of products and services to whom we may introduce our customers from our network to assist customers in making purchases in-line with their goals. We expect to grow our affiliate network over time to address the range of customer-defined goals.

Thematic investing allows customers to invest in their interests and passions, with thematic ETFs aligned to specific topics such as technology innovation and social responsibility.

Portfolios are powered by Global X Management Company LLC and Wilshire Advisors, LLC, two of the leading global investment solution providers in the industry.

Access to Earned Money: *Instacash*

Instacash is our 0% APR salary advance product. When customers link their RoarMoney or an external checking account, they can qualify for Instacash. No credit check required.

Eligibility for Instacash is based on the verification of the checking account, the customer’s identity and is primarily based on a percentage of income or other recurring amounts detected through the linked checking account.

There are no fees associated with either regular delivery of funds to a RoarMoney account (typically delivered within 12-48 hours) or an external checking account (typically delivered within three to five business days). Should a customer wish to receive their funds instantly, there is a \$3.99 Turbo Fee to RoarMoney accounts and \$4.99 Turbo Fee to an external checking account. Use of this instant transfer feature is entirely optional but provides customers with the flexibility to cover temporary cash needs and avoid costly overdraft fees.

Our Business Model

We offer a range of financial products and services through a single platform delivered via a mobile application.

Our adjusted revenue is primarily broken into the following categories:

- **Fees:** in 2020, % of revenue, \$ million in revenue
 - Instacash (instant transfer convenience fees, tips)
 - Credit Builder Plus (monthly recurring membership fees, loan instant transfer convenience fees)
- **Payments:** in 2020, % of revenue, \$ million in revenue
 - RoarMoney (interchange fees, out-of-network ATM fees, administration fees)
- **Advice:** in 2020, % of revenue, \$ million in revenue
 - MoneyLion Investing (administration fees), affiliates (affiliate fees)
- **Interest:** in 2020, % of revenue, \$ million in revenue
 - Credit Builder Plus (loan interest income)

Our credit products are primarily financed through our Investment in America Credit Fund I LLC (“IIA”). IIA was formed in 2016 and is an indirect wholly owned subsidiary of MoneyLion Inc. As of December 31, 2020, IIA had assets of \$ million, primarily from institutional investors, and has been our primary source of funding for originated receivables. IIA is organized as a Delaware limited liability company and is treated as a partnership for United States income tax purposes. IIA’s membership interests are issued in separately designated series, with each series consisting of Class A Units and Class B Units. IIA investors own all non-voting Class B Units of each series, and ML Capital III LC, an indirect wholly owned MoneyLion subsidiary, owns the Class A Units of each series. All debts, liabilities, and obligations incurred, contracted for or otherwise existing with respect to a series will be enforceable against the assets of such series only, and not against the assets of IIA generally or any other series. IIA uses proceeds from the sale of Class B Units to investors to purchase borrower payment dependent promissory notes from Invest in America Notes I SPV LLC and Invest in America Notes SPV IV LLC, each an indirect wholly owned MoneyLion subsidiary. The collateral consists of a portfolio of underlying MoneyLion loans and advance receivables.

Our Growth Strategy

We believe we are in the early innings of realizing the full value of our existing platform. We seek to capitalize on the structural advantages inherent in being a digitally native, customer-centric, and built-to-scale platform as we continue capturing market share and economic gains. Our multi-pronged growth strategy is designed to continue building upon the momentum we have generated to date to create even greater value for consumers:

- Continue penetrating our large addressable market;
- Increase top-of-funnel conversion;
- Accelerate cross-sell and attachment rates with our platform approach;
- Deliver new products and features;
- Grow our affiliate network and expand our corporate partnerships; and
- Evaluate additional strategic acquisitions.

Continue penetrating our large addressable market: Our target market is the 100 million middle-class Americans whose needs are not well-addressed by the current financial system. We define this market as individuals with household incomes up to \$150,000 and FICO scores up to 750. While we have achieved significant growth and scale to date through developing an all-in-one, digital financial platform to meet the needs of our customers, the addressable market is vast, and we have a long runway for future growth. With the over \$500 million in cash raised from the Business Combination, we will have the ability to substantially increase our marketing spend versus our historical expenditure levels. We believe we have developed a highly efficient customer acquisition approach that will allow us to effectively deploy the expanded marketing spend and drive new customer growth.

Increase top-of-funnel conversion: We have a significant opportunity to increase the rate at which we convert consumers we reach through various marketing channels into customers. While we have invested in a technology-based approach to customer acquisition that is highly efficient, we believe scale will allow us to further enhance top-of-funnel conversion. Expanding market presence and consumer awareness of our brand should result in higher rates of customer conversion. In addition, a growing customer base and associated financial and transactional data points will enhance our consumer insights and allow us to better address the needs of our target market, the middle-class. Those insights will allow us to innovate and offer an even broader suite of financial products, attracting more customers onto the MoneyLion platform.

Accelerate cross-sell and attachment rates with our platform approach: We take a platform approach to address our customers’ entire financial lives. The combination of a deep, data-driven understanding of our customers’ pain points and a broad suite of products allows us to help improve our customers’ financial well-being while producing strong revenue growth and profitability. We believe the number of customers using two or more products will further expand as more customers see value in our holistic platform approach, and as we continue to innovate and launch new products. Not only does multiple product engagement increase revenue per customer and drive revenue growth, it also further enhances our profitability, driving a lower cost to acquire and service customers.

Deliver new products and features: Our product and engineering teams are constantly innovating, leveraging both our data-driven understanding of our customers and our existing technology infrastructure to build new, impactful products and features. In 2021, we expect to introduce several new products and services to continue our mission to better serve our customers.

Buy Now Pay Later (“BNPL”): BNPL will provide further payment flexibility for MoneyLion customers, where customers can finance purchases over single or multiple installments. BNPL will be offered to RoarMoney account holders for e-commerce or offline purchases to present them a range of purchase financing alternatives customized for their circumstances. We believe BNPL will be a valuable product addition for our customers, particularly for their e-commerce-related activity, and for MoneyLion, as McKinsey estimates that there will be \$162 billion in point-of-sale lending in 2021, representing 11% of the total U.S. unsecured lending market.

Secured Credit Card: Our Secured Credit Card product will allow MoneyLion Investment account holders with investible assets of as little as \$250 to collateralize those assets and receive a low-cost line of credit delivered through a credit card product. Similar products are a core offering of incumbent providers of wealth management for their high-net-worth customers. Using our data and technology platforms, we will seamlessly bridge our investment and borrowing functions to deliver this high-net-worth product to middle-class Americans at a level of investible assets, starting at only \$250, that will allow many of our customers to enjoy the benefits of this product.

Crypto Platform: Our customers seek access to all forms of financial products, and in response to customer demand, we anticipate introducing crypto-related products across our entire platform. We will first introduce crypto rewards for our customers, in addition to or in substitution of certain current cashback rewards, that will be deposited into a crypto wallet within the platform. We also expect to introduce crypto purchasing, trading and peer-to-peer crypto payments to the platform.

MoneyLife: Consistent with our vision of establishing MoneyLion as a lifestyle brand, we will be introducing MoneyLife, an online financial education content destination. MoneyLife will be an influencer focused, video content-driven education platform where customers can share and discover ideas, advice and insights regarding their financial lives. With high usability and sleek design, MoneyLife will include content driven by financial advice and education influencers, tools to achieve financial goals and additional ways of earning rewards to shop and save. Through MoneyLife, we expect to provide MoneyLion an additional daily destination site for current customers, drive additional prospective customers to MoneyLion, and increase customer engagement and cross-sell opportunities for both MoneyLion and its affiliate partners.

Grow our affiliate network and expand our corporate partnerships: We have established an affiliate network to offer products and services to our customers as guided by our platform. We will continue to dramatically expand our pool of affiliate partners to provide our customers an ever-growing selection of products that can lower their cost of living and improve their quality of life.

MoneyLion has partnered with companies like NFP to provide company-sponsored financial wellness programs that are designed to decrease financial stress and bolster productivity by offering employees the financial products, education and tailored advice they require. We expect to continue to add corporate partners to deliver our products in a cost-effective manner to our targeted customer segment.

Evaluate additional strategic acquisitions: We acquired Wealth Technologies Inc. (“WTI”) in December 2020, contributing meaningfully to our strategies. WTI was an early stage B2B digital finance company delivering personalized algorithmic financial planning through partnerships with global financial institutions. WTI’s proprietary fGPS™ financial planning platform, which is now fully integrated into MoneyLion’s platform, provides our customers dynamic personal financial guidance and decision-making assistance for individuals at scale. Through analysis of personal assets, liabilities and cash flows in the context of the customer’s financial goals, the fGPS platform provides hyper-customized guidance that puts the customer at the center of financial planning. Options range from defining and prioritizing goals, managing expenses, making credit and financing decisions, and optimizing insurance coverage.

We will continue to evaluate opportunistic acquisitions that would allow us to either expand our product offering to our existing customers or allow us to enter new verticals.

Marketing

Our customer acquisition channels combine a mix of online and offline, as well as paid and unpaid, channels. They include marketing affiliates, sponsorships, direct mail, organic web traffic, email marketing, and online advertising, among others.

MoneyLion applies a full-funnel marketing approach both in media and in content creation. By creating complete marketing programs, we believe we generate a sustainable cost advantage across our various customer acquisition channels. We create multiple secondary content pieces from an original long-form content asset, and then cycle these content assets and marketing narratives across earned media channels and our own platforms, including our MoneyLion mobile application.

Customer Service

We are dedicated to addressing the needs of our customers. We believe that our multi-pronged approach to providing cost-effective customer service helps to support customer satisfaction. We offer a searchable, robust self-service Frequently Asked Questions database within our help center, where most questions can be easily answered 24 hours a day, seven days a week. In addition, we offer both a chatbot and a live chat service with an agent, either through the home screen of the MoneyLion app or on the MoneyLion web dashboard. Finally, should a customer wish to speak with a live agent over the phone, we offer those support services as well.

Competitive Landscape

Consumer financial services is a large, fragmented, and competitive market, and we compete in varying degrees with a range of existing providers of consumer-focused banking, lending, investing and other financial products. Our competitors are generally large, well-capitalized financial services companies. Some of our current and potential competitors have longer operating histories, particularly with respect to financial products similar to what we offer, significantly greater financial, technical, marketing and other resources, and a larger customer base.

Banking Competitors: Traditional banks and credit unions (e.g., Chase and Wells Fargo), new entrants obtaining banking licenses (e.g., Varo Money), and other non-bank digital providers that white label regulated products, offering banking-related services (e.g., Chime);

Lending and Salary Advance Competitors Traditional banks and credit unions, specialty finance and other non-bank lenders, offering consumer lending-related or salary advance products (e.g., Upstart and Dave); and

Investing Competitors: Online wealth management platforms, such as robo-advisors, offering consumer investment services (e.g., Betterment and Stash).

We believe other market participants do not adequately meet the needs of the 100 million middle-class Americans who make up our target market. We feel our data-driven approach, single-core technology stack, holistic product offering, and financial guidance focus represent compelling competitive differentiators that will allow us to continue to capture market share and drive growth.

Management Team

We are a founder-led business with a diverse management team that brings together experienced viewpoints from both technology and financial services. See “*New MoneyLion Management after the Business Combination*” for more information.

Employees and Culture

We believe we have built a unique company culture. We attract smart, talented individuals, who possess a passion for innovation and flourish when provided the opportunity to learn and grow. We provide our employees with support programs designed to allow employees to thrive and our teams to outperform. Incentives are further aligned through a broad-based equity compensation program across the employee base.

[Table of Contents](#)

In operating multiple offices across the globe, bringing together some of the best talent from both the US and around the world, we place significant emphasis on having a seamless, one-firm culture and employee experience. This model has paid dividends for our global team members as reflected in our employee engagement and retention.

As the focal point of our human capital strategy, we attract and retain a diverse, talented and motivated employee base. Career growth at MoneyLion may include manager skills and leadership training, peer-based recognition and rewards, transparent incentive and promotion processes, and time and budget allocated to learning and development initiatives.

We place special emphasis on diversity, from our recruitment process to our career development programs. Our management team members come from diverse backgrounds and seek to build a company with diversity clearly established as an organization priority. Here Women Roar is an employee resource group that aims to champion the growth and advancement of women at MoneyLion by investing in their social, personal and professional development. In early 2021, we launched an additional employee resource group to further support our employees of color.

As of December 31, 2020, we had a total of 234 employees across all locations. None of our employees are represented by a labor union or covered by a collective bargaining agreement.

Privacy and Security

Our business involves the collection, storage, processing, use, sharing and transmission of personally identifiable information (“PII”) and other sensitive data, including customer and employee information, financial information and information about how customers interact with our platform. We collect, store, process, use, share and transmit data while maintaining physical, electronic and procedural safeguards. We maintain physical security measures designed to guard against unauthorized access to systems and use safeguards such as firewalls and data encryption. We also enforce physical access controls to our facilities, and we authorize access to PII only for those employees or agents who require it to fulfill the responsibilities of their jobs.

To prevent against fraud, we have built fraud detection capabilities to protect our customers and merchants. We first seek to establish the consumer’s identity using basic information following our KYC protocols. The consumer is then evaluated by our fraud model, and we will then either move forward in the approval processes or request additional data from the consumer. Our sophisticated fraud models use approximately 40-80 other data points to make a near-instantaneous decision on whether to block a transaction. There are also secondary rules that, when triggered, are designed to ensure a transaction is sent to fraud investigators.

The technology infrastructure supporting our platform optimizes the storage and processing of large amounts of data and facilitates the deployment and operations of large-scale products and services in our cloud computing. Our technology infrastructure is designed around industry practices intended to reduce downtime in the event of outages or disaster recovery occurrences. We incorporate multiple layers of protection for business continuity and system redundancy purposes to address cybersecurity risks and loss of data. We have a cybersecurity program designed to protect our technology, including regularly testing our systems to identify and address potential vulnerabilities. We strive to continually improve our technology infrastructure to enhance the customer experience and to increase efficiency, scalability, and security.

As a result of our collection, storage, processing, use, sharing and transmission of PII and other sensitive data, we are subject to certain privacy and information security laws, including, for example, the Gramm-Leach-Bliley Act (“GLBA”), the California Consumer Privacy Act (“CCPA”), the California Privacy Rights Act (“CPRA”) and other state privacy regulations, and other laws, rules and regulations designed to regulate consumer information and data privacy, security and protection, and mitigate identity theft. These laws impose obligations with respect to the collection, processing, storage, disposal, use, transfer, retention and disclosure of PII, and some may require that financial services providers have in place policies regarding information privacy and security. In addition, under certain of these laws, we must provide notice to consumers of our policies and practices for sharing PII with third parties, provide notice of changes to our policies and, with limited exceptions, give consumers the right to prevent use of their PII and disclosure of it to third parties. Further, all 50 states and the District of Columbia have adopted data breach notification laws that impose, in varying degrees, an obligation to notify affected individuals in the event of a data or security breach or compromise of our systems, including when their PII has or may have been accessed by an unauthorized person. These laws may also require us to

notify relevant law enforcement, regulators or consumer reporting agencies in the event of a data breach. Some laws may also impose physical and electronic security requirements regarding the safeguarding of PII. Privacy and information security laws evolve regularly, and complying with these various laws, rules, regulations and standards, and with any new laws or regulations or changes to existing laws, could cause us to incur substantial costs that are likely to increase over time, requiring us to adjust our compliance program on an ongoing basis, change our business practices in a manner adverse to our business, divert resources from other initiatives and projects, and restrict the way products and services involving data are offered. See “Risk Factors — Risks Relating to MoneyLion’s Business and Industry — The collection, processing, use, storage, sharing and transmission of PII and other sensitive data are subject to stringent and changing state, federal and international laws, regulations and standards and policies and could give rise to liabilities as a result of our failure or perceived failure to protect such data, comply with privacy and data protection laws and regulations or adhere to the privacy and data protection practices that we articulate to our customers.”

Regulatory Environment

We operate in a rapidly evolving regulatory environment and are subject to extensive and complex regulation under U.S. federal law and the laws of the states in which we operate. These cover most aspects of our business and include laws, regulations, rules and guidance relating to consumer finance and protection, privacy and data protection, banking, payments, and investment advisory services, among other areas. For example, with respect to our lending business, certain state laws may, if applicable, regulate interest rates and other charges and require certain disclosures to our customers, and may also require licensing for certain activities. In addition, other federal and state laws, public policy, and general principles of equity, such as with respect to the protection of consumers, unfair and deceptive acts or practices, and debt collection practices, may apply to our activities involving the origination, servicing and collection of consumer loans, as well as to our activities in banking, cash advances, payments, investment advisory services and other areas. We are impacted by these laws and regulations both directly and indirectly, including by way of our partnership with MetaBank, which provides deposit accounts and debit cards to our customers. Ensuring compliance with these laws and regulations imposes significant burdens on our business operations.

We could become subject to additional legal or regulatory requirements if laws or regulations change in the jurisdictions in which we operate. In addition, the regulatory framework for our products and services is evolving and uncertain as federal and state governments and regulators consider the application of existing laws and potential adoption of new laws. Although some of the products and services that we offer are relatively novel, we are typically required to comply with the existing regulatory regimes for consumer financial products and services. New laws and regulations, as well as continued uncertainty regarding the application of existing laws and regulations to our products and services, may negatively affect our business. This could include the need to obtain new or different types of licenses or comply with additional laws and regulations in order to conduct our business.

State licensing requirements and regulation

Our lending operations must satisfy the laws and standards of each individual U.S. state in which we operate. This means that when individual states differ in how they regulate consumer lending activity, we must operate in accordance with those jurisdictional-specific requirements.

We are subject to state licensing and other requirements with respect to loans that we originate, and we have obtained necessary licenses or conduct operations pursuant to relevant exemptions in order to originate loans in the jurisdictions in which we do so. Licensing statutes and regulations vary from state to state and prescribe different requirements, including restrictions on loan origination and servicing practices (including limits on the type, amount, and manner of our fees), interest rate limits, disclosure requirements, periodic examination requirements, surety bond and minimum specified net worth requirements, periodic financial reporting requirements, notification requirements for changes in principal officers, stock ownership or corporate control, restrictions on advertising, and requirements that loan forms be submitted for review. The application of state licensing requirements to our business model is not always clear, and while we believe we are in compliance with applicable licensing requirements, state regulators may request or require that we obtain additional licenses or otherwise comply with additional requirements in the future, which may result in changes to our business practices.

Below, we summarize several of the material federal consumer protection and other laws applicable to our business. Many states have laws and regulations that are similar to the federal laws referred to below, but the degree and nature of such laws and regulations vary from state to state. In addition to legal or regulatory inquiries relating to these laws, we may be subject to supervision and examination by state regulatory authorities in the jurisdictions where we operate. We have experienced, are currently and will likely continue to be subject to and experience exams by state regulators. These examinations have and may continue to result in findings or recommendations that have required us, and may continue to require us, to modify our internal controls and/or business practices. If we are found to have engaged in activities that require a state license without having the requisite license or activities that are otherwise deemed to be in violation of state lending laws, the licensing authority may impose fines, impose restrictions on our operations in the relevant state, or seek other remedies for activities conducted in the state.

U.S. federal consumer protection requirements

We must comply with various federal consumer protection regimes, both pursuant to the financial products and services we provide directly and as a service provider to our bank partner, including those set forth in the risk factor entitled “Risk Factors — Our business is subject to extensive regulation, examination, and oversight in a variety of areas, including registration and licensing requirements under federal, state and local laws and regulations.”

We are subject to regulation by the Consumer Financial Protection Bureau (“CFPB”), which oversees compliance with and enforces federal consumer financial protection laws. The CFPB directly and significantly influences the regulation of consumer financial services, including the origination, brokering, servicing, transfer, and collection of consumer loans, including personal loans, and other consumer financial services we may provide. The CFPB has substantial power to regulate financial products and services received by consumers from both bank and non-bank providers of consumer financial products or services and their respective service providers, including rulemaking authority in enumerated areas of federal law applicable to consumer financial products or services such as truth in lending, fair credit reporting and fair debt collection. Under Title X of the Dodd-Frank Act, the CFPB has the authority to pursue enforcement actions against companies that offer or provide consumer financial products or services that engage in unfair, deceptive or abusive acts or practices, which can be referred to as “UDAAP.” The CFPB may also seek a range of other remedies, including rescission of contracts, refund of money, return of real property, restitution, disgorgement of profits or other compensation for unjust enrichment, damages, public notification of the violation, and “conduct” restrictions (i.e., future limits on the target’s activities or functions). Where a company has violated Title X of the Dodd-Frank Act or CFPB regulations under Title X, the Dodd-Frank Act empowers state attorneys general and state regulators to bring civil actions to enforce such laws and regulations.

The CFPB also has enforcement authority with respect to the conduct of third parties that provide services to financial institutions. The CFPB has made it clear that it expects non-bank entities to maintain an effective process for managing risks associated with vendor relationships, including compliance-related risks. In connection with this vendor risk management process, we are expected to perform due diligence reviews of potential vendors, review their policies and procedures and internal training materials to confirm compliance-related focus, include enforceable consequences in contracts with vendors regarding failure to comply with consumer protection requirements, and take prompt action, including terminating the relationship, in the event that vendors fail to meet our expectations. The CFPB may request reports concerning our organization, business conduct, markets, and activities, and also conduct on-site examinations of our business on a periodic basis.

Our business activities are also subject to applicable requirements under other federal statutes and regulations, including but not limited to:

- ***Federal Trade Commission Act.*** The Federal Trade Commission Act prohibits “unfair” and “deceptive” acts and practices in business or commerce and give the Federal Trade Commission (“FTC”) enforcement authority to prevent and redress violations of this prohibition. Whether a particular act or practice violates these laws or the UDAAP-prevention laws enforced by the CFPB frequently involves a highly subjective and/or fact-specific judgment.
- ***Truth in Lending Act.*** The Truth in Lending Act (“TILA”) and Regulation Z, which implements it, require lenders to provide consumers with uniform, understandable information concerning certain terms and conditions of their loan and credit transactions prior to the consummation of a credit transaction and, in the case of certain open-end loans, at the time of a loan solicitation, application, approval, and origination of a credit transaction. TILA also regulates the advertising of credit and gives

borrowers, among other things, certain rights regarding updated disclosures and periodic statements, security interests taken to secure the credit, the right to rescind certain loan transactions, a right to an investigation and resolution of billing errors, and the treatment of credit balances.

- ***Equal Credit Opportunity Act***. The federal Equal Credit Opportunity Act (“ECOA”) prohibits creditors from discriminating against credit applicants on the basis of race, color, sex, age, religion, national origin, marital status, the fact that all or part of the applicant’s income derives from any public assistance program or the fact that the applicant has in good faith exercised any right under the federal Consumer Credit Protection Act or any applicable state law. Regulation B, which implements ECOA, restricts creditors from requesting certain types of information from loan applicants and from using advertising or making statements that would discourage on a prohibited basis a reasonable person from making or pursuing an application. ECOA also requires creditors to provide consumers and certain small businesses with timely responses to applications for credit, including notices of adverse action taken on credit applications.
- ***Fair Credit Reporting Act***. The federal Fair Credit Reporting Act (“FCRA”), as amended by the Fair and Accurate Credit Transactions Act (“FACTA”), promotes the accuracy, fairness and privacy of information in the files of consumer reporting agencies. FCRA requires a permissible purpose to obtain a consumer credit report and requires persons that furnish loan payment information to credit bureaus to report such information accurately. FCRA also imposes disclosure requirements on creditors who take adverse action on credit applications based on information contained in a consumer report or received from a third party and requires creditors who use consumer reports in establishing loan terms to provide risk-based pricing or credit score notices to affected consumers. The FCRA also imposes rules and disclosure requirements on creditors’ use of consumer reports for marketing purposes, which impacts our ability to use consumer reports and prescreened lists to market consumer loans through direct mail and other means.
- ***Military Lending Act***. The Military Lending Act (“MLA”) restricts, among other things, the interest rate and other terms that can be offered to active military personnel and their dependents. The MLA caps the interest rate that may be offered to a covered borrower for most types of consumer credit to a 36% military annual percentage rate, or “MAPR,” which includes certain fees such as application fees, participation fees and fees for add-on products. The MLA also requires certain disclosures and prohibits certain terms, such as mandatory arbitration if a dispute arises concerning the consumer credit product.
- ***Electronic Fund Transfer Act and NACHA Rules***. The federal Electronic Fund Transfer Act (“EFTA”) and Regulation E that implements it provide guidelines and restrictions on the provision of electronic fund transfer services to consumers, and on making an electronic transfer of funds from consumers’ bank accounts. In addition, transfers performed by ACH electronic transfers are subject to detailed timing and notification rules and guidelines administered by the National Automated Clearinghouse Association (“NACHA”). Most transfers of funds in connection with the origination and repayment of loans are performed by electronic fund transfers, such as ACH transfers. EFTA requires that lenders make available loan payment methods other than automatic preauthorized electronic fund transfers and prohibits lenders from conditioning the approval of a loan transaction on the borrower’s agreement to repay the loan through automatic fund transfers. Recently, the NACHA Board of Directors approved a change in the NACHA Operating Rules that requires ACH Originators to utilize commercially reasonable fraudulent transaction detection systems. The rule change, effective on March 19, 2021, will require ACH Originators, including lenders, to perform account validation as part of their commercially reasonable fraudulent transaction detection system. This rule change may require changes to our fraud detection systems and increase our costs associated with ACH electronic transfers.
- ***Gramm-Leach-Bliley Act***. The federal Gramm-Leach-Bliley Act (“GLBA”) includes limitations on financial institutions’ disclosure of nonpublic personal information about a consumer to nonaffiliated third parties, in certain circumstances requires financial institutions to limit the use and further disclosure of nonpublic personal information by nonaffiliated third parties to whom they disclose such information, and requires financial institutions to disclose certain privacy policies and practices with respect to information sharing with affiliated and nonaffiliated entities as well as to safeguard personal customer information.

The federal regulatory framework applicable to consumer financial services providers such as us is evolving and uncertain. Additional or different requirements may apply to our business in the future. While we have developed policies and procedures designed to assist in compliance with these laws and regulations, no assurance is given that our compliance policies and procedures will be effective or will be adequate as laws change or are applied in a new manner.

Investment adviser and broker-dealer regulation

We offer investment management services through our wholly owned subsidiary ML Wealth LLC, an internet-based investment adviser that is registered as an investment adviser under the Investment Advisers Act of 1940, as amended (the “Advisers Act”) and is subject to regulation by the SEC. The investment adviser is subject to, among other things, the anti-fraud provisions of the Advisers Act and fiduciary duties derived from these provisions, which apply to our relationships with our advisory clients. These provisions and duties impose restrictions and obligations on us with respect to our dealings with our clients and the investments we manage, including for example disclosure of conflicts of interest. Our investment adviser has in the past and will in the future be subject to periodic SEC examinations. A regular or routine SEC examination will typically involve, at a minimum, a careful review of the adviser’s books and records and may include interviewing employees. The SEC examination staff may also conduct more frequent examinations focusing on a limited number of specific issues or conduct an examination “for cause.” Our investment adviser is also subject to other requirements under the Advisers Act and related regulations primarily intended to protect advisory clients. These additional requirements include maintaining effective and comprehensive compliance programs and written policies and procedures, record-keeping, reporting and disclosure, advertising and solicitation rules, safeguards for protecting client funds and securities, limitations on agency cross and principal transactions between an adviser and its advisory clients, restrictions on advisory contract assignments, privacy protection regulations, and anti-corruption rules relating to investors associated with U.S. state or local governments.

The Advisers Act generally grants the SEC broad administrative powers, including the power to limit or restrict an investment adviser from conducting advisory activities in the event it fails to comply with federal securities laws. Additional sanctions that may be imposed for failure to comply with applicable requirements include the prohibition of individuals from associating with an investment adviser, the revocation of registrations, significant monetary penalties, disgorgement of gains, cease-and-desist orders and other censures. The SEC may bring civil actions against investment advisers, and seek damages or other relief, in a U.S. district court or before an administrative law judge. Even if an investigation or proceeding did not result in a sanction or the sanction imposed against us or our personnel by the SEC were small in monetary amount, the adverse publicity relating to the investigation, proceeding or imposition of these sanctions could harm our reputation and cause us to lose existing clients or fail to gain new clients.

One of our subsidiaries, MoneyLion Securities LLC, is a broker-dealer and is therefore registered with the SEC and a member of the Financial Industry Regulatory Authority, Inc. (“FINRA”). Although we do not currently engage in any business activity through MoneyLion Securities LLC, as a broker-dealer, it is subject to SEC and FINRA rules and regulations. The principal purpose of regulating broker-dealers is the protection of clients and securities markets. The regulations cover all aspects of the broker-dealer business and operations, including, among other things, sales and trading practices, client onboarding, communications with the public, publication or distribution of research, margin lending, uses and safekeeping of clients’ funds and securities, capital adequacy, recordkeeping, reporting, fee arrangements, disclosures to clients, suitability, acting in retail customers’ best interests when making recommendations to them, customer privacy, data protection, information security and cybersecurity, the safeguarding of customer information, the sharing of customer information, best execution of customer orders, public offerings, customer qualifications for margin and options transactions, registration of personnel, business continuity planning, transactions with affiliates, conflicts, and the conduct of directors, officers, and employees.

MoneyLion Securities LLC is subject to Rule 15c3-1 under the Exchange Act (the “Uniform Net Capital Rule”) and related self-regulatory organization (“SRO”) requirements. The Uniform Net Capital Rule specifies minimum capital requirements that measure the general financial soundness and liquidity of broker-dealers. SEC and FINRA rules require notification to these regulators when net capital falls below certain defined criteria, or when withdrawals of capital exceed certain thresholds. These rules also dictate the ratio of debt to equity in the regulatory capital composition of a broker-dealer. If MoneyLion Securities LLC fails to maintain specified levels of

net capital, we could be subject to sanctions, which may include immediate suspension or revocation of registration, and suspension or expulsion. MoneyLion Securities LLC has been and currently is in compliance with the Uniform Net Capital Rule and has net capital in excess of the minimum requirements.

The SEC, FINRA, and applicable state securities authorities also have the authority to conduct periodic examinations of MoneyLion Securities LLC and may also conduct administrative proceedings that could result in sanctions being imposed. To the extent any applicable SEC, state or FINRA rules or regulations change, MoneyLion Securities LLC will need to adapt to those changes.

Regulation of our bank partnership model

Pursuant to our partnership with MetaBank, we offer to our customers FDIC-insured, non-interest-bearing deposit accounts and debit cards with which customers can access their account balances, both of which are provided by MetaBank. Under the terms of our program agreement with MetaBank as well as the agreements between participating customers and MetaBank, each of the participating customers has a deposit account at MetaBank and a debit card issued by MetaBank. We act as the service provider to, among other things, provide customer support and technology features for customers utilizing their MetaBank account through our platform.

MetaBank is chartered as a national bank and subject to regulation and supervision as such by the Office of the Comptroller of the Currency (“OCC”) and the Federal Deposit Insurance Corporation (“FDIC”). Many laws and regulations that apply directly to MetaBank are indirectly applicable to us as a service provider to MetaBank. Our partnership with MetaBank is also subject to the supervision and enforcement authority of the OCC, MetaBank’s primary banking regulator. Additionally, in order for each participating customer’s deposits to be covered by FDIC insurance up to the applicable maximum deposit insurance amount, we and MetaBank must meet certain eligibility requirements established by the FDIC, such as adequately evidencing participating customers’ ownership of each account.

Other requirements

In addition to the requirements described above, we are subject to and seek to comply with other state and federal laws and regulations applicable to consumer lending and other consumer financial and services, including additional requirements relating to loan disclosure, credit discrimination, credit reporting, debt collection and UDAAP prevention. These laws and regulations may be enforced by state banking or consumer protection regulatory agencies, state attorneys general, the CFPB, and private litigants, among others. Given our novel business model and the subjective nature of some of these laws and regulations, particularly UDAAP-prevention laws, we may become subject to regulatory scrutiny or legal challenge with respect to our compliance with these requirements.

Given the nature of our business and our arrangements with third parties, we are subject to compliance obligations related to U.S. anti-money laundering (“AML”) laws and regulations. We have developed and currently operate an AML program designed to prevent our products from being used to facilitate money laundering, terrorist financing, and other financial crimes. Our program is also designed to prevent our products from being used to facilitate business in certain countries or territories, or with certain individuals or entities, including those on designated lists promulgated by the U.S. Department of the Treasury’s Office of Foreign Assets Controls and other U.S. and non-U.S. sanctions authorities. Our AML and sanctions compliance programs include policies, procedures, reporting protocols, and internal controls, including the designation of a BSA/AML compliance officer to oversee the programs. Our programs are designed to address these legal and regulatory requirements and to assist in managing risk associated with money laundering and terrorist financing.

We collect, store, use, disclose, transfer, and otherwise process a wide variety of information, including personally identifiable information, for various purposes in our business, including to help ensure the integrity of our services and to provide features and functionality to our customers. This aspect of our business, including the collection, storage, use, disclosure, transfer, processing, and protection of the information, including personally identifiable information, we acquire in connection with our consumers’ and merchants’ use of our services, is subject to numerous privacy, cybersecurity, and other laws and regulations in the United States, including the GLBA as well as state laws such as the California Consumer Privacy Act. Accordingly, we publish our privacy policies and terms of service, which describe our practices concerning the collection, storage, use, disclosure, transmission, processing,

and protection of information. For additional discussion, please see the risk factors related to regulation of our business and regulation in the areas of privacy and data use, under the section titled “Risk Factors — The collection, processing, use, storage, sharing and transmission of PII and other sensitive data are subject to stringent and changing state, federal and international laws, regulations and standards and policies and could give rise to liabilities as a result of our failure or perceived failure to protect such data, comply with privacy and data protection laws and regulations or adhere to the privacy and data protection practices that we articulate to our customers.”

The legal and regulatory framework for privacy and security issues worldwide is rapidly evolving, and, although we endeavor to comply with these laws and regulations and our published policies and documentation, we may at times fail to do so or be alleged to have failed to do so. Any actual or perceived failure to comply with legal and regulatory requirements applicable to us, including those relating to privacy or security, or any failure to protect the information that we collect from our customers, including personally identifiable information, from cyber-attacks, or any such actual or perceived failure by our third-party partners and service providers, may result in, among other things, revocation of required licenses or registrations, loss of approved status, private litigation, regulatory or governmental investigations, administrative enforcement actions, sanctions, civil and criminal liability, and constraints on our ability to continue to operate.

In addition, there are federal and state laws and regulations on marketing activities conducted over the internet, or by mail, email or telephone, including without limitation the federal Telephone Consumer Protection Act (“TCPA”), the federal Controlling the Assault of Non-Solicited Pornography and Marketing Act (“CAN-SPAM Act”), FTC regulations and guidelines that implement the FTC’s Do-Not-Call Registry and impose other requirements in connection with telemarketing activities, and state telemarketing laws. Our marketing activities may subject us to some of these laws and regulations. MoneyLion’s policies address the requirements of the TCPA and other laws and regulations limiting telephone outreach, and we do not engage in certain activities covered by the TCPA. Our email communications with all consumers are formulated to comply with the CAN-SPAM Act and other applicable requirements.

Various federal and state regulatory agencies in the United States continue to examine a wide variety of issues that are applicable to us and may impact our business. These issues include account management guidelines, antidiscrimination, consumer protection, identity theft, privacy, disclosure rules, electronic transfers, cybersecurity, and marketing. As our business continues to develop and expand, we continue to monitor the additional rules and regulations that may become relevant.

Intellectual Property

We rely on a combination of trademark, trade secrets and copyright laws, as well as confidentiality procedures and contractual restrictions, to establish, maintain and protect our proprietary rights. Despite substantial investment in research and development activities, we have not focused on patents and patent applications historically. In addition to the intellectual property that we own, we license certain third-party technologies and intellectual property, which are incorporated into some of our solutions.

The efforts we have taken to protect our intellectual property may not be sufficient or effective. It may be possible for other parties to copy or otherwise obtain and use the content of our solutions or other technology without authorization. Moreover, others may independently develop technologies or services that are competitive with ours or that infringe, misappropriate, or otherwise violate our intellectual property and proprietary rights. Failure to protect our intellectual property or proprietary rights adequately could significantly harm our competitive position, business, financial condition and results of operations. See “Risk Factors — Risks Relating to MoneyLion’s Business and Industry — We may be unable to sufficiently obtain, maintain, protect, or enforce our intellectual property and other proprietary rights, which could reduce the value of our platform, products, services and brand, impair our competitive position and cause reputational harm.”

In addition, third parties may initiate litigation against us alleging infringement, misappropriation or other violation of their proprietary rights or declaring their non-infringement of our intellectual property. Companies in the internet and technology industries, and other patent and trademark holders seeking to profit from royalties in connection with grants of licenses, own large numbers of patents, copyrights, trademarks and trade secrets and frequently enter into litigation based on allegations of infringement or other violations of intellectual property.

[Table of Contents](#)

We may from time to time receive notices that claim we have misappropriated or misused other parties' intellectual property. There may be intellectual property held by others, including issued or pending patents and trademarks, that cover significant aspects of our solutions. Any intellectual property claim against us, regardless of merit, could be time consuming and expensive to settle or litigate and could divert our management's attention and other resources. These claims could also subject us to significant liability for damages and could result in our having to stop using solutions found to be in violation of another party's rights. We might be required or may opt to seek a license for rights to intellectual property held by others, which may not be available on commercially reasonable terms or at all. Even if a license is available, we could be required to pay significant royalties, which would increase our operating expenses. We may also be required to develop alternative non-infringing solutions, which could require significant effort and expense and which we may not be able to perform efficiently or at all. If we cannot license the intellectual property at issue or develop non-infringing solutions for any allegedly infringing aspect of our business, we may be unable to compete effectively. See "Risk Factors — Risks Relating to MoneyLion's Business and Industry — We may be sued by third parties for alleged infringement, misappropriation, or other violation of their intellectual property or other proprietary rights which may be costly and may subject us to significant liability and increased costs of doing business."

Facilities

Our principal corporate headquarters are located in New York City, and we maintain additional offices in Salt Lake City and Kuala Lumpur. We lease all our facilities and do not own any real property. We believe our facilities are adequate and suitable for our current needs and that, should it become necessary, suitable additional or alternative space will be available to accommodate our operations.

Location	Approximate Square Footage
New York, New York	10,690
Salt Lake City, Utah	10,975
Kuala Lumpur, Malaysia	8,925

Legal and Regulatory Proceedings

From time to time, we are subject to various claims and legal proceedings in the ordinary course of business, including arbitrations, class actions and other litigation. We are also the subject of various actions, inquiries, investigations, and proceedings by regulatory and other governmental agencies. The outcome of legal and regulatory matters discussed in this section is inherently uncertain and some of these matters may result in adverse judgments or awards, including penalties, injunctions or other relief, and could materially and adversely impact our business, financial condition, operating results and cash flows. See "Risk Factors — Unfavorable outcomes in legal proceedings may harm our business and results of operations."

DiCarlo Class Action Lawsuit

In July 2019, a putative class action was filed against us in the United States District Court for the Central District of California in *DiCarlo v. MoneyLion Inc. et al.* alleging that our membership and other fees are a finance charge under Regulation Z and that terms of membership and loans were not sufficiently disclosed, along with other state law causes. In December 2019, the District Court granted our motion to compel the plaintiff to adhere to the terms of the membership agreement and submit the matter to arbitration. The plaintiff appealed the District Court's decision to the United States Court of Appeals for the Ninth Circuit, where oral arguments were heard in December 2020 and the decision is pending.

California Department of Financial Protection and Innovation Examination and Investigation

We are subject to regulatory examination by the California Department of Financial Protection and Innovation (the "CA DFPI"). In October 2020, we received a report of examination for MoneyLion of California, LLC, our subsidiary, that identified certain compliance exceptions and required us to take corrective actions, including customer refunds relating to legacy loan products that we no longer offer. We are in the process of completing the required corrective actions and have enhanced our policies and procedures for compliance with

applicable provisions of the California Financial Code going forward. In addition, the CA DFPI is currently conducting an industry-wide investigation of companies that provide earned wage access products and services, including Instacash. We intend to continue cooperating fully in this investigation and to that end anticipate entering into a memorandum of understanding (“MOU”) with the CA DFPI. We expect that the MOU, will require us to regularly provide certain information to the CA DFPI and adhere to certain best practices regarding Instacash while the CA DFPI continues to investigate. Discussions regarding the MOU are ongoing and any potential impacts on our financial condition or operations are unknown at this time.

CFPB Civil Investigative Demands

In 2019 and 2020, we received Civil Investigative Demands (the “CIDs”) from the CFPB relating to our compliance with the Military Lending Act (the “MLA”) and our membership model. We have provided to the CFPB all of the information and documents required by the CIDs and intend to continue to fully cooperate with the CFPB in this investigation. The investigation is ongoing and any potential impact on our financial condition or operations are unknown at this time.

Overview

MoneyLion offers a full-service digital financial platform (the “Platform”) that provides convenient, low cost access to banking, borrowing and investing solutions tailored for our customers, rooted in data, and delivered through our proprietary technology platform. The Platform is based upon analytical models that power recommendations which are designed to help customers achieve their financial goals, ranging from building savings, improving credit health, and managing unexpected expenses. The Platform is delivered through a mobile application and an online dashboard.

The Company’s key product offerings include:

Membership programs — We introduced the MoneyLion Plus Membership in late 2017, allowing our customers to, among other things, access affordable credit through asset collateralization, build savings, improve financial literacy and track their financial health. This program evolved into the Credit Builder Plus Membership, introduced in 2019 and intended to emphasize the program’s ability to help our customers build credit while also saving. Members also receive access to our banking account, managed investment services, credit tracking services, rewards and interest-free salary advances. We earn revenue from monthly membership fees paid by our customers.

Secured personal loans — We provide our customers with access to ML Plus loans and Credit Builder Plus loans, personal term loans that are partially secured by the customers’ assets maintained by ML Wealth LLC and held at our third-party broker-dealer partner. These loans are accessed as part of the respective membership programs.

Instacash — We offer our customers Instacash, an interest-free salary advance product, which allows them to access advances based primarily on a percentage of income or other recurring amounts detected through a linked external banking account or through direct deposit to their MoneyLion-serviced banking account. While Instacash is free for our customers, we provide them the option to leave us a tip. In addition to a free standard disbursement option, we also offer our customers an option to disburse their funds to their MoneyLion banking account or external banking account instantly for an instant transfer fee.

Banking account — Through our partnerships with banks, we offer our customers a FDIC-insured digital demand deposit account, which includes issuance of a physical and virtual MoneyLion-branded debit card with features such as up to two-day early direct deposit and rewards. We earn interchange fees from payment networks based on customer expenditures on the debit card. We also earn cardholder fees such as a fee charged to a customer when an out-of-network ATM is utilized to withdraw cash. We incur direct costs, which include fees paid to the payment networks and our partner banks.

Affiliate marketing program — We work with various affiliate partners that offer products or services that we may recommend to our customers via display ads, offers or campaigns through our digital platform. We earn fees from our affiliate partners in exchange for meeting certain success metrics related to their campaigns such as customers’ clicks, impressions or completed transactions.

Managed investing — We offer our customers automated investing tools with various diversified investment options tailored to their risk tolerance preferences. Our customers are also able to invest in thematic portfolios, such as ones focused on cash flow growth or innovation. We earn a small periodic administration fee from our customers who use this product.

[Table of Contents](#)

Unsecured personal loans — We offered unsecured personal loans to our customers of up to \$15,000. We earn interest income related to this loan portfolio, but phased out this offering in the first quarter of 2020.

Credit-related decision servicing — Credit-related decision services fees are generated for credit-related decision services provided to third parties. We phased out this offering in the first quarter of 2020 and it is not expected to contribute significantly to revenue going forward.

Our credit products are primarily financed through our Investment in America Credit Fund I LLC (“IIA”). IIA was formed in 2016 and is an indirect wholly owned subsidiary of MoneyLion Inc. IIA’s membership interests are issued in separately designated series. All debts, liabilities, and obligations incurred, contracted for or otherwise existing with respect to a series will be enforceable against the assets of such series only, and not against the assets of IIA generally or any other series. IIA uses proceeds from investors to purchase borrower payment dependent promissory notes from Invest in America Notes I SPV LLC and Invest in America Notes SPV IV LLC, each an indirect wholly owned MoneyLion subsidiary. The collateral consists of a portfolio of underlying MoneyLion loans and advance receivables.

Recent Developments

Recent events impacting our business are as follows:

COVID-19 — In March 2020, The World Health Organization recognized a global pandemic known as the coronavirus or COVID-19. Due to the economic uncertainty that this has and can continue to cause, there is an added risk factor in the overall future outlook of the Company. In response to the economic uncertainty caused by the pandemic, we made certain operational changes, including reductions to our marketing activities, that have since returned to pre-pandemic levels. We also implemented underwriting policy changes to more closely manage credit risk while we further evaluated market conditions. Credit performance remained steady as our underwriting models quickly adapted to customers’ incomes. To further support our customers, we expanded our payment deferral options and reduced certain fees, while providing them with relevant content and resources on topics like unemployment insurance and stimulus checks. While there has been an increase in economic uncertainty due to the pandemic, there was an uptick in the number of customers on our platform in the second quarter of 2020 due to factors including government initiated lockdowns and temporary or continued closure of local branches of many banks and credit unions. We expect this trend to continue although the rate of customer acquisition as a result of COVID-19 may be slower.

Management will continue to monitor any changes to the business as the pandemic continues throughout 2021.

Business Combinations — During December 2020, we acquired Wealth Technologies Inc. (“WTI”). Additionally, during February 2021, we entered into a definitive agreement to merge with Fusion Acquisition Corp. (“Fusion”). See below for further discussion.

- **WTI Acquisition** — In December 2020, the Company acquired 100% of the outstanding common stock and Series A preferred shares of WTI in exchange for 539,592 shares of the Company Series C-1 redeemable convertible preferred stock, resulting in equity consideration of approximately \$30.0 million (“WTI Acquisition”). WTI is a technology company specializing in market-leading wealth management decisioning and administration. The co-founder and majority equity holder of WTI is also a significant stockholder of Series A redeemable convertible preferred stock of the Company and was named as the MoneyLion Chairman subsequent to the transaction.

- **Pending Merger with Fusion** — On February 12, 2021, MoneyLion announced that it had entered into an agreement and plan of merger by and among Fusion, a publicly traded special purpose acquisition company and Merger Sub. Under the terms of the proposed transaction, Merger Sub will merge with and into MoneyLion with MoneyLion surviving the merger as a wholly owned subsidiary of Fusion at an estimated combined enterprise value of approximately \$2,400,000,000.00. Total consideration paid to MoneyLion's existing shareholders will be \$2,200,000,000.00. MoneyLion stockholders will receive shares of Class A common stock of Fusion (valued at \$10.00 per share), and, if elected by MoneyLion, cash consideration up to the lower of (A) the amount (which may be zero) by which the Parent Closing Cash (as defined in the merger agreement) exceeds \$260,000,000.00 and (B) \$100,000,000.00. The balance of the consideration to MoneyLion's equity holders will consist of equity in the combined company. Existing MoneyLion equity holders will have the potential to receive an earn-out for additional shares of equity if certain price targets are met as set forth in the definitive merger agreement. The transaction is expected to close during the first half of 2021 and remains subject to customary closing conditions.

Factors Affecting Our Performance

The Company is subject to a number of risks including, but not limited to, the need for successful development of products, the need for additional capital (or financing) to fund operating losses, competition from substitute products and services from larger companies, protection of proprietary technology, dependence on key individuals, and risks associated with changes in information technology.

New customer growth and increasing usage across existing customers

Our ability to effectively acquire new customers, through our acquisition and marketing efforts, and drive usage of our products across our existing customers is key to our growth. We invested in the platform approach and believe our customers' experience is enhanced by using our full product suite as we can better tailor the insights and recommendations. In turn, this generates higher revenue and lifetime value from our customer base.

Product expansion and innovation

We believe in the platform approach and providing relevant products to our customers to help them better manage their financial lives, both in times of need and excess. We will continue to invest in enhancing our existing suite of products and developing new products. Any factors that impair our ability to do so may negatively impact our efforts towards retaining and attracting customers.

General economic and market conditions

Our performance is impacted by the relative strength of the overall economy, market volatility, consumer spending behavior, and consumer demand for financial products and services. The willingness of our customers to spend, invest or borrow may fluctuate with their level of disposable income. Other factors such as interest rate fluctuations or monetary policies may also impact our customers' behavior and our own ability to fund loan volume.

Competition

We compete with several larger financial institutions and technology platforms that offer similar products and services. We compete with those that offer both single point solutions similar to any one of our products as well as more integrated, complete solutions. Some of our competitors may have access to more resources than we do and thus may be able to offer better pricing or benefits to our customers.

Pricing of our products

We derive a substantial portion of our revenue from fees earned from our products. The fees we earn are subject to a variety of external factors such as competition, interchange rates and other macroeconomic factors, such as interest rates, inflation, among others. We may provide discounts to customers who utilize multiple products to expand usage of our platform. We may also lower pricing on our products to acquire new customers.

Product mix

We provide various products and services on our platform, including a membership program, loans, salary advances, investment and banking accounts, and each product has a different profitability profile. The relative usage of products with high or low profitability and their lifetime value could have an impact on our performance.

Access and cost of financing

Our credit products are primarily financed through IIA and associated special purpose vehicles, as well as certain credit facilities. Loss of one or more of financing sources we have for our credit products and other operations could have an adverse impact on our performance, and it could be costly to obtain new financing.

Key Performance Metrics

We regularly review several metrics, including the following key metrics, to evaluate our business, measure our performance, identify trends affecting our business, formulate financial projections and make strategic decisions.

Total Payment Volume

We define total payment volume as total customer expenditure on the MoneyLion branded debit card within the stated period. We consider total payment volume to be a key performance metric as it can be used to measure the usage and engagement of the customers of our banking account product and is a significant driver of fee income. Total payment volume was \$277 million for the year ended December 31, 2019.

Total Originations

We define total originations as the dollar volume of the loans originated and Instacash advances funded within the stated period. We consider total originations to be a key performance metric as it can be used to measure the usage and engagement of the customers across our lending and Instacash products and is a significant driver of net interest income on finance receivables and fee income. Total originations were \$120 million for the year ended December 31, 2019.

Total Customers

We define total customers as those customers that have opened at least one account, including banking, membership subscription, loan, salary advance or managed investment account. We consider total customers to be a key performance metric as it can be used to understand lifecycle efforts of our customers, as we look to cross sell products to our customer base and grow our platform. Total customers were 894,000 as of December 31, 2019.

Adjusted Revenue

Adjusted revenue is defined as total revenues, net plus amortization of loan origination costs less direct charge-offs, revenue from products that have been phased out, and non-operating income. We believe that adjusted revenue provides a meaningful understanding of revenue from ongoing products and recurring revenue for comparability purposes. Adjusted revenue is a non-GAAP measure and should not be viewed as a substitute for total revenues, net. Refer to the “*Non-GAAP Measures*” section below for further discussion.

Our adjusted revenue is further broken into the following categories:

	2019
	(in thousands)
Fees	\$ 30,001
Payments	4,707
Advice	3,227
Interest	2,123
Adjusted Revenue	\$ 40,057

[Table of Contents](#)

This breakdown of adjusted revenue across the categories of fees, payments, advice, and interest helps provide our management with a better understanding of adjusted revenue by type and may help to inform strategic pricing and resource allocations across our products.

Contribution Profit

Contribution profit is defined as net loss plus income tax benefit, total operating expenses, less directly attributable operating expenses, revenue derived from products that have been phased out, and non-operating income. We believe that contribution profit provides a meaningful understanding of one aspect of earnings (loss) before the impact of investing and financing charges and income taxes. Contribution profit is a non-GAAP measure and should not be viewed as a substitute for net loss. Refer to the “*Non-GAAP Measures*” section below for further discussion.

Net Interest Income on Finance Receivables

Net interest income on finance receivables was \$11.1million for the year ended December 31, 2019, which represents 18.3% of total revenues, net. Net interest income on finance receivables is generated by interest earned on unsecured personal loans, ML Plus loans and Credit Builder Plus loans, which is offset by direct charge-offs and amortization of loan origination costs. Net interest income on finance receivables is comprised of:

Unsecured Personal Loans — Net interest income related to unsecured personal loans represents 85.4% of the total balance of net interest income on finance receivables less amortization of loan origination costs. ML Plus Loans — Net interest income related to ML Plus Loans represents 13.4% of the total balance of net interest income on finance receivables less amortization of loan origination costs. During the third quarter of 2019, we began phasing out origination of ML Plus loans and started offering the Credit Builder Plus loans. Net interest income from ML Plus loans is expected to contribute less going forward as the loan portfolio runs off.

Credit Builder Plus — Net interest income related to Credit Builder Plus loans represents 1.2% of the total balance of net interest income on finance receivables less amortization of loan origination costs. Due to the launch of Credit Builder Plus in the third quarter of 2019, net interest income for this loan portfolio is expected to increase going forward.

Other direct costs

Non-GAAP Measures

In addition to total revenues, net and net loss, which are measures presented in accordance with U.S. GAAP, management believes that adjusted revenue and contribution profit provide relevant and useful information which is widely used by analysts, investors, and competitors in our industry in assessing performance. Adjusted revenue and contribution profit are supplemental measures of MoneyLion's performance that are neither required by nor presented in accordance with U.S. GAAP. Adjusted revenue and contribution profit should not be considered as substitutes for U.S. GAAP metrics such as total revenues, net and net income (loss) or any other performance measures derived in accordance with U.S. GAAP and may not be comparable to similar measures used by other companies.

We define adjusted revenue as total revenues, net plus amortization of loan origination costs less direct charge-offs, revenue from products that have been phased out and non-operating income. We believe that adjusted revenue provides a meaningful understanding of revenue from ongoing products and recurring revenue for comparability purposes. We define contribution profit as net loss plus income tax benefit, total operating expenses, less directly attributable operating expenses, revenue derived from products that have been phased out, and non-operating income. We believe that contribution profit provides a meaningful understanding of one aspect of earnings (loss) before the impact of investing and financing charges and income taxes.

Adjusted revenue and contribution profit are useful to an investor in evaluating our performance because these measures:

- Are widely used by investors to measure a company's operating performance;
- Are metrics used by rating agencies, lenders and other parties to evaluate our credit worthiness; and
- Are used by our management for various purposes, including as measures of performance and as a basis for strategic planning and forecasting.

Secured Loans

Secured Bank Loan — In September 2018, the Company entered into a Loan and Security Agreement (“Secured Bank Loan”) with a bank for a 6.75% \$20 million loan. Interest only was payable monthly through September 27, 2019. According to the terms of the Secured Bank Loan, the outstanding principal on that date was converted to a term loan payable with principal and interest payable in 36 monthly installments, maturing on September 27, 2022. The loan is secured by all assets of the Company, including capital stock of all subsidiaries, except for capital stock and assets in certain excluded subsidiaries, as defined, including our IIA and all of the related SPVs. Under the terms of the Secured Bank Loan, the Company is subject to certain covenants, as defined, including the requirement to maintain a cash balance, as defined, at the bank of \$15 million. As of December 31, 2019, the balance of the Secured Bank Loan was \$18.3 million. The Secured Bank Loan was paid off in 2020.

Secured Debt Agreements — In March 2018, and then in April 2018, IIA Notes SPV II LLC and IIA Notes SPV III LLC, wholly owned subsidiaries of the Company, entered into Loan and Security Agreements (“Secured Debt”) with separate lenders establishing a total credit facility of a minimum of \$20 million, which may be increased to \$27 million upon mutual agreement between the lenders and the Company. Borrowings under these agreements are secured by a security interest in certain consumer finance loans. These agreements mature at various dates through 2020 and carry a total interest rate of 14%. The Company borrowed a total of \$22 million under these credit facilities. In January 2019 the Company repaid \$11 million of the outstanding Secured Debt. As of December 31, 2019, the balance due under the Secured Debt was \$11 million. The remaining balance of \$11 million under the Secured Debt was paid off in 2020.

Secured Loan Facility — In April 2015, certain wholly owned subsidiaries of MoneyLion Inc. entered into a Secured Loan Facility Agreement (“Secured Loan Facility”) with an unrelated third party. The Secured Loan Facility had a maximum principal amount of \$25 million, the proceeds of which were used to fund origination of finance receivables through a wholly owned subsidiary of MoneyLion Inc. The interest charged on the outstanding principal balance was 15% and the Secured Loan Facility matured on July 31, 2019. The Secured Loan Facility established a first priority lien on all assets of the wholly owned subsidiary. The Secured Loan Facility contained various requirements, including maintaining cash balances on hand or in operating accounts at deposit institutions and certain other financial reporting requirements. The Secured Loan Facility was repaid to the lender as the underlying portfolio of finance receivables was repaid by borrowers. Additional interest of 0.5% was charged on any

balance not borrowed up to the \$25 million of the facility. As of March 2019, this facility was fully terminated and all outstanding principal and interest was paid in full. As of December 31, 2019, the balance due under the Secured Loan Facility was \$0.

Other

The agreement also requires the Company to adhere to certain financial covenants along with certain other financial reporting requirements. The Company did not meet certain of these covenant requirements as of December 31, 2019, for which it received a waiver from the lender. As of December 31, 2019, the balance due under this facility was \$0.

In connection with, the credit and security agreement grants warrants allowing the lender to purchase up to 2.5% of the Company's outstanding common stock. Critical Accounting Policies

The preparation of our consolidated financial statements in conformity with U.S. GAAP requires our management to make a number of estimates and assumptions relating to the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the periods presented. We evaluate our significant estimates on an ongoing basis. We base our estimates on historical experience and on various other assumptions that we believe to be reasonable under the circumstances, the results of which form the basis for making judgments about the carrying value of assets and liabilities that are not readily apparent from other sources. Actual results could differ from those estimates under different assumptions or conditions, impacting our reported results of operations and financial condition.

We believe that the accounting policies described below involve a significant degree of judgment and complexity. Accordingly, we believe these are the most critical to aid in fully understanding and evaluating our consolidated financial condition and results of operations. For further information, see Note 2 to our consolidated financial statements included elsewhere in this prospectus.

Interest and Origination Costs on Finance Receivables

Finance receivables are short-term loans from individuals that are reported at their principal amount outstanding, net of deferred origination fees and direct costs and an allowance for loan losses. Management has the intent and ability to hold these receivables for the foreseeable future, or until maturity or payoff. Fees received and direct origination costs incurred for the origination of finance receivables are deferred and amortized to interest income over the contractual lives of the loans using the effective interest method. Unamortized amounts are recognized in income at the time the loans are sold, charged off or paid in full.

The Company's loan products operate under individual state laws, which may carry different rates, and have varying terms and conditions depending upon the state in which they are offered. The Company is licensed or exempt from licensing to make loans in substantially all states in the United States of America.

Interest income on finance receivables are accrued based upon the daily principal amount outstanding except for when these loans are on nonaccrual status. The Company recognizes interest and fee income using the interest method. The Company's policy is to suspend recognition of interest income on finance receivables and place the loan on nonaccrual status when the account is 60 days or more past due on a contractual basis or when, in the Company's estimation, the collectability of the account is uncertain, and the account is less than 90 days contractually past due. Charges for late fees and insufficient fund fees are recognized as income when collected. In 2019, the Company sold certain delinquent fully charged-off finance receivables to unrelated third parties. In 2019, the Company recorded \$287 of recoveries related to the sale of certain delinquent finance receivables to unrelated third parties.

Allowance for Losses on Finance Receivables

An allowance for losses on finance receivables is established to provide for probable losses incurred in the Company's finance receivables at the balance sheet date and is established through a provision for loan losses. Charge-offs, net of recoveries are charged directly to the allowance. The allowance is based on management's assessment of many factors, including changes in the nature, volume, and risk characteristics of the finance receivables portfolio, overall portfolio credit quality, including trends in delinquency and charge-offs and current economic conditions that may affect the borrower's ability to pay. While management uses the best information available to make its evaluation, future adjustments to the allowance may be necessary if there are significant changes in any of the factors.

The Company's charge-off policy is to charge-off finance receivables in the month in which the account becomes 90 days contractually past due. If an account is deemed to be uncollectable prior to this date, the Company will charge-off the receivable in the month it is deemed uncollectable.

The Company determines the past due status using the contractual terms of the finance receivables. This is the credit quality indicator used to evaluate the required allowance for losses on finance receivables for each portfolio segment.

Revenue Recognition

The Company's primary offering is a subscription product. For a monthly subscription to the membership program, a member has access to, among other services, a bank account accessible through a debit card, managed investing services, credit monitoring services, a loan, and a 0% cash advance. Revenue is recognized as the Company transfers control of promised goods or services to members, in an amount that reflects the consideration the Company expects to be entitled to in exchange for those goods or services. The Company evaluates whether it is appropriate to recognize revenue on a gross or net basis based upon its evaluation of whether the Company obtains control of the specified goods or services by considering if it is primarily responsible for fulfillment of the promise, and has the latitude in establishing pricing, among other factors. Based on the Company's evaluation of these factors, revenue is recorded either gross or net of costs associated with the transaction.

Membership subscription revenue is recognized on a daily basis throughout the term of the individual subscription agreements. The Company policy is to suspend recognition of subscription revenue when the last scheduled subscription payment is 60 days past due, or when, in the Company's estimation, the collectability of the account is uncertain. Membership subscription revenue is recognized over time.

Members of the program typically receive the cash related to loans and cash advances in 1-3 business days. Members may elect to receive cash immediately through the Company's instant transfer option. The Company charges a fee when the instant transfer option is elected by a member. Fees earned on Instacash advance transactions are recognized at the point in time that the cash is disbursed.

Affiliate revenue is generated by displaying ads on the Company's application and by sending emails to members promoting affiliate services. For affiliate services, the Company enters into agreements with the affiliates in the form of a signed contract, which specify the terms of the services and fees, prior to advertising and promotional campaigns being run. The Company recognizes revenue from the display of impression-based ads and distribution of impression-based emails in the period in which the impressions are delivered in accordance with the contractual terms of the customer arrangements. Impressions are considered delivered when a member clicks on the advertisement or promotion.

Stock Options

The Company accounts for stock options granted to employees under the fair value recognition provision of ASC 718, "Compensation — Stock Compensation," which requires the use of an option valuation model to measure the fair value of options at the date of grant. The value of the portion of the awards that is ultimately expected to vest is recognized as an expense over the requisite service period in the Company's consolidated statements of operations. The Company uses the Black-Scholes-Merton ("Black-Scholes") option-pricing model to determine the estimated fair value of stock-based awards. The Black-Scholes option-pricing model requires estimates of highly subjective

assumptions, such as expected term, common share price, and volatility, which affect the fair value of each stock option. Forfeitures are accounted for as they are incurred. Refer to Note 2 of the Company's consolidated financial statements for the year ended December 31, 2019 for further details on the assumptions used in the Black-Scholes model.

Recently Issued and Adopted Accounting Pronouncements

See Note 2 to our consolidated financial statements included elsewhere in this proxy statement/prospectus for a discussion of accounting pronouncements recently adopted and recently issued accounting pronouncements not yet adopted and their potential impact to our consolidated financial statements.

Quantitative and Qualitative Disclosure About Market Risk

We are exposed to market risks in the ordinary course of our business. Market risk represents the risk of loss that may impact our financial position due to adverse changes in financial market prices and rates. Our market risk exposure is primarily the result of fluctuations in interest rates.

Interest Rate Risk

Interest rates may adversely impact our customers' level of engagement on our platform and ability and willingness to pay outstanding amounts owed to us. While we do not charge interest on a lot of our products, higher interest rates could deter customers from utilizing our credit products and other loans. Moreover, higher interest rates may lead to increased delinquencies, charge-offs, and allowances for loans and interest receivable, which could have an adverse effect on our operating results.

Certain of our funding arrangements, and future funding arrangements may, bear a variable interest rate. Given the fixed interest rates charged on many of our loans, a rising variable interest rate would reduce our interest margin earned in these funding arrangements. Dramatic increases in interest rates may make these forms of funding nonviable.

Emerging Growth Company

Fusion is an emerging growth company, as defined in the JOBS Act. The JOBS Act provides that an emerging growth company can take advantage of an extended transition period for complying with new or revised accounting standards applicable to public companies, allowing them to delay the adoption of those standards until those standards would otherwise apply to private companies. Fusion has elected to use this extended transition period under the JOBS Act. Further, the financial statements of MoneyLion Inc. also take advantage of the extended transition period for complying with new or revised accounting standards applicable to public companies. As a result, following the Business Combination, our consolidated financial statements may not be comparable to the financial statements of companies that are required to comply with the effective dates for new or revised accounting standards that are applicable to public companies, which may make common stock less attractive to investors.

DESCRIPTION OF NEW MONEYLION SECURITIES

As a result of the Business Combination, Fusion Shareholders who receive shares of New MoneyLion common stock in the transactions, as well as stockholders of MoneyLion, will become New MoneyLion stockholders. Your rights as New MoneyLion stockholders will be governed by the DGCL and New MoneyLion's charter and bylaws. The following description of the material terms of New MoneyLion's securities reflects the anticipated state of affairs upon completion of the Business Combination. This description is a summary and is not complete. We urge you to read in their entirety the Proposed Charter and Proposed Bylaws, which are attached as Annex B and Annex C, respectively.

Unless our board of directors determines otherwise, we will issue all shares of our capital stock in uncertificated form.

As of the record date for the Special Meeting, there were (i) _____ shares of Class A common stock and _____ shares of Class B common stock outstanding. Fusion has also issued _____ warrants, of which _____ were private placement warrants.

Common Stock

We expect to have approximately _____ shares of [•] shares of New MoneyLion Class A common stock outstanding immediately after the consummation of the Business Combination, assuming that no shares of outstanding Fusion Class A common stock are redeemed in connection with the Business Combination. In connection with the Business Combination, the founder shares held by our Sponsor will be converted into shares of New MoneyLion Class A common stock.

Voting Rights

Each holder of the shares of New MoneyLion Class A common stock is entitled to one vote for each share of New MoneyLion Class A common stock held of record by such holder on all matters on which stockholders generally are entitled to vote, as provide by the Proposed Charter. The holders of the shares of New MoneyLion Class A common stock do not have cumulative voting rights in the election of directors. Generally, all matters to be voted on by the holders of New MoneyLion Class A common stock must be approved by a majority (or, in the case of election of directors, by a plurality) of the votes entitled to be cast present in person or represented by proxy, unless otherwise specified by law, the Proposed Charter or the Proposed Bylaws.

Dividend Right

Subject to preferences that may be applicable to any outstanding preferred stock, the holders of shares of New MoneyLion Class A common stock are entitled to receive ratably such dividends, if any, as may be declared from time to time by the board of directors of New MoneyLion out of funds legally available therefor.

Rights upon Liquidation, Dissolution and Winding-Up

In the event of any voluntary or involuntary liquidation, dissolution or winding up of New MoneyLion's affairs, the holders of the shares of New MoneyLion Class A common stock are entitled to share ratably in all assets remaining after payment of New MoneyLion's debts and other liabilities, subject to prior distribution rights of preferred stock or any class or series of stock having a preference over the shares of New MoneyLion Class A common stock, then outstanding, if any.

Preemptive or Other Rights

The holders of shares of New MoneyLion Class A common stock have no preemptive or conversion rights or other subscription rights. There are no redemption or sinking fund provisions applicable to the shares of New MoneyLion Class A common stock. The rights, preferences and privileges of holders of shares of New MoneyLion Class A common stock will be subject to those of the holders of any shares of the preferred stock New MoneyLion may issue in the future.

Lock-Up Restrictions

Pursuant to the Proposed Bylaws, without the prior written consent of the New MoneyLion Board, in its sole discretion at any time, holders (together with any Permitted Transferees (as defined below) the “Lockup Holders”) of Lockup Securities may not directly or indirectly (i) sell, offer to sell, contract or agree to sell, hypothecate, pledge, lend, grant of any option, right or warrant to purchase, purchase of any option or contract to sell, or dispose of or agree to dispose of, filing of (or participation in the filing of) a registration statement with the SEC or establishment or increase of put equivalent position or liquidation or decrease of a call equivalent position within the meaning of Section 16 of the Exchange Act, in each case with respect to any Lockup Securities, (ii) enter into any swap, hedging or other agreement, arrangement or transaction that transfers to another, in whole or in part, any of the economic consequences of ownership of any Lockup Securities or (iii) publicly announces or discloses any action or intention to effect any transaction specified in clause (i) or (ii) (“Transfer”), any Lockup Securities during the Lockup Period without the prior written consent of the New MoneyLion Board.

Notwithstanding the foregoing, Lockup Securities may be transferred during the Lockup Period:

- to New MoneyLion’s officers or directors, any affiliate or family member of any of New MoneyLion’s officers or directors;
- to any affiliate of such Lockup Holder or any partner, member or equityholder of such Lockup Holder or any of their respective affiliates;
- to any other Lockup Holder;
- in the case of an individual, by gift to a member of such individual’s immediate family or to a trust, the beneficiary of which is a member of such individual’s immediate family, an affiliate of such individual or to a charitable organization;
- in the case of an individual, by virtue of laws of descent and distribution upon the death of such individual;
- in the case of an individual, pursuant to a qualified domestic relations order;
- in connection with any bona fide mortgage, encumbrance or pledge to a financial institution in connection with any bona fide loan or debt transaction or enforcement thereunder, including foreclosure thereof;
- by private sales or transfers made in connection with any forward purchase agreement or similar agreement at prices no greater than the price at which the securities were originally purchased;
- by virtue of the laws of the State of Delaware or the dissolution of such Lockup Holder; or
- in the event of New MoneyLion’s liquidation, merger, capital stock exchange or other similar transaction which results in all of the New MoneyLion’s stockholders having the right to exchange their shares of New MoneyLion Class A common stock for cash, securities or other property.

Any person or entity to whom a Lockup Holder is permitted to Transfer any Lockup Securities pursuant to the immediately preceding paragraph (“Permitted Transferees”).

Preferred Stock

The Proposed Charter authorizes the New MoneyLion board of directors to establish one or more series of preferred stock. Unless required by law or by any stock exchange, and subject to the terms of the Proposed Charter, the authorized shares of preferred stock will be available for issuance without further action by holders of New MoneyLion Class A common stock. The New MoneyLion board of directors is able to determine, with respect to any series of preferred stock, designations, powers, preferences and relative, participating, optional or other rights, if any, and the qualifications, limitations or restrictions thereof, if any.

New MoneyLion could issue a series of preferred stock that could, depending on the terms of the series, impede or discourage an acquisition attempt or other transaction that some, or a majority, of the holders of New MoneyLion Class A common stock might believe to be in their best interests or in which the holders of New MoneyLion Class A common stock might receive a premium over the market price of the shares of New MoneyLion Class A common stock. Additionally, the issuance of preferred stock may adversely affect the rights of holders of New MoneyLion Class A common stock by restricting dividends on the common stock, diluting the voting power of the common stock or subordinating the rights of the common stock to distributions upon a liquidation, dissolution or winding up or other event. As a result of these or other factors, the issuance of preferred stock could have an adverse impact on the market price of New MoneyLion Class A common stock.

Warrants

MoneyLion Warrants

In connection with the Business Combination, each outstanding and unexercised warrant to purchase MoneyLion common stock from MoneyLion, subject to certain exceptions, shall be converted into a warrant to acquire shares of New MoneyLion Class A common stock and each holder of a warrant to acquire shares of New MoneyLion shall cease to have any rights with respect to warrants to acquire shares of MoneyLion common stock.

Public Stockholders' Warrants

There are currently outstanding an aggregate of 17,500,000 warrants, which, following the consummation of the Business Combination, will entitle the holder to acquire shares of New MoneyLion Class A common stock. Each whole warrant will entitle the registered holder to purchase one share of New MoneyLion Class A common stock at a price of \$11.50 per share, subject to adjustment as discussed below, beginning 30 days after the Closing, provided that New MoneyLion has an effective registration statement under the Securities Act covering the shares of New MoneyLion Class A common stock issuable upon exercise of the warrants and a current prospectus relating to them is available (or it permits holders to exercise their warrants on a cashless basis under the circumstances specified in the warrant agreement) and such shares are registered, qualified or exempt from registration under the securities, or blue sky, laws of the state of residence of the holder. A holder may exercise its warrants only for a whole number of shares of New MoneyLion Class A common stock. This means only a whole warrant may be exercised at a given time by a warrant holder. No fractional warrants will be issued upon separation of the units and only whole warrants will trade. Accordingly, unless you hold at least two units, you will not be able to receive or trade a whole warrant. The warrants will expire five years after the completion of the Business Combination, at 5:00 p.m., New York City time, or earlier upon redemption or liquidation.

We will not be obligated to deliver any shares of New MoneyLion Class A common stock pursuant to the exercise of a warrant and will have no obligation to settle such warrant exercise unless a registration statement under the Securities Act with respect to the shares of New MoneyLion Class A common stock underlying the warrants is then effective and a prospectus relating thereto is current, subject to New MoneyLion satisfying its obligations described below with respect to registration. No warrant will be exercisable and we will not be obligated to issue shares of New MoneyLion Class A common stock upon exercise of a warrant unless the shares of New MoneyLion Class A common stock issuable upon such warrant exercise has been registered, qualified or deemed to be exempt under the securities laws of the state of residence of the registered holder of the warrants. In the event that the conditions in the two immediately preceding sentences are not satisfied with respect to a warrant, the holder of such warrant will not be entitled to exercise such warrant and such warrant may have no value and expire worthless. In no event will we be required to net cash settle any warrant. In the event that a registration statement is not effective for the exercised warrants, the purchaser of a unit containing such warrant will have paid the full purchase price for the unit solely for the shares of New MoneyLion Class A common stock underlying such unit.

Fusion is not registering the shares of common stock issuable upon exercise of the warrants at this time. However, New MoneyLion has agreed that as soon as practicable, but in no event later than fifteen (15) business days after the Closing, to will use its best efforts to file with the SEC a registration statement for the registration, under the Securities Act, of the shares of New MoneyLion Class A common stock issuable upon exercise of the warrants. New MoneyLion will use its best efforts to cause the same to become effective and to maintain the effectiveness of such registration statement, and a current prospectus relating thereto, until the expiration of the warrants in accordance with the provisions of the warrant agreement. If a registration statement covering the shares of New MoneyLion Class A common stock issuable upon exercise of the warrants is not effective by the sixtieth (60th) business day after the Closing, warrant holders may, until such time as there is an effective registration statement and during any period when we will have failed to maintain an effective registration statement, exercise warrants on a “cashless basis” in accordance with Section 3(a)(9) of the Securities Act or another exemption. Notwithstanding the above, if the shares of New MoneyLion Class A common stock are at the time of any exercise of a warrant not listed on a national securities exchange such that they satisfy the definition of a “covered security” under Section 18(b)(1) of the Securities Act, we may, at our option, require holders of public warrants who exercise their warrants to do so on a “cashless basis” in accordance with Section 3(a)(9) of the Securities Act and, in the event we so elect, we will not be required to file or maintain in effect a registration statement, and in the event we do not so elect, we will use our best efforts to register or qualify the shares under applicable blue sky laws to the extent an exemption is not available.

Redemption of Warrants

Once the warrants become exercisable, New MoneyLion may call the warrants for redemption for cash:

- in whole and not in part;
- at a price of \$0.01 per warrant;
- upon not less than 30 days’ prior written notice of redemption (the “30-day redemption period”) to each warrant holder; and
- if, and only if, the closing price of the common stock equals or exceeds \$18.00 per share (as adjusted for stock splits, stock capitalizations, reorganizations, recapitalizations and the like and for certain issuances of shares of New MoneyLion Class A common stock and equity-linked securities for capital raising purposes in connection with the closing of our initial business combination as described elsewhere in this prospectus) for any 20 trading days within a 30-trading day period ending three business days before we send to the notice of redemption to the warrant holders.

If and when the warrants become redeemable by New MoneyLion for cash, New MoneyLion may exercise its redemption right even if it is unable to register or qualify the underlying securities for sale under all applicable state securities laws.

We have established the last of the redemption criterion discussed above to prevent a redemption call unless there is at the time of the call a significant premium to the warrant exercise price. If the foregoing conditions are satisfied and New MoneyLion issues a notice of redemption of the warrants, each warrant holder will be entitled to exercise his, her or its warrant prior to the scheduled redemption date. However, the price of the shares of New MoneyLion Class A common stock may fall below the \$18.00 redemption trigger price (as adjusted for stock splits, stock capitalizations, reorganizations, recapitalizations and the like and for certain issuances of shares of New MoneyLion Class A common stock and equity-linked securities for capital raising purposes in connection with the closing of our initial business combination as described elsewhere in this prospectus) as well as the \$11.50 warrant exercise price after the redemption notice is issued.

If New MoneyLion calls the warrants for redemption, our management will have the option to require any holder that wishes to exercise his, her or its warrant to do so on a “cashless basis.” In determining whether to require all holders to exercise their warrants on a “cashless basis,” our management will consider, among other factors, our cash position, the number of warrants that are outstanding and the dilutive effect on our stockholders of issuing the maximum number of shares of New MoneyLion Class A common stock issuable upon the exercise of our warrants. If our management takes advantage of this option, all holders of warrants would pay the exercise price by surrendering their warrants for that number of shares of New MoneyLion Class A common stock equal

to the quotient obtained by dividing (x) the product of the number of shares of New MoneyLion Class A common stock underlying the warrants, multiplied by the excess of the “fair market value” (defined below) of our shares of New MoneyLion Class A common stock over the exercise price of the warrants by (y) the fair market value. The “fair market value” will mean the average closing price of the shares of New MoneyLion Class A common stock for the 10 trading days ending on the third trading day prior to the date on which the notice of redemption is sent to the holders of warrants. If our management takes advantage of this option, the notice of redemption will contain the information necessary to calculate the number of shares of New MoneyLion Class A common stock to be received upon exercise of the warrants, including the “fair market value” in such case. Requiring a cashless exercise in this manner will reduce the number of shares to be issued and thereby lessen the dilutive effect of a warrant redemption. We believe this feature is an attractive option to us if we do not need the cash from the exercise of the warrants after our initial business combination. If we call our warrants for redemption and our management does not take advantage of this option, the holders of the private placement warrants and their permitted transferees would still be entitled to exercise their private placement warrants for cash or on a cashless basis using the same formula described above that other warrant holders would have been required to use had all warrant holders been required to exercise their warrants on a cashless basis, as described in more detail below.

A holder of a warrant may notify us in writing in the event it elects to be subject to a requirement that such holder will not have the right to exercise such warrant, to the extent that after giving effect to such exercise, such person (together with such person’s affiliates), to the warrant agent’s actual knowledge, would beneficially own in excess of 4.9% or 9.8% (as specified by the holder) of the shares of New MoneyLion Class A common stock outstanding immediately after giving effect to such exercise.

If the number of outstanding shares of New MoneyLion Class A common stock is increased by a share capitalization payable in shares of New MoneyLion Class A common stock, or by a split-up of common stock or other similar event, then, on the effective date of such share capitalization, split-up or similar event, the number of shares of New MoneyLion Class A common stock issuable on exercise of each warrant will be increased in proportion to such increase in the outstanding shares of common stock. A rights offering to holders of common stock entitling holders to purchase shares of New MoneyLion Class A common stock at a price less than the fair market value will be deemed a share capitalization of a number of shares of New MoneyLion Class A common stock equal to the product of (i) the number of shares of New MoneyLion Class A common stock actually sold in such rights offering (or issuable under any other equity securities sold in such rights offering that are convertible into or exercisable for shares of New MoneyLion Class A common stock) multiplied by (ii) one (1) minus the quotient of (x) the price per shares of New MoneyLion Class A common stock paid in such rights offering and divided by (y) the fair market value. For these purposes (i) if the rights offering is for securities convertible into or exercisable for shares of New MoneyLion Class A common stock, in determining the price payable for shares of New MoneyLion Class A common stock, there will be taken into account any consideration received for such rights, as well as any additional amount payable upon exercise or conversion and (ii) fair market value means the volume weighted average price of shares of New MoneyLion Class A common stock as reported during the ten (10) trading day period ending on the trading day prior to the first date on which the shares of New MoneyLion Class A common stock trades on the applicable exchange or in the applicable market, regular way, without the right to receive such rights.

In addition, if Fusion (prior to the Closing) or New MoneyLion (from and following the Closing), at any time while the warrants are outstanding and unexpired, pays a dividend or makes a distribution in cash, securities or other assets to the holders of common stock on account of such shares of common stock (or other shares of capital stock into which the warrants are convertible), other than (a) as described above, (b) certain ordinary cash dividends, (c) to satisfy the redemption rights of the holders of Fusion Class A common stock in connection with the Closing, (d) to satisfy the redemption rights of the holders of common stock in connection with a stockholder vote to amend the Current Charter to modify the substance or timing of the obligation to redeem 100% of Fusion Class A common stock if it does not complete its initial business combination within 18 months from the closing of its IPO or to provide for redemption in connection with a business combination, or (e) in connection with the redemption of Fusion’s public shares upon its failure to complete its initial business combination, then the warrant exercise price will be decreased, effective immediately after the effective date of such event, by the amount of cash and/or the fair market value of any securities or other assets paid on each share of common stock in respect of such event.

If the number of outstanding shares of New MoneyLion Class A common stock is decreased by a consolidation, combination, reverse share split or reclassification of shares of New MoneyLion Class A common stock or other similar event, then, on the effective date of such consolidation, combination, reverse share split,

[Table of Contents](#)

reclassification or similar event, the number of shares of New MoneyLion Class A common stock issuable on exercise of each warrant will be decreased in proportion to such decrease in outstanding shares of New MoneyLion Class A common stock.

Whenever the number of shares of New MoneyLion Class A common stock purchasable upon the exercise of the warrants is adjusted, as described above, the warrant exercise price will be adjusted by multiplying the warrant exercise price immediately prior to such adjustment by a fraction (x) the numerator of which will be the number of shares of New MoneyLion Class A common stock purchasable upon the exercise of the warrants immediately prior to such adjustment, and (y) the denominator of which will be the number of shares of New MoneyLion Class A common stock so purchasable immediately thereafter.

In addition, if (x) we issue additional shares of Fusion Class A common stock or equitylinked securities for capital raising purposes in connection with the closing of Fusion's initial business combination at an issue price or effective issue price of less than \$9.20 per share of Fusion Class A common stock (with such issue price or effective issue price to be determined in good faith by our board of directors and, in the case of any such issuance to the Sponsor or its affiliates, without taking into account any founder shares held by the Sponsor or its affiliates, as applicable, prior to such issuance), (the "Newly Issued Price") (y) the aggregate gross proceeds from such issuances represent more than 60% of the total equity proceeds, and interest thereon, available for the funding of our initial business combination on the date of the consummation of our initial business combination (net of redemptions), and (z) the volume weighted average trading price of the shares of New MoneyLion Class A common stock during the 20 trading day period starting on the trading day after the day on which we consummate our initial business combination (such price, the "Market Value") is below \$9.20 per share, the exercise price of the warrants will be adjusted (to the nearest cent) to be equal to 115% of the higher of the Market Value and the Newly Issued Price, and the \$18.00 per share redemption trigger price described under "—Redemption of warrants" will be adjusted (to the nearest cent) to be equal to 180% of the higher of the Market Value and the Newly Issued Price.

In case of any reclassification or reorganization of the outstanding shares of New MoneyLion Class A common stock (other than those described above or that solely affects the par value of such shares of New MoneyLion Class A common stock), or in the case of any merger or consolidation of us with or into another corporation (other than a consolidation or merger in which we are the continuing corporation and that does not result in any reclassification or reorganization of our outstanding shares of New MoneyLion Class A common stock), or in the case of any sale or conveyance to another corporation or entity of the assets or other property of us as an entirety or substantially as an entirety in connection with which we are dissolved, the holders of the warrants will thereafter have the right to purchase and receive, upon the basis and upon the terms and conditions specified in the warrants and in lieu of the shares of New MoneyLion Class A common stock immediately theretofore purchasable and receivable upon the exercise of the rights represented thereby, the kind and amount of shares of New MoneyLion Class A common stock or other securities or property (including cash) receivable upon such reclassification, reorganization, merger or consolidation, or upon a dissolution following any such sale or transfer, that the holder of the warrants would have received if such holder had exercised their warrants immediately prior to such event. If less than 70% of the consideration receivable by the holders of shares of New MoneyLion Class A common stock in such a transaction is payable in the form of shares of New MoneyLion Class A common stock in the successor entity that is listed for trading on a national securities exchange or is quoted in an established over-the-counter market, or is to be so listed for trading or quoted immediately following such event, and if the registered holder of the warrant properly exercises the warrant within thirty days following public disclosure of such transaction, the warrant exercise price will be reduced as specified in the warrant agreement based on the Black-Scholes Warrant Value (as defined in the warrant agreement) of the warrant. The purpose of such exercise price reduction is to provide additional value to holders of the warrants when an extraordinary transaction occurs during the exercise period of the warrants pursuant to which the holders of the warrants otherwise do not receive the full potential value of the warrants.

The warrants have been issued in registered form under a warrant agreement between Continental Stock Transfer & Trust Company, as warrant agent, and us. The warrant agreement provides that the terms of the warrants may be amended without the consent of any holder to cure any ambiguity or correct any defective provision, and that all other modifications or amendments will require the vote or written consent of the holders of at least 50% of the then outstanding public warrants, and, solely with respect to any amendment to the terms of the private placement warrants, a majority of the then outstanding private placement warrants. You should review a copy of the warrant agreement, which is filed as an exhibit to the registration statement of which this proxy statement/prospectus is a part, for a complete description of the terms and conditions applicable to the warrants.

[Table of Contents](#)

The warrants may be exercised upon surrender of the warrant certificate on or prior to the expiration date at the offices of the warrant agent, with the exercise form on the reverse side of the warrant certificate completed and executed as indicated, accompanied by full payment of the exercise price (or on a cashless basis, if applicable), by certified or official bank check payable to us, for the number of warrants being exercised. The warrant holders do not have the rights or privileges of holders of common stock and any voting rights until they exercise their warrants and receive shares of New MoneyLion Class A common stock. After the issuance of shares of New MoneyLion Class A common stock upon exercise of the warrants, each holder will be entitled to one vote for each share held of record on all matters to be voted on by stockholders.

No fractional shares will be issued upon exercise of the warrants. If, upon exercise of the warrants, a holder would be entitled to receive a fractional interest in a share, we will, upon exercise, round down to the nearest whole number the number of shares of New MoneyLion Class A common stock to be issued to the warrant holder.

Private Placement Warrants

The private placement warrants (including the shares of New MoneyLion Class A common stock issuable upon exercise of the private placement warrants) will not be transferable, assignable or salable until 30 days after the Closing (except in limited circumstances) and they will not be redeemable by us so long as they are held by our sponsor or its permitted transferees. The initial purchasers, or their permitted transferees, have the option to exercise the private placement warrants on a cashless basis. Except as described in this section, the private placement warrants have terms and provisions that are identical to those of the warrants being sold as part of the units in this offering. If the private placement warrants are held by holders other than the initial purchasers or their permitted transferees, the private placement warrants will be redeemable by us for cash and exercisable by the holders on the same basis as the warrants included in the units sold in the IPO.

If holders of the private placement warrants elect to exercise them on a cashless basis, they would pay the exercise price by surrendering his, her or its warrants for that number of shares of New MoneyLion Class A common stock equal to the quotient obtained by dividing (x) the product of the number of shares of New MoneyLion Class A common stock underlying the warrants, multiplied by the excess of the “fair market value” of our shares of New MoneyLion Class A common stock (defined below) over the exercise price of the warrants by (y) the fair market value. The “fair market value” will mean the average closing price of the shares of New MoneyLion Class A common stock for the 10 trading days ending on the third trading day prior to the date on which the notice of warrant exercise is sent to the warrant agent. The reason that we have agreed that these warrants will be exercisable on a cashless basis so long as they are held by the initial purchasers or their permitted transferees is because it is not known at this time whether they will be affiliated with us following a business combination. If they remain affiliated with us, their ability to sell our securities in the open market will be significantly limited. We expect to have policies in place that prohibit insiders from selling our securities except during specific periods of time. Even during such periods of time when insiders will be permitted to sell our securities, an insider cannot trade in our securities if he or she is in possession of material non-public information. Accordingly, unlike public stockholders who could exercise their warrants and sell the shares of New MoneyLion Class A common stock received upon such exercise freely in the open market in order to recoup the cost of such exercise, the insiders could be significantly restricted from selling such securities. As a result, we believe that allowing the holders to exercise such warrants on a cashless basis is appropriate.

In order to finance transaction costs in connection with Fusion’s initial business combination, the Sponsor or an affiliate of the Sponsor or certain of our officers and directors may, but are not obligated to, loan Fusion funds as may be required. Up to \$1,500,000 of such loans may be convertible into warrants of the post business combination entity at a price of \$1.00 per warrant at the option of the lender. Such warrants would be identical to the private placement warrants.

The Sponsor has agreed not to transfer, assign or sell any of the private placement warrants (including the shares of New MoneyLion Class A common stock issuable upon exercise of any of these warrants) until the date that is 30 days after the Closing (except in limited circumstances).

Anti-Takeover Effects of the Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws and Certain Provisions of Delaware Law

The Proposed Charter, Proposed Bylaws and the DGCL contain provisions that are summarized in the following paragraphs and that are intended to enhance the likelihood of continuity and stability in the composition of our board of directors. These provisions are intended to avoid costly takeover battles, reduce our vulnerability to a hostile or abusive change of control and enhance the ability of our board of directors to maximize stockholder value in connection with any unsolicited offer to acquire us. However, these provisions may have an anti-takeover effect and may delay, deter or prevent a merger or acquisition of New MoneyLion by means of a tender offer, a proxy contest or other takeover attempt that a stockholder might consider in its best interest, including those attempts that might result in a premium over the prevailing market price for the shares of common stock held by stockholders.

Authorized but Unissued Capital Stock

Delaware law does not require stockholder approval for any issuance of shares that are authorized and available for issuance. However, the listing requirements of the NYSE, which would apply so long as the shares of New MoneyLion Class A common stock remain listed on the NYSE, require stockholder approval of certain issuances equal to or exceeding 20% of the then outstanding voting power or the then outstanding number of shares of common stock. These additional shares may be used for a variety of corporate purposes, including future public offerings, to raise additional capital or to facilitate acquisitions. Additionally, the number of authorized shares of any series of common stock or preferred stock may be increased or decreased (but not below the number of shares thereof outstanding) by the affirmative vote of the holders of a majority in voting power, irrespective of the provisions of Section 242(b)(2) of the DGCL.

New MoneyLion board of directors may generally issue shares of one or more series of preferred stock on terms designed to discourage, delay or prevent a change of control of New MoneyLion or the removal of our management. Moreover, our authorized but unissued shares of preferred stock will be available for future issuances in one or more series without stockholder approval and could be utilized for a variety of corporate purposes, including future offerings to raise additional capital, to facilitate acquisitions and employee benefit plans.

One of the effects of the existence of authorized and unissued and unreserved shares of common stock or preferred stock may be to enable the New MoneyLion board of directors to issue shares to persons friendly to current management, which issuance could render more difficult or discourage an attempt to obtain control of New MoneyLion by means of a merger, tender offer, proxy contest or otherwise, and thereby protect the continuity of our management and possibly deprive our stockholders of opportunities to sell their shares of common stock at prices higher than prevailing market prices.

Removal of Directors; Vacancies and Newly Created Directorships

The Proposed Charter provides that, subject to the rights granted to one or more series of preferred stock then outstanding, no director may be removed from office by the stockholders other than for cause with the affirmative vote of at least 66 2/3% of the total voting power then outstanding. The Proposed Charter further provides that, subject to the rights granted to one or more series of preferred stock then outstanding, any newly-created directorship on the board of directors that results from an increase in the number of directors and any vacancies on our board of directors will be filled solely only by the affirmative vote of a majority of the remaining directors, even if less than a quorum, by a sole remaining director or by the stockholders.

Special Stockholder Meetings

The Proposed Charter provides that special meetings of our stockholders may be called at any time only by board of directors acting pursuant to a resolution adopted by the board of directors, subject to the rights of holders of any series of preferred stock then outstanding. The Proposed Bylaws prohibit the conduct of any business at a special meeting other than as specified in the notice for such meeting. These provisions may have the effect of deterring, delaying or discouraging hostile takeovers, or changes in control or management of New MoneyLion.

Director Nominations and Stockholder Proposals

The Proposed Bylaws establish advance notice procedures with respect to stockholder proposals and the nomination of candidates for election as directors, other than nominations made by or at the direction of the board of directors or a committee of the board of directors. In order for any matter to be “properly brought” before a meeting, a stockholder will have to comply with advance notice requirements and provide us with certain information. Generally, to be timely, a stockholder’s notice must be received at our principal executive offices not less than 90 days nor more than 120 days prior to the first anniversary date of the immediately preceding annual meeting of stockholders, subject to specified exceptions. The Proposed Bylaws also specify requirements as to the form and content of a stockholder’s notice. The Proposed Bylaws allow the chairman of the meeting at a meeting of the stockholders to adopt rules and regulations for the conduct of meetings which may have the effect of precluding the conduct of certain business at a meeting if the rules and regulations are not followed. These provisions may also defer, delay or discourage a potential acquirer from conducting a solicitation of proxies to elect the acquirer’s own slate of directors or otherwise attempting to influence or obtain control of New MoneyLion.

Stockholder Action by Written Consent

Pursuant to Section 228 of the DGCL, any action required to be taken at any annual or special meeting of the stockholders may be taken without a meeting, without prior notice, and without a vote if a consent or consents in writing, setting forth the action so taken, is or are signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares of our stock entitled to vote thereon were present and voted, unless our amended and restated certificate of incorporation provides otherwise. Subject to applicable law and the rights, if any, of the holders of any outstanding series of preferred stock or any other outstanding class or series of stock of New MoneyLion, the Proposed Charter does not permit our holders of common stock to act by consent in writing.

Lock-Up Restrictions

As discussed above in the section titled “Lock-Up Restrictions,” without the prior written approval of the New MoneyLion Board, holders of a substantial majority of New MoneyLion Class A common stockholders will not be permitted to transfer their shares until the date that is 180 days after the Closing Date, subject to certain exceptions as detailed above.

Section 203 of the DGCL

New MoneyLion will be subject to the provisions of Section 203 of the DGCL, which we refer to as “Section 203” regulating corporate takeovers. In general, Section 203 prohibits a publicly held Delaware corporation from engaging, under certain circumstances, in a business combination with an interested stockholder for a period of three years following the date the person became an interested stockholder unless:

- prior to the date of the transaction, New MoneyLion Board approved either the business combination or the transaction that resulted in the stockholder becoming an interested stockholder;
- upon completion of the transaction that resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction commenced, excluding for purposes of determining the voting stock outstanding, but not the outstanding voting stock owned by the interested stockholder, (1) shares owned by persons who are directors and also officers and (2) shares owned by employee stock plans in which employee participants do not have the right to determine confidentially whether shares held subject to the plan will be tendered in a tender or exchange offer; or
- at or subsequent to the date of the transaction, the business combination is approved by the New MoneyLion Board and authorized at an annual or special meeting of stockholders, and not by written consent, by the affirmative vote of at least two-thirds of the outstanding voting stock that is not owned by the interested stockholder.

[Table of Contents](#)

Generally, a business combination includes a merger, asset or stock sale, or other transaction resulting in a financial benefit to the interested stockholder. An interested stockholder is a person who, together with affiliates and associates, owns or, within three years prior to the determination of interested stockholder status, did own 15% or more of a corporation's outstanding voting stock. The Fusion Board expects the existence of this provision to have an anti-takeover effect with respect to transactions the New MoneyLion Board does not approve in advance. The Fusion Board also anticipates that Section 203 may discourage attempts that might result in a premium over the market price for the shares of common stock held by stockholders.

The provisions of Delaware law and the provisions of the Proposed Charter and Proposed Bylaws could have the effect of discouraging others from attempting hostile takeovers and as a consequence, they might also inhibit temporary fluctuations in the market price of New MoneyLion's common stock that often result from actual or rumored hostile takeover attempts. These provisions might also have the effect of preventing changes in New MoneyLion's management. It is also possible that these provisions could make it more difficult to accomplish transactions that stockholders might otherwise deem to be in their best interests.

Dissenters' Rights of Appraisal and Payment

Under the DGCL, with certain exceptions, our stockholders will have appraisal rights in connection with a merger or consolidation in which we are a constituent entity. Pursuant to the DGCL, stockholders who properly demand and perfect appraisal rights in connection with such merger or consolidation will have the right to receive payment of the fair value of their shares as determined by the Court of Chancery of the State of Delaware, plus interest, if any, on the amount determined to be the fair value, from the effective time of the merger or consolidation through the date of payment of the judgment.

Stockholders' Derivative Actions

Under the DGCL, any of our stockholders may bring an action in our name to procure a judgment in our favor, also known as a derivative action, provided that the stockholder bringing the action is a holder of our shares at the time of the transaction to which the action relates or such stockholder's stock thereafter devolved by operation of law. To bring such an action, the stockholder must otherwise comply with Delaware law regarding derivative actions.

Exclusive Forum

The Proposed Charter provides that, unless we consent in writing to the selection of an alternative forum, the Court of Chancery of the State of Delaware will, to the fullest extent permitted by law, be the sole and exclusive forum for: (i) any derivative action or proceeding brought on our behalf; (ii) any action asserting a breach of fiduciary duty owed by any current or former director, officer, stockholder or employee of the company to the company or our stockholders; (iii) any action asserting a claim against us arising under the DGCL, our certificate of incorporation or our bylaws or as to which the DGCL confers jurisdiction on the Court of Chancery of the State of Delaware; or (iv) any action asserting a claim against us that is governed by the internal affairs doctrine.

Section 22 of the Securities Act creates concurrent jurisdiction for federal and state courts over all suits brought to enforce any duty or liability created by the Securities Act or the rules and regulations thereunder. The Proposed Charter further provides that, unless we consent in writing to the selection of an alternative forum, to the fullest extent permitted by law, the federal district courts of the United States of America will be the exclusive forum for the resolution of any complaint asserting a cause of action arising under the federal securities laws of the United States, including the Securities Act and the Exchange Act and, in each case, the applicable rules and regulations promulgated thereunder. It is possible that a court could find these forum selection provisions to be inapplicable or unenforceable and, accordingly, New MoneyLion could be required to litigate claims in multiple jurisdictions, incur additional costs or otherwise not receive the benefits that the board of directors expects New MoneyLion's forum selection provisions to provide.

To the fullest extent permitted by law, any person or entity purchasing or otherwise acquiring or holding any interest in shares of capital stock of our company shall be deemed to have notice of and consented to the forum provisions in the Proposed Charter. However, investors will not be deemed to have waived compliance with the federal securities laws and the rules and regulations thereunder as a result of the forum selection provisions in the Proposed Charter.

Conflicts of Interest

Delaware law permits corporations to adopt provisions renouncing any interest or expectancy in certain opportunities that are presented to the corporation or its officers, directors or stockholders. The Proposed Charter will, to the maximum extent permitted from time to time by Delaware law, renounce any interest or expectancy that we have in, or right to be offered an opportunity to participate in, specified business opportunities that are from time to time presented to our directors or their affiliates, other than those directors or affiliates who are our or our subsidiaries' employees. The Proposed Charter provides that, to the fullest extent permitted by law, none of the our directors who are not employed by us (including any non-employee director who serves as one of our officers in both his or her director and officer capacities) or his or her affiliates will have any duty to refrain from (i) engaging in a corporate opportunity in the same or similar lines of business in which we or our affiliates now engage or propose to engage or (ii) otherwise competing with us or our affiliates. The Proposed Charter will not renounce our interest in any business opportunity that is expressly offered to a non-employee director solely in his or her capacity as a director or officer of New MoneyLion. To the fullest extent permitted by law, no business opportunity will be deemed to be a potential corporate opportunity for us unless we would be permitted to undertake the opportunity under the Proposed Charter, we have sufficient financial resources to undertake the opportunity and the opportunity would be in line with our business.

Limitations on Liability and Indemnification of Officers and Directors

The DGCL authorizes corporations to limit or eliminate the personal liability of directors to corporations and their stockholders for monetary damages for breaches of directors' fiduciary duties, subject to certain exceptions. The Proposed Charter includes a provision that eliminates the personal liability of directors for monetary damages to the corporation or its stockholders for any breach of fiduciary duty as a director, except to the extent such exemption from liability or limitation thereof is not permitted under the DGCL. The effect of these provisions is to eliminate the rights of us and our stockholders, through stockholders' derivative suits on our behalf, to recover monetary damages from a director for breach of fiduciary duty as a director, including breaches resulting from grossly negligent behavior. However, exculpation does not apply to any director if the director has breached such director's duty of loyalty, acted in bad faith, knowingly or intentionally violated the law, authorized illegal dividends, redemptions or repurchases or derived an improper benefit from his or her actions as a director.

The limitation of liability provision in the Proposed Charter and the Proposed Bylaws may discourage stockholders from bringing a lawsuit against directors for breach of their fiduciary duty. These provisions also may have the effect of reducing the likelihood of derivative litigation against directors and officers, even though such an action, if successful, might otherwise benefit us and our stockholders. In addition, your investment may be adversely affected to the extent we pay the costs of settlement and damage awards against directors and officers pursuant to these indemnification provisions.

There is currently no pending material litigation or proceeding involving any of our directors, officers or employees for which indemnification is sought.

Listing

The New MoneyLion Class A common stock will be listed on the NYSE under the symbol "ML."

SECURITIES ACT RESTRICTIONS ON RESALE OF COMMON STOCK

Rule 144

Pursuant to Rule 144 under the Securities Act (“Rule 144”), a person who has beneficially owned restricted Class A common stock or warrants of New MoneyLion for at least six months would be entitled to sell their securities provided that (i) such person is not deemed to have been an affiliate of New MoneyLion at the time of, or at any time during the three months preceding, a sale and (ii) New MoneyLion is subject to the Exchange Act periodic reporting requirements for at least three months before the sale and has filed all required reports under Section 13 or 15(d) of the Exchange Act during the 12 months (or such shorter period as it was required to file reports) preceding the sale.

Persons who have beneficially owned restricted Class A common stock or warrants of New MoneyLion for at least six months but who are affiliates of New MoneyLion at the time of, or at any time during the three months preceding, a sale would be subject to additional restrictions, by which such person would be entitled to sell within any three-month period only a number of securities that does not exceed the greater of:

- 1% of the total number of shares of New MoneyLion Class A common stock then outstanding; or
- the average weekly reported trading volume of New MoneyLion’s Class A common stock during the four calendar weeks preceding the filing of a notice on Form 144 with respect to the sale.

Sales by affiliates of New MoneyLion under Rule 144 are also limited by manner of sale provisions and notice requirements and by the availability of current public information about New MoneyLion.

Restrictions on the Use of Rule 144 by Shell Companies or Former Shell Companies

Rule 144 is not available for the resale of securities initially issued by shell companies (other than business-combination related shell companies) or issuers that have been at any time previously a shell company. However, Rule 144 also includes an important exception to this prohibition if the following conditions are met:

- the issuer of the securities that was formerly a shell company has ceased to be a shell company;
- the issuer of the securities is subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act;
- the issuer of the securities has filed all Exchange Act reports and material required to be filed, as applicable, during the preceding 12 months (or such shorter period that the issuer was required to file such reports and materials) other than Form 8-K reports; and
- at least one year has elapsed from the time that the issuer filed current Form 10type information with the SEC reflecting its status as an entity that is not a shell company.

As a result, Fusion’s Sponsor will be able to sell its founder shares and private placement warrants, as applicable, pursuant to Rule 144 without registration one year after Fusion has completed its initial business combination.

Following the Closing, New MoneyLion will no longer be a shell company, and so, once the conditions listed above are satisfied, Rule 144 will become available for the resale of the above-noted restricted securities.

Fiduciary Duties of Directors	
<p>Under Delaware law, the standards of conduct for directors have developed through Delaware court case law. Generally, directors of Delaware corporations are subject to a duty of loyalty and a duty of care. The duty of loyalty requires directors to refrain from self-dealing, and the duty of care requires directors in managing Fusion’s affairs to use that level of care which ordinarily careful and prudent persons would use in similar circumstances. When directors act consistently with their duties of loyalty and care, their decisions generally are presumed to be valid under the business judgment rule. The Fusion Board may exercise all such authority and powers of Fusion and do all such lawful acts and things as are not by statute or the Fusion’s charter directed or required to be exercised or done solely by the stockholders.</p>	<p>Under Delaware law, the standards of conduct for directors have developed through Delaware court case law. MONEYLION’S EXECUTIVE AND DIRECTOR COMPENSATION

This section discusses the material components of the executive compensation program for MoneyLion executive officers who would be MoneyLion’s “named executive officers” if MoneyLion was subject to the reporting requirements under the Securities Exchange Act of 1934. We expect that at least some of these executive officers will be named executive officers of the combined business after the closing. In 2020, MoneyLion’s “named executive officers” and their positions were as follows:

- Diwakar Choubey, Chief Executive Officer and Director;
- Richard Correia, Chief Financial Officer; and
- Timmie Hong, Chief Product Officer

This discussion may contain forward-looking statements that are based on MoneyLion’s current plans, considerations, expectations, and determinations regarding future compensation programs. Actual compensation programs that New MoneyLion adopts following the completion of the Business Combination may differ materially from the currently planned programs summarized in this discussion.

Fusion Acquisition Corp. is, and after the Business Combination, the combined business will be, an emerging growth company and therefore is subject to reduced disclosure obligations regarding executive compensation and exemptions from the requirements of holding a nonbinding advisory vote on executive compensation and shareholder nonbinding advisory approval of any golden parachute payments not previously approved.

Summary Compensation Table

The following table presents all of the compensation awarded to or earned by or paid to MoneyLion’s named executive officers for the year ended December 31, 2020.

- (2) Amounts reflect the full grant-date fair value of options granted during 2020 computed in accordance with ASC Topic 718, rather than the amounts paid to or realized by the named individual. We provide information regarding the assumptions used to calculate the value of all option awards made to executive officers in Note [] to our consolidated financial statements included elsewhere in this prospectus. The stock option awards granted to each of our named executive officers in 2020 consisted of at-the-money options.
- (3) Amounts reflect: for Mr. Choubey, (i) \$7,809, matching contributions under the MoneyLion 401(k) Plan and (ii) life insurance premium payments in the amount of \$432; for Mr. Correia, (i) \$3,954, matching contributions under the MoneyLion 401(k) Plan, and (ii) life insurance premium payments in the amount of \$432; and for Mr. Hong (i) \$13,327, matching contributions under the MoneyLion 401(k) Plan and (ii) life insurance premium payments in the amount of \$432.

Elements of MoneyLion’s Executive Compensation Program

For the year ended December 31, 2020, the compensation for each named executive officer generally consisted of a base salary, performance-based cash bonus (for the 2020 performance year), standard employee benefits, and stock option awards under MoneyLion’s 2014 Equity Incentive Plan. These elements (and the amounts of compensation and benefits under each element) were selected because MoneyLion believes they are necessary to help attract and retain executive talent which is fundamental to its success. Below is a more detailed summary of the current executive compensation program as it relates to MoneyLion’s named executive officers.

Base Salaries

The named executive officers receive a base salary to compensate them for services rendered to MoneyLion. The base salary payable to each named executive officer is intended to provide a fixed component of compensation reflecting the executive's skill set, experience, role, and responsibilities.

For the period beginning May 1, 2020 and ending October 15, 2020, the base salaries of our named executive officers were reduced due to financial impact of COVID-19. The actual base salaries paid to each named executive officer for 2020 are set forth above in the Summary Compensation Table in the column entitled "Salary."

2020 Discretionary Cash Bonuses

MoneyLion maintains a discretionary cash-based short-term incentive compensation program in which certain of its employees, including the named executive officers, are eligible to receive bonuses based on, among other things, the named executive officer's overall performance and MoneyLion's performance. Such awards are designed to incentivize the named executive officers with a variable level of compensation that is based on performance measures established by MoneyLion's board of directors or compensation committee.

In 2020, Messrs. Choubey, Correia and Hong were eligible to earn a discretionary annual cash bonus, based on individual and company performance. None of the named executive officers have an annual bonus target.

The actual bonuses earned, as determined by the board of directors, by each named executive officer for performance in 2020 and paid in January 2021 are set forth above in the Summary Compensation Table.

Equity Compensation

Equity Incentive Plans and Outstanding Awards

MoneyLion maintains the 2014 Equity Incentive Plan, (referred to as the "2014 Plan") in order to facilitate the grant of long-term equity incentive awards to directors, employees (including the named executive officers) and consultants of MoneyLion and its affiliates to obtain and retain services of these individuals, which is essential to its long-term success.

Upon the occurrence of a Change in Control (as defined in the 2014 Plan) and/or in the event MoneyLion is a party to merger, acquisition, reorganization or similar transaction, outstanding awards under the 2014 Plan may be (i) assumed (or substituted) by the surviving corporation or its parent, (ii) continued by MoneyLion (if MoneyLion

is a surviving corporation), (iii) undergo accelerated vesting, or (iv) cancelled with or without consideration, in all cases without the consent of the grantee. Upon the occurrence of a Change in Control if there is no such assumption, substitution or continuation of awards, the compensation committee of MoneyLion may provide that all awards will vest and become exercisable as of immediately before such Change in Control. The Business Combination will not be a Change in Control.

2021 Omnibus Incentive Plan

[New MoneyLion] has adopted and is seeking shareholder approval of the 2021 Omnibus Incentive Plan (the "Incentive Plan"). We expect that, if shareholders approve the Incentive Plan and the Incentive Plan becomes effective, awards will be made following the Business Combination.

The aggregate number of shares of New MoneyLion Class A common stock reserved for issuance pursuant to awards under the Incentive Plan is equal to 9% of the actual number of Class A common shares outstanding as of the Closing (taking into account redemptions by Fusion stockholders), plus up to [•] shares of Class A common stock are subject to outstanding prior awards under the 2014 Plan. Any employee, director or consultant of [New MoneyLion] is eligible to receive an award under the Incentive Plan, to the extent that an offer of such award is permitted by applicable law, stock market or exchange rules, and regulations or accounting or tax rules and regulations.

The Incentive Plan provides for the grant of stock options (including incentive stock options and non-qualified stock options), stock appreciated rights, restricted stock, restricted stock units, performance-based awards, other cash-based awards and other stock-based awards, or any combination thereof. No determination has been made as to the types or amounts of awards that will be granted to specific individuals under the Incentive Plan. Each award will be set forth in a separate grant notice or agreement and will indicate the type and terms and conditions of the award. Please see the section entitled "*The Incentive Plan Proposal*" for a summary of the material terms of the Incentive Plan.

MoneyLion maintains a 401(k) defined contribution retirement savings plan for its employees in the United States, including the named executive officers, who satisfy certain eligibility requirements. Messrs. Choubey, Correia and Hong are eligible to participate in the 401(k) plan on the same terms as other U.S. full-time employees, including matching employer contributions equal to 100% of the first 3% of the employees' contribution and 50% of the next 2% of the employees' contribution.

Employee Benefits and Perquisites

All of MoneyLion's full-time employees in the United States, including Messrs. Choubey, Correia and Hong, are eligible to participate in health and welfare plans, including medical, dental and vision benefits, medical and dependent care, flexible spending accounts, short-term and long-term disability insurance and life insurance.

MoneyLion believes the benefits described above are necessary and appropriate to provide a competitive compensation package to its named executive officers.

Executive Compensation Arrangements

Messrs. Choubey and Correia entered into employment with MoneyLion in November 2019. The terms and conditions of such agreements are described in more detail below. Mr. Hong is not party to an employment agreement with MoneyLion.

Executive Employment Agreements

On November 19, 2019, MoneyLion entered into an employment agreement with each of Messrs. Choubey and Correia (the "NEO Employment Agreements"), providing for their employment as Chief Executive Officer of MoneyLion and Chief Financial Officer of MoneyLion, respectively. The NEO Employment Agreements provide for an initial two-year term that will automatically renew upon the same terms and conditions set forth in the agreements for successive one-year terms, unless the named executive officer or MoneyLion provide, in the case of Mr. Choubey, six months', and in the case of Mr. Correia, three months', prior notice to the other party of the intent not to renew.

Messrs. Choubey and Correia are entitled to an annual base salary, which for 2020 was \$452,000, and \$437,500, respectively (although, as noted above, those base salaries were reduced for a period of time in 2020 in connection with the impact of COVID-19), and for each fiscal year beginning in 2020, a discretionary annual cash bonus determined in the discretion of MoneyLion's board of directors or compensation committee, based on, among other things, the named executive officer's performance and MoneyLion's performance. The NEO Employment Agreements provide that the named executive officer must be in good standing on the actual payment date to be eligible to receive the bonus, except as discussed below.

Pursuant to the NEO Employment Agreements, upon termination of the named executive officer's employment by MoneyLion without Cause or by the named executive officer for Good Reason (each as defined in the NEO Employment Agreements), and for Mr. Correia, upon MoneyLion's non-renewal of the term of employment, the named executive officer will be entitled to, in addition to any accrued amounts, and subject to the named executive officer's execution of a release of claims in favor of MoneyLion and compliance with the restrictive covenants set forth below, (i) continuation of his or her annual base salary for a period of six months, (ii) payment, for the portion of the named executive officer's premiums equal to the portion being paid by MoneyLion immediately prior to the termination date, of the cost of the named executive officer's and his or her dependents' participation in MoneyLion's health and dental plans for six months, (subject to certain earlier terminations of such coverage, as set forth in the NEO Employment Agreements), (iii) any accrued and unpaid discretionary bonus for the year prior to the year of termination, (iv) if determined by the compensation committee (and for Mr. Correia, the CEO), payment of a discretionary bonus (if any) and (v) immediate vesting of any then unvested options that would have vested in the 12-month period following the named executive officer's termination.

In addition to the severance payments set forth above, if the named executive officer is terminated by MoneyLion without Cause (and for Mr. Correia, upon MoneyLion's non-renewal of the term of employment), in each case, within 12 months after a Change in Control (as defined in the NEO Employment Agreements), subject to the named executive officer's execution of a release of claims in favor of MoneyLion and compliance with the restrictive covenants set forth below, the named executive officer will be entitled to (i) continuation of his or her annual base salary for a period of 12 months, (ii) payment, for the portion of the named executive officer's premiums equal to the portion being paid by MoneyLion immediately prior to the termination date, of the cost of the named executive officer's and his or her dependents' participation in MoneyLion's health and dental plans for 12 months (subject to certain earlier terminations of such coverage, as set forth in the NEO Employment Agreements), (iii) any accrued and unpaid discretionary bonus for the year prior to the year of termination, (iv) if determined by the compensation committee (and for Mr. Correia, the CEO) payment of a discretionary bonus (if any) for the year of termination and (v) immediate vesting of any then unvested options held by the named executive officer on his or her termination.

In addition, pursuant to the NEO Employment Agreements, Messrs. Choubey and Correia are required to sign a Confidentiality and Assignment of Inventions Agreement, which provides a non-competition restriction for a period of [6] months following termination of employment with MoneyLion. The named executive officers are also subject to non-solicitation of employees, customers and clients restrictions for a period of [6] months following termination of employment with MoneyLion for any reason.

Post-Business Combination Agreements

Following the Business Combination, we intend to enter into new employment agreements with Messrs. Choubey and Correia pursuant to which New MoneyLion will continue to employ Messrs. Choubey and Correia as Chief Executive Officer and Chief Financial Officer, respectively. In addition to serving as the Chief Executive Officer, Mr. Choubey will be a member of the New MoneyLion board of directors. The new employment terms will be for a period of three years for Mr. Choubey and two years for Mr. Correia and will automatically renew upon the same terms and conditions for successive one-year terms, unless the named executive officer or New MoneyLion provide, 90 days' prior notice to the other party of the intent not to renew.

The new employment agreements will also provide for a base salary, a target annual cash bonus between 125% and 150% of base salary, an initial equity grant (subject to certain performance-vesting conditions), and eligibility for annual equity grants issued on the same terms and conditions as other executive officers of New MoneyLion. The base salaries are subject to finalization in consultation with an independent third party compensation consultant.

The agreements will also provide for severance on a termination without "cause" or for "good reason" (to be defined in the agreements), equal to (i) one times base salary and target annual bonus, (ii) a pro rata bonus for the year of termination, (iii) reimbursement for continued participation in New MoneyLion's health and welfare plans for a period of 18 months post-termination (subject to certain earlier terminations of such coverage, as will be set forth in the agreements), (iv) continued vesting of the executive's initial performance-based awards equity, and (v) vesting of all outstanding time-based equity awards.

[Table of Contents](#)

In the event that Messrs. Choubey and Correia are terminated without cause or for good reason within 6 month prior to or 24 months following a change in control, they will be entitled to receive the same severance as set forth above, except that (i) cash severance will be equal to two times base salary and target annual bonus and (ii) immediate vesting of all outstanding equity awards occurs, with performance awards vesting at the greater of target or actual performance, extrapolated through the end of the performance period.

The employment agreements will also contain perpetual confidentiality covenants, and customary non-competition, non-solicitation and non-disparagement covenants.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Fusion

Founder Shares and Private Placement Warrants

On March 10, 2020, our Sponsor purchased an aggregate of 5,750,000 founder shares in exchange for a capital contribution of \$25,000, or approximately \$0.004 per share. On May 28, 2020, we effected a 1:1.25 stock split of our Class B common stock, resulting in our Sponsor holding an aggregate of 7,187,500 founder shares. On June 24, 2020, we effected a 1:1.20 stock split of our Class B common stock, resulting in our Sponsor holding an aggregate of 8,625,000 founder shares. On June 25, 2020, we effected a 1:1.01666 stock split of our Class B common stock, resulting in our Sponsor holding an aggregate of 8,768,750 founder shares. In connection with the underwriters' partial exercise of their over-allotment option at the closing of the initial public offering, on June 30, 2020, the Sponsor forfeited 18,750 founder shares, resulting in the Sponsor holding 8,750,000 founder shares.

Our Sponsor purchased an aggregate of 8,100,000 private placement warrants in connection with Fusion's initial public offering, at a price of \$1.00 per warrant, or \$8,100,000 in the aggregate. Each private placement warrant entitles the holder to purchase one share of Class A common stock at \$11.50 per share. The private placement warrants (including the Class A common stock issuable upon exercise of the private placement warrants) may not, subject to certain limited exceptions, be transferred, assigned or sold until 30 days after the completion of the Business Combination.

Administrative Services

Fusion currently utilizes office space at 667 Madison Avenue, 5th Floor, New York, New York 10065. Commencing upon consummation of its initial public offering, Fusion pays the Sponsor \$10,000 per month for office space, secretarial and administrative services provided to members of our management team. Upon completion of Fusion's initial business combination or liquidation, it will cease paying these monthly fees.

Related Party Loans

Fusion's officers and directors are entitled to reimbursement for any out-of-pocket expenses incurred in connection with activities on Fusion's behalf such as identifying potential target businesses and performing due diligence on suitable business combinations. Fusion's audit committee reviews on a quarterly basis all payments that were made to our Sponsor, Fusion's officers, directors or its or their affiliates.

In addition, in order to finance transaction costs in connection with an intended initial business combination, our Sponsor or an affiliate of our Sponsor or certain of its officers and directors may, but are not obligated to, loan Fusion funds as may be required on a non-interest basis. If Fusion completes the Business Combination, it would repay such loaned amounts. In the event that the Business Combination does not close, Fusion may use a portion of the working capital held outside the Trust Account to repay such loaned amounts but no proceeds from its Trust Account would be used for such repayment. The warrants would be identical to the private placement warrants. Except as set forth above, the terms of such loans, if any, have not been determined and no written agreements exist with respect to such loans.

Registration Rights

The holders of the founder shares, private placement warrants, shares of Fusion Class A common stock issuable upon conversion of the founder shares, private placement warrants or working capital loans are entitled to registration rights under Fusion's existing registration rights agreement (the "Existing Registration Rights Agreement"). Under the terms of the Existing Registration Rights Agreement, these holders are entitled to make up to three demands, excluding short form registration demands, that Fusion register such securities for sale under the Securities Act. In addition, these holders have "piggy-back" registration rights to include their securities in other registration statements filed by Fusion. Fusion will bear the expenses incurred in connection with the filing of any such registration statements.

[Table of Contents](#)

Upon the Closing, we will enter into the Registration Rights Agreement pursuant to which our Sponsor and certain former stockholders of MoneyLion will be granted registration rights with respect to shares of New MoneyLion Class A common stock issued to them in connection with the Business Combination. The Existing Registration Rights Agreement will terminate upon execution of the Registration Rights Agreement.

Sponsor Support Agreement

In connection with the execution of the Merger Agreement, the Sponsor entered into a support agreement (the “Sponsor Support Agreement”) with Fusion, MoneyLion and Fusion’s directors and officers, pursuant to which the Sponsor agreed, among other things, to vote all shares of Subject Securities (as defined in the Sponsor Support Agreement), and take certain other actions in support of the Business Combination. In addition, Fusion, the Sponsor and the Insiders agreed to amend that certain letter agreement, dated as of June 25, 2020, so that the Lock-Up Period (as defined in the Sponsor Support Agreement) applicable to the Subject Securities (other than any Private Placement Warrants) held by the Sponsor will end on the earlier of (a) 180 days after the Closing Date and (b) the date on which the closing price of the shares of New MoneyLion Class A common stock is equal to or greater than \$12.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any 20 trading days within any 30-trading day period; provided that, for purposes of this clause (b), the measurement period for determining the closing price of the share of New MoneyLion Class A common stock shall commence no earlier than 60 days following the Closing Date.

MoneyLion

Registration Rights Agreement

In connection with the Business Combination, certain stockholders will enter into the Registration Rights Agreement. Pursuant to the terms of the Registration Rights Agreement, New MoneyLion will be obligated to file a resale shelf registration statement on behalf of the stockholder parties within 30 calendar days after the Closing. The Registration Rights Agreement will also provide the parties thereto with demand, “piggy-back” and Form S-3 registration rights, subject to certain minimum requirements and customary conditions. In addition, subject to certain exceptions, each party to the Registration Rights Agreement will agree for a period of time not to transfer or dispose of New MoneyLion common stock.

Indemnification Agreements

We intend to enter into indemnification agreements with New MoneyLion directors and executive officers. The indemnification agreements and our amended and restated certificate of incorporation and amended and restated bylaws require us to indemnify our directors and executive officers to the fullest extent permitted by law. See “*Description of New MoneyLion Securities — Limitations on Liability and Indemnification of Officers and Directors*” for additional information.

Related Person Transaction Policy Following the Business Combination

Upon consummation of the Business Combination, it is anticipated that the New MoneyLion Board of Directors will adopt a written related person transaction policy that sets forth the following policies and procedures for the review and approval or ratification of related person transactions.

A “Related Person Transaction” is a transaction, arrangement or relationship in which New MoneyLion or any of its subsidiaries was, is or will be a participant, the amount of which involved exceeds \$120,000, and in which any related person had, has or will have a direct or indirect material interest. A “Related Person” means:

- any person who is, or at any time during the applicable period was, one of New MoneyLion’s executive officers or a member of New MoneyLion’s Board of Directors;
- any person who is known by New MoneyLion to be the beneficial owner of more than five percent (5%) of our voting stock;

[Table of Contents](#)

- any immediate family member of any of the foregoing persons, which means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, daughter-in-law, brother-in-law or sister-in-law of a director, officer or a beneficial owner of more than five percent (5%) of our voting stock, and any person (other than a tenant or employee) sharing the household of such director, executive officer or beneficial owner of more than five percent (5%) of our voting stock; and
- any firm, corporation or other entity in which any of the foregoing persons is a partner or principal or in a similar position or in which such person has a 10 percent (10%) or greater beneficial ownership interest.

It is also anticipated that New MoneyLion will have policies and procedures designed to minimize potential conflicts of interest arising from any dealings it may have with its affiliates and to provide appropriate procedures for the disclosure of any real or potential conflicts of interest that may exist from time to time. Specifically, pursuant to its audit committee charter, the audit committee will have the responsibility to review related person transactions.

MATERIAL U.S. FEDERAL INCOME TAX CONSIDERATIONS

The following is a discussion of certain material U.S. federal income tax considerations of the Business Combination for (1) U.S. holders and Non-U.S. holders (each as defined below, and together, “holders”) of shares of Fusion Class A common stock (i) that hold New MoneyLion Class A common stock following the adoption of the Proposed Charter in connection with the Business Combination or (ii) that elect to have their Fusion Class A common stock redeemed for cash if the Business Combination is completed and (2) holders of MoneyLion common stock. This discussion applies only to Fusion Class A common stock or MoneyLion common stock, as applicable, that are held as a “capital asset” for U.S. federal income tax purposes (generally, property held for investment). This discussion is limited to U.S. federal income tax considerations and does not address estate or any gift tax considerations or considerations arising under the tax laws of any state, local or non-U.S. jurisdiction. This discussion does not describe all of the U.S. federal income tax consequences that may be relevant to you in light of your particular circumstances, including the alternative minimum tax, the Medicare tax on certain investment income and the different consequences that may apply if you are subject to special rules under U.S. federal income tax law that apply to certain types of investors, such as:

- financial institutions or financial services entities;
- broker-dealers;
- insurance companies;
- dealers or traders subject to a mark-to-market method of tax accounting with respect to shares of Fusion Class A common stock or MoneyLion common stock;
- persons holding Fusion Class A common stock or MoneyLion common stock as part of a “straddle,” hedge, integrated transaction or similar transaction;
- U.S. holders (as defined below) whose functional currency is not the U.S. dollar;
- “specified foreign corporations” (including “controlled foreign corporations”), “passive foreign investment companies” and corporations that accumulate earnings to avoid U.S. federal income tax;
- U.S. expatriates or former long-term residents of the United States;
- governments or agencies or instrumentalities thereof;
- regulated investment companies (RICs) or real estate investment trusts (REITs);
- persons that directly, indirectly or constructively own five percent or more (by vote or value) of Fusion Class A common stock or MoneyLion common stock;
- persons who received their shares of Fusion Class A common stock or MoneyLion common stock pursuant to an exercise of employee share options, in connection with employee share incentive plans or otherwise as compensation;
- the Sponsor or its affiliates, officers or directors;
- partnerships (including entities or arrangements treated as partnerships for U.S. federal income tax purposes); and
- tax-exempt entities.

If a partnership (including an entity or arrangement treated as a partnership for U.S. federal income tax purposes) holds Fusion Class A common stock or MoneyLion common stock, the U.S. federal income tax treatment of the partners in the partnership will generally depend on the status of the partners and the activities of the partnership. Partnerships and their partners should consult their tax advisors with respect to the tax consequences to them of the Business Combination.

This discussion is based on the Code and administrative pronouncements, judicial decisions and final, temporary and proposed Treasury regulations as of the date hereof, which are subject to change, possibly on a retroactive basis, and changes to any of which subsequent to the date of this proxy statement/prospectus may affect the tax consequences described herein. This discussion does not address any aspect of state, local or non-U.S. taxation, or any U.S. federal taxes other than income taxes (such as gift and estate taxes).

We have not sought, and do not expect to seek, a ruling from the IRS as to any U.S. federal income tax consequence described herein. The IRS may disagree with the discussion herein, and its determination may be upheld by a court. Moreover, there can be no assurance that future legislation, regulations, administrative rulings or court decisions will not adversely affect the accuracy of the statements in this discussion.

You are urged to consult your tax advisor with respect to the application of U.S. federal tax laws to your particular situation, as well as any tax consequences arising under the laws of any state, local or non-U.S. jurisdiction.

Tax Consequences of the Merger to Holders of MoneyLion Common Stock

Tax Consequences if the Merger Qualifies as a Reorganization Within the Meaning of Section 368(a) of the Code and/or as a Transaction Governed by Section 351 of the Code

The parties intend for the merger contemplated by the Merger Agreement to be treated as a “reorganization” for U.S. federal income tax purposes within the meaning of Section 368(a) of the Code. The obligations of MoneyLion, Fusion and the Merger Sub to complete the merger are not conditioned on the receipt of opinions from Davis Polk & Wardwell LLP or White & Case LLP to the effect that the merger qualifies for such treatment, and the merger may occur even if it does not so qualify. Neither MoneyLion nor Fusion has requested, and neither intends to request, a ruling from the IRS as to the U.S. federal income tax consequences of the merger. Consequently, no assurance can be given that the IRS will not assert, or that a court would not sustain, a position contrary to any of those set forth below. Accordingly, each holder of MoneyLion common stock is urged to consult its tax advisor with respect to the particular tax consequence of the merger to such holder.

If the merger qualifies as a “reorganization” within the meaning of Section 368(a) of the Code, or, alternatively, qualifies for tax-deferred treatment under a different provision of the Code, such as Section 351 of the Code, each holder of MoneyLion common stock generally will not recognize gain or loss upon exchanging its MoneyLion common stock for New MoneyLion Class A common stock except to the extent discussed below. The tax basis of the New MoneyLion Class A common stock received by a holder of MoneyLion common stock will be the same as the tax basis of the MoneyLion common stock surrendered in exchange for the New MoneyLion Class A common stock, reduced by the amount of any Cash Consideration received by such a holder in the merger, and increased by any gain recognized by such a holder in the merger as described below (including any portion of the gain that is treated as a dividend as described below). Such aggregate adjusted tax basis will be allocated to the New MoneyLion Class A common stock received by the holder. The holder’s holding period for the shares of New MoneyLion Class A common stock that it receives pursuant to the merger will include its holding period for the shares of the MoneyLion common stock it surrenders.

A holder of MoneyLion common stock will recognize gain (but not loss) with respect to the New MoneyLion common stock and Cash Consideration such holder receives pursuant to the merger, in an amount equal to the lesser of (i) the amount by which the sum of the fair market value of the New MoneyLion Class A common stock and the amount of cash received by such holder, exceeds such holder’s basis in its MoneyLion common stock, and (ii) the amount of cash received by such holder.

Subject to possible dividend treatment (as discussed in more detail below), gain that U.S. holders (as defined below) of MoneyLion common stock recognize in connection with the merger generally will constitute capital gain and long-term capital gain if the holding period for the MoneyLion common stock surrendered in the merger exceeds one year as of the closing date. Long-term capital gain of certain non-corporate holders (including individuals) is currently eligible for U.S. federal income taxation at preferential rates (currently at a maximum rate of 20%).

[Table of Contents](#)

Subject to possible dividend treatment (as discussed in more detail below), the tax treatment of gain recognized by a Non-U.S. holder (as defined below) that receives both New MoneyLion Class A common stock and Cash Consideration in connection with the merger generally will be the same as described below under the section entitled “— Non-U.S. Holders — Taxation of Redemption Treated as a Sale of Fusion Class A Common Stock.”

If a holder acquired different blocks of MoneyLion common stock at different times or different prices, it is urged to consult its tax advisor regarding the manner in which gain or loss should be determined in its specific circumstances and regarding identifying the bases or holding periods of the particular shares of New MoneyLion Class A common stock received in the merger.

It is possible that in certain circumstances the gain recognized by a holder of MoneyLion common stock could be treated as having the effect of a distribution of a dividend under the tests set forth in Section 302 of the Code, in which case such gain would be treated as dividend income. If the gain recognized by a holder of MoneyLion common stock is treated as a distribution of a dividend, the tax consequences to such a holder that is a U.S. holder generally will be the same as described below under the section entitled “— U.S. Holders — Taxation of Redemption Treated as a Distribution,” and the tax consequences to a holder that is a Non-U.S. holder generally will be the same as described below under the section entitled “— Non-U.S. Holder — Taxation of Redemption Treated as a Distribution.” Because the possibility of dividend treatment depends primarily upon each holder’s particular circumstances, including the application of certain constructive ownership rules, holders of MoneyLion common shares should consult with their tax advisors regarding the application of the foregoing rules to their particular circumstances.

Tax Consequences if the Merger Fails to Qualify as a Reorganization Within the Meaning of Section 368(a) of the Code and/or as a Transaction Governed by Section 351 of the Code

If the merger contemplated by the Merger Agreement does not qualify as a “reorganization” within the meaning of Section 368(a) of the Code and/or as a transaction governed by Section 351 of the Code, then, for U.S. federal income tax purposes, a holder holding MoneyLion common stock generally would be treated as selling its MoneyLion common stock in exchange for New MoneyLion Class A common stock in a taxable transaction.

A U.S. holder (as defined below) who receives the merger consideration pursuant to the merger would generally recognize capital gain or loss equal to the difference, if any, between (i) the sum of the fair market values of the New MoneyLion Class A common stock, as determined for U.S. federal income tax purposes, and any cash received (including the amount of any Cash Consideration received) and (ii) such U.S. holder’s adjusted tax basis in the MoneyLion common stock surrendered. Such gain or loss generally will be long-term capital gain or loss provided the U.S. holder’s holding period for the MoneyLion common stock surrendered in the merger exceeds one year as of the closing date. Long-term capital gain of certain non-corporate holders (including individuals) is currently eligible for U.S. federal income taxation at preferential rates (currently at a maximum rate of 20%). The deductibility of capital losses is subject to limitations under the Code. U.S. holders that realize a loss should consult their tax advisors regarding the allowance of this loss.

The tax consequences to a Non-U.S. holder (as defined below) if the merger is treated as a taxable sale of MoneyLion common stock by the Non-U.S. holder generally will be the same as described below under the section entitled “— Non-U.S. Holders — Taxation of Redemption Treated as a Sale of Fusion Class A Common Stock” with respect to the MoneyLion common stock sold. The Merger Agreement obligates MoneyLion to deliver a certificate to Fusion on the closing date that as of the date of the certificate, MoneyLion is not a United States real property holding corporation.

A holder’s initial tax basis in the New MoneyLion Class A common stock received in the merger will equal the fair market value of such stock upon receipt, and the holding period for such stock will begin on the day following the closing date of the merger.

Adoption of the Proposed Charter

Holders of Fusion Class A common stock are not expected to recognize any gain or loss under U.S. federal income tax laws as a result of the adoption of the Proposed Charter in connection with the Business Combination. It is expected that each such holder would have the same basis in its New MoneyLion Class A common stock after the adoption of the Proposed Charter as that holder has in the corresponding Fusion Class A common stock

immediately prior to the adoption of the Proposed Charter, and such holder's holding period in the New MoneyLion Class A common stock would include the holder's holding period in the corresponding Fusion Class A common stock. Although the matter is not entirely clear, this discussion assumes, and we intend to take the position, that the adoption of the Proposed Charter does not result in an exchange by the holders of Fusion Class A common stock for New MoneyLion Class A common stock for U.S. federal income tax purposes. If contrary to this characterization, the adoption of the Proposed Charter does result in an exchange, it is expected that such exchange would be treated as a recapitalization for U.S. federal income tax purposes. The consequences to holders of a recapitalization could be different than those discussed above. Each holder should consult its own tax advisor regarding the U.S. federal income tax consequences to it of the adoption of the Proposed Charter in connection with the Business Combination.

The remainder of this discussion assumes that the adoption of the Proposed Charter will not result in an exchange for U.S. federal income tax purposes.

Redemption of Fusion Class A Common Stock

In the event that a holder's shares of Fusion Class A common stock are redeemed pursuant to the redemption provisions described in this proxy statement/prospectus under the section entitled "*The Special Meeting — Redemption Rights*" the treatment of the redemption for U.S. federal income tax purposes will depend on whether the redemption qualifies as a sale of shares of Fusion Class A common stock under Section 302 of the Code. If the redemption qualifies as a sale of shares of Fusion Class A common stock, a U.S. holder (as defined below) will be treated as described below under the section entitled "*— U.S. Holders — Taxation of Redemption Treated as a Sale of Fusion Class A Common Stock*," and a Non-U.S. holder (as defined below) will be treated as described under the section entitled "*— Non-U.S. Holders — Taxation of Redemption Treated as a Sale of Fusion Class A Common Stock*." If the redemption does not qualify as a sale of shares of Fusion Class A common stock, a holder will be treated as receiving a corporate distribution with the tax consequences to a U.S. holder described below under the section entitled "*— U.S. Holders — Taxation of Redemption Treated as a Distribution*" and the tax consequences to a Non-U.S. holder described below under the section entitled "*— Non-U.S. Holder — Taxation of Redemption Treated as a Distribution*."

Whether a redemption of shares of Fusion Class A common stock qualifies for sale treatment will depend largely on the total number of shares of our stock treated as held by the redeemed holder before and after the redemption (including any stock constructively owned by the holder as a result of owning private placement warrants or public warrants, any of our stock that a holder would directly or indirectly acquire pursuant to the Business Combination or the Private Placement) and stock owned by certain entities or individuals related to the redeemed holder relative to all of our shares outstanding both before and after the redemption. The redemption of Fusion Class A common stock generally will be treated as a sale of Fusion Class A common stock (rather than as a corporate distribution) if the redemption (1) is "substantially disproportionate" with respect to the holder, (2) results in a "complete termination" of the holder's interest in us or (3) is "not essentially equivalent to a dividend" with respect to the holder. These tests are explained more fully below.

In determining whether any of the foregoing tests result in a redemption qualifying for sale treatment, a holder takes into account not only shares of our stock actually owned by the holder, but also shares of our stock that are constructively owned by it under certain attribution rules set forth in the Code. A holder may constructively own, in addition to stock owned directly, stock owned by certain related individuals and entities in which the holder has an interest or that have an interest in such holder, as well as any stock that the holder has a right to acquire by exercise of an option, which would generally include Fusion Class A common stock which could be acquired pursuant to the exercise of the private placement warrants or the public warrants. Moreover, any of our stock that a holder directly or constructively acquires pursuant to the Business Combination or the Private Placement generally should be included in determining the U.S. federal income tax treatment of the redemption.

In order to meet the substantially disproportionate test, the percentage of our outstanding voting stock actually and constructively owned by the holder immediately following the redemption of shares of Fusion Class A common stock must, among other requirements, be less than eighty percent (80%) of the percentage of our outstanding voting stock actually and constructively owned by the holder immediately before the redemption (taking into account both redemptions by other holders of Fusion Class A common stock and the Fusion Class A common stock to be issued pursuant to the Business Combination or the Private Placement). There will be a complete termination of a holder's interest if either (1) all of the shares of our stock actually and constructively owned by the holder are redeemed or

(2) all of the shares of our stock actually owned by the holder are redeemed and the holder is eligible to waive, and effectively waives in accordance with specific rules, the attribution of stock owned by certain family members and the holder does not constructively own any other shares of our stock (including any stock constructively owned by the holder as a result of owning warrants). The redemption of Fusion Class A common stock will not be essentially equivalent to a dividend if the redemption results in a “meaningful reduction” of the holder’s proportionate interest in us. Whether the redemption will result in a meaningful reduction in a holder’s proportionate interest in us will depend on the particular facts and circumstances. However, the IRS has indicated in a published ruling that even a small reduction in the proportionate interest of a small minority stockholder in a publicly held corporation where such stockholder exercises no control over corporate affairs may constitute such a “meaningful reduction.”

If none of the foregoing tests is satisfied, then the redemption of shares of Fusion Class A common stock will be treated as a corporate distribution to the redeemed holder, the tax effects to such a U.S. holder will be as described below under the section entitled “*U.S. Holders — Taxation of Redemption Treated as a Distribution*,” and the tax effects to such a Non-U.S. holder will be as described below under the section entitled “*Non-U.S. Holders — Taxation of Redemption Treated as a Distribution*.” After the application of those rules, any remaining tax basis of the holder in the redeemed Fusion Class A common stock will be added to the holder’s adjusted tax basis in its remaining stock, or, if it has none, to the holder’s adjusted tax basis in its warrants or possibly in other stock constructively owned by it.

Each holder should consult with its own tax advisors as to the tax consequences of a redemption.

Treatment of Redemption of Fusion Class A Common Stock to U.S. Holders

This section applies to you if you are a “U.S. holder.” A U.S. holder is a beneficial owner of (i) MoneyLion common stock or (ii) our shares of Fusion Class A common stock, as applicable, who or that is, for U.S. federal income tax purposes:

- an individual who is a citizen or resident of the United States;
- a corporation (or other entity taxable as a corporation) organized in or under the laws of the United States, any state thereof or the District of Columbia;
- an estate the income of which is subject to U.S. federal income taxation regardless of its source; or
- a trust if (i) a court within the United States is able to exercise primary supervision over the administration of such trust, and one or more such U.S. persons have the authority to control all substantial decisions of such trust or (ii) it has a valid election in effect under Treasury regulations to be treated as a United States person.

Taxation of Redemption Treated as a Distribution. If our redemption of a U.S. holder’s shares of Fusion Class A common stock is treated as a corporate distribution, as discussed above under the section entitled “— *Redemption of Fusion Class A Common Stock*,” the amount of cash received in the redemption generally will constitute a dividend for U.S. federal income tax purposes to the extent paid from our current or accumulated earnings and profits, as determined under U.S. federal income tax principles. Distributions in excess of our current and accumulated earnings and profits will constitute a return of capital that will be applied against and reduce (but not below zero) the U.S. holder’s adjusted tax basis in its shares of our Fusion Class A common stock. Any remaining excess will be treated as gain realized on the sale of shares of our Fusion Class A common stock and will be treated as described below under the section entitled “— *U.S. Holders — Taxation of Redemption Treated as a Sale of Fusion Class A Common Stock*.”

Dividends we pay to a U.S. holder that is a taxable corporation generally will qualify for the dividends received deduction if the requisite holding period is satisfied. With certain exceptions (including, but not limited to, dividends treated as investment income for purposes of investment interest deduction limitations), and provided certain holding period requirements are met, dividends we pay to a non-corporate U.S. holder generally will constitute “qualified dividend income” that will be subject to tax at the maximum tax rate accorded to long-term capital gains. It is unclear whether the redemption rights with respect to the Fusion Class A common stock described in this proxy statement/prospectus may prevent a U.S. holder from satisfying the applicable holding period requirements with respect to the dividends received deduction or the preferential tax rate on qualified dividend income, as the case may be.

Taxation of Redemption Treated as a Sale of Fusion Class A Common Stock. If our redemption of a U.S. holder's shares of Fusion Class A common stock is treated as a sale, as discussed above under the section entitled "*— Redemption of Fusion Class A Common Stock*," a U.S. holder generally will recognize capital gain or loss in an amount equal to the difference between the amount of cash received in the redemption and the U.S. holder's adjusted tax basis in the shares of Fusion Class A common stock redeemed. A U.S. holder's adjusted tax basis in its Fusion Class A common stock generally will equal the U.S. holder's acquisition cost less any prior distributions paid to such U.S. holder with respect to its shares of Fusion Class A common stock treated as a return of capital. Any such capital gain or loss generally will be long-term capital gain or loss if the U.S. holder's holding period for the Fusion Class A common stock so disposed of exceeds one year. It is unclear, however, whether the redemption rights with respect to the Fusion Class A common stock described in this proxy statement/prospectus may suspend the running of the applicable holding period for this purpose. Long-term capital gains recognized by non-corporate U.S. holders generally will be eligible to be taxed at reduced rates. The deductibility of capital losses is subject to limitations.

U.S. holders who hold different blocks of Fusion Class A common stock (shares of Fusion Class A common stock purchased or acquired on different dates or at different prices) should consult their tax advisors to determine how the above rules apply to them.

Treatment of Redemption of Fusion Class A Common Stock to Non-U.S. Holders

This section applies to you if you are a "Non-U.S. holder." A Non-U.S. holder is a beneficial owner of (i) MoneyLion common stock or (ii) our Fusion Class A common stock, as applicable, who, or that is, for U.S. federal income tax purposes:

- a non-resident alien individual, other than certain former citizens and residents of the United States subject to U.S. tax as expatriates;
- a foreign corporation; or
- an estate or trust that is not a U.S. holder.

Taxation of Redemption Treated as a Distribution. If our redemption of a Non-U.S. holder's shares of Fusion Class A common stock is treated as a corporate distribution, as discussed above under the section entitled "*— Redemption of Fusion Class A Common Stock*," the amount of cash received in the redemption generally will constitute a dividend for U.S. federal income tax purposes to the extent paid out of our current or accumulated earnings and profits (as determined under U.S. federal income tax principles) and, provided such dividend is not effectively connected with the Non-U.S. holder's conduct of a trade or business within the United States, we will be required to withhold tax from the gross amount of the dividend at a rate of thirty percent (30%), unless such Non-U.S. holder is eligible for a reduced rate of withholding tax under an applicable income tax treaty and timely provides proper certification of its eligibility for such reduced rate (usually on an IRS Form W-8BEN or W-8BEN-E). Any distribution not constituting a dividend will be treated first as reducing (but not below zero) the Non-U.S. holder's adjusted tax basis in its shares of our Fusion Class A common stock redeemed and, to the extent such distribution exceeds the Non-U.S. holder's adjusted tax basis, as gain realized on the sale of the Fusion Class A common stock, which will be treated as described below under the section entitled "*— Non-U.S. Holders — Taxation of Redemption Treated as a Sale of Fusion Class A Common Stock*."

Because it may not be certain at the time a Non-U.S. holder is redeemed whether such Non-U.S. holder's redemption will be treated as a sale of shares or a distribution constituting a dividend, and because such determination will depend in part on a Non-U.S. holder's particular circumstances, we or the applicable withholding agent may not be able to determine whether (or to what extent) a Non-U.S. holder is treated as receiving a dividend for U.S. federal income tax purposes. Therefore, we or the applicable withholding agent may withhold tax at a rate of 30% (or such lower rate as may be specified by an applicable income tax treaty) on the gross amount of any consideration paid to a Non-U.S. holder in redemption of such Non-U.S. holder's Fusion Class A common stock, unless (i) we or the applicable withholding agent have established special procedures allowing Non-U.S. holders to certify that they are exempt from such withholding tax and (ii) such Non-U.S. holders are able to certify that they meet the requirements of such exemption (e.g., because such Non-U.S. holders are not treated as receiving a dividend under the Section 302 tests described above under the section entitled "*— Redemption of Fusion Class A Common Stock*"). However, there can be no assurance that we or any applicable withholding agent will establish

such special certification procedures. If we or an applicable withholding agent withhold excess amounts from the amount payable to a Non-U.S. holder, such Non-U.S. holder generally may obtain a refund of any such excess amounts by timely filing an appropriate claim for refund with the IRS. Non-U.S. holders should consult their own tax advisors regarding the application of the foregoing rules in light of their particular facts and circumstances and any applicable procedures or certification requirements.

The withholding tax described above does not apply to dividends paid to a Non-U.S. holder who provides an IRS Form W-8ECI certifying that the dividends are effectively connected with the Non-U.S. holder's conduct of a trade or business within the United States. Instead, the effectively connected dividends will be subject to regular U.S. federal income tax as if the Non-U.S. holder were a U.S. resident, subject to an applicable income tax treaty providing otherwise. A corporate Non-U.S. holder that is receiving effectively connected dividends may also be subject to an additional "branch profits tax" imposed at a rate of thirty percent (30%) (or a lower applicable income tax treaty rate).

Taxation of Redemption Treated as a Sale of Fusion Class A Common Stock. If our redemption of a Non-U.S. holder's shares of Fusion Class A common stock is treated as a sale of Fusion Class A common stock, as discussed above under the section entitled "*— Redemption of Fusion Class A Common Stock*," subject to the discussions of FATCA (as defined below) and backup withholding below, a Non-U.S. holder generally will not be subject to U.S. federal income or withholding tax in respect of gain recognized in connection with the redemption, unless:

- the gain is effectively connected with the conduct of a trade or business by the Non-U.S. holder within the United States (and, under certain income tax treaties, is attributable to a United States permanent establishment or fixed base maintained by the Non-U.S. holder);
- such Non-U.S. holder is an individual who is present in the United States for 183 days or more during the taxable year in which the disposition takes place and certain other conditions are met; or
- we are or have been a "United States real property holding corporation" for U.S. federal income tax purposes at any time during the shorter of the five-year period ending on the date of redemption or the period that the Non-U.S. holder held our Fusion Class A common stock and, in the case where shares of our Fusion Class A common stock are regularly traded on an established securities market, the Non-U.S. holder has owned, directly or constructively, more than five percent (5%) of our Fusion Class A common stock at any time within the shorter of the five-year period preceding the redemption or such Non-U.S. holder's holding period for the shares of our Fusion Class A common stock. There can be no assurance that our Fusion Class A common stock is or has been treated as regularly traded on an established securities market for this purpose.

Unless an applicable treaty provides otherwise, gain described in the first bullet point above will be subject to tax at generally applicable U.S. federal income tax rates as if the Non-U.S. holder were a U.S. resident. Any gains described in the first bullet point above of a corporate Non-U.S. holder may also be subject to an additional "branch profits tax" at a thirty percent (30%) rate (or a lower applicable income tax treaty rate). If the second bullet point applies to a Non-U.S. holder, such Non-U.S. holder will be subject to U.S. tax on such Non-U.S. holder's net capital gain for such year (including any gain realized in connection with the redemption) at a tax rate of thirty percent (30%).

If the third bullet point above applies to a Non-U.S. holder gain recognized by such holder in connection with the redemption will be subject to tax at generally applicable U.S. federal income tax rates. In addition, we may be required to withhold U.S. federal income tax at a rate of fifteen percent (15%) of the amount realized upon such redemption if our Fusion Class A common stock is not treated as regularly traded on an established securities market for this purpose.

We believe that we are not, and have not been at any time since our formation, a United States real property holding corporation and we do not expect to be a United States real property holding corporation immediately after the Business Combination is completed.

Information Reporting and Backup Withholding

Payments of cash to a holder of MoneyLion common stock pursuant to the merger or as a result of our redemption of our Fusion Class A common stock may be subject to information reporting to the IRS and possible U.S. backup withholding. Backup withholding will not apply, however, to a U.S. holder who furnishes a correct taxpayer identification number and makes other required certifications, or who is otherwise exempt from backup withholding and establishes such exempt status.

A Non-U.S. holder generally will eliminate the requirement for information reporting and backup withholding by providing certification of its foreign status, under penalties of perjury, on a duly executed applicable IRS Form W-8 or by otherwise establishing an exemption.

Backup withholding is not an additional tax. Amounts withheld as backup withholding may be credited against a holder's U.S. federal income tax liability, and a holder generally may obtain a refund of any excess amounts withheld under the backup withholding rules by timely filing the appropriate claim for refund with the IRS and furnishing any required information.

A holder of MoneyLion common stock that receives New MoneyLion Class A common stock as a result of the merger should retain records pertaining to the merger, including records relating to the number of shares and the tax basis of such holder's MoneyLion common stock. Each holder of MoneyLion common stock that is required to file a U.S. federal income tax return and that is a "significant holder" that receives New MoneyLion Class A common stock in the merger will be required to file a statement with such U.S. federal income tax return in accordance with Treasury regulations Section 1.368-3 setting forth such holder's tax basis in the MoneyLion common stock surrendered, the fair market value of the New MoneyLion Class A common stock and cash received in the merger, and certain other information.

FATCA Withholding Taxes

Provisions commonly referred to as "FATCA" impose withholding of thirty percent (30%) on payments of dividends (including amounts treated as dividends received pursuant to a redemption of stock) on our Fusion Class A common stock. Thirty percent (30%) withholding under FATCA was scheduled to apply to the gross proceeds of a disposition of any stock, debt instrument, or other property that can produce U.S.- source dividends or interest beginning on January 1, 2019, but on December 13, 2018, the IRS released proposed regulations that, if finalized in their proposed form, would eliminate the obligation to withhold on gross proceeds. Although these proposed Treasury Regulations are not final, taxpayers generally may rely on them until final Treasury Regulations are issued.

In general, no such withholding will be required with respect to a U.S. holder or an individual Non-U.S. holder that timely provides the certifications required on a valid IRS Form W-9 or W-8, respectively. Holders potentially subject to withholding include "foreign financial institutions" (which is broadly defined for this purpose and in general includes investment vehicles) and certain other non-U.S. entities unless various U.S. information reporting and due diligence requirements (generally relating to ownership by U.S. persons of interests in or accounts with those entities) have been satisfied, or an exemption applies (typically certified as to by the delivery of a properly completed IRS Form W-8BEN-E). If FATCA withholding is imposed, a beneficial owner that is not a foreign financial institution generally will be entitled to a refund of any amounts withheld by filing a U.S. federal income tax return (which may entail significant administrative burden). Foreign financial institutions located in jurisdictions that have an intergovernmental agreement with the United States governing FATCA may be subject to different rules. Non-U.S. holders should consult their tax advisors regarding the effects of FATCA on a redemption of Fusion Class A common stock.

SHAREHOLDER PROPOSALS AND NOMINATIONS

Stockholder Proposals

New MoneyLion's Proposed Bylaws establish an advance notice procedure for stockholders who wish to present a proposal before an annual meeting of stockholders. New MoneyLion's Proposed Bylaws provide that the only business that may be conducted at an annual meeting of stockholders is business that is (i) specified in the notice of such meeting (or any supplement or amendment thereto) given by or at the direction of the New MoneyLion Board, (ii) otherwise properly brought before such meeting by or at the direction of the New MoneyLion Board or the chairperson of the board, or (iii) otherwise properly brought before such meeting by a stockholder present in person who (a) (1) was a record owner of shares of New MoneyLion both at the time of giving the notice and at the time of such meeting, (2) is entitled to vote at such meeting, and (3) has complied with notice procedures specified in New MoneyLion's Proposed Bylaws in all applicable respects or (b) properly made such proposal in accordance with Rule 14a-8 under the Exchange Act. To be timely for New MoneyLion's annual meeting of stockholders, New MoneyLion's secretary must receive the written notice at New MoneyLion's principal executive offices:

- not earlier than the 120th day; and
- not later than the 90th day,

before the one-year anniversary of the preceding year's annual meeting (which shall be deemed to have occurred on [•] of the calendar year in which the Closing Date occurs).

In the event that no annual meeting was held in the previous year or New MoneyLion holds its annual meeting of stockholders more than 30 days before or more than 70 days after the one-year anniversary of a preceding year's annual meeting, notice of a stockholder proposal must be not later than the 90th day prior to such annual meeting or, if later, the 10th day following the day on which public disclosure of the date of such annual meeting was first made.

Accordingly, for New MoneyLion's [•] annual meeting, assuming the meeting is held on [•], [•], notice of a nomination or proposal must be delivered to New MoneyLion no later than [•], [•], and no earlier than [•]. Nominations and proposals also must satisfy other requirements set forth in the Proposed Bylaws.

Under Rule 14a-8 of the Exchange Act, a stockholder proposal to be included in the proxy statement and proxy card for the [•] annual general meeting pursuant to Rule 14a-8, assuming the meeting is held on [•], must be received at New MoneyLion's principal office on or before [•], and must comply with Rule 14a-8.

Stockholder Director Nominees

New MoneyLion's Proposed Bylaws permit stockholders to nominate directors for election at an annual meeting or at a special meeting (but only if the election of directors is a matter specified in the notice of meeting given by or at the direction of the person calling such special meeting) of stockholders, subject to the provisions of New MoneyLion's Proposed Charter. To nominate a director, the stockholder must provide the information required by New MoneyLion's Proposed Bylaws. In addition, the stockholder must give timely notice to New MoneyLion's secretary in accordance with New MoneyLion's Proposed Bylaws, which (i) for an annual meeting, require that the notice be received by New MoneyLion's secretary within the time periods described above under "— Stockholder Proposals" for stockholder proposals and (ii) for a special meeting, require that the notice be received by New MoneyLion's secretary (x) not earlier than 150 days before the date of the special meeting and (y) not later than 120 days before the date of the special meeting.

NOTES TO CONDENSED FINANCIAL STATEMENTS
SEPTEMBER 30, 2020
(Unaudited)

NOTE 1. DESCRIPTION OF ORGANIZATION AND BUSINESS OPERATIONS

Fusion Acquisition Corp. (the “Company”) was incorporated in Delaware on March 6, 2020. The Company was formed for the purpose of entering into a merger, capital stock exchange, asset acquisition, stock purchase, reorganization or similar business combination with one or more businesses (the “Business Combination”).

The Company is not limited to a particular industry or sector for purposes of consummating a Business Combination, however, the Company intends to concentrate its efforts identifying businesses in the financial services industry, with particular emphasis on businesses in the wealth, financial advice, investment, and asset management sectors or those that are providing or changing technology for traditional financial services. The Company is an early stage and emerging growth company and, as such, the Company is subject to all of the risks associated with early stage and emerging growth companies.

As of September 30, 2020, the Company had not commenced any operations. All activity for the period from March 6, 2020 (inception) through September 30, 2020 relates to the Company’s formation, the initial public offering (“Initial Public Offering”), which is described below, and, subsequent to the Initial Public Offering, identifying a target company for a Business Combination. The Company will not generate any operating revenues until after the completion of a Business Combination, at the earliest. The Company will generate non-operating income in the form of interest income from the proceeds derived from the Initial Public Offering.

The registration statement for the Company’s Initial Public Offering was declared effective on June 25, 2020. On June 30, 2020, the Company consummated the Initial Public Offering of 35,000,000 units (the “Units” and, with respect to the shares of Class A common stock included in the Units sold, the “Public Shares”), which includes the partial exercise by the underwriters of their over-allotment option in the amount of 4,500,000 Units, at \$10.00 per Unit, generating gross proceeds of \$350,000,000, which is described in Note 3.

Simultaneously with the closing of the Initial Public Offering, the Company consummated the sale of 8,100,000 warrants (the “Private Placement Warrants”) at a price of \$1.00 per Private Placement Warrant in a private placement to Fusion Sponsor LLC (the “Sponsor”), generating gross proceeds of \$8,100,000, which is described in Note 4.

Transaction costs amounted to \$19,834,039, consisting of \$6,100,000 of underwriting fees, \$13,150,000 of deferred underwriting fees and \$584,039 of other offering costs.

Following the closing of the Initial Public Offering on June 30, 2020, an amount of \$350,000,000 (\$10.00 per Unit) from the net proceeds of the sale of the Units in the Initial Public Offering and the sale of the Private Placement Warrants was placed in a trust account (the “Trust Account”) located in the United States and invested in U.S. government securities, within the meaning set forth in Section 2(a)(16) of the Investment Company Act, with a maturity of 185 days or less or in any open-ended investment company that holds itself out as a money market fund selected by the Company meeting certain conditions of Rule 2a-7 of the Investment Company Act of 1940, as amended (the “Investment Company Act”), as determined by the Company, until the earlier of: (i) the completion of a Business Combination and (ii) the distribution of the funds held in the Trust Account, as described below.

The Company’s management has broad discretion with respect to the specific application of the net proceeds of the Initial Public Offering and the sale of the Private Placement Warrants, although substantially all of the net proceeds are intended to be applied generally toward consummating a Business Combination. There is no assurance that the Company will be able to complete a Business Combination successfully. The Company must complete a Business Combination with one or more operating businesses or assets that together have an aggregate fair market value equal to at least 80% of the net assets held in the Trust Account (net of amounts disbursed to management for working capital purposes, if permitted, and excluding the amount of any deferred underwriting commissions) at the time of the Company’s signing a definitive agreement in connection with its initial Business Combination. The Company will only complete a Business Combination if the post-transaction company owns or acquires 50% or more of the outstanding voting securities of the target or otherwise acquires an interest in the target business or assets sufficient for it not to be required to register as an investment company under the Investment Company Act.

NOTES TO CONDENSED FINANCIAL STATEMENTS

(Unaudited)

NOTE 1. DESCRIPTION OF ORGANIZATION AND BUSINESS OPERATIONS (cont.)

The Company will provide its holders of the outstanding Public Shares (the “public stockholders”) with the opportunity to redeem all or a portion of their Public Shares upon the completion of a Business Combination either (i) in connection with a stockholder meeting called to approve the Business Combination or (ii) by means of a tender offer. The decision as to whether the Company will seek stockholder approval of a Business Combination or conduct a tender offer will be made by the Company. The public stockholders will be entitled to redeem their Public Shares for a pro rata portion of the amount then in the Trust Account (initially \$10.00 per Public Share, plus any pro rata interest earned on the funds held in the Trust Account and not previously released to the Company to pay its tax obligations). There will be no redemption rights upon the completion of a Business Combination with respect to the Company’s warrants.

The Company will only proceed with a Business Combination if the Company has net tangible assets of at least \$5,000,001 either prior to or upon such consummation of a Business Combination and, if the Company seeks stockholder approval, a majority of the shares voted are voted in favor of the Business Combination. If a stockholder vote is not required by applicable law or stock exchange rules and the Company does not decide to hold a stockholder vote for business or other reasons, the Company will, pursuant to its Amended and Restated Certificate of Incorporation (the “Amended and Restated Certificate of Incorporation”), conduct the redemptions pursuant to the tender offer rules of the U.S. Securities and Exchange Commission (“SEC”) and file tender offer documents with the SEC prior to completing a Business Combination. If, however, stockholder approval of the transaction is required by applicable law or stock exchange rules, or the Company decides to obtain stockholder approval for business or other reasons, the Company will offer to redeem shares in conjunction with a proxy solicitation pursuant to the proxy rules and not pursuant to the tender offer rules. If the Company seeks stockholder approval in connection with a Business Combination, the Sponsor has agreed to vote its Founder Shares (as defined in Note 5), and any Public Shares purchased during or after the Initial Public Offering in favor of approving a Business Combination. Additionally, each public stockholder may elect to redeem their Public Shares irrespective of whether they vote for or against the proposed transaction or do not vote at all.

Notwithstanding the above, if the Company seeks stockholder approval of a Business Combination and it does not conduct redemptions pursuant to the tender offer rules, the Amended and Restated Certificate of Incorporation provides that a public stockholder, together with any affiliate of such stockholder or any other person with whom such stockholder is acting in concert or as a “group” (as defined under Section 13 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”)), will be restricted from redeeming its shares with respect to more than an aggregate of 20% or more of the Public Shares, without the prior consent of the Company.

The Sponsor has agreed (a) to waive its redemption rights with respect to its Founder Shares and Public Shares held by it in connection with the completion of a Business Combination and (b) not to propose an amendment to the Amended and Restated Certificate of Incorporation (i) to modify the substance or timing of the Company’s obligation to allow redemption in connection with the Company’s initial Business Combination or to redeem 100% of its Public Shares if the Company does not complete a Business Combination or (ii) with respect to any other provision relating to stockholders’ rights or pre-initial business combination activity, unless the Company provides the public stockholders with the opportunity to redeem their Public Shares in conjunction with any such amendment.

The Company will have until December 31, 2021 to complete a Business Combination (the “Combination Period”). If the Company is unable to complete a Business Combination within the Combination Period, the Company will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten business days thereafter, redeem the Public Shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account including interest earned on the funds held in the Trust Account and not previously released to the Company to pay its tax obligations (less up to \$100,000 of interest to pay dissolution expenses), divided by the number of then outstanding Public Shares, which redemption will completely extinguish public stockholders’ rights as stockholders (including the right to receive further liquidating distributions, if any), and (iii) as promptly as reasonably possible following such redemption, subject to the approval of the Company’s remaining stockholders and the Company’s board of directors, dissolve and liquidate, subject in each case to the Company’s obligations under Delaware law to provide for claims of creditors and the requirements

NOTE 1. DESCRIPTION OF ORGANIZATION AND BUSINESS OPERATIONS (cont.)

of other applicable law. There will be no redemption rights or liquidating distributions with respect to the Company's warrants, which will expire worthless if the Company fails to complete a Business Combination within the Combination Period.

The Sponsor has agreed to waive its liquidation rights with respect to the Founder Shares if the Company fails to complete a Business Combination within the Combination Period. However, if the Sponsor acquires Public Shares in or after the Initial Public Offering, such Public Shares will be entitled to liquidating distributions from the Trust Account if the Company fails to complete a Business Combination within the Combination Period. The underwriters have agreed to waive their rights to their deferred underwriting commission (see Note 6) held in the Trust Account in the event the Company does not complete a Business Combination within the Combination Period and, in such event, such amounts will be included with the other funds held in the Trust Account that will be available to fund the redemption of the Public Shares. In the event of such distribution, it is possible that the per share value of the assets remaining available for distribution will be less than the Initial Public Offering price per Unit (\$10.00).

In order to protect the amounts held in the Trust Account, the Sponsor has agreed to be liable to the Company if and to the extent any claims by a third party for services rendered or products sold to the Company, or a prospective target business with which the Company has discussed entering into a transaction agreement, reduce the amount of funds in the Trust Account to below the lesser of (1) \$10.00 per Public Share and (2) the actual amount per Public Share held in the Trust Account as of the date of the liquidation of the Trust Account due to reductions in the value of the trust assets, less taxes payable, provided that such liability will not apply to claims by a third party or prospective target business who executed a waiver of any and all rights to the monies held in the Trust Account nor will it apply to any claims under the Company's indemnity of the underwriters of the Initial Public Offering against certain liabilities, including liabilities under the Securities Act of 1933, as amended (the "Securities Act"). Moreover, in the event that an executed waiver is deemed to be unenforceable against a third party, the Sponsor will not be responsible to the extent of any liability for such third-party claims. The Company will seek to reduce the possibility that the Sponsor will have to indemnify the Trust Account due to claims of creditors by endeavoring to have all vendors, service providers (except the Company's independent registered public accounting firm), prospective target businesses and other entities with which the Company does business, execute agreements with the Company waiving any right, title, interest or claim of any kind in or to monies held in the Trust Account.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying unaudited condensed financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP") for interim financial information and in accordance with the instructions to Form 10-Q and Article 8 of Regulation S-X of the Securities and Exchange Commission (the "SEC"). Certain information or footnote disclosures normally included in financial statements prepared in accordance with GAAP have been condensed or omitted, pursuant to the rules and regulations of the SEC for interim financial reporting. Accordingly, they do not include all the information and footnotes necessary for a complete presentation of financial position, results of operations, or cash flows. In the opinion of management, the accompanying unaudited condensed financial statements include all adjustments, consisting of a normal recurring nature, which are necessary for a fair presentation of the financial position, operating results and cash flows for the periods presented.

The accompanying unaudited condensed financial statements should be read in conjunction with the Company's prospectus for its Initial Public Offering as filed with the SEC on June 29, 2020, as well as the Company's Current Reports on Form 8-K, as filed with the SEC on June 30, 2020 and July 7, 2020. The interim results for the three months ended September 30, 2020 and for the period from March 6, 2020 (inception) through September 30, 2020 are not necessarily indicative of the results to be expected for the year ending December 31, 2020 or for any future periods.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

Emerging Growth Company

The Company is an “emerging growth company,” as defined in Section 2(a) of the Securities Act, as modified by the Jumpstart Our Business Startups Act of 2012 (the “JOBS Act”), and it may take advantage of certain exemptions from various reporting requirements that are applicable to other public companies that are not emerging growth companies including, but not limited to, not being required to comply with the independent registered public accounting firm attestation requirements of Section 404 of the Sarbanes-Oxley Act, reduced disclosure obligations regarding executive compensation in its periodic reports and proxy statements, and exemptions from the requirements of holding a nonbinding advisory vote on executive compensation and stockholder approval of any golden parachute payments not previously approved.

Further, Section 102(b)(1) of the JOBS Act exempts emerging growth companies from being required to comply with new or revised financial accounting standards until private companies (that is, those that have not had a Securities Act registration statement declared effective or do not have a class of securities registered under the Exchange Act) are required to comply with the new or revised financial accounting standards. The JOBS Act provides that a company can elect to opt out of the extended transition period and comply with the requirements that apply to non-emerging growth companies but any such election to opt out is irrevocable. The Company has elected not to opt out of such extended transition period which means that when a standard is issued or revised and it has different application dates for public or private companies, the Company, as an emerging growth company, can adopt the new or revised standard at the time private companies adopt the new or revised standard. This may make comparison of the Company’s financial statement with another public company which is neither an emerging growth company nor an emerging growth company which has opted out of using the extended transition period difficult or impossible because of the potential differences in accounting standards used.

Use of Estimates

The preparation of condensed financial statements in conformity with GAAP requires the Company’s management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods.

Making estimates requires management to exercise significant judgment. It is at least reasonably possible that the estimate of the effect of a condition, situation or set of circumstances that existed at the date of the financial statements, which management considered in formulating its estimate, could change in the near term due to one or more future confirming events. Accordingly, the actual results could differ significantly from those estimates.

Cash and Cash Equivalents

The Company considers all short-term investments with an original maturity of three months or less when purchased to be cash equivalents. The Company did not have any cash equivalents as of September 30, 2020.

Common Stock Subject to Possible Redemption

The Company accounts for its common stock subject to possible redemption in accordance with the guidance in Accounting Standards Codification (“ASC”) Topic 480 “Distinguishing Liabilities from Equity.” Common stock subject to mandatory redemption is classified as a liability instrument and is measured at fair value. Conditionally redeemable common stock (including common stock that features redemption rights that is either within the control of the holder or subject to redemption upon the occurrence of uncertain events not solely within the Company’s control) is classified as temporary equity. At all other times, common stock is classified as stockholders’ equity. The Company’s common stock features certain redemption rights that are considered to be outside of the Company’s

FUSION ACQUISITION CORP.

(Unaudited)

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

control and subject to occurrence of uncertain future events. Accordingly, the 33,310,053 shares of common stock subject to possible redemption at September 30, 2020 is presented as temporary equity, outside of the stockholders' equity section of the Company's condensed balance sheet.

Income Taxes

The Company follows the asset and liability method of accounting for income taxes under ASC 740, "Income Taxes." Deferred tax assets and liabilities are recognized for the estimated future tax consequences attributable to differences between the financial statements carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that included the enactment date. Valuation allowances are established, when necessary, to reduce deferred tax assets to the amount expected to be realized. As of September 30, 2020, the Company had a deferred tax asset of approximately \$50,000, which had a full valuation allowance recorded against it of approximately \$50,000.

The Company's currently taxable income primarily consists of interest income on the Trust Account. The Company's general and administrative costs are generally considered start-up costs and are not currently deductible. During the three months ended September 30, 2020 and for period from March 6, 2020 (inception) through September 30, 2020, the Company recorded income tax expense of approximately \$12,000, primarily related to interest income earned on the Trust Account. The Company's effective tax rate for the three months ended September 30, 2020 and for the period from March 6, 2020 (inception) through September 30, 2020 was approximately 7.0%, which differs from the expected income tax rate due to the start-up costs (discussed above) which are not currently deductible.

ASC 740 prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return. For those benefits to be recognized, a tax position must be more likely than not to be sustained upon examination by taxing authorities. The Company recognizes accrued interest and penalties related to unrecognized tax benefits as income tax expense. There were no unrecognized tax benefits and no amounts accrued for interest and penalties as of September 30, 2020. The Company is currently not aware of any issues under review that could result in significant payments, accruals or material deviation from its position. The Company is subject to income tax examinations by major taxing authorities since inception.

Net Loss per Common Share

Net loss per share is computed by dividing net loss by the weighted average number of shares of common stock outstanding during the period, excluding shares of common stock subject to forfeiture. The Company has not considered the effect of warrants sold in the Initial Public Offering and private placement to purchase 25,600,000 shares of common stock in the calculation of diluted income (loss) per share, since the exercise of the warrants are contingent upon the occurrence of future events and the inclusion of such warrants would be anti-dilutive under the treasury stock method. As a result, diluted loss per share is the same as basic loss per share for the period presented.

The Company's condensed statements of operations includes a presentation of income (loss) per share for common shares subject to redemption in a manner similar to the two-class method of income per share. Net income per common share, basic and diluted, for Class A redeemable common stock is calculated by dividing the interest income earned on the Trust Account of \$108,734 for the three months ended September 30, 2020 and for the period from March 6, 2020 (inception) to September 30, 2020 (net of applicable franchise and income taxes of \$62,334 for the three months ended September 30, 2020 and for the period from March 6, 2020 (inception) to

September 30, 2020), by the weighted average number of Class A redeemable common stock of 35,000,000 shares outstanding since issuance. Net loss per common share, basic and diluted, for Class B non-redeemable common stock for the three months ended September 30, 2020 is calculated by dividing the net loss of \$188,365, less income attributable to Class A redeemable common stock of \$46,400 by the weighted average number of Class B non-redeemable common stock outstanding for the period. Net loss per common share, basic and diluted, for Class B non-redeemable common stock for the for the period from March 6, 2020 (inception) to September 30, 2020 is calculated by dividing the net loss of \$190,427, less income attributable to Class A redeemable common stock of \$46,400, by the weighted average number of Class B non-redeemable common stock outstanding for the period. Class B non-redeemable common stock includes the Founder Shares as these shares do not have any redemption features and do not participate in the income earned on the Trust Account.

Concentration of Credit Risk

Financial instruments that potentially subject the Company to concentrations of credit risk consist of a cash account in a financial institution, which, at times, may exceed the Federal Depository Insurance Coverage of \$250,000. The Company has not experienced losses on this account and management believes the Company is not exposed to significant risks on such account.

Fair Value of Financial Instruments

The fair value of the Company's assets and liabilities, which qualify as financial instruments under ASC 820, "Fair Value Measurement," approximates the carrying amounts represented in the accompanying condensed balance sheet, primarily due to their short-term nature.

Recent Accounting Standards

Management does not believe that any recently issued, but not yet effective, accounting standards, if currently adopted, would have a material effect on the Company's condensed financial statements.

NOTE 3. INITIAL PUBLIC OFFERING

Pursuant to the Initial Public Offering, the Company sold 35,000,000 Units at a price of \$10.00 per Unit, which includes the partial exercise by the underwriters of their over-allotment option in the amount of 4,500,000 Units. Each Unit consists of one share of Class A common stock and one-half of one warrant ("Public Warrant"). Each whole Public Warrant entitles the holder to purchase one share of Class A common stock at a price of \$11.50 per share, subject to adjustment (see Note 7).

NOTE 4. PRIVATE PLACEMENT

Simultaneously with the closing of the Initial Public Offering, the Sponsor purchased an aggregate of 8,100,000 Private Placement Warrants, at a price of \$1.00 per warrant, for an aggregate purchase price of \$8,100,000. Each Private Placement Warrant is exercisable to purchase one share of Class A common stock at an exercise price of \$11.50 per share, subject to adjustment (see Note 7). A portion of the proceeds from the Private Placement Warrants were added to the proceeds from the Initial Public Offering held in the Trust Account. If the Company does not complete a Business Combination within the Combination Period, the proceeds from the sale of the Private Placement Warrants held in the Trust Account will be used to fund the redemption of the Public Shares (subject to the requirements of applicable law), and the Private Placement Warrants will expire worthless.

NOTE 5. RELATED PARTY TRANSACTIONS

Founder Shares

In March 2020, the Sponsor paid \$25,000 to cover certain offering costs of the Company in consideration of 5,750,000 shares of the Company's Class B common stock (the "Founder Shares"). On May 28, 2020, the Company effected a 1:1.25 stock split with respect to the Class B common stock, on June 24, 2020, the Company effected a 1:1.20 stock split with respect to the Class B common stock and on June 25, 2020, the Company effected a 1:1.01666 stock split with respect to the Class B common stock, resulting in the Sponsor holding an aggregate of 8,768,750 Founder Shares. All share and per-share amounts have been retroactively restated to reflect the stock splits. The Founder Shares included an aggregate of up to 1,143,750 shares subject to forfeiture by the Sponsor to the extent that the underwriters' over-allotment was not exercised in full or in part, so that the number of Founder Shares would collectively represent approximately 20% of the Company's issued and outstanding shares after the Initial Public Offering. In connection with the underwriters' partial exercise of the over-allotment option and the forfeiture of the remaining over-allotment option, 18,750 Founder Shares were forfeited and 1,125,000 Founder Shares are no longer subject to forfeiture. As a result, there are 8,750,000 Founder Shares outstanding as of September 30, 2020.

The Sponsor has agreed, subject to certain limited exceptions, not to transfer, assign or sell any of the Founder Shares until the earlier of (A) one year after the completion of a Business Combination and (B) subsequent to a Business Combination, (x) if the last reported sale price of the Class A common stock equals or exceeds \$12.00 per share (as adjusted for stock splits, stock reorganizations, recapitalizations and the like) for any 20 trading days within any 30-trading day period commencing at least 150 days after a Business Combination, or (y) the date on which the Company completes a liquidation, merger, stock exchange, reorganization or other similar transaction that results in all of the Company's stockholders having the right to exchange their shares of Class A common stock for cash, securities or other property.

Promissory Note — Related Party

On March 10, 2020, the Sponsor issued an unsecured promissory note to the Company (the "Promissory Note"), pursuant to which the Company may borrow up to an aggregate principal amount of \$200,000. The Promissory Note was non-interest bearing and payable on the earlier of December 31, 2020 or the consummation of the Initial Public Offering. The outstanding balance under the Promissory Note of \$186,165 was repaid on June 30, 2020.

Administrative Support Agreement

The Company entered into an agreement, commencing on June 25, 2020 through the earlier of the Company's consummation of a Business Combination and its liquidation, to pay the Sponsor a total of \$10,000 per month for office space, secretarial, and administrative services. For the three months ended September 30, 2020 and for the period from March 6, 2020 (inception) through September 30, 2020, the Company incurred \$30,000 in fees for these services, which is included in accrued expenses in the accompanying condensed balance sheet.

Management Fee

On July 7, 2020, the Company's board of directors approved payments of up to \$15,000 per month to the Company's Chief Financial Officer for services rendered to the Company commencing on June 25, 2020 and continuing through the earlier of consummation of a Business Combination or the Company's liquidation. For the three months ended September 30, 2020 and for the period from March 6, 2020 (inception) through September 30, 2020, the Company incurred and paid \$45,000 in fees for these services.

Related Party Loans

In addition, in order to finance transaction costs in connection with a Business Combination, the Sponsor, an affiliate of the Sponsor, or certain of the Company's officers and directors or their affiliates may, but are not obligated to, loan the Company funds as may be required ("Working Capital Loans"). If the Company completes

a Business Combination, the Company would repay the Working Capital Loans out of the proceeds of the Trust Account released to the Company. Otherwise, the Working Capital Loans would be repaid only out of funds held outside the Trust Account. In the event that a Business Combination does not close, the Company may use a portion of proceeds held outside the Trust Account to repay the Working Capital Loans but no proceeds held in the Trust Account would be used to repay the Working Capital Loans. The Working Capital Loans would either be repaid upon consummation of a Business Combination, without interest, or, at the lender's discretion, up to \$1,500,000 of such Working Capital Loans may be convertible into warrants of the post Business Combination entity. The warrants would be identical to the Private Placement Warrants. Except for the foregoing, the terms of such Working Capital Loans, if any, have not been determined and no written agreements exist with respect to such loans. As of September 30, 2020, no Working Capital Loans were outstanding.

NOTE 6. COMMITMENTS

Risks and Uncertainties

Management continues to evaluate the impact of the COVID-19 pandemic on the industry and has concluded that while it is reasonably possible that the virus could have a negative effect on the Company's financial position, results of its operations and/or search for a target company, the specific impact is not readily determinable as of the date of these financial statements. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

Registration Rights

Pursuant to a registration rights agreement entered into on June 25, 2020, the holders of the Founder Shares, Private Placement Warrants, and warrants that may be issued upon conversion of Working Capital Loans (and any shares of Class A common stock issuable upon the exercise of the Private Placement Warrants or warrants issued upon conversion of the Working Capital Loans and upon conversion of the Founder Shares) will be entitled to registration rights requiring the Company to register such securities for resale (in the case of the Founder Shares, only after conversion to shares of Class A common stock). The holders of these securities will be entitled to make up to three demands, excluding short form registration demands, that the Company register such securities. In addition, the holders will have certain "piggy-back" registration rights with respect to registration statements filed subsequent to the completion of a Business Combination. The Company will bear the expenses incurred in connection with the filing of any such registration statements.

Underwriting Agreement

The Company granted the underwriters a 45-day option from the date of the Initial Public Offering to purchase up to 4,575,000 additional Units to cover over-allotments, if any, at the Initial Public Offering price less the underwriting discounts and commissions. In connection with the closing of the Initial Public Offering on June 30, 2020, the underwriters partially exercised their over-allotment option to purchase an additional 4,500,000 Units at \$10.00 per Unit and forfeited the option to exercise the remaining 75,000 Units.

The underwriters were paid a cash underwriting discount of \$0.20 per Unit, or \$6,100,000 in the aggregate. In addition, the underwriters are entitled to a deferred fee of (i) 3.5% of the gross proceeds of the initial 30,500,000 Units sold in the Initial Public Offering, or \$10,675,000, and (ii) 5.5% of the gross proceeds from the Units sold pursuant to the over-allotment option, or \$2,475,000. Up to 10% of the deferred commission relating to the base offering may be paid at the sole discretion of the Company to third parties not participating in the Initial Public Offering (but who are members of FINRA) that assist the Company in consummating the Business Combination. The deferred fee will be forfeited by the underwriters solely in the event that the Company fails to complete a Business Combination, subject to the terms of the underwriting agreement.

NOTE 7. STOCKHOLDERS' EQUITY

Preferred Stock — The Company is authorized to issue 1,000,000 shares of preferred stock with a par value of \$0.0001 per share with such designation, rights and preferences as may be determined from time to time by the Company's board of directors. At September 30, 2020, there were no shares of preferred stock issued or outstanding.

Class A Common Stock — The Company is authorized to issue 380,000,000 shares of Class A common stock with a par value of \$0.0001 per share. Holders of Class A common stock are entitled to one vote for each share. At September 30, 2020, there were 1,689,947 shares of Class A common stock issued or outstanding, excluding 33,310,053 shares of common stock subject to possible redemption, respectively.

Class B Common Stock — The Company is authorized to issue 20,000,000 shares of Class B common stock with a par value of \$0.0001 per share. At September 30, 2020, there were 8,750,000 shares of Class B common stock issued and outstanding.

Holders of Class A common stock and Class B common stock will vote together as a single class on all matters submitted to a vote of stockholders except as required by law.

The shares of Class B common stock will automatically convert into shares of Class A common stock at the time of a Business Combination on a one-for-one basis, subject to adjustment. In the case that additional shares of Class A common stock or equity-linked securities are issued or deemed issued in connection with a Business Combination, the number of shares of Class A common stock issuable upon conversion of all Founder Shares will equal, in the aggregate, on an as-converted basis, 20% of the total number of shares of Class A common stock outstanding after such conversion (after giving effect to any redemptions of shares of Class A common stock by public stockholders), including the total number of shares of Class A common stock issued, or deemed issued or issuable upon conversion or exercise of any equity-linked securities or rights issued or deemed issued, by the Company in connection with or in relation to the consummation of a Business Combination, excluding any shares of Class A common stock or equity-linked securities or rights exercisable for or convertible into shares of Class A common stock issued, or to be issued, to any seller in a Business Combination and any private placement warrants issued to the Sponsor, officers or directors upon conversion of Working Capital Loans, provided that such conversion of Founder Shares will never occur on a less than one-for-one basis.

Warrants — Public Warrants may only be exercised for a whole number of shares. No fractional warrants will be issued upon separation of the Units and only whole warrants will trade. The Public Warrants will become exercisable on the later of (a) 12 months from the closing of the Initial Public Offering and (b) 30 days after the completion of a Business Combination.

The Company will not be obligated to deliver any shares of Class A common stock pursuant to the exercise of a warrant and will have no obligation to settle such warrant exercise unless a registration statement under the Securities Act with respect to the Class A common stock underlying the warrants is then effective and a prospectus relating thereto is current, subject to the Company satisfying its obligations with respect to registration. No warrant will be exercisable and the Company will not be obligated to issue any shares of Class A common stock upon exercise of a warrant unless the share of Class A common stock issuable upon such warrant exercise has been registered, qualified or deemed to be exempt under the securities laws of the state of residence of the registered holder of the warrants.

The Company has agreed that as soon as practicable, but in no event later than 15 business days after the closing of a Business Combination, it will use its best efforts to file with the SEC a registration statement registering the registration, under the Securities Act, of the Class A common stock issuable upon exercise of the warrants. The Company will use its best efforts to cause the same to become effective and to maintain the effectiveness of such registration statement, and a current prospectus relating thereto, until the expiration of the warrants in accordance with the provisions of the warrant agreement. If a registration statement covering the shares of Class A common stock issuable upon exercise of the warrants is not effective by the sixtieth (60th) business day after the closing of a Business Combination, warrant holders may, until such time as there is an effective registration statement and during

any period when the Company will have failed to maintain an effective registration statement, exercise warrants on a "cashless basis" in accordance with Section 3(a)(9) of the Securities Act or another exemption. Notwithstanding the above, if the Class A common stock is at the time of any exercise of a warrant not listed on a national securities exchange such that it satisfies the definition of a "covered security" under Section 18(b)(1) of the Securities Act, the Company may, at its option, require holders of public warrants who exercise their warrants to do so on a "cashless basis" in accordance with Section 3(a)(9) of the Securities Act and, in the event the Company so elects, the Company will not be required to file or maintain in effect a registration statement, but will use its best efforts to qualify the shares under applicable blue sky laws to the extent an exemption is not available.

Redemption of warrants for cash. Once the warrants become exercisable, the Company may call the warrants for redemption:

- in whole and not in part;
- at a price of \$0.01 per warrant;
- upon not less than 30 days' prior written notice of redemption to each warrant holder; and
- if, and only if, the closing price of the Class A common stock equals or exceeds \$18.00 per share (as adjusted for stock splits, stock capitalizations, reorganizations, recapitalizations and the like and for certain issuances of Class A common stock and equity-linked securities for capital raising purposes in connection with the closing of our initial business combination as described elsewhere in this prospectus) for any 20 trading days within a 30-trading day period ending three business days before we send to the notice of redemption to the warrant holders.

If and when the warrants become redeemable by the Company, it may exercise its redemption right even if the Company is unable to register or qualify the underlying securities for sale under all applicable state securities laws.

If the Company calls the Public Warrants for redemption for cash, management will have the option to require all holders that wish to exercise the Public Warrants to do so on a "cashless basis," as described in the warrant agreement. The exercise price and number of shares of Class A common stock issuable upon exercise of the warrants may be adjusted in certain circumstances including in the event of a stock dividend, or recapitalization, reorganization, merger or consolidation. However, except as described below, the warrants will not be adjusted for issuance of Class A common stock at a price below its exercise price. Additionally, in no event will the Company be required to net cash settle the warrants. If the Company is unable to complete a Business Combination within the Combination Period and the Company liquidates the funds held in the Trust Account, holders of warrants will not receive any of such funds with respect to their warrants, nor will they receive any distribution from the Company's assets held outside of the Trust Account with the respect to such warrants. Accordingly, the warrants may expire worthless.

In addition, if (x) the Company issues additional shares of Class A common stock or equitylinked securities for capital raising purposes in connection with the closing of a Business Combination at an issue price or effective issue price of less than \$9.20 per share of Class A common stock (with such issue price or effective issue price to be determined in good faith by the Company's board of directors and, in the case of any such issuance to the Sponsor or its affiliates, without taking into account any Founder Shares held by the Sponsor or such affiliates, as applicable, prior to such issuance), (the "Newly Issued Price") (y) the aggregate gross proceeds from such issuances represent more than 60% of the total equity proceeds, and interest thereon, available for the funding of a Business Combination on the date of the consummation of a Business Combination (net of redemptions), and (z) the volume weighted average trading price of the Class A common stock during the 20 trading day period starting on the trading day after the day on which the Company consummates a Business Combination (such price, the "Market Value") is below \$9.20 per share, the exercise price of the warrants will be adjusted (to the nearest cent) to be equal to 115% of the higher of the Market Value and the Newly Issued Price, and the \$18.00 per share redemption trigger price will be adjusted (to the nearest cent) to be equal to 180% of the higher of the Market Value and the Newly Issued Price.

NOTE 7. STOCKHOLDERS' EQUITY (cont.)

The Private Placement Warrants are identical to the Public Warrants underlying the Units sold in the Initial Public Offering, except that the Private Placement Warrants and the shares of Class A common stock issuable upon the exercise of the Private Placement Warrants will not be transferable, assignable or saleable until 30 days after the completion of a Business Combination, subject to certain limited exceptions, and will be entitled to certain registration rights (see Note 6). Additionally, the Private Placement Warrants will be exercisable for cash or on a cashless basis, at the holder's option, and be non-redeemable so long as they are held by the initial purchasers or their permitted transferees. If the Private Placement Warrants are held by someone other than the initial purchasers or their permitted transferees, the Private Placement Warrants will be redeemable by the Company in all redemption scenarios and exercisable by such holders on the same basis as the Public Warrants.

NOTE 8. FAIR VALUE MEASUREMENTS

The fair value of the Company's financial assets and liabilities reflects management's estimate of amounts that the Company would have received in connection with the sale of the assets or paid in connection with the transfer of the liabilities in an orderly transaction between market participants at the measurement date. In connection with measuring the fair value of its assets and liabilities, the Company seeks to maximize the use of observable inputs (market data obtained from independent sources) and to minimize the use of unobservable inputs (internal assumptions about how market participants would price assets and liabilities). The following fair value hierarchy is used to classify assets and liabilities based on the observable inputs and unobservable inputs used in order to value the assets and liabilities:

- Level 1: Quoted prices in active markets for identical assets or liabilities. An active market for an asset or liability is a market in which transactions for the asset or liability occur with sufficient frequency and volume to provide pricing information on an ongoing basis.

- Level 2: Observable inputs other than Level 1 inputs. Examples of Level 2 inputs include quoted prices in active markets for similar assets or liabilities and quoted prices for identical assets or liabilities in markets that are not active.

- Level 3: Unobservable inputs based on our assessment of the assumptions that market participants would use in pricing the asset or liability.

The following table presents information about the Company's assets that are measured at fair value on a recurring basis at September 30, 2020 and indicates the fair value hierarchy of the valuation inputs the Company utilized to determine such fair value:

Description	Level	September 30, 2020
Assets:		
Investments held in Trust Account – U.S. Treasury Securities Money Market Fund	1	\$ 350,131,685

The Company classifies its U.S. Treasury and equivalent securities as held-to-maturity in accordance with ASC 320 "Investments — Debt and Equity Securities." Held-to-maturity securities are those securities which the Company has the ability and intent to hold until maturity. Held-to-maturity treasury securities are recorded at amortized cost on the accompanying balance sheet and adjusted for the amortization or accretion of premiums or discounts.

Based upon this review, the Company did not identify any subsequent events that would have required adjustment or disclosure in the financial statements.

**FUSION ACQUISITION CORP.
NOTES TO FINANCIAL STATEMENTS**

Note 1 — Description of Organization and Business Operations

Fusion Acquisition Corp. (the “Company”) was incorporated in Delaware on March 6, 2020. The Company was formed for the purpose of entering into a merger, capital stock exchange, asset acquisition, stock purchase, reorganization or similar business combination with one or more businesses (the “Business Combination”).

The Company is not limited to a particular industry or sector for purposes of consummating a Business Combination, however, the Company intends to concentrate its efforts identifying businesses in the financial services industry, with particular emphasis on businesses in the wealth, financial advice, investment, and asset management sectors or those that are providing or changing technology for traditional financial services. The Company is an early stage and emerging growth company and, as such, the Company is subject to all of the risks associated with early stage and emerging growth companies.

As of March 10, 2020, the Company had not commenced any operations. All activity for the period from March 6, 2020 (inception) through March 10, 2020 relates to the Company’s formation and the proposed initial public offering (“Proposed Public Offering”), which is described below. The Company will not generate any operating revenues until after the completion of a Business Combination, at the earliest. The Company will generate non-operating income in the form of interest income from the proceeds derived from the Proposed Public Offering. The Company has selected December 31 as its fiscal year end.

The Company’s ability to commence operations is contingent upon obtaining adequate financial resources through a Proposed Public Offering of 30,500,000 units (the “Units” and, with respect to the shares of common stock included in the Units being offered, the “Public Shares”) at \$10.00 per Unit (or 35,075,000 Units if the underwriters’ over-allotment option is exercised in full), which is discussed in Note 3, and the sale of warrants (the “Private Placement Warrants”) in a private placement to Fusion Sponsor LLC (the “Sponsor”) that will close simultaneously with the Proposed Public Offering.

The Company’s management has broad discretion with respect to the specific application of the net proceeds of the Proposed Public Offering and the sale of the Private Placement Warrants, although substantially all of the net proceeds are intended to be applied generally toward consummating a Business Combination. There is no assurance that the Company will be able to complete a Business Combination successfully. The Company must complete a Business Combination with one or more operating businesses or assets that together have an aggregate fair market value equal to at least 80% of the net assets held in the Trust Account (net of amounts disbursed to management for working capital purposes, if permitted, and excluding the amount of any deferred underwriting commissions) at the time of the Company’s signing a definitive agreement in connection with its initial Business Combination. The Company will only complete a Business Combination if the post-transaction company owns or acquires 50% or more of the outstanding voting securities of the target or otherwise acquires an interest in the target business or assets sufficient for it not to be required to register as an investment company under the Investment Company Act of 1940, as amended (the “Investment Company Act”). Upon the closing of the Proposed Public Offering, management has agreed that an amount equal to at least \$10.00 per Unit sold in the Proposed Public Offering, including the proceeds from the sale of the Private Placement Warrants, will be held in a trust account (“Trust Account”), located in the United States and invested only in U.S. government securities, within the meaning set forth in Section 2(a)(16) of the Investment Company Act, with a maturity of 185 days or less or in any open-ended investment company that holds itself out as a money market fund selected by the Company meeting certain conditions of Rule 2a-7 of the Investment Company Act, as determined by the Company, until the earlier of: (i) the completion of a Business Combination and (ii) the distribution of the funds held in the Trust Account, as described below.

The Company will provide its holders of the outstanding Public Shares (the “public stockholders”) with the opportunity to redeem all or a portion of their Public Shares upon the completion of a Business Combination either (i) in connection with a stockholder meeting called to approve the Business Combination or (ii) by means of a tender offer. The decision as to whether the Company will seek stockholder approval of a Business Combination or conduct a tender offer will be made by the Company. The public stockholders will be entitled to redeem their Public Shares for a pro rata portion of the amount then in the Trust Account (initially anticipated to be \$10.00 per Public Share, plus any pro rata interest earned on the funds held in the Trust Account and not previously released to the Company to pay its tax obligations). There will be no redemption rights upon the completion of a Business Combination with

respect to the Company's warrants. The Public Shares subject to redemption will be recorded at redemption value and classified as temporary equity upon the completion of the Proposed Public Offering in accordance with the Accounting Standards Codification ("ASC") Topic 480 "Distinguishing Liabilities from Equity."

The Company will only proceed with a Business Combination if the Company has net tangible assets of at least \$5,000,001 either prior to or upon such consummation of a Business Combination and, if the Company seeks stockholder approval, a majority of the shares voted are voted in favor of the Business Combination. If a stockholder vote is not required by applicable law or stock exchange rules and the Company does not decide to hold a stockholder vote for business or other reasons, the Company will, pursuant to its Amended and Restated Certificate of Incorporation (the "Amended and Restated Certificate of Incorporation"), conduct the redemptions pursuant to the tender offer rules of the U.S. Securities and Exchange Commission ("SEC") and file tender offer documents with the SEC prior to completing a Business Combination. If, however, stockholder approval of the transaction is required by applicable law or stock exchange rules, or the Company decides to obtain stockholder approval for business or other reasons, the Company will offer to redeem shares in conjunction with a proxy solicitation pursuant to the proxy rules and not pursuant to the tender offer rules. If the Company seeks stockholder approval in connection with a Business Combination, the Sponsor has agreed to vote its Founder Shares (as defined in Note 5), and any Public Shares purchased during or after the Proposed Public Offering in favor of approving a Business Combination. Additionally, each public stockholder may elect to redeem their Public Shares irrespective of whether they vote for or against the proposed transaction or do not vote at all.

Notwithstanding the above, if the Company seeks stockholder approval of a Business Combination and it does not conduct redemptions pursuant to the tender offer rules, the Amended and Restated Certificate of Incorporation provides that a public stockholder, together with any affiliate of such stockholder or any other person with whom such stockholder is acting in concert or as a "group" (as defined under Section 13 of the Securities Exchange Act of 1934, as amended (the "Exchange Act")), will be restricted from redeeming its shares with respect to more than an aggregate of 20% or more of the Public Shares, without the prior consent of the Company.

The Sponsor has agreed (a) to waive its redemption rights with respect to its Founder Shares and Public Shares held by it in connection with the completion of a Business Combination and (b) not to propose an amendment to the Amended and Restated Certificate of Incorporation (i) to modify the substance or timing of the Company's obligation to allow redemption in connection with the Company's initial Business Combination or to redeem 100% of its Public Shares if the Company does not complete a Business Combination or (ii) with respect to any other provision relating to stockholders' rights or pre-initial business combination activity, unless the Company provides the public stockholders with the opportunity to redeem their Public Shares in conjunction with any such amendment.

The Company will have until 18 months from the closing of the Proposed Public Offering to complete a Business Combination (the "Combination Period"). If the Company is unable to complete a Business Combination within the Combination Period, the Company will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten business days thereafter, redeem the Public Shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account including interest earned on the funds held in the Trust Account and not previously released to the Company to pay its tax obligations (less up to \$100,000 of interest to pay dissolution expenses), divided by the number of then outstanding Public Shares, which redemption will completely extinguish public stockholders' rights as stockholders (including the right to receive further liquidating distributions, if any), and (iii) as promptly as reasonably possible following such redemption, subject to the approval of the Company's remaining stockholders and the Company's board of directors, dissolve and liquidate, subject in each case to the Company's obligations under Delaware law to provide for claims of creditors and the requirements of other applicable law. There will be no redemption rights or liquidating distributions with respect to the Company's warrants, which will expire worthless if the Company fails to complete a Business Combination within the Combination Period.

The Sponsor has agreed to waive its liquidation rights with respect to the Founder Shares if the Company fails to complete a Business Combination within the Combination Period. However, if the Sponsor acquires Public Shares in or after the Proposed Public Offering, such Public Shares will be entitled to liquidating distributions from the Trust

Account if the Company fails to complete a Business Combination within the Combination Period. The underwriters have agreed to waive their rights to their deferred underwriting commission (see Note 6) held in the Trust Account in the event the Company does not complete a Business Combination within the Combination Period and, in such event, such amounts will be included with the other funds held in the Trust Account that will be available to fund the redemption of the Public Shares. In the event of such distribution, it is possible that the per share value of the assets remaining available for distribution will be less than the Proposed Public Offering price per Unit (\$10.00).

In order to protect the amounts held in the Trust Account, the Sponsor has agreed to be liable to the Company if and to the extent any claims by a third party for services rendered or products sold to the Company, or a prospective target business with which the Company has discussed entering into a transaction agreement, reduce the amount of funds in the Trust Account to below the lesser of (1) \$10.00 per Public Share and (2) the actual amount per Public Share held in the Trust Account as of the date of the liquidation of the Trust Account due to reductions in the value of the trust assets, less taxes payable, provided that such liability will not apply to claims by a third party or prospective target business who executed a waiver of any and all rights to the monies held in the Trust Account nor will it apply to any claims under the Company's indemnity of the underwriters of the Proposed Public Offering against certain liabilities, including liabilities under the Securities Act of 1933, as amended (the "Securities Act"). Moreover, in the event that an executed waiver is deemed to be unenforceable against a third party, the Sponsor will not be responsible to the extent of any liability for such third-party claims. The Company will seek to reduce the possibility that the Sponsor will have to indemnify the Trust Account due to claims of creditors by endeavoring to have all vendors, service providers (except the Company's independent registered public accounting firm), prospective target businesses and other entities with which the Company does business, execute agreements with the Company waiving any right, title, interest or claim of any kind in or to monies held in the Trust Account.

Going Concern Consideration

The Company does not have sufficient liquidity to meet its anticipated obligations over the next year from the date of issuance of these financial statements. In connection with the Company's assessment of going concern considerations in accordance with FASB's Accounting Standards Update ("ASU") 2014-15, "Disclosures of Uncertainties about an Entity's Ability to Continue as a Going Concern," management has determined that the Company has access to funds from the Sponsor that are sufficient to fund the working capital needs of the Company until the earlier of the consummation of the Proposed Public Offering or one year from the issuance of these financial statements (see Note 3).

Note 2 — Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements are presented in conformity with accounting principles generally accepted in the United States of America ("GAAP") and pursuant to the rules and regulations of the SEC.

Emerging Growth Company

The Company is an "emerging growth company," as defined in Section 2(a) of the Securities Act, as modified by the Jumpstart Our Business Startups Act of 2012 (the "JOBS Act"), and it may take advantage of certain exemptions from various reporting requirements that are applicable to other public companies that are not emerging growth companies including, but not limited to, not being required to comply with the independent registered public accounting firm attestation requirements of Section 404 of the Sarbanes-Oxley Act, reduced disclosure obligations regarding executive compensation in its periodic reports and proxy statements, and exemptions from the requirements of holding a nonbinding advisory vote on executive compensation and stockholder approval of any golden parachute payments not previously approved.

Further, Section 102(b)(1) of the JOBS Act exempts emerging growth companies from being required to comply with new or revised financial accounting standards until private companies (that is, those that have not had a Securities Act registration statement declared effective or do not have a class of securities registered under

**FUSION ACQUISITION CORP.
NOTES TO FINANCIAL STATEMENTS**

Note 2 — Summary of Significant Accounting Policies (cont.)

the Exchange Act) are required to comply with the new or revised financial accounting standards. The JOBS Act provides that a company can elect to opt out of the extended transition period and comply with the requirements that apply to non-emerging growth companies but any such election to opt out is irrevocable. The Company has elected not to opt out of such extended transition period which means that when a standard is issued or revised and it has different application dates for public or private companies, the Company, as an emerging growth company, can adopt the new or revised standard at the time private companies adopt the new or revised standard. This may make comparison of the Company's financial statements with another public company which is neither an emerging growth company nor an emerging growth company which has opted out of using the extended transition period difficult or impossible because of the potential differences in accounting standards used.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Company's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of expenses during the reporting period.

Making estimates requires management to exercise significant judgment. It is at least reasonably possible that the estimate of the effect of a condition, situation or set of circumstances that existed at the date of the financial statements, which management considered in formulating its estimate, could change in the near term due to one or more future confirming events. Accordingly, the actual results could differ significantly from those estimates.

Cash and Cash Equivalents

The Company considers all short-term investments with an original maturity of three months or less when purchased to be cash equivalents. The Company did not have any cash equivalents as of March 10, 2020.

Deferred Offering Costs

Deferred offering costs consist of legal, accounting, underwriting fees and other costs incurred through the balance sheet date that are directly related to the Proposed Public Offering and that will be charged to stockholder's equity upon the completion of the Proposed Public Offering. Should the Proposed Public Offering prove to be unsuccessful, these deferred costs, as well as additional expenses to be incurred, will be charged to operations.

Income Taxes

The Company follows the asset and liability method of accounting for income taxes under ASC 740, "Income Taxes." Deferred tax assets and liabilities are recognized for the estimated future tax consequences attributable to differences between the financial statements carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that included the enactment date. Valuation allowances are established, when necessary, to reduce deferred tax assets to the amount expected to be realized.

ASC 740 prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return. For those benefits to be recognized, a tax position must be more likely than not to be sustained upon examination by taxing authorities. The Company recognizes accrued interest and penalties related to unrecognized tax benefits as income tax expense. There were no unrecognized tax benefits and no amounts accrued for interest and penalties as of March 10, 2020. The Company is currently not aware of any issues under review that could result in significant payments, accruals or material deviation from its position. The Company is subject to income tax examinations by major taxing authorities since inception.

**FUSION ACQUISITION CORP.
NOTES TO FINANCIAL STATEMENTS**

Note 2 — Summary of Significant Accounting Policies (cont.)

The provision for income taxes was deemed to be de minimis for the period from March 6, 2020 (inception) to March 10, 2020.

Net Loss Per Common Share

Net loss per share is computed by dividing net loss by the weighted average number of shares of common stock outstanding during the period, excluding shares of common stock subject to forfeiture by the Sponsor. Weighted average shares were reduced for the effect of an aggregate of 1,143,750 shares of common stock that are subject to forfeiture if the over-allotment option is not exercised by the underwriters (see Note 7). At March 10, 2020, the Company did not have any dilutive securities and other contracts that could, potentially, be exercised or converted into shares of common stock and then share in the earnings of the Company. As a result, diluted loss per share is the same as basic loss per share for the period presented.

Concentration of Credit Risk

Financial instruments that potentially subject the Company to concentrations of credit risk consist of a cash account in a financial institution, which, at times, may exceed the Federal Depository Insurance Coverage of \$250,000. At March 10, 2020, the Company has not experienced losses on this account and management believes the Company is not exposed to significant risks on such account.

Fair Value of Financial Instruments

The fair value of the Company's assets and liabilities, which qualify as financial instruments under ASC Topic 820, "Fair Value Measurements and Disclosures," approximates the carrying amounts represented in the accompanying balance sheet, primarily due to their short-term nature.

Recent Accounting Pronouncements

Management does not believe that any recently issued, but not yet effective, accounting pronouncements, if currently adopted, would have a material effect on the Company's financial statements.

Note 3 — Proposed Public Offering

Pursuant to the Proposed Public Offering, the Company intends to offer for sale 30,500,000 Units (or 35,075,000 Units if the underwriters' over-allotment option is exercised in full) at a price of \$10.00 per Unit. Each Unit is expected to consist of one share of common stock and one-half of one warrant ("Public Warrant"). Each whole Public Warrant is anticipated to entitle the holder to purchase one share of common stock at a price of \$11.50 per share, subject to adjustment (see Note 7).

Note 4 — Private Placement

The Company anticipates entering into an agreement with the Sponsor pursuant to which the Sponsor will purchase an aggregate of 8,100,000 Private Placement Warrants, at a price of \$1.00 per warrant, or \$8,100,000 in the aggregate, in a private placement that will occur simultaneously with the closing of the Proposed Public Offering. Each Private Placement Warrant is anticipated to be exercisable to purchase one share of common stock at an exercise price of \$11.50 per share, subject to adjustment (see Note 7). A portion of the proceeds from the Private Placement Warrants will be added to the proceeds from the Proposed Public Offering to be held in the Trust Account. If the Company does not complete a Business Combination within the Combination Period, the proceeds from the sale of the Private Placement Warrants held in the Trust Account will be used to fund the redemption of the Public Shares (subject to the requirements of applicable law), and the Private Placement Warrants will expire worthless.

Note 5 — Related Party Transactions

Founder Shares

In March 2020, the Sponsor paid \$25,000 to cover certain offering costs of the Company in consideration of 5,750,000 shares of the Company's Class B common stock (the "Founder Shares"). On May 28, 2020, the Company effected a 1:1.25 stock split with respect to the Class B common stock, on June 24, 2020, the Company effected a 1:1.20 stock split with respect to the Class B common stock and on June 25, 2020, the Company effected a 1:1.01666 stock split with respect to the Class B common stock, resulting in the Sponsor holding an aggregate of 8,768,750 Founder Shares. All share and per-share amounts have been retroactively restated to reflect the stock splits. The Founder Shares include an aggregate of up to 1,143,750 shares subject to forfeiture by the Sponsor to the extent that the underwriters' over-allotment is not exercised in full or in part, so that the number of Founder Shares will collectively represent approximately 20% of the Company's issued and outstanding shares after the Proposed Public Offering.

The Sponsor has agreed, subject to certain limited exceptions, not to transfer, assign or sell any of the Founder Shares until the earlier of (A) one year after the completion of a Business Combination and (B) subsequent to a Business Combination, (x) if the last reported sale price of the Class A common stock equals or exceeds \$12.00 per share (as adjusted for stock splits, stock reorganizations, recapitalizations and the like) for any 20 trading days within any 30-trading day period commencing at least 150 days after a Business Combination, or (y) the date on which the Company completes a liquidation, merger, stock exchange, reorganization or other similar transaction that results in all of the Company's stockholders having the right to exchange their shares of Class A common stock for cash, securities or other property.

Promissory Note — Related Party

On March 10, 2020, the Sponsor issued an unsecured promissory note to the Company (the "Promissory Note"), pursuant to which the Company may borrow up to an aggregate principal amount of \$200,000, of which \$19,054 was outstanding under the Promissory Note as of March 10, 2020. The Promissory Note is non-interest bearing and payable on the earlier of December 31, 2020 or the consummation of the Proposed Public Offering.

Related Party Loans

In addition, in order to finance transaction costs in connection with a Business Combination, the Sponsor, an affiliate of the Sponsor, or certain of the Company's officers and directors or their affiliates may, but are not obligated to, loan the Company funds as may be required ("Working Capital Loans"). If the Company completes a Business Combination, the Company would repay the Working Capital Loans out of the proceeds of the Trust Account released to the Company. Otherwise, the Working Capital Loans would be repaid only out of funds held outside the Trust Account. In the event that a Business Combination does not close, the Company may use a portion of proceeds held outside the Trust Account to repay the Working Capital Loans but no proceeds held in the Trust Account would be used to repay the Working Capital Loans. The Working Capital Loans would either be repaid upon consummation of a Business Combination, without interest, or, at the lender's discretion, up to \$1,500,000 of such Working Capital Loans may be convertible into warrants of the post Business Combination entity. The warrants would be identical to the Private Placement Warrants. Except for the foregoing, the terms of such Working Capital Loans, if any, have not been determined and no written agreements exist with respect to such loans. As of March 10, 2020, no Working Capital Loans were outstanding.

Administrative Support Agreement

The Company intends to enter into an agreement, commencing on the effective date of the Proposed Public Offering through the earlier of the Company's consummation of a Business Combination and its liquidation, to pay the Sponsor a total of \$10,000 per month for office space, secretarial, and administrative services.

**FUSION ACQUISITION CORP.
NOTES TO FINANCIAL STATEMENTS**

Note 6 — Commitments

Risks and Uncertainties

Management is currently evaluating the impact of the COVID-19 pandemic on the industry and has concluded that while it is reasonably possible that the virus could have a negative effect on the Company's financial position, results of its operations and/or search for a target company, the specific impact is not readily determinable as of the date of these financial statements. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

Registration Rights

The holders of the Founder Shares, Private Placement Warrants, and warrants that may be issued upon conversion of Working Capital Loans (and any shares of common stock issuable upon the exercise of the Private Placement Warrants or warrants issued upon conversion of the Working Capital Loans and upon conversion of the Founder Shares) will be entitled to registration rights pursuant to a registration rights agreement to be signed prior to or on the effective date of the Proposed Public Offering requiring the Company to register such securities for resale (in the case of the Founder Shares, only after conversion to shares of Class A common stock). The holders of these securities will be entitled to make up to three demands, excluding short form registration demands, that the Company register such securities. In addition, the holders will have certain "piggy-back" registration rights with respect to registration statements filed subsequent to the completion of a Business Combination. The Company will bear the expenses incurred in connection with the filing of any such registration statements.

Underwriting Agreement

The Company will grant the underwriters a 45-day option from the date of the Proposed Public Offering to purchase up to 4,575,000 additional Units to cover over-allotments, if any, at the Proposed Public Offering price less the underwriting discounts and commissions.

The underwriters will be entitled to a cash underwriting discount of \$0.20 per Unit, or \$6,100,000 in the aggregate, payable upon the closing of the Proposed Public Offering. In addition, the underwriters will be entitled to a deferred fee of (i) 3.5% of the gross proceeds of the initial 30,500,000 Units sold in the Proposed Public Offering, or \$10,675,000, and (ii) 5.5% of the gross proceeds from the Units sold pursuant to the over-allotment option, or \$2,516,250. Up to 10% of the deferred commission relating to the base offering may be paid at the sole discretion of the Company to third parties not participating in the Proposed Public Offering (but who are members of FINRA) that assist the Company in consummating the Business Combination. The deferred fee will be forfeited by the underwriters solely in the event that the Company fails to complete a Business Combination, subject to the terms of the underwriting agreement.

Note 7 — Stockholder's Equity

Preferred Stock — The Company is authorized to issue 1,000,000 shares of preferred stock with a par value of \$0.0001 per share with such designation, rights and preferences as may be determined from time to time by the Company's board of directors. At March 10, 2020, there were no shares of preferred stock issued or outstanding.

Class A Common Stock — The Company is authorized to issue 380,000,000 shares of Class A common stock with a par value of \$0.0001 per share. Holders of Class A common stock are entitled to one vote for each share. At March 10, 2020, there were no shares of Class A common stock issued or outstanding.

Class B Common Stock — The Company is authorized to issue 20,000,000 shares of Class B common stock with a par value of \$0.0001 per share. At March 10, 2020, there were 8,768,750 shares of Class B common stock issued and outstanding, of which an aggregate of up to 1,143,750 shares are subject to forfeiture to the extent that the underwriters' over-allotment option is not exercised in full or in part, so that such shares will collectively represent 20% of the Company's issued and outstanding common stock after the Proposed Public Offering.

**FUSION ACQUISITION CORP.
NOTES TO FINANCIAL STATEMENTS**

Note 7 — Stockholder’s Equity (cont.)

Holders of Class A common stock and Class B common stock will vote together as a single class on all matters submitted to a vote of stockholders except as required by law.

The shares of Class B common stock will automatically convert into shares of Class A common stock at the time of a Business Combination on a one-for-one basis, subject to adjustment. In the case that additional shares of Class A common stock or equity-linked securities are issued or deemed issued in connection with a Business Combination, the number of shares of Class A common stock issuable upon conversion of all Founder Shares will equal, in the aggregate, on an as-converted basis, 20% of the total number of shares of Class A common stock outstanding after such conversion (after giving effect to any redemptions of shares of Class A common stock by public stockholders), including the total number of shares of Class A common stock issued, or deemed issued or issuable upon conversion or exercise of any equity-linked securities or rights issued or deemed issued, by the Company in connection with or in relation to the consummation of a Business Combination, excluding any shares of Class A common stock or equity-linked securities or rights exercisable for or convertible into shares of Class A common stock issued, or to be issued, to any seller in a Business Combination and any private placement warrants issued to the Sponsor, officers or directors upon conversion of Working Capital Loans, provided that such conversion of Founder Shares will never occur on a less than one-for-one basis.

Warrants — Public Warrants may only be exercised for a whole number of shares. No fractional warrants will be issued upon separation of the Units and only whole warrants will trade. The Public Warrants will become exercisable on the later of (a) 12 months from the closing of the Proposed Public Offering and (b) 30 days after the completion of a Business Combination.

The Company will not be obligated to deliver any shares of Class A common stock pursuant to the exercise of a warrant and will have no obligation to settle such warrant exercise unless a registration statement under the Securities Act with respect to the Class A common stock underlying the warrants is then effective and a prospectus relating thereto is current, subject to the Company satisfying its obligations with respect to registration. No warrant will be exercisable and the Company will not be obligated to issue any shares of Class A common stock upon exercise of a warrant unless the share of Class A common stock issuable upon such warrant exercise has been registered, qualified or deemed to be exempt under the securities laws of the state of residence of the registered holder of the warrants.

The Company has agreed that as soon as practicable, but in no event later than 15 business days after the closing of a Business Combination, it will use its best efforts to file with the SEC a registration statement registering the registration, under the Securities Act, of the Class A common stock issuable upon exercise of the warrants. The Company will use its best efforts to cause the same to become effective and to maintain the effectiveness of such registration statement, and a current prospectus relating thereto, until the expiration of the warrants in accordance with the provisions of the warrant agreement. If a registration statement covering the shares of Class A common stock issuable upon exercise of the warrants is not effective by the sixtieth (60th) business day after the closing of a Business Combination, warrant holders may, until such time as there is an effective registration statement and during any period when the Company will have failed to maintain an effective registration statement, exercise warrants on a “cashless basis” in accordance with Section 3(a)(9) of the Securities Act or another exemption. Notwithstanding the above, if the Class A common stock is at the time of any exercise of a warrant not listed on a national securities exchange such that it satisfies the definition of a “covered security” under Section 18(b)(1) of the Securities Act, the Company may, at its option, require holders of public warrants who exercise their warrants to do so on a “cashless basis” in accordance with Section 3(a)(9) of the Securities Act and, in the event the Company so elects, the Company will not be required to file or maintain in effect a registration statement, but will use its best efforts to qualify the shares under applicable blue sky laws to the extent an exemption is not available.

**FUSION ACQUISITION CORP.
NOTES TO FINANCIAL STATEMENTS**

Note 7 — Stockholder’s Equity (cont.)

Redemption of warrants for cash. Once the warrants become exercisable, the Company may call the warrants for redemption:

- in whole and not in part;
- at a price of \$0.01 per warrant;
- upon not less than 30 days’ prior written notice of redemption to each warrant holder; and
- if, and only if, the closing price of the common stock equals or exceeds \$18.00 per share (as adjusted for stock splits, stock capitalizations, reorganizations, recapitalizations and the like and for certain issuances of Class A common stock and equity-linked securities for capital raising purposes in connection with the closing of our initial business combination as described elsewhere in this prospectus) for any 20 trading days within a 30-trading day period ending three business days before we send to the notice of redemption to the warrant holders.

If and when the warrants become redeemable by the Company, it may exercise its redemption right even if the Company is unable to register or qualify the underlying securities for sale under all applicable state securities laws.

Redemption of warrants for Class A common stock. Commencing ninety days after the warrants become exercisable, the Company may redeem the outstanding warrants:

- in whole and not in part;
- at \$0.10 per warrant upon a minimum of 30 days’ prior written notice of redemption provided that holders will be able to exercise their warrants prior to redemption and receive that number of shares, based on the redemption date and the fair market value of the Class A common stock;
- if, and only if, the last reported sale price of the Class A common stock equals or exceeds \$10.00 per share (as adjusted per stock splits, stock dividends, reorganizations, reclassifications, recapitalizations and the like) on the trading day prior to the date on which the Company sends the notice of redemption to the warrant holders;
- if, and only if, the Private Placement Warrants are also concurrently exchanged at the same price (equal to a number of shares of Class A common stock) as the outstanding Public Warrants, as described above; and
- if, and only if, there is an effective registration statement covering the issuance of the shares of Class A common stock issuable upon exercise of the warrants and a current prospectus relating thereto available throughout the 30-day period after written notice of redemption is given.

If the Company calls the Public Warrants for redemption for cash, management will have the option to require all holders that wish to exercise the Public Warrants to do so on a “cashless basis,” as described in the warrant agreement. The exercise price and number of shares of common stock issuable upon exercise of the warrants may be adjusted in certain circumstances including in the event of a stock dividend, or recapitalization, reorganization, merger or consolidation. However, except as described below, the warrants will not be adjusted for issuance of common stock at a price below its exercise price. Additionally, in no event will the Company be required to net cash settle the warrants. If the Company is unable to complete a Business Combination within the Combination Period and the Company liquidates the funds held in the Trust Account, holders of warrants will not receive any of such funds with respect to their warrants, nor will they receive any distribution from the Company’s assets held outside of the Trust Account with the respect to such warrants. Accordingly, the warrants may expire worthless.

**FUSION ACQUISITION CORP.
NOTES TO FINANCIAL STATEMENTS**

Note 7 — Stockholder’s Equity (cont.)

In addition, if (x) the Company issues additional shares of Class A common stock or equitylinked securities for capital raising purposes in connection with the closing of a Business Combination at an issue price or effective issue price of less than \$9.20 per share of Class A common stock (with such issue price or effective issue price to be determined in good faith by the Company’s board of directors and, in the case of any such issuance to the Sponsor or its affiliates, without taking into account any Founder Shares held by the Sponsor or such affiliates, as applicable, prior to such issuance), (the “Newly Issued Price”) (y) the aggregate gross proceeds from such issuances represent more than 60% of the total equity proceeds, and interest thereon, available for the funding of a Business Combination on the date of the consummation of a Business Combination (net of redemptions), and (z) the volume weighted average trading price of the Class A common stock during the 20 trading day period starting on the trading day after the day on which the Company consummates a Business Combination (such price, the “Market Value”) is below \$9.20 per share, the exercise price of the warrants will be adjusted (to the nearest cent) to be equal to 115% of the higher of the Market Value and the Newly Issued Price, and the \$18.00 per share redemption trigger price will be adjusted (to the nearest cent) to be equal to 180% of the higher of the Market Value and the Newly Issued Price.

The Private Placement Warrants will be identical to the Public Warrants underlying the Units being sold in the Proposed Public Offering, except that the Private Placement Warrants and the shares of common stock issuable upon the exercise of the Private Placement Warrants will not be transferable, assignable or saleable until 30 days after the completion of a Business Combination, subject to certain limited exceptions, and will be entitled to certain registration rights (see Note 6). Additionally, the Private Placement Warrants will be exercisable for cash or on a cashless basis, at the holder’s option, and be non-redeemable so long as they are held by the initial purchasers or their permitted transferees (except for a number of shares of Class A common stock as described above under *Redemption of warrants for Class A common stock*). If the Private Placement Warrants are held by someone other than the initial purchasers or their permitted transferees, the Private Placement Warrants will be redeemable by the Company in all redemption scenarios and exercisable by such holders on the same basis as the Public Warrants.

Note 8 — Subsequent Events

The Company evaluated subsequent events and transactions that occurred after the balance sheet date up to June 25, 2020, the date that the financial statements were available to be issued. Other than as described below, the Company did not identify any subsequent events that would have required adjustment or disclosure in the financial statements.

On May 28, 2020, the Company effected a 1:1.25 stock split with respect to the Class B common stock, on June 24, 2020, the Company effected a 1:1.20 stock split with respect to the Class B common stock and on June 25, 2020, the Company effected a 1:1.01666 stock split with respect to the Class B common stock, resulting in the Sponsor holding an aggregate of 8,768,750 Founder Shares, of which an aggregate of up to 1,143,750 shares subject to forfeiture by the Sponsor to the extent that the underwriters’ over-allotment is not exercised in full or in par. All share and per-share amounts have been retroactively restated to reflect the stock splits.

To the Shareholders and the Board of Directors of MoneyLion Inc. and Subsidiaries

Opinion on the Financial Statements

We have audited the accompanying consolidated balance sheet of MoneyLion Inc. and Subsidiaries (the Company) as of December 31, 2019, the related consolidated statements of operations, redeemable convertible preferred stock and stockholders' deficit and cash flows for the year then ended, and the related notes to the consolidated financial statements (collectively, the financial statements). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2019, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB and in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audit we are required to obtain an understanding of internal control over financial reporting, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(amounts in thousands, except share and per share amounts or as otherwise indicated)

1. DESCRIPTION OF BUSINESS AND BASIS OF PRESENTATION

MoneyLion Inc., a Delaware corporation, along with its subsidiaries, referenced herein as “MoneyLion” or the “Company”, was founded in 2013, and the Company’s headquarters is located in New York, New York. The Company operates a personal finance platform (the “Platform”) that provides a mobile app that is designed to help users simplify their personal financial management and improve their financial health, giving users access to credit, investment, banking, and other financial services and providing them with a single place to track spending, savings, and credit. The Platform is based upon analytical models that power recommendations which are designed to help users achieve their financial goals ranging from building savings, improving credit health, and managing unexpected expenses. Investment management services are provided by ML Wealth, LLC, a wholly-owned subsidiary of the Company, which is a Securities and Exchange Commission (“SEC”) registered investment advisor.

Basis of Presentation — The consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”) and the rules and regulations of the SEC. The consolidated financial statements include the accounts of MoneyLion Inc. and its wholly owned subsidiaries and consolidated VIEs for which the Company is the primary beneficiary.

The Company finances substantially all of its loan originations through Invest in America Credit Fund1, LLC (“IIA Fund”) and Invest in America Notes SPV I LLC (“IIA Notes SPV I”), Invest in America Notes SPV II LLC (“IIA Notes SPV II”), Invest in America Notes SPV III LLC (“IIA Notes SPV III”) and Invest in America Notes SPV IV LLC (“IIA Notes SPV IV”), (collectively “IIA Notes SPVs”). The IIA Fund uses proceeds from the sale of its non-voting Class B Units to unaffiliated investors to purchase payment-dependent collateralized notes (the “Notes”) from the IIA SPVs. The collateral consists of a portfolio of loans and loan-related membership receivables purchased from the Company. A wholly-owned subsidiary of the Company is the Class A Member and is also the managing member of the IIA Fund. The Company has identified IIA Notes SPV I and IIA Notes SPV II as variable interest entities (“VIEs”) due to the fact that the Class A Units are entitled to residual income/loss in the IIA Fund. The Company has identified itself as the primary beneficiary of these VIEs because it directs the activities of the VIEs that most significantly impact the VIEs’ economic performance. As the primary beneficiary of the VIEs, the Company has consolidated the balances of the VIEs into these financial statements. The IIA Fund Class B Units are reflected in the Company’s consolidated financial statements as noncontrolling interests totaling \$60,453 at December 31, 2019.

All intercompany transactions and balances have been eliminated in consolidation. The Company does not have any items of other comprehensive income (loss), therefore, there is no difference between net loss and comprehensive loss for the year ended December 31, 2019.

Going Concern — The consolidated financial statements have been prepared assuming the Company will continue as a going concern. The Company incurred a net loss of \$79,137 for the year ended December 31, 2019. As of December 31, 2019, the Company’s accumulated deficit was \$247,028. For the year ended December 31, 2019, the combined net cash used by both operating and investing activities totaled \$82,215.

To address its ongoing funding requirements, the Company has undertaken the following initiatives in 2020 and 2021:

- Obtained financing by raising approximately \$70,000 – \$10,000 through senior debt refinancing, \$5,000 through a mezzanine debt facility, \$12,000 through Series C-1 redeemable convertible preferred stock, and \$43,000 through convertible promissory notes — through January 2021 (see Note 18).
- Undertaken an operating cost reduction and restructuring plan where the Company will focus on achieving an appropriate level of operating expenses in line with the Company’s available resources.

The Company believes that based on these initiatives and its existing cash, it will have sufficient resources for the Company to continue as a going concern for at least the next twelve months from the date of issuance of these consolidated financial statements.

1. DESCRIPTION OF BUSINESS AND BASIS OF PRESENTATION (cont.)

Risks and Uncertainties — The Company is subject to a number of risks including, but not limited to, the need for successful development of products, the need for additional capital (or financing) to fund operating losses, competition from substitute products and services from larger companies, protection of proprietary technology, patent litigation, dependence on key individuals, and risks associated with changes in information technology.

Impact of LIBOR Phase-Out — The United Kingdom’s Financial Conduct Authority, which regulates LIBOR, announced in July 2017 that it intends to phase out LIBOR by the end of 2021. Based on the nature of the business activities and operations, the Company does not expect LIBOR phase-out to have a significant impact on the Company’s consolidated financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates — The preparation of consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions at the balance sheet date, which could change materially within the next year, that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Material estimates that are subject to significant estimation include management’s determination of the adequacy of the allowance for losses on finance receivables, and the valuation of stock-based compensation awards and liability-classified warrants.

Segment Information — Operating segments are defined as components of an enterprise about which separate financial information is available that is evaluated regularly by the chief operating decision maker in deciding how to allocate resources and in assessing performance. The Company’s chief operating decision maker is the chief executive officer. The Company has one business activity and there are no segment managers who are held accountable for operations, operating results and plans for levels or components below the consolidated unit level. Accordingly, the Company has one operating segment, and therefore, one reportable segment.

Cash — Cash includes cash held at financial institutions. For purposes of the consolidated financial statements, the Company considers all highly liquid investments purchased with a maturity date of three months or less to be cash equivalents. At times, the Company may maintain deposits with financial institutions in excess of the Federal Deposit Insurance Corporation (“FDIC”) insurance limits, but management believes any such amounts do not represent a significant credit risk.

Restricted Cash — Restricted cash consists of cash required to be held on reserve by the Company’s vendors for purposes of loan processing or funding and cash on hand in the VIEs. All cash accounts are held in federally insured institutions, which may at times exceed federally insured limits. The Company has not experienced losses in such accounts. Management believes the Company’s exposure to credit risk is minimal for these accounts.

As of December 31, 2019, the reconciliation of cash and restricted cash is as follows:

	2019
Reconciliation of cash and restricted cash:	
Cash	\$ 28,231
Restricted cash	17,767
Total cash and restricted cash	<u>\$ 45,998</u>

Off-balance Sheet Arrangements — Through April 2019, the Company arranged for consumers to obtain finance receivable products from independent third-party lenders. Under the program, the Company acted as a credit service organization (“CSO Program”). For the consumer finance receivable products originated by the third-party lender under the CSO Program, the lender was responsible for holding accounts for disbursement of loan proceeds and for receipt of loan payments. The Company was responsible for underwriting the loan application, marketing,

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

loan servicing and collections. When a consumer executed an agreement with the Company under the CSO Program, the Company agreed, for a fee payable to the Company by the consumer, to provide certain services to the consumer, including arranging the loan with a third-party lender. The Company's guarantee represented an obligation to purchase specific loans that go into default, actionable by a letter of credit issued by the Company to the third party, which secured the loans. In April 2019, the Company exited the CSO Program. There were no outstanding amounts of active finance receivables and no recorded accrual for estimated losses as of December 31, 2019.

Membership Subscription Receivables — Membership subscription receivables are recorded at the amount billed to the customer and reflect an allowance estimated by management for uncollectible amounts. The allowance is based on an evaluation of the collectability of the receivable, prior bad debt experience and existing economic conditions. Membership subscription receivables are written off when deemed uncollectible based on individual credit evaluation and specific circumstances.

Finance Receivables — Finance receivables are short-term loans from individuals that are reported at their principal amount outstanding, net of deferred origination fees and direct costs and an allowance for loan losses. Management has the intent and ability to hold these receivables for the foreseeable future, or until maturity or payoff. Fees received and direct origination costs incurred for the origination of finance receivables are deferred and amortized to interest income over the contractual lives of the loans using the effective interest method. Unamortized amounts are recognized in income at the time the loans are sold, charged off or paid in full.

The Company's loan products operate under individual state laws, which may carry different rates, and have varying terms and conditions depending upon the state in which they are offered. The Company is licensed or exempt from licensing to make loans in substantially all states in the United States of America.

Interest income on finance receivables are accrued based upon the daily principal amount outstanding except for when these loans are on nonaccrual status. The Company recognizes interest and fee income using the interest method. The Company's policy is to suspend recognition of interest income on finance receivables and place the loan on nonaccrual status when the account is 60 days or more past due on a contractual basis or when, in the Company's estimation, the collectability of the account is uncertain, and the account is less than 90 days contractually past due. Charges for late fees and insufficient fund fees are recognized as income when collected. In 2019, the Company sold certain delinquent fully charged-off finance receivables to unrelated third parties. In 2019, the Company recorded \$287 of recoveries related to the sale of certain delinquent finance receivables to unrelated third parties.

Allowance for Losses on Finance Receivables — An allowance for losses on finance receivables is established to provide for probable losses incurred in the Company's finance receivables at the balance sheet date and is established through a provision for loan losses. Charge-offs, net of recoveries are charged directly to the allowance. The allowance is based on management's assessment of many factors, including changes in the nature, volume, and risk characteristics of the finance receivables portfolio, overall portfolio credit quality, including trends in delinquency and charge-offs and current economic conditions that may affect the borrower's ability to pay. While management uses the best information available to make its evaluation, future adjustments to the allowance may be necessary if there are significant changes in any of the factors.

The Company's charge-off policy is to charge-off finance receivables in the month in which the account becomes 90 days contractually past due. If an account is deemed to be uncollectable prior to this date, the Company will charge-off the receivable in the month it is deemed uncollectable.

The Company determines the past due status using the contractual terms of the finance receivables. This is the credit quality indicator used to evaluate the required allowance for losses on finance receivables for each portfolio segment.

Revenue Recognition — The Company's primary offering is a subscription product. For a monthly subscription to the membership program, a member has access to, among other services, a bank account accessible through a debit card, managed investing services, credit monitoring services, a loan, and a 0% cash advance.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

Revenue is recognized as the Company transfers control of promised goods or services to members, in an amount that reflects the consideration the Company expects to be entitled to in exchange for those goods or services. The Company evaluates whether it is appropriate to recognize revenue on a gross or net basis based upon its evaluation of whether the Company obtains control of the specified goods or services by considering if it is primarily responsible for fulfillment of the promise, and has the latitude in establishing pricing, among other factors. Based on the Company's evaluation of these factors, revenue is recorded either gross or net of costs associated with the transaction.

Membership subscription revenue is recognized on a daily basis throughout the term of the individual subscription agreements. The Company policy is to suspend recognition of subscription revenue when the last scheduled subscription payment is 60 days past due, or when, in the Company's estimation, the collectability of the account is uncertain. Membership subscription revenue is recognized over time.

Members of the program typically receive the cash related to loans and cash advances in 1-3 business days. Members may elect to receive cash immediately through the Company's instant transfer option. The Company charges a fee when the instant transfer option is elected by a member. Fees earned on Instacash advance transactions are recognized at the point in time that the cash is disbursed.

Affiliate revenue is generated by displaying ads on the Company's application and by sending emails to members promoting affiliate services. For affiliate services, the Company enters into agreements with the affiliates in the form of a signed contract, which specify the terms of the services and fees, prior to advertising and promotional campaigns being run. The Company recognizes revenue from the display of impression-based ads and distribution of impression-based emails in the period in which the impressions are delivered in accordance with the contractual terms of the customer arrangements. Impressions are considered delivered when a member clicks on the advertisement or promotion.

Property and Equipment — Property and equipment is carried at cost. Depreciation is determined principally under the straight-line method over the estimated useful lives of the assets. Expenditures for maintenance and repairs are charged to expense as incurred.

The estimated useful lives of property and equipment are described below:

Property and Equipment	Useful Life
Leasehold improvements	5 years
Furniture and fixtures	5 years
Computers and equipment	2 years

Intangible Assets — The Company's intangible assets are made up of internal use software. The Company capitalizes qualifying internal use software development costs that are incurred during the application development stage, provided that management with the relevant authority authorizes the project, it is probable the project will be completed, and the software will be used to perform the function intended. Costs incurred during the application development stage internally or externally are capitalized and amortized on a straight-line basis over the expected useful life of three years. Costs related to preliminary project activities and post-implementation operation activities, including training and maintenance, are expensed as incurred.

Impairment of Long-Lived Assets — Long-lived assets, such as property and equipment and intangible assets, are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset may not be recoverable. The carrying amount of a long-lived asset is not recoverable if it exceeds the sum of the undiscounted future cash flows expected to result from the use and eventual disposition of the asset. The amount of impairment loss, if any, is measured as the difference between the carrying value of the asset and its estimated fair value. Fair value is determined through various valuation techniques, including discounted cash flow models, quoted market values and third-party independent appraisals, as considered necessary. No impairment charges were recognized during the year ended December 31, 2019.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

Debt Issuance Costs — Costs incurred to obtain debt financing are capitalized and amortized into interest expense over the life of the related debt using a method that approximates the effective interest method. Debt issuance costs are recorded as a contra debt balance in the accompanying consolidated financial statements.

Stock-Based Compensation — The Company accounts for its stock options granted to employees as stock-based compensation expense based on their grant date fair value. The Company uses an option valuation model to measure the fair value of options at the date of grant. The value of the portion of the awards that is ultimately expected to vest is recognized as an expense over the requisite service period in the Company's consolidated statement of operations. Forfeitures are accounted for as they are incurred.

Stock Warrants — The Company accounts for freestanding warrants for redeemable convertible preferred stock and common stock as liabilities at fair value upon issuance primarily because the settlement amount is predominantly based upon a fixed amount with a variable number of shares. In addition, the warrants for redeemable convertible preferred stock are classified as liabilities as shares underlying the warrants contain contingent redemption features outside the control of the Company. The warrants are subject to remeasurement at each balance sheet date and any change to the fair value is recognized as change in fair value of warrant liability in the consolidated statement of operations. The carrying value of the warrants will continue to be adjusted until such time as these instruments are exercised or expired. The Company establishes fair value of the warrants at issuance and at each reporting date utilizing generally accepted valuations methodologies which include market approaches and Black-Scholes-Merton option pricing model. The Black-Scholes-Merton option pricing model is based on the estimated market value of the underlying common stock at the measurement date, the remaining contractual term of the warrant, risk-free interest rates and expected dividends on, and expected volatility of the price of the underlying common stock derived from similar publicly traded companies.

Net Loss Per Share — The Company calculated basic and diluted net loss per share attributable to common stockholders in conformity with the two-class method required for companies with participating securities. The Company considered the redeemable convertible preferred stock to be a participating security as the holders are entitled to receive aggregated accrued and not paid dividends if/when declared by the board of directors at a dividend rate payable in preference and priority to the holders of common stock.

Under the two-class method, basic net loss per share attributable to common stockholders was calculated by dividing the net loss by the weighted-average number of shares of common stock outstanding during the period. The net loss attributable to common stockholders was not allocated to the redeemable convertible preferred stock as the holders of redeemable convertible preferred stock do not have a contractual obligation to share in losses, which is consistent with the as converted method of calculation. Diluted net loss per share attributable to common stockholders was computed by giving effect to all potentially dilutive common stock equivalents outstanding for the period. For purposes of this calculation, redeemable convertible preferred stock, stock options and warrants to purchase redeemable convertible preferred stock and common stock were considered common shares equivalents but had been excluded from the calculation of diluted net loss per share attributable to common stockholders as their effect was anti-dilutive. In periods in which the Company reports a net loss attributable to all classes of common stockholders, diluted net loss per share attributable to all classes of common stockholders is the same as basic net loss per share attributable to all classes of common stockholders, since dilutive common shares are not assumed to have been issued if their effect is anti-dilutive. The Company reported net loss attributable to common stockholders for the fiscal year ended December 31, 2019.

Income Taxes — Deferred tax assets and liabilities are recognized for the future tax consequences attributable to temporary differences between the consolidated financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effects of future tax rate changes are recognized in the period when the enactment of new rates occurs.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

When tax returns are filed, it is highly certain that some positions taken would be sustained upon examination by the taxing authorities, while others are subject to uncertainty about the merits of the positions taken or the amount of the positions that would be ultimately sustained. The benefit of a tax position is recognized in the consolidated financial statements in the period during which, based on all available evidence, it is more likely than not that the position will be sustained upon examination, including the resolution of appeals or litigation processes, if any. Tax positions taken are not offset or aggregated with other positions. Tax positions that meet the more likely than not recognition threshold are measured as the largest amount of tax benefit that is more than 50% likely of being realized upon settlement with the applicable taxing authority. The portion of the benefits associated with tax positions taken that exceeds the amount measured as described above is reflected as a liability for unrecognized tax benefits in the accompanying consolidated balance sheets along with any associated interest and penalties that would be payable to the taxing authorities upon examination. Interest and penalties associated with unrecognized tax benefits are classified as additional income taxes in the consolidated statements of operations.

Fair Value Measurements — Assets and liabilities recorded at fair value on a recurring basis in the balance sheet are categorized based upon the level of judgment associated with the inputs used to measure their fair values. Fair value is defined as the exchange price that would be received for an asset or an exit price that would be paid to transfer a liability in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. The authoritative guidance on fair value measurements establishes a three-tier fair value hierarchy for disclosure of fair value measurements as follows:

Governmental Regulation — The Company is subject to various state and federal laws and regulations in each of the states in which it operates, which are subject to change and may impose significant costs or limitations on the way the Company conducts or expands its business. 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

Recently Adopted Accounting Pronouncements —

In May 2014, the FASB issued Accounting Standards Update (“ASU”) 2014-09, *Revenue from Contracts with Customers (Topic 606)*, as amended, requiring an entity to recognize the amount of revenue to which it expects to be entitled for the transfer of promised goods or services to customers. The updated standard replaces most existing revenue recognition guidance in U.S. GAAP and permits the use of either a full retrospective or modified retrospective approach. The Company adopted ASC 606 on January 1, 2019 using the modified retrospective method as permitted. No cumulative effect adjustment was recognized as the accounting for revenue under the existing guidance is not materially different than under ASC 606.

In January 2016, ASU 2016-01, *Financial Instruments: Overall (Subtopic 825-10) Recognition and Measurement of Financial Assets and Financial Liabilities* was issued to address certain aspects of recognition, measurement, presentation, and disclosure of financial instruments. This ASU supersedes the guidance to classify equity securities with readily determinable fair values into different categories and requires equity securities (except those accounted for under the equity method or those that result in consolidation of the investee) to be measured at fair value with changes in the fair value recognized through net income. It also simplifies the impairment assessment of equity investments without readily determinable fair values by requiring assessment for impairment qualitatively at each reporting period. This update is effective for public business entities beginning after December 15, 2017, and effective for all other entities after December 15, 2018. Upon adoption of ASU 2016-01, entities that are not public are exempted from certain disclosure requirements otherwise required by ASU 2016-01. Early adoption is permitted. The Company adopted this ASU in 2018 and has, therefore, excluded the related fair value disclosures from its consolidated financial statements.

In August 2016, the FASB issued ASU 2016-15, *Statement of Cash Flows (Topic 230): Classification of Certain Cash Receipts and Cash Payments*. ASU 2016-15 provided guidance on how certain cash receipts and cash payments should be presented and classified in the statement of cash flows with the objective of reducing existing diversity in practice with respect to these items. ASU 2016-15 was effective for annual periods beginning after December 15, 2018. Early adoption was permitted. ASU 2016-15 required a retrospective transition method. However, if it was impracticable to apply the amendments retrospectively for some of the issues, the amendments for those issues would be applied prospectively as of the earliest date practicable. The Company adopted this ASU prior to 2019 and the adoption of this ASU did not have a material impact on Company’s consolidated statement of cash flows.

In November 2016, the FASB issued ASU 2016-18, *Statement of Cash Flows (Topic 230): Restricted Cash (a consensus of the FASB Emerging Issues Task Force)*, which provided guidance on the presentation of restricted cash or restricted cash equivalents in the statement of cash flows. This ASU was effective for fiscal years beginning after December 15, 2018. ASU 2016-18 must be applied using a retrospective transition method with early adoption permitted. The Company adopted this ASU in 2019 and restricted cash is included in overall cash in the statement of cash flows.

Recently Issued Accounting Pronouncements Not Yet Adopted —

In February 2016, the FASB Issued ASU 2016-02, *Leases (Topic 842)*. The guidance in this ASU supersedes the leasing guidance in Topic 840, *Leases*. Under the new guidance, lessees are required to recognize lease assets and lease liabilities on the balance sheet for all leases with terms longer than 12 months. Leases will be classified as either finance or operating with classification affecting the pattern of expense recognition in the income statement. A modified retrospective transition approach is required for lessees for capital and operating leases existing at, or entered into after, the beginning of the earliest comparative period presented in the financial statements, with certain practical expedients available. The new standard is effective for the Company on January 1, 2022. The Company is currently evaluating the impact of the pending adoption of the new standard on its consolidated financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

In June 2016, the FASB issued ASU 2016-13, *Financial Instruments — Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, which creates a new credit impairment standard for financial assets measured at amortized cost and available-for-sale debt securities. The ASU requires financial assets measured at amortized cost (including loans, trade receivables and held-to-maturity debt securities) to be presented at the net amount expected to be collected, through an allowance for credit losses that are expected to occur over the remaining life of the asset, rather than incurred losses. The ASU requires that credit losses on available-for-sale debt securities be presented as an allowance rather than as a direct write-down. The measurement of credit losses for newly recognized financial assets (other than certain purchased assets) and subsequent changes in the allowance for credit losses are recorded in the statement of income as the amounts expected to be collected change. The ASU is effective for nonpublic entities for fiscal years beginning after December 15, 2022, and interim periods within those fiscal years. Early adoption is permitted for fiscal years beginning after December 15, 2018, and interim periods within those fiscal years. The Company is currently evaluating the impact the adoption of this new guidance will have on its consolidated financial statements.

In June 2018, the FASB issued ASU 2018-07, *Compensation — Stock Compensation (Topic 718): Improvements to Nonemployee Share-Based Payment Accounting*. The amendments in this update expand the scope of Topic 718 to include share-based payment transactions for acquiring goods and services from nonemployees. An entity should apply the requirements of Topic 718 to nonemployee awards except for specific guidance on inputs to an option pricing model and the attribution of cost (that is, the period of time over which share-based payment awards vest and the pattern of cost recognition over that period). The amendments specify that Topic 718 applies to all share-based payment transactions in which a grantor acquires goods or services to be used or consumed in a grantor's own operations by issuing share-based payment awards. The amendments also clarify that Topic 718 does not apply to share-based payments used to effectively provide: (1) financing to the issuer, or (2) awards granted in conjunction with selling goods or services to customers as part of a contract accounted for under Topic 606, Revenue from Contracts with Customers. The amendments in this update are effective for public business entities for fiscal years beginning after December 15, 2018, including interim periods within that fiscal year. For all other entities, the amendments are effective for fiscal years beginning after December 15, 2019, and interim periods within fiscal years beginning after December 15, 2020. Early adoption is permitted, but no earlier than an entity's adoption date of Topic 606. The Company is currently evaluating the impact of the adoption of this guidance on its consolidated financial statements.

In August 2018, the FASB issued ASU No. 2018-15, *Intangibles — Goodwill and Other — Internal-Use Software (Subtopic 350-40): Customer's Accounting for Implementation Costs Incurred in a Cloud Computing Arrangement That is a Service Contract*. The new guidance provides for the deferral of implementation costs for cloud computing arrangements and expensing those costs over the term of the cloud services arrangement. The new guidance is effective for fiscal years beginning after December 15, 2020. The Company is currently in the process of evaluating the impact that the adoption of ASU 2018-15 will have on its consolidated financial statements and related disclosures.

In December 2019, the FASB issued ASU No. 2019-12, *Simplifying the Accounting for Income Taxes (Topic 740)*. The amendments in the updated guidance simplify the accounting for income taxes by removing certain exceptions and improving consistent application of other areas of the topic by clarifying the guidance. The new guidance is effective for fiscal years beginning after December 15, 2021 and interim periods within fiscal years beginning after December 15, 2022. Early adoption is permitted. The Company is currently in the process of evaluating the impact the adoption of ASU 2019-12 will have on its consolidated financial statements and related disclosures.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

In March 2020, the FASB issued ASU No. 2020-04, *Reference Rate Reform (Topic 848): Facilitating of the Effects of Reference Rate Reform on Financial Reporting*, which provides optional expedients and exceptions for applying U.S. GAAP to contracts, hedging relationships, and other transactions in which the reference LIBOR or another reference rate is expected to be discontinued as a result of the Reference Rate Reform. This ASU is intended to ease the potential burden in accounting for (or recognizing the effects of) reference rate reform on financial reporting. The new guidance was effective immediately, and through December 31, 2022. The Company is currently in the process of evaluating the impact the adoption of ASU 2020-04 will have on its consolidated financial statements and related disclosures.

Secured Bank Loan — In September 2018, the Company entered into a Loan and Security Agreement ("Secured Bank Loan") with a bank for a 6.75% \$20 million loan. Interest only was payable monthly through September 27, 2019. According to the terms of the Secured Bank Loan, the outstanding principal on that date was converted to a term loan payable with principal and interest payable in 36 monthly installments, maturing on September 27, 2022. The loan is secured by all assets of the Company, including capital stock of all subsidiaries, except for capital stock and assets in certain excluded subsidiaries, as defined, including our Investment in America Credit Fund I LLC (IIA) and all of the related SPVs. Under the terms of the Secured Bank Loan, the Company is subject to certain covenants, as defined, including the requirement to maintain a cash balance, as defined, at the bank of \$15,000. As of December 31, 2019, the balance of the Secured Bank Loan was \$18,333. The Secured Bank Loan was paid in full during 2020.

Secured Debt Agreements — In March 2018, and then in April 2018, IIA Notes SPV II LLC and IIA Notes SPV III LLC, wholly owned subsidiaries of the Company, entered into Loan and Security Agreements with separate lenders establishing a total credit facility of a minimum of \$20,000, which may be increased to \$27,000 upon mutual agreement between the lenders and the Company. Borrowings under these agreements are secured by a security interest in certain consumer finance loans. These agreements mature at various dates through 2020 and carry a total interest rate of 14%. The Company borrowed a total of \$21,950 under these credit facilities. In January 2019, the Company repaid \$11,000 of the outstanding Secured Debt. The interest charged on the outstanding principal balance was 15% and the Secured Loan Facility matured on July 31, 2019. The Secured Loan Facility established a first priority lien on certain assets of the wholly owned subsidiary. The Secured Loan Facility contained various requirements, including maintaining cash balances on hand or in operating accounts at deposit institutions and certain other financial reporting requirements. The Secured Loan Facility was repaid to the lender as the underlying portfolio of finance receivables was repaid by borrowers. Additional interest of 0.5% was charged on any balance not borrowed up to the \$25,000 of the facility. As of March 2019, this facility was fully terminated and all outstanding principal and interest was paid in full. As of December 31, 2019, the balance due under the Secured Loan Facility was \$0.

In August 2016, the Company entered into a \$50,000 credit and security agreement (the “Credit Agreement”) with a lender for the funding of finance receivables. The Credit Agreement allows for increases in the maximum borrowings under the agreement up to \$500,000, bears interest at a rate as defined in the Credit Agreement and matures in March 2021. The Credit Agreement also requires the Company to adhere to certain financial covenants along with certain other financial reporting requirements. The Company did not meet certain of these covenant requirements as of December 31, 2019, for which it received a waiver from the lender. As of December 31, 2019, the balance due under this facility was \$0.

In connection with the Credit Agreement, the Company granted warrants allowing the lender to purchase up to 2.5% of the Company’s outstanding common stock, or 255,402 warrants. The warrants vest in tranches based upon the occurrence of certain advance events. In 2019, all tranches were vested and one tranche was exercised. There were no warrants unvested on this agreement as of December 31, 2019.

Total deferred tax liabilities	(3,573)
Total deferred tax assets (liabilities)	\$ —

As of December 31, 2019, the Company recorded a valuation allowance of approximately \$46.8million. The valuation allowance was recorded due to the fact that the Company has incurred operating losses to date. There was no other activity in the valuation allowance accounting during 2019.

Realization of deferred tax assets is dependent upon future earnings, if any, the timing and amount of which are uncertain. Accordingly, the net deferred tax assets have been fully offset by a valuation allowance. The valuation allowance increased by \$17.8 million during 2019. The Company was under IRS audit for the years ending December 31, 2014 through December 31, 2016, and as of March 2019, the Company and the IRS agreed to proposed adjustments, which did not result in any additional taxes due. The above presentation of the deferred tax balances and net operating losses reflect the agreed upon adjustments related to the IRS audit, all of which were immaterial to the financial statements.

Total U.S. federal and state operating loss carryforwards as of December 31, 2019 were approximately \$194.2 million. US federal net operating loss carryforwards begin to expire in 2033, and state operating loss carryforwards begin to expire in 2027. U.S. Federal net operating losses of \$162.2 million carry forward indefinitely.

As of December 31, 2019, the Company's Federal research and development credit carryforwards for income tax purposes were approximately \$1.2 million. If not used, the current carryforwards will expire beginning in 2034.

The Company has not completed a review to determine whether the future utilization of net operating loss and credit carryforwards will be restricted due to ownership changes that have occurred. Due to the net operating loss carryovers, the statute of limitations remains open for federal and state returns. As of December 31, 2019, there were no material uncertain tax positions.

12. REDEEMABLE CONVERTIBLE PREFERRED STOCK(cont.)

fair market value of the shares as mutually agreed by the Company and a majority of the applicable series of redeemable convertible preferred stock on the date a notice of redemption is provided to the Company. As of December 31, 2019, the redemption prices were based on the original issue prices plus unpaid dividends. The original issue prices for Series A-1, Series A-2, Series A-3, Series B, Series B-2 and Series C redeemable convertible preferred stock are as follows on a per share basis: \$16.99, \$16.99, \$19.61, \$29.69, \$48.08, and \$51.76, respectively.

Liquidation — In the event of a deemed liquidation, as defined the Company’s certificate of incorporation, the holders of Series C and Series B-2 redeemable convertible preferred stock shall be entitled to receive, before any payment shall be made or declared to the holders of the Series A-1, Series A-2, Series A-3, and Series B redeemable convertible preferred stock (collectively, the “Prior Preferred Stock”), or to the holders of common stock, an amount equal to the Series C and Series B-2 redeemable convertible preferred stock original issue prices, plus declared but unpaid dividends on such stock (the “Series C and Series B-2 Preferences”). After the full Series C and Series B-2 Preferences have been paid, and the liquidation preference of the Prior Preferred Stock has been paid, any remaining funds and assets of the Company legally available for distribution to stockholders shall be distributed pro rata among the holders of the Series C redeemable convertible preferred stock and common stock (the “Remaining Distribution”). The total amount received by holders of Series C redeemable convertible preferred stock pursuant to the Series C and Series B-2 Preferences and the Remaining Distribution will not exceed two times the original issue price of the Series C redeemable convertible preferred stock.

Conversion — Each share of redeemable convertible preferred stock is convertible at the option of the holder at any time after the date of issuance, into shares of common stock as is determined by dividing the original purchase price of redeemable convertible preferred stock by the conversion price in effect at the time of conversion for such series of redeemable convertible preferred stock. The conversion price per share of Series A-1, Series A-2, Series A-3, Series B, Series B-2 and Series C redeemable convertible preferred stock shall be \$16.99, \$16.99, \$19.61, \$29.69, \$48.08, and \$51.76, respectively, as defined by the Company’s certificate of incorporation. The conversion price is subject to appropriate adjustments in the event of any stock dividend, stock split or similar recapitalization, including adjustments in accordance with anti-dilution provisions. In addition, the redeemable convertible preferred stock will be converted automatically into shares of the Company’s common stock at then applicable conversion ratio upon the earlier of (i) the closing of a qualified public offering (“Qualified IPO”) to the public at the price equal to three (3) times the original issue price for Series C redeemable convertible preferred stock, resulting in a net proceeds of at least \$150.0 million or (ii) the occurrence of an event specified by vote or written consent of holders of at least a majority of the then outstanding shares of redeemable convertible preferred stock.

13. STOCK OPTIONS

In 2014, the Company’s Board of Directors approved an equity incentive plan (the Plan) to promote the long-term success of the Company and to attract new individuals with outstanding qualifications. The Plan, as amended, provides these benefits in the form of stock options. The Company has designated a total of 1,715,191 shares of common stock to the Plan. The exercise price of each option granted is generally equivalent to the fair value of a share of the Company’s stock on that date. If a participant’s employment is terminated for cause, all options are terminated and forfeited immediately. If a participant’s employment is terminated due to death or disability, the vested portion of the participant’s options may be exercised by the participant, or a beneficiary of the participant, within six months after the termination date. If the participant’s employment is terminated for any other reason, the vested portion of the participant’s options may be exercised within three months of termination. In general, options granted under the Plan vest 25% on the one-year anniversary of the vesting calculation date, with the remaining 75% vesting on a monthly basis over the next three years after the first 25% vesting date.

13. STOCK OPTIONS (cont.)

The weighted average grant date fair value of options granted under the Plan in 2019 was \$3.88. This price was determined using the Black-Scholes Merton option pricing model, which analyzes volatility, lack of marketability, and comparable companies, among other factors in determining the fair value of each share granted. Assumptions used for the options granted during the year ended December 31, 2019 are as follows:

Expected Volatility	55% – 65%
Expected Dividend	—
Expected Term in Years	5.94
Expected Forfeitures	5%
Risk Free Interest Rate	1.70% – 2.71%

Stock-based compensation of \$765 was recognized during the year ended December 31, 2019. As of December 31, 2019, there was \$7,374 of total unrecognized compensation cost related to non-vested share-based compensation arrangements. The Company expects to recognize that cost over a weighted average period of approximately three years.

During the year ended December 31, 2019, the following table represents activity within the Plan:

	Number of Shares	Weighted Average Exercise Price Per Share	Weighted Average Remaining Contractual Term	Aggregate Intrinsic Value
Options outstanding at January 1, 2019	1,140,016	\$ 4.29	8.9 Years	\$ 6,099
Options granted	708,169	6.54		
Options exercised	(22,261)	3.45		
Options forfeited	(91,253)	4.69		
Options expired	(46,054)	4.15		
Options outstanding at December 31, 2019	<u>1,688,617</u>	<u>\$ 5.19</u>	8.6 Years	<u>\$ 6,839</u>
Exercisable at December 31, 2019	<u>569,365</u>	<u>\$ 3.63</u>	7.5 Years	<u>\$ 3,422</u>
Unvested at December 31, 2019	<u>1,119,252</u>	<u>\$ 6.019</u>		

14. STOCK WARRANTS

In March 2019 the Company granted to all of its Series B-2 Preferred Shareholders, in proportion to their shareholdings, 121,708 of Common Stock Warrants (“Common Warrants”). The Common Warrants have a 10 year term and they are exercisable only upon an exit, as defined, and will terminate upon the occurrence of certain events, as defined, and the exercise price is \$2.35.

The following is a schedule of changes in outstanding warrants from January 1, 2019 to December 31, 2019:

	Common warrants	Series A-1 Warrants	Series B-2 Warrants	Total
Outstanding at January 1, 2019	899,374	78,989	15,600	955,123

14. STOCK WARRANTS (cont.)

The warrants are subsequently measured at fair value on a recurring basis and are classified as Level 3 because of our reliance on unobservable assumptions. The key inputs into our Black-Scholes Model valuation were as follows at inception and as of December 31, 2019:

Expected Volatility	50.8% – 55.0%
Expected Dividend	—
Expected Term in Years	3.00
Risk Free Interest Rate	1.52%

As of December 31, 2019, the table below presents the balance of warrants valued on a recurring basis by level within the fair value hierarchy:

	2019				Total Gains (Losses)
	Total	Level 1	Level 2	Level 3	
Warrant liability	\$ 10,248	\$ —	\$ —	\$ 10,248	\$ 4,260

15. NET LOSS PER SHARE

As of December 31, 2019, the following table sets forth the computation of net loss per common share:

	2019
Numerator:	
Net loss	\$ (79,137)
Accretion of issuance costs on redeemable convertible preferred stock	(438)
Accrued dividends on redeemable convertible preferred stock	(13,896)
Loss attributable to noncontrolling interest	—
Net loss attributable to common stockholders	<u>\$ (93,471)</u>
Denominator:	
Weighted-average common shares outstanding – basic and diluted	2,647,679
Net loss per share attributable to common stockholders – basic and diluted	<u>\$ (35.30)</u>

The Company’s potentially dilutive securities, which include redeemable convertible preferred stock, stock options to purchase common stock and warrants to purchase redeemable convertible preferred stock and common stock, have been excluded from the computation of diluted net loss per share as the effect would be antidilutive. Therefore, the weighted-average number of common shares outstanding used to calculate both basic and diluted net loss per share is the same.

The Company excluded the following potential common shares from the computation of diluted net loss per share for the periods indicated because including them would have had an anti-dilutive effect, as of December 31, 2019:

	2019
Conversion of redeemable convertible preferred stock	6,314,008
Warrants to purchase common stock and redeemable convertible preferred stock	1,076,831
Options to purchase common stock	1,688,617
Total common stock equivalents	<u>9,079,456</u>

16. RELATED PARTIES

In the ordinary course of business, we may enter into transactions with directors, principal officers, their immediate families, and affiliated companies in which they are principal stockholders (commonly referred to as “related parties”).

During the year ended December 31, 2019, the Company earned affiliate revenue through an arrangement with an affiliated company in which the Company’s Chief Financial Officer holds a minority financial interest. The revenues related to this agreement included within the consolidated statement of operations were immaterial during the year ended December 31, 2019. The amounts due from the related party within the consolidated balance sheet were \$1,008 as of December 31, 2019.

Additionally, some of our directors hold financial interests in separate entities, which the Company utilized in the ordinary course of business during the year ended December 31, 2019. The expenses related to these vendors included within the consolidated statement of operations were immaterial during the year ended December 31, 2019. Additionally, the amounts due to these related parties are immaterial as of December 31, 2019.

17. COMMITMENTS AND CONTINGENCIES

Lease Commitments — The Company leases various office space, including the corporate office location, from third parties under non-cancelable agreements which require various minimum annual rentals. Certain of the leases also require the payment of normal maintenance, utilities and related real estate taxes on the properties. These agreements expire at various dates through 2025.

The total minimum lease payments as of December 31, 2019 are as follows:

Years ending December 31:	
2020	\$ 1,312
2021	1,019
2022	428
2023	394
2024	406
Thereafter	172
Total minimum lease payments	\$ 3,731

Rent expense totaled \$1,360 for the year ended December 31, 2019.

Legal Matters — The Company is involved in various claims arising in the normal course of business. Management believes it has valid defenses in these matters and defends them vigorously. Management does not believe any of these matters will have a material adverse effect on the Company’s consolidated financial statements.

The Company is currently involved in two separate putative class action lawsuits, both of which commenced in July 2019, related to its membership program. The class action lawsuits are in the pre-certification and procedural stage. The Company believes these matters are without merit. The Company also believes that the cases should be subject to arbitration and contested on an individual basis. In December 2019, the federal district court in each case granted the Company’s motion to compel arbitration and dismissed the respective case from federal court.

The Company is subject to regulatory examination by the California Department of Financial Protection and Innovation (the “CA DFPI”). In October 2020, the Company received a report of examination for MoneyLion of California, LLC, the Company’s subsidiary, that identified certain compliance exceptions and required the Company to take corrective actions, including customer refunds relating to legacy loan products that the Company no longer offers. The Company is in the process of completing the required corrective actions and has enhanced its policies and procedures for compliance with applicable provisions of the California Financial Code going forward. In addition, the CA DFPI is currently conducting an industry-wide investigation of companies that provide earned wage access

products and services, including Instacash. The Company intends to continue cooperating fully in this investigation and to that end anticipate entering into a memorandum of understanding (“MOU”) with the CA DFPI. The Company expects that the MOU, will require it to regularly provide certain information to the CA DFPI and adhere to certain best practices regarding Instacash while the CA DFPI continues to investigate. Discussions regarding the MOU are ongoing and any potential impacts on the Company’s financial condition or operations are unknown at this time.

In 2019 and 2020, the Company received Civil Investigative Demands (the “CIDs”) from the CFPB relating to its compliance with the Military Lending Act (the “MLA”) and its membership model. The Company has provided to the CFPB all of the information and documents required by the CIDs and intends to continue to fully cooperate with the CFPB in this investigation. The investigation is ongoing and any potential impact on the Company’s financial condition or operations are unknown at this time.

Sponsor and Promotional Rights Agreement — In August 2018, the Company entered into a Sponsor and Promotional Rights Agreement (“Sponsor Agreement”) with an owner of a national auto racing team (“Racing Team”). Pursuant to the terms of the agreement, the Company will be the exclusive sponsor, as defined, of two of the Racing Team’s cars. The Sponsor Agreement expires on November 30, 2021. As of December 31, 2019, the Company is committed to pay \$11,700 through the remainder of the term of the Sponsor Agreement. The Sponsor Agreement was subsequently amended in 2020 (See Note 18).

In addition, the Company will be obligated to pay to the Racing Team an incentive payment for each race win, as defined. The maximum incentive payment due under the agreement is \$500 per racing season.

18. SUBSEQUENT EVENTS

The Company has evaluated subsequent events through February 16, 2021, the date on which these consolidated financial statements were available to be issued, and concluded, that the following were required to be disclosed.

In February and June 2020, the Company and the Racing Team entered into two amendments to the Sponsor Agreement. Pursuant to those amendments, the Company’s sponsorship rights were reduced, which eliminated the Company’s obligation to pay incentives for race wins, and the Company’s commitment for the remainder of the term of the Sponsorship Agreement was reduced to \$3,250.

In early 2020, the plaintiff in one of the putative class action lawsuits appealed the district court’s decision. The appellate court heard the appeal in December 2020. The plaintiff in the other lawsuit did not appeal the district court decision to compel arbitration. As of February 2021, the matter is proceeding as an individual arbitration.

In March 2020, the Board of Directors of the Company authorized the issuance of up to 1,062,600 shares of Series C-1 redeemable convertible preferred stock, \$0.0001 par value (“Series C-1 redeemable convertible preferred stock”). Series C-1 redeemable convertible preferred stock accrues dividends at 8% annually and dividends are only payable when, as, and if declared by the Company’s Board of Directors. Liquidation rights of the Series C-1 redeemable convertible preferred stock are the same as those of the Series C redeemable convertible preferred stock. The Company is under no obligation to pay the accrued dividends. Series C-1 is convertible, at the option of the shareholders, into Common Shares. In the event of a deemed liquidation, as defined, the proceeds of such liquidation will be distributed according to a system of preferential payments, as defined, to each series of redeemable convertible preferred stock outstanding at the time of the liquidation.

Impact of COVID-19 — In March 2020, The World Health Organization recognized a global pandemic known as the coronavirus or COVID-19. Due to the economic uncertainty that this has and can continue to cause, there is an added risk factor in the overall future outlook of the Company. In response to the economic uncertainty caused by the pandemic, we made certain operational changes, including reductions to our marketing activities, that have since returned to pre-pandemic levels. We also implemented underwriting policy changes to more closely

manage credit risk while we further evaluated market conditions. Credit performance remained steady as our underwriting models quickly adapted to customers' incomes. To further support our customers, we expanded our payment deferral options and reduced certain fees, while providing them with relevant content and resources on topics like unemployment insurance and stimulus checks. While there has been an increase in economic uncertainty due to the pandemic, there was an uptick in the number of customers on our platform in the second quarter of 2020 due to factors including government initiated lockdowns and temporary or continued closure of local branches of many banks and credit unions. We expect this trend to continue although the rate of customer acquisition as a result of COVID-19 may be slower.

In April 2020, the Company borrowed \$3,207 from a bank under the SBA's Paycheck Protection Program introduced as part of the U.S. Government's COVID-19 relief efforts (the "PPP Loan"). The PPP loan bears interest at the rate of 1.0% per annum and matures on April 30, 2022.

Through October 30th, 2020, the Company sold 232,323 shares of Series C-1 redeemable convertible preferred stock for \$51.7598 per share, resulting in gross proceeds of approximately \$12,025.

In April 2020, the Company entered into a Loan and Security Agreement ("Second Lien Loan") with a lender for a second-lien loan facility with an initial principal balance of \$5,000. The Second Lien Loan bears interest at the greater of (a) 12%, and (b) a fluctuating rate of interest per annum equal to the Wall Street Journal Prime Rate plus 5.75%, not to exceed 15%. The principal borrowings under the Second Lien Loan may be increased to up to \$25,000 upon the mutual consent of the Company and the lenders. Interest only is payable until April 30, 2022, and thereafter outstanding principal will be repaid in twelve equal installments through the facility maturity date of May 1, 2023. The Second Lien Loan is secured by substantially all assets of the Company, including capital stock of all subsidiaries, except for capital stock and assets in certain excluded subsidiaries, as defined, including IIA and all of the related SPVs. Under the terms of the Loan and Security Agreement the Company is subject to certain covenants, as defined. The Company used the Second Lien Loan proceeds for general corporate purposes.

In July 2020, the Company entered into a Loan and Security Agreement ("First Lien Loan") with a bank for a \$25,000 first-lien loan facility consisting of a \$20,000 revolving credit line and \$5,000 term loan. The revolving line bears interest at the greater of (i) WSJ Prime Rate+2.25% and (ii) 6.50%. The revolving line matures on May 1, 2022. The term loan bears interest at the greater of (i) WSJ Prime Rate+3.25% and (ii) 7.50%. Interest only on the term loan is payable until June 1, 2021, and thereafter outstanding principal will be payable in thirty-six equal installments through the facility maturity date of May 1, 2024. The First Lien Loan is secured on a first-priority basis by all assets of the Company, including capital stock of all subsidiaries, except for capital stock and assets in certain excluded subsidiaries, as defined, including IIA and all of the related SPVs. Under the terms of the Loan and Security Agreement the Company is subject to certain covenants, as defined. Additionally, the Company granted the bank lender warrants to receive 12,792 shares of the Company's common stock at an exercise price as defined in the First Lien Loan. The Company used the First Lien Loan proceeds to repay in full the Secured Bank Loan and for general corporate purposes.

In August 2020, IIA Notes SPV III repaid in full the approximately \$11,500 that was outstanding under the Secured Debt Agreement and terminated the facility.

In December 2020, the Company sold to a third-party lender \$10 million of 3% Subordinated Convertible Notes maturing on July 31, 2021, the proceeds of which will be used to conduct its business. Upon maturity or certain events, the Subordinated Convertible Notes may be converted into preferred shares at conversion prices as defined in the Subordinated Convertible Notes.

In January 2021, the Company sold to third-party lenders \$33 million of 3% Subordinated Convertible Notes maturing on July 31, 2021, the proceeds of which will be used to conduct its business. Upon maturity or certain events, the Subordinated Convertible Notes may be converted into preferred shares at conversion prices as defined in the Subordinated Convertible Notes.

18. SUBSEQUENT EVENTS (cont.)

Business Combinations — In December 2020, the Company acquired Wealth Technologies Inc. (“WTI”). Additionally, in February 2021, the Company entered into a definitive agreement to merge with Fusion Acquisition Corp. (“Fusion”). See below for further discussion.

- **WTI Acquisition** — In December 2020, the Company acquired 100% of the outstanding common stock and Series A redeemable convertible preferred shares of Wealth Technologies Inc. in exchange for 539,592 shares of the Company Series C-1 redeemable convertible preferred stock, resulting in equity consideration of approximately \$30.0 million. WTI is a technology company specializing in market-leading wealth management decisioning and administration. The co-founder and majority equity holder of WTI is also a significant stockholder of Series A redeemable convertible preferred stock of MoneyLion and was named as the MoneyLion Chairman subsequent to the transaction. Due to the timing of this acquisition, the initial accounting for the acquisition, including the valuation of assets and liabilities acquired is incomplete. As such, the Company is not able to disclose certain information including the preliminary fair value of assets acquired and liabilities assumed.
- **Pending Merger with Fusion** — On February 12, 2021, the Company announced that it had entered into an agreement and plan of merger by and among Fusion, a publicly traded special purpose acquisition company and Merger Sub. Under the terms of the proposed transaction, Merger Sub will merge with and into MoneyLion with MoneyLion surviving the merger as a wholly owned subsidiary of Fusion at an estimated combined enterprise value of approximately \$2,400,000,000.00. Total consideration paid to MoneyLion’s existing shareholders will be \$2,200,000,000.00. MoneyLion stockholders will receive shares of Class A common stock of Fusion (valued at \$10.00 per share), and, if elected by MoneyLion, cash consideration up to the lower of (A) the amount (which may be zero) by which the Parent Closing Cash (as defined in the merger agreement) exceeds \$260,000,000.00 and (B) \$100,000,000.00. The balance of the consideration to MoneyLion’s equity holders will consist of equity in the combined company. Existing MoneyLion equity holders will have the potential to receive an earn-out for additional shares of equity if certain price targets are met as set forth in the definitive merger agreement. The transaction is expected to close during the first half of 2021 and remains subject to customary closing conditions.

ARTICLE II THE MERGER

Section 2.01 Effective Time. Subject to the terms and subject to the conditions of this Agreement, on the Closing Date the Company and Merger Sub shall cause the Merger to be consummated by filing the Certificate of Merger with the Secretary of State of the State of Delaware, in accordance with the applicable provisions of the DGCL (the time of such filing, or such later time as may be agreed in writing by the Company and Parent and specified in the Certificate of Merger, being the "*Effective Time*").

Section 2.02 The Merger. At the Effective Time, upon the terms and subject to the conditions of this Agreement and in accordance with the applicable provisions of the DGCL, Merger Sub and the Company shall consummate the Merger, pursuant to which Merger Sub shall be merged with and into the Company, following which the separate corporate existence of Merger Sub shall cease and the Company shall continue as the Surviving Corporation after the Merger and as a direct, wholly-owned subsidiary of Parent (provided, that references to the Company for periods after the Effective Time shall include the Surviving Corporation).

Section 2.03 Effect of the Merger. At the Effective Time, the effect of the Merger shall be as provided in this Agreement, the Certificate of Merger and the applicable provisions of the DGCL. Without limiting the generality of the foregoing, and subject thereto, at the Effective Time, all the property, rights, privileges, agreements, powers and franchises, debts, liabilities, duties and obligations of Merger Sub and the Company shall become the property, rights, privileges, agreements, powers and franchises, debts, liabilities, duties and obligations of the Surviving Corporation, which shall include the assumption by the Surviving Corporation of any and all agreements, covenants, duties and obligations of Merger Sub and the Company set forth in this Agreement to be performed after the Effective Time.

Section 2.04 Governing Documents. Subject to Section 7.11, at the Effective Time, the certificate of incorporation and bylaws of the Surviving Corporation shall be amended to read the same as the certificate of incorporation and bylaws of Merger Sub as in effect immediately prior to the Effective Time, except that the name of the Surviving Corporation shall be a name determined by the Company.

Section 2.05 Directors and Officers of the Surviving Corporation. The Parties shall take all actions reasonably necessary to ensure that immediately following the Effective Time: (a) the directors of Parent and the Surviving Corporation shall be comprised of the Persons whose names are set forth in the Proxy Statement and the Proxy Statement/Registration Statement; and (b) the officers of the Company immediately prior to the Closing shall be the officers of each of Parent and the Surviving Corporation.

Section 2.06 Merger Consideration.

(a) Upon the terms and subject to the conditions of this Agreement, the aggregate consideration to be paid to the Company Stockholders shall be: (i) the product of Per Share Merger Consideration Value times the total number of Company Common Stock held by the Company Stockholders as of the Effective Time (the “*Stockholder Merger Consideration*”) and (ii) the contingent right to receive the Earn Out Shares following the Closing in accordance with [Article III](#) (collectively, the “*Total Stockholder Consideration*”).

(b) The Stockholder Merger Consideration shall be paid in the form of: (i) if requested by the Company pursuant to [Section 2.06\(c\)](#), an amount in cash equal to the Closing Cash Payment Amount, if any; and (ii) the Closing Number of Securities. Each Company Stockholder shall be entitled to receive such Company Stockholder’s Pro Rata Share of the Closing Cash Payment Amount, if any, and the Closing Number of Securities, and its Earn Out Pro Rata Share of any Earn Out Shares in accordance with [Article III](#).

(c) No later than three (3) Business Days prior to the Closing Date, the Company may request that the Stockholder Merger Consideration include an amount in cash equal to up to the lower of (x) the amount (which may be zero) by which the Parent Closing Cash exceeds \$260,000,000 and (y) \$100,000,000, by providing written notice to Parent thereof and specifying the amount thereof it is requesting for inclusion (the “*Closing Cash Payment Amount*”).

Section 2.07 Effect of the Merger on the Company Common Stock

(a) The Company shall take all actions necessary or appropriate so that, immediately prior to the Effective Time, each share of Company Preferred Stock that is issued and outstanding as of such time shall convert into a number of shares of Company Common Stock in accordance with the Charter Documents. All of the shares of Company Preferred Stock converted into shares of Company Common Stock shall no longer be outstanding and shall cease to exist, and each holder of Company Preferred Stock shall thereafter cease to have any rights with respect to such shares of Company Preferred Stock.

(b) Upon the terms and subject to the conditions of this Agreement, at the Effective Time, by virtue of the Merger and without any further action on the part of Parent, Merger Sub, the Company, the Company Stockholders or the holders of any of the securities of Parent, the following shall occur:

(i) each share of Company Common Stock (other than Excluded Shares and Dissenting Shares) issued and outstanding at the Effective Time will be cancelled and automatically deemed for all purposes to represent the right to receive a portion of the Total Stockholder Consideration, with each Company Stockholder being entitled to receive (i) its Pro Rata Share of the Closing Cash Payment Amount, if any; (ii) its Pro Rata Share of the Closing Number of Securities; and (iii) during the Earn Out Period, its Earn Out Pro Rata Share of any Earn Out Shares upon the occurrence of each Triggering Event in accordance with [Article III](#), in each case, without interest, upon surrender of stock certificates representing all of such Company Stockholder’s Company Common Stock (each, a “*Certificate*”) (or affidavits of loss in lieu of the Certificates as provided in [Section 2.10\(g\)](#)) and delivery of the other documents required pursuant to [Section 2.10](#). As of the Effective Time, each Company Stockholder shall cease to have any other rights in and to the Company or the Surviving Corporation, and each Certificate relating to the ownership of shares of Company Common Stock (other than Excluded Shares and Dissenting Shares) shall thereafter represent only the right to receive the applicable portion of the Total Stockholder Consideration.

(ii) No fraction of a share of Parent Class A Stock will be issued by virtue of the Merger, and each Company Stockholder who would otherwise be entitled to a fraction of a share of Parent Class A Stock (after aggregating all fractional shares of Parent Class A Stock that otherwise would be received by such Company Stockholder) shall receive from Parent, in lieu of such fractional share: (i) one share of Parent Class A Stock if the aggregate amount of fractional shares of Parent Class A Stock such Company Stockholder would otherwise be entitled to is equal to or exceeds 0.50; or (ii) no shares of Parent Class A Stock if the aggregate amount of fractional shares of Parent Class A Stock such Company Stockholder would otherwise be entitled to is less than 0.50.

(iii) Each issued and outstanding share of common stock of Merger Sub shall be converted into and become one validly issued, fully paid and nonassessable share of common stock, par value \$0.0001 per share, of the Surviving Corporation, which shall constitute the only outstanding shares of capital stock of the Surviving Corporation. From and after the Effective Time, all certificates representing the

common stock of Merger Sub shall be deemed for all purposes to represent the number of shares of common stock of the Surviving Corporation into which they were converted in accordance with the immediately preceding sentence.

(iv) Each share of Company Common Stock held in the Company's treasury or owned by Parent, Merger Sub, or the Company immediately prior to the Effective Time (each an "**Excluded Share**"), shall be cancelled and no consideration shall be paid or payable with respect thereto; provided, that none of the Holdback Shares shall be considered an Excluded Share.

(v) The numbers of shares of Parent Class A Stock that the Company Stockholders are entitled to receive as a result of the Merger and as otherwise contemplated by this Agreement shall be adjusted to reflect appropriately the effect of any stock split, split-up, reverse stock split, stock dividend or distribution (including any dividend or distribution of securities convertible into Parent Class A Stock), extraordinary cash dividend, reorganization, recapitalization, reclassification, combination, exchange of shares or other like change with respect to Parent Class A Stock occurring on or after the date hereof and prior to the Closing.

Section 2.08 Treatment of Company Options, Company Warrants and Convertible Notes

(a) Effective as of the Effective Time, each Company Option that is outstanding and unexercised immediately prior to the Effective Time, whether or not then vested or exercisable, shall be assumed by Parent and shall be converted into a stock option (a "**Converted Option**") to acquire shares of Parent Class A Stock. Each such Converted Option as so assumed and converted shall continue to have, and shall be subject to, the same terms and conditions as applied to the Company Option immediately prior to the Effective Time (but taking into account any changes thereto provided for in the applicable Company Stock Plan, in any award agreement or in such Company Option by reason of this Agreement or the Transactions). As of the Effective Time, each such Converted Option as so assumed and converted shall be exercisable for that number of shares of Parent Class A Stock determined by multiplying the number of shares of the Company Common Stock subject to such Company Option immediately prior to the Effective Time by the Exchange Ratio, which product shall be rounded down to the nearest whole number of shares, at a per share exercise price determined by dividing the per share exercise price of such Company Option immediately prior to the Effective Time by the Exchange Ratio, which quotient shall be rounded up to the nearest whole cent; provided, however, that the conversion of the Company Options will be made in a manner consistent with Treasury Regulation Section 1.424-1, such that such conversion will not constitute a "modification" of such Company Options for purposes of Section 409A or Section 424 of the Code. Each holder of a vested Converted Option as of immediately following the Effective Time shall also be entitled to receive its Earn Out Pro Rata Share of any Earn Out Shares upon the occurrence of each Triggering Event in accordance with [Article III](#). As of the Effective Time, all Company Options shall no longer be outstanding and each holder of Converted Options shall cease to have any rights with respect to such Company Options, except as set forth in this [Section 2.08\(a\)](#). The Company shall take all necessary actions to effect the treatment of Company Options pursuant to this [Section 2.08\(a\)](#) in accordance with the Company Stock Plan and the applicable award agreements and to ensure that no Converted Option may be exercised prior to the effective date of an applicable Form S-8 (or other applicable form, including Form S-1 or Form S-3) of Parent. Prior to the Effective Time, the Company shall deliver to each Company optionholder a notice, setting forth the effect of the Merger on such Company optionholder's Company Options and describing the treatment of such Company Options in accordance with this [Section 2.08](#).

(b) The term "**Company Warrant**" means each unexercised warrant to purchase shares of Company Common Stock or Company Preferred Stock from the Company held by any Person, whether or not then vested or fully exercisable, granted prior to the Effective Time (each such Person, a "**Company Warrantholder**"), and the term "**Exercisable Company Warrant**" means each Company Warrant that is vested or fully exercisable immediately prior to the Effective Time. At the Effective Time, each Company Warrant that is issued and outstanding immediately prior to the Effective Time and not exercised or terminated pursuant to its terms at or immediately prior to the Effective Time, unless otherwise agreed to in writing between the Company and the applicable Company Warrantholder with Parent's prior written consent, shall be converted into a warrant (a "**Parent Replacement Warrant**"), and each Parent Replacement Warrant converted from an Exercisable Company Warrant, an "**Exercisable Parent Replacement Warrant**") to acquire shares of Parent Class A Stock in accordance with the terms of the agreements underlying such Company Warrant. The exercise of any Company Warrants that are exercisable for shares of Company Preferred Stock shall occur immediately prior to the conversion contemplated by [Section 2.07\(a\)](#). Each holder of an

[Table of Contents](#)

Exercisable Parent Replacement Warrant shall also be entitled to receive its Earn Out Pro Rata Share of any Earn Out Shares upon the occurrence of each Triggering Event in accordance with [Article III](#). As of the Effective Time, all Company Warrants shall no longer be outstanding and each holder of Parent Replacement Warrants shall cease to have any rights with respect to the Company Warrants, except as set forth in this [Section 2.08\(b\)](#).

(c) Each Convertible Note that is issued and outstanding immediately prior to the Effective Time shall be exercised pursuant to its terms immediately prior to the Effective Time.

Section 2.09 Dissenting Shares. Notwithstanding [Section 2.07](#), shares of Company Common Stock outstanding immediately prior to the Effective Time and held by a Company Stockholder who has not voted in favor of the Merger or consented thereto in writing and who has demanded appraisal for such shares in accordance with the DGCL shall not be converted into the right to receive such Company Stockholder's applicable portion of the Total Stockholder Consideration in accordance with [Section 2.07\(b\)\(i\)](#) (such shares of Company Common Stock being referred to collectively as the "**Dissenting Shares**"), unless such Company Stockholder fails to perfect, withdraws or otherwise loses the right to appraisal. If, after the Effective Time, such Company Stockholder fails to perfect, withdraws or otherwise loses the right to appraisal, such Dissenting Shares shall be treated as if they had been converted as of the Effective Time into the right to receive such Company Stockholder's applicable portion of the Total Stockholder Consideration. The Company shall give Parent prompt notice (and in any event within two Business Days) of any demands received by the Company for appraisal of shares of Company Common Stock or dissenters' rights, attempted withdrawals of such demands, notices, and any other instruments served pursuant to the DGCL and received by the Company relating to rights to be paid the fair value of Dissenting Shares, and Parent shall have the right to participate in all negotiations and proceedings with respect to such demands. Prior to the Effective Time, the Company shall not, except with the prior written consent of Parent (such consent not to be unreasonably withheld, conditioned or delayed), make any payment with respect to, or settle or compromise or offer to settle or compromise, any such demands or waive any failure to timely deliver a written demand for appraisal or dissenters' rights or otherwise comply with the provisions under Section 262 of the DGCL, or agree or commit to do any of the foregoing.

Section 2.10 Surrender of Company Certificates and Disbursement of Closing Consideration.

(a) Subject to this [Section 2.10](#), at the Effective Time, Parent shall deliver, or cause to be delivered to each Company Stockholder by way of the Exchange Agent such Company Stockholder's Pro Rata Share of: (i) the Closing Cash Payment Amount, if any; and (ii) the Closing Number of Securities (collectively, the "**Closing Consideration**"), in each case with respect to shares of Company Common Stock converted pursuant to [Section 2.07\(b\)\(i\)](#).

(b) The Parties agree that, prior to the Effective Time, Parent shall appoint Continental Stock Transfer & Trust Company, a New York corporation (or if it is unable or unwilling to serve, any other commercial bank or trust company reasonably acceptable to the Company) (the "**Exchange Agent**"), for the purpose of exchanging Certificates for each Company Stockholder's portion of the Closing Consideration; provided, however, that Parent shall afford the Company the opportunity to review any proposed Contract with the Exchange Agent prior to execution, and shall accept the Company's reasonable comments thereto.

(c) At the Effective Time, Parent shall deposit with the Exchange Agent the aggregate amount of the cash portion of the Closing Consideration, if any, and make available the aggregate amount of the equity portion of the Closing Consideration. Such cash, if any, and equity deposited with the Exchange Agent shall be referred to in this Agreement as the "**Exchange Fund**." At the Effective Time, Parent shall deliver irrevocable instructions to the Exchange Agent to deliver the Closing Consideration out of the Exchange Fund in the manner it is contemplated to be issued or paid pursuant to this [Article II](#).

(d) Promptly following the receipt of the Parent Stockholder Approval (and in any event within two Business Days thereafter), the Exchange Agent shall mail to each Company Stockholder (other than holders of Excluded Shares or Dissenting Shares): (i) a letter of transmittal in customary form specifying that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates (or affidavits of loss in lieu of the Certificates as provided in [Section 2.10\(g\)](#)) to the Exchange Agent, such letter of transmittal to be in such form and have such other provisions as Parent may reasonably agree; and (ii) instructions for surrendering the Certificates (or affidavits of loss in lieu of the Certificates as provided in [Section 2.10\(g\)](#)) to the Exchange Agent (the "**Surrender Documentation**"); provided, however, that the Exchange Agent shall not be required to deliver the Surrender Documentation to any Company Stockholder that has delivered its Surrender Documentation with respect

[Table of Contents](#)

to such Company Stockholder's Certificates to the Exchange Agent at least two Business Days prior to the Closing Date. Upon surrender of a Certificate (or affidavit of loss in lieu of the Certificate as provided in [Section 2.10\(g\)](#)) to the Exchange Agent in accordance with the terms of the Surrender Documentation, the Exchange Agent will deliver to the holder of such Certificate in exchange therefor such holder's portion of the Closing Consideration in accordance with [Section 2.10\(a\)](#) hereof, with: (A) any portion of the Closing Cash Payment Amount, if applicable, being delivered via wire transfer of immediately available funds in accordance with instructions provided by such Company Stockholder in the letter of transmittal; and (B) the portion of the Closing Number of Securities being delivered via book-entry issuance, in each case, less any required Tax withholdings as provided in [Section 2.11](#); provided, however, that if the holder of such Certificate delivers to the Exchange Agent the Surrender Documentation with respect to such Company Stockholder's Certificates at least two Business Days prior to the Closing Date, the Exchange Agent shall deliver to the holder of such Certificate in exchange therefor such holder's portion of the Closing Consideration covered by such Surrender Documentation in accordance with clauses (A) and (B) of this sentence on the Closing Date or as promptly as practicable thereafter. The Certificate so surrendered shall forthwith be cancelled. Until so surrendered, each Certificate shall represent after the Effective Time for all purposes only the right to receive the applicable portion of the Total Stockholder Consideration attributable to such Certificate. No interest will be paid or accrued on any amount payable upon due surrender of the Certificates. In the event of a transfer of ownership of shares of Company Common Stock that is not registered in the transfer records of the Company, the applicable portion of the Total Stockholder Consideration to be delivered upon due surrender of the Certificate may be issued to such transferee if the Certificate formerly representing such shares of Company Common Stock is presented to the Exchange Agent, accompanied by all documents required to evidence and effect such transfer and to evidence that any applicable stock transfer Taxes have been paid or are not applicable.

(e) From and after the Effective Time, there shall be no transfers on the stock transfer books of the Company of the shares of Company Common Stock that were outstanding immediately prior to the Effective Time. If, after the Effective Time, any Certificate is presented to the Surviving Corporation, Parent or the Exchange Agent for transfer, it shall be cancelled and deemed exchanged for (without interest and after giving effect to any required Tax withholdings as provided in [Section 2.11](#)) the portion of the Total Stockholder Consideration represented by such Certificate.

(f) Any portion of the Exchange Fund (including the proceeds of any investments of the Exchange Fund, if applicable) that remains unclaimed by the Company Stockholders for 180 days after the Effective Time shall be delivered to the Surviving Corporation. Any Company Stockholder who has not theretofore complied with this [Article II](#) shall thereafter look only to the Surviving Corporation for payment of their respective portion of the Total Stockholder Consideration (after giving effect to any required Tax withholdings as provided in [Section 2.11](#)) upon due surrender of its Certificates (or affidavits of loss in lieu of the Certificates as provided in [Section 2.10\(g\)](#)), without any interest thereon. Notwithstanding the foregoing, none of the Surviving Corporation, Parent, the Exchange Agent or any other Person shall be liable to any former Company Stockholder for any amount properly delivered to a public official pursuant to applicable abandoned property, escheat or similar Legal Requirements.

(g) In the event any Certificate shall have been lost, stolen or destroyed: (i) upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed; and (ii) if required by Parent, the posting by such Person of a bond in customary amount and upon such terms as may be required by Parent as indemnity against any claim that may be made against it or the Surviving Corporation with respect to such Certificate, the Exchange Agent will issue the portion of the Total Stockholder Consideration attributable to such Certificate (after giving effect to any required Tax withholdings as provided in [Section 2.11](#)).

Section 2.11 Withholding Taxes. Notwithstanding anything in this Agreement to the contrary, Parent, Merger Sub, the Company, the Surviving Corporation, the Exchange Agent and their Affiliates shall be entitled to deduct and withhold from the consideration otherwise payable pursuant to this Agreement, any amount required to be deducted and withheld with respect to the making of such payment under Applicable Legal Requirements; provided, that if Parent, Merger Sub, any of their respective Affiliates, or any party acting on their behalf determines that any payment to the Company Stockholders hereunder is subject to deduction and/or withholding, then Parent shall provide notice to the Company as soon as reasonably practicable after such determination and use commercially reasonable efforts to reduce or eliminate such deduction and/or withholding. To the extent that amounts are so withheld and paid over to the appropriate Governmental Entity, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction and withholding was made. Any amounts so withheld shall be timely remitted to the applicable Governmental Entity.

Section 2.12 Taking of Necessary Action; Further Action. If, at any time after the Effective Time, any further action is necessary or desirable to carry out the purposes of this Agreement and to vest the Surviving Corporation following the Merger with full right, title and possession to all assets, property, rights, privileges, powers and franchises of the Company, and Merger Sub, the officers and directors or members, as applicable, (or their designees) of the Company and Merger Sub are fully authorized in the name of their respective corporations or otherwise to take, and will take, all such lawful and necessary action, so long as such action is not inconsistent with this Agreement.

Section 2.13 Tax Treatment of the Merger. For U.S. federal income tax purposes (and for purposes of any applicable state or local tax Legal Requirements that follow the U.S. federal income tax treatment), each of the Parties intends that the Merger will constitute an integrated transaction that qualifies as a “reorganization” within the meaning of Section 368(a) of the Code (and any comparable provision of state or local tax Legal Requirements), and that this Agreement will be, and hereby is, adopted as a “plan of reorganization” for the purposes of Section 368 of the Code and Treasury Regulations Section 1.368-2(g). The Parties will prepare and file all Tax Returns consistent with such treatment of the Merger and will not take any inconsistent position on any Tax Return, during the course of any audit, litigation or other proceeding with respect to Taxes or otherwise, except as otherwise required by Applicable Legal Requirements (in the case of Parent, the Company or Surviving Corporation, as determined by Parent in good faith).

ARTICLE III EARN OUT

Section 3.01 Issuance of Earn Out Shares.

(a) Following the Closing and for a period of five years thereafter, and as additional contingent consideration for the Merger and the other Transactions, within five Business Days after the occurrence of a Triggering Event, Parent shall issue or cause to be issued to each Earn Out Participant (in accordance with its respective Earn Out Pro Rata Share) the following shares of Parent Class A Stock (which shall be equitably adjusted for stock splits, reverse stock splits, stock dividends, reorganizations, recapitalizations, reclassifications, combination, exchange of shares or other like change or transaction with respect to Parent Class A Stock occurring on or after the date hereof, the “*Earn Out Shares*”), upon the terms and subject to the conditions set forth in this Agreement and the other Transaction Agreements:

(i) upon the occurrence of Triggering Event I, a one-time issuance of 7,500,000 Earn Out Shares; and

(ii) upon the occurrence of Triggering Event II, a one-time issuance of 10,000,000 Earn Out Shares.

Section 5.05 No Conflict; Required Filings and Consents.

(a) Neither the execution, delivery nor performance by Parent and Merger Sub of this Agreement or the other Transaction Agreements to which each of them is a party, nor (assuming approval of the Parent Stockholder Matters is obtained) the consummation of the Transactions shall: (i) conflict with or violate their respective Charter Documents; (ii) assuming that the consents, approvals, orders, authorizations, registrations, filings or permits referred to in [Section 5.05\(b\)](#) are duly and timely obtained or made, conflict with or violate any Applicable Legal Requirements; or (iii) result in any breach of or constitute a default (or an event that with notice or lapse of time

or both would become a default) under, or materially impair their respective rights or alter the rights or obligations of any third party under, or give to any third party any rights of consent, termination, amendment, acceleration or cancellation of, or result in the creation of a Lien (other than any Permitted Lien) on any of the properties or assets of Parent or any of its Subsidiaries pursuant to, any Parent Material Contracts, except, with respect to clause (ii) or (iii), as would not, individually or in the aggregate, have a Parent Material Adverse Effect.

Since its incorporation or organization, as applicable, each of Parent and Merger Sub has complied in all material respects with and has not been in violation of any Applicable Legal Requirements with respect to the conduct of its business, or the ownership or operation of its business. Each of Parent and Merger Sub is in possession of all Approvals necessary to own, lease and operate the properties it purports to own, operate or lease and to carry on its business as it is now being conducted, except where the failure to have such Approvals would not, individually or in the aggregate, reasonably be expected to be material to Parent and Merger Sub, taken as a whole.

Section 5.07 Parent SEC Reports and Financial Statements

(a) Parent has timely filed all forms, reports, schedules, statements and other documents, including any exhibits thereto, required to be filed or furnished by Parent with the SEC under the Exchange Act or the Securities Act since Parent's incorporation to the date of this Agreement, together with any amendments, restatements or supplements thereto (all of the foregoing filed prior to the date of this Agreement, the "**Parent SEC Reports**"), and will have timely filed all such forms, reports, schedules, statements and other documents required to be filed subsequent to the date of this Agreement through the Closing Date (the "**Additional Parent SEC Reports**"). Parent has heretofore furnished to Company true and correct copies of all amendments and modifications that have not been filed by Parent to the SEC to all agreements, documents and other instruments that previously had been filed by Parent with the SEC and are currently in effect. The Parent SEC Reports were, and the Additional Parent SEC Reports will be, prepared in accordance with the requirements of the Securities Act, the Exchange Act and the Sarbanes-Oxley Act, as the case may be, and the rules and regulations thereunder. The Parent SEC Reports did not, and the Additional Parent SEC Reports will not, at the time they were or are filed, as the case may be, with the SEC contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading. The Certifications are each true and correct. Parent maintains disclosure controls and procedures required by Rule 13a-15(e) or 15d-15(e) under the Exchange Act. Each director and executive officer of Parent has filed with the SEC on a timely basis all statements required with respect to Parent by Section 16(a) of the Exchange Act and the rules and regulations thereunder. As used in this [Section 5.07](#), the term "file" shall be broadly construed to include any manner in which a document or information is furnished, supplied or otherwise made available to the SEC or the NYSE, so long as copies thereof are publicly available.

Parent has no off-balance sheet arrangements that are not disclosed in the Parent SEC Reports. No financial statements other than those of Parent are required by GAAP to be included in the consolidated financial statements of Parent.

Section 5.08 Absence of Certain Changes or Events. Except as set forth in Parent SEC Reports filed prior to the date of this Agreement, and except as contemplated by this Agreement, since the date of incorporation of Parent, there has not been: (a) any Parent Material Adverse Effect; (b) any declaration, setting aside or payment of any dividend on, or other distribution in respect of, any of Parent's capital stock, or any purchase, redemption or other acquisition by Parent of any of Parent's capital stock or any other securities of Parent or any options, warrants, calls or rights to acquire any such shares or other securities; (c) any split, combination or reclassification of any of Parent's capital stock; (d) any material change by Parent in its accounting methods, principles or practices, except as required by concurrent changes in GAAP (or any interpretation thereof) or Applicable Legal Requirements; (e) any change in the auditors of Parent; (f) any issuance of capital stock of Parent; (g) any revaluation by Parent of any of its assets, including, without limitation, any sale of assets of Parent other than in the ordinary course of business; or (h) any action taken or agreed upon by Parent or any of its Subsidiaries that would be prohibited by [Section 6.02](#) if such action were taken on or after the date hereof without the consent of the Company.

Section 5.09 Litigation. Except as would not be material to Parent and Merger Sub: (a) there are no pending or, to the Knowledge of the Company, threatened in writing, Legal Proceedings against Parent or Merger Sub or any of their properties or assets, or any of the directors or officers of Parent or Merger Sub with regard to their actions as such; (b) to the Knowledge of the Company, there are no pending or threatened in writing, audits, examinations or investigations by any Governmental Entity against Parent or Merger Sub with regard to their actions as such; (c) there are no pending or threatened in writing Legal Proceedings by Parent or Merger Sub against any third party; (d) there are no settlements or similar agreements that imposes any material ongoing obligations or restrictions on Parent or Merger Sub; and (e) there are no Orders imposed or, to the Knowledge of the Company, threatened in writing to be imposed upon Parent or Merger Sub or any of their respective properties or assets, or any of the directors or officers of Parent or Merger Sub with regard to their actions as such.

Section 5.10 Business Activities. Since their respective incorporation, none of Parent or Merger Sub has conducted any business activities other than activities: (a) in connection with its organization; or (b) directed toward the accomplishment of a business combination. Except as set forth in the Parent Organizational Documents, there is no Contract or Order binding upon Parent or Merger Sub or to which any of them is a party which has or could reasonably be expected to have the effect of prohibiting or materially impairing any business practice of it, any acquisition of property by it or the conduct of business by it as currently conducted or as currently contemplated to be conducted (including, in each case, following the Closing).

Section 5.11 Parent Material Contracts.

(a) Except for those Contracts filed (or incorporated by reference) as exhibits to the Parent SEC Reports and except for the documents to be executed by Parent in connection with the PIPE Investment and the other Transactions (such Contracts, the "**Parent Material Contracts**"), neither Parent nor any of its Subsidiaries is party to any Contract that would be required to be filed (or incorporated by reference) as an exhibit to Parent's Annual Report on Form 10-K pursuant to Item 601(b)(10) of Regulation S-K.

(b) Except as would not, individually or in the aggregate, reasonably be expected to result in a Parent Material Adverse Effect, all Parent Material Contracts are: (i) in full force and effect, subject to the Remedies Exception and (ii) represent the legal, valid and binding obligations of Parent or Merger Sub, as applicable, and, to the Knowledge of Parent, represent the legal, valid and binding obligations of the other parties thereto. True, correct and complete copies of all Parent Material Contracts have been made available to the Company. None of Parent, Merger Sub nor, to the Knowledge of Parent, any other party thereto, is in breach of or default under, and no event has occurred which with notice or lapse of time or both would become a breach of or default under, any of the Parent

Material Contracts, and no party to any Parent Material Contract has given any written or, to the Knowledge of Parent, oral, claim or notice of any such breach, default or event, which individually or in the aggregate, would be reasonably likely to be material to Parent and Merger Sub, taken as a whole.

None of Parent or any of its Affiliates has taken any action in an attempt to terminate the registration of the Parent Units, the Parent Class A Stock or Public Warrants under the Exchange Act.

Section 5.13 PIPE Investment Amount. Parent has made available to the Company prior to the execution of this Agreement, correct and complete copies of each of the subscription agreements (the “*Subscription Agreements*”) in the form attached hereto as Exhibit E, entered into by Parent with the applicable investors named therein (collectively, the “*PIPE Investors*”), pursuant to which the PIPE Investors have committed to provide equity financing to Parent in the aggregate amount of \$250,000,000 (the “*PIPE Investment Amount*”). The Subscription Agreements are in full force and effect and have not been withdrawn or terminated, or otherwise amended or modified, in any respect, and no withdrawal, termination, amendment or modification is contemplated by Parent. Each Subscription Agreement is a legal, valid and binding obligation of Parent and, to Parent’s Knowledge, each PIPE Investor. There are no other agreements, side letters, or arrangements between Parent and any PIPE Investor relating to any Subscription Agreement, that could affect the obligation of the PIPE Investors to contribute to Parent the applicable portion of the PIPE Investment Amount set forth in the Subscription Agreements, and, as of the date hereof, Parent does not know of any facts or circumstances that may reasonably be expected to result in any of the conditions set forth in any Subscription Agreement not being satisfied, or the PIPE Investment Amount not being available to Parent, on the Closing Date. No event has occurred that, with or without notice, lapse of time or both, would constitute a default or breach on the part of Parent under any material term or condition of any Subscription Agreement and, as of the date hereof, Parent has no reason to believe that it will be unable to satisfy in all material respects on a timely basis any term or condition of closing to be satisfied by it contained in any Subscription Agreement. The Subscription Agreements contain all of the conditions precedent (other than the conditions contained in the other Transaction Agreements) to the obligations of the PIPE Investors to contribute to Parent the applicable portion of the PIPE Investment Amount set forth in the Subscription Agreements on the terms therein.

Other than pursuant to the Trust Agreement and the Subscription Agreements, the obligations of Parent under this Agreement are not subject to any conditions regarding Parent’s, its Affiliates’, or any other Person’s ability to obtain financing for the consummation of the Transactions.

(b) The Trust Agreement has not been amended or modified and, to the Knowledge of Parent with respect to the Trustee, is valid and in full force and effect and is enforceable in accordance with its terms, except insofar as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors’ rights generally or by principles governing the availability of equitable remedies. Parent has complied in all material respects with the terms of the Trust Agreement and is not in breach thereof or default thereunder and there does not exist under the Trust Agreement any event which, with the giving of notice or the

lapse of time, would constitute such a breach or default by Parent or, to the Knowledge of Parent, the Trustee. There are no separate Contracts, side letters or other understandings (whether written or unwritten, express or implied): (i) between Parent and the Trustee that would cause the description of the Trust Agreement in the Parent SEC Reports to be inaccurate in any material respect; or (ii) to the Knowledge of Parent, that would entitle any Person (other than stockholders of Parent holding Parent Class A Stock sold in Parent's initial public offering who shall have elected to redeem their shares of Parent Class A Stock pursuant to Parent's Charter Documents) to any portion of the proceeds in the Trust Account. Prior to the Closing, none of the funds held in the Trust Account may be released except: (A) to pay income and franchise taxes from any interest income earned in the Trust Account; and (B) to redeem Parent Class A Stock in accordance with the provisions of Parent's Charter Documents. (e) There are no liens for material amounts of Taxes (other than Permitted Liens) upon any of Parent's assets.

(f) There are no Tax indemnification agreements or Tax sharing agreements under which Parent could be liable after the Closing Date for the Tax liability of any Person other than Parent or Merger Sub, except for customary agreements or arrangements with customers, vendors, lessors, lenders and the like or other similar agreements, in each case, that do not relate primarily to Taxes.

(g) Parent has not constituted either a "distributing corporation" or a "controlled corporation" in a distribution of stock qualifying for tax-free treatment under Section 355 of the Code in the past two (2) years.

(h) Parent has not entered into a "listed transaction" within the meaning of Treasury Regulation Section 1.6011-4(b).

(i) Parent: (i) does not have any liability for the Taxes of another Person (other than Merger Sub) pursuant to Treasury Regulation Section 1.1502-6 (or any similar provision of state, local or foreign tax Legal Requirements) or as a transferee or a successor; and (ii) has not ever been a member of an affiliated, consolidated, combined or unitary group filing for U.S. federal, state or local income Tax purposes, other than a group the common parent of which was and is Parent.

(j) Parent has not consented to waive or extend the time in which any material Tax may be assessed or collected by any Governmental Entity (other than pursuant to extensions of time to file Tax Returns obtained in the ordinary course of business), which waiver or extension is still in effect, and no written request for any such waiver or extension is currently pending.

(k) Parent will not be required to include any material item of income in, or exclude any material item or deduction from, taxable income for any taxable period beginning after the Closing Date or, in the case of any taxable period beginning on or before and ending after the Closing Date, the portion of such period beginning after the Closing Date, as a result of: (i) an installment sale or open transaction disposition that occurred prior to the Closing;

(ii) any change in method of accounting prior to the Closing, including by reason of the application of Section 481 of the Code (or any analogous provision of state, local or foreign tax Legal Requirements); (iii) other than in the ordinary course of business, a prepaid amount received or deferred revenue recognized prior to the Closing; (iv) any closing agreement pursuant to Section 7121 of the Code or any similar provision of state, local or foreign tax Legal Requirements entered into prior to the Closing; or (v) an inclusion under Section 965 of the Code.

(l) Parent is not, and has not been at any time since its incorporation, a “United States real property holding corporation” within the meaning of Section 897(c)(2) of the Code.

(m) No claim has been made in writing (nor to the Knowledge of Parent is any such claim pending or contemplated) by any Governmental Entity in a jurisdiction in which Parent does not file Tax Returns that Parent is or may be subject to taxation by, or required to file Tax Returns in, that jurisdiction.

(n) To the Knowledge of Parent, there are no facts, circumstances or plans that, either alone or in combination, could reasonably be expected to prevent the Merger from qualifying for the Intended Tax Treatment.

Section 5.16 Information Supplied. None of the information supplied or to be supplied by Parent for inclusion or incorporation by reference in the Proxy Statement/Registration Statement will, on the date of filing thereof or the date it is first mailed to stockholders of Parent, as applicable, or at the time of the Special Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading. The Proxy Statement/Registration Statement will comply in all material respects as to form with the requirements of the Exchange Act and the rules and regulations thereunder. Notwithstanding the foregoing, Parent makes no representation, warranty or covenant with respect to: (a) statements made or incorporated by reference therein based on information supplied by the Company or the Company Subsidiaries for inclusion or incorporation by reference in the Proxy Statement/Registration Statement; or (b) any projections or forecasts included in the Proxy Statement/Registration Statement.

Section 5.17 Employees; Benefit Plans. Parent has never had any employees. Other than reimbursement of any out-of-pocket expenses incurred by Parent’s officers and directors in connection with activities on Parent’s behalf in an aggregate amount not in excess of the amount of cash held by Parent outside of the Trust Account, Parent has no unsatisfied liability with respect to any employee. Parent does not currently maintain or have any liability under any benefit plan, and neither the execution and delivery of this Agreement or the other Transaction Agreements nor the consummation of the Transactions will: (a) result in any payment (including severance, unemployment compensation, golden parachute, bonus or otherwise) becoming due to any director, officer or employee of Parent; or (b) result in the acceleration of the time of payment or vesting of any such benefits.

Section 5.18 Board Approval; Stockholder Vote. **ARTICLE VII
ADDITIONAL AGREEMENTS**

Section 7.01 Preparation of Proxy Statement/Registration Statement: Special Meeting and Approvals.

(c) Proxy Statement/Registration Statement and Prospectus

(i) As promptly as practicable after the execution of this Agreement and receipt of the Audited Financial Statements (including if the Proxy Statement/Registration Statement has not been filed on or before February 16, 2021, the 2020 Financial Statements), (x) Parent and the Company shall jointly prepare and Parent shall file with the SEC, mutually acceptable materials which shall include the proxy statement to be filed with the SEC as part of the Registration Statement and sent to the Parent's stockholders relating to the Special Meeting (such proxy statement, together with any amendments or supplements thereto, the "**Proxy Statement**"), and (y) Parent shall prepare (with the Company's reasonable cooperation (including causing its Subsidiaries and representatives to cooperate)) and file with the SEC the Registration Statement, in which the Proxy Statement will be included as a prospectus (the "**Proxy Statement/Registration Statement**"), in connection with the registration under the Securities Act of the shares of Parent Shares that constitute the Total Stockholder Consideration (collectively, the "**Registration Statement Securities**"). Each of Parent and the Company shall use its reasonable best efforts to cause the Proxy Statement/Registration Statement to comply with Applicable Legal Requirements, including the rules and regulations promulgated by the SEC, to have the Registration Statement declared effective under the Securities Act as promptly as practicable after such filing and to keep the Registration Statement effective as long as is necessary to consummate the Transactions. Parent also agrees to use its reasonable best efforts to obtain all necessary state securities law or "Blue Sky" permits and approvals and make all filings required to carry out the Transactions, and the Company shall furnish all information concerning the Company, its Subsidiaries and any of their respective members or stockholders as may be reasonably requested in connection with any such action. Each of Parent and the Company agrees to furnish to the other party all information concerning itself, its Subsidiaries, officers, directors, managers, stockholders, and other equityholders and information regarding such other matters as may be reasonably necessary or advisable or as may be reasonably requested in connection with the Proxy Statement/Registration Statement, any Current Report on Form 8-K prepared in connection with the transactions contemplated by this Agreement, or any other statement, filing, notice or application made by or on behalf of Parent, the Company or their respective Subsidiaries to any regulatory authority (including the NYSE) in connection with the Merger and the other transactions contemplated hereby (the "**Offer Documents**"). Parent will cause the Proxy Statement/Registration Statement to be mailed to the Parent's stockholders in each case promptly after the Registration Statement is declared effective under the Securities Act.

(ii) To the extent not prohibited by Law, Parent will advise the Company, promptly after Parent receives notice thereof, of the time when the Proxy Statement/Registration Statement has become effective or any supplement or amendment has been filed, of the issuance of any stop order or the suspension of the qualification of the Parent Shares for offering or sale in any jurisdiction, of the initiation or written threat of any proceeding for any such purpose, or of any request by the SEC for the amendment or supplement of the Proxy Statement/Registration Statement or for additional information. To the extent not prohibited by Law, the Company and their counsel shall be given a reasonable opportunity to review and comment on the Proxy Statement/Registration Statement and any Offer Document each time before any such document is filed with the SEC, and Parent shall give reasonable and good faith consideration to any comments made by the Company and its counsel. Parent shall not file any such document with the SEC without the prior written consent of the Company. To the extent not prohibited by Applicable Legal Requirement, Parent shall provide the Company and their counsel with (i) any comments or other communications, whether written or oral, that Parent or its counsel may receive from time to time from the SEC or its staff with respect to the Proxy Statement/Registration Statement or Offer Documents promptly after receipt of those comments or other communications and (ii) a reasonable opportunity to participate in the response of Parent to those comments and to provide comments on that response (to which reasonable and good faith consideration shall be given), including by participating with the Company or its counsel in any discussions or meetings with the SEC.

(iii) Each of Parent and the Company shall ensure that none of the information supplied by it or on its behalf for inclusion or incorporation by reference in (A) the Registration Statement will, at the time the Registration Statement is filed with the SEC, at each time at which it is amended and at the time it becomes effective under the Securities Act, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, not misleading or (B) the Proxy Statement will, at the date it is first mailed to the Parent's stockholders and at the time of the Special Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading.

(iv) If at any time prior to the Effective Time any information relating to the Company, Parent or any of their respective Subsidiaries, Affiliates, directors or officers is discovered by the Company or Parent, which is required to be set forth in an amendment or supplement to the Proxy Statement or the Registration Statement, so that neither of such documents would include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the party which discovers such information shall promptly notify the other parties and an appropriate amendment or supplement describing such information shall be promptly filed with the SEC and, to the extent required by Applicable Legal Requirement, disseminated to the Parent's stockholders.

(v) The Registration Statement, to the extent permitted by applicable rules and regulations of the SEC, also will register the resale of the Parent Shares that constitute the Total Stockholder Consideration, other than certain equity securities issuable under the Incentive Equity Plan that are based on Parent Shares and constitute a portion of the Total Stockholder Consideration, which shall instead be registered pursuant to an effective registration statement on Form S-8 (or other applicable form, including Form S-1 or Form S-3) in accordance with Section 7.01(a).

(d) Parent Stockholder Approval. Parent shall (a) as promptly as practicable after the Registration Statement is declared effective under the Securities Act, (i) cause the Proxy Statement to be disseminated to Parent's stockholders in compliance with Applicable Legal Requirement, (ii) duly (1) give notice of and (2) convene and hold a meeting of its stockholders (the "**Special Meeting**") in accordance with Parent's Organizational Documents, which meeting shall be held not more than 20 Business Days after the date on which Parent mails the Proxy Statement to its stockholders, and (iii) solicit proxies from the holders of Parent Class A Stock to vote in favor of each of the Parent Stockholder Matters, and (b) provide Parent's stockholders with the opportunity to redeem shares of Parent Class A Stock (the "**Parent Stockholder Redemption**"). Parent shall, through its board of directors, recommend to its stockholders the (A) approval of the amendment and restatement of Parent's Organizational Documents, in the form of the Parent A&R Charter attached hereto as Exhibit B (as may be subsequently amended by mutual written agreement of the Company and Parent at any time before the effectiveness of the Registration Statement), including any separate or unbundled advisory proposals to implement the foregoing, (B) the adoption of this Agreement and approval of the Transactions in accordance with applicable Law and exchange rules and regulations, (C) approval of, for purposes of complying with the applicable rules of the NYSE, the issuance of shares of Parent Class A Stock in connection with the Merger, including the shares to be issued to the PIPE Investors as contemplated by the Subscription Agreements (D) approval of the adoption of a management equity incentive plan ("**LTIP**"), (E) adoption and approval of an employee stock purchase plan, in form and substance reasonably acceptable to Parent and the Company, (the "**ESPP**"), (F) adoption and approval of any other proposals as the SEC (or staff member thereof) may indicate are necessary in its comments to the Proxy Statement/Registration Statement or correspondence related thereto, (G) adoption and approval of any other proposals as reasonably agreed by Parent and the Company to be necessary or appropriate in connection with the Transactions, and (H) adjournment of the Special Meeting, if necessary, to permit further solicitation of proxies because there are not sufficient votes to approve and adopt any of the foregoing (such proposals in (A) through (E), together, the "**Parent Stockholder Matters**"), and include such recommendation in the Proxy Statement. The board of directors of Parent shall not (and no committee or subgroup thereof shall) withdraw, amend, qualify or modify its recommendation to the stockholders of Parent that they vote in favor of the Parent Stockholder Matters (together with any withdrawal, amendment, qualification or modification of its recommendation to the stockholders of Parent described in the Recitals hereto, a "**Change in Recommendation**"); provided, that the board of directors of Parent may make a Change in Recommendation if it determines in good faith, after consultation with its outside legal counsel, that a failure to make a Change in Recommendation would reasonably be expected to constitute a breach by the board of directors of its fiduciary obligations to Parent's stockholders under

[Table of Contents](#)

Applicable Legal Requirements. To the fullest extent permitted by applicable Law, (x) Parent's obligations to establish a record date for, duly call, give notice of, convene and hold the Special Meeting shall not be affected by any Change in Recommendation, (y) Parent agrees to establish a record date for, duly call, give notice of, convene and hold the Special Meeting and submit for approval the Parent Stockholder Matters and (z) Parent agrees that if the Parent Stockholder Approval shall not have been obtained at any such Special Meeting, then Parent shall promptly continue to take all such necessary actions, including the actions required by this [Section 7.01\(b\)](#), and hold additional Special Meetings in order to obtain the Parent Stockholder Approval. Parent agrees that it shall provide the holders of shares of Parent Class A Stock the opportunity to elect redemption of such shares of Parent Class A Stock in connection with the Special Meeting, as required by the Parent Organizational Documents.

(e) **Company Stockholder Approvals.** Promptly following the date of this Agreement, the Company shall use commercially reasonable efforts to obtain from the Required Company Stockholders within 24 hours following the date hereof, duly executed and delivered Support Agreements. Upon the terms set forth in this Agreement, the Company shall (i) use its reasonable best efforts to solicit and obtain the Company Stockholder Approval in the form of an irrevocable written consent (the "**Written Consent**") of each of the Required Company Stockholders (pursuant to the executed Support Agreements) within 24 hours following the time at which the Registration Statement shall have been declared effective under the Securities Act and delivered or otherwise made available to stockholders, or (ii) in the event the Company is not able to obtain the Written Consent, the Company shall duly convene a meeting of the Company Stockholders for the purpose of voting solely upon the adoption of this Agreement, the other agreements contemplated hereby and the transactions contemplated hereby and thereby, including the Merger, as soon as reasonably practicable after the Registration Statement is declared effective. If such meeting of the Company Stockholders is convened, the Company shall obtain the Company Stockholder Approval at such meeting of the Company Stockholders and shall take all other action necessary or advisable to secure the Company Stockholder Approval as soon as reasonably practicable after the Registration Statement is declared effective.

Section 7.02 Regulatory Approvals.

(f) Parent and the Company shall each prepare and file the notification required of it under the HSR Act in connection with the Transactions as promptly as practicable after the date of this Agreement, and no later than ten Business Days after the date hereof, and shall promptly and in good faith respond to all information requested of it by the U.S. Federal Trade Commission, U.S. Department of Justice, or any other Governmental Entity in connection with such notification and otherwise cooperate in good faith with each other and such Governmental Entities. Each Party will promptly furnish to the other such information and assistance as the other may reasonably request in connection with its preparation of any filing or submission that is necessary under the HSR Act and will use reasonable best efforts to cause the expiration or termination of the applicable waiting periods as soon as practicable. Each Party will promptly furnish to the other such information and assistance as the other may reasonably request in connection with its preparation of any filing or submission that is necessary under the HSR Act and will use reasonable best efforts to cause the expiration or termination of the applicable waiting periods or obtain the applicable approvals as soon as practicable. Each Party will promptly provide the other with copies of all written communications (and memoranda setting forth the substance of all substantive oral communications) between each of them, any of their Affiliates and their respective agents, representatives and advisors, on the one hand, and any Governmental Entity, on the other hand, with respect to this Agreement or the Transactions. Without limiting the foregoing, Parent and the Company shall: (i) promptly inform the other of any communication to or from the U.S. Federal Trade Commission, the U.S. Department of Justice or any other Governmental Entity regarding the Transactions; (ii) permit each other to review in advance any proposed written communication to any such Governmental Entity and incorporate reasonable comments thereto; (iii) give the other prompt written notice of the commencement of any Legal Proceeding with respect to such transactions; (iv) not agree to participate in any substantive meeting or discussion with any such Governmental Entity in respect of any filing, investigation or inquiry concerning this Agreement or the Transactions unless, to the extent reasonably practicable, it consults with the other Party in advance and, to the extent permitted by such Governmental Entity, gives the other Party the opportunity to attend; (v) keep the other reasonably informed as to the status of any such Legal Proceeding; and (vi) promptly furnish each other with copies of all correspondence, filings (except for filings made under the HSR Act) and written communications between such Party and their Affiliates and their respective agents, representatives and advisors, on one hand, and any such Governmental Entity, on the other hand, in each case, with respect to this Agreement and the Transactions. Parent, on the one hand, and the Company, on the other hand, shall each pay 50% of any filing fees required by Governmental Entities, including with respect to any registrations, declarations and filings required in connection with the execution and delivery of this Agreement, the performance of the obligations hereunder and the consummation of the Transactions, including filing fees in connection with filings under the HSR Act.

(g) Except for filings under the HSR Act, which are governed by (a) above, each Party hereto shall, as promptly as reasonably practicable, use reasonable best efforts to obtain, or cause to be obtained, all consents, authorizations, orders and approvals from all Governmental Entities that may be or become necessary for its execution and delivery of this Agreement and the performance of its obligations pursuant to this Agreement (including those required by applicable Approvals of the Group Companies (the “**Regulatory Filings**”). Each Party shall use reasonable best efforts to cooperate fully with the other Party and its Affiliates in promptly seeking to obtain all such consents, authorizations, orders and approvals and effect any such Regulatory Filing. With respect to the Regulatory Filings, each Party agrees to use its reasonable best efforts and cooperate with the other Party (i) in timely making inquiries with Governmental Entities regarding the Regulatory Filings, (ii) in determining if any Regulatory Filings are required by Governmental Entities, and (iii) in timely making all Regulatory Filings (except with respect to such jurisdictions where the Parties agree that a Regulatory Filing is not required). If Parent determines that it is required to make any Regulatory Filing or otherwise provide information with respect to Parent or any Parent personnel or Affiliates to a Governmental Entity in connection with any Approval, then the Company will, except as prohibited by Applicable Legal Requirements (in which case the Company will use commercially reasonable efforts to obtain any required permission to allow disclosure), provide upon Parent’s request relevant portions of all past filings and correspondence with Governmental Entities with respect to any Approvals related to such Regulatory Filing or information provision requirement that Parent reasonably determines to be necessary to make a complete, accurate and timely Regulatory Filing or provision of information. The Parties hereto shall not willfully take any action that will have the effect of delaying, impairing or impeding in any material respect the receipt of any Regulatory Filings or any other required consents, authorizations, orders and approvals that, if not received, would have or would reasonably be expected to have, a material adverse impact on the business of the Group Companies, taken as a whole.

Section 7.04 Confidentiality; Access to Information.

(a) Parent and the Company acknowledge that they are parties to the Confidentiality Agreement, the terms of which are incorporated herein by reference. At the Closing, the Confidentiality Agreement shall be superseded in its entirety by the provisions of this Agreement; provided, however, that if for any reason this Agreement is terminated prior to the Closing, the Confidentiality Agreement shall nonetheless continue in full force and effect in accordance with its terms. Beginning on the date hereof and ending on the second anniversary of this Agreement, each Party agrees to maintain in confidence any non-public information received from the other Parties, and to use such non-public information only for purposes of consummating the Transactions. Such confidentiality obligations will not apply to: (i) information which was known to one Party or its agents or representatives prior to receipt from the Company, on the one hand, or Parent or Merger Sub, on the other hand, as applicable; (ii) information which is or becomes generally known to the public without breach of this Agreement or an existing obligation of confidentiality; (iii) information acquired by a Party or their respective agents or representatives from a third party who was not bound to an obligation of confidentiality; (iv) information developed by such Party independently without any reliance on the non-public information received from any other Party; (v) disclosure required by Applicable Legal Requirement or stock exchange rule; or (vi) prior to the Closing, disclosure consented to in writing by Parent or Merger Sub (in the case of the Company) or the Company (in the case of Parent or Merger Sub).

(b) None of the Parties will make any public announcement or issue any public communication regarding this Agreement, any other Transaction Agreement or the Transactions or any matter related to the foregoing, without the prior written consent of the Company, in the case of a public announcement by Parent or any of its Affiliates, or Parent, in the case of a public announcement by the Company Stockholders or the Company (such consents, in either case, not to be unreasonably withheld, conditioned or delayed), except: (i) if such announcement or other communication is required by Applicable Legal Requirements, in which case the disclosing Party shall, to the extent permitted by Applicable Legal Requirements, first allow such other Parties to review such announcement or communication and have the opportunity to comment thereon and the disclosing Party shall consider such comments in good faith; (ii) in the case of the Company or the Company Stockholders, Parent and their respective Affiliates, if such announcement or other communication is made in connection with fundraising or other investment related activities and is made to such Person's direct and indirect investors or potential investors or financing sources subject to an obligation of confidentiality; (iii) internal announcements to employees of the Group Companies; (iv) to the extent such announcements or other communications contain only information previously disclosed in a public statement, press release or other communication previously approved in accordance with [Section 7.03](#) or this [Section 7.04\(b\)](#); (v) announcements and communications to Governmental Entities in connection with registrations, declarations and filings relating to the Transactions required to be made under this Agreement; and (vi) communications to customers and suppliers of the Group Companies for purposes of seeking any consents and approvals required in connection with the Transactions.

(c) The Company will afford Parent and its financial advisors, accountants, counsel and other representatives reasonable access during normal business hours, upon reasonable notice, to the properties, books, records and personnel of the Company during the period prior to the Closing to obtain all information concerning the business, including the status of business development efforts, properties, results of operations and personnel of the Company, as Parent may reasonably request in connection with the consummation of the Transactions; provided, however, that any such access shall be conducted in a manner not to unreasonably interfere with the businesses or operations of the Company. Parent will afford the Company and its financial advisors, underwriters, accountants, counsel and other representatives reasonable access during normal business hours, upon reasonable notice, to the properties, books, records and personnel of Parent during the period prior to the Closing to obtain all information concerning the business, including properties, results of operations and personnel of Parent, as the Company may reasonably request in connection with the consummation of the Transactions; provided, however, that any such access shall be conducted in a manner not to unreasonably interfere with the businesses or operations of Parent. Notwithstanding anything to the contrary, the Parties shall not be required to take any action, provide any access or furnish any information that such Party in good faith reasonably believes would be reasonably likely to (i) cause or constitute a waiver of the attorney-client or other privilege or (ii) violate any Contract to which such Party is a party or bound, provided, that the Parties agree to cooperate in good faith and use commercially reasonable efforts to make alternative arrangements to allow for such access or furnishings in a manner that does not result in the events set out in clauses (i) and (ii) above.

Section 7.05 Commercially Reasonable Efforts.

(a) Upon the terms and subject to the conditions set forth in this Agreement, each of the Parties agrees to use its commercially reasonable efforts to take, or cause to be taken, all actions, and to do, or cause to be done, and to assist and cooperate with the other Parties in doing, all things necessary, proper or advisable to consummate and make effective, in the most expeditious manner practicable, the Merger and the other Transactions, including using commercially reasonable efforts to accomplish the following: (i) the taking of all acts necessary to cause the conditions precedent set forth in [Article VIII](#) to be satisfied; (ii) the obtaining of all necessary actions, waivers, consents, approvals, orders and authorizations from Governmental Entities and the making of all necessary registrations, declarations and filings (including registrations, declarations and filings with Governmental Entities, if any) and the taking of all reasonable best efforts as may be necessary to avoid any Legal Proceeding; (iii) the obtaining of all consents, approvals or waivers from third parties required as a result of the Transactions, including any other consents, approvals or waivers from third parties referred to on [Schedule 4.05\(b\)](#) of the Company Disclosure Letter, other than as provided in [Section 7.05\(b\)](#); (iv) the termination of each agreement set forth on [Schedule 7.05\(a\)](#) of the Company Disclosure Letter; (v) the defending of any suits, claims, actions, investigations or proceedings, whether judicial or administrative, challenging this Agreement or the consummation of the Transactions, including seeking to have any stay or temporary restraining order entered by any court or other Governmental Entity vacated or reversed; and (vi) the execution or delivery of any additional instruments reasonably

necessary to consummate, and to fully carry out the purposes of, the Transactions. This obligation shall include, on the part of Parent, sending a termination letter to the Trustee substantially in the applicable form attached to the Trust Agreement (the “*Trust Termination Letter*”).

(b) Notwithstanding anything herein to the contrary, nothing in this [Section 7.05](#) shall be deemed to require Parent or the Company to agree to any divestiture by itself or any of its Affiliates of shares of capital stock or of any business, assets or property, the imposition of any limitation on the ability of any of them to conduct their business or to own or exercise control of their respective assets, properties and capital stock, or the incurrence of any liability or expense.

Section 7.06 No Parent Securities Transactions. Neither the Company nor any of its Subsidiaries, directly or indirectly, shall engage in any transactions involving the securities of Parent prior to the time of the making of a public announcement regarding all of the material terms of the business and operations of the Company and the Transactions. The Company shall direct each of its officers, directors and employees to comply with the foregoing requirement.

Section 7.07 No Claim Against Trust Account. For and in consideration of Parent entering into this Agreement, the receipt and sufficiency of which are hereby acknowledged, the Company hereby irrevocably waives any right, title, interest or claim of any kind it has or may have in the future in or to the Trust Account and agrees not to seek recourse against the Trust Account or any funds distributed therefrom as a result of, or arising out of, this Agreement and any negotiations, contracts or agreements with Parent; provided, that: (a) nothing herein shall serve to limit or prohibit the Company’s right to pursue a claim against Parent pursuant to this Agreement for legal relief against monies or other assets of Parent held outside the Trust Account or for specific performance or other equitable relief in connection with the Transactions or for actual and intentional common law fraud in the making of the representations and warranties in [Article V](#); and (b) nothing herein shall serve to limit or prohibit any claims that the Company may have in the future pursuant to this Agreement against Parent’s assets or funds that are not held in the Trust Account.

Section 7.08 Disclosure of Certain Matters. Each of Parent, Merger Sub and the Company will promptly provide the other Parties with prompt written notice of any event, development or condition of which they have Knowledge that: (a) is reasonably likely to cause any of the conditions set forth in [Article VIII](#) not to be satisfied; or (b) would require any amendment or supplement to the Proxy Statement and/or the Proxy Statement/Registration Statement.

Section 7.09 Securities Listing. Parent will use its commercially reasonable efforts to cause the shares of Parent Class A Stock issued in connection with the Transactions to be approved for listing on the NYSE at Closing. During the period from the date hereof until the Closing, Parent shall use its commercially reasonable efforts to keep the Parent Class A Stock and Public Warrants listed for trading on the NYSE. After the Closing, Parent shall use commercially reasonable efforts to: (a) continue the listing for trading of the Parent Class A Stock and Public Warrants on the NYSE; and (b) in the event any Earn Out Shares become issuable pursuant to [Article VIII](#), cause such Earn Out Shares to be approved for listing on the NYSE.

Section 7.10 Trust Account. Upon satisfaction or waiver of the conditions set forth in [Article VIII](#) and provision of notice thereof to the Trustee (which notice Parent shall provide to the Trustee in accordance with the terms of the Trust Agreement): (a) in accordance with and pursuant to the Trust Agreement, at the Closing, Parent: (i) shall cause the documents, opinions and notices required to be delivered to the Trustee pursuant to the Trust Agreement to be so delivered, including providing the Trustee with the Trust Termination Letter; and (ii) shall use its commercially reasonable efforts to cause the Trustee to, and the Trustee shall thereupon be obligated to, distribute the Trust Account as directed in the Trust Termination Letter, including all amounts payable: (A) to stockholders who elect to have their Parent Class A Stock converted to cash in accordance with the provisions of Parent’s Charter Documents; (B) for income tax or other tax obligations of Parent prior to Closing; (C) for any Parent Transaction Costs; and (D) as repayment of loans and reimbursement of expenses to directors, officers and stockholders of Parent, if any; and (b) thereafter, the Trust Account shall terminate, except as otherwise provided therein.

Section 7.11 Directors’ and Officers’ Liability Insurance.

(a) Parent agrees that all rights to exculpation, indemnification and advancement of expenses now existing in favor of the current or former directors or officers, as the case may be, of any Group Company (each, together with such person’s heirs, executors or administrators, a “*D&O Indemnified Party*”), as provided in

[Table of Contents](#)

their respective Charter Documents or in any indemnification agreement with any Group Company set forth on [Schedule 7.11\(a\)](#) of the Company Disclosure Letter shall survive the Closing and shall continue in full force and effect for a period of six years from the Closing Date. For a period of six years from the Closing Date, Parent shall cause the Group Companies to maintain in effect the exculpation, indemnification and advancement of expenses provisions of such Group Company's Charter Documents as in effect immediately prior to the Closing Date or in any indemnification agreements of each Group Company with any D&O Indemnified Party as in effect immediately prior to the Closing Date and made available to Parent prior to the date hereof, and Parent shall, and shall cause the Group Companies to, not amend, repeal or otherwise modify any such provisions in any manner that would adversely affect the rights thereunder of any D&O Indemnified Party for a period of six years from the Closing Date; provided, however, that all rights to indemnification or advancement of expenses in respect of any Legal Proceedings pending or asserted or any claim made within such period shall continue until the disposition of such Legal Proceeding or resolution of such claim. From and after the Closing Date, Parent shall cause the Group Companies to honor, in accordance with their respective terms, each of the covenants contained in this [Section 7.11](#).

(b) Prior to the Closing, the Company shall purchase a "tail" or "runoff" directors' and officers' liability insurance policy (the "**D&O Tail**") in respect of acts or omissions occurring prior to the Effective Time covering each such Person that is a director or officer of a Group Company currently covered by a directors' and officers' liability insurance policy of one or more Group Companies on terms with respect to coverage, deductibles and amounts no less favorable than those of such policy in effect on the date of this Agreement for the six-year period following the Closing. Parent shall, and shall cause the Surviving Corporation to, maintain the D&O Tail in full force and effect for its full term and cause all obligations thereunder to be honored by the Group Companies, as applicable, and no other party shall have any further obligation to purchase or pay for such insurance pursuant to this [Section 7.11\(b\)](#).

(c) The rights of each D&O Indemnified Party hereunder shall be in addition to, and not in limitation of, any other rights such person may have under the Charter Documents of any Group Company, any other indemnification arrangement, any Legal Requirement or otherwise. The obligations of Parent and the Group Companies under this [Section 7.11](#) shall not be terminated or modified in such a manner as to adversely affect any D&O Indemnified Party without the consent of such D&O Indemnified Party. The provisions of this [Section 7.11](#) shall survive the Closing and expressly are intended to benefit, and are enforceable by, each of the D&O Indemnified Parties, each of whom is an intended third-party beneficiary of this [Section 7.11](#).

(d) If Parent or, after the Closing, any Group Company, or any of their respective successors or assigns: (i) consolidates with or merges into any other Person and shall not be the continuing or surviving entity of such consolidation or merger; or (ii) transfers or conveys all or substantially all of its properties and assets to any Person, then, in each such case, proper provision shall be made so that the successors and assigns of Parent or such Group Company, as applicable, assume the obligations set forth in this [Section 7.11](#).

Section 7.12 [RESERVED].

Section 7.13 Tax Matters.

(a) Parent covenants that it will file a consolidated U.S. federal income Tax Return with the applicable Group Companies for the period starting on the day following the Closing Date and, for U.S. federal income Tax purposes, and the applicable Group Companies will become members of the affiliated group of corporations of which Parent is the common parent or of which Parent is a member on the day following the Closing Date.

(b) All direct or indirect transfer, documentary, sales, use, stamp, registration, excise, recording, registration value added and other such similar Taxes and fees (including any penalties and interest) that become payable in connection with or by reason of the execution of this Agreement and the Transactions shall be borne and paid by the Parent. Parent shall timely file any Tax Return or other document with respect to such Taxes or fees (and the Company and Parent shall reasonably cooperate with respect thereto as necessary).

(c) On the Closing Date, the Company shall provide Parent with a certificate on behalf of the Company, prepared in a manner consistent and in accordance with the requirements of Treasury Regulation Sections 1.897-2(g), (h) and 1.1445-2(c)(3), certifying that no interest in the Company is, or has been during the relevant period specified in Section 897(c)(1)(A)(ii) of the Code, a "U.S. real property interest" within the meaning of Section 897(c) of the Code, and a form of notice to the Internal Revenue Service prepared in accordance with the

[Table of Contents](#)

provisions of Treasury Regulations Section 1.897-2(h)(2); provided, that, notwithstanding anything to the contrary, Parent's sole remedy in the event the Company fails to deliver such certificate shall be to make a proper withholding of Tax to the extent required by Applicable Legal Requirements.

(d) All Tax sharing agreements or similar arrangements with respect to or involving any Group Company (other than any agreement entered into in the ordinary course of business and not primarily concerning Taxes or any agreement the only parties to which are Group Companies) shall be terminated prior to the Closing Date and, after the Closing Date, none of the Group Companies shall be bound thereby or have any liability thereunder for amounts due in respect of periods ending on or before the Closing Date, and there shall be no continuing obligation after the Closing Date to make any payments under any such agreements or arrangements.

(e) Each of Parent and the Company shall (and shall cause its respective Subsidiaries and Affiliates to) use its reasonable best efforts (i) to cause the Merger to qualify for the Intended Tax Treatment and (ii) not to take or cause to be taken any action reasonably likely to cause, or fail to take or agree not to take any action if the failure to take such action would be reasonably likely to cause, the Merger to fail to qualify for the Intended Tax Treatment.

Section 7.14 Subscription Agreements.

(a) Parent shall not permit any amendment or modification to be made to, or any waiver of any provision or remedy under, or any replacements of, the Subscription Agreements without the Company's prior written consent. Parent shall use its commercially reasonable efforts to take, or cause to be taken, all actions and do, or cause to be done, all things necessary, proper or advisable to consummate the transactions contemplated by the Subscription Agreements on the terms and conditions described therein, including maintaining in effect the Subscription Agreements and using its commercially reasonable efforts to: (i) satisfy in all material respects on a timely basis all conditions and covenants applicable to Parent in the Subscription Agreements and otherwise comply with its obligations thereunder; (ii) in the event that all conditions in the Subscription Agreements (other than conditions that Parent or any of its Affiliates control the satisfaction of and other than those conditions that by their nature are to be satisfied at the Closing) have been satisfied, consummate transactions contemplated by the Subscription Agreements at or prior to Closing; and (iii) enforce its rights under the Subscription Agreements in the event that all conditions in the Subscription Agreements (other than conditions that Parent or any of its Affiliates control the satisfaction of and other than those conditions that by their nature are to be satisfied at the Closing) have been satisfied, to cause the applicable PIPE Investors to contribute to Parent the applicable portion of the PIPE Investment Amount set forth in the Subscription Agreements at or prior to the Closing. Without limiting the generality of the foregoing, Parent shall give the Company, prompt (and, in any event within three Business Days) written notice: (A) of any breach or default (or any event or circumstance that, with or without notice, lapse of time or both, could give rise to any breach or default) by any party to any Subscription Agreement known to Parent; (B) of the receipt of any written notice or other written communication from any party to any Subscription Agreement with respect to any actual, potential or claimed expiration, lapse, withdrawal, breach, default, termination or repudiation by any party to any Subscription Agreement or any provisions of any Subscription Agreement; and (C) if Parent does not expect to receive all or any portion of the PIPE Investment Amount on the terms, in the manner or from the sources contemplated by the Subscription Agreements. The Subscription Agreements contain all of the conditions precedent to the obligations of the PIPE Investors to contribute to Parent the applicable portion of the PIPE Investment Amount set forth in the Subscription Agreements on the terms therein.

(b) Parent shall use its commercially reasonable efforts to cause the PIPE Investors to contribute the PIPE Investment Amount at or prior to the Closing if all conditions set forth in the applicable Subscription Agreement have been satisfied or waived (other than those conditions that by their nature are to be satisfied at the Closing and other than conditions that Parent or any of its Affiliates control the satisfaction of). Parent shall use its commercially reasonable efforts to take, or cause to be taken, all actions required to obtain the PIPE Investment Amount contemplated by the Subscription Agreements, including enforcing the rights of Parent under the Subscription Agreements.

Section 7.15 Section 16 Matters. Prior to the Effective Time, Parent shall take all reasonable steps as may be required or permitted to cause any acquisition or disposition of the Parent Class A Stock that occurs or is deemed to occur by reason of or pursuant to the Transactions by each individual who is or will be subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to Parent to be exempt under Rule 16b-3 promulgated under the Exchange Act, including by taking steps in accordance with the NoAction Letter, dated January 12, 1999, issued by the SEC regarding such matters.

- (a) by mutual written agreement of Parent and the Company at any time;
- (b) by either Parent or the Company if the Closing shall not have occurred by the date that is nine (9) months following the date hereof (the “**Outside Date**”); provided, however, that the right to terminate this Agreement under this Section 9.01(b) shall not be available to any Party whose action or failure to act has been a principal cause of or resulted in the failure of the Closing to occur on or before such date and such action or failure to act constitutes a breach of this Agreement;
- (c) by either Parent or the Company if a Governmental Entity shall have issued an Order or taken any other action, in any case having the effect of permanently restraining, enjoining or otherwise prohibiting the Transactions, including the Merger, which Order or other action is final and nonappealable;
- (d) by the Company, upon a breach of any representation, warranty, covenant or agreement set forth in this Agreement on the part of Parent or Merger Sub, or if any representation or warranty of Parent or Merger Sub shall have become untrue, in either case such that the conditions set forth in Section 8.02(a) or Section 8.02(b) would not be satisfied as of the time of such breach or as of the time such representation or warranty shall have become untrue; provided, that if such breach by Parent or Merger Sub is curable by Parent or Merger Sub prior to the Closing, then the Company must first provide written notice of such breach and may not terminate this Agreement under this Section 9.01(d) until the earlier of: (i) 30 days after delivery of written notice from the Company to Parent of such breach; and (ii) the Outside Date; provided, further, that each of Parent and Merger Sub continues to exercise commercially reasonable efforts to cure such breach (it being understood that the Company may not terminate this Agreement pursuant to this Section 9.01(d) if: (A) it shall have materially breached this Agreement and such breach has not been cured; or (B) if such breach by Parent or Merger Sub is cured during such 30-day period);
- (e) by Parent, upon a breach of any representation, warranty, covenant or agreement set forth in this Agreement on the part of the Company or if any representation or warranty of the Company shall have become untrue, in either case such that the conditions set forth in Section 8.03(a) or Section 8.03(b) would not be satisfied as of the time of such breach or as of the time such representation or warranty shall have become untrue; provided, that if such breach is curable by the Company prior to the Closing, then Parent must first provide written notice of such breach and may not terminate this Agreement under this Section 9.01(e) until the earlier of: (i) 30 days after delivery of written notice from Parent to the Company of such breach; and (ii) the Outside Date; provided, further, that the Company continues to exercise commercially reasonable efforts to cure such breach (it being understood that Parent may not terminate this Agreement pursuant to this Section 9.01(e) if: (A) it shall have materially breached this Agreement and such breach has not been cured; or (B) if such breach by the Company is cured during such 30-day period);

- (g) by Parent, if the Company Stockholder Approval shall not have been obtained within 48 hours following the effectiveness of the Registration Statement; and
- (h) by Parent, if Support Agreements duly executed and delivered by the Required Company Stockholders shall not have been obtained within 24 hours following the date hereof.

Section 9.02 Notice of Termination; Effect of Termination.

- (a) Any termination of this Agreement under Section 9.01 above will be effective immediately upon the delivery of written notice of the terminating Party to the other Parties.
- (b) In the event of the termination of this Agreement as provided in Section 9.01, this Agreement shall be of no further force or effect and the Transactions shall be abandoned, except for and subject to the following: (i) Section 7.04, Section 7.07, this Section 9.02, Article XI (General Provisions) and the Confidentiality Agreement shall survive the termination of this Agreement; and (ii) nothing herein shall relieve any Party from liability for any Willful Breach of this Agreement or actual and intentional common law fraud in the making of the representations

and warranties in this Agreement. As used herein, the term “*Willful Breach*” means a deliberate act or a deliberate failure to act, which act or failure to act constitutes a breach of this Agreement, with the actual knowledge that the taking of such action or failure to act would cause such breach.

**ARTICLE X
NO SURVIVAL**

Section 10.01 No Survival. None of the representations, warranties, covenants or agreements in this Agreement or in any instrument delivered pursuant to this Agreement shall survive the Closing and all rights, claims and causes of action (whether in contract or in tort or otherwise, or whether at law or in equity) with respect thereto shall terminate at the Closing. Notwithstanding the foregoing, neither this Section 10.01 nor anything else in this Agreement to the contrary shall limit: (a) the survival of any covenant or agreement of the Parties which by its terms is required to be performed or complied with in whole or in part after the Closing, which covenants and agreements shall survive the Closing in accordance with their respective terms; or (b) any claim against any Person with respect to actual and intentional common law fraud in the making of the representations and warranties by such Person in Article IV or Article V, as applicable.

Section 11.02 Interpretation. The words “hereof,” “herein,” “hereinafter,” “hereunder,” and “hereto” and words of similar import refer to this Agreement as a whole and not to any particular section or subsection of this Agreement and reference to a particular section of this Agreement will include all subsections thereof, unless, in each case, the context otherwise requires. The definitions of the terms herein shall apply equally to the singular and plural forms of the terms defined. Whenever the context shall require, any pronoun shall include the corresponding masculine, feminine and neuter forms. When a reference is made in this Agreement to an Exhibit, such reference shall be to an Exhibit to this Agreement unless otherwise indicated. When a reference is made in this Agreement to Sections or subsections, such reference shall be to a Section or subsection of this Agreement. Unless otherwise indicated the words “include,” “includes” and “including” when used herein shall be deemed in each case to be followed by the words “without limitation.” The words “made available” mean that the subject documents or other materials were included in and available at the “Project Falcon – Legal Diligence” online dataseite hosted by DFS Venue at least one Business Day prior to the date of this Agreement. The table of contents and headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. When reference is made herein to “the business of” an entity, such reference shall be deemed to include the business of all direct and indirect subsidiaries of such entity. Reference to the subsidiaries of an entity shall be deemed to include all direct and indirect subsidiaries of such entity. The word “or” shall be disjunctive but not exclusive. When calculating the period of time before which, within which or following which any act is to be done or step taken pursuant to this Agreement, the date that is the reference date in calculating such period shall be excluded and if the last day of such period is a non-Business Day, the period in question shall end on the next succeeding Business Day. References to a particular statute or regulation including all rules and regulations thereunder and any predecessor or successor statute, rule, or regulation, in each case as amended or otherwise modified from time to time. All references to currency amounts in this Agreement shall mean United States dollars. References to “ordinary course of business” (or similar references) shall mean the ordinary course of business taking into account the circumstances, including restrictions imposed by Legal Requirements and health and safety considerations relating to COVID-19.

Section 11.03 Counterparts; Electronic Delivery. This Agreement, the Transaction Agreements and each other document executed in connection with the Transactions, and the consummation thereof, may be executed in one or more counterparts, all of which shall be considered one and the same document and shall become effective when one or more counterparts have been signed by each of the Parties and delivered to the other Parties, it being understood that all Parties need not sign the same counterpart. Delivery by electronic transmission to counsel for the other Parties of a counterpart executed by a Party shall be deemed to meet the requirements of the previous sentence.

Section 11.04 Entire Agreement; Third Party Beneficiaries This Agreement, the other Transaction Agreements and any other documents and instruments and agreements among the Parties as contemplated by or referred to herein, including the Exhibits and Schedules hereto: (a) constitute the entire agreement among the Parties with respect to the subject matter hereof and supersede all prior agreements and understandings, both written and oral, among the Parties with respect to the subject matter hereof; (b) other than the rights (i) at and after the Effective Time, of Persons pursuant to the provisions of [Article III](#), [Section 7.11](#), [Section 11.04](#), [Section 11.11](#), [Section 11.12](#), [Section 11.13](#) and [Section 11.14](#) (which will be for the benefit of the Persons set forth therein and each of whom are intended express third party beneficiaries of such provisions) and (ii) in the event the Closing occurs, the Earn

Out Participants are intended express third-party beneficiaries of, and may enforce Article III by action of Earn Out Participants who would receive at least 20% of the aggregate Earn Out Share potentially issuable hereunder (assuming full achievement of the Triggering Events), are not intended to confer upon any other Person other than the Parties any rights or remedies.

Section 11.05 Severability. In the event that any term, provision, covenant or restriction of this Agreement, or the application thereof, is held to be illegal, invalid or unenforceable under any present or future Legal Requirement: (a) such provision will be fully severable; (b) this Agreement will be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part hereof; (c) the remaining provisions of this Agreement will remain in full force and effect and will not be affected by the illegal, invalid or unenforceable provision or by its severance herefrom; and (d) in lieu of such illegal, invalid or unenforceable provision, there will be added automatically as a part of this Agreement a legal, valid and enforceable provision as similar in terms of such illegal, invalid or unenforceable provision as may be possible.

Section 11.06 Other Remedies; Specific Performance. Except as otherwise provided herein, prior to the Closing, any and all remedies herein expressly conferred upon a Party will be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by law or equity upon such Party, and the exercise by a Party of any one remedy will not preclude the exercise of any other remedy. The Parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that each Party shall be entitled to enforce specifically the terms and provisions of this Agreement in any court of the United States or any state having jurisdiction and immediate injunctive relief to prevent breaches of this Agreement, without the necessity of proving the inadequacy of money damages as a remedy and without bond or other security being required, this being in addition to any other remedy to which they are entitled at law or in equity. Each of the Parties hereby acknowledges and agrees that it may be difficult to prove damages with reasonable certainty, that it may be difficult to procure suitable substitute performance, and that injunctive relief and/or specific performance will not cause an undue hardship to the Parties. Each of the Parties hereby further acknowledges that the existence of any other remedy contemplated by this Agreement does not diminish the availability of specific performance of the obligations hereunder or any other injunctive relief. Each Party hereby further agrees that in the event of any action by any other party for specific performance or injunctive relief, it will not assert that a remedy at law or other remedy would be adequate or that specific performance or injunctive relief in respect of such breach or violation should not be available on the grounds that money damages are adequate or any other grounds. Parent acknowledges and agrees that the Company shall be entitled to bring an action for specific enforcement to cause Parent to seek to enforce the provisions of the Subscription Agreements to the fullest extent permissible pursuant to such Subscription Agreements as if it were a party thereto.

Section 11.07 Governing Law. This Agreement and the consummation the Transactions, and any action, suit, dispute, controversy or claim arising out of this Agreement and the consummation of the Transactions, or the validity, interpretation, breach or termination of this Agreement and the consummation of the Transactions, shall be governed by and construed in accordance with the internal law of the State of Delaware regardless of the law that might otherwise govern under applicable principles of conflicts of law thereof.

Section 11.08 Consent to Jurisdiction; Waiver of Jury Trial.

(a) Each of the Parties irrevocably consents to the exclusive jurisdiction and venue of the courts of the Court of Chancery in the State of Delaware or to the extent that such Court does not have subject matter jurisdiction, the Superior Court of the State of Delaware or, if it has or can acquire jurisdiction, in the United States District Court for the District of Delaware, in each case in connection with any matter based upon or arising out of this Agreement, the other Transaction Agreements and the consummation of the Transactions, agrees that process may be served upon them in any manner authorized by the laws of the State of Delaware for such Person and waives and covenants not to assert or plead any objection which they might otherwise have to such manner of service of process. Each Party and any Person asserting rights as a third-party beneficiary may do so only if he, she or it hereby waives, and shall not assert as a defense in any legal dispute, that: (i) such Person is not personally subject to the jurisdiction of the above named courts for any reason; (ii) such Legal Proceeding may not be brought or is not maintainable in such court; (iii) such Person's property is exempt or immune from execution; (iv) such Legal Proceeding is brought in an inconvenient forum; or (v) the venue of such Legal Proceeding is improper. Each Party and any Person asserting rights as a third-party beneficiary hereby agrees not to commence or prosecute any such action, claim, cause of

action or suit other than before one of the above-named courts, nor to make any motion or take any other action seeking or intending to cause the transfer or removal of any such action, claim, cause of action or suit to any court other than one of the above-named courts, whether on the grounds of inconvenient forum or otherwise. Each Party hereby consents to service of process in any such proceeding in any manner permitted by Delaware law, and further consents to service of process by nationally recognized overnight courier service guaranteeing overnight delivery, or by registered or certified mail, return receipt requested, at its address specified pursuant to [Section 11.01](#). Notwithstanding the foregoing in this [Section 11.08](#), any Party may commence any action, claim, cause of action or suit in a court other than the above-named courts solely for the purpose of enforcing an order or judgment issued by one of the above-named courts.

(b) TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW WHICH CANNOT BE WAIVED, EACH OF THE PARTIES AND ANY PERSON ASSERTING RIGHTS AS A THIRD-PARTY BENEFICIARY MAY DO SO ONLY IF HE, SHE OR IT IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT TO TRIAL BY JURY ON ANY CLAIMS OR COUNTERCLAIMS ASSERTED IN ANY LEGAL DISPUTE RELATING TO THIS AGREEMENT, EACH OTHER TRANSACTION AGREEMENTS AND THE CONSUMMATION OF THE TRANSACTIONS, AND FOR ANY COUNTERCLAIM RELATING THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING. IF THE SUBJECT MATTER OF ANY SUCH LEGAL DISPUTE IS ONE IN WHICH THE WAIVER OF JURY TRIAL IS PROHIBITED, NO PARTY NOR ANY PERSON ASSERTING RIGHTS AS A THIRD-PARTY BENEFICIARY SHALL ASSERT IN SUCH LEGAL DISPUTE A NONCOMPULSORY COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER TRANSACTION AGREEMENTS AND THE CONSUMMATION OF THE TRANSACTIONS. FURTHERMORE, NO PARTY NOR ANY PERSON ASSERTING RIGHTS AS A THIRD-PARTY BENEFICIARY SHALL SEEK TO CONSOLIDATE ANY SUCH LEGAL DISPUTE WITH A SEPARATE ACTION OR OTHER LEGAL PROCEEDING IN WHICH A JURY TRIAL CANNOT BE WAIVED.

Section 11.09 Rules of Construction. Each of the Parties agrees that it has been represented by independent counsel of its choice during the negotiation and execution of this Agreement and each Party hereto and its counsel cooperated in the drafting and preparation of this Agreement and the documents referred to herein and, therefore, waive the application of any law, regulation, holding or rule of construction providing that ambiguities in an agreement or other document will be construed against the Party drafting such agreement or document.

Section 11.10 Expenses. Except as otherwise expressly provided in this Agreement, whether or not the Transactions are consummated, each Party will pay its own costs and expenses incurred in anticipation of, relating to and in connection with the negotiation and execution of this Agreement and the Transaction Agreements and the consummation of the Transactions.

Section 11.11 Assignment. No Party may assign, directly or indirectly, including by operation of law, either this Agreement or any of its rights, interests, or obligations hereunder without the prior written approval of the other Parties. Subject to the first sentence of this [Section 11.11](#), this Agreement shall be binding upon and shall inure to the benefit of the Parties and their respective successors and permitted assigns.

Section 11.12 Amendment. This Agreement may be amended by the Parties at any time by execution of an instrument in writing signed on behalf of each of the Parties.

Section 11.13 Extension; Waiver. At any time prior to the Closing, Parent (on behalf of itself and Merger Sub), on the one hand, and the Company may, to the extent not prohibited by Applicable Legal Requirements: (a) extend the time for the performance of any of the obligations or other acts of the other Party; (b) waive any inaccuracies in the representations and warranties made to the other Party contained herein or in any document delivered pursuant hereto; and (c) waive compliance with any of the agreements or conditions for the benefit of such Party contained herein. Any agreement on the part of a Party to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such Party. Delay in exercising any right under this Agreement shall not constitute a waiver of such right. In the event any provision of any of the other Transaction Agreement in any way conflicts with the provisions of this Agreement (except where a provision therein expressly provides that it is intended to take precedence over this Agreement), this Agreement shall control.

Section 11.14 No Recourse. Notwithstanding anything that may be expressed or implied in this Agreement, this Agreement may only be enforced against, and any Legal Proceeding for breach of this Agreement may only be made against, the entities that are expressly identified herein as Parties to this Agreement, and no Related Party of a Party shall have any liability for any liabilities or obligations of the Parties for any Legal Proceeding (whether in tort, contract or otherwise) for breach of this Agreement or in respect of any oral representations made or alleged to be made in connection herewith. No Party shall have any right of recovery in respect hereof against any Related Party of a Party and no personal liability shall attach to any Related Party of a Party through such Party, whether by or through attempted piercing of the corporate veil, by the enforcement of any judgment, fine or penalty or by virtue of any Legal Requirement or otherwise. The provisions of this Section 11.14 are intended to be for the benefit of, and enforceable by the Related Parties of the Parties and each such Person shall be a third-party beneficiary of this Section 11.14. This Section 11.14 shall be binding on all successors and assigns of Parties.

Section 11.15 Disclosure Letters and Exhibits. The Company Disclosure Letter and Parent Disclosure Letter shall each be arranged in separate parts corresponding to the numbered and lettered sections and subsections in this Agreement, and the information disclosed in any numbered or lettered part shall be deemed to relate to and to qualify only the particular provision set forth in the corresponding numbered or lettered Section or subsection of this Agreement, except to the extent that: (a) such information is cross-referenced in another part of the Company Disclosure Letter or Parent Disclosure Letter, as applicable; or (b) except in the case of Sections 6.01 and 6.02, it is reasonably apparent on the face of the disclosure (without reference to any document referred to therein or any independent knowledge on the part of the reader regarding the matter disclosed) that such information qualifies another provision in this Agreement. The specification of any dollar amount in the representations and warranties contained in this Agreement or the inclusion of any specific item in the Company Disclosure Letter and Parent Disclosure Letter is not intended to imply that such amounts (or higher or lower amounts) are or are not material, and no Party shall use the fact of the setting of such amounts or the fact of the inclusion of any such item in the Company Disclosure Letter or Parent Disclosure Letter in any dispute or controversy between the Parties as to whether any obligation, item, or matter not described herein or included in Company Disclosure Letter or the Parent Disclosure Letter is or is not material for purposes of this Agreement. The inclusion of any item in the Company Disclosure Letter or Parent Disclosure Letter shall not be deemed to constitute an acknowledgment by the Company or Parent, as applicable, that the matter is required to be disclosed by the terms of this Agreement, nor shall such disclosure be deemed (a) an admission of any breach or violation of any Contract or Legal Requirement, (b) an admission of any liability or obligation to any third party, or (c) to establish a standard of materiality. The disclosure of any items or information that is not required by this Agreement to be so included is solely for informational purposes and the convenience of Parent and Merger Sub or the Company, as applicable. In addition, under no circumstances shall the disclosure of any matter in the Company Disclosure Letter or Parent Disclosure Letter, where a representation or warranty of the Company or Parent, as applicable, is limited or qualified by the materiality of the matters to which the representation or warranty is given or by Company Material Adverse Effect or Parent Material Adverse Effect, imply that any other undisclosed matter having a greater value or other significance is material or would have a Company Material Adverse Effect or Parent Material Adverse Effect. Neither the Company nor Parent shall be prejudiced in any manner whatsoever, and no presumptions shall be created, by virtue of the disclosure of any matter in the Company Disclosure Letter or Parent Disclosure Letter, as applicable, which otherwise is not required to be disclosed by this Agreement.

Notwithstanding the foregoing, each director shall hold office until such director's successor shall have been duly elected and qualified or until such director's earlier death, resignation or removal. In no event will a decrease in the number of directors on the Board of Directors shorten the term of any incumbent director.

(2) The Board of Directors is authorized to assign directors already in office to Class I, Class II or Class III at the time such classification becomes effective.

(3) There shall be no cumulative voting in the election of directors. Election of directors need not be by written ballot unless the Bylaws so provide.

(D) Vacancies. Vacancies on the Board of Directors resulting from death, resignation, removal or otherwise and newly created directorships resulting from any increase in the number of directors shall, except as otherwise required by law, be filled solely by a majority of the directors then in office (although less than a quorum) or by the sole remaining director, and each director so elected shall hold office for a term that shall coincide with the term of the Class to which such director shall have been elected.

(E) Removal. No director may be removed from office by the stockholders except for cause with the affirmative vote of the holders of at least 66 2/3% of the voting power of the outstanding shares of stock of the Corporation entitled to vote on the election of such director, voting together as a single class.

(F) Preferred Stock Directors. **ARTICLE 7.
MEETINGS OF STOCKHOLDERS**

(B) Special Meetings. Special meetings of the stockholders may be called only by the Board of Directors acting pursuant to a resolution adopted by the Board of Directors. Notwithstanding the foregoing, whenever holders of one or more classes or series of Preferred Stock shall have the right, voting separately as a class or series, to elect directors, such holders may call, pursuant to the terms of such class or series of Preferred Stock adopted by resolution or resolutions of the Board of Directors pursuant to Article 4(A) hereto, special meetings of holders of such Preferred Stock solely for the purpose of electing, removing or filling any vacancies of such directors.

(C) No Action by Written Consent. Subject to the rights of the holders of any class or series of Preferred Stock then outstanding, as may be set forth in the resolution or resolutions adopted by the Board of Directors pursuant to Article 4(A) hereto for such class or series of Preferred Stock, any action required or permitted to be taken at any annual or special meeting of stockholders may be taken only upon the vote of stockholders at an annual or special meeting duly noticed and called in accordance with Delaware Law, as amended from time to time, and this Article 7 and may not be taken by written consent of stockholders without a meeting.

(A) Limited Liability. A director of the Corporation shall not be liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director to the fullest extent permitted by Delaware Law.

(2) The Corporation may, by action of its Board of Directors, provide indemnification to such of the employees and agents of the Corporation to such extent and to such effect as the Board of Directors shall determine to be appropriate and authorized by Delaware Law.

(C) Insurance. The Corporation shall have power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss incurred by such person in any such capacity or arising out of such person's status as such, whether or not the Corporation would have the power to indemnify such person against such liability under Delaware Law.

(D) Nonexclusivity of Rights. The rights and authority conferred in this Article 8 shall not be exclusive of any other right that any person may otherwise have or hereafter acquire.

(E) Preservation of Rights. Neither the amendment nor repeal of this Article 8, nor the adoption of any provision of this Certificate of Incorporation or the Bylaws, nor, to the fullest extent permitted by Delaware Law, any modification of law, shall adversely affect any right or protection of any person granted pursuant hereto existing at, or arising out of or related to any event, act or omission that occurred prior to, the time of such amendment, repeal, adoption or modification (regardless of when any proceeding (or part thereof) relating to such event, act or omission arises or is first threatened, commenced or completed).

**ARTICLE 9
AMENDMENTS**

The Corporation reserves the right to amend this Certificate of Incorporation in any manner permitted by Delaware Law and all rights and powers conferred upon stockholders, directors and officers herein are granted subject to this reservation. Notwithstanding the foregoing, the provisions set forth in Articles 4(B), 5, 6, 7 and this Article 9 may not be repealed or amended in any respect, and no other provision may be adopted, amended or repealed which would have the effect of modifying or permitting the circumvention of the provisions set forth in any of Articles 4(B), 5, 6, 7 or this Article 9, unless such action is approved by the affirmative vote of the holders of at least 66 2/3% of the voting power of the outstanding shares of stock entitled to vote at an election of directors, voting together as a single class.

**ARTICLE 10
CORPORATE OPPORTUNITY**

In the event that a member of the Board of Directors who is not an employee of the Corporation or its subsidiaries, or any employee or agent of such member, other than someone who is an employee of the Corporation or its subsidiaries (collectively, the “**Covered Persons**”), acquires knowledge of any business opportunity matter, potential transaction, interest or other matter, unless such matter, transaction or interest is presented to, or acquired, created or developed by, or otherwise comes into the possession of, a Covered Person expressly and solely in connection with such individual’s service as a member of the Board of Directors of the Corporation (a “**Corporate Opportunity**”), then the Corporation to the maximum extent permitted from time to time under Delaware Law (including Section 122(17) thereof):

- (a) renounces any expectancy that such Covered Person offer an opportunity to participate in such Corporate Opportunity to the Corporation; and

No amendment or repeal of this paragraph shall apply to or have any effect on the liability or alleged liability of any officer, director or stockholder of the Corporation for or with respect to any opportunities of which such officer, director or stockholder becomes aware prior to such amendment or repeal.

**ARTICLE 2
MEETINGS OF STOCKHOLDERS**

Section 2.01. *Time and Place of Meetings.* All meetings of stockholders shall be held at such place, either within or without the State of Delaware, on such date and at such time as may be determined from time to time by the Board of Directors (or the Chairman of the Board of Directors in the absence of a designation by the Board of Directors). The Board may, in its sole discretion, determine that a meeting of stockholders shall not be held at any place, but may instead be held solely by means of remote communication as authorized by Section 211(a)(2) of the General Corporation Law of the State of Delaware as the same exists or may hereafter be amended (“**Delaware Law**”). In the absence of any such designation or determination, stockholders’ meetings shall be held at the Corporation’s principal executive office

Section 2.02. *Annual Meetings.* An annual meeting of stockholders shall be held for the election of directors and to transact such other business as may properly be brought before the meeting.

Section 2.03. *Special Meetings.* Subject to the rights of the holders of any outstanding class or series of preferred stock of the Corporation, special meetings of the stockholders may be called only by the Board of Directors acting pursuant to a resolution adopted by the Board of Directors.

Section 2.04. *Notice of Meetings and Adjourned Meetings; Waivers of Notice.* (a) Whenever stockholders are required or permitted to take any action at a meeting, a written notice of the meeting shall be given which shall state the place, if any, date and hour of the meeting, the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such meeting, and, in the case of a special meeting, the purpose or purposes for which the meeting is called. Unless otherwise provided by Delaware Law, the Certificate of Incorporation of the Corporation, as amended from time to time (the “**Certificate of Incorporation**”) or these Bylaws, such notice shall be given not less than 10 nor more than 60 days before the date of the meeting to each stockholder of record entitled to vote at such meeting. The Board of Directors or the chairman of the meeting may adjourn the meeting to another time or place (whether or not a quorum is present), and notice need not be given of the adjourned meeting if the time, place, if any, and the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such meeting, are announced

If the adjournment is for more than 30 days, or after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

(b) A written waiver of any such notice signed by the person entitled thereto, or a waiver by electronic transmission by the person entitled to notice, whether before or after the time stated therein, shall be deemed equivalent to notice. Business transacted at any special meeting of stockholders shall be limited to the purposes stated in the notice.

If, however, such quorum shall not be present or represented at any meeting of the stockholders, the chairman of the meeting or a majority in voting interest of the stockholders present in person or represented by proxy may adjourn the meeting, without notice other than announcement at the meeting, until a quorum shall be present or represented. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted that might have been transacted at the meeting as originally notified.

Section 2.06. *Voting.* (a) Unless otherwise provided in the Certificate of Incorporation and subject to Delaware Law, each stockholder shall be entitled to one vote for each outstanding share of capital stock of the Corporation held by such stockholder. Any share of capital stock of the Corporation held by the Corporation shall have no voting rights. Except as otherwise required by law, the Certificate of Incorporation or these Bylaws, in all matters other than the election of directors, the affirmative vote of the holders of a majority of the votes cast at the meeting on the subject matter shall be the act of the stockholders. Abstentions and broker non-votes shall not be counted as votes cast. Subject to the rights of the holders of any class or series of preferred stock to elect additional directors under specific circumstances, as may be set forth in the certificate of designations for such class or series of preferred stock, directors shall be elected by a plurality of the votes cast in respect of the shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors.

(b) Each stockholder entitled to vote at a meeting of stockholders or to express consent or dissent to a corporate action in writing without a meeting may authorize another person or persons to act for such stockholder by proxy, appointed by an instrument in writing, subscribed by such stockholder or by his attorney thereunto authorized, or by proxy sent by cable, telegram or by any means of electronic communication permitted by law, which results in a writing from such stockholder or by his attorney, and delivered to the secretary of the meeting. No proxy shall be voted after three (3) years from its date, unless said proxy provides for a longer period.

Section 2.07. *Action by Consent.* Subject to the rights of the holders of any class or series of preferred stock then outstanding, as may be set forth in the certificate of designations for such class or series of preferred stock, any action required or permitted to be taken at any annual or special meeting of stockholders may be taken only upon the vote of stockholders at an annual or special meeting duly noticed and called in accordance with Delaware Law and may not be taken by written consent of stockholders without a meeting.

Section 2.08. *Organization.* At each meeting of stockholders, the Chairman of the Board of Directors, if one shall have been elected, or in the Chairman's absence or if one shall not have been elected, the director designated by the vote of the majority of the directors present at such meeting, shall act as chairman of the meeting. (ii) For nominations or other business to be properly brought before an annual meeting of stockholders by a stockholder pursuant to clause (D) of paragraph (i) of this Section 2.10(a), the stockholder must have given timely notice thereof in writing to the Secretary of the Corporation and any such proposed business (other than the nominations of persons for election to the Board of Directors) must constitute a proper matter for stockholder action. To be timely, a stockholder's notice shall be delivered to, or mailed and received by, the Secretary of the Corporation at the principal executive offices of the Corporation not less than 90 days nor more than 120 days prior to the first anniversary of the preceding year's annual meeting of stockholders (which date shall, for purposes of the Corporation's annual meeting of stockholders in the year of the closing of the merger contemplated by that certain Agreement and Plan of Merger, dated as of [•], by and among Fusion Acquisition Corp., ML Merger Sub Inc., and MoneyLion Inc., be deemed to have occurred on [•] of such year); *provided, however*, that in the event that the date of the annual meeting is advanced more than 30 days prior to such anniversary date or delayed more than 70 days after such anniversary date then to be timely such notice must be so delivered, or mailed and received, not later than the 90th day prior to such annual meeting or, if later, the 10th day following the day on which public disclosure of the date of such annual meeting was first made. In no event shall the adjournment or postponement of any meeting, or any announcement thereof, commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above. The number of nominees a stockholder may nominate for election at the annual meeting (or in the case of a stockholder giving the notice on behalf of a beneficial owner, the number of nominees a stockholder may nominate for election at the annual meeting on behalf of such beneficial owner) shall not exceed the number of directors to be elected as such annual meeting.

Notwithstanding the foregoing provisions of this Section 2.10, unless otherwise required by law, if the stockholder (or a qualified representative of the stockholder) does not appear at the annual or special meeting of stockholders of the Corporation to present a nomination or other proposed business, such nomination shall be disregarded or such proposed business shall not be transacted, as the case may be, notwithstanding that proxies in respect of such vote may have been received by the Corporation and counted for purposes of determining a quorum. This SUBSCRIPTION AGREEMENT (this “Subscription Agreement”) is entered into on February 11, 2021, by and between Fusion Acquisition Corp., a Delaware corporation (the “Company”), and the undersigned subscriber (“Subscriber”).

WHEREAS, concurrently with the execution of this Subscription Agreement, the Company is entering into a definitive agreement with MoneyLion Inc., a Delaware corporation (“MoneyLion”), and the other parties thereto, providing for a business combination between the Company and MoneyLion (the “Merger Agreement” and the transactions contemplated by the Merger Agreement, the “Transaction”);

WHEREAS, in connection with the Transaction, Subscriber desires to subscribe for and purchase from the Company, immediately prior to the consummation of the Transaction, that number of shares of the Company’s Class A Common Stock, par value \$0.0001 per share (the “Class A Common Stock”), set forth on the signature page hereto (the “Subscribed Shares”) for a purchase price of \$10.00 per share (the “Per Share Price” and the aggregate of such Per Share Price for all Subscribed Shares being referred to herein as the “Purchase Price”), and the Company desires to issue and sell to Subscriber the Subscribed Shares in consideration of the payment of the Purchase Price by or on behalf of Subscriber to the Company; and

WHEREAS, on or about the date of this Subscription Agreement, the Company is entering into subscription agreements (the “Other Subscription Agreements” and together with the Subscription Agreement, the “Subscription Agreements”) with certain other investors (the “Other Subscribers” and together with Subscriber, the “Subscribers”), pursuant to which such Subscribers have agreed to purchase on the closing date of the Transaction, inclusive of the Subscribed Shares, an aggregate amount of 25,000,000 shares of Class A Common Stock, at the Per Share Price for an aggregate purchase price, inclusive of the Purchase Price, of \$250,000,000.

NOW, THEREFORE, in consideration of the foregoing and the mutual representations, warranties and covenants, and subject to the conditions, herein contained, and intending to be legally bound hereby, the parties hereto hereby agree as follows:

Section 1. Subscription. Subject to the terms and conditions hereof, at the Closing (as defined below), Subscriber hereby subscribes for and agrees to purchase from the Company, and the Company hereby agrees to issue and sell to Subscriber, upon the payment of the Purchase Price, the Subscribed Shares (such subscription and issuance, the “Subscription”).

Section 2. Closing.

(a) The consummation of the Subscription contemplated hereby (the “Closing”) shall occur on the closing date of the Transaction (the “Closing Date”), immediately prior to and conditioned upon the effectiveness of the consummation of the Transaction.

(b) At least five (5) Business Days before the anticipated Closing Date, the Company shall deliver written notice to Subscriber (the “Closing Notice”) specifying (i) the anticipated Closing Date and (ii) the wire instructions for delivery of the Purchase Price to the Company. No later than two (2) Business Days prior to the Closing Date as set forth in the Closing Notice, Subscriber shall deliver the Purchase Price for the Subscribed Shares by wire transfer of United States dollars in immediately available funds to the account specified by the Company in the Closing Notice, such funds to be held by the Company in escrow until the Closing. Upon satisfaction (or, if applicable, waiver) of the conditions set forth in this Section 2, the Company shall deliver to Subscriber (i) at the Closing, the Subscribed Shares in book entry form, free and clear of any liens or other restrictions (other than those arising under this Subscription Agreement, the organizational documents of the Company or applicable securities laws), in the name of Subscriber (or its nominee or custodian in accordance with its delivery instructions) (and the Purchase Price shall be released from escrow automatically and without further action by the Company or the Subscriber), and (ii) as promptly as practicable after the Closing, evidence from the Company’s transfer agent of the issuance to Subscriber of the Subscribed Shares on and as of the Closing Date. Notwithstanding the foregoing two sentences,

[Table of Contents](#)

if Subscriber informs the Company (1) that it is an investment company registered under the Investment Company Act of 1940, as amended, (2) that it is advised by an investment adviser subject to regulation under the Investment Advisers Act of 1940, as amended, or (3) that its internal compliance policies and procedures so require it, then, in lieu of the settlement procedures in the foregoing two sentences, the following shall apply: Subscriber shall deliver at 8:00 a.m. New York City time on the Closing Date (or as soon as practicable following receipt of evidence from the Company's transfer agent of the issuance to Subscriber of the Subscribed Shares on and as of the Closing Date) the Purchase Price for the Subscribed Shares by wire transfer of United States dollars in immediately available funds to the account specified by the Company in the Closing Notice against delivery by the Company to Subscriber of the Subscribed Shares in book entry form, free and clear of any liens or other restrictions (other than those arising under this Subscription Agreement or applicable securities laws), in the name of Subscriber (or its nominee in accordance with its delivery instructions) and evidence from the Company's transfer agent of the issuance to Subscriber of the Subscribed Shares on and as of the Closing Date. In the event that the consummation of the Transaction does not occur within one (1) Business Day after the anticipated Closing Date specified in the Closing Notice, unless otherwise agreed to in writing by the Company and the Subscriber, the Company shall promptly (but in no event later than two (2) Business Days after the anticipated Closing Date specified in the Closing Notice) return the funds so delivered by Subscriber to the Company by wire transfer in immediately available funds to the account specified by Subscriber, and any book entries shall be deemed cancelled. Notwithstanding such return or cancellation (x) a failure to close on the anticipated Closing Date shall not, by itself, be deemed to be a failure of any of the conditions to Closing set forth in this [Section 2](#) to be satisfied or waived on or prior to the Closing Date, and (y) unless and until this Subscription Agreement is terminated in accordance with [Section 6](#) herein, Subscriber shall remain obligated (A) to redeliver funds to the Company following the Company's delivery to Subscriber of a new Closing Notice in accordance with this [Section 2](#) and (B) to consummate the Closing upon satisfaction of the conditions set forth in this [Section 2](#). For the purposes of this Subscription Agreement, "[Business Day](#)" means any day other than a Saturday or Sunday, or any other day on which banks located in New York, New York are required or authorized by law to be closed for business.

(c) The Closing shall be subject to the satisfaction, or valid waiver in writing by each of the parties hereto, of the conditions that, on the Closing Date:

- (i) all conditions precedent to the closing of the Transaction set forth in Article VIII of the Merger Agreement shall have been satisfied (as determined by the parties to the Merger Agreement) or waived in writing by the person with the authority to make such waiver (other than those conditions which, by their nature, are to be satisfied at the closing of the Transaction pursuant to the Merger Agreement), and the closing of the Transaction shall be scheduled to occur substantially concurrently with the Closing;
- (ii) no governmental authority shall have enacted, issued, promulgated, enforced or entered any judgment, order, law, rule or regulation which is then in effect and has the effect of making the consummation of the transactions contemplated hereby illegal or otherwise restraining or prohibiting consummation of the transactions contemplated hereby; and
- (iii) the shares of Class A Common Stock shall be approved for listing on the New York Stock Exchange (the "[Stock Exchange](#)") subject only to official notice of issuance.

(d) The obligation of the Company to consummate the Closing shall be subject to the satisfaction or valid waiver in writing by the Company of the additional conditions that, on the Closing Date:

- (i) all representations and warranties of Subscriber contained in this Subscription Agreement shall be true and correct in all material respects (other than representations and warranties that are qualified as to materiality or Subscriber Material Adverse Effect (as defined below), which representations and warranties shall be true and correct in all respects) at and as of the Closing Date (except to the extent that any such representation and warranty expressly speaks as of an earlier date, in which case such representation and warranty shall be true and correct in all material respects (other than representations and warranties that are qualified as to materiality or Subscriber Material Adverse Effect, which representations and warranties shall be true and correct in all respects) as of such earlier date), and consummation of the Closing shall constitute a reaffirmation by Subscriber of each of the representations, warranties and agreements of Subscriber contained in

this Subscription Agreement as of the Closing Date, but without giving effect to consummation of the Transaction, or as of such earlier date, as applicable, except, in each case, where the failure of such representations and warranties to be true and correct (whether as of the Closing Date or such earlier date), taken as a whole, does not result in a Subscriber Material Adverse Effect; and

- (ii) Subscriber shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Subscription Agreement to be performed, satisfied or complied with by it at or prior to the Closing.

(e) The obligation of Subscriber to consummate the Closing shall be subject to the satisfaction or valid waiver in writing by Subscriber of the additional conditions that, on the Closing Date:

- (i) all representations and warranties of the Company contained in this Subscription Agreement shall be true and correct in all material respects (other than representations and warranties that are qualified as to materiality or Company Material Adverse Effect (as defined below), which representations and warranties shall be true and correct in all respects) at and as of the Closing Date (except to the extent that any such representation or warranty expressly speaks as of an earlier date, in which case such representation and warranty shall be true and correct in all material respects (other than representations and warranties that are qualified as to materiality or Company Material Adverse Effect, which representations and warranties shall be true and correct in all respects) as of such earlier date), and consummation of the Closing shall constitute a reaffirmation by the Company of each of the representations, warranties and agreements of the Company contained in this Subscription Agreement as of the Closing Date, but without giving effect to consummation of the Transaction, or as of such earlier date, as applicable, except, in each case, where the failure of such representations and warranties to be true and correct (whether as of the Closing Date or such earlier date), taken as a whole, does not result in a Company Material Adverse Effect;
- (ii) the Company shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Subscription Agreement to be performed, satisfied or complied with by it at or prior to the Closing;
- (iii) the Merger Agreement (as filed with the Commission on or immediately following the date hereof) shall not have been amended, modified, supplemented or waived in a manner that would reasonably be expected to materially and adversely affect the economic benefits that Subscriber would reasonably expect to receive under this Subscription Agreement; and
- (iv) there shall have been no amendment, waiver or modification to the Other Subscription Agreements that materially benefits any Other Subscriber thereunder unless the Subscriber has been offered substantially the same benefits.

(f) Prior to or at the Closing, Subscriber shall deliver all such other information as is reasonably requested in order for the Company to issue the Subscribed Shares to Subscriber, including, without limitation, the legal name of the person in whose name the Subscribed Shares are to be issued (or the Subscriber's nominee in accordance with its delivery instructions) and a duly completed and executed Internal Revenue Service Form W-9 or appropriate Form W-8.

Section 3. Company Representations and Warranties. The Company represents and warrants to Subscriber that:

- (a) The Company (i) is validly existing and in good standing under the laws of the State of Delaware, (ii) has the requisite power and authority to own, lease and operate its properties, to carry on its business as it is now being conducted and to enter into and perform its obligations under this Subscription Agreement, and (iii) is duly licensed or qualified to conduct its business and, if applicable, is in good standing under the laws of each jurisdiction (other than its jurisdiction of incorporation) in which the conduct of its business or the ownership of its properties or assets requires such license or qualification, except, with respect to the foregoing clause (iii), where the failure to be in good standing would not reasonably be expected to have a Company Material Adverse Effect. For purposes of this Subscription Agreement, a "Company Material Adverse Effect" means an event, change, development, occurrence, condition or effect with respect to the Company that, individually or in the aggregate, would reasonably be expected to have a material adverse effect on the business, properties, financial condition, stockholders' equity

[Table of Contents](#)

or results of operations of the Company or its subsidiaries individually or taken as a whole, or materially affects the legal authority and ability of the Company to comply with the terms of this Subscription Agreement, including the issuance and sale of the Subscribed Shares, or the Transaction.

(b) The Subscribed Shares have been duly authorized and, when issued and delivered to Subscriber against full payment therefor in accordance with the terms of this Subscription Agreement, will be validly issued, fully paid and non-assessable, free and clear of all liens or other restrictions (other than those arising under this Subscription Agreement, the organizational documents of the Company or applicable securities laws), and will not have been issued in violation of, or subject to, any preemptive or similar rights created under the Company's governing and organizational documents or the laws of the State of Delaware.

(c) This Subscription Agreement has been duly authorized, validly executed and delivered by the Company, and assuming the due authorization, execution and delivery of the same by Subscriber, this Subscription Agreement shall constitute the valid and legally binding obligation of the Company, enforceable against the Company in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors generally and by the availability of equitable remedies.

(d) Assuming the accuracy of the representations and warranties of Subscriber set forth in [Section 4](#) of this Subscription Agreement, the execution and delivery of this Subscription Agreement, the issuance and sale of the Subscribed Shares hereunder, the compliance by the Company with all of the provisions of this Subscription Agreement and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of the Company pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which the Company is a party or by which the Company is bound or to which any of the property or assets of the Company is subject, (ii) the organizational documents of the Company, or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over the Company or any of its properties that, in the case of [clauses \(i\)](#) and [\(iii\)](#), would reasonably be expected to have a Company Material Adverse Effect.

(e) The Company is not required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority, self-regulatory organization (including the Stock Exchange) or other person in connection with the execution, delivery and performance of this Subscription Agreement (including, without limitation, the issuance of the Subscribed Shares), other than (i) filings required by applicable state securities laws, (ii) the filing of the Registration Statement (as defined below) pursuant to [Section 5](#) below, (iii) filings required by the United States Securities and Exchange Commission (the "[Commission](#)"), (iv) those required by the Stock Exchange, including with respect to obtaining stockholder approval, if applicable, (v) those required to consummate the Transaction as provided under the Merger Agreement, (vi) the filing of notification under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, if applicable, and (vii) those the failure of which to obtain would not have a Company Material Adverse Effect.

(f) Except for such matters as have not had and would not reasonably be expected to have a Company Material Adverse Effect, there is no (i) suit, action, proceeding or arbitration before a governmental authority or arbitrator pending, or, to the knowledge of the Company, threatened in writing against the Company or (ii) judgment, decree, injunction, ruling or order of any governmental authority or arbitrator outstanding against the Company.

(g) Assuming the accuracy of Subscriber's representations and warranties set forth in [Section 4](#) of this Subscription Agreement, no registration under the Securities Act of 1933, as amended (the "[Securities Act](#)") or any state securities (or Blue Sky) laws is required for the offer and sale of the Subscribed Shares by the Company to Subscriber.

(h) Neither the Company nor any person acting on its behalf has engaged or will engage in any form of general solicitation or general advertising (within the meaning of Regulation D) in connection with any offer or sale of the Subscribed Shares. The Subscribed Shares are not being offered in a manner involving a public offering under, or in a distribution in violation of, the Securities Act or any state securities laws. Neither the Company nor any person acting on the Company's behalf has, directly or indirectly, at any time within the past six (6) months, made any offer or sale of any security or solicitation of any offer to buy any security under circumstances that would (i) eliminate the availability of the exemption from registration under Regulation D under the Securities Act in connection with the offer and sale by the Company of the Subscribed Shares as contemplated hereby or (ii) cause the offering of the

[Table of Contents](#)

Subscribed Shares pursuant to this Subscription Agreement to be integrated with prior offerings by the Company for purposes of the Securities Act or any applicable stockholder approval provisions. Neither the Company nor any person acting on the Company's behalf has offered or sold or will offer or sell any securities, or has taken or will take any other action, which would reasonably be expected to subject the offer, issuance or sale of the Subscribed Shares, as contemplated hereby, to the registration provisions of the Securities Act.

(i) No "bad actor" disqualifying event described in Rule 506(d)(1)(i)-(viii) of the Securities Act (a "Disqualification Event") is applicable to the Company, except for a Disqualification Event as to which Rule 506(d)(2)(ii-iv) or (d)(3) is applicable.

(j) The Company is in compliance with all applicable laws and has not received any written communication from a governmental entity that alleges that the Company is not in compliance with or is in default or violation of any applicable law, except where such non-compliance, default or violation would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect. The Company is in all material respects in compliance with applicable provisions of the Sarbanes-Oxley Act of 2002, as amended, and the rules and regulations thereunder.

(k) The Class A Common Stock is eligible for clearing through The Depository Trust Company (the "DTC"), through its Deposit/Withdrawal At Custodian (DWAC) system, and the Company is eligible and participating in the Direct Registration System (DRS) of DTC with respect to the Class A Common Stock. The Company's transfer agent is a participant in DTC's Fast Automated Securities Transfer Program. The Class A Common Stock is not, and has not been at any time, subject to any DTC "chill," "freeze" or similar restriction with respect to any DTC services, including the clearing of shares of Class A Common Stock through DTC.

(l) Except for J.P. Morgan Securities, Inc., Citigroup Global Markets Inc., Cantor Fitzgerald & Co. and Odeon Capital Group, LLC (together, the "Placement Agents"), no broker or finder is entitled to any brokerage or finder's fee or commission solely in connection with the sale of the Subscribed Shares to Subscriber. The Company is solely responsible for the payment of any fees, costs, expenses and commissions of the Placement Agents.

(m) As of their respective dates, each form, report, statement, schedule, prospectus, proxy, registration statement and other document required to be filed by the Company with the Commission prior to the date hereof (the "SEC Documents") complied in all material respects with the requirements of the Securities Act and the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the rules and regulations of the Commission promulgated thereunder, and none of the SEC Documents, when filed, or if amended prior to the date of this Subscription Agreement, as of the date of such amendment with respect to those disclosures that were amended, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The financial statements of the Company included in the SEC Documents comply in all material respects with applicable accounting requirements and the rules and regulations of the Commission with respect thereto as in effect at the time of filing and fairly present in all material respects the financial position of the Company as of and for the dates thereof and the results of operations and cash flows for the periods then ended, subject, in the case of unaudited statements, to normal, year-end audit adjustments, and such consolidated financial statements have been prepared in conformity with United States generally accepted accounting principles applied on a consistent basis during the periods involved ("GAAP") (except as may be disclosed therein or in the notes thereto, and except that the unaudited financial statements may not contain all footnotes required by GAAP). A copy of each SEC Document is available to each Subscriber via the Commission's EDGAR system. The Company has timely filed each report, statement, schedule, prospectus, and registration statement that the Company was required to file with the Commission since its initial registration of the Class A Common Stock with the Commission and through the date hereof. There are no material outstanding or unresolved comments in comment letters from the staff of the Division of Corporation Finance of the Commission with respect to any of the SEC Documents as of the date hereof.

(n) As of the date hereof, the authorized share capital of the Company consists of 400,000,000 shares of common stock (the "Common Stock"), including 380,000,000 shares of Class A Common Stock and 20,000,000 shares of Class B common stock, par value \$0.0001 per share (the "Class B Common Stock"), and 1,000,000 preferred shares, par value \$0.0001 per share ("Preferred Shares"). As of the date hereof and immediately prior to the Closing and prior to giving effect to the Transaction: (i) 35,000,000 shares of Class A Common Stock, 8,750,000 shares of Class B Common Stock and no Preferred Shares were issued and outstanding; (ii) 17,500,000 warrants, each exercisable to purchase one share of Class A Common Stock at \$11.50 per share, and 8,100,000 private placement warrants, each

[Table of Contents](#)

exercisable to purchase one share of Class A Common Stock at \$11.50 per share (together “Warrants”), were issued and outstanding; and (iii) no Common Stock was subject to issuance upon exercise of outstanding options. No Warrants are exercisable on or prior to the Closing. All (A) issued and outstanding shares of Common Stock have been duly authorized and validly issued, are fully paid and non-assessable and are not subject to preemptive rights or similar and (B) outstanding Warrants have been duly authorized and validly issued, are fully paid and are not subject to preemptive or similar rights. As of the date hereof, except as set forth above and pursuant to (1) the Other Subscription Agreements, or (2) the Merger Agreement, there are no outstanding options, warrants or other rights to subscribe for, purchase or acquire from the Company any Common Stock or other equity interests in the Company (collectively, “Equity Interests”) or securities convertible into or exchangeable or exercisable for Equity Interests. Except as set forth in the Merger Agreement, as of the date hereof, the Company has no subsidiaries and does not own, directly or indirectly, interests or investments (whether equity or debt) in any person, whether incorporated or unincorporated. There are no stockholder agreements, voting trusts or other agreements or understandings to which the Company is a party or by which it is bound relating to the voting of any Equity Interests, other than as contemplated by the Merger Agreement. Except as described in the SEC Documents, there are no securities or instruments issued by or to which the Company is a party containing anti-dilution or similar provisions that will be triggered by the issuance of (i) the Subscribed Shares or (ii) the shares to be issued pursuant to any Other Subscription Agreement.

(o) The issued and outstanding shares of Class A Common Stock are registered pursuant to Section 12(b) of the Exchange Act and are listed for trading on the Stock Exchange under the symbol “FUSE.” There is no suit, action, proceeding or investigation pending or, to the knowledge of the Company, threatened against the Company by the Stock Exchange or the Commission with respect to any intention by such entity to deregister the shares of Class A Common Stock or prohibit or terminate the listing of the shares of Class A Common Stock on the Stock Exchange. The Company has taken no action that is designed to terminate the registration of the shares of Class A Common Stock under the Exchange Act.

(p) Upon consummation of the Transaction, the issued and outstanding shares of Class A Common Stock will continue to be registered pursuant to Section 12(b) of the Exchange Act and will be listed for trading on the Stock Exchange.

(q) The Company is not, and immediately after receipt of payment for the Subscribed Shares and consummation of the Transaction, will not be, an “investment company” within the meaning of the Investment Company Act of 1940, as amended.

(r) The Company has not entered into any subscription agreement, side letter or other agreement with any Other Subscriber or any other investor in connection with such Other Subscriber’s or investor’s direct or indirect investment in the Company other than (i) the Other Subscription Agreements and (ii) the letter agreement, dated June 25, 2020, by and among the Fusion Sponsor LLC, the Company and the other parties thereto. The Other Subscription Agreements have not been amended in any material respect following the date of this Subscription Agreement and reflect the same Per Share Price and other terms with respect to the purchase of the Subscribed Shares that are no more favorable to such Subscriber thereunder than the terms of this Subscription Agreement other than terms particular to the regulatory requirements of such subscriber or its affiliates or related fund.

(s) Neither the Company nor anyone acting on its behalf has, directly or indirectly, offered the Subscribed Shares or any similar securities for sale to, or solicited any offer to buy the Subscribed Shares or any similar securities from, or otherwise approached or negotiated in respect thereof with, any person other than the Subscriber and a limited number of other accredited investors, each of which has been offered the Subscribed Shares at a private sale for investment. Neither the Company nor anyone acting on its behalf has taken, or will take, any action that would subject the issuance or sale of the Subscribed Shares to the registration requirements of section 5 of the Securities Act or to the registration requirements of any securities or blue sky laws of any applicable jurisdiction.

Section 4. Subscriber Representations and Warranties. Subscriber represents and warrants to the Company that:

(a) Subscriber (i) is validly existing and in good standing under the laws of its jurisdiction of formation or incorporation and (ii) has the requisite power and authority to enter into and perform its obligations under this Subscription Agreement.

[Table of Contents](#)

(b) This Subscription Agreement has been duly authorized, validly executed and delivered by Subscriber, and assuming the due authorization, execution and delivery of the same by the Company, this Subscription Agreement shall constitute the valid and legally binding obligation of Subscriber, enforceable against Subscriber in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors generally and by the availability of equitable remedies.

(c) The execution, delivery and performance of this Subscription Agreement, the purchase of the Subscribed Shares hereunder, the compliance by Subscriber with all of the provisions of this Subscription Agreement and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of Subscriber pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which Subscriber is a party or by which Subscriber is bound or to which any of the property or assets of Subscriber is subject; (ii) the organizational documents of Subscriber; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over Subscriber or any of its properties that in the case of clauses (i) and (iii), would have a Subscriber Material Adverse Effect. For purposes of this Subscription Agreement, a “Subscriber Material Adverse Effect” means an event, change, development, occurrence, condition or effect with respect to Subscriber that would reasonably be expected to have a material adverse effect on Subscriber’s ability to consummate the transactions contemplated hereby, including the purchase of the Subscribed Shares.

(d) Subscriber (i) is a “qualified institutional buyer” (as defined in Rule 144A under the Securities Act) or an “accredited investor” (within the meaning of Rule 501(a)(1), (2), (3) or (7) under the Securities Act), in each case, satisfying the applicable requirements set forth on Annex A hereto, (ii) is acquiring the Subscribed Shares only for its own account and not for the account of others, or if Subscriber is subscribing for the Subscribed Shares as a fiduciary or agent for one or more investor accounts, each owner of such account is a “qualified institutional buyer” (as defined in Rule 144A under the Securities Act) or an “accredited investor” (within the meaning of Rule 501(a)(1), (2), (3) or (7) under the Securities Act) and Subscriber has full investment discretion with respect to each such account, and the full power and authority to make the acknowledgements, representations and agreements herein on behalf of each owner of each such account, and (iii) is not acquiring the Subscribed Shares with a view to, or for offer or sale in connection with, any distribution thereof in violation of the Securities Act (and has provided the Company with the requested information on Annex A following the signature page hereto).

(e) Subscriber acknowledges and agrees that the Subscribed Shares are being offered in a transaction not involving any public offering within the meaning of the Securities Act and that the Subscribed Shares have not been registered under the Securities Act or the securities laws of any State or other jurisdiction and that the Company is not required to register the Subscribed Shares except as set forth in Section 5 of this Subscription Agreement. Subscriber acknowledges and agrees that the Subscribed Shares may not be offered, resold, transferred, pledged or otherwise disposed of by Subscriber absent an effective registration statement under the Securities Act, except (i) to the Company or a subsidiary thereof, (ii) pursuant to an applicable exemption from the registration requirements of the Securities Act, (including without limitation a private resale pursuant to so called “Section 4(a)1½”), or (iii) an ordinary course pledge such as a broker lien over account property generally, and, in each of clauses (i)-(iii), in accordance with any applicable securities laws of the states and other jurisdictions of the United States, and that any certificates or account entries representing the Subscribed Shares shall contain a restrictive legend to such effect. Subscriber acknowledges and agrees that the Subscribed Shares will be subject to these securities law transfer restrictions, and as a result of these transfer restrictions, Subscriber may not be able to readily offer, resell, transfer, pledge or otherwise dispose of the Subscribed Shares and may be required to bear the financial risk of an investment in the Subscribed Shares for an indefinite period of time. Subscriber acknowledges and agrees that the Subscribed Shares will not be immediately eligible for offer, resale, transfer, pledge or disposition pursuant to Rule 144 promulgated under the Securities Act, as amended (“Rule 144”) until at least one year following the filing of certain required information with the Commission after the Closing Date. Subscriber acknowledges and agrees that it has been advised to consult legal counsel prior to making any offer, resale, pledge or transfer of any of the Subscribed Shares.

(f) Subscriber understands and agrees that Subscriber is purchasing the Subscribed Shares directly from the Company. Subscriber further acknowledges that there have not been, and Subscriber hereby agrees that it is not relying on, any representations, warranties, covenants or agreements made to Subscriber by the Company, the Placement Agents, any of their respective affiliates or any control persons, officers, directors, employees, partners, agents or representatives, any other party to the Transaction or any other person or entity, expressly or by implication, other than those representations, warranties, covenants and agreements of the Company set forth in this Subscription Agreement.

(g) In making its decision to purchase the Subscribed Shares, Subscriber has relied solely upon independent investigation made by Subscriber and the Company's representations in [Section 3](#) of this Subscription Agreement. Subscriber acknowledges and agrees that Subscriber has received such information as Subscriber deems necessary in order to make an investment decision with respect to the Subscribed Shares, including with respect to the Company, MoneyLion (and its subsidiaries (collectively, the "[Acquired Companies](#)")) and the Transaction, and made its own assessment and is satisfied concerning the relevant financial, tax and other economic considerations relevant to Subscriber's investment in the Subscribed Shares. Without limiting the generality of the foregoing, Subscriber acknowledges that it has reviewed the Company's filings with the Commission. Subscriber represents and agrees that Subscriber and Subscriber's professional advisor(s), if any, have had the full opportunity to ask such questions, receive such answers and obtain such information as Subscriber and Subscriber's professional advisor(s), if any, have deemed necessary to make an investment decision with respect to the Subscribed Shares. Subscriber acknowledges that certain information provided by the Company was based on projections, and such projections were prepared based on assumptions and estimates that are inherently uncertain and are subject to a wide variety of significant business, economic and competitive risks and uncertainties that could cause actual results to differ materially from those contained in the projections. Subscriber acknowledges and agrees that none of the Acquired Companies or the Placement Agents or any of their affiliates or any of such person's or its affiliate's control persons, officers, directors, employees or other representatives, legal counsel, financial advisors, accountants or agents (collectively, "[Representatives](#)") has provided Subscriber with any information or advice with respect to the Subscribed Shares nor is such information or advice necessary or desired. None of the Acquired Companies, Placement Agents or any of their respective affiliates or Representatives has made or makes any representation as to the Company or the Acquired Companies or the quality or value of the Subscribed Shares. In connection with the issuance of the Subscribed Shares to Subscriber, none of the Placement Agents or any of their respective affiliates has acted as a financial advisor or fiduciary to Subscriber.

(h) Subscriber became aware of this offering of the Subscribed Shares solely by means of direct contact between Subscriber and the Company or by means of contact from the Placement Agents, and the Subscribed Shares were offered to Subscriber solely by direct contact between Subscriber and the Company or its affiliates. Subscriber did not become aware of this offering of the Subscribed Shares, nor were the Subscribed Shares offered to Subscriber, by any other means. Subscriber acknowledges that the Company represents and warrants that the Subscribed Shares (i) were not offered by any form of general solicitation or general advertising (within the meaning of Regulation D of the Securities Act) and (ii) are not being offered in a manner involving a public offering under, or in a distribution in violation of, the Securities Act, or any state securities laws.

(i) Subscriber acknowledges that it is aware that there are substantial risks incident to the purchase and ownership of the Subscribed Shares. Subscriber has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of an investment in the Subscribed Shares, and Subscriber has had an opportunity to seek, and has sought, such accounting, legal, business and tax advice as Subscriber has considered necessary to make an informed investment decision. Subscriber (i) is an institutional account as defined in FINRA Rule 4512(c), (ii) is a sophisticated investor, experienced in investing in private equity transactions and capable of evaluating investment risks independently, both in general and with regard to all transactions and investment strategies involving a security or securities, and (iii) has exercised independent judgment in evaluating its participation in the purchase of the Subscribed Shares. Part 800.244) will acquire a substantial interest in the Company as a result of the purchase and sale of Subscribed Shares hereunder such that a declaration to the Committee on Foreign Investment in the United States would be mandatory under 31 C.F.R. Part 800.401.

(n) If Subscriber is an employee benefit plan that is subject to Title I of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”), a plan, an individual retirement account or other arrangement that is subject to section 4975 of the Internal Revenue Code of 1986, as amended (the “Code”) or an employee benefit plan that is a governmental plan (as defined in section 3(32) of ERISA), a church plan (as defined in section 3(33) of ERISA), a non-U.S. plan (as described in section 4(b)(4) of ERISA) or other plan that is not subject to the foregoing but may be subject to provisions under any other federal, state, local, non-U.S. or other laws or regulations that are similar to such provisions of ERISA or the Code, or an entity whose underlying assets are considered to include “plan assets” of any such plan, account or arrangement (each, a “Plan”) subject to the fiduciary or prohibited transaction provisions of ERISA or section 4975 of the Code, Subscriber represents and warrants that (i) it has not relied on the Company or any of its affiliates (the “Transaction Parties”) for investment advice or as the Plan’s fiduciary with respect to its decision to acquire and hold the Subscribed Shares, and none of the Transaction Parties shall at any time be relied upon as the Plan’s fiduciary with respect to any decision to acquire, continue to hold or transfer the Subscribed Shares and (ii) the acquisition and holding of the Subscribed Shares will not result in a non-exempt prohibited transaction under ERISA or Section 4975 of the Code.

(o) Subscriber at the Closing will have sufficient funds to pay the Purchase Price pursuant to Section 2.

(p) Subscriber acknowledges that it is not relying upon, and has not relied upon, any statement, representation or warranty made by any person, firm or corporation (including, without limitation, the Company, MoneyLion or any of their respective affiliates or any of its or their respective control persons, officers, directors, employees, agents or representatives), other than the representations and warranties of the Company contained in Section 3 of this Subscription Agreement, in making its investment or decision to invest in the Company.

(q) No broker or finder has acted on behalf of the Subscriber in connection with the sale of the Subscribed Shares pursuant to this Subscription Agreement in such a way as to create any liability on the Company.

(r) Subscriber hereby agrees that neither it, nor any person or entity acting on its behalf or pursuant to any understanding with the Subscriber, shall, directly or indirectly, engage in any hedging activities or execute any Short Sales with respect to the securities of the Company prior to the Closing or the earlier termination of this Subscription Agreement in accordance with its terms (other than pledges in the ordinary course of business as part of prime brokerage arrangements). “Short Sales” shall include, without limitation, all “short sales” as defined in Rule 200 of Regulation SHO under the Exchange Act. Notwithstanding the foregoing, nothing in this Section 4(r) (i) shall restrict Subscriber’s ability to maintain bona fide hedging positions in respect of the Warrants of the Company held by the Subscriber as of the date hereof; (ii) shall prohibit any entities under common management or that share an investment advisor with Subscriber from entering into any short sales or engaging in other hedging transactions; and (iii) in the case of a Subscriber that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Subscriber’s assets, this Section 4(r) shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Subscription Amount covered by this Subscription Agreement. The Company acknowledges and agrees that, notwithstanding anything herein to the contrary, the Subscribed Shares may be pledged by Subscriber in connection with a bona fide margin agreement, provided that such pledge shall be (1) pursuant to an available exemption from the registration requirements of the Securities Act or (2) pursuant to, and in accordance with, a registration statement that is effective under the Securities Act at the time of such pledge, and Subscriber effecting a pledge of the Subscribed Shares shall

not be required to provide the Company with any notice thereof; provided, however, that neither the Company nor its counsel shall be required to take any action (or refrain from taking any action) in connection with any such pledge, other than providing any such lender of such margin agreement with an acknowledgment that the Subscribed Shares are not subject to any contractual lock up or prohibition on pledging, the form of such acknowledgment to be subject to review and comment by the Company in all respects.

(s) Except as expressly disclosed in a Schedule 13D or Schedule 13G (or amendments thereto) filed by Subscriber with the Commission with respect to the beneficial ownership of the Company's outstanding securities prior to the date hereof, Subscriber is not currently (and at all times through Closing will refrain from being or becoming) a member of a "group" (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Exchange Act, or any successor provision), including any group acting for the purpose of acquiring, holding or disposing of equity securities of the Company (within the meaning of Rule 13d-5(b)(1) under the Exchange Act).

(t) Subscriber acknowledges and agrees that no Placement Agent shall have any liability or obligation (including without limitation, for or with respect to any losses, claims, damages, obligations, penalties, judgments, awards, liabilities, costs, expenses or disbursements incurred by the Subscriber, the Company or any other person or entity), whether in contract, tort or otherwise, to the Subscriber, or to any person claiming through the Subscriber, in respect of the Transaction.

Section 5. Registration of Subscribed Shares.

(a) The Company agrees that, within thirty (30) calendar days following the Closing Date, the Company will file with the Commission (at the Company's sole cost and expense) a registration statement registering the resale of the Subscribed Shares (the "Registration Statement"), and the Company shall use its commercially reasonable efforts to have the Registration Statement declared effective as soon as practicable after the filing thereof, but in any event no later than sixty (60) calendar days after the Closing Date (the "Effectiveness Deadline"); provided, that the Effectiveness Deadline shall be extended to one hundred twenty (120) calendar days after the Closing Date if the Registration Statement is reviewed by, and comments thereto are provided from, the Commission; provided, further the Company shall have the Registration Statement declared effective within ten (10) Business Days after the date the Company is notified (orally or in writing, whichever is earlier) by the staff of the Commission that the Registration Statement will not be "reviewed" or will not be subject to further review; provided, further, that (i) if the Effectiveness Deadline falls on a Saturday, Sunday or other day that the Commission is closed for business, the Effectiveness Deadline shall be extended to the next Business Day on which the Commission is open for business and (ii) if the Commission is closed for operations due to a government shutdown, the Effectiveness Deadline shall be extended by the same number of Business Days that the Commission remains closed for. The Company shall provide a draft of the Registration Statement to the Subscriber for review at least two (2) Business Days in advance of the date of filing the Registration Statement with the Commission (the "Filing Date"), and Subscriber shall provide any comments on the Registration Statement to the Company no later than the day immediately preceding the Filing Date. Unless otherwise agreed to in writing by the Subscriber prior to the filing of the Registration Statement, the Subscriber shall not be identified as a statutory underwriter in the Registration Statement; provided, that if the Commission requests that Subscriber be identified as a statutory underwriter in the Registration Statement, Subscriber will have the opportunity to withdraw from the Registration Statement upon its prompt written request to the Company. Notwithstanding the foregoing, if the Commission prevents the Company from including any or all of the shares proposed to be registered under the Registration Statement due to limitations on the use of Rule 415 of the Securities Act for the resale of the Subscribed Shares by the applicable stockholders or otherwise, such Registration Statement shall register for resale such number of Subscribed Shares which is equal to the maximum number of Subscribed Shares as is permitted by the Commission. In such event, the number of Subscribed Shares or other shares to be registered for each selling stockholder named in the Registration Statement shall be reduced pro rata among all such selling stockholders and as promptly as practicable after being permitted to register additional shares under Rule 415 under the Securities Act, the Company shall amend the Registration Statement or file one or more new Registration Statement(s) (such amendment or new Registration Statement shall also be deemed to be "Registration Statement" hereunder) to register such additional Subscribed Shares and cause such amendment or Registration Statement(s) to become effective as promptly as practicable after the filing thereof, but in any event no later than thirty (30) calendar days after the filing of such Registration Statement (the "Additional Effectiveness Deadline"); provided, that the Additional Effectiveness Deadline shall be extended to one hundred twenty (120) calendar days after the filing of such Registration Statement if such Registration Statement is reviewed by, and comments thereto are provided from, the Commission; provided, further the Company shall have such Registration Statement declared effective within ten (10) Business Days after the date the Company is notified (orally or in writing, whichever is earlier) by the staff of the

[Table of Contents](#)

Commission that such Registration Statement will not be “reviewed” or will not be subject to further review; provided, further that (i) if such day falls on a Saturday, Sunday or other day that the Commission is closed for business, the Additional Effectiveness Deadline shall be extended to the next Business Day on which the Commission is open for business and (ii) if the Commission is closed for operations due to a government shutdown, the Effectiveness Deadline shall be extended by the same number of Business Days that the Commission remains closed for. Any failure by the Company to file a Registration Statement by the Effectiveness Deadline or Additional Effectiveness Deadline shall not otherwise relieve the Company of its obligations to file or effect a Registration Statement as set forth in this [Section 5](#).

(b) The Company agrees that, except for such times as the Company is permitted hereunder to suspend the use of the prospectus forming part of a Registration Statement, the Company will use its commercially reasonable efforts to cause such Registration Statement to remain effective with respect to Subscriber, including to prepare and file any post-effective amendment to such Registration Statement or a supplement to the related prospectus such that the prospectus will not include any untrue statement or a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, until the earlier of (i) three (3) years from the effective date of the Registration Statement, (ii) the date on which all of the Subscribed Shares shall have been sold or (iii) on the first date on which the Subscriber can sell all of its Subscribed Shares (or shares received in exchange therefor) under Rule 144 of the Securities Act without limitation as to the manner of sale or the amount of such securities that may be sold and without the requirement for the Company to be in compliance with the current public information required under Rule 144(c)(1) (or Rule 144(i)(2), if applicable) and the Company shall use its commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of any Registration Statement as soon as reasonably practicable. For so long as the Registration Statement shall remain effective, the Company will use commercially reasonable efforts to file all reports, and provide all customary and reasonable cooperation, necessary to enable Subscriber to resell Subscribed Shares pursuant to the Registration Statement, qualify the Subscribed Shares for listing on the applicable stock exchange on which the Company’s Common Stock are then listed and update or amend the Registration Statement as necessary to include Subscribed Shares. The Company will use its commercially reasonable efforts to, for so long as the Subscriber holds Subscribed Shares, make and keep public information available (as those terms are understood and defined in Rule 144) and file with the Commission in a timely manner all reports and other documents required of the Company under the Exchange Act so long as the Company remains subject to such requirements to enable the Subscriber to resell the Subscribed Shares pursuant to Rule 144. The Subscriber agrees to disclose its beneficial ownership, as determined in accordance with Rule 13d-3 of the Exchange Act, of Subscribed Shares to the Company (or its successor) upon reasonable request to assist the Company in making the determination described above.

(c) The Company’s obligations to include the Subscribed Shares in the Registration Statement are contingent upon Subscriber furnishing in writing to the Company a completed selling stockholder questionnaire in customary form that contains such information regarding Subscriber, the securities of the Company held by Subscriber and the intended method of disposition of the Subscribed Shares as shall be reasonably requested by the Company to effect the registration of the Subscribed Shares, and Subscriber shall execute such documents in connection with such registration as the Company may reasonably request that are customary of a selling stockholder in similar situations, including providing that the Company shall be entitled to postpone and suspend the effectiveness or use of the Registration Statement (i) during any customary blackout or similar period or as permitted hereunder and (ii) as may be necessary in connection with the preparation and filing of a post-effective amendment to the Registration Statement following the filing of the Company’s Annual Report on Form 10-K for its first completed fiscal year following the effective date of the Registration Statement; provided, that the Company shall request such information from Subscriber, including the selling stockholder questionnaire, at least five (5) Business Days prior to the anticipated filing date of the Registration Statement; and provided, further, under no circumstances shall Subscriber be required to sign any type of lock-up agreement. In the case of the registration effected by the Company pursuant to this Subscription Agreement, the Company shall, upon reasonable request, inform Subscriber as to the status of such registration. Subscriber shall not be entitled to use the Registration Statement for an underwritten offering of Subscribed Shares. Notwithstanding anything to the contrary contained herein, the Company may delay or postpone filing of such Registration Statement, and from time to time require Subscriber not to sell under the Registration Statement or suspend the use or effectiveness of any such Registration Statement if it determines in good faith that in order for the registration statement to not contain a material misstatement or omission, an amendment thereto would be needed, or if such filing or use would reasonably be expected to materially affect a bona fide business or financing transaction of the Company or would reasonably be expected to require premature disclosure of information that would materially adversely affect the Company (each such circumstance, a “Suspension Event”);

[Table of Contents](#)

provided, that, (w) the Company shall not so delay filing or so suspend the use of the Registration Statement for a period of more than sixty (60) consecutive days or more than two (2) times in any three hundred sixty (360) day period, and (x) the Company shall use commercially reasonable efforts to make such registration statement available for the sale by the Subscriber of such securities as soon as practicable thereafter.

(d) Upon receipt of any written notice from the Company (which notice shall not contain any material non-public information regarding the Company and which notice shall not be subject to any duty of confidentiality) of the happening of (i) an issuance by the Commission of any stop order suspending the effectiveness of any Registration Statement or the initiation of any proceedings for such purpose, which notice shall be given no later than three (3) Business Days from the date of such event, (ii) any Suspension Event during the period that the Registration Statement is effective, which notice shall be given no later than three (3) Business Days from the date of such Suspension Event, or (iii) or if as a result of a Suspension Event the Registration Statement or related prospectus contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made (in the case of the prospectus) not misleading, the Subscriber agrees that (1) it will immediately discontinue offers and sales of the Subscribed Shares under the Registration Statement (excluding, for the avoidance of doubt, sales conducted pursuant to Rule 144) until the Subscriber receives copies of a supplemental or amended prospectus (which the Company agrees to promptly prepare) that corrects the misstatement(s) or omission(s) referred to above and receives notice that any post-effective amendment has become effective or unless otherwise notified by the Company that it may resume such offers and sales, and (2) it will maintain the confidentiality of any information included in such written notice delivered by the Company unless otherwise required by law, subpoena or regulatory request or requirement. If so directed by the Company, the Subscriber will deliver to the Company or, in the Subscriber's sole discretion destroy, all copies of the prospectus covering the Subscribed Shares in the Subscriber's possession; provided, however, that this obligation to deliver or destroy all copies of the prospectus covering the Subscribed Shares shall not apply (w) to the extent the Subscriber is required to retain a copy of such prospectus (A) in order to comply with applicable legal, regulatory, self-regulatory or professional requirements or (B) in accordance with a bona fide pre-existing document retention policy or (x) to copies stored electronically on archival servers as a result of automatic data back-up.

(e) Subscriber may deliver written notice (an "Opt-Out Notice") to the Company requesting that Subscriber not receive notices from the Company otherwise required by this Section 5; provided, however, that Subscriber may later revoke any such Opt-Out Notice in writing. Following receipt of an Opt-Out Notice from Subscriber (unless subsequently revoked), (i) the Company shall not deliver any such notices to Subscriber and Subscriber shall no longer be entitled to the rights associated with any such notice and (ii) each time prior to Subscriber's intended use of an effective Registration Statement, Subscriber will notify the Company in writing at least two (2) business days in advance of such intended use, and if a notice of a Suspension Event was previously delivered (or would have been delivered but for the provisions of this Section 5(e)) and the related suspension period remains in effect, the Company will so notify Subscriber, within one (1) business day of Subscriber's notification to the Company, by delivering to Subscriber a copy of such previous notice of Suspension Event, and thereafter will provide Subscriber with the related notice of the conclusion of such Suspension Event promptly following its availability

(f) For purposes of this Section 5 of this Subscription Agreement, (i) "Subscribed Shares" shall mean, as of any date of determination, the Subscribed Shares (as defined in the recitals to this Subscription Agreement) and any other equity security issued or issuable with respect to the Subscribed Shares by way of share split, dividend, distribution, recapitalization, merger, exchange, or replacement, and (ii) "Subscriber" shall include any affiliate of the Subscriber to which the rights under this Section 5 shall have been duly assigned.

(g) The Company shall indemnify and hold harmless Subscriber (to the extent a seller under the Registration Statement), the officers, directors, members, managers, partners, agents, investment advisors and employees of Subscriber, each person who controls Subscriber (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) and the officers, directors, members, managers, partners, agents and employees of each such controlling person, to the fullest extent permitted by applicable law, from and against any and all losses, claims, damages, liabilities, costs (including, without limitation, reasonable attorneys' fees) and expenses (collectively, "Losses") that arise out of or are based upon any untrue or alleged untrue statement of a material fact contained in the Registration Statement, any prospectus included in the Registration Statement or any form of prospectus or in any amendment or supplement thereto or in any preliminary prospectus, or arising out of or relating to any omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein (in the case of any prospectus or form of prospectus or supplement thereto, in light of

[Table of Contents](#)

the circumstances under which they were made) not misleading, except to the extent that untrue statements, alleged untrue statements, omissions or alleged omissions are based upon information regarding Subscriber furnished in writing to the Company by or on behalf of Subscriber expressly for use therein or Subscriber has omitted a material fact from such information, provided that the Company has given notice of such event to the Subscriber in accordance with the terms of this Agreement. The Company shall notify Subscriber promptly of the institution, threat or assertion of any proceeding arising from or in connection with the transactions contemplated by this Section 5 of which the Company is aware. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of an indemnified party and shall survive the transfer of the Subscribed Shares by Subscriber. Notwithstanding the forgoing, the Company's indemnification obligations shall not apply to amounts paid in settlement of any Losses or action if such settlement is effected without the prior written consent of the Company (which consent shall not be unreasonably withheld or delayed).

(h) Subscriber shall, severally and not jointly with any Other Subscriber in the offering contemplated by this Subscription Agreement or selling stockholder named in the Registration Statement, indemnify and hold harmless the Company, its directors, officers, agents and employees, each person who controls the Company (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act), and the directors, officers, agents or employees of such controlling persons, to the fullest extent permitted by applicable law, from and against all Losses arising out of or based upon any untrue or alleged untrue statement of a material fact contained in any Registration Statement, any prospectus included in the Registration Statement, or any form of prospectus, or in any amendment or supplement thereto or in any preliminary prospectus, or arising out of or relating to any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of any prospectus, or any form of prospectus or supplement thereto, in light of the circumstances under which they were made) not misleading to the extent, but only to the extent, that such untrue statements, alleged untrue statements, omissions or alleged omissions are based upon information regarding Subscriber furnished in writing to the Company by or on behalf of Subscriber expressly for use therein and that Subscriber has received notice from the Company of such Suspension Event in accordance with the terms of this Agreement. In no event shall the liability of Subscriber be greater in amount than the dollar amount of the net proceeds received by Subscriber upon the sale of the Subscribed Shares giving rise to such indemnification obligation. Notwithstanding the forgoing, Subscriber indemnification obligations shall not apply to amounts paid in settlement of any Losses or action if such settlement is effected without the prior written consent of Subscriber (which consent shall not be unreasonably withheld or delayed).

(i) Any person or entity entitled to indemnification herein shall (i) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that the failure to give prompt notice shall not impair any person's or entity's right to indemnification hereunder to the extent such failure has not prejudiced the indemnifying party) and (ii) unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist with respect to such claim, permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party shall not be subject to any liability for any settlement made by the indemnified party without its consent (but such consent shall not be unreasonably withheld, conditioned or delayed). An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one counsel for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of any indemnified party a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such claim. No indemnifying party shall, without the consent of the indemnified party, consent to the entry of any judgment or enter into any settlement which cannot be settled in all respects by the payment of money (and such money is so paid by the indemnifying party pursuant to the terms of such settlement), which settlement shall not include a statement or admission of fault and culpability on the part of such indemnified party, and which settlement shall include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.

(j) The indemnification provided for under this Subscription Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director or controlling person or officer of such indemnified party and shall survive the transfer of securities.

(k) If the indemnification provided under this Section 5 from the indemnifying party is unavailable or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities and expenses referred to herein, then the indemnifying party, in lieu of indemnifying the indemnified party, shall contribute to the

amount paid or payable by the indemnified party as a result of such losses, claims, damages, liabilities and expenses in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party, as well as any other relevant equitable considerations; provided, however, that the liability of the Subscriber shall be limited to the net proceeds received by such Subscriber from the sale of Subscribed Shares giving rise to such indemnification obligation. The relative fault of the indemnifying party and indemnified party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, was made by (or not made by, in the case of an omission), or relates to information supplied by (or not supplied by, in the case of an omission), such indemnifying party or indemnified party, and the indemnifying party's and indemnified party's relative intent, knowledge, access to information and opportunity to correct or prevent such action. The amount paid or payable by a party as a result of the losses or other liabilities referred to above shall be deemed to include, subject to the limitations set forth in this Section 5, any legal or other fees, charges or expenses reasonably incurred by such party in connection with any investigation or proceeding. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution pursuant to this Section 5(k) from any person or entity who was not guilty of such fraudulent misrepresentation.

(l) In addition, in connection with any sale, assignment, transfer or other disposition of the Subscribed Shares by the Subscriber pursuant to Rule 144 or pursuant to any other exemption under the Securities Act such that the Subscribed Shares held by the Subscriber become freely tradable and upon compliance by the Subscriber with the requirements of this Subscription Agreement, if requested by the Subscriber, the Company shall use commercially reasonable efforts to cause the transfer agent for the Subscribed Shares (the "Transfer Agent") to remove any restrictive legends related to the book entry account holding such Subscribed Shares and make a new, unlegended entry for such book entry Subscribed Shares sold or disposed of without restrictive legends within three (3) trading days of any such request therefor from the Subscriber, provided that the Company and the Transfer Agent have timely received from the Subscriber customary representations and other documentation reasonably acceptable to the Company and the Transfer Agent in connection therewith. Subject to receipt from the Subscriber by the Company and the Transfer Agent of customary representations and other documentation reasonably acceptable to the Company and the Transfer Agent in connection therewith, including, if required by the Transfer Agent, an opinion of the Company's counsel, in a form reasonably acceptable to the Transfer Agent, to the effect that the removal of such restrictive legends in such circumstances may be effected under the Securities Act, the Subscriber may request that the Company remove any legend from the book entry position evidencing its Subscribed Shares following the earliest of such time as such Subscribed Shares (i) (x) are subject to or (y) have been or are about to be sold or transferred pursuant to an effective registration statement, (ii) have been or are about to be sold pursuant to Rule 144, or (iii) are eligible for resale under Rule 144(b)(1) or any successor provision without the requirement for the Company to be in compliance with the current public information requirement under Rule 144 and without volume or manner-of-sale restrictions applicable to the sale or transfer of such Subscribed Shares. If restrictive legends are no longer required for such Subscribed Shares pursuant to the foregoing, the Company shall, in accordance with the provisions of this Section 5(l) and within two (2) trading days of any request therefor from the Subscriber accompanied by such customary and reasonably acceptable representations and other documentation referred to above establishing that restrictive legends are no longer required, deliver to the Transfer Agent irrevocable instructions that the Transfer Agent shall make a new, unlegended entry for such book entry Subscribed Shares. The Company shall be responsible for the fees of its Transfer Agent and all DTC fees associated with such issuance.

Section 6. Termination. This Subscription Agreement shall terminate and be void and of no further force and effect, and all rights and obligations of the parties hereunder shall terminate without any further liability on the part of any party in respect thereof, upon the earliest to occur of (a) such date and time as the Merger Agreement is terminated in accordance with its terms, (b) upon the mutual written agreement of the parties hereto to terminate this Subscription Agreement, (c) if any of the conditions to Closing set forth in Section 2 of this Subscription Agreement are not satisfied on or prior to the Closing Date, and (d) November 11, 2021, if the Closing has not occurred by such date; provided, that nothing herein will relieve any party from liability for any willful breach hereof prior to the time of termination, and each party will be entitled to any remedies at law or in equity to recover losses, liabilities or damages arising from such breach. The Company shall notify Subscriber of the termination of the Merger Agreement promptly after the termination thereof. Upon the termination hereof in accordance with this Section 6, any monies paid by Subscriber to the Company in connection herewith shall promptly (and in any event within one (1) Business Day) be returned in full to Subscriber by wire transfer of U.S. dollars in immediately available funds to the account specified by Subscriber, without any deduction for or on account of any tax withholding, charges or set-off, whether or not the Transaction shall have been consummated.

Section 7. Trust Account Waiver. Subscriber hereby acknowledges that, as described in the Company's prospectus relating to its initial public offering (the "IPO") dated June 25, 2020 available at www.sec.gov, the Company has established a trust account (the "Trust Account") containing the proceeds of IPO and from certain private placements occurring simultaneously with the IPO (including interest accrued from time to time thereon) for the benefit of the Company, its public stockholders and certain other parties (including the underwriters of the IPO). For and in consideration of the Company entering into this Subscription Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Subscriber hereby (a) agrees that it does not now and shall not at any time hereafter have any right, title, interest or claim of any kind in or to any assets held in the Trust Account, and shall not make any claim against the Trust Account, arising out or as a result of, in connection with or relating in any way to this Subscription Agreement, and regardless of whether such claim arises based on contract, tort, equity or any other theory of legal liability (any and all such claims are collectively referred to hereafter as the "Released Claims"), (b) irrevocably waives any Released Claims that it may have against the Trust Account now or in the future as a result of, or arising out of, this Subscription Agreement, and (c) will not seek recourse against the Trust Account as a result of, in connection with or relating in any way to this Subscription Agreement; provided, however, that nothing in this Section 7 shall (i) serve to limit or prohibit Subscriber's right to pursue a claim against the Company for legal relief against assets held outside the Trust Account (so long as such claim would not affect the Company's ability to fulfill its obligation to effectuate any redemption right with respect to any securities of the Company), for specific performance or other equitable relief, (ii) serve to limit or prohibit any claims that the Subscriber may have in the future against the Company's assets or funds that are not held in the Trust Account (including any funds that have been released from the Trust Account and any assets that have been purchased or acquired with any such funds) (so long as such claim would not affect the Company's ability to fulfill its obligation to effectuate any redemption right with respect to any securities of the Company) or (iii) be deemed to limit Subscriber's right to distributions from the Trust Account in accordance with the Company's certificate of incorporation in respect of any redemptions by Subscriber in respect of Class A Common Stock acquired by any means other than pursuant to this Subscription Agreement.

Section 8. Miscellaneous.

(a) All notices, requests, demands, claims, and other communications hereunder shall be in writing. (c) Each of the Company, the Placement Agents and Subscriber is irrevocably authorized to produce this Subscription Agreement or a copy hereof to any interested party in any administrative or legal proceeding or official inquiry with respect to the matters covered hereby.

(d) Each party hereto shall pay all of its own expenses in connection with this Subscription Agreement and the transactions contemplated herein.

(e) Neither this Subscription Agreement nor any rights that may accrue to Subscriber hereunder (other than the Subscribed Shares acquired hereunder and the rights set forth in [Section 5](#)) may be transferred or assigned by Subscriber. Neither this Subscription Agreement nor any rights that may accrue to the Company hereunder may be transferred or assigned by the Company. Notwithstanding the foregoing, Subscriber may assign its rights and obligations under this Subscription Agreement to one or more of its affiliates (including other investment funds or accounts managed or advised by the investment manager who acts on behalf of Subscriber) or, with the Company's prior written consent, to another person; provided, that in the case of any such assignment, the assignee(s) shall become a Subscriber hereunder and have the rights and obligations and be deemed to make the representations and warranties of Subscriber provided for herein to the extent of such assignment and provided further that no such assignment shall relieve the assigning Subscriber of its obligations hereunder if any such assignee fails to perform such obligations, unless the Company has given its prior written consent to such relief.

(f) All the agreements, representations and warranties made by each party hereto in this Subscription Agreement shall survive the Closing.

(g) The Company may request from Subscriber such additional information as the Company may reasonably deem necessary to evaluate the eligibility of Subscriber to acquire the Subscribed Shares and to register the Subscribed Shares for resale, and Subscriber shall promptly provide such information as may be reasonably requested, to the extent readily available and to the extent consistent with its internal policies and procedures; *provided*, that the Company agrees to keep any such information provided by Subscriber confidential, except (A) as required by the federal securities laws, rules or regulations and (B) to the extent such disclosure is required by other laws, rules or regulations, at the request of the staff of the Commission or regulatory agency or under the regulations of the Stock Exchange. Subscriber acknowledges that the Company may file a form of this Subscription Agreement with the Commission as an exhibit to a current or periodic report of the Company or a registration statement of the Company.

(h) This Subscription Agreement may not be amended, modified or waived except by an instrument in writing, signed by each of the parties hereto.

(i) This Subscription Agreement constitutes the entire agreement, and supersedes all other prior agreements, understandings, representations and warranties, both written and oral, among the parties, with respect to the subject matter hereof.

(j) Except as otherwise provided herein, this Subscription Agreement is intended for the benefit of the parties hereto and their heirs, executors, administrators, successors, legal representatives, and permitted assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other person. Except as set forth in [Section 5](#), [Section 8\(b\)](#), [Section 8\(c\)](#) and this [Section 8\(j\)](#) with respect to the persons specifically referenced therein, this Subscription Agreement shall not confer any rights or remedies upon any person other than the parties hereto, and their respective successors and assigns, and the parties hereto acknowledge that such persons so referenced are third party beneficiaries of this Subscription Agreement for the purposes of, and to the extent of, the rights granted to them, if any, pursuant to the applicable provisions.

(k) Each of the Company and Subscriber further acknowledge and agree that the Placement Agents are third-party beneficiaries of the representations and warranties of the Company and of the Subscriber contained in this Subscription Agreement.

(l) The parties hereto acknowledge and agree that irreparable damage would occur in the event that any of the provisions of this Subscription Agreement were not performed in accordance with their specific terms or were otherwise breached and that money or other legal remedies would not be an adequate remedy for such damage. It is accordingly agreed that the parties shall be entitled to equitable relief, including in the form of an injunction or injunctions to prevent breaches or threatened breaches of this Subscription Agreement and to enforce specifically the terms and provisions of this Subscription Agreement, this being in addition to any other remedy to which such party is entitled at law, in equity, in contract, in tort or otherwise. The parties hereto further acknowledge and agree: (x) to

waive any requirement for the security or posting of any bond in connection with any such equitable remedy; (y) not to assert that a remedy of specific enforcement pursuant to this Section 8(l) is unenforceable, invalid, contrary to applicable law or inequitable for any reason; and (z) to waive any defenses in any action for specific performance, including the defense that a remedy at law would be adequate.

(m) If any provision of this Subscription Agreement shall be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions of this Subscription Agreement shall not in any way be affected or impaired thereby and shall continue in full force and effect.

(n) No failure or delay by a party hereto in exercising any right, power or remedy under this Subscription Agreement, and no course of dealing between the parties hereto, shall operate as a waiver of any such right, power or remedy of such party. No single or partial exercise of any right, power or remedy under this Subscription Agreement by a party hereto, nor any abandonment or discontinuance of steps to enforce any such right, power or remedy, shall preclude such party from any other or further exercise thereof or the exercise of any other right, power or remedy hereunder. The election of any remedy by a party hereto shall not constitute a waiver of the right of such party to pursue other available remedies. No notice to or demand on a party not expressly required under this Subscription Agreement shall entitle the party receiving such notice or demand to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the party giving such notice or demand to any other or further action in any circumstances without such notice or demand.

(o) This Subscription Agreement may be executed and delivered in one or more counterparts (including by electronic mail, in .pdf or other electronic submission) and by different parties in separate counterparts, with the same effect as if all parties hereto had signed the same document. All counterparts so executed and delivered shall be construed together and shall constitute one and the same agreement.

(p) This Subscription Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to the principles of conflicts of laws that would otherwise require the application of the law of any other state.

(q) EACH PARTY AND ANY PERSON ASSERTING RIGHTS AS A THIRD PARTY BENEFICIARY HEREBY WAIVES ITS RESPECTIVE RIGHTS TO A TRIAL BY JURY OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OR RELATED TO THIS SUBSCRIPTION AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY IN ANY ACTION, PROCEEDING OR OTHER LITIGATION OF ANY TYPE BROUGHT BY ANY PARTY AGAINST ANY OTHER PARTY OR ANY AFFILIATE OF ANY OTHER SUCH PARTY, WHETHER WITH RESPECT TO CONTRACT CLAIMS, TORT CLAIMS OR OTHERWISE. THE PARTIES AGREE THAT ANY SUCH CLAIM OR CAUSE OF ACTION SHALL BE TRIED BY A COURT TRIAL WITHOUT A JURY. WITHOUT LIMITING THE FOREGOING, THE PARTIES FURTHER AGREE THAT THEIR RESPECTIVE RIGHT TO A TRIAL BY JURY IS WAIVED BY OPERATION OF THIS SECTION AS TO ANY ACTION, COUNTERCLAIM OR OTHER PROCEEDING WHICH SEEKS, IN WHOLE OR IN PART, TO CHALLENGE THE VALIDITY OR ENFORCEABILITY OF THIS SUBSCRIPTION AGREEMENT OR ANY PROVISION HEREOF. THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS SUBSCRIPTION AGREEMENT.

(r) The parties agree that all disputes, legal actions, suits and proceedings arising out of or relating to this Subscription Agreement must be brought exclusively in the Court of Chancery of the State of Delaware and any state appellate court therefrom within the State of Delaware (or, if the Court of Chancery of the State of Delaware declines to accept jurisdiction over a particular matter, any federal court within the State of Delaware or, in the event each federal court within the State of Delaware declines to accept jurisdiction over a particular matter, any state court within the State of Delaware) (collectively the "Designated Courts"). Each party hereby consents and submits to the exclusive jurisdiction of the Designated Courts. No legal action, suit or proceeding with respect to this Subscription Agreement may be brought in any other forum. Each party hereby irrevocably waives all claims of immunity from jurisdiction, and any objection which such party may now or hereafter have to the laying of venue of any suit, action or proceeding in any Designated Court, including any right to object on the basis that any dispute, action, suit or proceeding brought in the Designated Courts has been brought in an improper or inconvenient forum or venue. Each of the parties also agrees that delivery of any process, summons, notice or document to a party hereof in compliance with Section 8(a) of this Subscription Agreement shall be effective service of process for any action, suit or proceeding in a Designated Court with respect to any matters to which the parties have submitted to jurisdiction as set forth above.

[Table of Contents](#)

(s) This Subscription Agreement may only be enforced against, and any claim, action, suit or other legal proceeding based upon, arising out of, or related to this Subscription Agreement, or the negotiation, execution or performance of this Subscription Agreement, may only be brought against the entities that are expressly named as parties hereto.

(t) The Company shall, by 9:00 a.m., New York City time, on the first (F) Business Day immediately following the date of this Subscription Agreement, file with the Commission a Current Report on Form 8-K (the "Disclosure Document") disclosing all material terms of this Subscription Agreement and the Other Subscription Agreements and the transactions contemplated hereby and thereby, the Transaction and any other material, nonpublic information that the Company has provided to Subscriber or any of Subscriber's affiliates, attorneys, agents or representatives at any time prior to the filing of the Disclosure Document and including as exhibits to the Disclosure Document, the form of this Subscription Agreement and the Other Subscription Agreement (in each case, without redaction). Upon the issuance of the Disclosure Document, to the Company's knowledge, Subscriber and Subscriber's affiliates, attorneys, agents and representatives shall not be in possession of any material, non-public information received from the Company or any of its affiliates, officers, directors, or employees or agents, and Subscriber shall no longer be subject to any confidentiality or similar obligations under any current agreement, whether written or oral with the Company, the Placement Agents or any of their respective affiliates. Notwithstanding anything in this Subscription Agreement to the contrary, the Company (i) shall not publicly disclose the name of Subscriber or any of its affiliates or advisers, or include the name of Subscriber or any of its affiliates or advisers in any press release, without the prior written consent of Subscriber and (ii) shall not publicly disclose the name of the Subscriber or any of its affiliates or advisers, or include the name of the Subscriber or any of its affiliates or advisers in any filing with the Commission or any regulatory agency or trading market, without the prior written consent of Subscriber, except (A) as required by the federal securities laws, rules or regulations and (B) to the extent such disclosure is required by other laws, rules or regulations, at the request of the staff of the Commission or regulatory agency or under the regulations of the Stock Exchange, in which case of clause (A) or (B), the Company shall provide the Subscriber with prior written notice (including by e-mail) of such permitted disclosure, and shall reasonably consult with the Subscriber regarding such disclosure. Subscriber will promptly provide any information reasonably requested by the Company for any regulatory application or filing made or approval sought in connection with the Transaction (including filings with the Commission).

(u) The obligations of Subscriber under this Subscription Agreement are several and not joint with the obligations of any Other Subscriber or any other investor under the Other Subscription Agreements, and Subscriber shall not be responsible in any way for the performance of the obligations of any Other Subscriber under this Subscription Agreement or any Other Subscriber or other investor under the Other Subscription Agreements. The decision of Subscriber to purchase Subscribed Shares pursuant to this Subscription Agreement has been made by Subscriber independently of any Other Subscriber or any other investor and independently of any information, materials, statements or opinions as to the business, affairs, operations, assets, properties, liabilities, results of operations, condition (financial or otherwise) or prospects of the Company, MoneyLion or any of their respective subsidiaries which may have been made or given by any Other Subscriber or investor or by any agent or employee of any Other Subscriber or investor, and neither Subscriber nor any of its agents or employees shall have any liability to any Other Subscriber or investor (or any other person) relating to or arising from any such information, materials, statements or opinions. Nothing contained herein or in any Other Subscription Agreement, and no action taken by Subscriber or Other Subscriber or other investor pursuant hereto or thereto, shall be deemed to constitute Subscriber and any Other Subscribers or other investors as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that Subscriber and any Other Subscribers or other investors are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by this Subscription Agreement and the Other Subscription Agreements. Subscriber acknowledges that no Other Subscriber has acted as agent for Subscriber in connection with making its investment hereunder and no Other Subscriber will be acting as agent of Subscriber in connection with monitoring its investment in the Subscribed Shares or enforcing its rights under this Subscription Agreement. Subscriber shall be entitled to independently protect and enforce its rights, including without limitation the rights arising out of this Subscription Agreement, and it shall not be necessary for any Other Subscriber or investor to be joined as an additional party in any proceeding for such purpose.

(v) The headings herein are for convenience only, do not constitute a part of this Subscription Agreement and shall not be deemed to limit or affect any of the provisions hereof. The language used in this Subscription Agreement will be deemed to be the language chosen by the parties hereto to express their mutual intent, and no rules of strict construction will be applied against any party. Unless the context otherwise requires, (i) all references to Sections,

Section 1. *Purpose.* The purpose of the MoneyLion Inc. Omnibus Incentive Plan (as amended from time to time, the “**Plan**”) is to promote the long-term success of MoneyLion Inc., a Delaware corporation (the “**Company**”) by motivating employees and other individuals to perform at the highest level and contributing significantly to the success of the Company, thereby furthering the best interests of the Company and its shareholders. The Plan shall serve as the primary plan under which equity-based incentives are awarded on a worldwide basis to Participants.

Section 2. *Definitions.* As used in the Plan, the following terms shall have the meanings set forth below:

(a) “**Affiliate**” means any entity that, directly or indirectly through one or more intermediaries controls, is controlled by or is under common control with, the Company.

(c) “**Award Agreement**” means any agreement, contract or other instrument or document (including in electronic form) evidencing any Award granted under the Plan, which may, but need not, be executed or acknowledged by a Participant.

(d) “**Beneficial Owner**” has the meaning ascribed to such term in Rule 13d-3 under the Exchange Act.

(e) “**Beneficiary**” means a Person entitled to receive payments or other benefits or exercise rights that are available under the Plan in the event of a Participant’s death. If no such Person can be named or is named by a Participant, or if no Beneficiary designated by a Participant is eligible to receive payments or other benefits or exercise rights that are available under the Plan at a Participant’s death, such Participant’s Beneficiary shall be such Participant’s estate.

(f) “**Board**” means the Board of Directors of the Company.

(g) “**Cause**” is as defined in Participant’s Service Agreement, if any, or Award Agreement or, if not so defined, means: (i) any theft, fraud, embezzlement, dishonesty, willful misconduct, breach of fiduciary duty for personal profit, falsification of any documents or records of the Company or any of its Affiliates, felony or similar act by Participant (whether or not related to Participant’s relationship with the Company); (ii) an act of moral turpitude by Participant, or any act that causes significant injury to, or is otherwise adversely affecting, the reputation, business, assets, operations or business relationship of the Company (or a Subsidiary or Affiliate, when applicable); (iii) any breach by Participant of any material agreement with or of any material duty of Participant to the Company or any Subsidiary or Affiliate thereof (including breach of confidentiality, non-disclosure, non-use non-competition or non-solicitation covenants towards the Company or any of its Affiliates) or failure to abide by code of conduct or other policies (including, without limitation, policies relating to confidentiality and reasonable workplace conduct); or (iv) any act which constitutes a breach of a Participant’s fiduciary duty towards the Company or an Affiliate or Subsidiary, including disclosure of confidential or proprietary information thereof or acceptance or solicitation to receive unauthorized or undisclosed benefits, irrespective of their nature, or funds, or promises to receive either, from individuals, consultants or corporate entities that the Company or a Subsidiary does business with; (v) Participant’s unauthorized use, misappropriation, destruction, or diversion of any tangible or intangible asset or corporate opportunity of the Company or any of its Affiliates (including, without limitation, the improper use or disclosure of confidential or proprietary information); or (vi) any circumstances that constitute grounds for termination for cause under Participant’s Service Agreement with the Company or Affiliate, to the extent applicable. For the avoidance of doubt, the determination as to whether a termination is for Cause for purposes of this Plan, shall be made in good faith by the Committee and shall be final and binding on Participant.

(h) “**Change in Control**” means the occurrence of any one or more of the following events:

(i) any Person, other than (A) any employee plan established by the Company or any Subsidiary, (B) the Company or any of its Affiliates, (C) an underwriter temporarily holding securities pursuant to an offering of such securities, or (D) an entity owned, directly or indirectly, by shareholders of the Company in substantially the same proportions as their ownership of the Company, is (or becomes, during any 12-month period) the Beneficial Owner, directly or indirectly, of securities of the Company (not including in the securities beneficially owned by such Person any securities acquired directly from the Company or its Affiliates other than in connection with the acquisition by the Company or its Affiliates of a business) representing 50% or more of the total voting power of the stock of the Company; *provided* that the provisions of this subsection (i) are not intended to apply to or include as a Change in Control any transaction that is specifically excepted from the definition of Change in Control under subsection (iii) below;

(ii) a change in the composition of the Board such that, during any 12-month period, the individuals who, as of the beginning of such period, constitute the Board (the “**Existing Board**”) cease for any reason to constitute at least 50% of the Board; *provided, however*, that any individual becoming a member of the Board subsequent to the beginning of such period whose election, or nomination for election by the Company’s shareholders, was approved by a vote of at least a majority of the Directors immediately prior to the date of such appointment or election shall be considered as though such individual were a member of the Existing Board; *provided further*, that, notwithstanding the foregoing, no individual whose initial assumption of office occurs as a result of either an actual or threatened election contest (as such terms are used in Rule 14a-11 or Regulation 14A promulgated under the Exchange Act or successor statutes or rules containing analogous concepts) or other actual or threatened solicitation of proxies or consents by or on behalf of an individual, corporation, partnership, group, associate or other entity or Person other than the Board, shall in any event be considered to be a member of the Existing Board;

(iii) the consummation of a merger, amalgamation or consolidation of the Company with any other corporation or other entity, or the issuance of voting securities in connection with such a transaction pursuant to applicable stock exchange requirements; *provided* that immediately following such transaction the voting securities of the Company outstanding immediately prior thereto do not continue to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity of such transaction or parent entity thereof) 50% or more of the total voting power of the Company’s stock (or, if the Company is not the surviving entity of such merger or consolidation, 50% or more of the total voting power and total fair market value of the stock of such surviving entity or parent entity thereof); and *provided, further*, that such a transaction effected to implement a recapitalization of the Company (or similar transaction) in which no Person is or becomes the Beneficial Owner, directly or indirectly, of securities of the Company (not including in the securities beneficially owned by such Person any securities acquired directly from the Company or its Affiliates other than in connection with the acquisition by the Company or its Affiliates of a business) representing 50% or more of either the then-outstanding Shares or the combined voting power and total fair market value of the Company’s then-outstanding voting securities shall not be considered a Change in Control; or

(iv) the sale or disposition by the Company of all or substantially all of the Company’s assets in which any Person acquires (or has acquired during the 12-month period ending on the date of the most recent acquisition by such Person) assets from the Company that have a total gross fair market value equal to more than 50% of the total gross fair market value of all of the assets of the Company immediately prior to such acquisition or acquisitions.

Notwithstanding the foregoing, (A) no Change in Control shall be deemed to have occurred if there is consummated any transaction or series of integrated transactions immediately following which the record holders of the Shares immediately prior to such transaction or series of transactions continue to have substantially the same proportionate ownership in an entity which owns substantially all of the assets of the Company immediately prior to such transaction or series of transactions and (B) no Change in Control shall be deemed to have occurred upon the acquisition of additional control of the Company by any Person that is considered to effectively control the Company. In no event will a Change in Control be deemed to have occurred if any Participant is part of a “group” within the meaning of Section 13(d)(3) of the Exchange Act that effects a Change in Control. Notwithstanding the foregoing or any provision of any Award Agreement to the contrary, for any Award that provides for accelerated distribution on a Change in Control of amounts that constitute “deferred compensation” (as defined in Section 409A

[Table of Contents](#)

of the Code), if the event that constitutes such Change in Control does not also constitute a change in the ownership or effective control of the Company, or in the ownership of a substantial portion of the Company's assets (in either case, as defined in Section 409A of the Code), such amount shall not be distributed on such Change in Control but instead shall vest as of such Change in Control and shall be distributed on the scheduled payment date specified in the applicable Award Agreement, except to the extent that earlier distribution would not result in the Participant who holds such Award incurring interest or additional tax under Section 409A of the Code.

(i) "**Code**" means the Internal Revenue Code of 1986, as amended from time to time, and the rules, regulations and guidance thereunder. Any reference to a provision in the Code shall include any successor provision thereto.

(j) "**Committee**" means the compensation committee of the Board unless another committee is designated by the Board. If there is no compensation committee of the Board and the Board does not designate another committee, references herein to the "Committee" shall refer to the Board.

(k) "**Consultant**" means any individual, including an advisor, who is providing *bona fide* services to the Company or any Subsidiary or who has accepted an offer of service or consultancy from the Company or any Subsidiary. For purposes of the Plan, in the case of a Consultant, references to employment shall be deemed to refer to such Consultant's service in such capacity, but in no event shall the Plan or any action taken hereunder be construed to create an employer-employee relationship between any such Consultant and the Company or of any of its Affiliates.

(l) "**Director**" means any member of the Board.

The Committee may issue rules and regulations for administration of the Plan.

(b) *Delegation of Authority.* To the extent permitted by applicable law, including under Section 157(c) of the Delaware General Corporation Law, the Committee may delegate to one or more officers of the Company some or all of its authority under the Plan, including the authority to grant Options and SARs or other Awards in the form of Share rights (except that such delegation shall not apply to any Award for a Person then covered by Section 16 of the Exchange Act), and the Committee may delegate to one or more committees of the Board (which may consist of solely one Director) some or all of its authority under the Plan, including the authority to grant all types of Awards, in accordance with applicable law.

(c) *Authority of Committee.* Subject to the terms of the Plan and applicable law, the Committee (or its delegate) shall have full discretion and authority to: (i) designate Participants; (ii) determine the type or types of Awards (including Substitute Awards) to be granted to each Participant under the Plan; (iii) determine the number of Shares to be covered by (or with respect to which payments, rights or other matters are to be calculated in connection with) Awards; (iv) determine the terms and conditions of any Award and prescribe the form of each Award Agreement, which need not be identical for each Participant; (v) determine whether, to what extent, under what circumstances and by which methods Awards may be settled or exercised in cash, Shares, other Awards, other property, net settlement (including broker-assisted cashless exercise), or any combination thereof, or canceled, forfeited or suspended; (vi) determine whether, to what extent and under what circumstances cash, Shares, other Awards, other property and other amounts payable with respect to an Award under the Plan shall be deferred either automatically or at the election of the holder thereof or of the Committee; (vii) amend terms or conditions of any outstanding Awards; (viii) correct any defect, supply any omission and reconcile any inconsistency in the Plan or any Award, in the manner and to the extent it shall deem desirable to carry the Plan into effect; (ix) interpret and administer the Plan and any instrument or agreement relating to, or Award made under, the Plan; (x) establish, amend, suspend or waive such rules and regulations and appoint such agents, trustees, brokers, depositories and advisors and determine such terms of their engagement as it shall deem appropriate for the proper administration of the Plan and due compliance with applicable law, stock market or exchange rules and regulations or accounting or tax rules and regulations; and (xi) make any other determination and take any other action that the Committee deems necessary or desirable for the administration of the Plan and due compliance with applicable law, stock market or exchange rules and regulations

or accounting or tax rules and regulations. Notwithstanding anything to the contrary contained herein, the Board may, in its sole discretion, at any time and from time to time, grant Awards or administer the Plan. In any such case, the Board shall have all of the authority and responsibility granted to the Committee herein.

(d) *Rule 16b-3 Compliance.* To the extent an Award is intended to qualify for the exemption from Section 16(b) of the Exchange Act that is available under Rule 16b-3 of the Exchange Act, the Award will be granted by the Board or a Committee (or a subcommittee thereof) that consists solely of two or more Non-Employee Directors, as determined under Rule 16b-3(b)(3) of the Exchange Act and thereafter any action establishing or modifying the terms of the Award will be approved by the Board or a Committee (or a subcommittee) meeting such requirements to the extent necessary for such exemption to remain available.

Section 5. *Shares Available for Awards.*

(a) Subject to adjustment as provided in Section 5(c) and except for Substitute Awards, the maximum number of Shares available for issuance under the Plan shall not exceed in the aggregate [\bullet]² Shares and up to [\bullet] Shares³ subject to the outstanding Prior Awards⁴ as of the Effective Date, with no less than [\bullet] Shares to be available for grant pursuant to awards under Sections 8 and 9. The total number of Shares available for issuance under the Plan shall be increased on each of January 1, 2022 and January 1, 2023 in an amount equal to the lesser of (i) 2% of outstanding Shares on the last day of the immediately preceding fiscal year and (ii) such number of Shares as determined by the Committee in its discretion. Shares underlying Substitute Awards and Shares remaining available for grant under a plan of an acquired company or of a company with which the Company combines (whether by way of amalgamation, merger, sale and purchase of shares or other securities or otherwise), appropriately adjusted to reflect the acquisition or combination transaction, shall not reduce the number of Shares remaining available for grant hereunder.

(b) If any Award or Prior Award is forfeited, cancelled, expires, terminates or otherwise lapses or is settled in cash, in whole or in part, without the delivery of Shares, then the Shares covered by such forfeited, expired, terminated or lapsed Award or Prior Award shall again be available for grant under the Plan. The following shall become available for issuance under the Plan: (i) any Shares withheld in respect of taxes relating to any Award or Prior Award and (ii) any Shares tendered or withheld to pay the exercise price of Options or Prior Awards.

(c) In the event that the Committee determines that, as a result of any dividend or other distribution (other than an ordinary dividend or distribution), recapitalization, stock split, reverse stock split, reorganization, merger, amalgamation, consolidation, separation, rights offering, split-up, spin-off, combination, repurchase or exchange of Shares or other securities of the Company, issuance of warrants or other rights to acquire Shares or other securities of the Company, issuance of Shares pursuant to the anti-dilution provisions of securities of the Company, or other similar corporate transaction or event affecting the Shares, or of changes in applicable laws, regulations or accounting principles, an adjustment is necessary in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, then the Committee shall, subject to Section 19 and applicable law, adjust equitably so as to ensure no undue enrichment or harm (including by payment of cash), any or all of:

(i) the number and type of Shares (or other securities) which thereafter may be made the subject of Awards, including the aggregate limits specified in Section 5(a) and Section 5(f);

(ii) the number and type of Shares (or other securities) subject to outstanding Awards;

(iii) the grant, acquisition, exercise or hurdle price with respect to any Award or, if deemed appropriate, make provision for a cash payment to the holder of an outstanding Award; and

(iv) the terms and conditions of any outstanding Awards, including the performance criteria of any Performance Awards;

provided, however, that the number of Shares subject to any Award denominated in Shares shall always be a whole number.

² Note to Draft: To be 9% of the actual number of Class A common shares outstanding as of the Closing (taking into account redemptions by Fusion stockholders).

³ Note to Draft: To be in respect of the options that are rolling into Fusion options at the Effective Time.

⁴ Note to Draft: To be 5% of the actual number of Class A common shares outstanding as of the Closing (taking into account redemptions by Fusion stockholders).

(e) The aggregate value of all compensation granted or paid, as applicable, to any individual for service as a Non-Employee Director with respect to any calendar year, including Awards granted and cash fees paid by the Company to such Non-Employee Director, will not exceed (i) \$750,000 in total value or (ii) in the event such Non-Employee Director is first appointed or elected to the Board, \$1,000,000 in total value during the initial annual period, in each case calculating the value of any equity awards based on the grant date fair value of such equity awards for financial reporting purposes. The limitations in this Section 5(e) shall apply commencing with the first calendar year that begins following the Effective Date.

(f) Subject to adjustment as provided in Section 5(c)(i), the maximum number of Shares available for issuance with respect to Incentive Stock Options shall be [⁵]. To the extent that the aggregate Fair Market Value (determined at the time of grant) of Shares with respect to which Incentive Stock Options are exercisable for the first time by any Optionholder during any calendar year (under all plans of the Company and any Affiliates) exceeds \$100,000 (or such other limit established in the Code) or otherwise does not comply with the rules governing Incentive Stock Options, the Options or portions thereof that exceed such limit (according to the order in which they were granted) or otherwise do not comply with such rules will be treated as Nonqualified Stock Options, notwithstanding any contrary provision of the applicable Option Agreement(s).

Section 6. *Options.* The Committee is authorized to grant Options to Participants with the following terms and conditions and with such additional terms and conditions, in either case not inconsistent with the provisions of the Plan, as the Committee shall determine:

(a) The exercise price per Share under an Option shall be determined by the Committee at the time of grant; *provided, however*, that, except in the case of Substitute Awards, such exercise price shall not be less than the Fair Market Value of a Share on the date of grant of such Option.

(b) The term of each Option shall be fixed by the Committee but shall not exceed 10 years from the date of grant of such Option.

(c) The Committee shall determine the methods by which, and the forms in which payment of the exercise price with respect thereto may be made or deemed to have been made, including cash, Shares, other Awards, other property, net settlement (including broker-assisted cashless exercise) or any combination thereof, having a Fair Market Value on the exercise date equal to the relevant exercise price.

(d) To the extent an Option is not previously exercised as to all of the Shares subject thereto, and, if the Fair Market Value of one Share is greater than the exercise price then in effect, then the Option shall be deemed automatically exercised immediately before its expiration.

(e) No grant of Options may be accompanied by a tandem award of dividend equivalents or provide for dividends, dividend equivalents or other distributions to be paid on such Options (except as provided under Section 5(c)).

(f) The terms of any Incentive Stock Option granted under the Plan shall comply in all respects with the provisions of Section 422 of the Code. Incentive Stock Options may be granted only to employees of the Company or of a parent or subsidiary corporation (as defined in Section 424 of the Code).

Section 7. *Stock Appreciation Rights.* The Committee is authorized to grant SARs to Participants with the following terms and conditions and with such additional terms and conditions, in either case not inconsistent with the provisions of the Plan, as the Committee shall determine:

(a) SARs may be granted under the Plan to Participants either alone (“freestanding”) or in addition to other Awards granted under the Plan (“tandem”) and may, but need not, relate to a specific Option granted under Section 6.

⁵ Note to Draft: Same number as the initial share reserve otherwise under the Plan.

[Table of Contents](#)

(b) The exercise or hurdle price per Share under a SAR shall be determined by the Committee; *provided, however*, that, except in the case of Substitute Awards, such exercise or hurdle price shall not be less than the Fair Market Value of a Share on the date of grant of such SAR.

(c) The term of each SAR shall be fixed by the Committee but shall not exceed 10 years from the date of grant of such SAR.

(d) Upon the exercise of a SAR, the Company shall pay to the Participant an amount equal to the number of Shares subject to the SAR multiplied by the excess, if any, of the Fair Market Value of one Share on the exercise date over the exercise or hurdle price of such SAR. The Company shall pay such excess in cash, in Shares valued at Fair Market Value, or any combination thereof, as determined by the Committee.

(e) To the extent a SAR is not previously exercised as to all of the Shares subject thereto, and, if the Fair Market Value of one Share is greater than the exercise price then in effect, then the SAR shall be deemed automatically exercised immediately before its expiration.

(f) No grant of SARs may be accompanied by a tandem award of dividend equivalents or provide for dividends, dividend equivalents or other distributions to be paid on such SARs (except as provided under Section 5(e)).

Section 8. *Restricted Stock*. The Committee is authorized to grant Awards of Restricted Stock to Participants with the following terms and conditions and with such additional terms and conditions, in either case not inconsistent with the provisions of the Plan, as the Committee shall determine:

(a) The Award Agreement shall specify the vesting schedule.

(b) Awards of Restricted Stock shall be subject to such restrictions as the Committee may impose, which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise, as the Committee may deem appropriate.

(c) Subject to the restrictions set forth in the applicable Award Agreement, a Participant generally shall have the rights and privileges of a shareholder with respect to Awards of Restricted Stock, including the right to vote such Shares of Restricted Stock and the right to receive dividends.

(d) The Committee may, in its discretion, specify in the applicable Award Agreement that any or all dividends or other distributions paid on Awards of Restricted Stock prior to vesting be paid either in cash or in additional Shares and either on a current or deferred basis and that such dividends or other distributions may be reinvested in additional Shares, which may be subject to the same restrictions as the underlying Awards.

(e) Any Award of Restricted Stock may be evidenced in such manner as the Committee may deem appropriate, including book-entry registration.

(f) The Committee may provide in an Award Agreement that an Award of Restricted Stock is conditioned upon the Participant making or refraining from making an election with respect to the Award under Section 83(b) of the Code. If a Participant makes an election pursuant to Section 83(b) of the Code with respect to an Award of Restricted Stock, such Participant shall be required to file promptly a copy of such election with the Company and the applicable Internal Revenue Service office.

Section 9. *RSUs*. The Committee is authorized to grant Awards of RSUs to Participants with the following terms and conditions and with such additional terms and conditions, in either case not inconsistent with the provisions of the Plan, as the Committee shall determine:

(a) The Award Agreement shall specify the vesting schedule and the delivery schedule (which may include deferred delivery later than the vesting date).

(b) Awards of RSUs shall be subject to such restrictions as the Committee may impose, which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise, as the Committee may deem appropriate.

(c) An RSU shall not convey to a Participant the rights and privileges of a shareholder with respect to the Share subject to such RSU, such as the right to vote or the right to receive dividends, unless and until and to the extent a Share is issued to such Participant to settle such RSU.

[Table of Contents](#)

(d) The Committee may, in its discretion, specify in the applicable Award Agreement that any or all dividend equivalents or other distributions paid on Awards of RSUs prior to vesting or settlement, as applicable, be paid either in cash or in additional Shares and either on a current or deferred basis and that such dividend equivalents or other distributions may be reinvested in additional Shares, which may be subject to the same restrictions as such Awards.

(e) Shares delivered upon the vesting and settlement of an RSU Award may be evidenced in such manner as the Committee may deem appropriate, including book-entry registration.

(f) The Committee may determine the form or forms (including cash, Shares, other Awards, other property or any combination thereof) in which payment of the amount owing upon settlement of any RSU Award may be made.

Section 10. *Performance Awards.* The Committee is authorized to grant Performance Awards to Participants with the following terms and conditions and with such additional terms and conditions, in either case not inconsistent with the provisions of the Plan, as the Committee shall determine:

(a) Performance Awards may be denominated as a cash amount, number of Shares or units or a combination thereof and are Awards that may be earned upon achievement or satisfaction of performance conditions specified by the Committee. In addition, the Committee may specify that any other Award shall constitute a Performance Award by conditioning the grant to a Participant or the right of a Participant to exercise the Award or have it settled, and the timing thereof, upon achievement or satisfaction of such performance conditions as may be specified by the Committee. The Committee may use such business criteria and other measures of performance as it may deem appropriate in establishing any performance conditions. Subject to the terms of the Plan, the performance goals to be achieved during any Performance Period, the length of any Performance Period, the amount of any Performance Award granted and the amount of any payment or transfer to be made pursuant to any Performance Award shall be determined by the Committee.

(b) Performance criteria may be measured on an absolute *e.g.*, plan or budget) or relative basis, and may be established on a corporate-wide basis, with respect to one or more business units, divisions, Subsidiaries or business segments, or on an individual basis. If the Committee determines that a change in the business, operations, corporate structure or capital structure of the Company, or the manner in which the Company conducts its business, or other events or circumstances render the performance objectives unsuitable, the Committee may modify the performance objectives or the related minimum acceptable level of achievement, in whole or in part, as the Committee deems appropriate and equitable such that it does not provide any undue enrichment or harm. Performance measures may vary from Performance Award to Performance Award and from Participant to Participant, and may be established on a stand-alone basis, in tandem or in the alternative. The Committee shall have the power to impose such other restrictions on Awards subject to this Section 10(b) as it may deem necessary or appropriate to ensure that such Awards satisfy all requirements of any applicable law, stock market or exchange rules and regulations or accounting or tax rules and regulations.

(c) Settlement of Performance Awards shall be in cash, Shares, other Awards, other property, net settlement, or any combination thereof, as determined in the discretion of the Committee.

(d) A Performance Award shall not convey to a Participant the rights and privileges of a shareholder with respect to the Share subject to such Performance Award, such as the right to vote (except as relates to Restricted Stock) or the right to receive dividends, unless and until and to the extent a Share is issued to such Participant to settle such Performance Award. The Committee, in its sole discretion, may provide that a Performance Award shall convey the right to receive dividend equivalents on the Shares subject to such Performance Award with respect to any dividends declared during the period that such Performance Award is outstanding, in which case, such dividend equivalent rights shall accumulate and shall be paid in cash or Shares on the settlement date of the Performance Award, subject to the Participant's earning of the Shares with respect to which such dividend equivalents are paid upon achievement or satisfaction of performance conditions specified by the Committee. Shares delivered upon the vesting and settlement of a Performance Award may be evidenced in such manner as the Committee may deem appropriate, including book-entry registration. For the avoidance of doubt, unless otherwise determined by the Committee, no dividend equivalent rights shall be provided with respect to any Shares subject to Performance Awards that are not earned or otherwise do not vest or settle pursuant to their terms.

(e) The Committee may, in its discretion, increase or reduce the amount of a settlement otherwise to be made in connection with a Performance Award.

[Table of Contents](#)

Section 11. *Other Cash-Based Awards and Other Stock-Based Awards.* The Committee is authorized, subject to limitations under applicable law, to grant Other Cash-Based Awards (either independently or as an element of or supplement to any other Award under the Plan) and Other Stock-Based Awards. The Committee shall determine the terms and conditions of such Awards. Shares delivered pursuant to an Award in the nature of a purchase right granted under this Section 11 shall be purchased for such consideration, and paid for at such times, by such methods and in such forms, including cash, Shares, other Awards, other property, net settlement, broker-assisted cashless exercise or any combination thereof, as the Committee shall determine; *provided* that the purchase price therefor shall not be less than the Fair Market Value of such Shares on the date of grant of such right.

Section 12. *Effect of Termination of Service or a Change in Control on Awards*

(a) The Committee may provide, by rule or regulation or in any applicable Award Agreement, or may determine in any individual case, the circumstances in which, and the extent to which, an Award may be exercised, settled, vested, paid or forfeited in the event of a Participant's Termination of Service prior to the end of a Performance Period or vesting, exercise or settlement of such Award.

(b) Subject to the last sentence of Section 2(jj), the Committee may determine, in its discretion, whether, and the extent to which, (i) an Award will vest during a leave of absence, (ii) a reduction in service level (for example, from full-time to part-time employment) will cause a reduction, or other change, to an Award and (iii) a leave of absence or reduction in service will be deemed a Termination of Service.

(c) In the event of a Change in Control, the Committee may, in its sole discretion, and on such terms and conditions as it deems appropriate, take any one or more of the following actions with respect to any outstanding Award, which need not be uniform with respect to all Participants and/or Awards:

(i) continuation or assumption of such Award by the Company (if it is the surviving corporation) or by the successor or surviving entity or its parent;

(ii) substitution or replacement of such Award by the successor or surviving entity or its parent with cash, securities, rights or other property to be paid or issued, as the case may be, by the successor or surviving entity (or a parent or subsidiary thereof), with substantially the same terms and value as such Award (including any applicable performance targets or criteria with respect thereto);

(iii) acceleration of the vesting of such Award and the lapse of any restrictions thereon and, in the case of an Option or SAR Award, acceleration of the right to exercise such Award during a specified period (and the termination of such Option or SAR Award without payment of any consideration therefor to the extent such Award is not timely exercised), in each case, either (A) immediately prior to or as of the date of the Change in Control, (B) upon a Participant's involuntary Termination of Service (including upon a termination of the Participant's employment by the Company (or a successor corporation or its parent) without Cause, by a Participant for "good reason" and/or due to a Participant's death or "disability", as such terms may be defined in the applicable Award Agreement and/or a Participant's Service Agreement, as the case may be) on or within a specified period following the Change in Control or (C) upon the failure of the successor or surviving entity (or its parent) to continue or assume such Award;

(iv) in the case of a Performance Award, determination of the level of attainment of the applicable performance condition(s); and

(v) cancellation of such Award in consideration of a payment, with the form, amount and timing of such payment determined by the Committee in its sole discretion, subject to the following: (A) such payment shall be made in cash, securities, rights and/or other property; (B) the amount of such payment shall equal the value of such Award, as determined by the Committee in its sole discretion; *provided* that, in the case of an Option or SAR Award, if such value equals the Intrinsic Value of such Award, such value shall be deemed to be valid; *provided further* that, if the Intrinsic Value of an Option or SAR Award is equal to or less than zero, the Committee may, in its sole discretion, provide for the cancellation of such Award without payment of any consideration therefor (for the avoidance of doubt, in the event of a Change in Control, the Committee may, in its sole discretion, terminate any Option or SAR Awards for which the exercise or hurdle price is equal to or exceeds the per Share value of the consideration to be paid in the Change in Control transaction without payment of consideration therefor); and (C) such payment shall be made promptly following such Change in Control or on a specified date or dates following such Change in Control; *provided* that the timing of such payment shall comply with Section 409A of the Code.

Section 13. *General Provisions Applicable to Awards.*

(a) Awards shall be granted for such cash or other consideration, if any, as the Committee determines; *provided* that in no event shall Awards be issued for less than such minimal consideration as may be required by applicable law.

(b) Awards may, in the discretion of the Committee, be granted either alone or in addition to or in tandem with any other Award or any award granted under any other plan of the Company. Awards granted in addition to or in tandem with other Awards, or in addition to or in tandem with awards granted under any other plan of the Company, may be granted either at the same time as or at a different time from the grant of such other Awards or awards.

(c) Subject to the terms of the Plan, payments or transfers to be made by the Company upon the grant, exercise or settlement of an Award may be made in the form of cash, Shares, other Awards, other property, net settlement, or any combination thereof, as determined by the Committee in its discretion at the time of grant, and may be made in a single payment or transfer, in installments or on a deferred basis, in each case in accordance with rules and procedures established by the Committee. Such rules and procedures may include provisions for the payment or crediting of reasonable interest on installment or deferred payments or the grant or crediting of dividend equivalents in respect of installment or deferred payments.

(d) Except as may be permitted by the Committee or as specifically provided in an Award Agreement, (i) no Award and no right under any Award shall be assignable, alienable, saleable or transferable by a Participant other than by will or pursuant to Section 13(e) and (ii) during a Participant's lifetime, each Award, and each right under any Award, shall be exercisable only by such Participant or, if permissible under applicable law, by such Participant's guardian or legal representative. The provisions of this Section 13(d) shall not apply to any Award that has been fully exercised or settled, as the case may be, and shall not preclude forfeiture of an Award in accordance with the terms thereof.

(e) A Participant may designate a Beneficiary or change a previous Beneficiary designation only at such times as prescribed by the Committee, in its sole discretion, and only by using forms and following procedures approved or accepted by the Committee for that purpose.

(f) All certificates, if any, for Shares and/or other securities delivered under the Plan pursuant to any Award or the exercise or settlement thereof shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan or the rules, regulations and other requirements of the Securities and Exchange Commission, any stock market or exchange upon which such Shares or other securities are then quoted, traded or listed, and any applicable securities laws, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

(g) The Company will not be obligated to deliver any Shares under the Plan or remove restrictions from Shares previously delivered under the Plan until (i) all Award conditions have been met or removed to the Committee's satisfaction, (ii) as determined by the Committee, all other legal matters regarding the issuance and delivery of such Shares have been satisfied, including any applicable securities laws, stock market or exchange rules and regulations or accounting or tax rules and regulations and (iii) the Participant has executed and delivered to the Company such representations or agreements as the Committee deems necessary or appropriate to satisfy any applicable laws. The Company's inability to obtain authority from any regulatory body having jurisdiction, which the Committee determines is necessary to the lawful issuance and sale of any Shares, will relieve the Company of any liability for failing to issue or sell such Shares as to which such requisite authority has not been obtained.

(h) The Committee may impose restrictions on any Award with respect to non-competition, non-solicitation, confidentiality and other restrictive covenants, or requirements to comply with minimum share ownership requirements, as it deems necessary or appropriate in its sole discretion, which such restrictions may be set forth in any applicable Award Agreement or otherwise.

Section 14. *Amendments and Terminations.*

(a) *Amendment or Termination of the Plan.* Except to the extent prohibited by applicable law and unless otherwise expressly provided in an Award Agreement or in the Plan, the Board may amend, alter, suspend, discontinue or terminate the Plan or any portion thereof at any time; *provided, however*, that no such amendment, alteration, suspension, discontinuation or termination shall be made without (i) shareholder approval if such approval

is required by applicable law or the rules of the stock market or exchange, if any, on which the Shares are principally quoted or traded or (ii) subject to Section 5(c) and Section 12, the consent of the affected Participant, if such action would materially adversely affect the rights of such Participant under any outstanding Award, except (x) to the extent any such amendment, alteration, suspension, discontinuance or termination is made to cause the Plan to comply with applicable law, stock market or exchange rules and regulations or accounting or tax rules and regulations or (y) to impose any “clawback” or recoupment provisions on any Awards (including any amounts or benefits arising from such Awards) in accordance with Section 18. Notwithstanding anything to the contrary in the Plan, the Committee may amend the Plan, or create sub-plans, in such manner as may be necessary or desirable to enable the Plan to achieve its stated purposes in any jurisdiction in a tax-efficient manner and in compliance with local rules and regulations.

(b) *Dissolution or Liquidation.* In the event of the dissolution or liquidation of the Company, each Award shall terminate immediately prior to the consummation of such action, unless otherwise determined by the Committee.

(c) *Terms of Awards.* The Committee may waive any conditions or rights under, amend any terms of, or amend, alter, suspend, discontinue or terminate any Award theretofore granted (including by substituting another Award of the same or a different type), prospectively or retroactively, without the consent of any relevant Participant or holder or Beneficiary of an Award; *provided, however,* that, subject to Section 5(c) and Section 12, no such action shall materially adversely affect the rights of any affected Participant or holder or Beneficiary under any Award theretofore granted under the Plan, except (x) to the extent any such action is made to cause the Plan or Award to comply with applicable law, stock market or exchange rules and regulations or accounting or tax rules and regulations, or (y) to impose any “clawback” or recoupment provisions on any Awards (including any amounts or benefits arising from such Awards) in accordance with Section 18. The Committee shall be authorized to make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of events (including the events described in Section 5(c)) affecting the Company, or the financial statements of the Company, or of changes in applicable laws, regulations or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan.

(d) *No Repricing.* Except as provided in Section 5(c), the Committee may not, without shareholder approval, seek to effect any re-pricing of any previously granted “underwater” Option, SAR or similar Award by: (i) amending or modifying the terms of the Option, SAR or similar Award to lower the exercise price; (ii) cancelling the underwater Option, SAR or similar Award and granting either (A) replacement Options, SARs or similar Awards having a lower exercise price or (B) Restricted Shares, RSUs, Performance Awards or Other Share-Based Awards in exchange; or (iii) cancelling or repurchasing the underwater Options, SARs or similar Awards for cash or other securities. An Option, SAR or similar Award will be deemed to be “underwater” at any time when the Fair Market Value of the Shares covered by such Award is less than the exercise price of the Award.

Section 15. *Miscellaneous.*

(a) No Employee, Consultant, Non-Employee Director, Participant, or other Person shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of employees, Participants or holders or Beneficiaries of Awards under the Plan. The terms and conditions of Awards need not be the same with respect to each recipient. Any Award granted under the Plan shall be a one-time Award that does not constitute a promise of future grants. The Company, in its sole discretion, maintains the right to make available future grants under the Plan.

(b) The grant of an Award shall not be construed as giving a Participant the right to be retained in the employ of, or to continue to provide services to, the Company or any Affiliate. Further, the Company or any applicable Affiliate may at any time dismiss a Participant, free from any liability, or any claim under the Plan, unless otherwise expressly provided in the Plan or in any Award Agreement or in any other agreement binding on the parties. The receipt of any Award under the Plan is not intended to confer any rights on the receiving Participant except as set forth in the applicable Award Agreement.

(c) In the event a Participant’s regular level of time commitment in the performance of his or her services for the Company and any Affiliates is reduced (for example, and without limitation, if the Participant is an employee of the Company and the Employee has a change in status from a full-time employee to a part-time employee (or serves as a Consultant or Director) or takes an extended leave of absence) after the date of grant of any Award to

[Table of Contents](#)

the Participant, the Board may determine, to the extent permitted by applicable law, to (i) make a corresponding reduction in the number of shares or cash amount subject to any portion of such Award that is scheduled to vest or become payable after the date of such change in time commitment, and (ii) in lieu of or in combination with such a reduction, extend the vesting or payment schedule applicable to such Award. In the event of any such reduction, the Participant will have no right with respect to any portion of the Award that is so reduced or extended.

(d) As a condition to accepting an Award under the Plan, the Participant agrees to execute any additional documents or instruments necessary or desirable, as determined in the Committee's sole discretion, to carry out the purposes or intent of the Award, or facilitate compliance with securities and/or other regulatory requirements, in each case at the Committee's request.

(e) No payment pursuant to the Plan shall be taken into account in determining any benefits under any severance, pension, retirement, savings, profit sharing, group insurance, welfare or other benefit plan of the Company or any Affiliate, except to the extent otherwise expressly provided in writing in such other plan or an agreement thereunder.

(f) Nothing contained in the Plan shall prevent the Company or any Affiliate from adopting or continuing in effect other or additional compensation arrangements, including the grant of options and other stock-based awards, and such arrangements may be either generally applicable or applicable only in specific cases.

(e) The Company shall be authorized to withhold from any Award granted or any payment due or transfer made under any Award or under the Plan or from any compensation or other amount owing to a Participant the amount (in cash, Shares, other Awards, other property, net settlement, or any combination thereof) of applicable withholding taxes due in respect of an Award, its exercise or settlement or any payment or transfer under such Award or under the Plan and to take such other action (including providing for elective payment of such amounts in cash or Shares by such Participant) as may be necessary to satisfy all obligations for the payment of such taxes and, unless otherwise determined by the Committee in its discretion, to the extent such withholding would not result in liability classification of such Award (or any portion thereof) pursuant to FASB ASC Subtopic 718-10. As a condition to accepting an Award under the Plan, in the event that the amount of the Company's and/or its Affiliate's withholding obligation in connection with such Award was greater than the amount actually withheld by the Company and/or its Affiliates, each Participant agrees to indemnify and hold the Company and/or its Affiliates harmless from any failure by the Company and/or its Affiliates to withhold the proper amount.

(g) If any provision of the Plan or any Award Agreement is or becomes or is deemed to be invalid, illegal or unenforceable in any jurisdiction, or as to any Person or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to applicable laws, or if it cannot be so construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award Agreement, such provision shall be stricken as to such jurisdiction, Person or Award, and the remainder of the Plan and any such Award Agreement shall remain in full force and effect.

(h) Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company and a Participant or any other Person. To the extent that any Person acquires a right to receive payments from the Company pursuant to an Award, such right shall be no greater than the right of any unsecured general creditor of the Company.

(i) Any reference herein or in an Award Agreement to a "written" agreement or document will include any agreement or document delivered electronically, filed publicly at www.sec.gov (or any successor website thereto) or posted on the Company's intranet (or other shared electronic medium controlled by the Company to which the Participant has access). By accepting any Award, the Participant consents to receive documents by electronic delivery and to participate in the Plan through any on-line electronic system established and maintained by the Committee's or another third party selected by the Committee. The form of delivery of any Shares (e.g., a stock certificate or electronic entry evidencing such shares) shall be determined by the Company.

(j) No fractional Shares shall be issued or delivered pursuant to the Plan or any Award, and the Committee shall determine whether cash or other securities shall be paid or transferred in lieu of any fractional Shares, or whether such fractional Shares or any rights thereto shall be canceled, terminated or otherwise eliminated.

(k) Awards may be granted to Participants who are non-United States nationals or employed or providing services outside the United States, or both, on such terms and conditions different from those applicable to Awards to Participants who are employed or providing services in the United States as may, in the judgment of the Committee, be necessary or desirable to recognize differences in local law, tax policy or custom. The Committee also may impose conditions on the exercise or vesting of Awards in order to minimize the Company's obligation with respect to tax equalization for Participants on assignments outside their home country.

Section 16. *Effective Date of the Plan.* The Plan shall be effective as of the Effective Date.

Section 17. *Term of the Plan.* No Award shall be granted under the Plan after the earliest to occur of (i) the 10-year anniversary of [*]⁶; (ii) the maximum number of Shares available for issuance under the Plan have been issued; or (iii) the Board terminates the Plan in accordance with Section 14(a). However, unless otherwise expressly provided in the Plan or in an applicable Award Agreement, any Award theretofore granted may extend beyond such date, and the authority of the Committee to amend, alter, adjust, suspend, discontinue or terminate any such Award, or to waive any conditions or rights under any such Award, and the authority of the Board to amend the Plan, shall extend beyond such date.

Section 18. *Cancellation or "Clawback" of Awards.*

(a) The Committee may specify in an Award Agreement that a Participant's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events may include a Termination of Service with or without Cause (and, in the case of any Cause that is resulting from an indictment or other non-final determination, the Committee may provide for such Award to be held in escrow or abeyance until a final resolution of the matters related to such event occurs, at which time the Award shall either be reduced, cancelled or forfeited (as provided in such Award Agreement) or remain in effect, depending on the outcome), violation of material policies, breach of non-competition, non-solicitation, confidentiality or other restrictive covenants, or requirements to comply with minimum share ownership requirements, that may apply to the Participant, or other conduct by the Participant that is detrimental to the business or reputation of the Company and/or its Affiliates.

(b) The Committee shall have full authority to implement any policies and procedures necessary to comply with Section 10D of the Exchange Act and any rules promulgated thereunder and any other regulatory regimes. Notwithstanding anything to the contrary contained herein, any Awards granted under the Plan (including any amounts or benefits arising from such Awards) shall be subject to any clawback or recoupment arrangements or policies the Company has in place from time to time and the Committee may, to the extent permitted by applicable law and stock exchange rules or by any applicable Company policy or arrangement, and shall, to the extent required, cancel or require reimbursement of any Awards granted to the Participant or any Shares issued or cash received upon vesting, exercise or settlement of any such Awards or sale of Shares underlying such Awards.

Section 19. *Section 409A of the Code.* With respect to Awards subject to Section 409A of the Code, the Plan is intended to comply with the requirements of Section 409A of the Code, and the provisions of the Plan and any Award Agreement shall be interpreted in a manner that satisfies the requirements of Section 409A of the Code, and the Plan shall be operated accordingly. If any provision of the Plan or any term or condition of any Award would otherwise frustrate or conflict with this intent, the provision, term or condition shall be interpreted and deemed amended so as to avoid this conflict. Notwithstanding anything in the Plan to the contrary, if the Board considers a Participant to be a "specified employee" under Section 409A of the Code at the time of such Participant's "separation from service" (as defined in Section 409A of the Code), and any amount hereunder is "deferred compensation" subject to Section 409A of the Code, any distribution of such amount that otherwise would be made to such Participant with respect to an Award as a result of such "separation from service" shall not be made until the date that is six months after such "separation from service," except to the extent that earlier distribution would not result in such Participant's incurring interest or additional tax under Section 409A of the Code. If an Award includes a "series of installment payments" (within the meaning of Section 1.409A-2(b)(2)(iii) of the Treasury Regulations), a Participant's right to such series of installment payments shall be treated as a right to a series of separate payments

¹ Date to be date on which the Plan was adopted by the Board.

[Table of Contents](#)

and not as a right to a single payment, and if an Award includes “dividend equivalents” (within the meaning of Section 1.409A-3(e) of the Treasury Regulations), a Participant’s right to such dividend equivalents shall be treated separately from the right to other amounts under the Award. Notwithstanding the foregoing, the tax treatment of the benefits provided under the Plan or any Award Agreement is not warranted or guaranteed, and in no event shall the Company be liable for all or any portion of any taxes, penalties, interest or other expenses that may be incurred by a Participant on account of non-compliance with Section 409A of the Code.

Section 20. *Successors and Assigns*. The terms of the Plan shall be binding upon and inure to the benefit of the Company and any successor entity, including any successor entity contemplated by Section 12(c).

Section 21. *Data Protection*. In connection with the Plan, the Company may need to process personal data provided by the Participant to the Company or its Affiliates, third party service providers or others acting on the Company’s behalf. Examples of such personal data may include, without limitation, the Participant’s name, account information, social security number, tax number and contact information. The Company may process such personal data in its legitimate business interests for all purposes relating to the operation and performance of the Plan, including but not limited to:

- (a) administering and maintaining Participant records;
- (b) providing the services described in the Plan;
- (c) providing information to future purchasers or merger partners of the Company or any Affiliate, or the business in which such Participant works; and
- (d) responding to public authorities, court orders and legal investigations, as applicable.

The Company may share the Participant’s personal data with (i) Affiliates, (ii) trustees of any employee benefit trust, (iii) registrars, (iv) brokers, (v) third party administrators of the Plan, (vi) third party service providers acting on the Company’s behalf to provide the services described above or (vii) regulators and others, as required by law.

If necessary, the Company may transfer the Participant’s personal data to any of the parties mentioned above in a country or territory that may not provide the same protection for the information as the Participant’s home country. Any transfer of the Participant’s personal data to recipients in a third country will be made subject to appropriate safeguards or applicable derogations provided for under applicable law. Further information on those safeguards or derogations can be obtained through the contact set forth in the Employee Privacy Notice (the “Employee Privacy Notice”) that previously has been provided by the Company or its applicable Affiliate to the Participant. The terms set forth in this Section 21 are supplementary to the terms set forth in the Employee Privacy Notice (which, among other things, further describes the rights of the Participant with respect to the Participant’s personal data); provided that, in the event of any conflict between the terms of this Section 21 and the terms of the Employee Privacy Notice, the terms of this Section 21 shall govern and control in relation to the Plan and any personal data of the Participant to the extent collected in connection therewith.

The Company will keep personal data collected in connection with the Plan for as long as necessary to operate the Plan or as necessary to comply with any legal or regulatory requirements.

A Participant has a right to (i) request access to and rectification or erasure of the personal data provided, (ii) request the restriction of the processing of his or her personal data, (iii) object to the processing of his or her personal data, (iv) receive the personal data provided to the Company and transmit such data to another party, and (v) to lodge a complaint with a supervisory authority.

Section 22. *Governing Law*. The Plan and each Award Agreement shall be governed by the laws of the State of Delaware, without application of the conflicts of law principles thereof.

Annex F-1

PART II
INFORMATION NOT REQUIRED IN PROSPECTUS

Item 20. Indemnification of Directors and Officers.

Section 145 of the DGCL provides, generally, that a corporation shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that such person is or was a director, officer, employee or agent of the corporation against all expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. A corporation may similarly indemnify such person for expenses actually and reasonably incurred by such person in connection with the defense or settlement of any action or suit by or in the right of the corporation, provided that such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, in the case of claims, issues and matters as to which such person shall have been adjudged liable to the corporation, provided that a court shall have determined, upon application, that, despite the adjudication of liability but in view of all of the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

In accordance with Section 102(b)(7) of the DGCL, Fusion's charter provides that a director will not be personally liable to Fusion or Fusion's stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to Fusion or Fusion's stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL, or (iv) for any transaction from which the director derived an improper personal benefit. No such provision shall eliminate or limit the liability of a director for any act or omission occurring prior to the date when such provision became effective. Accordingly, these provisions will have no effect on the availability of equitable remedies such as an injunction or rescission based on a director's breach of his or her duty of care.

Fusion's charter provides that Fusion will indemnify its present and former directors and officers to the maximum extent permitted by the DGCL and that such indemnification will not be exclusive of any other rights to which those seeking indemnification may be entitled under any bylaw provision, agreement, vote of stockholders or disinterested directors or otherwise.

Fusion has entered into indemnification agreements with each of its current directors and executive officers. These agreements require Fusion to indemnify these individuals to the fullest extent permitted under Delaware law against liabilities that may arise by reason of their service to Fusion, and to advance expenses incurred as a result of any proceeding against them as to which they could be indemnified.

New MoneyLion's certificate of incorporation will provide for indemnification of New MoneyLion's directors, officers, employees and other agents to the maximum extent permitted by the DGCL, and New MoneyLion's bylaws will provide for indemnification of New MoneyLion's directors, officers, employees and other agents to the maximum extent permitted by the DGCL.

In addition, effective upon the consummation of the Business Combination, New MoneyLion will have entered into indemnification agreements with directors, officers and some employees containing provisions which are in some respects broader than the specific indemnification provisions contained in the DGCL. The indemnification agreements require New MoneyLion, among other things, to indemnify its directors against certain liabilities that may arise by reason of their status or service as directors and to advance their expenses incurred as a result of any proceeding against them as to which they could be indemnified.

* To be filed by amendment.

Item 22. Undertakings.

The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - i. To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - ii. To reflect in the proxy statement/prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of proxy statement/prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;
 - iii. To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.
- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.
- (5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
 - i. Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
 - ii. Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

- iii. The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
 - iv. Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
- (6) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (7) That prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.
- (8) That every prospectus: (i) that is filed pursuant to the immediately preceding paragraph, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the proxy statement/prospectus pursuant to Item 4, 10(b), 11, or 13 of this form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of New York, State of New York, on the th day of , 2021.
